# Brownwood to invade Hawk Stadium Friday

Oh, for a repeat of 1972. Brownwood's high-flying Lions invade Hawk Stadium at 8 p.m. Friday to do battle with the cellar-sharing Hawks in a Dist. 4-AAA tilt. Since joining the conference in 1971, Iowa Park has registered only one varsity football victory over the Lions, and that was in 1972. It was the first year under new head coach Grady Graves, and the Mean Green humbled Brownwood 31-20 that season. It, also, was played in Hawk Stadium. Coach Gordon Woods' club is in its usual place this season, among the top AAA team in the state and holding at least a share of the district's lead. The Lions are 6-0 on the season, posting 15-6 and 35-10 victories over Class AAAA Abilene Cooper and Austin Travis, respectively, and 28-0 in their other non-conference game against Waco Monday. Then when they got into district games, they came from behind to defeat Burkburnett 24-21, and followed that with routs over Weatherford, 48-14, and Mineral Wells, 41-0. Thus far, Brownwood has racked up 191 points while allowing their six opponents only 51. The Hawks, counting heavily on underclassmen in their second year

under Coach Pat Tone, have yet to take a win under their wings this season. They've mustered only 25 points offensively, while having given up 192.

Despite the string of losses, Iowa Park High's student body is still showing considerable enthusiasm. They're planning for a big night of spirit tomorrow.

They might follow the example of warring Texans who use the slogan "Remember the Alamo", and adopt a saying for tomorrow, "Remember '72".

## New Signs Going Up

FOUR - WAY STOP SIGNS will be installed Friday morning on the old highway, at the intersections of Johnson Road, Yosemite and Victoria. The new signs were recommended by numerous citizens, as well as the Traffic Safety Council, and approved by the city council. The Yosemite intersection is next to the Mobile service station, and Victoria is the crossing near the junior high school.

## Police kept busy with vandalism

Burglars in the city got in some pre-Halloween trick or treating this week, according to Iowa Park police. Harold Gee, 1011 Lincoln, told police Sunday that someone had entered his garage and stolen six cartons of soft drink bottles. On Friday police received a report from Rodney Davis that someone had sliced one of his automobile tires while his vehicle was parked at the high school parking lot. Last Thursday police investigated two burglaries. Jimmy Alsop, junior high principal, reported someone had broken into the band hall and stolen a battery-powered megaphone valued at \$75.

Mrs. Gary Johnson reported someone entered her garage at 112 W. Garden and walked away with an electric drill, bits and extension cord valued at \$60. And two Iowa Park 12-year-olds have been doing their part keeping local officials on the move. Last Wednesday parents of the two boys reported them missing about 8 p.m. Police, volunteer firemen and Texoma React members searched for the youths until almost midnight. The two youths surfaced from a old barn near Cryovac. They reportedly had decided to run away from home, but that the night had become considerably more dark and chilly than they had anticipated. Then on Tuesday the same two boys caused a search to be mobilized again when they didn't show up for school. The truants were discovered at one of their homes.

NEW CHAMBER OFFICERS for 1978 were elected at the annual membership meeting Monday. Bill Steger, center, was named president; Richard Davis, right, first vice president; and Bill Bates, second vice president. Also elected directors were Steger, Davis, Tom Key, Helen Rich, Rip Smith, Bud Burch, Dr. Richard Carver, Allen Gilstrap and Mike Robertson.

## Voting underway on state amendments

Today marks the second day of absentee voting in the Nov. 8 state election to decide the fate of seven proposed constitutional amendments.

Texans who will be unable to cast ballots in the regular election have until Nov. 4 to vote absentee. Iowa Park residents may vote absentee at the city-school tax office at 1303 N. Fourth. A new twist to the election will be the implementation of a new type

ballot, which is a computer card. The voter punches a hole in the card, and the card is later fed into a computer for counting.

"Since there are no state races on the ballot, the amendments are getting more attention than usual," said State Rep. Charles Finnell of Holliday. "People want to know what's in them." The seven proposals pertain to expanding the number of judges on the Court of Criminal Appeals,

increasing funds available for the Veterans' Land Fund and denying bail to certain criminal defendants.

Other proposals include measures to give tax relief to certain state cultural and historical resources, to permit creation of certain state agricultural and maritime associations, to permit electronic banking procedures and to change the name and functions of the State Judicial Qualifications Commission.

## Parkey pleads guilty to cattle theft charges

Dr. Paul Parkey of Vernon, formerly of Iowa Park, pleaded guilty to federal charges of receiving and concealing stolen cattle. The 37-year-old Vernon physician entered the guilty plea Tuesday in Dallas before U.S. District Judge Robert M. Hill. Parkey had been indicted on two counts of receiving and concealing stolen cattle.

Darrell Thedford, a Vernon pharmacist, pleaded guilty last month to a federal charge of receiving and concealing stolen cattle in connection with his participation in an alleged cattle theft ring.

Prosecutors dropped four other charges against Thedford in return for his guilty plea.

There were reports that prosecutors might drop other charges against Parkey in return for his plea of guilty to charges of receiving and concealing stolen cattle.

Parkey was arrested Oct. 9 on a charge of conspiracy to distribute marijuana, and a preliminary hearing on that charge was scheduled yesterday morning in Wichita Falls before U.S. Magistrate Gene Richie. Richie was quoted in a Vernon

newspaper saying the marijuana charges against Parkey might be dropped during plea bargaining Tuesday concerning the charges against him involving the cattle rustling scheme.

However, by noon yesterday the U.S. District Court Clerk in Wichita Falls had not been instructed by Judge Hill to erase the marijuana charges against Parkey.

Dr. Parkey put up \$100,000 in bonds Oct. 12, \$50,000 on the cattle charge and \$50,000 on the marijuana charge.

## Sales tax receipts continue to climb

Sales tax rebates to the City of Iowa Park total \$49,793 for the first nine months of 1977 signifying a 20 per cent increase over the same period a year ago.

This time last year the city had been reimbursed \$41,186, according to the state comptroller's office.

Iowa Park's October payment was for \$3,060 as compared to \$774 for the same 30-day period last year.

### Friendly Door is busy place

If you wonder if growing older is really getting better, all the proof you'll need is a visit to the Friendly Door, Iowa Park's Senior Citizen Center.

The doors open each morning, Monday through Friday, at 9 a.m. and, rapidly, the dominoes start to clatter. Some of the "real" domino players have been playing more than 70 years, and it's evident that it's the most popular game because, by noon, an average of 40 to 50 citizens over 60 years of age are occupying 12 to 14 card tables, laughing, visiting and contemplating their next strategic move.

Prayer precedes the noon meal which is cooked by the Senior Citizens Center in Wichita Falls and transported daily to the Iowa Park Center. In addition, 16 "carry-out" meals are taken daily by community volunteers to elderly shut-ins in the city.

Mrs. Robbie Cope and Mrs. Roy Fortner are just two of the many Iowa Park women to volunteer their time for the Center. Each day for a week these two "load up" with the

hot lunches and deliver them to the homes.

"Our participants really look forward to getting this hot meal, and as for me, this volunteer service is very rewarding. I just really look forward to it," Mrs. Cope said.

Funding for the carry-out meals comes from Nortex, Mrs. Bill G. Robinson, director of the center, explained. Additional funding for activities, salaries and other expenses comes from the United Way.

"The membership fee is only a dollar a year so we must depend on outside funding of our existence," Mrs. Robinson said.

The Center officially opened on May 9 and boasts a membership of 312, so many activities must be planned to hold the interest of the group.

One of the highlights was a three-day trip to Bronson, Mo. The trip was arranged by Mrs. Robinson with the help of her husband, a bus driver for the Oklahoma Transportation Company.

Thirty-one went on the tour which

# Study Club members hear Mrs. Carpenter

Mrs. Philip A. Carpenter of Burkburnett, past president of Texas Federation of Women's Clubs and Santa Rosa District and currently serving as American Heritage chairman of the district, was guest speaker for the 14th annual meeting of the Philia Study Club and 23 Study Club Monday night.

The meeting was held in Texas Electric Reddy Room

and hosted by Mrs. Sam Hill, Mrs. E.F. Soell, Mrs. Joe Singer and Miss Ethyle Kidwell.

The Americanism theme provided inspiration for the topic of Mrs. Carpenter's address in which she stressed the role General Federation of Women's Clubs has played in Americanism. "You have done great things for your country" she said personally

to each club member in mentioning some of the national and state projects that they had participated in.

"The General Federation of Women's Clubs came into being 85 years ago and the Americanism Department of GFWC was created in 1954," she remarked. She put major stress on the 1976 convention held in Philadelphia which she attended and recounted the accomplishments of GFWC in that area, one of the main ones being that of completely refurbishing a floor of Independence Hall.

Mrs. Earl Watson introduced the speaker.

Mrs. Singer, president of the 23 Study Club, welcomed guests and led the group in the pledge of allegiance.

Mrs. Deryl James, president of the Philia Study Club, brought the devotion on "Do Your Best."

Accompanied by Mrs. James A. Sewell on the autoharp, the group sang "God Bless America" and "The Federation Song".

The refreshment table was laid with ecru lace and centered with a fall arrangement of flowers and foliage in a bronze pitcher. Napkins and refreshments were in autumnal hues.

The speaker's table held a wicker basket filled with fall flowers and grapes accented with miniature pumpkins.

Others present were Mmes. Johnny Bernstein, Michie Compton, Donald Cook, Harold Cowley, Vern Horsky, Jerry Padgett, Glenn Phillips, Robert Robinson, Wilbert Wynn, C.E. Birk, L.E. Brooks, Earle Denny, D.O. James, C.L. Metz, Glen Miller, T.M. Thaxton, Chauncey Weiler, Fred Widmoyer, N.E. McKinney, M.L. Hines, Homer Blalock and Miss Titia Belle Blanks.

## Garden Club members have wreath workshop

Members of the Iowa Park Garden Club met Friday morning in Texas Electric Reddy Room for a workshop conducted by Mrs. W.A. George where members made Della Robbia wreaths of pine cones, fruit, etc.

Mrs. Frank Harlin gave the thought for the day to precede the business period directed by Mrs. Charlie Lee. She used an inspirational article from the Open Door stressing how the clock of life winds but once and that each day should be lived, loved and worked with a will and a consciousness that the clock could be still on the morrow.

During the business, it was voted to buy crepe

myrtle plants for the landscaping project of the Expressway instead of red oak trees. A possible money-making project to finish the landscaping project was considered.

Mrs. George, community service chairman, reminded members to save their tin can lids for the Opti-Mrs. Club to use for decorations on the city's Christmas tree.

Mrs. R.B. Faulkner brought a Norfolk pine tree as the horticulture specimen.

Mrs. Abbie Warner of Clarendon was a guest. Other members attending were Miss Ethyle Kidwell; Mmes. Kenzie Jones, Mryl Cabe, R.L. Good, Jim Connatser, Joe Cope, Allen

Gilstrap, L.C. Hill, Johnny Bernstein, Mike Hodson, D.O. James, Ida Parker, Raymond Phillips, James A. Sewell, Luther Shaw, Roy B. Smith, China B. Smith, R.G.

Warner, Kathleen Hatten, Howard Marlar, Thurman Reitz, David Parkey.

Mrs. Cabe and Mrs. Warner were hostesses.

## Six guests at meeting

Epsilon Eta chapter of Epsilon Sigma Alpha honored six guests at a "Hairy Buffalo" party Tuesday evening. The affair took place in Woodbriar recreation room.

Mrs. Dalton Bleeker and Mrs. Bill Vanek, pledge captains, were general chairmen of arrangements. Special guests were Mmes. Ricky Vanek, Deryl James, Carlton Hicks, Robert Hunt, Paul Tigrett and Jack Pennington.

The room was decorated in a profusion of cowboy silhouettes, cacti and other symbols suggestive of western life and members and guests were dressed in clothes suitable for hunting game. As they arrived they were pinned with buffalo-shaped name tags. Favors were "Ginuwine Buffle Hide" place mats.

To give the guests an insight into the sorority and what it has done for the community, many of the scrapbooks were on display and a moving picture of

activities in 1954-55 was shown. Mmes. Roy Johnson, D.W. Mercer, Bill Hrcirik and Vanek gave impromptu speeches on "What ESA Means to Me."

A western party will be held Saturday evening at Vanek Trucking Co. for pledges and members and their husbands.

Other members present were Mmes. James Dyer, R.B. Faulkner, Tom Venhaus, Jean Proulx, Charles Dudley, Chester Morrison, Kenzie Jones and Homer Blalock.

## United Way campaign nearing final stages

With only one report meeting left before the final victory dinner, the United Way has collected \$749,391

for 67 per cent of its goal of \$1.1 million.

In Iowa Park, chairman Charles Lee called for the

final wrap-up of collections and set Tuesday as the deadline for the drive here.

"It's hard to tell exactly where we are until all the pledge cards are returned by our workers. We feel like Iowa Park has done very well, but we can't know until everything is turned in," Lee said.

The annual United Way drive seeks funding for 32 community service agencies including senior citizen centers, youth centers, Girl Scouts, Boy Scouts, Boys Clubs, Salvation Army and many other groups.

"Iowa Park citizens can see their money at work at the Friendly Door, and, soon, at our own youth center," Lee said.

In pointing out the importance of volunteers to the United Way and the community, Lee said, "Volunteers not only work on the drive, but form the official board of directors and the admissions board and budgeting committee, to insure our money is well-spent and well-cared for."

Last year was the first year Iowa Park participated in the annual campaign with Wichita Falls, Burkburnett and Shepard AFB. The first United Way funded agency in Iowa Park, The Friendly Door, was opened in May.

## Littrell-Perkins wedding vows exchanged Saturday

MRS. JACKIE PAUL PERKINS

In an impressive double-ring ceremony performed Saturday evening at Floral Heights United Methodist Church in Wichita Falls, Miss Laura Lynn Littrell became the bride of Jackie Paul Perkins, Dr. James B. Palmer was the officiating minister.

The bride is the daughter of Mr. and Mrs. Ira M. Littrell Jr. of Wichita Falls and the groom is the son of Mr. and Mrs. Robert Paul Perkins of Iowa Park.

The altar setting was enhanced with an open Bible and a white satin-cushioned prayer bench entwined with flowering greenery to lend spiritual emphasis to the candlelight ceremony. Complementing these appointments were branched candelabra filled with tall wedding tapers and arrangements of white gladioli and chrysanthemums. The extremities of the altar space were marked with candles burning in arched candelabra and pedestal arrangements of the chosen flowers.

Mrs. Gerald Deatherage, organist, provided the wedding music. Her prelude selections included three compositions by Bach "Ada-

gio in C Minor", "Jesu, Joy of Man's Desiring" and "God's Time is Best" and "Classic Prelude" by Young. She played the processional and recessional compositions from Wagner and Lohengrin.

The bride was escorted and presented in marriage by her father. She wore a lovely formal candlelight silk gown over satin. The Empire bodice featured a scoop neckline accented with Venise lace and bishop sleeves enhanced with the same delicate trim. Venise lace appliques were scattered over the full circular skirt that swept into a full chapel train to add distinction.

The bride's candlelight illusion veil edged in lace cascaded to fingertip length from a camelot lace cap. She carried a nosegay of white rosebuds and ivy leaves arranged with lace and satin ribbons.

Completing her costume with the traditions, she carried an heirloom handkerchief that belonged to her maternal grandmother, Mrs. G.L. Herrington for "something old" and wore pearl earrings that belonged to her sister, Mrs. William

Gene Box of Dallas for "something borrowed." She chose the blue garter, her new wedding ensemble and the lucky sixpence in her shoe to complete the sentimental traditions.

A matron of honor and two bridesmaids preceded the bride to the altar. They wore attractive melon color satin dresses made princess style with capes of Chantilly lace and carried nosegays consisting of rosebuds and pixie carnations.

Mrs. William Gene Box of Dallas served as matron of honor for her sister. Bridesmaids were Miss Janice Marie Beason and Miss Debbie Jeannine Oliver of Wichita Falls.

When the groom met his bride at the altar, he was attired in a candlelight tuxedo. His attendants wore bone tuxedos with apricot ruffled shirts.

Randy Jameson was best man and groomsmen were Bill Hodges and Bob Hodges. Ushering and seating guests were Thomas Arnold Littrell of Dallas, brother of the bride, Jim Hodges and Wayne Hodges, the latter two also lighted the candles for the wedding ceremony.

The wedding reception was hosted by the bride's parents at the church. Mrs. Terri Stephens registered guests at a white satin covered table holding the bride's book and the melon and leaf green satin rice roses that were given to guests by Miss Kim Stephens.

The bride's table was draped with a shimmering white satin cloth accented with a gathered net skirt. Occupying a special place in table appointments was the five-tiered bride's cake iced in candlelight frosting strewn with peach-colored roses and lilies of the valley. A centerpiece formed of a silver candelabrum holding candles and carnations and the silver punch service were additional table appointments.

The groom's table, also covered in satin, held a double-ring chocolate cake decorated with green grapes and leaves, a green candle encircled with greenery and white chrysanthemums and the silver coffee urn.

Refreshments were served during the reception by Miss Cathy Robinson, Miss Sharon Wimberly, Mrs. Christopher Allen and Mrs. Larry Whitaker.

Mrs. Littrell and Mrs. Hodges wore apricot carnation corsages with the gowns they chose for their children's wedding. The bride's mother wore a green chiffon gown with a matching cape over satin and the groom's mother was attired in an off-white polyester dress with a matching long coat.

The new Mrs. Perkins was

graduated from Wichita Falls High School. She was presented as a Junior Forum debutante in 1973 and is presently attending Carter's Beauty School. The groom was graduated from Iowa Park High School in 1971. He attended Henderson County Junior College at Athens and Howard Payne University at Brownwood where he was a member of Alpha Phi Omega fraternity. He is employed by Hodges Well Service Co. in Iowa Park.

The groom's parents were hosts for the rehearsal dinner at the Village Square Restaurant.

Following a wedding trip to San Antonio and points in south Texas, the couple will live at 2002 Buchanan in Wichita Falls.

Special relatives at the wedding were Mrs. G.L. Herrington and Mrs. I.M. Littrell of Wichita Falls, grandparents of the bride, and Mr. and Mrs. G.C. Hodges of Iowa Park, grandparents of the groom. Other out-of-town guests were Mrs. Bernard Boyd, Dick, Steven and Donald Boyd, William Gene Box and Laura Lee of Dallas, Mrs. Georgia Mae Clandy of Bowie, Mrs. A.L. Perkins Jr., Lisa and Patrice of Arlington.

## Rituals performed

Pledge rituals were conducted for Mrs. Dick Lunsford and the Ritual of Affirmation was conducted for Mrs. Ron Fullerton during the meeting of Alpha Epsilon Omicron chapter of Beta Sigma Phi Monday evening hosted by Mrs. Gayle Cleghorn. The president, Mrs. Gene Bond, conducted the rituals.

Mrs. Mike Isbell and Mrs. Don Wilson were introduced as transferees from other chapters.

Miss LaVonne Stogner gave the program on "Career Goals and Training", focusing on the broad area of children training.

During the period devoted to business, a monetary contribution to a Faith City Mission project was voted and plans were discussed for entertaining Alpha Tau chapter Nov. 29 in the Establishment Club Room. It was voted to purchase a camera for the chapter.

Announcement was made of the Faith City Council Preferential Tea Sunday afternoon in Clark Student Center at Midwestern State University and of a party at Mrs. Danny Holman's Friday evening preceding the Cowboy Dance at La Tino Ballroom.

Mrs. Bobby Attwood and Mrs. James Owens led the children.

opening and closing rituals, respectively.

Other chapter members attending were Mmes. Travis Bradford, John Conklin, Wilbur Garrels and Bill Veal.

## Legionaires host convention

The 13th District American Legion and Auxiliary held the fall convention

Saturday at the Leo H. Smith Post at Wichita Valley Farms. The district executive board meetings were held during the morning and the Legion and Auxiliary met separately during the afternoon for business and reports.

The convention was climaxed at a joint meeting Saturday night when Bob Walsh of San Antonio, a national executive committeeman, gave the address. T.A. Elless, commander of the host post, called the meeting to order, and O.N. Newman gave the welcoming address.

Approximately 150 registered during the convention which closed with a dance.

"I'm a customer operations representative for Texas Electric, and I know people are getting higher electric bills.

Of course, I know why, too. Higher construction costs. Higher fuel costs. Everything's more expensive now.

Even though I live in an apartment where the bills are included in the rent, I try to save electricity.

If I'm not going to be home during the day I cut the air conditioning or heat off or at least turn it so it won't come on as often.

I know if I don't conserve electricity and if the guy next door doesn't — then everybody ends up paying for it. The rent goes up. It has to.

Because electricity is costing more, you just need to be extra conscious of how you use it.

If you'd like a free copy of a new booklet full of energy-saving ideas for apartment dwellers, give Texas Electric a call. Or request one on the comment portion of your electric bill!"

# Cook of the Week

Sauces are an important part of 20th century cooking, but sauces for meat and game were such an important part of medieval feasts that every palace and wealthy home had a "saucier" whose sole business it was to preside over that part of the menu. Modern chefs classify sauces as "pick-ups" and one of the most widely used today is Worcestershire Sauce. Perhaps many cooks have wondered how the sauce got such a tongue twister for a name. The story goes that ancient Romans used a spicy sauce as a morning wake-up beverage, like we use coffee today. Centuries later, the English began making a similar sauce in the town of Worcester, and that's how the sauce got its name. Mrs. Charles Beaver uses the sauce, along with other zippy ingredients, to enhance her Spaghetti Sauce. Mr. and Mrs. Beaver and two of their children, Charla Lynn 11 and Leroy 15 live on Peterson Road. They have two married daughters, Mrs. Michael Wakefield of Jacksonville, N.C. and Mrs. David Jones of Lubbock. Mrs. Beaver, who works for English Pharmacy in Wichita Falls, was graduated from high school at Lubbock. She has attended Midwestern State University and Vernon Regional Junior College where she trained as an emergency medical technician. She is chairman of the Wichita County National Hemophilia Foundation, a member of the J.A. Kemp chapter of the Order of Eastern Star in Wichita Falls and the Iowa Park Church of God.

## Humor 'n Whimsey

Joe Riordan

It's hard to become a legend in your own time. But, I think Charlie made the grade. At least some of the old-timers in the weekly newspaper business in West Texas remember him. And the thing they remember best was the time he called another editor the vilest name he could think of - in print. They call the story, "Charlie's Revenge."

He was the editor and publisher of a small weekly newspaper in the Texas Panhandle when we met in 1960. Charlie was young, 27 years old, with a crop of black hair that looked as if it had a grudge against a comb. His eyes were the color of a blue norther on a January night and his sparse, wiry body reminded me of a bantam rooster with a harem of a

### City's meeting place changed

Monday's meeting of the city council could last a long time, and attract a lot of interested citizens, according to the agenda prepared so far by City Administrator Gene Britton.

The meeting will be held at the ASCS building, across from the Texas Electric Service building, starting at 8 p.m. Remodeling work on the council meeting room is not yet completed, but should be ready by next month.

Highlighting the meeting are possible action on the Texas Electric rate increase request; setting hearing dates for annexation of tracts of land into the city; and a truck route ordinance.

Also listed on the agenda are a request to open a street for development, financing unemployment for city employees, the audit report, September's financial statement, and hiring a prosecutor for the city.

Other items may be added or deleted before the agenda is required to be finalized and posted Friday.

hundred hens.

We hadn't known each other long when he became embroiled in an editorial battle with another weekly newspaper editor. The bone of contention was politics.

Charlie was so conservative, he once refused to join the John Birch Society because he considered it a middle-of-the-road organization.

His opponent's political views were diametrically opposed to those held by the young editor. Even though they published newspapers in towns more than 100 miles apart, they often referred to each other in their editorials.

I was in Charlie's office when his opponent's newspaper arrived in the mail - with a challenge that looked like a call to war. His front page editorial called the young conservative a four-letter name that means procurer.

When he read the editorial, Charlie got madder than a compulsive shopper with a cancelled credit card.

He went to his typewriter and banged out an editorial in reply.

By the time he finished the piece and pulled it from the typewriter, I couldn't stand the suspense any longer.

"Charlie, you didn't call him a dirty name in your editorial, did you?"

He grinned like a kid with a five dollar bill in a candy store.

"You bet I did! I called him the vilest name I could think of, and I'm going to run this editorial on the front page of the next issue."

"What did you call him, Charlie?"

"I called him a LIBERAL!"

included two over-night stays in motels, two plays and a visit to the College of the Ozarks, unique because no tuition is required of the 1,200 students, but instead, 21 hours work per week.

But then everyday is special to the Friendly Door members. Monthly birthday parties, bingo games, shuffleboard, sing songs, special classes such as tole painting and exercise, lectures on subjects of interest to elderly people all provide days full of meaning and entertainment.

The words of one of the members seems to sum it up best of all.

"Oh, there's (Mary)! You know, before this center opened, she never got out of the house or saw anyone. Now she's here two or three times a week and says The Friendly Door is better than any medicine she ever took!"

### STEPHENVILLE ALSO

## Goodby Brownwood

The University Interscholastic League has realigned the membership of Dist. 4-AAA, but there won't be any strange new faces next year.

Brownwood and Stephenville have been transferred to Dist. 11-AAA, and Wichita Falls Hirschi has been brought back into the old league. The rest of the schools remain the same.

School officials received word of change from the Austin office Monday.

Brownwood and Stephenville are the two most distant schools in the conference, from this end of the zone. Both have for years been trying to move to another conference, according to reports in the past. Weatherford, also, has been making motions indicating a desire to align with Fort Worth area schools, but that change has been denied.

Hirschi, after two years in AAAA classification, has been dropped back to 4-AAA, as was Mineral Wells two years ago.

So, the membership of 4-AAA next year will be Iowa Park, Hirschi, Burk Burnett, Vernon, Graham, Weatherford and Mineral Wells.

The change is not effective until the fall of 1978.

## As I See It....

By BOB HAMILTON

There's going to be a big change in our driving habits here in Iowa Park, starting tomorrow.

Trouble is, I'm afraid someone is going to be hurt, or lose some valuable property, before our old habits are changed.

Four-way stop signs are to be put up Friday on three intersections on the old highway, more properly known as Loop 370. They will be at Johnson Road, Yosemite and Victoria.

I recognize the need to slow traffic on the old highway, and I also see the need to help north and south traffic get across the old highway. But I just plain don't like four-way stops.

I call them "chicken stops".

At such intersections, it's always a situation of who is going to pull out first. Especially bad are the times when traffic is heavy.

Now, don't tell me what it says in the traffic safety book. I know the vehicle on the right has the right of way, or the first vehicle there has the right of way. But that is law and theory, and not everyone knows that.

A case in point is the three-way stop sign at Johnson Road. I'm never comfortable trying to get through that intersection during heavy traffic times, for the same reasons.

But now, four-way stop signs on a thoroughfare where we've been used to driving 35 MPH when going east and west, that's going to be hard to adjust to. Especially if we are not thinking!

We've got a large picture and announcement about the signs on the front page of this issue. We've explained the situation thoroughly. But the pity is, some people never read, and some people fail to think.

And that's where the problem is going to arise.

Drivers are going to have to allow more time to get where they are going, if they are using the old highway. This is especially true when driving during peak traffic hours, before and after school. You're not going to be able to leave the house to take the youngster to school, and do it in three or four minutes. It's just not going to happen.

There's going to be some accidents before everyone adjusts, to the new signs. I hope I'm wrong, and if I'm not, I hope they are all minor.

The real need, which is in the minds of our city leaders, is to eventually get traffic control lights at those intersections.

Now, this makes sense. It'll be expensive, but far, far better than four-way stops.

The new signs are not the best, but they sure beat nothing until we get something better.

Be careful, will you?

# Kangaroos coast to 34-6 victory over Hawks

Weatherford's Kangaroos proved their superiority to a stadium packed with homecoming celebrators Friday night, and showed mercy by pulling their offensive stars the second half.

The hosts ran up a 34-0 lead through the first 24 minutes of play, and coasted to a 34-6 decision over the Hawks in a District 3-AAA

contest. Speed, deception with the ball and effective blocking by the 'Rooos proved too much for the young Hawks, as Weatherford amassed 12 first downs, 294 yards rushing and 63 more passing for 357 yards, while holding the Hawks to three first downs, nine net yards rushing and 40 passing.

Eventhough Weatherford kept several of the defensive starters on the field the second half, it was still a good match the final two quarters.

Iowa Park scored midway through the third quarter, after the Hawk defense had held Weatherford on downs at the Iowa Park 32 yard line.

On the first play, Bruce Holder had thrown to tight end Eddie Cannedy, and Weatherford was called for interference, giving the Hawks possession on the 50 yard line. But on the next play, Holder fumbled and Kangaroos captured it on the Hawk 46.

Weatherford then was charged five yards for off sides, and then gained two of those back on a run.

Then Weatherford fumbled, and Pat Cook covered it on the 'Roo 45.

Fullback Kip Fuller, who finished the night with 71 yards on 20 carries, burst for 15 yards, followed by runs of eight and one. David Wright, who was used both at quarterback and tailback during the evening, picked up a first down at the 19. Then Fuller racked up runs of 10 and three yards.

At that point, Holder faked a handoff to Fuller, and fired a high pass into the end zone where Cannedy leaped for the catch, and Iowa Park's lone touchdown.

Fuller was about a foot short of the goal line on his two-point conversion run.

DAVID WRIGHT PICKS UP YARDAGE ...leaves Kangaroo defenders tangled in knot

JEFF TAYLOR SNARES 15-YARD PASS ...but loses ball when tackled

Weatherford established its running game in a hurry.

After forcing the Hawks to punt on the fourth play after the opening kickoff, 'Roo quarterback Darwin George, on the first play, raced 62 yards to the Hawk four yard line. He was brought down by a diving, shoestring tackle by Terry Daniels. Weatherford scored on the next play.

Fumbles kept the hosts from scoring on their next two possessions. The first was claimed by Ron Taylor at the Hawk 35. The second was recovered by Weatherford, but forced the Kangaroos to punt.

But, on the final play from scrimmage of the first quarter, George again rolled out around left end, as he did on his first carry, and sped

50 yards to score.

Iowa Park was forced to punt on fourth down after the next kickoff, and on the first play, another Kangaroo, Don Rucker, ran for a TD, this time a 71-yarder.

Weatherford's fourth touchdown was climaxed to a 64-yard drive, with the score coming on a five-yard burst over left tackle by Mark Long.

Rucker intercepted a Wright pass on the Weatherford 25, and returned it all the way to the end zone. However, the play was called back to the 38 on a clipping penalty.

But the Kangaroos scored in two plays this time. First they took the ball to the Hawk 19 on a pass, and then Rucker got his touchdown, by going the distance around

right end. Wright, who finished the night with 14 carries for 57 yards, was two for three in the passing department. He completed a 15-yarder to Jeff Taylor and another for 13 to Gary Blackerby, but had the third intercepted.

Holder not only threw for the TD to Cannedy, but connected with Blackerby for a 12-yarder, and had defensive interference called on his third aerial.

### Girls start basketball

Although the athletic men on campus are barely halfway through the regular gridiron season, the women at Holliday High School already have roundball fever.

Cotton Davis, the new girls varsity basketball coach, instituted after school workouts this week. "We've got some good talent," Davis said, explaining it was too early to tell just what specific areas of the game needed the most improvement.

The new women's roundball mentor said 35 girls have reported for workouts in anticipation of wearing a varsity or junior varsity jersey.

The women's basketball season officially opens on Nov. 22 when Burkburnett ventures into Eagle Fieldhouse.

## Holliday News

### Riding club has election

Linda Willis was elected president of the Holliday Riding Club during the organization's meeting Monday.

Mike Wilson was selected vice president, and Sandy Baggett was chosen secretary.

Mary Wilson was elected treasurer, and Judy Thompson was picked time keeper.

Board members will be Jimmy Willis, Howard Klinkerman and Melton Stevenson.

The club plans a playday for 2 p.m. Sunday at Camp Stonewall Jackson.

The club's trophy banquet is set for Nov. 19.

### Skills survey being conducted

Adults interested in expanding their skills in shorthand, typing or bookkeeping are being asked to respond to a survey being conducted through Holliday High School.

The survey will be to determine if there is sufficient interest to enable Vernon Regional Junior College to offer "adult courses here in the future."

Any adult interested in taking shorthand, typing or bookkeeping II is asked to write or call Pat Holt in the administrative offices at Holliday school.

### Free clinic tests set next Thursday

A free clinic to test adults for diabetes and blood pressure will be sponsored here by the Texas Department of Health.

The clinic, available to all adults, will be from 3:30-8 p.m. Oct. 27 at the Holliday school cafeteria.

### Volleyball team wins

Holliday's varsity volleyball team garnered its first district win Tuesday against Petrolia.

At Saturday's marathon volleyball tournament at Windthorst, Holliday's varsity gals came home with second in their division while the junior varsity placed third.

## Three teams claim wins

Holliday's seventh, eighth and junior varsity claimed gridiron wins this week while the freshmen Eagles were edged out by Archer City.

### FROSH

The freshmen's 6-0 loss to Archer City came about when the Wildcats blocked an Eagle punt and ran it into the end zone.

### JUNIOR VARSITY

Holliday's junior varsity Eagles rolled over Burkburnett's freshman squad 14-0. James Porter scored both Holliday touchdowns, the first coming on a three-yard run in the opening quarter. Porter also ran in the extra points.

In the third stanza Porter returned a kick 90 yards to paydirt, but the PAT failed.

### EIGHTH GRADE

Holliday's eighth grade Eagles upended Archer City 52-14.

Joe Chase combined with Johnny Craig on a 19-yard aerial attack to provide

Holliday's first TD in the opening period. Ray Looney ran in the extra points.

In the second quarter Looney ran for a 13-yard TD, and Chase's extra point run was successful.

Minutes later Chase scored on a 40-yard run, and returned for the two points. Joel Mankins hit Eddie Flowers on a 10-yard pass for Holliday's final TD of the half. Flowers made the extra points.

Chase initiated Holliday's third quarter scoring on a 35-yard romp. Mankins supplied the extra points.

Flowers came back later in the period to score on a 40-yard run, but the PAT failed.

In the fourth quarter Flowers hit Brad Hardin on a 30-yard TD pass. The PAT failed.

Tim Wade and Looney also each recovered a Wildcat fumble.

Archer City's touchdowns came in the third and final quarters, the first on a 40-yard run and the other on a fumbled punt recovery and return.

### SEVENTH GRADE

Holliday's seventh grade Eagles remain the only unbeaten gridiron squad in town with Burkburnett their latest victim in a 44-6 shootout.

Jeff Belcher and Kevin Blankenship each scored twice, while single touchdowns came from Gil Gilbert, Mike Parker and Allen Henson, who ran back an interception for a 13-yard TD. Brad Harmon connected with Kevin Lilly on a pass for a set of extra points.

Parker had two touchdowns called back, and Lilly was credited with recovering a fumble.

## Elementary lists honor rolls

Ninety-nine Holliday elementary students made the honor roll for the first six weeks, according to principal Dan Owen.

**First Grade** - Tammy Beaves, Scott Belcher, Bryan Cash, Jimmy Denny, Timmy Denny, Angie Foster, Shannon Fulfer, Shay Goforth, Kerri Lillie, Katha McAllister, Ronnie Molina, Mike Richards, Chad Stubblefield, Laurie Styles, Tonia Wood, Pam Bailey, Shelby Barber, Lisa Belvin, Scott Chandler, Aaron Elliott, Rachel Entrop, Kim Foster, Jarrett Furrh, Michael Holder, Chase Lloyd, Gail Maxwell, Bina McDaniel, Robert McGill, Shelly Payne, Mike Potts, Kessie Renick, Matt Sadberry, Jodi Shawver, Trina Sessoms, Clint Thurman, Larissa Ward.

**Second Grade** - Debbie Armstrong, Laura Bynum, Seretha Finnell, April Fulmer, Ricky Hodgkins, Jack Huddleston, Tazewell Logue, Lea McDonald, Becky Noll, Laura Parish, Scott

## 13-A membership changed by UIL

Some new names will appear on next year's District 13-A roster, but for Holliday fans the most conspicuous change will be the absence of Muenster and Callisburg.

The redistricting scheme unveiled this week also spells an increase in the number of schools which will compete next year in District 13-A.

Next year's District 13-A will include Holliday, Boyd, Millsap, Chico, Archer City, Petrolia and Nocona.

The district's present members are Holliday, Petrolia, Lindsay, Muenster, Archer City and Callisburg.

Among the effects of the change, Holliday will play only four non-conference gridiron games next year as

opposed to the five non-conference outings played this year.

District 13-A newcomer Nocona will be dropping from AA to A. Holliday football fans will remember the Eagles upended Nocona in non-conference bouts the past six years.

For anyone who can't scratch up a map, Boyd and Chico both are located in the Bridgeport neighborhood.

And for those Friday night faithful who breathed a sigh of relief about Callisburg's leaving the loop, take a look at how far it is to Millsap.

Millsap is located between Weatherford and Mineral Wells and virtually is the same distance from Holliday - about 100 miles - as is Callisburg.

## Lindsey second conference foe

Holliday will be gunning for its second loop victory when the varsity Eagles venture to Lindsay for District 13-A combat at 8 p.m. Friday.

The Eagles will go into the game caught in a three-way tie for the district's top mark following last week's loop openers.

Other winners in the district included Archer City, who defeated Lindsay 22-0 and Muenster, who upended Callisburg 20-14.

Lindsay and Holliday shared most impressive win-loss records prior to last week's district competition debut.

Holliday is now 4-2 on the

season with a 1-0 district mark.

Lindsay's season record dropped down to 3-3, and is 0-1 in district.

Muenster is 3-3 on the season and 1-0 in district, while Callisburg is 2-4 for the year and 0-1 in district.

Archer City is 1-0 in district and 2-4 for the season.

Petrolia is 0-1 in district and 1-5 on the season.

### JUNIOR HIGH

Holliday's seventh grade, eighth grade and junior varsity Eagles will go on the road for today's triple header at Windthorst.

First of the three games is set to begin at 5 p.m. today.

### City sales tax receipt doubles

Sales tax rebates to the City of Holliday have increased 101 per cent since last year, according to the state comptroller's office.

For the first nine months of 1977 Holliday has been reimbursed \$27,578 by the state. By the same time last year the city had been rebated \$13,677.

Holliday's most recent rebate check was for \$3,665. For the same time period last year the city received \$957.

Holliday's overall 101 per cent increase is well above the 20.8 per cent average.

Rees, Cheryl Whitling, Dustin Bridges, Rayna Echols, Paul Morgan, Kenny Webb, Patt Williams.

**Third Grade** - Kyle Bedford, Darren Carlton, Sean Delph, John Fields, Traci Hawley, Amy Lemons.

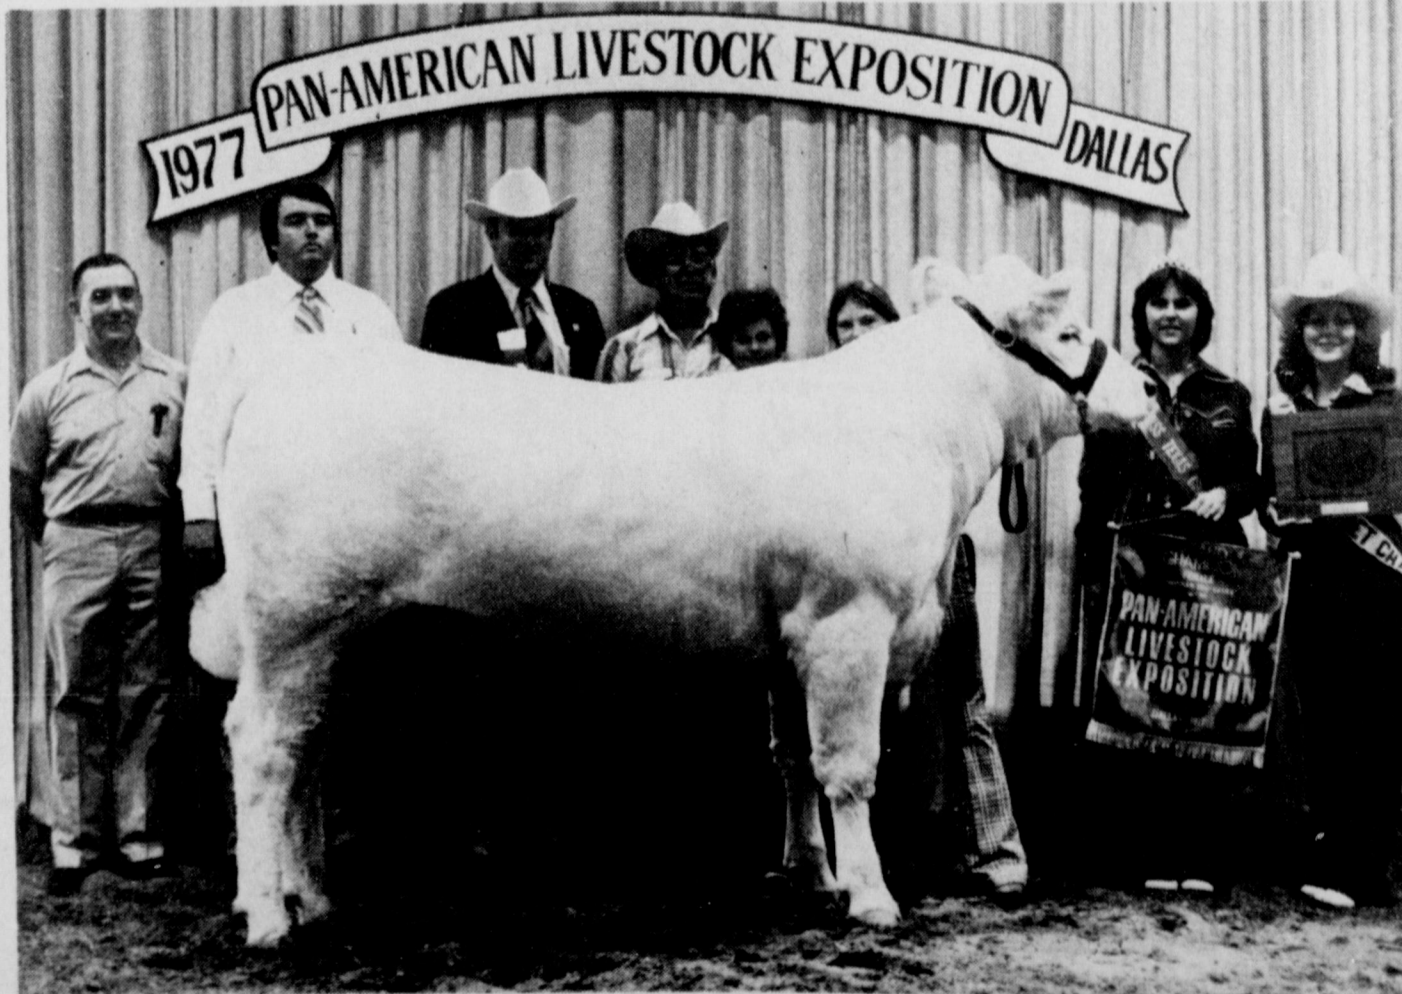

**Fourth Grade** - Denise Jackson, Rhonda Rasmusen, Laura Bills, Tracey Nipper, Kembra Wylie.

**Fifth Grade** - Buffie Broyles, Scott Dyer, Ronnie Felhauer, Gayle Peters, Tammy Stevens, Kelly Young, Becky Cullers.

**Sixth Grade** - Darwin Hawley, Leslie Mankins, Nicky McDonald, Karen Molina, Deborah Noll, Melissa Parish.

# Eagles open conference with win over Petrolia

Holliday's varsity Eagles wasted no time in claiming their first loop win by blistering Petrolia 27-0. Several Eagles had their

moments in the limelight including Steve Parnell, Larry Ayres, Kent Lemons and Sonny Henson, who all recovered Petrolia fumbles.

But if Head Coach Don Lucy had been handing out bronzed Eagle awards junior running back Rusty McDaniel would have been the first

to have one thrust in his mitts. The first two minutes of the game literally belonged to McDaniel, who took Petrolia's opening kickoff and zigzagged 85 yards for Holliday's first TD.

Mark Wells split the uprights for the PAT and Holliday was seven points out front 14 seconds into the District 13-A opener.

Three plays later McDaniel was back in the spotlight when he robbed a stray Pirate aerial.

It appeared the Eagles were on their way to another touchdown late in the opening stanza when

Parnell sacked up a Petrolia fumble.

Penalties and a suprisingly stingy Pirate defense halted the Eagle drive on Petrolia's 26 when a Pirate burglarized McDaniel in the end zone on a pass from Jay Wright.

Petrolia recovered an Eagle miscue early in the second quarter, but was unable to capitalize on the turnover.

Half a dozen plays later the Eagle backfield coughed up the ball again and the hometown folks began to feel increasingly thankful about McDaniel's 85-yarder.

But no sooner than Holliday had coughed up the ball it was Petrolia's turn to suffer butter fingers and Larry Ayres was there to grab the stray ball, although the Eagles could not put together a profitable drive.

With 1:32 remaining in the half Lemons fell on a Pirate fumble to set Holliday's second touchdown.

The drive began on Petrolia's 23 yard line with Larry Ayres, Wright, Stanley Craddock and Steve Lucy making the small time yardage to enable Craddock to punch it in from four steps out.

Well's PAT was good and Holliday went to the dressing room with a 14-0 halftime lead.

The second year team from Petrolia came back with their burners on in the

third quarter, and Holliday's only bright spot was when Henson recovered a Pirate fumble.

Holliday's offense got its act together early in the final stanza when it began a drive from the Eagle 25.

Craddock garnered most of the yardage including 30 yards on a full back trap play, however, a 15-yard flag on the Eagles almost quashed the drive.

Coach Lucy reached into his bag of tricks and decided to run one from the book called "Woody's Special." It's a little razzledazzle number given its niche in Holliday football fame by HHS graduate Woody Bowles.

The touchdown evolved when Wright tossed the ball to McDaniel, who found Lemons waiting in the end zone with open arms.

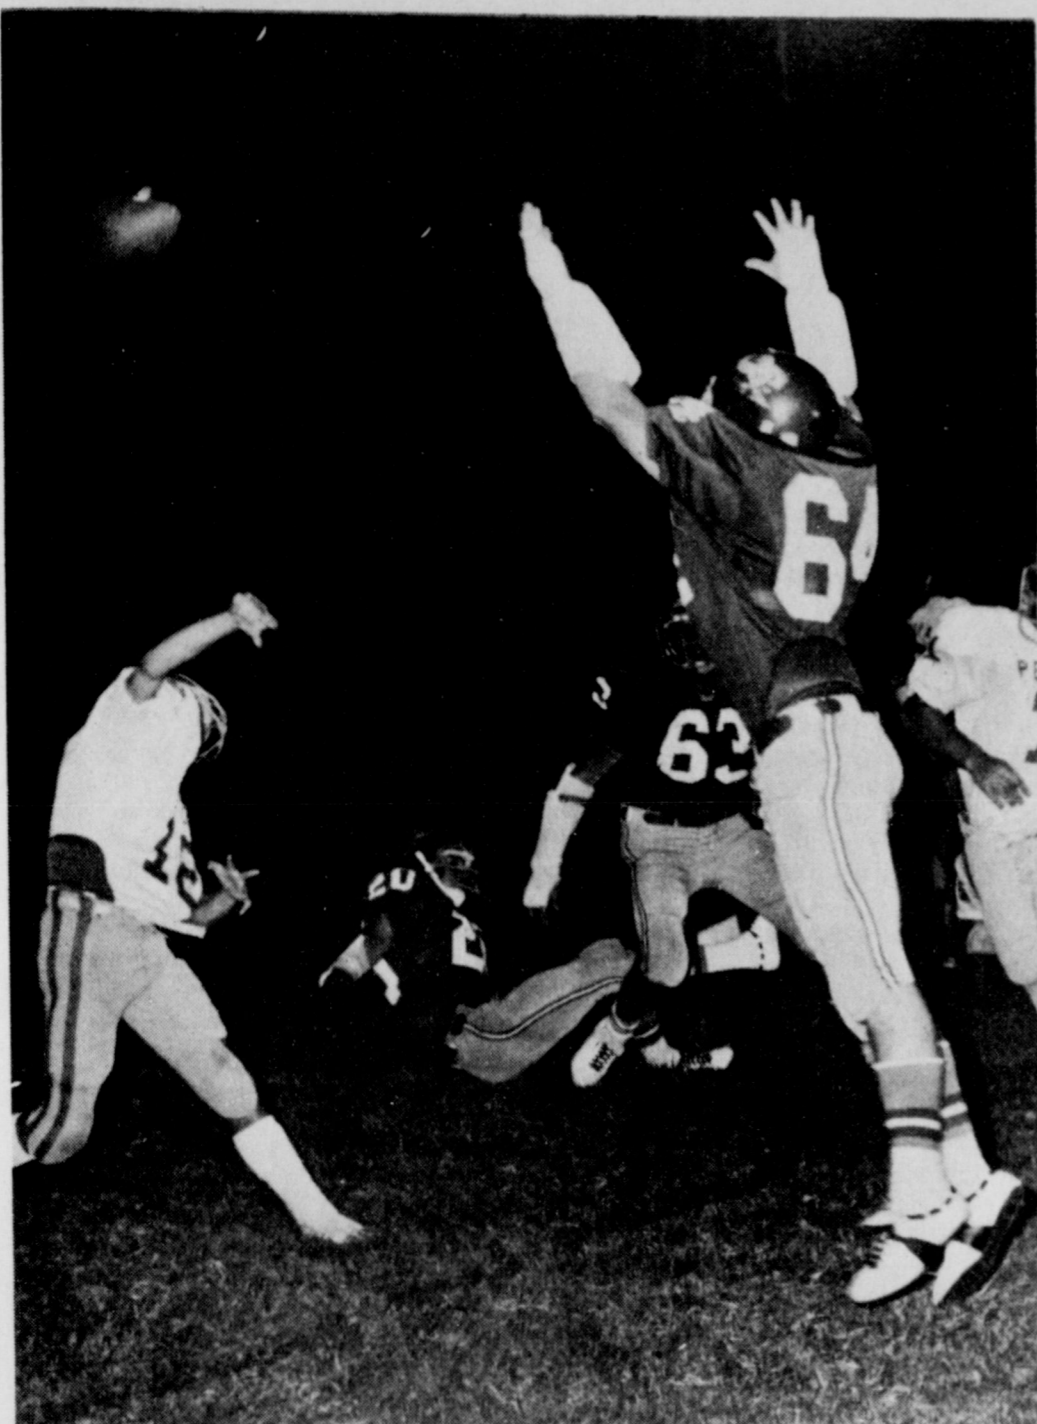

The 27-yard magical aerial show was capped off by Well's successful PAT.

Holliday staged another touchdown drive in the dying moments of the contest when Jerry Graves guided the Eagles including Lynn Ayres 40 yards to paydirt.

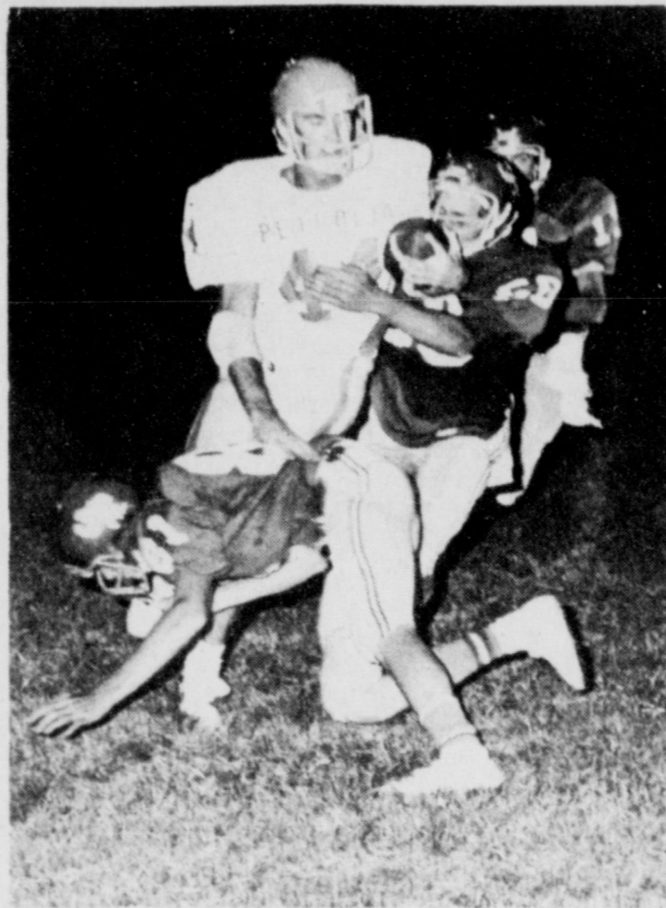

McDaniel stepped across the goal line from six yards out as the final buzzer sounded. Steve Lucy's PAT failed.

**Bradford teams winners**

Both the Bradford Pee Wees and Midgets defeated Holliday to win their conferences and the right to compete for the league championship Saturday in TOP OF TEXAS play.

The Pee Wees had to play almost a game and a half before beating the Eagles 6-0 with three minutes and five seconds left in the second overtime period.

The defensive struggle was climaxed when Scott Weaver intercepted a pass on the Eagle 30 yard line. Bradford then marched down field until Weaver, who gained 53 yards for the night, ran two yards over left tackle for the lone Hawk touchdown.

Quarterback Shawn Finley carried the ball 28 yards while Kirk Martin tacked on three.

The Pee Wee defense, which has not been scored upon in 17 1/2 consecutive quarters, was led by James Woody and Finley with five tackles each.

The Midget game was anything but a defensive struggle as the Hawks went on a 28-point scoring binge while holding Holliday scoreless.

Donnie Cavinder led the Hawks with 135 yards rushing and a 58-yard touchdown pass to

Kent tallied two more touchdowns rushing while gaining 61 yards for the day. Cavinder and Toby Grace, who gained 14 yards, completed the scoring with 2 point conversion runs.

The Bradford defense dominated the Eagles as Cavinder had eight individual stops followed by Fulfer with six and Duncan with four.

**Kidwell wins double**

Kidwell swept a double-header with Sheppard Bunker Hill Saturday, to wind up the regular season schedule.

The Pee Wees won 30-12, with Shawn Price leading, gaining 134 yards on 18

carries and scoring three touchdowns.

Tom Perry scored a TD while marching 97 yards on 11 totes.

Defensively, Bobby Whisnand had eight tackles and Price and Daniel Medders six each.

Donnie Dietrichson and Brett Cappleman each scored in the 12-0 shutout for the Midgets.

Van Hedrich was the leading carrier, getting the ball only three times but gaining 67 yards. Dietrichson gained 48 yards on his five carries.

Craig Whisnand led the defensive platoon with 13 tackles, while Cappleman was credited with eight.

**Button sales winners told**

Lee Roach was the high individual and Bradford Midgets the high team in Top of Texas Football button sales this year, according to Gordon Griffith.

Roach sold 65 buttons, and Bradford Midgets sold 259 as a team. Roach received a bicycle for his effort and James Williams, who was second, a jacket. Bobby Whisnand, third, earned a football.

Boys earned patches and gift certificates for their individual sales.

**Top of Texas championships to be decided here Saturday**

The Top of Texas Football League championships will be played off here Saturday afternoon at Griffith Field, on West Highway.

Four games will be played. Starting times, other than the first game, are approximate.

In the first game, which is to start at 2 p.m., the second-place Pee Wee teams from Holliday and Sheppard will meet.

Following that, Midget second place teams, Kidwell and Henrietta, will clash at 3:30.

The cross-town rivalry between Kidwell and Bradford will be renewed at 5, when they hook it up to decide the championship of the Pee Wee Division. Bradford is 3-0 and Kidwell 2-1 in league play.

Slated to begin at 6:30 is the Midget Division championship game between Bradford (3-0) and Seymour (3-0). Both teams went undefeated in conference play, however Seymour defeated the improved Bradford club at the first of the season in a non-conference test.

**Hunting seasons simplified**

Duck and goose hunters across the state will find simplified, concurrent duck, coot and goose seasons with only a few exceptions. Setting waterfowl regulations led the agenda at the recent Parks and Wildlife Commission's meeting in Austin.

**GOOSE SEASON:** East of U.S. Highway 81, light geese (snow, blue and Ross) may be hunted Nov. 5 - Jan. 22. Bag and possession limit is five, not to include more than one Ross' goose.

All other dark geese in the eastern portion of the state may be hunted Nov. 5 - Dec. 14 and Dec. 22 - Jan. 22. Possession limit is five, not to include more than two Canada or white-fronted geese in the aggregate.

A straight goose season west of U.S. Highway 81 will run Nov. 1 - Jan. 22. A bag limit of five must not include more than one Ross' goose nor more than two Canada

or white-fronted geese in the aggregate. Possession limit must not include more than one Ross' nor more than four Canada or white-fronted geese.

**DUCKS AND COOTS:** In the area known as the High Plains Mallard Management Unit, duck and coot season will run Nov. 1 - Jan. 22. Roughly, the area lies west of a line from Del Rio north through San Angelo, Abilene, Albany and Vernon.

Duck hunting will not be permitted in all or portions of eight West Texas counties because of guidelines handed down by the U.S. Fish & Wildlife Service. P&W Commissioners adopted the closed seasons in order to protect dwindling populations of the Mexican duck. Those counties include El Paso, Hudspeth, Culberson, Reeves, Jeff Davis, Presidio and Brewster.

In addition to those Texas counties, duck seasons will also be closed in portions of

Arizona and New Mexico in order to comply with federal guidelines. However, the Texas P&W Commission reluctantly adopted the closing, and a protest will be made to the U.S. Fish & Wildlife Service.

In the eastern two-thirds of the state, duck and coot seasons will also run concurrently with goose season. Shooting dates will be Nov. 5 - Nov. 27 and Dec. 22 - Jan. 22.

**CRANES:** Sandhill crane hunters again this year will be required to obtain a free permit from the Parks and Wildlife Department before hunting.

In Zone A, the season will run Nov. 1 - Jan. 31. That area generally includes all of the Trans-Pecos and western portion of the Panhandle and Permian Basin.

In Zone B, cranes will be legal Nov. 5 - Dec. 31. That area includes the eastern portion of the Panhandle and Permian Basin.

**RecCenter receives state charter**

The Iowa Park Recreation and Activities Center officially became the second United Way funded agency for the city when the State of Texas Charter was received.

Renovation of the old youth center on Pacific to serve as temporary quarters for the new organization will start as soon as possible,

according to Johnnie Coker, chairman of the "Rec" center committee.

Applications are being taken by Coker for the position of permanent director for the center.

"We want to have a director before we open the doors," Coker said, pointing out activities through the center will include everything from arts and crafts classes to dances.

"We want to really provide a recreational facility that all our citizens can enjoy from the first grade through high school," Coker said. "We would even like to involve the adults in some of our programs, and would like anyone interested in

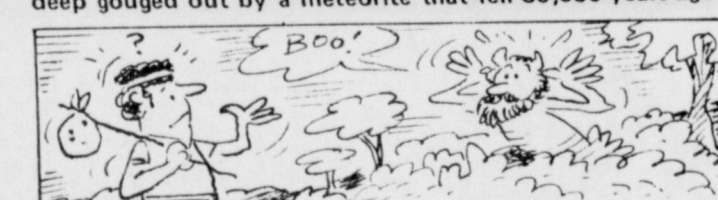

working with the organizational part of the center to get in touch with our committee."

Committee members ser-

ving with Coker are Mrs. Earl Watson, Jerry Hutchins, Mrs. Barbara Sampley, Faris Nowell, Mrs. Tom Neely, Mrs. Vern Mikkelsen and Mrs. Patricia Hubbard.

## Start gathering pecan entries

Pecans are beginning to hull and this is the cue to collect entries for the Wichita County Pecan Show set for Dec. 1-3, in the Sikes Senter Mall, Wichita Falls. Homeowners and growers

can select their choice pecans early in the harvest season.

An entry includes 50 pecans of any variety or native placed in a paper sack bearing the owners name, address, and variety (if known). Growers in adjoining counties are eligible to enter. There is no limit on the number of varieties entered. The collection points will be designated

later. A simple selection technique is to place a group of pecans in water. Those pecans which float the lowest in the water are heavier making choice pecan show entries. The pecan show will be sponsored by the Wichita County Pecan and Fruit Committee headed by Virgil Woodfin of Iowa Park.

### Peggy Nunn Interiors

Custom designed from the fabric of your choice to fit your windows exactly! That's the way draperies are made at the Peggy Nunn Interiors in Wichita Falls at 4657 Stanford where every set of beautiful drapes or bedspreads are "designed originals" especially for you! Phone 692-0747 and the courteous, friendly personnel will be happy to come to your home and show you the latest samples of fine fabrics of all types. Her experience in interior decorating can help you choose the style and fabric which will best compliment your interior design. Once you have made your selection, her skilled craftsmen will construct your drapes to the exact measurements of your windows. She features leading designers such as Schumacher, Waverly, Payne and Stroheim Roman as well as every day fabrics for the budget conscious. A wide selection of live plants are on display and she specializes in silk and dried arrangements. See her for your wedding or whenever you want something special in floral arrangement.

The Peggy Nunn Interiors work can be viewed in many of the better homes and office buildings throughout the area, and she'll be proud to show you her distinguished referral list. Always open 1 to 5 P.M. weekdays. If no answer at 692-0747, call 767-7513. The writers of this 1977 Consumer's Review suggest that you contact them when you're in the market for the best in custom draperies!

**CARD OF THANKS**  
Sincere thanks and appreciation to the Kidwell Elementary School mothers for their participation and assistance in the organization and conducting of the Whoop-Do and Wichita County Fair fund raising activities. We are grateful for this united effort which will be very helpful in accomplishing our goals for the school year.  
Kidwell PTA Executive Board

**CARD OF THANKS**  
Mere words can not express the gratitude that we feel in our hearts for our wonderful friends who stood by us so faithfully during the long illness of our loved one, the late George Pybus, and who showed their love and friendship at the time of his passing. The beautiful floral tributes, cards, food, visits made our sorrow easier to bear and attested to your true friendship.  
Our special thanks to the Rev. Larry D. Lilley who ministered to our loved one and to us during his illness and time of death. We hold the warmest thoughts and well wishes for each of you.

**CARD OF THANKS**  
The truth of the quotation "Friends are among our choicest possessions" really has fresh meaning when one is in the hospital and is the recipient of so many gestures of love and friendship. I am most grateful for the prayers offered for me, the food, cards and beautiful flowers during my recent stay in the hospital. May the Lord richly bless you.  
Delores Vestal
