Gina Conner and Cathryn Conner at First National Bank Open House

Quitauque Turns Out For First National Bank's 70th Anniversary

A steady stream of visitors attended the Open House celebration at the First National Bank on August 2, when the bank observed its 70th anniversary.

Over 250 visitors were present for the occasion, and there were a number of interesting displays for those who attended.

In the center of the bank were several large scrapbooks which had been compiled since the bank's 40th anniversary on August 2, 1960. The scrapbooks were filled with photographs, newspaper clippings and other interesting items that centered on local history from days-gone-by.

The old Boston ledger that was used by the bank in 1920 was also on display, and the ledger was opened to show the transactions on the bank's first day of business.

An old posting machine and wooden stool also attracted a lot of attention, as did a display of large bills furnished by one of the bank's customers.

It was a rare opportunity for people to see and examine a genuine \$10,000 bill, and there were three other bills in small denominations for visitors to examine. These were for \$5,000, \$1,000 and \$500.

A number of prizes were distributed during the day. Each guest who registered received a coin purse with a shiny 1990 quarter inside, and some of the quarters were lucky winners.

Among those who won prizes were Susan Ramsy and Johnny Monk with personalized checks;

Jo and Joe Edd Smith, Randi Brooke Powell and Pam Harmon with safety deposit boxes; Jan Ramsey and Gina Conner each won a \$50 savings bond, and Bill Curry took the top prize with a jar filled with \$70 in uncirculated 1990 quarters.

300 Register At Homecoming

Three hundred people registered at the Quitauque Community Center on Saturday morning for the 1990 Quitauque homecoming.

A noon meal was catered by Roye Pigg of the Sportsman Restaurant to 400 local residents and ex's coming back to visit.

A business meeting was held at 1:30 in the Methodist Church

with Karol Pigg presiding in the absence of Warren Lee Merrell.

A new slate of officers was presented: president: Karol Pigg; vice president: Kay Calvert; secretary: Lyn Payne; treasurer: Janelle Smith; reporter: Rhonda Cockran; advisors: Warren Lee Merrell, Jarrell Rice, Butch Hamilton and Johnnie Morrison.

98th Birthday Celebration Planned For Briscoe County

Briscoe County will be celebrating their 98th birthday on August 10-11. Special events have been planned also for August 8-9.

Wednesday a county roping will take place around 8 p.m. Buckles will be awarded to winners. Thursday the highlight of the day will be the merchants

roping. These events will be taking place at Wood Memorial Arena.

Friday night at 8 the Rodeo begins. It is sponsored by the Briscoe County Activities Association. Stock will be furnished by Hext Rodeo Company of Canadian, Texas. A rodeo dance will take place on Friday and Saturday nights at the County show barn from 9 p.m.-1 a.m.

Music for the dance will be Blake Kitchens and the Lonesome Doves. The dance is sponsored by The Silvertown Fire Department and The Briscoe County Activities Association.

Saturday a full day of events is planned for residents of Briscoe County and anyone else who wishes to take part. A craft community bazaar is planned for all day on the courthouse square. A parade is scheduled for 3 p.m. Trophies will be given to the best in each category in the parade.

Water Polo is also on the agenda for the afternoon. A bar-

German Group Tours Quitauque

While Quitauque had on her best bib and tucker, visitors from across the waters came to see her. Thursday morning a group from Germany who is touring the country made Main Street with their cameras to take pictures of Quitauque for a 25 minute T V documentary.

The group began their tour in New York City. They have visited Washington D.C., Nashville, Memphis, and Dallas, to name a few well known cities. All along the way they have stopped and taken pictures of any of the towns that caught their eye. Quitauque was one such town.

According to Mr. Murray Sestak from Australia, "The window displays were very unique from anything that we have seen and the townspeople are so friendly."

They have been on their tour for about four weeks and are traveling by motorcycle, but have motor homes accompanying them. They had spent Wednesday night in the Caprock Canyons State Park. "A beauti-

Shadi Mullin Contestant At 6-Man Coaches Clinic

Shadi Mullin represented Valley High School at the 6-man Coaches Clinic in Stephenville, Texas, July 19-21.

Contestants enjoyed numerous events one of which was a Chamber of Commerce sponsored picnic and dance Thursday evening for all Queen contestants, all-star players, coaches, families and parents.

Shadi and 23 other queen contestants enjoyed a get acquainted party on Friday afternoon and Friday night were judged during their presentation at half-time of the Boys All-Star Basketball game.

Saturday morning each girl was interviewed and then attended a brunch at the famous Oxbford House of Stephenville. Saturday afternoon each girl was introduced during half-time of the Girls' All-Star Basketball game in which Gina Conner participated and represented Valley well.

The winner was announced Saturday night during half-time

of the Boys 6-Man All-Star Football game. Valerie Mackey from Blanket, Texas, was crowned queen and received a \$500 scholarship to Tarleton State University.

Valley Student To Represent Turkey Lions

Shadi Mullin, 17 year-old daughter of Ronald and Ginger Mullin will compete for District Lions' Club Queen later in the year. She has already been named Turkey Lions Club queen.

A Valley High school varsity cheerleader for three years she has also participated in basketball for 3 years, FHA 3 years, FFA 2 years, annual staff 2 years, class officer 2 years, and is active in church and the community.

Shadi's future plans are to go into Medical Technology.

Turkey First Baptist Schedules Revival

The First Baptist Church in Turkey, Texas will be having a revival August 13-17. Services will begin at 7:30 p.m.

On Sunday August 19, regular church services will be held at 11 a.m. Following there will be a fellowship lunch.

Sunday evening services will begin at 5 p.m. with a singing. Regular church services will be held at 6 p.m.

Brother Leo Day Jr. of Spur First Baptist Church will be leading the singing for the revival.

Brother Melvin Clinton, pastor of the First Baptist Church in Turkey, Texas encourages everyone to come out and join them for these meetings.

Brunson Named To Committee

The Board of Directors for the Panhandle Regional Planning Commission, during its regular monthly meeting on July 26, 1990, approved appointments to the Panhandle Regional Solid Waste Advisory Committee. David Brunson, City Secretary for the City of Quitauque, was among those appointed to this committee.

This 26 member committee will be assigned the task of developing a Regional Solid Waste Management Plan for the Texas Panhandle following guidelines set forth by the Texas Department of Health.

City Of Quitauque Election Scheduled For August 11

The City of Quitauque will be conducting an election on Saturday, August 11, 1990, at the Community Center to vote on two Sales Tax propositions.

Proposition one is for the adoption of an additional one-half of one percent sales and use tax within the City to be used to reduce the property tax.

This sales and use tax is designed specifically to reduce property taxes. If this proposition is passed the City will reduce its effective and rollback tax rates to offset the expected sales tax revenue.

Proposition two is for the

adoption of an additional one-half of one percent sales and use tax within the City to be used for economic development.

The revenue from this tax will be controlled by a five-member board, appointed by the City Council, and can only be used for economic development.

Be sure to get out Saturday and cast your vote on these important issues.

HELP CELEBRATE BRISCOE'S 98th!

THEN NOW

by Eunice McFall

Well, one more homecoming is behind Quitauque. A great time was had by all. The weather even cooperated by giving us a nice shower on the freshly groomed town, making it call for the get-together in the park. It is so good to take time out of our busy, busy lives to just enjoy old friends occasionally. Especially when we live so far from each other that it takes a very special occasion to put us together. I heard lots of "Do you remember?" "Wonder where he is now." "Do you ever..." "Oh yes, I saw or talked to..." Perhaps our small towns can't offer as much excitement as the big cities but we can offer lots of caring and friendship. This is up to each one of us. It may be different, there will be changes, some good, some bad, but I believe this weekend proved - You can go home again!

Homecoming articles are incomplete. They will be published in the August 16 issue.

Obituaries

Paul H. Brummett

Graveside services for Paul H. Brummett were held Monday, July 16, 1990 at 10 a.m. at the Holy Cross Cemetery in Phoenix, Arizona. Officiating minister was Reverend Diego Moreno.

Mr. Brummett died July 14, 1990 in Phoenix.

Survivors include his wife, Bonnie Brummett of Phoenix; two sisters, Juanita Whittington, Velmont, California and Marie Roherson of Idalou, Texas; one brother, Allen Brummett of Quitaque; and a nephew, Wayne Whittington.

Wayne, Dee and Lina Whittington attended the services.

In 1875, a group of German archaeologists discovered the ruins of the original Olympic stadium in Greece.

Two 4-H record books from Briscoe County will be entered in state judging in late August as a result of winning first place in the district record book judging July 26 in Lubbock.

Christa Tucker, daughter of Garner and Dorcas Garrison, entered the sheep record book that took first place in the senior category. Ashleigh Wyatt, daughter of John and Gail Wyatt, entered the winning clothing record book. Only first place record books in the senior division are eligible for state judging. State winners earn a trip to National 4-H Congress in Chicago provided by the corporate sponsor of each project area.

Josh Brooks' agriculture record book was awarded second place and Cecilia Castillo's food and nutrition record book received third place. Langdon Reagan received a recognition award for his beef cattle book.

Junior record books receive either blue or red ribbons. Junior record books were entered by the following: Jeremiah Brooks, agriculture; Jarrett Pigg, agriculture; Shannon Weaver, clothing; Marshall McCammon, conservation of natural resources; Lindsey Jennings, fashion revue; Brandon Sarchet, food and nutrition; Donny Burson, horse; Kimmie Blazier, horse; Molly Brooks, poultry; Michael Reagan, public speaking; Trey Wyatt, sheep; and Will Hester, swine.

Medals will be awarded at the County 4-H Achievement Banquet in the fall to the 17 who completed record books.

Highways Public Meeting Upcoming In Amarillo

The Texas State Department of Highways and Public Transportation held a public meeting in Amarillo Wednesday, July 25. Community representatives from some twenty Panhandle cities met in the auditorium at the First National Bank to express their thoughts on the newly proposed pleasure driving routes to be designated on the Texas State Highway System. A series of automobile pleasure-driving routes will be designed for the purpose of attracting tourism traffic through and to areas of interest throughout the state. According to the Highway Department, these routes will be marked and advertised to direct persons to "areas of significant and superior scenic, historical, recreational or cultural aspects of interest to Texans and to visitors from out of state, thereby contributing to the Texas visitor industry, to rural economic development, and to enhance fulfillment of visitor experiences in Texas."

This meeting in Amarillo was the last in a series of ten such gatherings which have been held throughout the State. Guidelines will now be drawn up for the formal route selective process. This will include nominations, evaluation, and selection of the routes to be designated. State agency responsibilities will be determined along with local responsibilities. "Continuing, vigorous local support and promotion" is seen as a key to the success of the project. This would include local efforts in publicity, interpretive literature, local interpretive signs, the staging of local events, training programs for local citizens on the routes, route maintenance programs, and the development of local product and souvenir markets. A delegation from Briscoe County

attended the meeting in Amarillo and proposed the designation of "The Caprock Canyons Trail." John Francis, president of the Briscoe County Task Force, Russell Sargent, superintendent of Caprock Canyons State Park and Steve Ulrey, president of the Quitaque Chamber of Commerce outlined the route for those in attendance. The Briscoe County group supports the designation of numerous "loop trails" over the state which could be loosely connected so as to give travelers options on distance traveled, time expended and the type of attractions to be experienced.

The Caprock Canyons Trail would run from Claude down state route 207, across Palo Duro Canyon, and Tule Canyon to Highway 86. Then through Silvertown to Quitaque and Caprock Canyons State Park, on to Turkey and connect with highway 70 for the drive up to Clarendon and back to Claude. Briscoe County and the Quitaque Chamber are already promoting most of this route as a scenic, cultural experience for travelers going to and from Amarillo.

1990 Property Tax Rates in City of Turkey

This notice concerns 1990 property tax rates for City of Turkey. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Last year's tax rate:	
Last year's operating taxes	\$ 36,614.83
+ Last year's debt taxes	\$ -0-
= Last year's total taxes	\$ 36,614.83

LINES FROM LYNDA

HATS OFF TO PARENTS'

Parents, you are the most important people in your child's life! You are their first teacher. You can most effectively build up or tear down their self-esteem. You are the ones from whom your child should know that he/she can receive unconditional love--no matter how "bad" or "good" they may behave.

Your child should feel that you will always be there for him no matter what. Have you ever thought how it would feel to be a child who is unsure about whether his parents will come home, or if they have an argument whether they will walk out on him? Parents are the only real stability a child has. If he feels this stability is threatened, it is a frightening feeling. So, you see, you are your child's rock of safety, security and support. You shape their values, their thinking, and their ways of relating to others.

In my work with the 4-H program, I see that the kids who get the most from their 4-H experiences are those whose parents are beside them leading and guiding them--not behind them pushing nor ahead of them dragging them. Kids need encouragement and occasionally some prodding to help them try new experiences and to see some possible long-term benefits of choices they make when they are young.

Naturally, I believe in 4-H and it's benefit to a child and his family. But it is, as we say, a "family affair." Few boys and girls have the motiva-

tion to attempt many of the projects and activities without their parents' support and encouragement.

Four -H recordbooks cannot be done without some help from an adult. Clothing and foods projects need assistance, usually from moms. Parents must provide transportation to care for pigs, sheep, cattle and horses.

Money and transportation from parents helps kids get to camps, contests, and activities. Parents make posters and help write method demonstrations. Parents come to their child's contests and activities and cheer for them and say, "I'm proud of you for trying" even if the child doesn't always win a blue ribbon.

I was thrilled with the attendance of the parents and some grandparents at our 4-H Family Fun Fest Friday night. Sure, the parents who came could have been home watching T.V., doing laundry or farming, but they chose to come and watch their kids have fun. We wanted parents to see some of the more serious aspects of 4-H camp-type activities like the patriotic flag ceremony and the inspirational vespers service. We hope you are glad you took the time. Parents are always welcome at all 4-H functions.

Hats off to the parents who support their kids and their activities! You will make a positive difference in their lives!

Ten 4-H members represented Briscoe County at the South Plains District 4-H Fashion show July 24, on the Lubbock Christian University campus along with winners from the other 19 counties in the district.

Lindsey Jennings, daughter of Juannah Jennings, placed second in the junior I casual division and also received the cotton award for her category.

Ashleigh Wyatt, daughter of John and Gail Wyatt, placed third and received the cotton award in the senior active sports buying division.

Also receiving third place in their respective divisions were Molly Brooks, daughter of Bill and Janine Brooks, in junior I specialty wear; Briana Sperry, daughter of Terry and Jackie Sperry, junior II buying; and Celeste Sperry, daughter of Terry and Jackie Sperry, senior nontailored daywear buying.

Also participating in the contest were Shannon Weaver, daughter of Max and Sheryl Weaver, in junior II casual; Lindsey Weaks and Leslee Weaks, daughters of Gary and Cathy Weaks, in junior I dressy and junior II sports, respectively; Carrie Baird, daughter of Carl and Vici Baird, junior II specialty; and Cecilia Castillo, daughter of Joe and Maria Castillo, senior nontailored day wear.

Representing the District 4-H Council, Celeste Sperry led the 4-H pledge and Ashleigh Wyatt gave the 4-H prayer to open the awards program in the LCU Moody auditorium.

Julie Towe, daughter of Jay and Patsy Towe, was recognized as the 50th recipient of the Aubrey W. Russell 4-H scholarship sponsored by Extension Homemakers Clubs in the district.

Attending the district event in addition to the contestants were Juannah Jennings, John, Gail, and Trey Wyatt, Zelma Mayfield, Jackie Sperry, Sheryl Weaver, Cathy Weaks, Vici Baird, Patsy and Julie Towe, and County Extension agent Lynda Fogerson.

There are two novels buried in the 1939 New York World's Fair time capsule: Margaret Mitchell's *Gone with the Wind*, and *Arrowsmith* by Sinclair Lewis.

Last week Annetta Helms received a phone call from Joe Nall of Amarillo wanting her to meet him at the bank reception. They had gone to school at Lockney together and graduated in 1927. Over the years they had not had the opportunity to see each other again. She brought her group graduation picture and he brought address of old friends. He recognized her as she walked in.

German Group Tours Quitaque Park Outing Great Success

Continued From Page 1
 "A rainy afternoon failed to put a damper on the hamburger cook-out and ice cream supper that the local Lion's Club and We The Women sponsored for the kick-off of the 1990 Quitaque Home-coming. Many local residents met relatives and friends at the park for a good meal and a good time. Lots of visiting was done by people from as far away as Rhode Island, Ft. Worth, Dallas, and Washington. All enjoyed being brought up to date on old friends' happenings. Music was furnished by Cliff and Joy Stodghill, Jimmy Burson, John and May Belle Francis of Silverton, and Bennie Brown of Quitaque. Approximately 275 people were served.

Members of this group were Claus Bertling, Robert Bauer, Astrid Nevdecker, Manfred Ostner, and Julia Ostner of Germany; Franz Lindner of Austria; and Mr. Sestak.

Replacing your old air conditioner could actually save you money!

... when you replace it with an energy efficient add-on electric heat pump.

You'll save on energy bills because an all-season heat pump provides economical comfort year-round. In summer, it cools like a central air conditioner then in winter, works in conjunction with your present furnace to heat your home.

***Plus — receive a \$500 cash rebate from WTU when you replace your old energy hungry air conditioner with an add-on heat pump. Ask WTU for details.**

For more information on the add-on heat pump, contact your cooling and heating contractor or West Texas Utilities.

Get The Most Out Of African Violets

Q. Help! My African Violet won't bloom. Did I get the wrong kind?

A. There are a hundred varieties of African Violets, but they all need the same thing—great care. This lush, dark green, fuzzy plant with its flowers ranging from violet to

white to pink is America's most popular plant. It can also be the most frustrating. The two reasons most people have trouble getting an African Violet to bloom is that they're not giving the plant enough light or they're not giving it enough food. A few drops of Liquid Miracle-Gro makes an excellent African Violet food. Feed the plant from January to October and then let it rest for two months.

Notice of Effective Tax Rate (for use by most taxing units)

1990 Property Tax Rates in City of Quitaque	
<i>(This notice concerns 1990 property tax rates for the City of Quitaque. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.)</i>	
Last year's tax rate:	\$ 39,559
Last year's operating taxes	\$ —
+ Last year's debt taxes	\$ 39,559.91
= Last year's total taxes	\$ 39,559.91
+ Last year's tax base	\$ 9,132,020
= Last year's total tax rate	\$.4332 /\$100
This year's effective tax rate:	
Last year's adjusted taxes (after subtracting taxes on lost property)	\$ 39,559.91
+ This year's adjusted tax base (after subtracting value of new property)	\$ 8,815,430
= This year's effective tax rate	\$.44875 /\$100
<i>(In the first year a city or county collects the additional sales tax it must insert the following lines unless it made its first adjustment last year:)</i>

SCHEDULE A: Unencumbered Fund Balances

The following balances will probably be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

Type of Property Tax Fund	Balance
General Fund	\$138.00

SCHEDULE B: 1990 Debt Service

The unit plans to pay the following amounts for long-term debts that are secured by property taxes. These amounts will be paid from property tax revenues (or additional sales tax revenues, if applicable).

Description of Debt	Principal or Contract Payment to be Paid	Interest to be Paid	Other Amounts to be Paid	Total Payment
Total required for 1990 debt service		\$ —		
- Amount (if any) paid from funds listed in Schedule A		\$ —		
- Excess collectible last year		\$ —		
+ Total to be paid from taxes in 1990		\$ —		
+ Amount added in anticipation that the unit will collect only ___% of its taxes in 1990		\$ —		
+ Total Debt Service Levy		\$ —		

SCHEDULE C: Expected Revenue from Additional Sales Tax

(For counties and cities with additional ½ cent sales tax)

In calculating its effective and rollback tax rates, the unit estimated that it will receive \$ ___ S/A in additional sales and use tax revenues.

This notice contains a summary of actual effective and rollback tax rate calculations. You can inspect a copy of the full calculations at Bliss County Appraisal District.

Sarpalius Recommends Look At Energy Policy

AMARILLO—Standing in front of an abandoned oil and gas production plant in Amarillo, Congressman Bill Sarpalius said military action in the Middle East between Iraq and Kuwait is a perfect example of why it is imperative that the United States create an aggressive energy policy, one that encourages and enhances domestic production.

Congressman Sarpalius is recommending that Congress take a long hard look at U.S. energy policy and begin taking the initiative to encourage drilling and exploration of oil and gas in this country.

Mex. Mr. and Mrs. Mel Carter and Melanie of Lubbock were also here for the week-end with his parents. Melisa returned home with her parents and Melanie.

Larry Tyler of Dalhart came home for the homecoming week-end. Also visiting his parents were his sister Gail Simmons and children, Amanda and Slater will be remaining for a longer visit. Thursday of last week, Dale Bradley and Dwight Blair of Lubbock visited in the Tyler home.
