

Shallowater Lass, Letty Anaya, Honored at Lubbock Festival Recently

The 16th of September should play as important a role in everyone's lives as the 4th of July does. We all celebrate July 4th, but not all of us celebrate Sept. 16th, which is the day on which Mexico got its independence.

This year, like last year, Lubbock had its annual festivities at Guadalupe Park. Mexican food, games, and music accompanied the festivities during the days of the 14th, 15th, and 16th. It was not only to celebrate Mexico's Independence, but also to select a young lady to represent the Mexican community in Lubbock and to attend meetings when called upon.

In order for a girl to compete in this event, she must be between the ages of 15-21. Her talent must have something to do with Mexico's customs. The girls should know some facts about Mexico's independence and must also have an original costume.

Five girls from Lubbock and one from Shallowater decided to try their luck. The girls from Lubbock were: Suzie Rodriguez of Monterey High; Linda Leos of Coronado; Lucy Zuniga of Estacado; Rosemary Richarte of

Lubbock High; Eva Alaniz from Coronado and Letty Anaya from Shallowater.

The date set for the competition was Sept. 15th. All of the girls were ready and nervous. There were seven judges. Many people were present to see who of the six would receive the title of the "Adelita".

Four girls danced, one sang, and one did a recitation. All of their outfits were very colorful. Other contributing factors for judging were overall appearance, and knowledge.

While the judges were voting, Norberto Anaya, also of Shallowater, sang two songs which

motivated the audience. For his age, Norberto acquired many friends that night with-only two songs.

Judging was accomplished and emcees Sandra Chadis and Ernest Barton were eager as the girls, to find out who had won. Finally the moment arrived and it was announced that Olga Leticia (Letty) Anaya had won.

Letty was given a bouquet of roses and a check for \$100. She was crowned by the Adelita of 73-74, which was her sister, Imelda Anaya.

The day finally ended, but with a student of Shallowater High School as "Adelita".

Shallowater School Libraries Are in Need of New - More, Books to Read

Are your bookshelves overcrowded? If anyone has books suitable for the Shallowater schools libraries, they would be gratefully accepted. Anyone desiring to place books in the library as a memorial is encouraged to do so. An actual book may be presented or money may be given and the librarian will

purchase the book. Each book will be appropriately identified.

Anyone having extra issues of such magazines as National Geographic, Readers Digest, Boy's Life, or American Girl is urged to give them to the library.

Please contact the librarian, Mrs. Meeks, at 832-4531, before bringing either books or magazines to school.

Wolfforth Young Homemakers Meet

The Young Homemakers met Sept. 19th in the homemaking cottage at Frenship High School. They chose the following officers: President, Mrs. Ann Richey; Vice Pres., Mrs. Cathy Fletcher; Vice Pres., Mrs. Connie Roach; Secy.-Treas., Mrs. Mary Lou Vardy.

Next month the meeting will be held at 7:30 p.m. October 17th. The program will be needlework, and there will be an emphasis on membership.

All women interested in joining the club are asked to attend. Those women under 35 years of age are able to become working members; all women over 35 years of age are considered as associates.

Frenship PTA Sets Open House

The Frenship PTA will have open house at Casey Elementary, Monday, Sept. 30th at 7:30 p.m.

There will be a brief business meeting, then the rooms will be open for the parents.

PTA Needs Items For Garage Sale

The PTA is still picking up for the October Garage Sale. The funds go toward air conditioning of our schools.

For pick ups call Mrs. Bill Kerchner at 832-4086 or Mrs. Joe Cox at 832-4010.

Groundbreaking Ceremonies for New Teaching Hospital Scheduled Friday

The Lubbock County Hospital District Board of Managers announces it will hold groundbreaking ceremonies September 27 to signify construction of its teaching hospital to be built adjacent to the Texas Tech University School of Medicine in Lubbock. The event is scheduled to begin at four o'clock in the afternoon at the hospital site at Fourth Street and Indiana Avenue on the Tech Campus where the Medical School is already under construction.

The hospital is scheduled for completion around mid 1977 and will serve as an important regional referral health center for the West Texas - Eastern New Mexico area.

Total construction and equipment costs are expected to exceed

\$18,000,000 with funds secured from the 1970 Lubbock County bond issue and tax levies together with an \$8,000,000 Hill - Burton loan and \$1,000,000 in Hill - Burton grants.

The District Hospital will provide adult and pediatric bed facilities, intensive and coronary care units. The structure will include many new and innovative labor saving features to reduce personnel and other operating costs. Other services, such as emergency room, laboratories, x-ray, and ambulatory clinics will be provided by the School of Medicine.

The exterior will be composed of pre cast concrete panels and a bronze aluminum curtain wall system using tinted glass.

Foster Grandparent Project at Lubbock State School in Need of Local Volunteers

The Lubbock State School Foster Grandparent Project is in need of more volunteers to help with their program. The State School is funded for 64 regular Foster Grandparents. An eligible person must be 60 years of age or older, and income from all sources must not be over \$2,330 per year for single person; and \$3,070 per year for married person. The Foster Grandparent must be physically, mentally and emotionally capable of serving the selected children on a one to one basis and to accept supervision as needed.

Foster Grandparents serve a total of four hours a day, two hours with each of two children, five days a week.

Foster Grandparents are assigned to children who are deprived of identification with a mature adult; have a need for individualized, person to person

relationship; have a capacity for improvement in personal adjustments, social relationships, learning ability, and/or motor coordination and skills; are age 17, chronologically, or under; and in the judgement of the Foster Grandparent Project staff, are reasonably manageable in terms of size, strength or behavior.

A Foster Grandparent serves in a supportive role, providing companionship and guidance to children in residential settings. They serve as a parent substitute for children deprived of the benefits of a normal relationship with a parent or older person. Foster Grandparents are responsible for engaging in activities which facilitate constructive person to person relationships with their assigned children.

This program provides a way for older adults to contribute usefully to their community in the retirement years and to enjoy the self respect and satisfactions that come from being needed and serving others.

Foster Grandparents will receive a stipend of \$1.60 per hour, paid semi monthly on the 1st and 15th.

If you are interested in becoming a Foster Grandparent, call the Lubbock State School at 763-7041.

Governor Briscoe to Visit In Hub City Next Friday

Governor Dolph Briscoe will visit Lubbock, October 3, and will be hosted to a special "Lunch With Governor Briscoe", it was announced last Friday, by Dr. Dan Croy, Lubbock County Democratic Chairman.

Croy said that the luncheon, to be held at the KoKo Convention Center, is open to the public and that tickets can be purchased at the Lubbock County Democratic Headquarters, 1216 Ave. K, for \$10 a plate.

In addition to the luncheon Briscoe will meet with agricultural leaders from throughout the High Plains area, tour the Textile Research Center at Texas Tech and hold a new conference with area newsmen.

According to Croy the Governor's schedule calls for him to meet with supporters and friends at a special invitation only breakfast, followed by the tour and meeting with agricultural leaders at the Textile Research Center. After the meeting at Tech, the Governor will meet with newsmen at the Lubbock County Democratic Headquarters which will be followed by the luncheon. The Governor is scheduled to leave Lubbock later that afternoon.

Frenship Tigers Win In Rain

by Cissy Beaver

Frenship's third game of the season was a good one even though the weather was rainy and awful. However, it didn't stop the Tigers. Practically the entire game was played in the center of the field, but we finally made six points in the second quarter.

Lockney was deep in Frenship's end of the field and David Welch recovered a blocked punt in the end zone for the only score of the game. Danny Sullivan was the efficient defender who provided Welch with the ball.

The Frenship Tigers will play Morton here Friday night at 8 p.m.

Kyle Lynn Smith has been named Crosby County Extension agent, effective, Nob. 1. He fills the post vacated when former County Extension Agent Joe Ed Wise assumed the agent's position in Gaines County.

Bobby B. Jones, a native of Slaton who farms west of town, was named as the Outstanding Farmer of 1974 in the Slaton area at the 17th annual Farmer Merchant Barbecue last Tuesday night.

He farms 733 acres in Lubbock and Lynn counties. He and his wife, Mary Helen, have three children, and Jones is a member of the official board of Cooper United Methodist Church.

The first bale of cotton in Tahoka was brought in by Robert (Bones) Smith. The cotton was gathered at West Point off of 5 acres, Sept. 12, and was ginned Sept. 13, at Farmers Co-op Assn. No. 1.

Thursday, Oct. 3, the Southwestern Spotted Swine Breeders Association begins a show at 4 p.m. at the Swisher County Livestock Show Barn at Tulia. The sale is at 7 p.m. that evening.

Saturday, Oct. 12, is the date of the Texas Yorkshire Breeders state show which will start at 9 a.m. with the sale at 1 p.m. The event, featuring bred and open gilts and boars, will be at the Panhandle South Plains Fairgrounds in Lubbock.

Wolfforth Area News

The D.C. Foys had their niece and her family from Anson visit this past weekend. They were Mr. and Mrs. Billy DeBusk and their daughter Emily.

The O.D. Simons have been visited this week by two of their children and families. Charles Simons from Tyler visited last weekend. This week Dennis, Amy, Lisa, and Tracey from Hawaii are visiting. Mr. O.D. Simons has just recently come home from a hospital stay.

Due to rain last Sunday, Open House for the new First United Methodist Church parsonage was postponed for a week. It is now set for Sunday, Sept. 29 at 815 7th Street. The house will be open from 2 to 5 p.m. There will be a rescheduling if the weather stays bad.

Football Schedule

The 7th grade at Wolfforth will play Roosevelt there Tuesday at 5:30 p.m.

The 8th grade will play Roosevelt there Tuesday at 7 p.m. The Freshman team play Roosevelt here Thursday at 5:30 p.m.

The Junior Varsity plays Roosevelt here Thursday at 7 p.m.

"Slaughter A Steer Week"

"Slaughter a Steer Week" began in Lubbock with the presentation of a live steer to the Texas Tech Athletic Department by four Red Raider football fans.

The steer will be served to the Red Raiders at Texas Tech's athletic training table.

A proclamation of Sept. 23-28 as "Slaughter a Steer Week" by Lubbock Mayor Roy Bass was read by Pat Gooden, representing the mayor, during the presentation.

The steer was the gift of John Smith, owner of the Sirloin for Steaks Restaurant; Jerrell Price, owner of the Gridiron Restaurant; J.B. Hance, owner of the Pancake House; and Kenneth Odum, co-owner of Cecil's Package Store. All are members of the Red Raider Club and the Lubbock Restaurant Association.

But What For?

SPORTS

by Joe Kelly

If there's such a thing as a moral victory, there must also be such a thing as a moral defeat. New Mexico, Saturday night, scored the former. Texas Tech scored the latter.

Having been deprived of seeing Tech's opener, I looked forward to the Lobo game. I had high hopes of seeing a Raider eleven that acted and performed like a champion. Instead, I was unbelievably shocked by a team that was flatter than a rancher's cast iron stove top.

Outside of a defensive front line that performed exceptionally well, Tech didn't show me much that would make me go out and risk a bob or two on their beating Texas.

Six-count 'em—fumbles, destroyed any semblance of a consistent ground game. Untimely, nagging penalties, destroyed control. Lack of a passing attack added to the uncertainty. In short, it was a lackluster performance, totally unbecoming a contender.

Emotionally, the Lobos were fired up. They looked like the teams of Jim Carlen's first three years at Tech. On the other side of the coin, the Raiders looked completely uninspired. They gave the impression that here was a gem on the schedule. Period.

Of course, you can forgive the players. After all, they had destroyed this team, 41 - 7, last year. They had posted an 11 - 1 record last season. They had beaten Tennessee in the Gator Bowl. New Mexico? Let's get the game over and get ready for Texas.

Well, they got the game over, all right. But in the process, they lost considerable respect; and their lack of enthusiasm during the course of events casts doubt on their ability to make a run for the title.

A good team mentally prepares for any foe, good, bad or indifferent. Tech wasn't mentally ready Saturday and immaturity showed through. The enthusiasm for playing well, if it was there, was well disguised. A tie isn't as bad as a defeat, but a tie, when you have the ability to win, is no credit to your efforts.

The defensive line was impressive. For example, late in the game, New Mexico faced second and one near midfield. Two plays left the Lobos a foot short and they had to punt.

Indeed, three Tech backs each picked up more yardage than the entire corps of Lobo carriers. The Raider defensive line was superb. And the strong defensive end play on power sweeps was good, too. The defensive line received A plus.

The secondary was something else. Steve Myer picked the secondary apart. The only thing he couldn't do was complete the bomb on the fly pattern. But on hooks, curls and slant ins, he left Raider defenders looking like Ned in the first reader.

Out of 40 passes he had only one intercepted. He moved the Lobos against the clock like a veteran—and it was through the air, 55 yards worth, for the tying score. If New Mexico had it to do all over, the Lobos probably wouldn't have run a ground play.

Offensively, the Raider line blew the Lobos, most of the time, out of the way. It wasn't consistent, but it did win the war of no man's land. Larry Isaacs, Cliff Hoskins and Rufus Myers ran well, some of it on their own, but a lot of it with good blocking.

Through the air, Tech didn't exactly make anyone tremble with fear. The Raiders threw only nine times, apparently sure that good old ground power would win the day. It almost worked.

Tommy Duniven passed sparingly. His only pass in the first quarter was rubbed out by a penalty. Three second quarter passes resulted in one interception. One pass in the third quarter. Four passes in the final period, three of them after the Lobos had tied up the game.

Maybe the pass is Tech's secret weapon for Texas, but you can bet that Texas will throw after New Mexico's success. Anyway, the passing game was not an integral part of the Raider attack.

All in all, it was a disappointing performance and left a lot to be desired. One of the big accusations against Tech, and why it doesn't get consideration each year in the top 20 ratings, is that it is inconsistent. Saturday was a perfect example.

The fumbles, the penalties, the lack of enthusiasm shown, all can be attributed to mental attitude. The players weren't ready. The better teams GET ready. It's time Tech players do.

After a great (6-2) opening week, Saturday was a SWC disaster, except for Texas and A&M. The latter really brought credit to the league by beating LSU in Baton Rouge. SMU also won, although it was no impressive.

But Arkansas, Houston, Baylor, TCU and Rice lost and four of them were favored to win. So was Tech, and it gained a tie. A lot of coaches will be back at the drawing boards this week.

As much as a tie with a lesser opponent stings, it could work to Tech's advantage. The players learned something and probably will be easier to coach this week. And, if they didn't lose confidence, it could make the Raiders a better team. Also, it must have sent Texas coaches away shaking their heads, while gloating inwardly. Believe me, it will be a different team this Saturday than the one that played New Mexico. You better not miss it.

Cooper School News

F.H.A. News

The Cooper FHA Chapters are selling candy. Two kinds are being sold this year, Continental Almonds, whole roasted California almonds covered with milk chocolate for \$1.25 per box; and Chocolate Mints, a bouquet of mint and chocolate for \$1.50 per box. You must get your candy now because they won't be selling it much longer.

Fair Day

Monday was Fair Day at Cooper. School let out at 2:30 so everyone could go to the Panhandle South Plains Fair.

Freshman Football Spotlight

Don Taylor, age 15, is the son of James and Shirley Taylor. He has two sisters and one brother. His favorite color is red and his favorite food is steak. His favorite car is a 1974 Chevy pickup. He thinks the freshman team is the best ever. Don plays defensive end and offensive center on the freshman team.

We back Don and the freshman team all the way.

Thank You

Everyone would like to thank Mr. Williamson for a great job on the paper. For the ones who don't know him, he is the one who puts together the Suburban Today newspaper. He really does a great job, so everyone at Cooper wishes to thank him for the space he gives us each week.

by Martha Sport

Senior Spotlight

Sherry Hammond is one of the great students at Cooper. Every day during 6th period she goes out and helps the freshman girls in basketball. She is really doing a great job with the girls. Sherry is a senior and she plays guard on the varsity team. We would like to thank her for her great time and a great job with the girls.

Football Spotlight

David Childers, age 15, is the son of James L. Childers. His favorite color is red and black, his favorite food is hamburgers and his favorite car is a Trans Am. He thinks the football team is the best Cooper has had in years. Everyone has the spirit and wants to win.

Coaches Corner

Foy Graves, 39, has been at Cooper for 3 years. He thinks the football team this year is eager, loyal to the cause, easy to work with, unselfish, and they are having fun and that's what it's all about.

We at the newspaper staff back Coach Graves as they go on to have a winning streak this year.

Football

The Mighty Pirates defeated the Morton Indians 14 to 0 last Friday night. The Pirates first touchdown was in the 3rd quarter. Morton punted and No. 12 ran it all the way from the 10 yard line for the first touchdown. Then later in the game another touchdown was made for the Cooper Pirates, to make the victory. We expect the Pirates to beat Idalou during homecoming.

If you have anything you want to put in the paper, please contact Norma Williamson, Martha Sport, or Kathy Black. The girls will have the papers for sale Friday at school.

Bridal Shower for Christi Lupton

A bridal shower honoring Christi Lupton, bride elect of Lewis Christian, was held Tuesday evening, Sept. 17th in the Shallowater Community Club House.

Hostess gifts were an ice cream freezer, electric perculator, and measuring set. The bride's colors of blue and white were carried out in the decorations.

Hostesses were Mrs. Bill Brazell, Mrs. Bill Heinen, Mrs. Henry Krey, Mrs. Ed Lawson, Mrs. John M. Young, Mrs. Edmon Anderson, Mrs. Newman Lusk, Mrs. Clyde Reams, Mrs. Ruth Harper, Mrs. Lois Morris, Mrs. Doyle Mosbey, Mrs. Carey D. Gooch, Mrs. Louis McMenamy, Mrs. Mary Saville, Mrs. Leroy Grawunder, Mrs. Dennis Seymour, Mrs. L.L. Lindsey, and Mrs. Sam Evant.

Adult Education Classes Begin

Adult Basic Education classes will begin in Lubbock, Wolforth, Lorenzo, Post, Idalou, Morton, Muleshoe, Crosbyton, Slaton, and Southland with registration for Sept. 30 and Oct. 1.

Subjects going to be taught include reading, writing, arithmetic, English, and English speaking. Supplementary areas of instruction include occupational opportunities and requirements, health education, citizenship, government, home and family living, science, history, and literature.

The program is designed to improve a persons ability to get

Long Time Friends Visit with Elliots

Mr. and Mrs. Carl J. Latham visited in the home of Mr. and Mrs. Milton Eddliott Sunday and Monday.

The Latham's and the Elliott's met during World War II, serving together at Bryan Army Air Field from 1943 to 1945.

Although they have kept in touch over the years, this is the first opportunity they have had to visit.

Mr. Latham recently retired from the Air Force, completing over 30 years of military service.

They are returning to their home in Chandler, Arizona, and are catching up on some visiting enroute.

Rays of Hope

by Pat Stanton

I was walking through the fair earlier this week, and a young boy about twelve years of age handed me the following article. It was entitled **12 Things God Wants You To Know.**

1. God Loves You "For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life." (John 3:16) "But God commendeth his love toward us, in that, while we were yet sinners, Christ died for us." (Romans 5:8).

2. He Wants To Save You "For the Son of man is come to seek and save that which is lost." (Luke 19:10) "The Lord is not...willing that any should perish, but that all should come to repentance." (2 Peter 3:9).

3. You Need a Saviour "All we like sheep have gone astray: we have turned everyone to his own way; and the Lord hath laid on him the iniquity of us all." (Isa. 53:6). "For all have sinned, and come short of the glory of God." (Romans 3:23).

4. About Your Own Righteousness. "There is none righteous, no, not one." (Romans 3:10). "But we are all as an unclean thing, and all our righteousness are as filthy rags." (Isa. 64:6).

5. Sin Must Be Judged. "It is appointed unto men once to die, but after this the judgement." (Hebrews 9:27).

6. All Out of Christ Will Go To Hell. "The wicked shall be turned into hell, and all the nations that forget God." (Psalm 9:17) "But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolators, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death." (Rev. 21:8).

7. Jesus Is The Only Way. "Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me." (John 14:6). "Neither is there salvation in any other; for there is none other name under heaven given among men, whereby we must be saved." (Acts 4:12).

8. This Is True Because: He is the only mediator. "For there is one God, and one mediator between God and men, the man Christ Jesus." (1 Tim. 2:5).

9. We Are Saved By Grace. "For by grace are ye saved

through faith; and that not of yourselves; it is the gift of God; not of works, lest any man should boast." (Eph. 2:8,9).

10. God Can Save Us In This Way Because "Christ died for our sins according to the scriptures" (1 Cor. 15:3).

11. We Cannot Be Saved By Our Works "Not by works of righteousness which we have done, but according to his mercy he saved us, by the washing of regeneration and renewing of the Holy Ghost." (Titus 3:5).

12. We Are Saved By the Living Christ. "In Him was life; and the life was the light of men. But as many as received Him, to them gave he power to become the sons of God, even to them that believe on His name." (John 1:4,12).

This article states in a very simple way what every man needs to know and experience. If you have never asked Jesus Christ to forgive your sin and come into your life, humbly bow before him and pray this prayer. Jesus Christ, I accept you as the Lord of my life. Cleanse my heart and forgive my sin. I now thank you that you have come into my life by the Spirit and I am a new creation.

New Deal Lions Waterlog Shallowater

The New Deal Lions squeezed by the Shallowater Mustangs last Friday night in New Deal by the score of 20-18.

With rain falling when the game started and with rain falling the entire game, Shallowater got the scoring underway with a 3 yard run by Bobby Reeves. The point after failed. Then New Deal scored when their AB scored and the extra point was good, making the score 7-6 in favor of New Deal.

Then Shallowater scored again when a pass from Bobby Reeves to Don L. Grimes reached paydirt, again the PAT failed.

New Deal's QB then raced to the end zone for the next score, the PAT fell short, leaving the score 13-12 in New Deal's favor.

With time running out, New Deal's HB took the ball and ran 70

yards while the first half buzzer was sounding. The PAT kick was good, and the team went into the dressing rooms, with New Deal leading 20-12.

There was no scoring in the second half until the 4th quarter when Jon Gates blasted 6 yards. The try for extra points failed. The game ended with New Deal on top 20-18.

Shallowater was led on defense by Don L. Grimes with 17 tackles, defense by the running of Jon Gates, passing of Bobby Reeves and the catching of Don L. Grimes.

The Shallowater Mustangs will meet the Hale Center Owls next Friday night in Todd Field at 8 p.m. The Owls are in the top ten rating in Class A in the state. Come out and support the Mustangs.

Introducing Mrs. Judy Peschel

by Alex Grice

Mrs. Judy Peschel was born in Kirksville, Missouri, on April 14, 1951. She moved to Texas when she was three and graduated from Seguin High School in 1969. From there she went to Texas Woman's University in Denton. After one year, she transferred to Texas Lutheran College in Seguin, and graduated in 1973 with a BA in Government and History.

She taught 8th grade American History last year at Lamar Consolidated in Rosenberg, Texas. Judy was married June 29, 1974 to Dwight Peschel, a third year law student at Texas Tech's Law school.

Mrs. Peschel says, "I feel fortunate to teach at Shallowater. I have met some very good people, very friendly, and fun. On top of all that, there is that great Mustang spirit."

Judy's plans for the future right now are "just taking it day by day."

Pony Band Elects Officers

The president of the junior high band this year is Andy Blackmon. He is assisted by Rodney Jackson as vice president. Clay Lusk holds the reporter office. The 8th grade representatives are David Coker and Connie McCollum. The 7th grade representatives are La Donna Pair and Randy Middlebrook.

Student Council Meets Wednesday

by Caran Conner

Wednesday, September 18, during lunch, the Student Council met. The first thing discussed was using a portion of the bulletin board in the hall to put up high school activities and awards. It was voted on and passed.

They discussed the workshop to be held here and different dates. Mr. McCasland is to meet with different principals to set up the meeting.

Next line of business was to see how people felt about using the gym during lunch either just in bad weather or all the time. It was not voted on because Student Council members are to see how students feel about the idea.

Football Spotlight

by Alex Grice

This week in the gridiron guidance column two more seniors are featured. One Jerry Harrison, and the other Malcom Terry.

Jerry Harrison is a fine offensive and defensive player. At 5 ft. 10 in. and 145 pounds, Jerry mans the nose guard position on defense. Needless to say, with Jerry's size and quickness, he gives the centers all the trouble they want. He also plays left end on offense. Jerry does a very respectable job at catching passes, also.

Malcom Terry is one of the right offensive halfbacks. He does an extremely good job, and blends in well with the running attack. Malcom also posts the right defensive halfback position. He has picked off a pass in previous games. The Mustangs are now 1-2 after an ultra close game with New Deal.

Varsity Game Viewed by Player

by Charles Krebs

Our game against New Deal was one filled with disappointments. From my viewpoint we actually beat ourselves. When we desperately needed a first down we fell short, and when we needed to stop their drive we fell short. Of course the game conditions were poor, but it rained on both teams. Through this loss we learned quite a bit though. Probably the most important thing we learned was to play as a team. We didn't win, but I think we became closer as a unit. With this unity maybe we will hand Hale Center a loss this Friday.

Last Chance

by Cynthia Coffelt, Jeff Vaughn

This week is your last chance to buy a calendar or a listing from a senior. The sales have been underway for approximately two weeks and in order for the company to have the calendars printed and returned by January 1, we must have them in by the middle of next week.

We hope that we have not passed over anyone during this time, but if we have, please feel free to contact any senior. Your participation is greatly appreciated.

Pony Football

by Andy Blackmon

New Deal came to Shallowater Thursday night. Our 7th grade boys won their second game of the season with a score of 8-6.

In the 7th grade game, New Deal scored first but the extra points failed. Pete Alvarado caught a pass from Neal Luck for the score. The two point conversion was good.

New Deal started the 8th grade scoring and the extra points were made. Steve Waller scored the only touchdown for Shallowater, but the extra points failed. The eighth grade boys never could get it together. The final score was New Deal 30 and Shallowater 6.

Senior Spotlight

by Caran Conner

This week's featured senior is Mike Beckham. Mike was born in 1955 on the 26th day of October in Germany. Mike started his Shallowater school days his freshman year.

He is a member of Shallowater First Baptist Church and the Youth Choir. Playing the drums is his place in the Mustang Band.

Mike is president of Deca (a new club this year) and as a part of DE, he works at White's Warehouse.

He hopes to attend South Plains College and take law enforcement, and later attend the Police Academy in Austin.

Shallowater High Twirlers

by Anita Alvarado

This year's twirlers are left to right: Christi Evans, Geniese Grawunder, Kim Myers, and Sherry Stence. These girls have worked extra hard this summer and have tried their best and are doing a good job.

Geniese Grawunder is a junior and this is her third year as a twirler. Geniese is the junior class treasurer and she is also first vice president of FHA. She is the daughter of Mr. and Mrs. Leroy Grawunder.

Kim Myers is a sophomore. Kim

is one of the parliamentarians of FHA and this is her second year as twirler. Kim is the daughter of Mr. and Mrs. Jim Myers.

Sherry Stence is also a sophomore and a member of FHA. This is Sherry's second year. She is the daughter of Mr. and Mrs. Robert Stence.

Last but not least is our freshman, Christi Evans. Christi is a member of FHA and FTA. This is her first year as twirler. She is the daughter of Mr. and Mrs. Roger Evans.

They all hope to have a good year.

SOS Report

The SOS officers, representatives, and cheerleaders met Tuesday, September 17, 1974, to plan the weeks activities. During football season plans were made to meet each Tuesday at lunch to handle all business.

This week a special thanks to the senior class for the unique "Run Through", to the juniors for helping with the locker decorations, hall decorations, and selling ribbons; to the sophomores for their beautiful signs and to the freshmen for their skit entitled

"Let's Make A Deal". The freshman class did an excellent job and many girls participated.

During the pep rally on Friday, Ann Boone received the Spirit Stick and Spirit Ribbons in recognition for her school spirit, interest, and contributions for the week.

FHA News

Caran Conner, Diana Perser, Claudette Lamb, and Chris McCain met to plan the float for the Lions Festival Parade. This committee started the ball rolling but will need much help from all F.H.A. members. Working times will be announced.

Several F.H.A. girls entered items in the fair. Caran Conner, Margie Barron, Deborah Penny, Sandra Taylor, and Debbie Harrison brought items. Plans are being made for more girls to participate next year.

Annual Staff

by Charles Krebs

The annual staff for the Shallowater Mustangs is full of talent this year. There are six seniors: Jean Shipp, editor; Jerry Harrison, co-photographer; Donna Harding, Don Grimes, Grace Lupton and Shirley Hayslip, photographer; and of course, there are the talented juniors. They are Jeanye Hunter, Kathy Roberts, Carol Shropshire, Terry Martin and Gereé Green.

To collect money for the annual, the staff has sold mums and streamers. They would like to thank everyone that bought a mum. To collect more money, the entire staff is selling ads for the annual.

The staff will sell ads to anyone. If they don't contact you, feel free to talk to them.

Junior Varsity Football News

by Chet Webb

The Shallowater JV team played a terrific game Thursday night. We played New Deal and beat them 24 to 8. Both teams were hitting hard.

The first touchdown was made by Frank Cuevas when Jesse Longaria connected him with a pass and Cuevas ran 17 yards for the TD. Billy Glenn ran the extra point and made the score 8 to 0 in the early second quarter. Later they scored and made their extra point. In the beginning of the 3rd quarter, we scored a safety which made the score 10 to 8. In the middle of the third quarter Chet Webb scored from the 36 yard line. During the 4th quarter, Lloyd Price blocked a punt which was recovered by Ricky Hawkins and set up a touchdown. Chet Webb scored on a reverse and carried the ball 23 yards.

The JV defense sacked the AB eight times, behind the line. Two passes were also deflected. New Deal got 6 first downs and the Mustangs got 13. The entire JV played a hard hitting game. Let's get Hale Center.

Recognition

by Janie Serna

Clean halls and classrooms signify the work of several people. However, this week, recognition is in order for one of the school's custodians, Mrs. Menton. We all know who she is but sometimes we fail to recognize her for all the work that she does. It's quite a bit of hard work and we should deeply appreciate her.

Mrs. Menton never loses her warm smile and she is the same type of person with everyone. Her smile is probably what carries her through the entire day.

She tries her best in order to achieve the cleanest work possible. Mrs. Menton never complains about "how dirty kids get the halls", rather she smiles and does her work.

We would like to thank everyone connected with the janitorial work at school, but this week recognition was in order for our dear Mrs. Menton.
