## Open House Hosted By WTU

West Texas Utilities will be having Open House Thursday, October 28, 1993. The Open House will be held from 10 a.m. until 2 p.m. at the WTU local office in Quitaque.

Area customers are asked to attend so that WTU can show their appreciation to them on this date.

Keith Edwards, WTU Area Manager states, "We are proud to be a part of the Turkey and Quitaque communities. You are not only our customers but also our friends and neighbors."

Stop by to visit with the WTU employees and enjoy some refreshment.

## Fifth Quarter Big Success

by Ann Coker

The First Baptist Church and the United Methodist Church of Turkey were co-hosts to the Fifth Quarter last Friday night following the Valley-Patton Springs football game. The Fifth Quarter was held at the Methodist Church this year. Fifth Quarter is held each Friday night following a Valley home game at one of the churches in either Turkey or Quitaque.

The Valley students and supporters were served Frito chili pie, hot dogs, iced tea and cookies. Approximately 60 attended.

Those helping set-up for the evening prior to kick-off time were Mary Loury, Jackie Jenkins, Bettie Green and Ann Coker.

Church members who attended the Fifth Quarter to assist in the serving were Rev. Melvin and Guyrette Clinton, Rev. Carlton and Waldeen Thomson, Bettie Green, Maurice Fuston and Margie Bell.

## THEN and NOW!

by Eunice McFall

Quitaque had a beautiful day for the Foliage Tour and the Tour of Homes last Saturday. The town was filled with visitors from far and near. Some began the day with rolls and coffee with the Caprock Public Library Friends and then took a tour of the beautiful fall scenery before going to the Community Center for lunch with the Chamber of Commerce and then going on the Home Tours, sponsored by We The Women. Others began the day with helping out at the Red Ribbon Celebration Kick Off. Others did not participate but were on the side lines watching the children perform. It seems almost everyone in town had a job to do on Saturday and they did an excellent job of carrying through with it.

Several people from out of town told me if we had a day next year with the same format that they would be here to enjoy it again. Many commented that their home towns could use some of Quitaque's initiative. I have also been told that the State Park had a very busy weekend. Lots of visitors on Saturday came for the foliage tour and also toured the State Park. I heard many comments on the festive look that the ladies had achieved in decorating the town. Of course it goes without saying that the fellows helped the ladies get the feed, pumpkins and scarecrows gathered and set. Our hats are off to all who had a hand in making Saturday a successful day!

Next Tuesday is time to go and voice our convictions on the new amendments that the law makers in Austin have put before us. Everyone needs to go to the voting box and have their say on how they feel about the changes the law makers want us to accept.

It matters not how everyone else is voting. The important thing is for you to get out and have your say. The only way we can do this with any clout is to vote our convictions. The polls are open from 7 a.m. until 7 p.m. so surely in that 12 hours you can find a few minutes to drop by either the Community Center or City Hall and cast your vote!

This week end will bring another change to our lives for the coming winter. It is time to fall back and change those clocks back to Central Standard time for the winter months. If you forget to run your clock back on Saturday night you will probably be late for church on Sunday morning. So if you wish to be on time better change the old clock on Saturday at bedtime.

Remember these three important things to do in the coming week--change our clocks on Saturday night, watch out when driving Saturday night for the little trick or treaters and get out and vote on Tuesday.

Texas quail hunters should have a good season for the second consecutive year. Season is from October 30, 1993, to February 27, 1994.

## Texas Faces Good Quail Year

Although most of Texas has been in a drought since summer, a mild, wet winter and plenty of spring rains produced good nesting and brooding habitat for quail, which should enable hunters to have good quail hunting for the second consecutive year.

Last year, Texas had its best quail hatch since 1987. A quail harvest of 1.9 million also was the best since 1987.

The statewide season runs from October 30-February 27. The daily bag limit is 15, 45 in possession. Legal shooting hours for all non-migratory game birds are one-half hour before sunrise to one-half hour after sunset. The bag limit is the maximum number that may be killed during the legal shooting hours in one day. The possession limit is the maximum number that may be in one person's possession at any time, after the first day. On the first day of any open season the possession limit is the same as the daily bag limit.

Turkey residents will vote at the Bob Wills Cafeteria in Turkey, November 2, 1993.

## Many Enjoy 1993 Fall Celebration Saturday

Quitaque had quite an exciting day on Saturday, October 23, 1993. Every street light of the business district has a different scarecrow flying from the poles. Pumpkins, gourds, hay and all of the produce that comes to harvest in the fall adorn the streets of Quitaque. The ladies were very creative with the harvest fruits that they used to decorate the town for the Foliage Tour and the Tour of Homes. Nature even cooperated by having a beautiful fall day for the festivities.

The streets of town were filled with visitors to our fair city. A few were local residents on their way to do the jobs that they had agreed to do for the Chamber of Commerce on Saturday but most of the cars in town and the people on main street looking at the Sidewalk Museum and the autumn decorations were visitors from the surrounding area who were here to take advantage of all the happenings in Quitaque for the day.

The Foliage Tour began at 8 a.m. and continued until dark. One hundred and thirteen seats were available for each tour. It was reported that around 225 people took the tour to view the spectacular foliage of the Caprock Canyons Trailway. One lady stated that she saw more deer and turkey than she thought was in this area.

The Chamber of Commerce reported to have fed 144 for lunch. The soups, salads and desserts were very attractively served and very tasty. Members of the community pitched in to help make this event a very successful one for the Chamber. The Chamber does a lot of work to promote business for Quitaque. Therefore it is great to see the town folk returning the favor by helping to make the Chamber's projects successful.

The ladies report that they had between 175 and 200 tour the homes of J. T. and Johnnie Rogers, Amy and Scotty Stark, Patsy and Ross Herrington and the Quitaque Quail Lodge. A percentage of the funds raised were presented to the Chamber by We The Women.

Caprock Public Library had a book sale on Saturday. Arlene Hinkle reported that it was very successful also.

People from the surrounding area are looking forward to the 1994 Quitaque Tour of Homes and Quitaque Foliage Tour of the Caprock Canyons Trailway with its beautiful fall colors.

## Caprock Public Library News

by Arlene Hinkle

With every gust of North Wind, my thoughts turn more and more toward coffee and cookies, or cake, or cinnamon rolls. To combat all those food urges during those winter days that November will probably blast us with, Caprock Public Library has these new books!

*Nature Craft* by North Light Books has instructions for dried flower wreaths or trees; herbal crafts such as potpourri and sachet; and straw and basket weaving.

*The Black Opal* by Victoria Holt, a new romantic mystery by the author of *Seven for a Secret* and *Daughter of Deceit*.

For juveniles; *Here's To You, Rachel Robinson* by Judy Blume. A continuation of the story begun in *Just As Long As we're Together*.

*Pete's Bedtime Story* by Beverly Cleary. Pete likes to go to bed because he has a favorite bedtime story...the story of the day he was born. He makes the story his own and tells it to his weary parents.

Happy Winter Reading!

## WTAMU Offers Defensive Driving

The WTAMU Office of Continuing Education is offering a six-hour course on the techniques of defensive driving. The course is on Saturday, November 6 from 9 a.m. to noon and from 1 until 4 p.m.

The course, approved by the Texas Department of Public Safety and the Texas Education Agency, may be used to void the fine incurred as a result of a traffic citation or to reduce automobile liability premium.

Pre-registration is required for the course. For more information contact the Office of Continuing Education at 806/656-2037 in Canyon.

## Tuesday Is Election Day

Tuesday, November 2, 1993 is Election Day in Texas this year. Although there are no local races to vote on, it is important for the well-being of the United States and all of its citizens for each citizen to vote for what they believe to be best for our state and nation.

Voters in Precinct 6 will be casting their vote at the Quitaque Community Center and those in Precinct 2 will vote at Quitaque City Hall.

## Tourists Like Texas Hospitality

by Ronda Alexander

Texas and Texans are famous for their hospitality. Some of us though, may need a little brushing up on our hospitality. To help each of us to be better prepared for extending our hospitality, the Silverton Chamber of Commerce is sponsoring a "Texas Hospitality Training."

The training will be held on Tuesday, November 9th at the Silverton School Cafeteria. The event will be from 6:00 p.m. until 9:30 p.m. beginning with a meal. There will be a small charge for the meal and workbook materials. To register, please call 806-823-2131, ext. 12 by November 2nd.

The training is designed for local business owners, anyone who works with the public and everyone who is interested in promoting and encouraging tourism in our area.

## Margie's Honors 100th Customer

Maggie Sweek of Silverton was honored as the 100th customer of the new business in Turkey, Margie's Discount Fabric and Sewing.

Sweek was the recipient of gifts from Margie Chaney for being the 100th customer to enter her store.

Farmer Scarecrow has a firm grip on his John Deere tractor steering wheel as he welcomes tourists to the Fall Foliage Tour.

## USDA Reminds Producers About Multi-Peril Insurance

Producers with 1993 crop losses greater than 65 percent of expected production must purchase multiple-peril crop insurance for the 1994 crop to be eligible for 1993 disaster assistance benefits.

USDA's Federal Crop Insurance Corporation has extended the sales closing date to October 31, for regular and group risk plan insurance for WHEAT, OATS, RYE, and BARLEY, according to Earlyne Hutsell, Briscoe County ASCS.

Signup for the 1993 Disaster Assistance program continues through March 4, 1994, but if

1993 crop losses were greater than 65 percent of expected production, multi-peril insurance for the 1994 crop of wheat, oats, rye, and barley must be purchased by October 31, 1993. This insurance can be canceled if it is later determined that it is not required.

Producers should contact the Briscoe County ASCS office for further information.

## Time to Fall Back

Here it is the last weekend of October and time to change from Daylight Saving Time to Central Standard Time for the winter months.

It makes it much simpler to keep in tune with the new time if you will set your clock before going to bed on Saturday night. This way Sunday morning you will get up at the same hour as usual even though by the sun it will be one hour earlier.

## Turkey Carnival Saturday Night

The Turkey Fire Department will be hosting a Halloween Carnival on Saturday, October 30, 1993 from 6 p.m. until the last spook goes home.

Activities offered will include a hayride, spoonhouse, bingo, jail, sponge throw, football throw, cake walk and a concessions stand to name a few.

Remember, Saturday, October 30, 1993 at 6 p.m.

## Calendar of Events

- October 28 Jr. High-Sammorwood H 5 p.m. WTU Open House
- October 29 Vernon Northside T 7:30
- October 30 Turkey Halloween Carnival Quitaque Trick or Treat Night
- October 31 ChurchWorship Services Halloween Hall County Pig Sale At Valley
- November 1 Quitaque Lions Club Quitaque City Council
- November 2 Election Day Do Gooders Booster Club Briscoe Co. Historical Society Masonic Lodge Quitaque Chamber of Commerce

## Farmers Help Less Fortunate

Once again area farmers are working by the golden rule--"Do unto others as you would have them do to you." Billy Shannon, Billy Neal Shannon and Jimmy Woods, area farmers who raise sweet potatoes donated 34 boxes of sweet potatoes to the Waco Methodist Home for children.

Seventeen of the boxes were number one potatoes. Other area residents helped with the picking up and boxing of the potatoes. Others furnished the pickup to deliver the potatoes to Waco.

Children will benefit from the unselfish acts of these local residents. Most requested that they remain unnamed in the article. This is truly a caring group of people. They get our vote as "people of the week."

## Trick Or Treat In Quitaque

Trick or treating will take place in Quitaque on Saturday night, October 30 instead of on Sunday night the 31 of October. It is felt that it will be better for the children to be out on Saturday night instead of Sunday when they would have to get up early to face school the next day.

If you wish for the little ghosts and goblins to stop at your home be sure to have your light on for them on Saturday night.

Let's make this a safe and happy Halloween for the children of Quitaque. Have your yard, porch, lawn, or front steps as well lighted and clear of clutter as possible so that there will not be any accidents happen to our little ghosts and goblins.

Remember--Trick or Treat on Saturday not Sunday!

**Bessie J. Purcell**

Bessie J. Purcell, age 87, passed away on October 17, 1993, in Albuquerque, New Mexico. She lived in Albuquerque since 1953, and was member of Parkview Baptist Church. She was preceded in death by her husband Otis, on October 23, 1982, and by her grandsons, Freddy Lynne Love and Terry Rhea Cooper. She is survived by her two daughters: Bettye J. Love and husband O. C. Love of Albuquerque, and Violet M. Cooper and husband Glen Cooper of Lockney, Tx.; by one son, Dean Purcell of Albuquerque; by one sister, Elene McAninch of Plainview; by seven Grandchildren, seventeen Great-Grandchildren and two Great Great Grandchildren. Visitation and a prayer service were held at Parkview Baptist Church in Albuquerque on Tuesday, October 19, 1993 from 6:00 to 8:00 P. M., with Dr. Brian E. Davis officiating.

Funeral services will be at 2:00 P. M., Thursday, October 21, 1993, at the First Baptist Church in Quitaque, under the direction of Myers-Long Funeral Directors. Pallbearers were Grandsons, Tim Cooper, Ted Cooper, David Long, Mike Purcell, Archie Jones, Joe Figueroa and Robert Marshall.

**Senior Citizens Meet at Turkey**

The Senior Citizens met October 19, in the Senior Citizens Room with 15 present for the meal. President Buster Hanna welcomed every one; Horace Mullin expressed our thanks for the wonderful meal which was enjoyed by all, after which we played "forty-two" and visited. Billy and Vera Pinkerton came after the meal and visited. She also took our blood pressure. Next meeting will be November 9, 1993, come and join us.

**ON THE QT**

Jimmy Davidson and his mother, Estelle drove to Amarillo last Friday, to see Estelle's Great Grandson, Chris Edwards of Dumas, play in the Dumas-Caprock School Football game. Chris had 21 of his family members there to cheer his team on to victory. Jimmy and Estelle spent Friday night and Saturday visiting with their brother and son and family, the Fred Davidsons.

Lockwood McCracken and Floye McCracken drove to Turkey Sunday afternoon to visit with Maudine Richmond.

Bessie Saul is in Methodist Hospital in Lubbock after a recent fall. Her room number is 436 W.

Mabel Wilson was recently taken by ambulance to Plainview Methodist Hospital. Her husband, Morris is with her.

**Hotel Turkey Setting For Dennis Gaines Recording**

Hotel Turkey was the setting for a very special night for the Turkey Lions Club on Monday night. After a delicious meal provided Mrs. Melvin Clinton and Mrs. Gary Clinton, the Lions Club and guests were treated to a program by Dennis Gaines, the cowboy poet. Dennis was taping his first audio tape, entitled *Live at Hotel Turkey*. Hotel Turkey was the first setting of people that Gaines recited poetry to. He was a fulltime cowboy on the Matador's, and had only recited poetry to his cows.

Gaines has quit at the Matadors and is now going into poetry full time, calling Ft. Worth home. His tape will be out soon, and he is working on a video.

Attending the meeting were Don Turner, president of Lions Club of Turkey; Lisa Price and Mary Jo Barnhill, Turkey; Andy Wilkerson, Lubbock (musician - songwriter who did the recording); Jason Johnson, Texas Tech; Laura Bonds, Ft. Worth; Gaines; Tommy Weatherly, and Cindy Will, Turkey; Ann Keisling, movie documentary producer of New York; Pat Bart, Houston; Roberts Calhoun, New Jersey; Joe and Ruth Bart, Houston; Mrs. Melvin Clinton, Mr. and Mrs. Bob Ramsey, Mr. and Mrs. Gary Clinton and Crystal, Ray Whittaker, Scott and Jane Johnson, all of Turkey; and Grady and Delene Tyler, of Quitaque.

**Dear Editor,**

Please find a \$10 check for the renewal of the Valley Tribune for one year as I find a coupon for the same in the issue of October 14th which I got in my paper today. Being out of town I do not get my paper till the following week, after the Thursday date. So I know you will honor this, as I get my paper late, being so far away. The paper is getting better with each issue. I am a subscriber of many years.

Sincerely,  
 Fay Huffines

**Lexi McMurtry**  
 Miss Lexi Frances McMurtry arrived at Northwest Texas Hospital on Monday, October 18, at 5:52 A.M. She is the new daughter of Mary and Kelly McMurtry of Amarillo. The young lady weighed 7 pounds and 4 ounces upon her arrival and was 21 inches long. The maternal grandparents are Johnny and Claudine Peery of Turkey. Paternal grandfather is Wayne McMurtry of Houston and Ann Davidson of Pampa. The new mother and baby are now at their parents and grandparents home, the Johnny Peerys.

**Sidney Morgan**

Rex and Charla Morgan are the proud parents of a new baby girl. Miss Sidney Renae Morgan was born August 5th at Norwest Texas Hospital in Amarillo. The little bundle of joy weighed 8 pounds 6 1/4 ounces and was 20 3/4 inches long.

The paternal grandparents are Jerry and Ginger Morgan of Turkey and the maternal grandparents are Charlie and Diane Barnett of Boerne, Texas. The great grandmothers are Dessie Mae Robertson and Frankie Bell of Turkey.

Big brother Cylor, is quite excited over the arrival of his baby sister.

Rex and Charla Morgan reside in Amarillo.

**TURKEY NEWS TURKEY NEWS**

by Ann Coker

**Things Seen or Heard**

Denny Fuston of Clarendon had heart surgery last Wednesday at St. Anthony's Hospital in Amarillo. A team of heart specialists performed four by-passes on Mr. Fuston. At last report Denny was in a private room and had come through the surgery fine. He is still recuperating in the hospital at this time.

Olga Mohom of Lake Whitney and Billy Lou McKenzie of Fort World arrived in Turkey last Wednesday. They were the guests of Arloween Williams. Mrs. Williams took them to visit the Quitaque Quail Lodge and on a tour of the Caprock State Park while they were here. The ladies returned home on Friday.

Fisherman Mary and Wayne Lory returned home last Friday from a fishing trip to Lake Breckenridge where they joined another Turkey couple, the Buck Blakneys.

The Lourys detoured by Hamlin on their way home to visit in the home of their daughter and family—Tanya, Allen Courtney and Clayton Bolt. They attended the football game Thursday night in Hamlin to watch their granddaughter, Courtney. Courtney is the Hamlin Pied Pipers mascot. She is dressed as the Pied Piper at all the football games.

Visiting in Center, Colorado last week-end were Laura (Fuston) Davidson and her three daughters, and Laura's sister, Lana Burson and her three sons. The sisters visited in the home of their brother and family, Leck, Lisa and children, Jamie, Lacy and Kye.

Paying a visit to her Doctor in Amarillo last week was Zona Lane. Her daughter, Linda Ferguson, took Mrs. Lane to see her podiatrist.

Last week I purchased the two-volume books entitled "Hall County Heritage Trails" by Virginia Browded. These books were published several years ago. I have thoroughly enjoyed reading the historic past of many of the old Turkey and Hall County settlers. The Coker family is written up by Estelle Coker Lane. I carry the two

volumes with me whenever we're traveling. Lots of interesting stories.

Received a big manilla envelope from our son and wife, Kim and Lisa Coker, of Brenham, last Wednesday. It contained a section from the Sunday Houston Paper, October 17 issue. This section was about the Rio Grande River with emphasis on the Rio Grande Reservoir in Southwest Colorado.

On one page of this section on the upper half of the page was a big picture of a boy and girl looking over the majestic scenery along the Rio Grande. Their last name was Fuston.

Kim felt sure they were the children of Leck Fuston's as the name Fuston is not a common name, but their first names were misprinted. When we took the paper to Grandmother Wilda Fuston, she verified that they were her grandchildren, Lacy and Kye.

The picture was quite good and Wilda immediately called the Houston paper and ordered copies of the picture.

Small world, isn't it?

Delores Price and Lisa Price drove to Austin last week to visit Sherice (Price) and Kevin Bench. They carried some baby furniture for the soon expected baby of the Bench's.

The children of the Criss Morrisons of Lubbock were visitors in the home of their grandparents, Keith and Betty Green, this past week-end.

Bettie and Kayleen Morrison visited in Plains Saturday with Bettie's mother, Mrs. Chambliss, and attended a shower for Bettie's niece. The grandchildren returned home with Bettie.

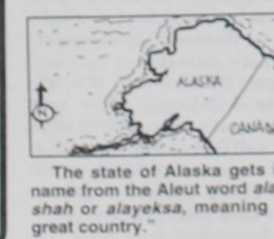

Harold and Frances Wheeler have recently made a trip to Arkansas to visit their children. They took Harold's mother, Dovie Wheeler, as far as Wright City, Oklahoma, where she visited in the home of her sister and husband, Belle and Oscar Cogburn. The Harold Wheelers picked Dovie up on their way home. They were gone about a week.

Guests in the home of the H. E. Mullin home last week-end were their children, Harvey of Maybank; Dean and Jean from Granbury and Joyce Guest of Euless. Rick Mullin, a grandson from Turkey and his two children from Sweetwater were also present to help Lillian Mullin celebrate her birthday. Lillian reported she had a great day!

Dona Browning visited last week in the homes of E. J. and Mary Ann Browning of Rising Star. She also visited in the Rich home and said Cody seems to be doing good following his surgery. He still is in pain when he is being moved.

E. J. and his mother, Dona, visited on last Thursday at Round Rock with Uncle Bob Mullin and Dona Marie (Mullin) Kennedy. They were both doing fine.

Louis and Oleta Randall were in Plainview Wednesday, for Oleta to keep an appointment with an eye doctor. They were in Memphis Thursday on business.

MRS. GUY TIMOTHY MCWILLIAMS nee Trisha Dawn Pernell  
**Pernell-McWilliams Recite Vows**

Nuptial vows were recited by Trisha Dawn Pernell and Guy Timothy McWilliams during an evening ceremony Saturday, October 16, 1993 at the First Baptist Church in Floydada. Stewart Smith, minister of the Church of Christ in Turkey, officiated at the double ring ceremony. Parents of the couple are Rick and Donna Pernell of Dougherty and Bob and Virginia (Punk) McWilliams of Flomot. The altar area was an enchantment of candlelight with brass candelabras flanking a larger arch candelabra, holding 42 white candles and trimmed in wine colored roses and grape ivy. The unity candle, trimmed in wine satin ribbon and greenery, completed the setting and was lit by the couple during the ceremony. The bridal aisle was lined with brass candle holders, accented with roses, greenery and white satin bows.

Escorted and given in marriage by her father, the bride chose a sheath gown of bridal satin with sheer, long fitted sleeves and scooped sweetheart neckline. The bodice was embellished with pearl and sequined re-embroidered French alencon lace applique. The back featured a detachable train, accented with a double bow and satin rosettes at the dropped basque waistline.

Her headpiece was a halo of white satin rosettes interspersed with white pearls. Pearl strands on satin ribbon fell softly on one side of her face for an elegant look. A double-layer fingertip length veil attached to the headpiece gave a soft flowing effect.

The bridal bouquet was a cascading arrangement of wine roses and white stephanotis. The center was highlighted with pearls and intertwined with white lace. Secured to the back of the bouquet were a handkerchief, belonging to the bride's paternal great-grandmother, and two rings, one belonging to her paternal great-grandmother and one to her maternal grandmother. In her shoes, the bride placed pennies, minted in the years that she and the groom were born, along with a lucky sixpence.

Attending the bride as maid of honor was Katharine Davis of Floydada. Bridesmaids were Angie Holland of Plainview, Jennifer Crow of Floydada, Branda Bred of Plainview and Kerrie Pitts of Floydada.

They wore two-piece, black brocade dresses with slim, floor-length skirts. The bodices were decorated with Venise lace. Each carried a single rose, with fern, tied with white silk ribbon trimmed in gold.

Flower girls were Tasha Clemmons of Floydada and Kendra Covington of Dougherty. One had her hair laced with baby's breath and the other wore a white floral halo. They carried white baskets filled with rose petals.

Ring bearer was cousin of the groom, Chase Maynard of Quitaque.

Acting as best man was Stacy Price of Turkey. Groomsmen were Brent Brown of Turkey, Blake Walter of Plainview, Roger Hammonds of Dougherty, and Randy Lacy of Lubbock. Seating guests were Chad Pernell, brother of the bride, and Matt Washington, nephew of the groom.

The groom and all male attendants were attired in black tuxedos. Organist during the ceremony was Mrs. Ross Herrington of Quitaque. Guests were registered by Missy Pernell of Dougherty.

A reception, following the ceremony, was held in the Wall Street Parlor. The room was lit with candlelight as votive candles, encircled with greenery, were placed at each window.

The bride's table, draped with a white satin cloth, held a four-tier Italian cream cake decorated with white roses, fresh greenery and baby's breath. The focal point was the bridal bouquet, which was placed in a marble vase atop a beveled mirror. Presiding at the bride's table were Kalli Hicks and Janet Himes.

The groom's chocolate cake was topped with chocolate strawberries and cascading white grapes. Highlighting the setting was a silver candelabra. Serving were Delane Brown and Korea Price.

Scott Crader and Jennifer Crow vocalized the selections, "You and I" and "To Me," during the reception.

Reagan Pernell assisted the flower girls in distributing bird seed bags to all the guests.

Following a wedding trip to Cosumel, Mexico, the couple will make their home in McAdoo.

The bride is employed by Producers CoOp in Floydada and the groom is associated with McWilliams Dirt Works in Quitaque.

Pre-nuptial courtesies extended to the couple included a bridal shower in the home of Kristi Hopper of Dougherty; a shower held in the community room of the First National Bank of Quitaque; an engagement party hosted by friends in Turkey; and a lingerie shower given by the bridesmaids and friends of the bride in Lubbock.

Rehearsal dinner was hosted by the groom's parents at the Floydada Country Club.

**Change Your Clock, Change Your Smoke Alarm Battery**

As you go through your home Saturday night (October 30) changing your clocks back to standard time, take along a battery for your smoke alarm.

That's the recommendation of the Texas Commission on Fire Protection, the International Association of Fire Chiefs and Energizer brand batteries. The group advises homeowners and tenants to change the batteries in their smoke alarms as they are changing their clocks this fall.

"Smoke alarms save lives," said Commission Executive Director Michael E. Hines.

"Smoke alarm give effective early warnings of fire, so that everyone in the home can get out before they are overcome by toxic fumes, smoke and the fire itself."

However, according to data collected by the commission's Texas Fire Incident Reporting System, about two-thirds of all homes that have fires don't have working smoke alarms. During 1992, 101 persons died in fires where there were no smoke alarms at all and another 12 died in fires where the smoke alarms did not operate.

In contrast, only 13 people died in fires in which the smoke alarm operated properly, according to the Texas Fire Incident Reporting System.

Hines concluded, "In most fires in which the smoke alarms do not operate, fire officials report that the smoke alarms had not been maintained properly, including replacing the batteries. Don't allow yourself and your family to be victims. Change your smoke alarm batteries now."

**Holiday Hints**

**Healthful Holiday Cooking**

(NAPS)—A holiday feast that's healthful may be one of the best gifts you can give your loved ones this Yuletide season.

Many cooks who care about the health of their loved ones are starting a new holiday tradition, replacing the fatty ham and roast goose of Christmases past with a holiday dinner where heart-healthy fish, pasta, fruits and vegetables take center stage. Healthy cooking methods for holiday meals include roasting, baking, braising, stewing, poaching, grilling, boiling, sauteing, stir-frying, microwaving and steaming.

Great holiday gifts for yourself or a favorite cook could be utensils and cookware designed to keep healthy foods crispy, colorful and calorie-reduced and make meals easy to prepare. Here are some items to shop for, from the experts at Lechters, the nation's largest retailer of non-electric housewares:

- An array of peelers, slicers, juicers and other items can turn ordinary produce into an art form. The Twin Juicer, for example, works for oranges, grapefruit, lemons and limes and includes a rind grater. There's also a Bean Slicer that strings and slices in one action and the Original Granny Real-A-Peel, which cores, peels, shreds and grates.

- Pasta makes a superb holiday main course and can be fun to prepare with the Atlas Pasta Maker.

- Great for salad lovers: vegetable brushes, peelers and slicers, lettuce crispers, salad spinners and colanders.

- Steaming vegetables and other foods retains minerals, vitamins and natural flavors. There are both stainless steel and bamboo vegetable steamers available

Handy kitchen helpers such as a fish grill, vegetable steamer, pasta cooker and cherry pitter make great holiday gifts for health-conscious cooks.

as well as a microwave steamer that doubles as a pasta cooker.

- For those on special diets, the Foley Food Mill is a big help. Use it to prepare baby food, juices, special recipes, sauces, dietary meals and soups.

- Healthy cooking means low-fat cooking—less frying, more grilling. Great grill gifts include the Triple Fish Grill, a BBQ Grill Topper for grilling shrimp, fish, vegetables and other small delicate foods; and a Stove-top Indoor Grill.

- Stir-frying is another healthful cooking method and ready to help are various size woks and wok sets complete with utensils.

- Sensational stocking stuffers include a stainless steel Strawberry Huller, Cherry Pitter and the Pedrini Egg Separator, a device that makes separating egg whites from cholesterol-laden yolks a cinch.

**FROSTY HOLIDAY GRAPES**

- 1/2 cup sugar
- 2 envelopes unflavored gelatin
- 10 small California grape clusters
- Water

Combine sugar and gelatin; mix well. Dip grape clusters in water; shake off excess water. Sprinkle sugar mixture through a sieve over wet grapes. Place on waxed paper about 45 minutes or until completely dry. Makes 10 edible garnishes.

**55/Alive Driving Program Slated At Silverton November 11 - 12**

by Ronda Alexander

The Briscoe County Extension Home Economics Committee will be sponsoring the 55/Alive Driving program which will be held on November 11th and 12th from 4:00 p.m. until 8:00 p.m. on both days. The program will be held at the Pioneer Bank Room in Silverton.

The program was developed

by the American Association of Retired Persons to improve driving safety for all senior drivers. Anyone age 50 and over is eligible to attend the program.

The instructor is a specially trained AARP volunteer. Participants attending all portions of the program will receive a certificate for a 10% discount on most of your auto insurance

(check with your local insurance agent for specific details).

To attend, please pre-register by November 9th at the Briscoe County Extension Office. Cost of the program is \$8, which covers all workbook materials. For more information about the program, please call the Briscoe County Extension Office at (806) 823-2131.

**Fuel efficient cars save money and help the environment.**

**Say hello to the fuel efficient home.**

Don't settle for an energy guzzler. Consider energy-saving Good Cents instead.

Good Cents homes need less energy for heating and cooling. So you save money on utility bills year-round. You stay comfortable. And you help the environment, too.

*Imagine a world without laws. Life is precarious enough even with the laws we do have - the idea of removing those curbs invites a picture of chaos. Just as a truly loving father does not allow his children a completely free rein, but disciplines them for their own benefit, so our Father has given us rules to live by, that we might be at peace with ourselves and with each other. Come and learn about God's law of love this Sunday in the church of your choice.*

# FLOMOT NEWS

by Earlyne Jameson  
**OVERHEARD**  
Wise sayings often fall on barren ground, but a kind and sympathetic word is never thrown away.  
**CLUB MEETING IS POSTPONED**  
The Do Gooders' Club of Flomot has postponed their monthly meeting to Tuesday, November 9, so as not to interfere with the Precinct Election November 2, which will be held at the Community Center.

Featured guests will be Margaret Smith and Rhonda Burson of Silvertown, owners of Caprock Floral Ranch, specializing in Broom Blooms. The meeting will be at 2 p.m. at the Community Center, Flomot. Everyone is extended a cordial invitation to attend the program.

**BAPTIST WMU MISSIONS**  
Members of the Women's Missionary Union of the Flomot Baptist Church met Wednesday night, October 20 for a mission study, "What Will the Future Bring?" by Barbara Joiner.

Mrs. Kathy Mulder related "Oh, the Places You'll Go" by Dr. Seuss; and Bernice Bond followed with "Oh, The Places We'll Go and Work" by David and Julie Brown. This couple prepared a hymnal in More' dialect for people in West Africa where French is the national language. David Brown, Marvin Thompson and national pastor Wade Prosper delivered 70,000 lbs of grain to Africa during the 1991 drought. They told of the people who opened the sacks, pounded the grain on the rocks, and began eating it before they even took it home.

"The Things We Must Do" was given by Rev. Nathan Mulder. He stressed that when you meet people's needs, they are ready to listen.

L. E. Shorter related how in his Seminary days he would never go to Chicago or Africa, but God led him to Burkino Faso, Africa.

Mrs. Alma Shorter gave each one a cut-out question mark with the phrase, "What will the Future Bring For \_\_\_\_\_?" with the name of two missionaries. The program closed with a prayer for missionaries and the scheduled Flomot Baptist revival.

**WEATHER REPORT**

Light recurring rain Tuesday, October 19, did not pose a threat to cotton yields and was a benefit for the wheat and grassland in north-east Motley county. East of Whiteflat reported .90 of an inch and west and north registered 1.00 inch of moisture.

Tommie Cruise, National Weather Service of Flomot, recorded 1.20 of rain. Sunshine returned to the area with cool nights and warm days.

Rev. and Mrs. Nathan Mulder of South Plains, Mr. and Mrs. Wayne Hunter and Mrs. Alma Shorter attended the annual meeting of the Baptist Caprock Association, Thursday, held at the First Baptist Church in Crosbyton.

Mrs. C. W. Starkey had eye surgery Tuesday, October 19, in Amarillo. She recuperated until Sunday in the home of her daughter and husband, Mr. and Mrs. Homer Cypert in Lockney.

Wayne Hunter accompanied his father, H.G. Hunter of Quitaque to Lubbock Tuesday for a medical appointment. They had lunch with Anita Hunter. Mrs. Wayne Hunter attended to business in Matador and visited Mrs. Earline Vaughn. Mr. and Mrs. Hunter were in Floydada Wednesday for medical

treatment and visited Mr. and Mrs. Johnny Speer before returning home.

Mr. and Mrs. Wilburn Martin visited in Levelland Monday and again Sunday with their son and wife, Dr. and Mrs. David Martin.

Mrs. Annie B. Cloyd visited in Memphis Saturday with son and family Mr. and Mrs. Dickie Cloyd and son Jason.

Brad Carter and Anita Hunter of Lubbock visited Saturday and Sunday with her parents, Mr. and Mrs. Wayne Hunter. They enjoyed the tour of Homes in Quitaque, Saturday afternoon. Sunday morning, Brad and Anita were in Quitaque to build a new back porch for her grandfather H.G. Hunter's home.

Those attending the Musical Jamboree in Plainview Saturday night were Mr. and Mrs. D. M. Gilbert, Mr. and Mrs. Clois Shorter, Mr. and Mrs. Herb Martin, Mrs. Annie B. Cloyd and Mr. and Mrs. Wilburn Martin. Mrs. Shorter (Kathy) and the Motley Music Makers were featured performers.

Johnny Starkey of Livonia, Missouri, arrived Sunday to visit his mother Mrs. C. W. Starkey.

Guests in the home of Mr. and Mrs. Joe Edd Helms Sunday were Mr. and Mrs. Bobby Phillips, Autumn and Kelsey of Brownfield, Mr. and Mrs. Steve Green, Kiley and Karla of Silvertown, Mr. and Mrs. Kenneth Helms and Callie and Mrs. Annette Helms of Quitaque, Mr. and Mrs. Jim Pearce of Amarillo, and Art Green of Flomot.

Presenting a religious service at the Lockney Care Center, Friday morning were Mr. and Mrs. Clayton Bond and Mr. and Mrs. Wayne Hunter, joined by Brother and Mrs. J.E. Lee of Plainview and Mrs. Emma Thomas of Lockney.

Mrs. Kathryn Martin of Whiteflat was a guest of Art Green at the Flomot Baptist Church revival services, Sunday night.

Mrs. Morris Stephens visited Sunday at the Lockney Care Center with Mrs. Juddie Stephens.

I've been rich and I've been poor; rich is better.  
—Sophie Tucker

## Examination For Rural Carrier

The Lubbock office has announced the Rural Carrier examination will be open to the general public November 1, 1993 through November 5, 1993, for the Crosbyton Area Eligibility Register.

Offices included on the Crosbyton AER are Crosbyton, Floydada, Idalou, Lockney, Lorenzo, Petersburg, Post, Ralls, Slaton, Spur and Wilson.

Interested persons may apply at the Lubbock Personnel Office, 1515 Avenue G, Lubbock, Texas; the Amarillo Personnel Office, 2301 Ross St., Amarillo, Texas; or at one of the offices served by the register during the week of the open announcement.

No applications will be accepted before or after these dates.

## CINNAMON APPLESAUCE LOAF

Makes 12 (3/4-inch thick) slices  
2 cups all-purpose flour  
1 teaspoon baking soda  
1 teaspoon ground cinnamon  
1/2 teaspoon baking powder  
1 cup sweetened applesauce  
3/4 cup sugar  
1 (8-ounce) carton Egg Beaters 99% Egg Product  
1/2 cup margarine, melted  
1/2 cup seedless raisins  
Confectioners' sugar glaze, optional

In small bowl, combine flour, baking soda, cinnamon and baking powder.

In large bowl, blend applesauce, sugar, egg product and margarine; stir in flour mixture just until blended. (Batter will be lumpy.) Mix in raisins. Spoon batter into greased 9 x 5 x 3-inch loaf pan. Bake at 350°F for 55 to 60 minutes or until toothpick inserted in center comes out clean. Cool. Drizzle with confectioners' sugar glaze if desired. Cut into 12 slices to serve.

Nutrition Information per serving (1 slice, without glaze): 226 calories, 173 mg sodium, 0 mg cholesterol, 8 gm total fat (32% calories from fat), 1 gm saturated fat

## Determining What You Really Believe

by Ron Trusler, M.E.D.

Most of us have strong feelings or beliefs about certain things. It's common to call those feelings "convictions". For example, you might have a conviction about not lying. You believe strongly that you do not or will not lie. But you find yourself lying to make yourself look good, to the IRS, about your golf score or size of the fish you caught, etc.

Most of us have fewer convictions than we like to admit. The word "conviction" sounds good, proud, self-assured, noble, holy and determined. In reality, most of us have "preferences". We would prefer not to lie—but we do will in certain circumstances.

A conviction will not change no matter what. A preference is what we usually have because we are influenced by personal risk and embarrassment.

I guess the test for convictions versus preferences comes where the shoe leather hits the pavement—the pressures, stress and reality of things. I've found for myself (and observed in others) people have few convictions and a bunch of preferences.

If you see a "D" on a coin, it was minted in Denver.

All progress is based upon a universal innate desire on the part of every organism to live beyond its income.

*'The Lord on high is mightier... than the mighty waves of the sea'*  
- Psalm 93:4

By way of mountains, lakes and streams  
Explorers in the days of yore  
Set forth to realize their dreams  
Of life upon some distant shore.  
To pioneer these unknown lands  
They had to sail the oceans wide;  
No maps or charts were in their hands,  
For only faith was on their side.  
And so wherever they would sail  
They asked the Lord to take command;  
They knew His guidance would not fail,  
And soon they would be safe on land.  
Now He can do the same for you,  
As you'll discover every day  
While traveling your whole life through;  
If you'll but let Him point the way.  
- Gloria Nowak

**"Winds of Change" Theme For Annual 4-H Achievement Banquet**

The "Winds of Change" was the theme for the annual Briscoe County 4-H Achievement Banquet which was held on Sunday, October 17, in the Silverton School cafeteria. The banquet is held every year to honor the past years achievement of 4-H'ers and adult leaders involved in the Briscoe County 4-H program.

4-H'ers participating in various 4-H projects were recognized by Silverton 4-H Club Manager Deb Burson and Valley 4-H Assistant Club Manager Joanie Pigg and were awarded project certificates. Silverton 4-H Assistant Club Manager Juannah Jennings presented year pins to 4-H'ers who had turned in completed project forms. Receiving first year pins were: Rolf Sherman, Kevin Womack, Kurby Garvin and Brandi Price; second year pins were awarded to: Katy Hester, Julie Weaver, Jamie Pigg, Sara Kirchoffner, Taylor Griffin, Brooke Garvin, Kendra Rhoderick, Catherine Reyna, Vanessa Reyna and Junior Castillo; third year pins were awarded to Daniel Reagan, Ryan Minyard and Dara Johnson; fourth year pins were presented to Michael Reagan, Lindsey Weaks, Lindsey Jennings and Donny Burson; receiving fifth year pins were: Will Hester, Wynter Smith, Molly Brooks, Trey Wyatt, Lacy Brunson, Shauna Kingery and Kenzie Burson; Jarret Pigg received a sixth year pin; seventh year pins were awarded to Jeremiah Brooks, Will Speery, Shannon Weaver and Christina Stephens; and nine year pins were presented to Ashleigh Wyatt and Leslee Weaks.

Briana Speery and Krisse Pigg presented Project pins to 4-H'ers who turned in record books, these were awarded to: Daniel Reagan-Shooting Sports, Michael Reagan-Public Speaking, Will Hester-Shooting Sports, Wynter Smith-Photography, Molly Brooks-Home Economics Achievement, Jarret Pigg-Beef, Trey Wyatt-Achievement, Lindsay Weaks-Santa Fe, Lindsey Jennings-

Fashion Revue, Shannon Weaver-Swine, Chrisatina Stephens-Swine, Jeremiah Brooks-Agriculture, Will Sperry-Agriculture Achievement, Ashleigh Wyatt-Clothing, and Leslee Weaks-Fashion Revue.

State awards were presented by Jarret Pigg and Christina Stephens to Julie Wilson, Bo Wilson, Kevin Womack, Jeremiah Brooks, Will Sperry, George Pigg, Jeremy Hughes, Tracy Guest, Krisse Pigg, Carrie Baird, Cecilia Castillo, Briana Sperry, Christi McWaters and Ashleigh Wyatt.

The "I Dare You" Awards were presented to Kevin Womack and Briana Speery by John Wyatt. The Valley Farm Store was recognized as the Friend of 4-H recipient by George Pigg and Leslee Weaks. Deb Burson and Janinne Brooks presented Gold Star Awards to Will Sperry and Leslee Weaks. The Silver Spur adult leadership awards were presented to David Reagan for his work with the Shooting Sports project and Jackie Sperry for her work with the Valley 4-H Club. Lighthouse Electric Cooperative of Floydada and Swisher Electric Cooperative of Tulia sponsor the Silver Spur Awards.

The Briscoe County 4-H program would like to extend a special thanks to everyone for their assistance and support of the 1993 4-H Achievement Banquet.

**5th Grade News**

Last week we where studying Plot, setting and character. Mrs Gilmore told us to make stories with all of that in it. So we all made plays. All the plays turned out real good.

We all done different ideas of plays. Some where scary some where not, most where not. We all missed Mrs. Gilmore while she was gone. We had good times with Mrs. Valdez but we will still love her, and miss her. Well, got to go!!

Till next time,  
Gaby & Mary E.

**GED Preparation Classes May Be Offered**

The Education Committee of the Silverton Chamber of Commerce is looking into the possibility of hosting a GED Preparation class in Silverton. The class will be free of charge to anyone over the age of 17, who is interested in preparing for the GED test.

In order to offer the class, we must have a minimum number of students enrolled and attending each class meeting. The classes will be self-paced for the individual levels of each participant. Classes will meet for a minimum of three hours per week, depending upon the schedules of the students.

An instructor will be assisting students in the class, as they prepare for the test. There is no minimum requirement for the number of classes a student must attend, only until they feel they are prepared to take the test. Testingsights are available in Plainview and Amarillo.

Anyone interested in attending the classes should call 823-2131, ext. 12 to register.

**4th Grade News is #1**

Hi, its us again, the fourth grade reporters.

On Saturday, October 23, the fourth and fifth graders had a Halloween party. It was lots of fun. That same day we had the big Red Ribbon Celebration. It was lots of fun too.

On Friday we had an English test. We don't know how we did on it but we think that we did well. In Math we are studying graphs. In science, we took a test. We don't know how we did on it.

Thanks for reading the fourth grade news.  
Emily, Missy, & Magan

**Valley Scores-52 Patton Springs-6**

The Valley Patriots improved their record to 3-0 in District and 7-1 overall with a 52-6 win over the Patton Springs Rangers, Friday night at Patriot Field. Valley scored 24 first quarter points. The first score came on a 50 yard run by Joe Valdez. Bubba Powell added the extra points for an 8-0 lead. Powell scored twice in the quarter, once on a 19 yard fumble return and on a 14 yard pass from Ricky Hughes. Powell added both extra points for a 24-0 lead.

Hughes hit Powell again on a 33 yard TD Pass to start the 2nd Quarter. Hughes also connected with Josh Scroggins this time from 1 yard out with 3 seconds left in the half. Patton was able to score with a 24 yard pass. Valley went in at half up 38-6.

The Patriots scored quickly in the second half with a 14 yard run by Scroggins and a 1 yard run by Rollie Costillo. The same was stopped in the third Quarter because of the 45 point rule.

The offense was lead by Valdez who rushed 10 times for 151 yard 1 TD. Danny House had 9 carries for 66 yards. In the passing department Hughes was 3-5-48 yards and 3 TDs. Bubba Powell was the leading receiver with 2 carries for 47 yards and 2 TDs.

On defense, Powell had 9 tackles, Valdez-9; Hughes-6; Scroggins-6; House-5; Castillo-2; Matt Abram-1; and Brian Moore-2; Powell had 1 fumble recovery and Rollie Castillo had 2. Doing a great job of filling in for Donnie Calvert was Michael Lane who played center on offense. Valley will play Vernon Northside, Friday at Northside, 7:30 p.m. in a key District 1 match-up. Valley JV's will not play this week. The JR High School will play host to the Samnorwood Eagles at 5:00 Thursday at Patriot Field.

The average \$1 bill wears out after about 18 months in circulation.

**Booster Club Discusses Future of Valley Football**

The Valley Booster Club met on Tuesday, October 26, at 7:30 in the Valley Cafeteria.

Coach Gilmore showed the Valley-Patton Springs football tape and talked about a few plays of the game. He then discussed the next game with Vernon Northside. Gilmore then turned the meeting over to President Kay Calvert.

Mrs. Calvert welcomed all guests, and explained that we watched all game films and would continue to meet during basketball season. She encouraged all parents, friends, and

anyone interested in Valley or the kids to come to Booster Club. Mrs. Calvert then asked Coach Gilmore to explain some of the pros and cons of changing from 6-man to 11-man football.

Gilmore discussed many avenues that the school can take, and was very positive in his talk. Boosters left, feeling that they knew much more about the future of the team.

Next meeting is Tuesday, November 2 7:30 p.m. All interested persons are invited to attend.

All Aboard! Patrons board the tour wagon for tours through beautiful Caprock Canyon country foliage.

**FALL FOLIAGE TOUR PHOTOS**

Happy Halloween! This smiling "pumpkin" (round hay bale) greeted guests at the entrance to the Trailway at the west end of Quitaque.

**5th Grade News**

Hi! It's us again! We are looking forward to Halloween night. Are ya'll? We had a party, the 4th & 5th grade. It was fun we were dancing and playing games. Everyone had fun and hope you can come to the Halloween Carnival at the Bob Will Center.

There will be lots of things to do there. They will have a Queen's contest, a Spook House, and more. Well, that's all for this week.  
Your friends,  
Gaby & Mary E.

## Raise Home Humidity To Help Lessen Risk Of Colds

(NAPS)—A warm home can be a breeding ground for viruses, infections and colds. Higher temperatures may remove the moisture that is essential for good health.

Researchers report that the nasal passages need a certain level of moisture in order to filter the air we breathe.

When the linings of the upper respiratory tract and nasal passages are dry, colds, viruses and infections can breed there causing us to get sick, researchers say. Breathing humid air moistens these passageways and helps to cleanse the body of germs and viruses.

### Vaporizers and Humidifiers Moisten the Air

Vaporizers and humidifiers are popular ways to add moisture to the air at home. Vaporizers emit a warm vapor which can be medicated and are most often used to treat the air in a sick child's bedroom.

Humidifiers also add moisture to the air either by emitting a cool or warm mist.

The benefit of humid air is widely touted by medical experts; however humidifiers have also been criticized for their ability to transmit unhealthy particles into air. In some cases, when water is left in a humidifier's reservoir, bacteria, molds, and minerals can be transferred into the breathable mist. This can be prevented with proper cleaning of the unit after each use.

Recent engineering advancements on a proven humidification technology, however, have many benefits which include helping to eliminate the transmission of bacteria. Evaporative humidification uses a

An evaporative humidifier is one of the safest ways to add moisture to the air at home. A wick absorbs any impurities in the water so the vapor is clean and clear.

specially treated wick to absorb water before evaporation.

"Evaporative humidifiers soak up water in the reservoir with a special wick, creating a large wet surface," reports Karen Sandusky-Mosholder, consumer product manager for DeVilbiss/Hankscraft, one of the largest manufacturers of humidifiers and vaporizers.

"In an evaporative humidifier, a fan draws air through intake vents and circulates it through the filter. The wick is treated with a special anti-bacterial agent and filters minerals, bacteria, mold and other impurities from the water before releasing the humidified air into the room," Sandusky-Mosholder reports.

## newsworthy trends

### Increase Of Liability Suits No Asset To Economy

(NAPS)—The growing number of liability suits is no asset to our economy say those who want to put American workers back to work. Consider these facts about the asbestos litigation which so far has bankrupted 16 American companies.

Economists report that the impact on the competitiveness of American business is devastating. In addition to the 16 bankruptcies, tens of thousands of jobs have been lost. Moreover, courts have imposed the burden of the bankrupt companies' liabilities on the assets of companies that remain.

Of the more than \$12 billion spent so far by American companies on asbestos litigation, about \$9 billion has gone to lawyers. Many Americans now feel civil justice reforms are needed to create an administrative solution for all present and future asbestos claimants. The reforms would unlog the courts and use available funds to meet the needs

Lawyers gain, the economy suffers, by litigation abuse.

of future meritorious claimants. Anyone can write Congress on this or any issue at: The U.S. Senate, Washington, D.C. 20510 and the U.S. House of Representatives, Washington, D.C. 20515.

### Want To Boost Your Vitamin C? Nature's Bounty Offers Choice Alternatives

(NAPS)—Before you spend a lot of money on vitamin pills, remember that experts recommend that you try to obtain vitamins and other nutrients from foods rather than rely on supplements, which only provide some of the nutrients available in foods and beverages.

Fruits and vegetables rich in vitamin C include citrus fruits, guava, strawberries, kiwi and cantaloupe, peppers, broccoli, brussels sprouts and cauliflower. Many fruit juices also are an excellent source of vitamin C.

"Citrus fruit juice, particularly orange juice which is America's favorite, is an excellent and convenient source of vitamin C," says Mona Boyd Browne, a registered dietitian and president of Nutrition Communication Services. "One six-ounce glass of a 100 percent orange juice like Tropicana Pure Premium gives you a full day's recommended supply."

"Vitamin C has several benefits," says Browne. "One that you may not be aware of is that vitamin C increases iron absorption when consumed with iron-rich vegetables and grains. In addition, scientists are now researching the role vitamin C may play in the prevention of several diseases."

Numerous studies of disease on human populations have found that vitamin C or vitamin C-rich foods have significant protective effects against cancers of the esophagus, oral cavity, stomach and pancreas. There is also substantial evidence of a protective effect in cancer of the cervix, rectum, breast and lungs. Such studies are cited in a number of leading scientific journals.\* Further research

is needed to clarify the role of vitamin C in cancer prevention.

That's not all. Studies on human populations analyzing vitamin C and cardiovascular disease also have shown a relationship between vitamin C intake and lowered risk of cardiovascular disease mortality. Research in key research publications supports these findings.\*\* Further research is needed to clarify the role of vitamin C in cardiovascular disease.

Thus, vitamin C is an essential part of a healthy diet for many reasons. Eating and drinking more of the foods and juices that are rich in vitamin C can help you improve your diet and the way you feel.

To learn more about juice as a source of vitamin C, write for a free brochure, "Wake Up To Beverage Nutrition," Tropicana Juice Nutrition Center, P.O. Box 338, Bradenton, Florida, 34206.

\*Related studies have been published in the American Journal of Clinical Nutrition, the American Journal of Epidemiology and the Hematology Oncology Clinics of North America.

\*\*Related studies have been published in the Journal of the American College of Nutrition, among others.

\*\*\*

A faith that cannot survive collision with the truth is not worth many regrets.

—Arthur C. Clarke

### Look At Butter In A New Light

Now, people can return to the rich taste of butter but consume less fat than when eating regular butter. Butter has become "light." This spring, Land O' Lakes introduced Light Butter, with half the fat, calories and cholesterol of regular butter. This first nationally available light butter is made primarily with Grade AA butter, water and pasteurized milk.

How does it taste? Light Butter has the same creamy flavor as regular butter because it is 40 percent butterfat, compared with margarine, which is 80 percent vegetable fat. According to taste tests, more than seven of 10 consumers said Light Butter tasted as good as regular butter.

Served plain, or blended with fresh herbs and spices, Light Butter is the perfect light, low-calorie topping for foods typically spread with butter.

- Blend 1/2 cup (one stick, softened) Light Butter with 1 teaspoon firmly packed brown sugar and 1 teaspoon cinnamon. Serve on English muffins, toast, pancakes or waffles.
- Toss 3 cups cooked, sliced carrots with 2 tablespoons Light Butter, 2 tablespoons powdered sugar and 2 tablespoons chopped fresh mint.
- Blend 2 tablespoons softened Light Butter with 1/2 teaspoon dried basil leaves, dried dill weed or dried oregano leaves and serve over broiled fish fillets, such as orange roughy, sole or salmon.

Because it is lower in fat and has a higher moisture content, Light Butter is not recommended for baking and frying.

## Date Cream Cheese Pie Breaks With Tradition

(NU) - Go ahead — break with tradition and serve something tantalizingly different for your holiday dessert. California dates make this creamy, rich treat taste just like caramel cheesecake.

Naturally sweet California dates combine with apple juice for a luscious, caramel-flavored filling. Topped with a layer of tangy and lightly sweetened cream cheese and finally with sour cream, Date Cream Cheese Pie is hard to resist.

For a calorie-conscious holiday, reduce the fat content of the pie by substituting low-fat cream cheese for the regular cream cheese and plain non-fat yogurt for the sour cream.

The sweet goodness of California dates belies their nutritional content. The average date has just 23 calories. A serving of dates is a good source of dietary fiber and potassium. And best of all, California dates contain no sodium, cholesterol or fat.

For instant energy, keep California dates handy in the refrigerator for easy snacking. Arrange dates and cheese on a serving tray for a simple appetizer.

Dates also make a delicious addition to stuffing or cranberry sauce recipes. In fact, California dates are great for entertaining during the holidays and anytime of year.

### DATE CREAM CHEESE PIE

- 2 cups chopped California dates
- 3/4 cup apple juice
- 4 packages (3 oz. each) cream cheese or low-fat cream cheese
- 2 eggs
- 1/3 cup sugar
- Grated peel of 1 lemon
- 2 tablespoons lemon juice
- Baked 9-inch pie shell
- Lemon slices if desired

### SOUR CREAM TOPPING

- 1 cup sour cream, or plain non-fat yogurt
  - 2 tablespoons sugar
  - 1/2 teaspoon vanilla
- Combine dates and apple juice in a saucepan. Bring to a boil. Reduce heat and simmer, stirring occasionally for 5-10 minutes, or until mixture is well combined and thickened.
- Meanwhile, beat cream cheese, eggs, sugar, lemon peel and lemon juice with an electric mixer until smooth. Spoon date mixture evenly over the top. Bake at 375 degrees for 20 minutes.
- Meanwhile, mix together all sour cream topping ingredients until well combined.
- Remove pie from oven and spread topping evenly over the top. Return to oven for 10 minutes.
- Cool, then chill pie thoroughly. Garnish with lemon slices.

## SAFETY

### Tips From Fire Experts On Safe Hearth and Home

(NU) - In an effort to stem the high number of residential fire deaths and injuries that occur every year during cold weather months, the United States Fire Administration (USFA) and the Sleep Products Safety Council (SPSC) have issued recommendations for making homes safer.

It's ironic that so many fire deaths occur when people think they are the safest — at night and in their own homes," says Assistant USFA Administrator James Coyle. "Most incidents are during the months between October and February, and most can be prevented."

"When it comes to fire safety and bedding, what is common knowledge to one family may be a secret to others," says SPSC Chairman Paul Dillion. "This is particularly disturbing since most of the steps to preventing fires at night are very simple."

Each year, fire kills close to 5,500 Americans — more than all other natural disasters combined, including floods, hurricanes, tornadoes and earthquakes. The recommendations issued by the USFA and SPSC are:

- Smoke Detectors**
  - Place at least one on every floor of the house.
  - Test batteries monthly and change them twice a year.
- Alternative Heaters**
  - Use space heaters in well-ventilated rooms.
  - Place heaters where they will not be knocked over, away from curtains and furniture.
  - Plug space heaters directly into wall sockets, not into extension cords; unplug when not in use.
- Kerosene Heaters**
  - Be sure they are legal in your area.
  - Use K-1 Kerosene only; never use gasoline or camp stove fuel.
- Woodstoves and Fireplaces**
  - Use seasoned wood and a protective screen at all times.
  - Clean interiors, hearths and chimneys yearly.
- Sleep Safety Practices**
  - Never smoke in bed.
  - Discard mattresses made before the 1973 Mattress Flammability Standard, which requires cigarette ignition resistance.
  - Use only electric blankets approved by testing labs.
  - Don't run cords under beds or trap them against walls.
- Safe Cooking Practices**
  - Don't leave the stove unattended while cooking.
  - Keep clothing, curtains and other combustibles away from the stove.
  - Make sure the stove is off and small appliances are unplugged before going to bed.
- Child Fire Safety**
  - Keep lighters and matches out of reach of children.
  - Teach children how to call for emergency assistance.
  - Use safety plugs in electrical outlets.
- Home Fire Escape Plans**
  - Plan an escape route and practice it often. Everyone should know at least two ways out of every room.
  - Keep emergency numbers by the phone and know how to call for assistance.
  - Identify an outside meeting place and never return to a burning building for any reason.

For a free doorknob hang-tag that explains additional fire precautions, write: The U.S. Fire Administration, P.O. Box 7074, Washington, DC 20024.

## HALLOWEEN

### Play It Safe For Happy Haunting

(NU) - Halloween can be perilous for little ghosts and goblins unless parents and drivers take special precautions, according to AAA Auto Club South.

"Costumed boys and girls are often too excited to look both ways before crossing the street," says Randy Bly, director of traffic safety for AAA Auto Club South. "Dark costumes make trick-or-treaters difficult to see. Worse yet, ill-fitting masks obstruct vision so children can't always see oncoming cars."

**Drivers:** Be extra alert for children darting out from between parked cars. Turn on headlights at dusk and drive at least 5 mph under the speed limit.

**Boys and Girls:** Wear comfortable, light-colored costumes trimmed with reflective tape and carry a flashlight or a glow-in-the-dark Halloween light stick, available where costumes are sold. Trick-or-treat on well-lighted streets and never dart out between parked cars in the middle of the block.

**Parents:** Enlarge eye holes on masks so children can see clearly. Even better, encourage them to wear makeup which won't impair vision and is fun to wear. Accompany children or send an older brother or sister along. Otherwise, they should trick-or-treat with a group and tell you in advance what streets they plan to haunt.

"With just a few simple precautions," Bly says, "they'll have a devilishly good — and safe — Halloween."

## Floydada Celebrates October Punkin Days

If you've been looking for something fun for the whole family to participate in, Floydada's Punkin Days celebration can provide it. Celebrated every year, this harvest party is held the last weekend every October to herald Floydada's claim as Pumpkin Capital U.S.A.

Friday, October 29, kicks off the festivities when downtown merchants dress in a variety of different costumes--each trying to outdo the other. Visitors will also enjoy a drive through Floydada neighborhoods to view homes decorated with fall and pumpkin themes.

Saturday morning, October 30 kicks off the 5K race and fun run beginning at 8:30 a.m. Arts and crafts booths will be open for business beginning at 9 a.m. on the manicured lawn of the Courthouse. The booths feature home made items from all over the United States. It will be a great time to do a little early Christmas shopping. Local merchants will also feature great buys at downtown stores!

Judging will begin under the pavilion at 10 a.m., on entries of the smallest pumpkin, the largest pumpkin, ugliest gourd, prettiest corn, best painted pumpkin, best carved pumpkin and the best pumpkin pie. Entries will be accepted from all over Texas.

Smaller children will enjoy the special games created for them, including: a pumpkin drawing contest, pumpkin rolling race, the great pumpkin toss and pumpkin bowling. Those a little older can partake in a timed carving contest, seed spitting contest, wheelbarrow race and a pumpkin pie relay race.

After a short rest, children can enjoy a costume contest at the Floydada High School and then a safe "Trunk or Treating" around the walking path at the high school. The newer version of Trick or Treating was created by the Punkin Day Committee in order to give the children a more protected environment in which to walk and also giving parents peace of mind about candy being distributed to their children.

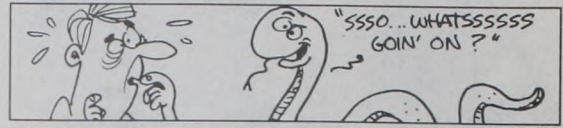

Trunk or Treating will begin at 6:15 p.m. at the high school park. Cars belonging to volunteers (screened by the committee) will be parked along the park with the trunk lids popped open. As the ghosts and goblins pass the vehicles they will be treated to the candy stored inside the trunks.

Older kids will enjoy the 4-H dance beginning at 9 p.m. at Duncan Elementary. The dance is open to any age.

For more information on Punkin Days call the Floydada Chamber of Commerce at 806/983-3434. Those who want to get an early start on the arts and crafts, or on the races, come out and spend Friday night in Floydada.

The person who guesses the weight of the pumpkin piled in a trailer will win \$25.00, and prizes of \$200.00, \$300.00 and \$500.00 will be awarded to the winners of the Cow Patty Bingo.

It is an all day event that can be enjoyed by everyone in the family. If you are too tired to travel home at the end of the day, you can recuperate at the famous historical Lamp-lighter Bed & Breakfast.

The only two animals to talk in the Bible are the serpent in the Garden of Eden and a donkey belonging to the Gentile prophet Balaam.
