### Turkey Lions Club

The regular meeting of the Turkey Lions Club was held on August 28th at Lanes Restaurant.

The meeting was called to order by the Boss Lion, Roy Patterson. The invocation was given by Lion Lee Vardy and the Pledge of Allegiance was led by Lion Arville Settiff.

The minutes of the directors meeting were read and approved. The directors approved the ordering of Lions Club Candy.

Lion Lee Vardy reported that the Bob Wills Memorial had been ordered and progress was being made to improve the city park.

Lion Jack Hutton then gave a very impressive memorial to Lion Jess Lipscomb, who was the Boss Lion last year.

Lion Lee Vardy reported on his trip to Mexico City and the Lions International Convention. He said that thousands of Lions from all over the world were there. International Officers were elected for next year and there were several good programs where people wore their native costumes. He reported that Mexico was a very good host and that people were treated fairly by the policemen and all the people who furnished their accommodations.

The Lions Club welcomed James Lipscomb as a new member of the club. James has worked with the Lions Club on many projects.

Lion Jan Turner won the "Pot of Gold" contest, but did not get it because he was not there.

Miss Jnana Cotton, the Lions Club Sweetheart, has agreed to call the Lions Club members the night before the meetings. The Boss Lion expressed the Lions' appreciation to Juana for her work in the Lions Club.

The meeting was then closed by Boss Lion Roy Patterson.

Friends,  
There were so many of you to try to see and so little time to get the necessary things done, therefore we neglected to tell many of you good-bye. We were sure, however, that you would understand.

For six years the people of Quitaque have treated us with the utmost kindness and consideration. For this we are deeply grateful. We shall miss each of you and think of you often—all the good times, joys, and disappointments—whatever they might have been. It seemed that whatever the day brought, people were always the considerate individuals they were the day before.

People are what make a community, and there are many good people in Quitaque, therefore it is a wonderful community and place to live. This has been our sincere opinion in the past and shall continue to be.

To the youth of Quitaque, we say there is none to compare anywhere. We shall surely miss our association with them and sincerely wish that these kids will have the greatest success at whatever they attempt in their new school as well as in their lives. The past six years were very rewarding years of our lives, and the youth of Quitaque did that for us. We shall never forget you or the love and trust that you gave to us. We shall follow the Valley teams in their endeavors with great interest.

If we may, please let us use this method to say good-bye and thanks for a wonderful six years in Quitaque.

kindest regards to each of you,  
Dean, Agatha and Leslie Johnson

Is now  
the time to  
refinance loans?

Capital for expansion, more money from your equity, debt consolidation, smaller payments—these are important reasons for adjusting your loan structure. It's sound business to analyze credit obligations at least once each year to make sure borrowed money is being used to full advantage. Let's talk it over. Should you decide to rearrange your debts, we would be glad to make a Land Bank refinancing proposal.
