THURSDAY, NOVEMBER 1, 1984

VOLUME 25 NUMBER 21

## General Election Is Tuesday, November 6

**RELEASING PHEASANTS** — Pictured above is Bobby Barbee releasing pheasants in a field in the area under the program sponsored by Hall County Pheasants Unlimited. Over 600 birds are being released this fall.

### Pheasants Unlimited Is Releasing 600 Birds

Hall County Pheasants Unlimited has sponsored the release of about 600 grown birds in the area during the past two months and the organization is seeking the cooperation of landowners and hunters to help make the program of stocking the area work.

This is the first of a three-year program (which may turn into a five-year program if funds are secured) of releasing stocker pheasants in the area to try and establish the birds for hunting.

"In order to do this, landowners must cooperate by leaving extra feed in the cover portions of their fields, and hunters must not shoot the birds being released to allow them to multiply so native birds can be raised," President Jimmy Carroll Fowler said.

Bobbie Barbee has been active in helping to release the birds in suitable locations throughout the area.

"We have had excellent help from landowners in establishing good habitat for the birds but with quail hunting season fast approaching, we're very concerned with controlling hunters," Mr. Barbee said.

Hunters should check with landowners before going hunting this season and not kill pheasants if they see them, even during pheasant hunting season.

"We met with Texas Parks and

The General Election in Quitaque will be conducted Tuesday, November 6, at the Quitaque City Hall. The polls will be open from 7:00 a.m. until 7:00 p.m. Elgin Conner will be election judge.

Besides the presidential race, other contested races on the ballot will be for U. S. Senator (Lloyd Doggett and Phil Gramm), U. S. Representative (Jack Hightower and Beau Boulter), Railroad Commission (Mack Wallace and John Thomas Henderson), and Chief Justice of the Texas Supreme Court (John Hill and John Bates). Only one other race is contested.

Also there will be eight amendments to be voted on. You will need to study these amendments before going to the polls.

Make your voice heard by voting!

### Lucas Studio To Show Proofs Saturday

A representative of Winston Lucas Studio in Irving will be here Saturday, November 3, to show proofs for the Children's Photograph Contest.

He will be at the Valley Tribune office in Turkey from 9:30 until 11:30 a.m., and will be at the Valley Tribune office in Quitaque from 1:00 until 3:00 p.m.

Please be sure to be at one of these places during the time he will be here if you would like to see proofs of the pictures he made of your children.

### CHEERLEADERS TO SERVE CHILI, STEW

The Valley cheerleaders will be sponsoring a chili and stew supper from 5:30 until 7:00 p.m. Friday, November 2, in the Valley Cafeteria.

The price per serving will be \$3.00.

Everyone is invited to support the cheerleaders by attending the supper before going to the game to cheer for the Patriots!

Wildlife personnel about closing pheasant season in Hall County and found it was impossible to do that in just one county," Mr. Barbee said.

Landowners and leasers who are members of the Hall County Pheasants Unlimited are real serious about establishing pheasants on their property and will not look favorably on any hunters who hunt without permission.

## Hall County 4-H Awards Banquet Is Saturday Night

Plans have been completed for the sixth annual Hall County 4-H Achievement Awards Banquet, announced Buddy C. Logsdon, Hall County Extension Agent. The banquet will be held Saturday, November 3, at 6:30 p.m. at the Memphis Community Center. This is the time of year when we

pause to recognize the outstanding work of our Hall County 4-H youth. The program will be highlighted by announcing the winners of over 40 special awards and the naming of Hall County's Gold Star award winners for 1984, the highest award that may be presented on the county level.

We plan to continue the covered dish meal which has been so popular every year.

Dawn Thames will be providing dinner music, and The 6 Lbs. of Music of Memphis, a group that has been very busy this past summer performing in Nashville, Arkansas, Oklahoma, New Mexico and Texas and has just signed a contract with a talent agency and personal manager in Nashville, will be bringing the special music for the evening.

Special guests and friends of 4-H are encouraged to attend.

### First Bale Ginner At Paymaster In Quitaque

Ronnie Carpenter, manager of Paymaster Gin in Quitaque, reports the first bale was ginned Sunday, October 28. B & P Farms (Bill Pigg and Pete Blankenship) brought in 2670 pounds and ginned out a 540 pound bale with 1060 seed, a 20.2 percent turnout.

### Youth To Meet At FBC After Football Game-Friday Night

A Fifth Quarter is planned for Friday, November 2, at the First Baptist Church in Quitaque, following the football game between Motley County and the Patriots.

This will be the last home game and the last entertainment by the church for this football season. There will be games and food for everyone.

Make plans to attend.

### Eating sage is believed by some to prolong life.

Toys or money donations will be appreciated. Please leave at City Hall. We hope everyone will join in and help a child have a happy Christmas.

### Turkey Shoot To Be Held Sunday

The Valley chapter of Future Farmers of America will have its annual Turkey Shoot Sunday, November 4, at the Turkey Compress beginning at 1:00 p.m.

### Turkey Volunteers Announce Christmas Project For Kids

The Turkey Volunteer Fire Department is planning a special Christmas project. The Department would like for people to donate new toys or good used toys to be distributed to needy children during Christmas.

## Patriots Bomb Spur Bulldogs Here Friday Night

The Valley Patriots produced a balanced running and passing attack here Friday night against the Spur Bulldogs to present a solid rushing defense and win by 41-6.

Valley got off to a good start in the first quarter when Will Williams took the ball in from the one-yard line for a touchdown, followed by a seven-yard TD pass from Kirk Saul to Matt Barrett, and a 64-yard punt return for a TD by Barrett. The quarter ended 21-0.

In the second period of play, Williams rushed nine yards for a touchdown, and later in the period Tim Clardy made a 22-yard run for another TD. At halftime, the score stood at 33-0.

Valley scored again in the fourth quarter on a one-yard pass from Williams to Rosendo Silva. The TD, ironically, came on a busted play when Valley bobbled a field goal attempt and had to improvise with a pass good for six points.

Statistically, Valley and the Bulldogs had 14 first downs each; the Patriots rushed for 124 to 39; passed for 136 to 89; gained 260 yards to 128. The penalties were 80 to 75.

Coach Giddens says, "We played the type of game we had to play to beat Spur, very physical, and got on them early."

Our young men gave a great effort and this will have to continue for us to win the zone.

"We have clinched second spot in the zone, which guarantees a zone play-off spot on November 16.

"I know we will not be satisfied with second. I hope I can call upon another super effort in two weeks against Aspermont, who is also undefeated in zone play.

"This Friday, we host Motley County and it is an old rivalry. Even though Motley County is winless for the year, we expect them to play us the best they have played all year. We will be ready."

The cheerleaders are sponsoring a meal of chili and beans or stew and dessert. Come out and eat with them and then attend the football game.

### GET OUT TO VOTE!

Voicing your choice in the election which comes up Tuesday, November 6, is not only your God-given privilege, but it is the duty of every citizen to express his preference for those he thinks will do the best job for the most people during the next term of office.

There are eight proposed amendments to the constitution which will affect many people. The Valley Tribune, and a number of businesses in Quitaque and Turkey, ran a double spread of the amendments and the explanation for and against to help you determine how you want to vote. The Tribune has extra copies and will be glad for you to pick up one to review if you need one.

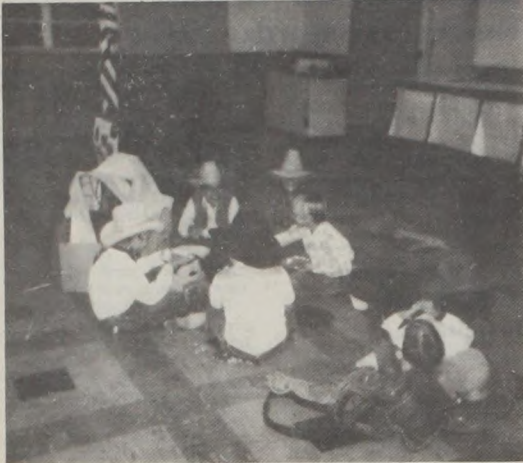

Just get out to vote so your voice can be heard!

Turkey Scouts from Pack 264 presented a cowboy skit at the Pack Meeting Tuesday night.

### October News From Turkey Scout Pack 264

Den II met in the Scout Room October 9 with all members present. We read another story on American Folklore, sang two songs which are folk songs, "John Brown's Body" and "Battle Song of the Republic," and listened to a tape of several folk songs such as "Davy Crockett" and "Casey Jones." We completed our Folklore activity and began plans for study on "Our American Heritage." Each boy chose a state to learn the state flower, bird and tree. They are to make a poster for their state. This group will host the October Pack Meeting and plans were made for the program.

Den I met at the Pinkerton home October 16. Those present were Joe Wayne, Tommy, Chad

and Henry. The boys made their own hobo suppers which were cooked on the grill. They did their feats to earn their athletic pin. They also began work on their artist activity by drawing some Halloween pictures to show at the Pack Meeting.

October 20, Manuel and Lee Roy met at the Pinkerton home for a make up of the last meeting.

October 23, Den II met in the Scout Room. Present were Danny, David, Jason, Garrett and Bobby. The boys practiced for their program for the Pack Meeting.

Danny, David and Kyle met at the Pinkerton home October 28 for further practice and to work on posters. The Pack Meeting was held

October 30 in the Bob Wills Cafeteria beginning at 7:00 p.m. All Cub Scouts were present. Special guests were Mr. and Mrs. Jerry Bob Smith and Brandon, Mrs. Don House, Mrs. Beverly Mars and Penny, Jack Barnhill, Mr. and Mrs. Jess Mullin, Billy Pinkerton and Vera, Mrs. Linda Silva and nephew.

Greeting the guests at the door were Danny, Kyle and Garrett. Welcome was given by Danny, prayer by Garrett, pledge by Bobby and Scout promise by David.

Awards presented by Margie Pinkerton were Danny House, Wolf badge, Wolf silver arrows (2), summer Scouting pin, and perfect attendance; Kyle Mars, Wolf badge, Wolf silver arrow, summer Scouting pin; David Lane, summer Scouting pin and perfect attendance; Bobby Silva, summer Scouting pin and perfect attendance; Garrett Mills, Bear pressing toward ranks; Jason Smith, summer Scouting pin; Chad Calvert, Bear badge, Bear gold arrow, summer Scouting pin, perfect attendance, Webelos outdoor pin and athlete pin; Joe Wayne Fuston, Bear badge, Bear gold arrow, summer Scouting pin, Webelos outdoor pin and athlete pin; Tommy Pinkerton, Bear badge, Bear gold arrow, summer Scouting pin, perfect attendance, Webelos outdoor pin and athlete pin; Henry McNary, Bear badge, Bear gold arrow, summer Scouting pin and athlete pin; Manuel Silva, Bear badge, Bear gold arrow, Webelos outdoor pin and athlete pin; Lee Roy Galvan, Bear badge, Webelos outdoor pin and athlete pin.

Jason Smith was narrator for a Cowboy Pantomime that Den II presented. Each boy first presented his state poster and told his state flower, tree and bird. Then the boys acted out a pantomime to two cowboy songs: "Whoopi Ti Yi Yo" and "Roll On Little Doggies."

Following this the boys, three mothers, Vera and Penny played a game of seeking monsters.

Refreshments were served by Jason, Bobby and David.

Several who we want to thank and recognize for help are Mr. and Mrs. Guy Smith for money donated, Mr. and Mrs. Olen Hogue for leather donated, Mr. and Mrs. Don House for leather donated, and the Bob Wills Association for the use of the cafeteria.

#### YOUTH TO MEET AT PINKERTON HOME

The young people of Turkey Church of Christ will get together Saturday, November 3, at 10:00 at the home of Billy and Margie Pinkerton.

It was reported that their attendance is growing each week.

Mr. and Mrs. Keith Green and Kaylene, Christy Calvert and Mr. and Mrs. R. C. Green attended the Silverton United Methodist Church ceremonies of dedication of the Kenneth Wyatt picture, "Offer Them Christ," last Sunday. Chester and Gladys Strickland of Lubbock gave the picture in memory of the Smith and Strickland families.

Mr. and Mrs. Lewis Eudy visited Mr. and Mrs. Ronald Eudy in DeSota from Wednesday to Monday of last week.

### Warning From Your Sheriff's Department

This is the time of year when crime takes a jump. According to the Texas Uniform Crime Reporting Bureau, crimes reported in Briscoe County from January 1984 through September 1984 were as follows:

Disorderly Conduct (3), Arson (1), Burglary (13), Theft (7), Motor Vehicle Theft (1), DWI (6).

If you notice strangers around your neighborhood, please call 806 823-2201, 823-2031, or 455-1206, day or night.

#### ATTEND GREAT PLAINS BEAUTY CONFERENCE

Shirley Landry and Beth Mills were in Lubbock Sunday and Monday to attend the Great Plains Beauty Conference held at the South Park Inn. There was extensive training in the latest styling and hair cutting methods, as well as informative demonstrations and exhibits of the newest products on the market for hair care, it was reported.

### Planning Retreat Held Saturday

The Quitaque United Methodist Church held an all-day planning retreat last Saturday at Ceta Canyon Church Camp. During the retreat, future ministries of the church were discussed for the upcoming year and sessions were held which provided individuals with an opportunity to examine their own spiritual gifts and strengths for service.

Those who attended the planning retreat were Marjorie Boyles, Dianne Brunson, Jimmy Davidson, Jill Flaughter, Minnie Mae Roberson, Jimmy Ross, Walter Wayne Taylor, Delene Tyler, and the pastor, Rev. Dennis Flaughter.

In addition to the benefits gained from the sessions, participants enjoyed the rustic beauty of Ceta Canyon and the good food and fellowship. Although the planning retreat required a lot of time and intense work on the part of those who attended, many positive results were gained through their efforts.

### Forgeries Being Reported In Area

During the past several months a group of subjects have been passing forged stolen company checks in the West Texas and Panhandle area. The subjects are both male and female, black and white, and they are believed to be operating out of the Lubbock and Amarillo areas.

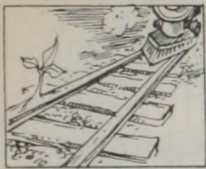

The forged checks were stolen from companies during normal business hours. They use both a check protector and typewriter to fill out the checks, usually in the amount of \$300.00. They pass the forged checks at grocery stores on Friday evenings or weekends or on "double stamp" days.

A stolen Texas driver's license, altered with a photo of passer, is used to pass the checks. The following businesses have had their stolen checks passed in Amarillo: Automotive Automatic, Hi Plains Canvas Products, Douglas & Johnson Motor Company, Camper Round-up, Jeff's Greenhouse, Reynosa Construction, Amarillo Wood Works, McMurray Auto, American Health, American Insurance and Kerr-McGee.

The following names have been used in passing the checks: Jana Matlock, Bonnie Denney, Melody Savelle, Deonn Young, Delores Jones, Dawn Davis, Vickie Reed, Mary Alaniz and Theresa Kelly. Anyone having information regarding this is asked to notify Briscoe County Sheriff Dick Roehr or Texas Ranger Jim Gillespie at Dumas.

Sheriff Roehr has advised local residents not only to be aware of the check cashing scam, but also to protect their checkbooks, because these individuals are looking to steal any checks they can get their hands on.

More than 35 cities have been hit, including Abilene, Borger, Plainview, Tulia, Dimmitt, Muleshoe, Odessa, Hereford, Iowa Park, Canyon, Bridgeport, Waco, Lubbock, Amarillo, San Angelo, Wichita Falls and Brownwood.

The first railroad in America had wooden tracks.

"The two greatest stimulants in the world are youth and debt."  
Benjamin Disraeli

"A man with big ideas is a hard neighbor to live with."  
Ebner-Eschenbach

It's said wearing sapphires brings health, wealth, strength and energy.

The Irish were referred to as Scotti in early Latin documents. When some of these people settled Scotland about 500 A.D. they gave the country their name.

**The Superintendent's Corner**

by Wilburn Leeper

One of the essential elements of a good school closely relates to an effective library. In fact, according to the standards for accreditation of school districts, a school cannot be accredited unless certain principles and procedures are followed. And, if a school cannot be accredited by standards set forth by the state, then in extreme situations a school can be dissolved and cease to exist.

The Principles, Standards and Procedures for Accreditation of School Districts requires that libraries be a functioning part of each elementary and secondary school. High schools across the state have pretty well followed set standards but the elementary schools have employed a number of ways of meeting requirements. Some schools followed the practice of developing centralized libraries while others retained a self-contained library inside each classroom. Providing centralized libraries for elementary grades is an expensive endeavor but a lot of knowledgeable people feel that it provides a better learning situation for children. The practice of placing libraries in each classroom is the most economical method as it relates to funds and space but may not be the best for students. Many schools argue, however, that having books closeby in the classroom will more nearly motivate students to use them in short periods of time available. Valley Elementary provides library books and materials in each classroom and it seems to work well.

Although the self-contained library has been an accepted procedure of providing library services to students, it will no longer be an acceptable practice in the future. According to state law, a school will not be in compliance for accreditation purposes if certain requirements are not in place by September 1985. The law, as it affects all school districts next September, takes into account the areas of library staffing, resources, and program development.

All schools must employ a certified librarian—a requirement which may be met by cooperating with other schools for this professional staff member. If the school follows this method of staffing then a teacher aide must be employed full time and be supervised by the certified librarian. Valley has employed this method of staffing and found it a good working procedure.

All resource materials—books, audio visual items and equipment—must be centrally located in a library for easy use. The high school library at Valley meets these requirements sufficiently but the practice employed in the elementary school will not be in compliance next school year.

Each school is expected to develop a program for learning resources. This calls for instruction of students in the use of library materials and having access to such materials. Provision for reference and bibliographic services are called for in the requirements. To some degree Valley High and Valley Elementary are provided the services,

but it is insufficient to meet the required standards.

Valley School would like to maintain its present method of providing library services but it now appears that a great deal of mending must be completed by next school year. Options and alternatives are now being considered, but a clean-cut solution to the problem is far from being resolved.

**WITH THE SICK**

Dean Lane returned to his home on Sunday from Central Plains Hospital in Plainview where he had surgery on October 18. He is reported to be progressing satisfactorily.

Mrs. Rita Galvan spent a few days in Hall County Hospital at Memphis for tests and was scheduled to re-enter the hospital for surgery on Friday.

Mrs. Denver Powell had tests run in Hall County Hospital last week. She was scheduled for surgery in Childress General Hospital on Wednesday of this week.

Gordon Hedrick of Amarillo is in room 365 at the Veterans Hospital there. He is reported not to be doing too well.

J. T. Persons underwent surgery at Central Plains Hospital in Plainview Monday morning. According to report, he came through in fine condition.

Those with him during surgery were his wife, Jo Persons, and his daughter, Mrs. Rayford (Norma) Hewett, and Bro. Jess Little.

Others present shortly after the surgery were Mary Ollie Persons and Lela Mae Hutcheson of Quitaque and Rena Persons Schott of Silverton.

It is reported that Mrs. H. B. Finney was taken to Plainview by her daughter, Henrietta Kaiser, Sunday and it was possible that she entered the hospital there.

**Turkey Lions To Send Money To Girlstown USA**

The Turkey Lions Club voted to send the proceeds from the light bulb and Halloween Candy sales to Girlstown, USA for their Christmas Fund to buy each girl a new coat and pair of shoes.

Boss Lion Keith Green called the meeting to order Tuesday, October 23, at the Bob Wills Cafeteria, and J. T. Mullin led the pledge to the flag. Steve McLean gave the invocation.

It was announced that the director of the Hi-Plains Eye Bank in Amarillo and his wife would be guests of the club at the next meeting on November 13. He will bring a program at that time.

Lion W. L. Armstrong brought the program Tuesday on some of the work of Lions International. D'Anna Smith was a guest of Sweetheart Kaylene Green.

Thirteen Lion members were present.

Teila Aubuchon served a good meal of ham with all the trimmings and banana pudding.

VALLEY TRIBUNE

**Blakney Attends Green Thumb Meeting In Austin**

Virgil Blakney attended the annual Green Thumb Advisory Board meeting in Austin Tuesday and Wednesday of last week.

Blakney said, "Wednesday we boarded a large bus and two small buses and made a tour. We had a large turn-out of members plus about 20 dignitaries on the tour.

"Towns and projects visited were at Elgin, Texas, a day care health center for adults with 27 enrolled. This is the only one in Texas; Doak Springs, out in the 'boon docks' with mud and water everywhere. Next we were served a big barbecue dinner at the fairgrounds in LaGrange. This was given in appreciation of the work our Green Thumbers have done there. It was almost unbelievable, and last place visited

was a project at Smithville. "Farmers Union State President Mike Moeller and State Green Thumb Director Diana Parrish chaired the meetings at all stops. At each stop, the mayor or county judge addressed our group and told how much they appreciated the work Green Thumbers had done for these towns.

"Everyone thanked Mrs. Parrish for a fine job," Blakney concluded.

**FARMERS UNION**

**SPONSORING PROJECT**

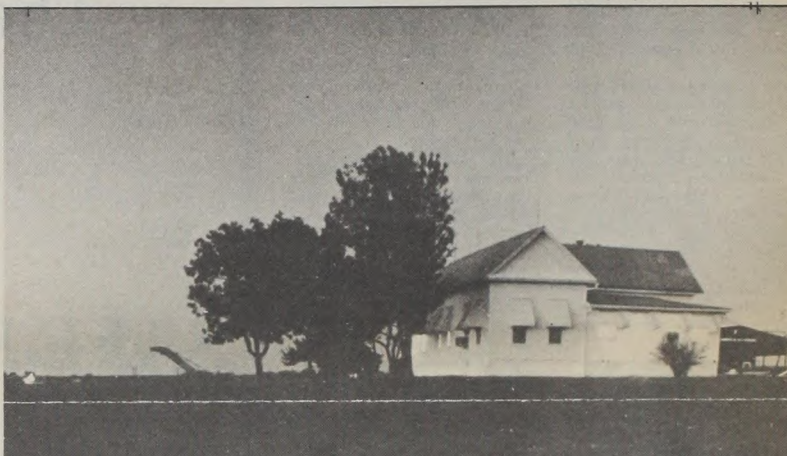

We have an important task before us in the coming year—the 1985 Farm Bill. Everyone involved in agriculture knows the importance of this legislation. Instead of waiting until next year, we want the people in the rural areas of the state and those who are running for office that we want the family farmers and

ranchers to be heard on the critical issues affecting the Farm Bill and other legislation which impact rural areas.

We have started the "Committee to Save the Family Farm" as part of the Farmers Union Charitable Fund, Inc. Thanks to some grants from several foundations and a contribution from Jim Moore of Austin, we have been able to launch this statewide campaign during the general election campaign. You may have already heard some of our radio spots on your local stations or on the Texas State Network. We have also sent our ads to all weekly and daily newspapers in Texas.

Carrying lumps of coal would make them invisible, some people once believed.

**Will the last family leaving rural America please turn out the lights?!**

The Republicans and Democrats agree on one thing: The now-famous economic recovery is passing rural America by. The lights are going out in farmhouses across the nation at a pace unmatched since the Great Depression, and with 1983's inflation-adjusted net farm income hitting the lowest level of this century, hundreds of formerly-thriving businesses on Main Streets throughout America are being boarded up every week.

programs and allow prices to seek "market-clearing levels." Democratic presidential nominee Walter Mondale says we must have more effective "supply management" measures to protect farmers' prices. But it's the Congress we elect this year that must actually pass the all-important 1985 Farm Bill.

Find out where the candidates stand and then make your vote count on November 6th.

What's the answer? U.S. Secretary of Agriculture John Block says we should phase out farm price support

The farm or business you save may be your own.

**The SAVE the FAMILY FARM Committee**

A joint non-partisan voter registration and education project of the Center for Rural Studies (Minneapolis, Minnesota) and the Texas Farmers Union (Austin, Texas).

### Letter To The Editor

Dear Lottie,

We are enclosing a check for renewal of the paper. Enjoy it very much. The homecoming was again really good. You people do such a good job of making us all feel welcome. It is good to see those who we haven't seen in so many years as well as those of you who "Live & Love in our home town" . . . We finally got some much needed rain. Believe we must have gotten five inches or more over the weekend. It wasn't too good for our Stephen F. Austin University Homecoming but the rain was a life-saver . . . Emily Margaret and I are both retired—April 1 for me and May 30 for her. So far we are enjoying it and not having any trouble finding something to do . . .

Very best wishes to all,  
Barney and Emily M.

Mr. and Mrs. Jarrell Rice and son, Mike, attended Market at Dallas from Friday until Sunday evening. They report a very good time.

Guests in the home of Lottie Owens Sunday were Mr. and Mrs. Eddie Owens and Kami of Plainview, Sonya Henderson of Plainview and Wayne and Zane Henderson of Silverton.

Kami spent from Friday night until Sunday in Quitaque visiting her grandmother.

The United Methodist folk in Quitaque had a delightful surprise Sunday morning when Sam Ross walked into the service. His daughter, June Ware, brought him. He is recovering well from a recent major automobile accident.

Mr. and Mrs. Wayne Whittington drove to Pinetop, Arizona recently to visit their daughter and son-in-law, Mr. and Mrs. Stan Lord, after the Lord's recent tragedy. Stan was working in Phoenix and they all drove there and spent the weekend.

Mary Ollie Persons returned to Quitaque Sunday from Tres Ritos, New Mexico, where she had spent the summer at her home there.

Mrs. Carter Trew of Allison spent the weekend in Quitaque visiting her parents, Mr. and Mrs. Joe Edd Smith. Mr. Trew was in Lubbock on business.

Mr. and Mrs. James Barefield accompanied their daughters, Mrs. Frankie Pittman of Wolf-forth and Mrs. Ann Bingham of Big Spring, on a trip to Arkansas. They left on Sunday, October 21, and returned on Thursday, October 25. They visited her brother, A. G. Smith, nephews, nieces and other relatives in Arkansas. They returned to Breckenridge, Texas, and visited his brothers, W. D. Barefield of Breckenridge and E. C. Barefield of Ohio, who was there visiting. They report a very enjoyable trip.

Mr. and Mrs. Leroy Hamilton drove to Lubbock and spent Saturday visiting their son and wife, Mr. and Mrs. Joe Hamilton.

Mrs. Leona Morris and Mae Lou Hendrix were in Lockney Monday to have prescriptions filled.

*"We must cut unnecessary spending. The size of the federal budget is still the issue for both Democrats and Republicans."*

Congressman  
**JACK HIGHTOWER**

Balancing the federal budget remains a top priority for Congressman Jack Hightower. He firmly believes the record federal deficit, which drives up interest rates and impedes full economic recovery, must be attacked on a bipartisan basis in the next Congress.

In 1983 Hightower helped reduce President Reagan's budget requests by more than \$2.6 billion.

Hightower co-sponsored HJR 350, the constitutional amendment to require a balanced budget.

Hightower has opposed, however, radical proposals to balance the budget by drastic cuts in social security and national defense.

Hightower co-sponsored the Sunset Bill to require review of all federal agencies at least every ten years, with automatic dismantling if not reauthorized by Congress.

After voting to cut taxes and reduce spending, Congressman Hightower received the following commendation:

*"Your vote for the Bipartisan Budget reflects a high degree of courage and commitment to America's economic well-being. This action will help achieve the spending reductions which are necessary to drive down inflation and restore the economy."*

President  
Ronald Reagan

**Mrs. Loper Is St. Jude's Chairman**

Chairman Joy Loper today asked the Quitaque and Turkey residents to participate in a "Chow Down" and game night to raise money for St. Jude Children's Hospital. The event will be held November 10 at 7:00 p.m. in the Quitaque Community Center.

Everyone is asked to bring a covered dish. There will be no admission charge, but any donation at the door would be greatly appreciated. We would also ask that any of the ladies reknowned for their baking skills bring a dessert, as these will be auctioned off. Kenneth Helms will be our auctioneer for the evening. After our meal and auction, we will have tables set up for anyone wishing to play dominoes, cards, Skip-Bo, etc.

Our event this year honors Jaime, a leukemia patient at St. Jude. With every cent we collect, we let all the children with cancer, like Jaime, know they aren't in this battle alone.

The children who come to St. Jude Children's Research Hospital are afflicted with the most devastating kinds of childhood diseases: acute lymphocytic leukemia, Hodgkin's disease and other forms of cancer, infantile malnutrition, muscle disorders, sickle cell anemia, and other maladies of childhood. They need the best, most up-to-date medical care available. This is what they receive, regardless of their economic status.

St. Jude Children's Research Hospital is fulfilling the promise and dream of its founder, Danny Thomas, by making a significant contribution to alleviating childhood diseases which blight the lives of youngsters, their families, and society as a whole. The hospital, truly, is helping children live throughout the world.

St. Jude is non-sectarian, interracial and cares for all patients who are admitted by physician referral if their disease is under study. There is no financial test for admission.

Once a patient is accepted, treatment is provided without regard to ability to pay. When needed, St. Jude also provides transportation and lodging for parent and child.

These children desperately need our help. Their very lives depend on the research that our support and the support of communities just like ours brings about.

If anyone not attending this event would like to make an individual donation to St. Jude, you may contact Joy Loper at 455-1460.

**Spur Junior High Defeats Valley**

Spur defeated Valley Junior High by the score of 30-8.

Valley scored on its first play. Brandon Stark carried the ball 65 yards for the touchdown. The PAT was no good. After this, Valley moved the ball but was unable to score. Spur scored on two passes and two long runs. Lance Fulbright and Warren Merrell had very good games.

Valley is now 3-3. They will finish the season this Thursday in a rematch with Motley County.

The game will begin at 6:00 p.m. in Matador.

### Quitaque Recognized In Panhandle Panorama

The publication of the Panhandle Regional Planning Commission, "Panhandle Panorama," recognized Quitaque as its "town of the month."

Quitaque, Briscoe County, was founded in 1890, incorporated in 1926. It has a population of 696, altitude ASL 2,510, 315 water meters, 20 volunteer firemen, 12 emergency medical technicians, two paramedics, deputy sheriff, and in the education department, the Valley Consolidated School District has twelve grades, 327 students, 26 faculty members. The economy is farming, ranching and manufacturing.

The name, Quitaque, is a Comanche word meaning "end of the trail." That's why early settlers of southeast Briscoe County decided to name the town Quitaque. It was the eastern limit of Indian winter campgrounds and the beginning of a new way of life for settlers from the east.

From its beginning in 1890 until the present, the population has been almost constant, right at the 700 mark. City historians say it did rise to 1,000 in the early thirties, just a few years after incorporation, but around 750 seems to have been a comfortable figure for most of its life.

The people of Quitaque are proud of their close links with the out-of-doors. With easy driving

distance is the Caprock Canyons State Park, the newest of Texas' parks. There is abundant camping space, hiking trails and even a fishing lake in its 13,000 acres.

Close contact with nature is more than a pastime with Quitaque area residents. Most of the economy of the area is centered on farming and ranching or agricultural manufacturing. Nearly everyone in town has a direct or indirect link with agricultural pursuits of some kind.

Difficulties with the existing water supply led the city to apply for a Texas Department of Community Affairs grant this year through PRPC. They will use their \$234,000 award to acquire water rights, drill a new well and lay about four miles of transmission line to the city so that a dependable water supply will be available several years to come.

(Ed. Note: Most of the area people know all of this, but the Valley Tribune goes into homes from the Pacific Coast to the Atlantic Coast.)

### CONGRESSMAN ANNOUNCES PROGRESS ON LAKE FUNDING

Congressman Jack Hightower announced recently that approximately \$338,000 has been approved by congressional action for Buffalo Lake National Wildlife Refuge improvement work in Randall County. Hightower sought the funds at the request of local citizens in the surrounding counties, members of the Buffalo Lake Heritage Association, and U. S. Fish and Wildlife Department officials.

"This money will be used essentially for roads and auto tour route improvements, wildlife habitat improvements, camping, day use and trail development," Hightower said. "I think it's important that we enhance the local control of, and access to, this valuable area for purposes of flood control, wildlife observation, education and recreation."

The original cost estimate for a projected nine-year development program for the area was approximately \$475,000. However, this action will save approximately \$137,000 of that cost by accomplishing the work in a one-year time period.

Hightower initiated this action in the House Interior Appropriations Subcommittee on April 4, 1984. He also submitted testimony to the Subcommittee on June 19 to present the case of the local authorities and U. S. Fish and Wildlife officials.

"I want to commend everyone involved."

### Senior Citizens Bake Sale Is A Success

Quitaque Senior Citizens had a bake sale Saturday, October 27, with great results.

For two weeks, orders were taken and just about any kind of cake, pie, brownies, candy, doughnuts were available. They started selling at 9:30 with two large tables laden and more food coming in all morning. By noon

everything had been sold. Several people who are not Senior Citizens donated food, and many who bought, paid more than the price asked.

The Senior Citizens organization wants to express its gratitude for all that was done to help.

They hope to have their new building finished within the next two weeks, and they are asking the public to drop by and have a cup of coffee with them and see what your contribution has helped to accomplish. The total amount of the sale was \$559.00, and it will be used to pay for the remodeling of the building.

If anyone would like baking

done for Thanksgiving, call Opal Taylor, 455-1337, and she will get someone to bake for you.

Mrs. Ross Herrington and Mrs. O. R. Stark attended the dedication of a new Allen Digital Computer Organ and concert by Earl Miller, professor of organ at Wayland Baptist University, on a recent Thursday at the Episcopal Church in Plainview.

The organ is the same as the one at the First Baptist Church in Quitaque.

Some have said that wearing sapphires guaranteed good manners.

EVA CASTILLO

### Miss Castillo To Enlist In Army

Miss Eva Castillo of Quitaque, daughter of Mr. and Mrs. Jesse Castillo, will leave Amarillo on November 18 to enlist in the U. S. Army. She will take her basic training at Fort Jackson, South Carolina.

### Couple's Engagement Is Announced

Mr. and Mrs. Murray Wise of Marlin, former residents of Quitaque, and Mr. and Mrs. Emmanuel Asikis of Boston, Massachusetts announce the engagement of their children, Tamilyn Marie Wise and John Asikis.

The wedding is set for November 10 at First Baptist Church in Marlin.

Mrs. Shorty Woods spent a week in Midland visiting her daughter, Mrs. Sharon Corgill, and family. Mr. Woods joined her there. They drove to Del Rio and Amstad and went fishing (didn't catch anything, they report), then they drove over into Old Mexico.

They returned to Kermit and visited Mrs. Woods' brothers and sister and then returned home there.

The largest shell is that of the giant clam; it may measure four feet. This gigantic bivalve lives on coral reefs in the Indian and Pacific Oceans.

The bride-elect is a 1984 graduate of Baylor University and is employed by Spenco Medical Corporation of Waco. She is the granddaughter of Novelle Wise of Monroe, Louisiana, also a former resident of Quitaque.

The prospective bridegroom is a district agent for Prudential Life Insurance Company of Waco.

### New Arrivals

Mr. and Mrs. Hal Fuston are the proud parents of a baby girl, born Thursday, October 25 at 6:50 p.m. in Childress General Hospital. She has been named Sara Ranea. She weighed 7 lbs. 1 oz. and was 21 inches long.

Grandparents are Mr. and Mrs. Navarre Bain of Odessa, Mr. and Mrs. Stanley LeValley of Springfield, Colorado and Mrs. Hazel Fuston of Turkey.

"A poet can survive anything but a misprint."  
Oscar Wilde

### Turkey UMW Meets For Bible Study Session

The Turkey United Methodist Women met Monday in the church chapel for the final session of the current study, "Imitators of God," a study on the book of Ephesians. The scripture, "Therefore be imitators of God as beloved children and walk in Christ as Christ loved us and gave himself for us," was read along with a comparison of Col. 3:12-17 with Eph. 6:11-18. Mrs. Roy Patterson, study leader, reviewed briefly the other sessions of the study and closed with the postscript, "God loves you."

Fredia Fuston, president, called the meeting to order, and a short business session was held. It was reported that \$368.78 was made from the rummage sales. It was voted to give the remainder of the rummage to the Salvation Army at Plainview, and they were to pick it up on Tuesday.

The next meeting will be held at the home of Mrs. R. C. Green and will be on November 12 instead of the 5th. It will be the

annual pledge service.

Anyone wishing to buy new toys from the group may call 423-1232 or 423-1034. It was announced that a bake sale will be held at City Drug on November 17 and a bazaar will be held there on December 1. Nadine Baisden dismissed the meeting with prayer.

### Turkey Ladies Attend UMW Conference

Mrs. W. L. Armstrong and Mrs. Roy Patterson, representing the Turkey United Methodist Women, attended a two-day conference held in Big Spring at the United Methodist Church on Tuesday and Wednesday of last week.

Bishop Louis Schowengerdt was a guest speaker and preached for the opening communion service held at 1:30. A business session was held later and officers were elected for the new year. Mrs. Inelle Bagwell of Claude was elected president. A banquet was held at 6:00 p.m. with youth of the host church in charge. A handbell choir present-

ed several numbers which were greatly enjoyed.

A highlight of the Wednesday morning session was the memorial service honoring those who had died during the past year. A pledge service was held and it was announced that \$100,900 was pledged to missions for the coming year.

Theessa Hoover, Deputy General Secretary, Women's Division, General Board of Global Ministries, was the featured speaker. She brought a stirring and challenging message and installed the officers.

Mrs. Janie Sims of Petersburg, retiring president, conducted the meeting and it was announced that a gift of \$500 had been given to Missions as a special honor to her and she was presented with a pin. Each unit of the conference gave an offering for this.

The 1985 conference will be held at St. Luke's UMC in Lubbock, it was announced.

Fish can be susceptible to seasickness. Artificial "storm waves" made in a glass bowl, in a scientific study, resulted in seasick goldfish.

## "Lloyd Doggett is the best thing to hit rural Texas since twist-off caps."

Jim Hightower

When it came time to stand and choose, Lloyd Doggett stood with you.

### ELDERLY

★ Lloyd Doggett fought to preserve the fiscal integrity of all Texas retirement systems and believes that Social Security "is a sacred contract we cannot turn our backs on."

### EDUCATION

★ Lloyd Doggett has always been one of Texas' leading advocates of a first class public education system. As a State Senator, he has been in the forefront of the struggle to improve the quality of teaching for our children.

### PUTS TEXAS FIRST

★ In his eleven years as a Texas Senator, Lloyd Doggett has always put the needs and concerns of Texas first and the greedy special interests last. Lloyd has written and fought to pass 125 people-helping laws, including the Consumer Protection Act, utility reform, and the Human Rights Commission.

LLOYD DOGGETT knows that when our agricultural producers are paid a fair price for their products, it brings prosperity not only to our small town merchants but to our entire state and the U.S. economy in general. And he says, "The mismanagement of the farm program is a national scandal. We don't ask any other segment of our economy to sell their products for less than what it costs to produce them, but current farm policies have done that for three years running and still cost U.S. taxpayers six times more last year than the average farm program costs throughout the entire decade of the '70s. When our farmers are paid a fair price, the rural economy will boom and it will cost taxpayers much less."

Lloyd will fight for a 1985 Farm Bill that will get a handle on overproduction and assure our family farmers of at least recovering their production costs and give them a chance to make a fair profit.

He supports reasonable debt restructuring and a moratorium on farm foreclosures by FmHA until fair price and production policies can be put into place.

In the Texas Legislature, he fought to grant property tax relief to family farmers and ranchers and to deny the relief to giant corporations and land speculators. In the U.S. Senate, he will continue fighting to eliminate tax breaks that give agribusiness conglomerates, "pinstripe farmers" and land speculators a competitive advantage over our farmers and ranchers who aren't in a position to "farm the tax code."

Lloyd authored the Resolution of the Texas Senate to veto a nuclear waste dump in the farmland of the Panhandle.

Lloyd Doggett is the only candidate in this race who has ever had a vote against gun control and he will continue in the U.S. Senate to oppose gun control.

## Vote Lloyd Doggett for U.S. Senate

### Cottonwoods Windbreak Tr

If you have driven past Anne Davidson's house on Highway 86 just east of Lubbock lately, no doubt you noticed their new windbreak. The cottonwoods were planted through the Caprock Soil Conservation District in 1981. They have been growing since April 1, 1984. Mrs. Davidson says they have been watered once a week. The trees are ten feet tall. Months ago, when they were delivered, these trees were only two feet tall.

The cottonwoods are adapted to this area. With sufficient water, they are a growing tree, suitable for windbreaks.

The Caprock Soil Conservation District is offering orders for the spring windbreak tree program. The trees will be delivered to Silverton on November 18. Ordering now will insure your share.

to the

Let's k

Anne Davidson of Silverton, with one of her ten-foot tall cottonwood trees.

### Cottonwoods Are Fast-Growing Windbreak Trees

If you have driven past Jim and Anne Davidson's house (on Highway 86 just east of Silverton) lately, no doubt you have noticed their new windbreak. The cottonwoods were ordered through the Caprock Soil and Water Conservation District last spring. They have been in the ground since April 1, 1984.

Mrs. Davidson says they have been watered once a week. Some of the trees are ten feet tall. Six months ago, when they were delivered, these trees were one to two feet tall.

The cottonwoods are well adapted to this area. With sufficient water, they are a rapid growing tree, suitable for windbreaks.

The Caprock Soil and Water Conservation District is taking orders for the spring windbreak tree program. The trees will be delivered to Silverton on March 18. Ordering now will insure you

of getting the variety of tree you want before the supply is depleted.

The evergreens available are Austrian Pine, Ponderosa Pine, Scotch Pine, Eastern Red Cedar, Rocky Mountain Juniper, Colorado Blue Spruce and Pinion Pine. The hardwood selections include Green Ash, Chinese Elm, Cottonwood, Golden Willow, Hackberry, Honeylocust, Russian Olive, Poplar, Bur Oak and Native Plum. Shrub varieties are Caragana, Cotoneaster, Honeysuckle, Lilac, Plum, Sumac, Sandcherry, Nanking Cherry and Sage.

Windbreak tree designs are available at the Soil Conservation Service office in Silverton. Call 823-2320, or come by the SCS office to order your trees. They can assist you with a design and answer your questions about the varieties of windbreak trees.

### Charge Conference Held At Turkey UMC Sunday

Rev. Bruce Parks of Plainview, superintendent of the Plainview District United Methodist Churches, held a charge conference at the Turkey United Methodist Church Sunday evening at 6:00 o'clock.

Various reports were given and the nominating committee gave a report of those nominated for the different church offices.

Rev. Armstrong reported on the state of the church.

Following the conference, supper was served in the fellowship hall.

### SURPRISE PARTY HELD FOR JAMES FUSTON

James Fuston was honored with a surprise birthday celebration Sunday. All their children and grandchildren were present and also other relatives.

Those enjoying the happy occasion were Leek and Lisa Fuston, Jamie and Lacie of Monte Vista, Colorado; Charmaine and Rex Adamson, Aaron and Ashley, Abilene; Laura and Jon Davidson, Dimmitt; Lana Fuston of Texas Tech and Bryan Burson of Silverton; also Mrs. J. A. Fuston, Mr. and Mrs. Joe Bob Crowell and children, and Mr. and Mrs. Eugene Ferguson, local residents.

Mr. and Mrs. Byron Young visited Mr. and Mrs. Ronald Eudy in DeSota recently. Mr.

and Mrs. Gary Young and Jennifer of Colleyville joined them for a visit.

Vera Guest and Mrs. Lewis Eudy visited their sister, Thelma Roberts, in Amarillo recently.

Mr. and Mrs. Randy Gafford of Lubbock visited Mr. and Mrs. Billie Fuston Sunday and attended church services with them.

Mr. and Mrs. Jay Fleming of Lorenzo spent the weekend with Rev. and Mrs. W. L. Armstrong.

George Hawkins of Mesquite spent several days last week visiting his parents, Mr. and Mrs. W. T. Hawkins, and his brother, Homer and Claudia Hawkins.

# MAKE IT COUNT MORE.

A lot of people don't vote because they think it doesn't count. But think of all your friends who think the same way you do about the future of our country.

Get your friends to vote with you, and together your votes will count more. This year, vote with a friend.

## CARDS OF THANKS

We would like to say "thank-you" for your donations and kind words of concern at the news of Melissa's illness. She has completed her series of radiation treatments and goes for another cat scan in late November for the results. Again, thank you for your support.  
Bucky and Terri Klein,  
Jason and Melissa  
LaVon and Thelma Gafford

It used to be believed that eating lilies of the valley flower strengthend the memory.

Anyone wishing to make a donation can do so by sending it to Melissa Klein Tumor Fund, First National Bank, Box 1331, Amarillo, Texas 79180.

We want to thank all our friends who remembered us in any way during my stay in the hospital. Thank you for the phone calls, cards and visits.  
Dean Lane and family

## Are any cancers inherited?

**HOUSTON, TX. —** Should people worry about inheriting cancer?  
"Generally speaking, no," says Dr. Guy R. Newell, director of cancer prevention programs at The University of Texas M. D. Anderson Hospital and Tumor Institute.

There are some exceptions, such as childhood retinoblastomas, tumors of the eye. Hereditary factors are associated in some adult cancers of the breast, colon and certain melanomas.

"What we do know is some individuals are at an increased statistical risk for developing cancer when there is a familial history of malignancies. That is true for women whose female relatives had breast cancer," Dr. Newell explains.

Scientists around the world are checking numerous clues that suggest as yet unclear familial factors. Such common ground as unusual hormonal patterns, abnormal immune

system functions and insufficient enzyme levels are just a few of the leads being followed.

Dr. Newell notes that an increased risk for developing some type of cancer based on family history can serve to keep many people on their toes to early warning signs. In addition to female breast cancer, men having brothers who develop cancer of the large intestine before the age of 45 should have a complete checkup for possible colon polyps which predispose to cancer.

## Today's Marijuana Now Ten Times Stronger Than a Decade Ago

In the past decade, the potency of marijuana typically smoked in the U.S. has increased tenfold, with damaging consequences to the lungs. In order to combat marijuana smoking among young people, the American Lung Association — The Christmas Seal People® — is launching a public edu-

cation program, "Marijuana: A Second Look," which is targeted at pre-teenagers. For further information, contact your local American Lung Association.
