# THE QUITAQUE POST

YOUR HOME-OWNED NEWSPAPER

VOLUME XXIV QUITAQUE BRISCOE COUNTY, TEXAS THURSDAY, APRIL 8, 1950 5c Per Copy NUMBER 12

## This And That About One Thing and Another THE WEATHER

Heard a man remark over the radio recently that in Texas if you didn't like the kind of weather you were having to be patient about 20 minutes and you'd have another kind. That's what we're having this week, the widest range in cold and hot—but persistently dry as tinder. Sunday and Monday the temperature ranged from up in the nineties in the shade, down to the thirties.

We have just about everything here that they have in the rest of the country—no rain, and flying saucers, etc. But we also have something the rest of the country hasn't claimed—as yet. A flying calf.

This calf was trotting across the barn lot, when suddenly it rose into the air, still trotting, skimmed over the fence, dropped back onto the ground and continued on its way. There are witnesses to this amazing story, and hoof prints to verify it. Doc Chandler saw it first, at his place.

Doc and Earl Patrick, Babe Chandler and two men from Clarendon were loading some stock into a pickup when the incident occurred. A little whirlwind was the cause of it all, appearing suddenly and zipping across the barn lot, lifted the 200-lb calf and carried it over the fence, set it down on the other side, disturbing nothing else, and dissolving while the astonished men watched.

Doc said the calf's feet kept moving in a trot while it was in the air, and it looked scared to death. When it was back on the ground again it turned and ran into the fence.

We've all heard the old saw about when a man bites a dog—but when a baby bites a live rattlesnake, and is uninjured, that is really hot news.

Such was the occurrence about 5:30 o'clock Wednesday afternoon in Weatherly community, about 18 miles northeast of Turkey, in Hall county.

Sandra, two year old daughter of Mr. and Mrs. L. J. Haynes, living on Carl Hill's place at Weatherly, was found by her parents in the yard with a rattlesnake in her hands and the snake's tail in her mouth. They quickly dispatched the reptile, which had three rattles, and rushed the child to Dr. M. F. Achor at Turkey to determine whether she had been bitten.

Thorough examination by the doctor failed to disclose any sign of fang pricks on the child's person. The parents were frantic until their fears were allayed by Dr. Achor.

Should the snake have bitten the child, looking for fang punctures would have been unnecessary to determine the fact, as she would have been violently ill before they could drive 18 miles to a doctor.

**KIDDIE CORNER**  
Tommy Gus, 3-year old son of Mr. and Mrs. Glen Gibson was visiting his grandmother Mrs. Gus Gibson recently, and interested in helping tend the barnyard activities. He went out to gather up the eggs and to his disgust found only one. He said to his grandmother: "That old hen just laid one egg, and then she just giggled and giggled."  
The 20-months old son of Mr. and Mrs. Leonard Crabbe, who stays with Mrs. W. W. Cain while his mother is teaching school, also took note of cackling hens recently. He can't talk yet, at least not much, but they knew what he meant when told them to listen to the "urh-urh".

**HOME FROM HOSPITAL**  
Dalton 10-year old son of Mr. and Mrs. John Martin was brought home in the Daniel ambulance Tuesday afternoon from the Silvertown hospital where he had been under treatment for rheumatic fever. He is improving, it was reported.

**GASOLINE EASTER PICNIC**  
The annual Gasoline community Easter picnic and egg hunt will be held Sunday at Tulle crossing, north of Silvertown. Lunch at noon and everybody welcome.

## Quitauque Students Take Honors At District Meet

About forty high school students accompanied by two teachers Mr. Mitchell and Mrs. Merrell, went to Lakeview Friday to compete in various events of the Interscholastic League meet. Member schools of his district are Silvertown, Quitauque, Turkey, Estelline, Kirkland, Carey, Flomot and Hedley.

Our students won several first places in the meet. Our boys volleyball team placed first after defeating in order Carey Lakeview, and Estelline.

The boys were also successful in winning first place in soft ball although they had spent little time in training for this event. They defeated Estelline 3-1, Lakeview 7-3, and Kirkland in the finals 3-2. From a fan's point of view in this event, it seemed that Don Lewis as pitcher, Arnold Conway as catcher Jimmie Davidson as 1st base, and Monte Wise as 3rd base, turned in the most outstanding performances for Quitauque.

Lynn Rhoderick and Buddy Holcomb defeated Kirkland in tennis doubles, but lost in the finals to Lakeview to take 2nd in tennis.

Patsy Stark lost her first round to the Lakeview player, who went on to win first in girls singles.

Don Lewis defeated the Estelline tennis singles entry, but due to the rule that a player is required to play only two matches per day, it was decided to postpone the final match with the Lakeview boy.

(This event was played off Wednesday afternoon at Lakeview, Lewis defeating Adams of Lakeview 3-6, 1-6, 7-5, 6-1, 9-7 to win 1st in the district and also the right to play in the regional.)

Our only literary entries in this meet were in typing and shorthand in which Quitauque entries placed first and second in both events. Lynn Rhoderick won first in typing. Una Lee Duck took 2nd, Barbara Blume of Turkey 3rd, Jeanette Meacham of Turkey 4th, and Pat Davenport, Lakeview 5th.

In shorthand Patsy Stark, Quitauque, won 1st; Paula McCracken, Quitauque 2nd and Earl Duval, Lakeview 3rd.

The winners in typing and short hand and Don Lewis will be eligible to compete in the Regional Meet at Lubbock to be held April 21-22. The District track meet for which Coach Mitchell has several entries, will be held at Childress, April 15.

**BOY SCOUT TROOP STARTED AT QUITAQUE**  
Quitauque boys will have the opportunity to become Boy Scouts Friday night when the new troop meets for the first time, in the Legion hall. With organizational meetings already completed, the boys will meet for the first time with their scoutmaster Mr. Com Hudson.

The Scoutmaster announces that the new troop will have the number 65, and that approximately 10 to 12 boys and young men will form the charter group. Other boys will have the opportunity to join later.

Leaders of the troop along with the American Legion officials met in Turkey on March 27 with A. M. Stande Jr., Field Scout Executive for this area, to discuss final arrangements for the granting of a charter to the Legion Post.

Morris Wilson was chosen as chairman of the Scout troop committee, with E. E. Berry, J. B. Mayfield and Odell Johnston serving on the committee. Assistant Scoutmaster will be Frank Hawkins.

Monty Wise was selected by the group as their temporary Senior Patrol Leader until permanent officers are elected.

**MARRIED AT CLOVIS**  
Miss Norma Vaughan, daughter of Mr. and Mrs. J. E. Vaughan of Silvertown, and Homer Ragland Jr., son of Mr. and Mrs. Homer Ragland of Dimmitt were married March 25 at Clovis, N.M., in a ceremony performed by the justice of the peace. They were accompanied for the ceremony by his sister and husband Mr. and Mrs. J. C. Austin.

The couple visited with his relatives at Dimmitt before returning on Tuesday to Silvertown where he is employed at the Texico station. For the present they are making their home with her parents.

## Last Rites Are Held For Walter Honea

Walter Honea passed away at his home in Quitauque early Monday morning following an illness of three weeks. He had been in failing health for several years and it had been more than a year since he had been to town.

Mr. Honea lacked only a few days of being 81 years old, and he was the last of five brothers to survive. Three of the Honea brothers were among the earliest settlers of this area. Walter Honea moved to Floyd county in 1900 and to Eriscoe county in 1913. He was a farmer all of his life except for a period that he worked for a lumber yard at Quitauque.

Walter Eugene Honea was born April 23, 1869 at Cleburne, Texas. He grew to manhood there and married Ada Cox on December 9, 1888. Mrs. Honea preceded him in death just a year ago, on January 12, 1949.

Surviving are six children, four sons, Austin of Oklahoma City, Douglas of Shafter, Cal., Lois and Odis of Quitauque; two daughters Mrs. Minnie Norris and Lela Honea of Quitauque; several grandchildren and one sister Mrs. Mae Billington of Tulsa.

Last rites were conducted at the school house Tuesday afternoon at 3 o'clock, Earl Cantwell, Church of Christ minister, officiating. Burial was in Quitauque cemetery under direction of McDonald Funeral Home.

pallbearers were Shorty Woods, Jeter Johnson, Dick Hooks, J. C. Hamilton, Joe Bedwell and Homer Gregg. Flower bearers were Mesdames Cecil Boyles, Dick Hooks, Bert Grundy, Mollie Morrison, Ruby Woods and F. F. Hefner.

Relatives and friends from out of town who were present for the service included Mrs. R. D. Moreland of Amarillo; Mr and Mrs. L. M. Honea and Mrs. Bill Alford of Lockney; Mrs. Mae Billington, Mr and Mrs. Burl Billington and Mrs. A. E. Honea of Tulsa and Forest Broyles of Oklahoma City.

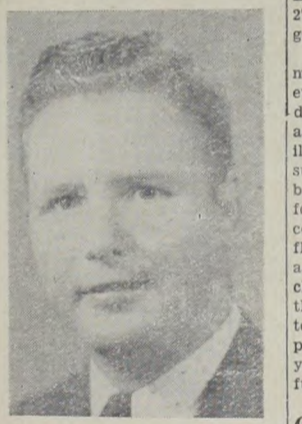

**To Hold Revival**  
Rev. McGary Ford of Fort Worth, is the evangelist who will have charge of the preaching at the Simultaneous Revival at Quitauque Baptist church which will begin Wednesday, April 12. Services will be held daily at 7:30 a.m., and 7:30 p.m. The public is cordially invited to attend all services.

**BABY HAS POLIO**  
Amarillo's first polio case of 1950 was recorded Saturday when Donald Meeks, 2-year old son of Mr. and Mrs. Jack Meeks, 1108 North Lake, Pleasant Valley, was admitted to Northwest Texas Hospital.

Hospital attendants said the youngsters condition was "good", and that he apparently suffered only a mild attack with no resulting paralysis. The father is a machinist at the American Smelting and Refining Company.

The baby in the above article from the Amarillo News, is the grandson of Mr and Mrs. B. K. Hamilton of Quitauque. Mrs. Hamilton has been in Amarillo with the little fellow, and his parents, until notified of the sudden passing of her mother Mrs. Lillie Brunson. Late report of the baby's condition states that he is doing fine and has been dismissed from the hospital.

Mr and Mrs. Fate Hutcheson and Johnny were here from Borger for a week end visit with his parents Mr and Mrs O. E. Hutcheson.

## Death Comes Suddenly For Mrs. Lillie Brunson

Death came suddenly for Mrs. Lillie Brunson Sunday afternoon at the home of her son George Brunson. She had been ill about a month, the first serious illness in her 71 years of pleasant living, and her children were concerned about her condition but did not expect the end to come so quickly. She had gone to the table for dinner with the family, and had returned to her bed when the sudden heart attack struck, and she passed away before a doctor could be summoned.

Funeral services were held Wednesday afternoon at 3:30 at the school auditorium with Dewey Shaw, minister of the Church of Christ, officiating, assisted by Odell Purdy. The remains were taken to Pauls Valley, Okla., for interment beside her husband, and a graveside service was held there.

Daniel Funeral home was in charge of the arrangements and transport of the body to Pauls Valley.

Pallbearers at Quitauque were Leon Barham, Eugene Clary, Joe Woodruff, Tom Pierce, Ralph Carter and Odell Setliff.

Mrs. Brunson was born Lillie Perry Holleyman at Dublin, Erath county, Texas, on February 17, 1879, the daughter of a Baptist minister. She was married to George Eli Brunson on March 23, 1895 at Union Grove in Cherokee county.

After her husband's death in 1940 at Pauls Valley, Mrs. Brunson came to Quitauque to make her home where several of her children were living. She was the mother of thirteen children and reared them all to maturity, all of them surviving her.

The children are Emmett of Leon, Kans., Jess of Richmond, Cal., Leron, George, Donnie and James of Quitauque; Mrs. Nettie Kinslow of Oklahoma City, Mrs. Ruby Ray of Los Angeles, Mrs. Studie Mabes and Mrs. Winnie Hamilton of Quitauque, Mrs. Juanita Layton of Pauls Valley, Mrs. Wanda Lusk of Glen Rose, and Betty Brunson of Quitauque. There are 27 grandchildren and 7 great grandchildren.

Mrs. Brunson was one of the most pleasant persons we have ever known. Her bright and happy disposition kept her young and agile in thought and action, until ill health struck with unexpected suddenness a few months ago. She bore her illness patiently, looking forward to the time when she could again be busy in her beloved flowers and with her neighbors and friends. The beauty of her character shown in her face and the duties of caring for her thirteen children must have been pleasant ones, for she was as young in spirit as they—a beautiful and lovable person.

**Gun Accidentally Fired Fatally Wounds Child**  
Funeral services for David Lewis Damron, fatally wounded Sunday afternoon when a .22 rifle with which he was playing was accidentally discharged, were held Monday at 2:30 pm, in the Methodist church at Matador, the pastor Rev Clifford Potts, officiating.

Burial was in Matador cemetery under direction of McDonald Funeral Home.

David, 33-month-old son of Mr and Mrs. Duce Damron of Matador was fatally wounded when the .22 which he found in a barn back of the family's home, discharged as he was playing with it. Sheriff John Stotts said the bolt-action rifle might have been discharged when it struck some object while the boy was dragging it.

David was already dead when members of the family reached the barn after hearing the shot. The accident occurred about 12:45 pm. Sunday.

Survivors include the parents, a twin sister Marianne, and a five-year-old sister Christine.

Mrs. Damron taught school at Edgin for a time and they have many friends there and at Quitauque. Attending the funeral service from this community were Mr. and Mrs. Webb Taylor, Mr and Mrs. Dick Taylor, Mr and Mrs. Jinks Taylor, J. P. Taylor and Mr. and Mrs. Walter Kelly.

## New School Trustees, C. C. Ham Is Mayor

More interest than usual was evidenced in the school election Saturday, with 120 votes polled. However the school district now has more qualified voters, with the inclusion of Kent, Gasoline and Edgin in the voting district.

O. P. Clark led the list, polling 78 votes, with J. T. Persons 74, and John King 52. These three men, with the incumbent members, Bert Grundy, Alton Johnson, D. C. Duck, O. C. Crabtree and Jim Mayfield, compose the school board now serving the district.

There were four other names on the ballot with the following count, J. H. Boggs 37, Boone McCracken 36, Earl Wise 36, J. P. White 27.

The school board met Monday night to install the new members and along with other business conducted, voted to take over the project of the new tennis courts which a committee of young business men had initiated. Over \$500 has been raised by contribution and a musical program for this project, and another program is to be presented April 28, the proceeds to be used for the project.

In the city election Tuesday, less interest was shown, however the balloting was not bad—for Quitauque. Fifty-three votes were cast, with C. C. Ham, the only candidate on the ballot for the office unanimously elected Mayor.

Orlin Stark was retained as alderman with 34 votes, and Earl Wise with 28 votes, replaced the incumbent Ben Chandler who received 25. Dick Hooks, fourth name on the ballot received 17 votes. Other members of the city council are W. J. Rice and Frank Gillespie.

**P-TA MEETS MONDAY NITE**  
The Parent-Teacher Association will meet Monday night, April 10, at the school auditorium. The fourth grade, Mrs. W. J. Rice teacher, will present the program. Also a good movie will be shown. During the business session officers for the new year will be elected. Everyone is cordially invited to attend.

W. Q. Jacks suffered a severe heart attack Saturday and was rushed to the hospital at Matador by W. J. Rice in his car, accompanied by Rayburn Burgess. Mr. Jacks was back home and drove his car to town Monday.

Mrs. May Gillespie who returned about the middle of March from a visit in Mountainair, NM, with her daughter, is confined to her home and must spend most of her time resting in bed. She has suffered for several years with a bad heart condition.

## Burglars Enter Burgess Pharmacy Monday Nite

Burglars entered the Burgess pharmacy Monday night and carried off watches, diamond rings and other jewelry, cigars, pipes, and the cash that was in the register which was unlocked, and also the "tax" money that is kept in a box beside the register. The Burgesses estimated their loss between \$600 and \$800. An exact amount could not be set until a more thorough check is made of missing items.

Entry was made through a window in the rear of the building and the door leading from the storage rooms into the front of the store was torn from the hinges.

Roy Burgess discovered the loss when he came to work early Tuesday morning and authorities were immediately notified. FBI men called in and a finger print expert have given the store a thorough going over, dusting and searching for finger prints.

The thieves made a very neat methodical removal of their loot. The watches and other jewelry were removed from their boxes and most of the cases left in the display counters. Other articles in the display counters were undisturbed.

**QUITAQUE ENTRIES PLACE AT TURKEY STOCK SHOW**  
Quitauque entries fared very well at the Turkey livestock show held last Saturday, several taking first places and grand champion awards.

Joe Edd Helms had the Grand Champion boar for a \$7.50 award, and his Chester White aged sow brought him third place and \$3.00; a Chester White bred gilt placed 2nd for a \$5.00 award and his aged sow placed third for another \$5.00.

Bennie Pigg's fat steer was awarded first place and \$7.50 and third place with an additional \$3.00 award.

In the open gilt division Willie Gragon's entry placed first and third for awards of \$7.50 and \$3.00. J. E. Chandler copped first place with his Guernsey cow over three years old.

In the junior heifer class Weldon Starkey had first place for \$7.50 award and Grady Tyler third place for \$3.00.

Buster Campbell showed horses and fillies, under two years, taking a first place for \$5.00 and geldings over two years placed third for \$3.00. In working class, under saddle, his entry placed third for \$2.00.

The Shetlands, shown by Randall and Verlon Hamilton took first and third places for \$3.00 and \$1.00 awards.

W. R. SCOTT  
 Owner and Publisher  
 Mrs. W. R. Scott, Editor.

Entered at the postoffice at Quitaque, Texas, as second class mail matter under the act of Congress, March 8, 1879.

**LOCALS**

There were three tonsilectomies in the Earl Lewis family last week, Lavonia May, Raymond and Carl. All are doing nicely, their parents reported.

**FOR SALE—Two sows to farrow soon. Both \$110.00.—Vaughan Hall, Quitaque. 12-1c**

Mrs. A. B. Ramsey, Sr., and son Glenn and Mrs. Durwood Lewis returned home Tuesday from a visit with the Eck Curtises at Arlington. They report Mrs. Curtis much improved.

Mr. and Mrs. Tom Persons of Amarillo were down Sunday in their new Buick visiting his parents Mr. and Mrs. Ray Persons and other relatives.

Mr. and Mrs. Buddy Morris went to Plainview Sunday morning on the train, to visit the J. I. Merrells and attend a bridal shower honoring their daughter the former Annie Mae Merrell who became the bride on March 23 of George Wycoff of Plainview.

**WILL SACRIFICE, account of death, slightly used H. Farmall tractor and equipment.—Mrs. W. L. May, box 183, Silvertown. 12-2**

Mr. and Mrs. H. K. Carpenter, Jr. and LaDeen Ingram of Amarillo were here Sunday visiting in the home of Mr. and Mrs. H. K. Carpenter, Sr., and Patsy Jean. A birthday dinner was served Sunday for H. K. Jr., and Charlie Carpenter. Present besides the family were Joyce Crabtree and Marie Owens.

**FOR RENT—Two room house east part of town.—H. K. Carpenter, Phone 4-J.**

Mr. and Mrs. W. R. Wixom visited Sunday in Leslie with his uncle W. M. Hughes, a Hall county pioneer.

Mr. and Mrs. Raymond King and children spent Saturday night here in the home of Mr. and Mrs. Marion Roberson and also visited

*Willson and Son  
 Lumber and Hardware Company  
 "Where Most People Trade"*

with other friends. The Kings are former residents of Quitaque, coming here to live when he completed his work at Tech. She was a bride and Quitaque was his first position as voc. aggie instructor. He is now county agent of Castro county and they live at Dimmitt. They have two daughters and a young son.

**BURGESS PHARMACY — Franklin Agency. 5-tfc**

Mr. and Mrs. H. W. Cross and boys spent Sunday in Plainview.

Mrs. Scott Bolton returned to Matador for medical treatment, Saturday, accompanied by Mrs. Leon Howard and son Leon, the latter having a recheck of his recent tonsilectomy.

Mrs. H. B. Settle is in Odessa with her daughter Mrs. Gene Youree and family. Mrs. Youree will undergo surgery and her mother will be with her for awhile. The Quitaque Cafe is closed during Mrs. Settle's absence.

Mr. and Mrs. Foy Peacock and girls went to Plainview Saturday and remained over Sunday visiting her parents the J. I. Merrells. While there they attended a bridal shower honoring her sister Mrs. George Wycoff, the former Miss Annie Mae Merrell.

**WATCH FOR Conglomerate shun of Culluds—Coming April 28.**

The Walter Cobbs are on a deal to buy the former home of Mr. and Mrs. Snodgrass on the east highway. Mr. and Mrs. J. O. Davidson and family have moved to the place, vacating the apartment behind the Merrell Gro. which will be occupied by the Phillipotts.

Archie, Orb, Warren and Ray Payne went fishing at Lella Lake Sunday—no luck.

**FRYERS FOR SALE — See LeRoy Hamilton. 12-1**

Clifton (Oakie) Guise was here last week for a visit with his sister and husband Mr. and Mrs. Will Rucker. Oakie was in a car wreck several weeks ago and received a broken bone in his neck and as a result must wear a cast from his chin to his waist for about six months.

Mr. and Mrs. Joe Graham were here this week visiting friends and relatives and took some shrubs back to Amarillo with them, from their old home place which they sold last fall to the Ray Persons.

**CEDAR POSTS—One or a truck load at trucker price.—Meacham Bros., Turkey. 9-4c**

Mrs. Bob Grundy and small son Scotty of Austin arrived Tuesday for a visit with the boy's grandparents Mr. and Mrs. Jess Grundy and other relatives here.

Delmer Powell of Rochester was visiting with friends in Quitaque Wednesday. He came down from Amarillo where he and Mrs. Powell had been visiting their daughter and family.

Jo Dean Bedwell has been ill this week and was taken to Matador for treatment Tuesday.

Mr. and Mrs. Victor Hall are building a new home at Levelland and plan to move there in the near future. They bought an irrigated place on the Plains several years ago, and more recently bought another place with a well on it, near Levelland. They have lived at Quitaque for about 28 years.

**WATCH FOR Conglomerate shun of Culluds—Coming April 28.**

Mr. and Mrs. Hal Overstreet of Amarillo stopped by for a short visit this week, enroute to Fort Worth.

**PIANO — Practically new spinet piano less than 3 months old going to sell in your community. Save \$200. New piano guarantee. Will take trade-in. Easy terms, up to 24 months to pay.—Ralph Nelson Piano Co., 209 W. Ferguson St., Tyles, Texas. 12-2c**

Mr. and Mrs. Houston Allen of Pampa spent Sunday here with her sister Mrs. J. P. White and family.

Carl Woods was taken to Silvertown Tuesday to treatment at the hospital of a crushed shoulder which he received when a calf fell on him. W. J. Rice took him to the doctor.

**NOTICE TO THE PUBLIC—dumping of trash on my property south of the Ray Cruse place in Kent community must be stopped. Mrs. Daisy Bedwell. 12-3c**

Corky Morris has come in from Channing where he has been working, and decided to stay home awhile. Corky's ear which was almost severed in a car wreck recently, is healing nicely.

Mr. and Mrs. Bill Oden and boys and her mother Mrs. Tom Weems of Carlsbad spent Saturday night and Sunday here with their sister and daughter Mrs. Elmer Lanham. **MAGAZINE SPECIALS—Order now to save on Newsweek, Time, Life, Etude, Parents Magazine, U. S. News and World—don't forget the special on Colliers, Womens Home Companion, American and Readers Digest. Let tell you about these. See any of the WSCS members, or Mrs. H. G. Gardner, Mrs. Mort Hawkins or Minnie Mae Roberson.**

**METHODIST CHURCH CALENDAR**

Pastor, Marvin Fisher; SS Supt., M. L. Roberson; Chairman of Board of Stewards, E. J. Hamilton; President WSCS, Mrs. George Owens, Chairman MYF, Ben Cross.

Church School, 10 a. m.  
 Morning Worship, 11 a. m.  
 Evening MYF 6:45  
 Evening Worship 7:30.

Choir Practice, Monday 6:30 pm.  
 A hearty welcome is always extended to attend any or all of these services.

In the absence of the pastor for the morning service next Sunday, the Pastoral Relations committee is planning an Easter service at the Methodist church. The pastor will return home in time to take charge of the evening worship service at 7:30 and a special service is planned for that hour. Everyone is urged to make plans to be in church this Holy Day. The pastor will be expecting you—don't fail to be present for both Sunday morning and evening services.  
 Special music is being prepared by the choir for Easter services.

**METHODIST WSCS**

Mrs. George Owens was hostess Tuesday night at the meeting of the Methodist WSCS. She is president of the society and presided over the business session when reports were heard and progress on the project of buying furniture for the new church was reported.

Minnie Mae Roberson was in charge of the program and presented the first study from the new Mission study book. She was assisted by Mrs. Fisher, Mrs. Weldon Starkey, Mrs. Bill Woods and

Mrs. Mort Hawkins.

The hostess used the Easter motif for decorations in keeping with the season and served delicious refreshments of layer cake and fruit punch. Present were Mesdames Fisher, N. V. Hamilton, F. C. Benson, Mary Merrell, Frank Hawkins, Com Hudson, Weldon Starkey, W. R. Scott, B. C. Lannom, H. G. Gardner, Victor Hall, Bill Woods, E. J. Hamilton, E. A. Puckett, M. E. Lovine, Grady Starkey, Mort Hawkins, and Minnie Mae Roberson and the hostess.

Rev. Fisher is in a revival at Chillicothe the past two weeks, and Rev. Bill Ebbs of Plainview was guest speaker for both services last Sunday. Attendance at the services was splendid and great inspiration was received from this earnest young man who is preparing to enter the ministry.

Mr. and Mrs. Raymond King and children of Dimmitt were welcome guests in the church Sunday. They are former residents of Quitaque. He is a member of the board of stewards of the Dimmitt Methodist church.

A Scotchman had been keeping vigil at the bedside of his dying wife for several days. One evening he said:

"Mary, I must go out on important business, but I will hurry back. Should you feel yourself slipping while I'm gone, please blow out the candle."

**STATE TO USE BARTER PLAN FOR GAME REINFORCEMENT**

Austin—How Texas is bartering with other states to obtain needed wildlife reinforcements is described in the March issue of Texas Game and Fish, departmental magazine. W. C. Glazener, Wildlife Restoration Director, writes that Texas is now working on an exchange program "designed to improve quality hunting and to produce more of certain valuable fur bearing animals."

"After ten years of extensive deer trapping and transplanting in Texas," Glazener's article states, "the pressing need for deer stock on high quality ranges began to decline. In the same period, more active and positive quail management became increasingly urgent. Along with that situation, there was a growing interest in beaver as a water conserving instrument and freshwater muskrats as a source of cash income."

The Wildlife Restoration Director goes on to describe how a shrub like perennial bicolor lespedeza

was planted in strips and hedges and found to be useful in southern states to attract and hold quail. To develop strains adapted to Texas conditions, Game Department biologists have been working on plant selection and experimental planting of this species. Material for this vital work was obtained from Georgia and Florida in a trade involving Texas white-tailed deer.

The Glazener article continues: "Louisiana, in the meantime, became interested in bolstering its declining deer population by stocking Texas deer on selected refuge areas. As exchange items, they of-

fered surplus muskrat and beaver from soil and vegetable types similar to and relatively near inland creek marshes scattered over East Texas. Our access to the beaver stock was important because surplus West Texas beaver were not numerous enough to fill restocking needs in that part of the state, following drought years when water conservation became a recognized necessity on many stock ranches. At the same time, several East Texas landowners were soliciting freshwater muskrat stock not available." He concludes that mutual advantages in the bartering are obvious.

#### WALTER ROGERS OF PAMPA LAUNCHES HIS CAMPAIGN

Pampa—Pampa and Gray county were getting ready this week to give their fellow townsman an "all-out" push in the race for congress.

He is Walter Rogers former city attorney, district attorney for 2 terms and who has been an active leader in civic and community affairs during his 15 year's residence in Pampa.

First official event in the campaign is a barbecue in Pampa for Thursday afternoon at 5 o'clock with Sheriff Skinner Kyle as host and with peace officers of the district as special guests.

Pampa business men in a series of meetings have organized into a city-wide "Rogers for Congress" club, and plan a tour of the entire district on a campaign to "sell" the Pampa candidate as the best qualified entrant in the race.

In groups of 4 to the car, the Pampa workers plan to visit every town and community in the district and pass out literature, distribute placards and tell the voters of the other counties about the Gray county candidate.

Mr. Rogers, who enjoys a large law practice, has arranged his affairs so that he can devote all his time to the campaign. He plans a

whirl-wind trip over the district and will speak in all towns.

Stressing stability for agriculture, economy in government and the need for curtailing federal encroachment in local affairs, Mr. Rogers plans to outline his views to the voters of the area. He is opposed to federal school aid, and is outspoken against socialized medicine. He believes that capital and labor should settle their own disputes with the government in the role only of an arbiter.

In planning the kick-off barbecue, Sheriff Kyle said this event "is to be my treat". As a peace officer when Mr. Rogers was district attorney, Sheriff Kyle is an ardent admirer of the congressional candidate.

"I've seen him on the job, know what he can do", said the sheriff. "Only 3 acquittals during two terms as district attorney is something in my books; I want other peace officers to know Walter Rogers. That's why I'm giving the barbecue as his campaign opening."

Mr. and Mrs. Rogers were married in 1936, shortly after he moved to Pampa from East Texas. They have 6 children, 3 of whom are in the scouts. Mr. Rogers is 41 years old.

MR. AND MRS. AARON WILLIAMSON

#### WORLEY ASSUMES NEW POST

Washington, April 4—Eugene Worley Tuesday became a justice of the U. S. Court of Customs and Patent Appeals. He resigned Monday as U. S. Representative from the Texas Panhandle, an office he has held for 10 years.

Gov. Allen Shivers has called a special election for May 6 to choose a successor for Worley.

#### GENE WORLEY SAYS THANKS TO THE PEOPLE OF THE 18TH CONGRESSIONAL DIST.

I wish I could write each and every one of you an individual letter but that is impossible, I am taking this means, through the kindness of the editor of your paper, to extend to you my thanks for your excellent cooperation and for the most generous support you have accorded me in the past.

For nearly ten years I have been honored by election as your representative to the United States Congress. No one could be prouder of that honor than I am now and have always been. You have been more than generous to me and I have done my dead level best to make a good congressman. I hope I have succeeded.

You have no idea how really proud I am of the people in my District. I would not trade my own District for any in the United States. As I turn to new fields of endeavor, I will carry with me the recollections of my always pleasant associations with you. I wish for

each and every one of you the very best of everything for all the years to come.

Sincerely,  
GENE WORLEY

#### FLOMOT NEWS

By Bettye Tanner  
(Received too late for last week)  
Mr and Mrs. James Monk and children, Calvin, Don, Beryl and Rosella were week end visitors in Melrose and Clovis, visiting his nephew who was badly burned recently.

Mr and Mrs R. H. Tanner visited the Christians and other friends in Crowell Saturday.

Mrs A. M. Tanner was hostess to a party Monday, March 27. Prizes and gifts were presented to the guests. Refreshments of cookies and bottled drinks were serve d to Mrs. R. H. Tanner, Mrs. Archie Mitchell, Mrs. Malcomb Turner, Mrs. James Monk and Don, and Mr Carl Williams of Silverton and the hostess.

Mr and Mrs. Troy Kell returned March 28 from Baltimore, Md., where Mr. Kell was a patient of Johns Hopkins hospital.

#### LOCALS

Mrs. Ben Cogdill has returned home from the Matador hospital where she received treatment for several days, and she is improving. Everett Stone and family and Floyd Stone left last Friday for

# Walter Rogers

for Congress

★ ★ ★

Typical self-made, successful citizen.

Born in Texarkana, Ark., July 19, 1908—41 years old.

Attended elementary schools McKinney, Texas.

Worked on farm while attending Austin College, Sherman.

Worked way through University of Texas law school, employed in state comptroller's office.

Graduated with high honors, now licensed to practice before United States Supreme court and all courts of our state.

Moved to Pampa in 1935, began practice of law. Opened own law office 1937, which he has maintained since, except for 4 years when he served as District attorney.

Made outstanding record as district attorney, refers voters to any member of grand jury or law enforcement officer in district he served. Has built large practice among his neighbors, friends and acquaintances. Represented many clients before highest courts of land, Railroad, Banking and other state commissions.

Member Gray County and State Bar Associations.

Served as first War Bond chairman Gray County.

Married Jean Daly of Pampa in November, 1936.

They have family of 6 children, ranging in age from 12 months to 11 years.

Two sons and daughter are Scouts.

Former member of Jaycees.

Past president Pampa Rotary club.

Active in all civic and community affairs.

Life-long member Protestant Episcopal Church.

### HE BELIEVES

Walter Rogers believes future of our country depends upon the homes and small communities. Believes in home rule and home responsibility. Believes encroachments have been made upon individual rights which must be checked or rights will be lost to the people.

Believes a balanced economy must depend upon private competitive enterprise, free of Government control except for adjustment of wrongs brought about by bad faith. Believes capital and labor should settle own disputes with government only in role as arbiter.

Believes economy of this region based primarily on agriculture, believes farmers of this section capable, sound-thinking Americans; favors stabilized farm economy but believes many features of farm program should be at option of the farmer and not at the whim or caprice of Bureaucrats. Problem can not be solved overnight, but is being solved and that farmer's suggestions and advice should be followed and used. Pledges full assistance to Canadian Dam and all other water conservation projects in district; sees such projects as sound investment and essential to economy of district and also vital to national defense.

Believes federal aid to education is double taxation; believes if government will attend to own affairs, leave our tidelands alone and conduct itself in accordance with Constitution, Texas won't have to worry about federal aid to our schools.

Believes Civil Rights is a mis-nomer, is purely political and will not aid any of the peoples involved; if Constitution is followed there is no necessity for a Civil Rights program by Congress. Constitution provides that program fairly and honestly.

Believes the old people are not getting their just dues, too much of

the money set aside for them going into overhead costs, that they are entitled to more courtesy in their claims and requests.

Believes in soundness of depletion allowance for oil and gas business.

Believes that soft treatment of traitors should cease.

Believes in drastic reductions in government costs, abolition of overlapping bureaus, cleaning out of overstuffed departments, stream-lining red tape, demands full and fair day's work on part of every government employee, and courtesy to the taxpayers as they go along.

Believes in proper preparedness and defense of this country first; do the cutting where it will not weaken the strength of the nation.

Believes income taxes too high, that proper economy can bring about reductions.

Believes rights of Veterans to purchase land under Veterans bill should be immediately stream-lined, completely freed of red tape and all political favoritism should be abolished.

Summed up, Walter Rogers believes in our American way of life, is for efficiency and economy in government, and pledges the people of this district to work for these ideals.

He is widely-known and respected as an able and courageous lawyer and a conscientious and patriotic citizen.

He offers to the people of the district experience and training.

He is successful in his own profession.

Walter Rogers has as much at stake in the future of this country as any of the rest of us. Here is the Rogers family. Standing, left to right, are John, Walter and Tommy. Seated, left to right, are Mary Catherine, Mrs. Jean Rogers, Robert and Susan. "We're one family with never a dull moment," he tells friends.

### Be Ready When The Census Taker Calls

Mrs. Mason of Silverton has received the appointment as census enumerator at Quitauque. According to report to The Post, Mrs. Mason will cover both Silverton and Quitauque within the city limits. From Quitauque, Mrs. Frank Gillespie and Mrs. Frank Hawkins are working with the census, Mrs. Gillespie covering the territory above the Cap, between Quitauque and Silverton; and Mrs. Hawkins all the area in Briscoe county below the Cap and south of the highway. We did not learn who had the north part of the county below the Cap.

The Census enumerators have asked The Post to urge farmers to look over and fill out their Agriculture questionnaires before the census taker arrives. "It will help

no end," Mrs. Hawkins stated. It saves time in answering the question and filling out the forms, and above all, it saves return trips and covering the same territory several times.

If you have misplaced or lost your agriculture questionnaires—or perhaps not received one (they were mailed to "boxholder", we were informed, and perhaps were discarded as unimportant) you may secure them at your local postoffice.

The following information is from census headquarters in Amarillo:

Distribution of the Agriculture questionnaire was made in advance of the Census enumerator's visit to afford farmers time to consult their records for information about their farms and farm production during the year 1949. This method will save time for both the

farm operator and the Census enumerator.

All farmers in this county should receive the questionnaires by Mar. 27th, allowing them about a week in which to fill in the answers to questions before the Census takers start their rounds on April 1.

The average farmer can complete the Agriculture questionnaire easily. Many of the inquiries can be answered without reference to records. However, some questions will require a little more time, namely inquiries on crop yields and receipts from crop sales, on the production of livestock and livestock products and income from their sale, on farm expenditures for selected items, and on other inquiries about the farm business which cover the 1949 calendar year.

Did you know that in many countries the taking of a census is a public duty combined with the spirit of a National holiday? You see the head of each household consider it a solemn duty to go to government centers and there supply the information specified by law. In Turkey, people are required to stay at home on Census day until the enumerator calls. America has always approached the census in another way. Every effort is made to avoid regimentation or unnecessary interference with daily lives. Instead, the Census taker makes a house-to-house canvas to obtain the necessary information, with as little inconvenience to you as possible. The system of self-enumeration by farmers is being employed by the Census Bureau for the farmers convenience. If the farmer has his agriculture questionnaire filled in when the census enumerator calls, he will save himself time and trouble by having to stop work or come in from the fields to give the enumerator the information he must have.

You are urged to cooperate.

#### NEW DAUGHTER

A daughter was born March 23 to Mr and Mrs. Marvin Freeman of Amarillo. The little girl was named Becky Jill. Mrs. Freeman is the former Billie Mayhall.

#### PLAINVIEW SANITARIUM SELLS TO A FOUNDATION

The Plainview Sanitarium & Clinic, established in 1914 by Dr. E. O. Nichols, Sr. was sold April 1 to a foundation for one million dollars. Amortization payments to Dr. Nichols will be \$35,000 annually for 30 years.

The Plainview Sanitarium is the second largest privately owned hospital in Texas, Scott & White at Temple being the largest.

A charter has been granted by the state for the new organization. Five trustees have qualified for preliminary organization, a total of nine being needed for permanent organization.

Incorporators were Herbert Dygart, Ben F. Smith, the late H. G. Stinnett, Jr., Frank R. Day, Dr. E. O. Nichols Sr., and Mike Kirk. Dr. Nichols Sr. is a member of the board. He and Kirk are the only hospital staff members on the board. The Doctors Nichols will be members of the staff at a monthly salary.

It is estimated there will be available \$25,000 per year above authorization charges for hospital improvements. As a foundation the hospital is eligible for government funds, the government to match dollar for dollar building and improvement funds.

wishes to make the following statements for there still seems to be considerable confusion as to the exact status of those associated with the institution. Absolute authority over the institution is vested in the Board. Of the Board members one-third can be persons previously associated with the institution, but at least two-thirds must be public spirited citizens willing to work for the best interests of the public. The clinic physicians will continue their work in the same pattern as before. Both Doctors Nichols will continue their full time work with the institution. They will serve as surgeons and they will assist in the administrative work under the supervision of the Board which will henceforth assume responsibility for all matters of policy.

It is hoped and believed that the community will benefit from the changes that have been made.

### Daniel Funeral Home Offers Complete Service

Building activity here has taken a little spurt.

Completed and ready for inspection is the new Funeral Home. Mr. Daniel said this week that the new quarters of the Daniel Funeral Home, on the east highway stands ready to serve the people of Quitaque and surrounding territory.

The new establishment is owned and operated by Mr and Mrs. Charles C. Daniel. Mr Daniel is a graduate of Cincinnati College of Embalming, and is a licensed embalmer and funeral director. He is well known in this area, having been employed in Turkey for two years. Just prior to coming to Quitaque he was employed in a funeral home at Vernon.

Mrs. Daniel, the former GERAL Russell of Turkey, assists her husband in the operation of the business. They extend a cordial invitation to everyone to visit and inspect the new home.

The funeral home consists of living room, reception room, casket display room, operating room, and small apartment where for the present the Daniels are residing.

The new Methodist church under

construction is getting lots of interest, and it promises to be a little gem. The walls are up and the floors are being poured. They are concrete under asphalt tile. The roof will be started in a few days.

This small oyster-white brick, L-shaped building is set low on the ground, a style of architecture perfectly adapted to West Texas winds. The new pews and pulpit furniture have been ordered for the sanctuary and everything about the new church will be complementary to the type of construction chosen.

Otis Purcell is building a very attractive brick - stone residence in the northeast part of town. The house has four large rooms and bath on the ground floor, with attached garage, and a two room basement. There'll be more to tell about this house as it progresses—it's going to be a really nice home.

Marvin Wise reported last week that he had just completed a pretty \$6,500 residence for the Abe Martins at Flomot, and this week began construction on a \$6,000 home for the Tom Barbee's on their place northeast of town.

Salvaging of the old school house at Edgin has been completed and the brick and other usable material has been moved to

town to the site on Main street where (it is rumored) that Gene Berry will erect a business building.

Claude Cantrell has done quite a bit of improving to the buildings which he had moved into town and they are making a very nice appearance. There are four apartments in this building—all rented, it was reported.

### Cap Rock Soil Conservation News

Do you want your soil to be more productive with a higher organic content, have a greater capacity for taking up water, have an available supply of stored nitrogen, be more amply protected against wind and water erosion, and during period you are getting this effect still produce a cash crop? This may sound like a pipe-dream, but it can be accomplished by the proper growth of Hubam clover or other legumes.

Hubam clover is an annual, white blossom, deep-rooted legume that produces pasture, hay and an abundant seed crop. It can be used to over-seed small grains in the spring on irrigated land without danger of missing the following small grain crop. However, with all these attributes, Hubam clover cannot accomplish this job unless

## Mr. and Mrs. Charles Daniel Upon Completion of the New Funeral Home in Quitaque

It is gratifying for the community to have an institution so well equipped and attractive in appearance to supply the service which Mr. and Mrs. Daniel offer, and their choice of Quitaque as a location should merit the favorable consideration of everyone in our area.

it is properly treated.

One important step in the handling of Hubam clover is the proper inoculation of seed before planting. This inoculant contains small organisms known as bacteria that form nodules on the roots of the clover and have the ability to assemble nitrogen from the air. Unless these bacteria are present, the legumes do not have the nitrogen fixing ability and the plants are smaller and have a lower seed production. Inoculate the seed immediately prior to planting in order that the bacteria will not die before being planted in the soil. In order to obtain the best results, it is necessary to fertilize the clover with 200 to 300 pounds of 20% superphosphate per acre.

Eight to ten pounds of Hubam clover seed should be used when drilled with small grains. Ten to fifteen pounds should be planted broadcast and three to five pounds in regular width rows. The planting should be done between February 15 and April 15. A smooth, firm seed bed is necessary and the seed should be planted about 1/2 inch deep.

As the Hubam clover grows the root system is pushed deep into the soil loosening up the compact soil and allowing it to take water more freely. When these roots decay they further enrich the soil.

The top growth will furnish hay, pasture and seed production or serve as a green manure crop. The production of Hubam clover varies considerably but will probably produce from 1 to 3 tons of hay per acre and 150 to 600 pounds of seed. In addition, it serves as a protection against wind and water erosion and when plowed under furnishes needed organic matter and nitrogen.

Hubam clover cannot perform miracles but it is one important step in a more complete soil conservation and soil building program. Soil Conservation Service personnel will be glad to render whatever assistance it has available in establishing this legume or any legume.

### VETERANS LAND PURCHASE APPLICATIONS STILL ACCEPTED

AUSTIN, April— Although the entire \$25,000,000 principal of the Veterans' Land Program was committed by March 18, Land Commissioner Bascom Giles stated today that additional applications are still being accepted "under certain conditions."

"Where both seller and veteran understand that we cannot guarantee there will be money available to complete the purchase," said Giles, "we are putting the ap-

plication on file."

The \$25,000,000 fund is a revolving one and thus additional purchases can be made from time to time as veterans make their semi-annual payments, Giles pointed out. Some veterans are also relieving their indebtedness at a faster rate than their contract demands. One tract in Dickens County has already been paid for in full.

"Also," Giles explained, "every withdrawal enables us to process one of the applications, if and when money is available, in the order they are received."

The down payments accompanying a "conditional" application will be deposited in the State Treasury, Giles said, and will be returned if the transaction is not completed.

No application has been accepted since March 18 except this "conditional basis", Giles stated.

### HEART IN HIS MOUTH

An Irishman in the army was telling his friend of his narrow escape in Paris.

"The bullet went in me chest and came out me back," said Pat.

"But", answered his friend, "it would go through your heart and kill you."

"Me heart was in me mouth at the time," was the quick reply.

O. R. STARK, JR., HOME IS SCENE OF BRIDAL SHOWER

The home of Mrs. O. R. Stark, Jr. was the scene of a pretty bridal shower last Thursday evening, honoring Mrs. Billy Frank Rhoderick, nee Patsy Brown.

Guests called from 6 to 8 pm, and were received by Mrs. Stark. The bride, her mother Mrs. S. C. Brown and the bridegroom's mother Mrs. J. C. Rhoderick, Sr., completed the receiving line.

A pretty brides book served as the register, with Misses Paulita McCracken and Una Lee Duck in charge.

The Easter theme, pastel flowers and other decorations in pastel shades were used. The refreshment table held a lovely centerpiece of Easter lilies and yellow iris, and

was lighted by tall yellow tapers in crystal holders. The same flowers were used throughout the reception rooms, creating a pretty background for display of the lovely gifts.

Miss Patsy Stark furnished music with her accordion during the visiting hours.

Refreshments also denoted the pastel motif with golden fruit punch, white cake squares encribed with "Pat and Bill" in delicate colors, salted nuts, mint bubbles and favors of tiny Easter baskets filled with candy eggs. Presiding at the table were Mrs. C. E. Anderson, Jr., and Mrs. Rayburn Burgess.

Others assisting with the hostess duties were Mrs. John A. Johnson, Mrs. Scott Bolton and Mrs.

THE AMERICAN WAY

There Just Can't Be a Jackpot

Ray Cruise. All members of the house party wore corsages of the Spring flowers in pastel shades.

LT. J. D. McCUTCHEN BURIED SUNDAY AT SILVERTON

Reburial services for Lt. J. D. McCutchen were held Sunday afternoon at 2:30 at the Baptist church at Silvertton, with the pastor Rev. G. A. Elrod officiating, assisted by Rev. Grady Adcock, Methodist pastor. Interment was in Silvertton cemetery where members of the American Legion from Quitaque and Silvertton performed the Flag ceremony.

Pallbearers were Walter Taylor and Wayne Whittington of Quitaque; Ben Bingham, Dud Waters, Virgil Crow, Glenn Smith, Bryant Eddleman and C. L. McWilliams of Silvertton.

Lt. McCutchen was killed in action on August 24, 1944, while serving with the U. S. Army air corps, stationed in England. Born February 18, 1921, he was 23 years old when he made the supreme sacrifice for his country.

He is survived by his wife and a son Terry David and a daughter, Karen Dee; his mother Mrs. Eddie McCutchen and a sister Mrs. H. B. McClendon of Lubbock, and a brother A. T. (Slats) McCutchen of Plainview.

REBA BARRETT IS HONOREE AT ANNOUNCEMENT AND SHOWER

Miss Reba Jo Barrett, bride-elect of Pat Cogdill of Silvertton, was complimented at a morning coffee Saturday, when the approaching nuptials were announced and she was tendered a miscellaneous shower. Mrs. Dee McWilliams and Mrs. Conrad Alexander were hostesses in the McWilliams home at Silvertton.

Decorations denoting the Easter theme were used throughout the reception rooms and carried out in the refreshment appointments.

In the receiving line were the honoree, her mother Mrs. A. C. Barrett, Mrs. McWilliams and Mrs. Patton Cogdill of Liberal, Kans., mother of the prospective bridegroom.

The centerpiece for the refreshment table was a clever arrangement of an Easter bunny drawing a cart filled with lilies and jonquils. Enscribed on the streamers

from the cart to the bunny was the announcement "Pat and Jo, April 8."

The honoree's sisters, Mrs. Ceell Seaney and Miss Sue Barrett presided at the refreshment table, serving the beautifully decorated heart-shaped cake, and coffee.

RECITAL AT SCHOOL MONDAY

Speech students of Mrs. J. B. Baird presented a recital at the school auditorium Monday morning and gave a very enjoyable program. Two students were unable to be present, Dottie Wise and Erma Lorene Nall.

Prof. Bourns assisted in adding variety to the program by leading a group song, and Willie and Robert Gragson gave a vocal duet. A musical reading was presented by Peggy Grundy.

Readings were presented by Junior Poole, Jimmie Rhoderick, Tommy Baird, W. E. Hawkins, Joe Edd Helms, Patricia Van Meter, Willie Gragson, John Lynn Johnson, Billie Jean Woods, Robert Gragson, Mary Jo Bailey, LaJuan Stell, Jarrell Rice and Jo Dean Bedwell.

CHILD KILLED INSTANTLY WHEN RUN OVER BY TRUCK

Sharon Treace, 3-year old daughter of Mr. and Mrs. J. C. Teace of Parnell, 20 miles east of Turkey, was killed instantly about 4 o'clock Wednesday afternoon when she was run over by a small oil delivery truck.

The accident occurred in front of the store at Parnell operated by the child's grandfather, Jim Burks. Henry Paul, employe of the store, was operating the truck and was pulling up in front of the building to load some gas when the tot darted out in front of the vehicle.

SHOE SHOP OPEN FULL TIME

The Quitaque shoe shop, and the building in which it has been located for several years, was sold last week to Mr. W. H. Giles who has opened the shop and is ready to operate. Mr and Mrs. Giles have set up living quarters in the building with the shop, and he says he will "be on the job" at all times. Mr Giles said he had about 20 years experience as a shoe repair man, the last shop he operated being located at Claude. Mr and Mrs. Giles come to Quitaque from Portales where they have been living the past two years.

CARD OF THANKS

We extend thanks to our friends and neighbors for all the kindness shown us during the illness of our father and for the words of sympathy and comfort. Thanks to each of you for the food you brought and the beautiful flowers and for everything you did to help us in our sorrow. Gratefully, The Honea Family

PANHANDLE-PLAINS DAIRY SHOW SLATED APRIL 10-14

Over 2,000 copies of the 1950 Panhandle-Plains Dairy Show Catalogue have been mailed to dairy enthusiasts in the states of New Mexico, Oklahoma, and Texas.

Rated as the nation's third largest dairy show, this event plays host to breeders of Guernsey, Jersey, Holstein, and Milking Shorthorn cattle. Plans are now being made to include the Brown Swiss Breed in the 1951 show.

Mr. E. E. Anderson, Extension Dairy Specialist for the New Mexico State College in Las Cruces, New Mexico, will serve as official judge of the Guernsey, Jersey and Holstein breeds. Mr. F. Frank Dale, past president of the New England Milking Shorthorn Breeders Association, has been selected to judge the Milking Shorthorn Division of the show.

The dates of the 23rd, annual Panhandle-Plains Dairy show are April 10-14, 1950.

FISHING REGULATIONS

The Executive Secretary suggests it is that time of the year again for Texans—when they checkup on any new state laws. The statewide fish license law has been in effect since late last summer but it might stand a refresher by sportsman.

Its primary purpose is to provide one master license for fisherman at a cost of \$1.65, thus doing away with the various special county licenses. One conspicuous provision is to permit Texans to fish free in their home counties, providing they do not use artificial bait, and to permit them to fish without license in counties adjacent to their own counties, providing they do not use either artificial or live bait.

Just in Case

The old lady passing the insane asylum stopped an approaching inmate and said: "Can you tell me the time?"

The cloistered brother took out a foot rule, then got out a slide rule and a compass and a T-square. After fiddling with them for about five minutes he said, "It's just four o'clock."

"Wonderful," says the nice old lady, "but what do you do if it's raining, and you can't measure the shadow?"

"Oh," shrugged the inmate, "in that case, I have to look at my watch."

Optometrists

Carroll Edgar, who came down from Wellington Wednesday to look after business matters, stated that Mrs. Edgar was slightly improved when he left the hospital, but that her condition remains grave. Their daughter Mrs. Bob Nixon of Iraan is with her mother, Bob having returned home Tuesday to attend to business.

Silence isn't always golden; some times it's just plain yellow.

The day is never too long to the man who has work to do and enjoys doing it.
