United Methodist Church To Have Revival In Quitaque

The Methodist Church will be having their fall revival starting on Sunday, October 14, 1996 in the Quitaque Church.

Services will begin on Sunday morning at the Turkey Church at 9:30 a.m. and the Quitaque Church at 11 a.m. with Jesse Hodge of Tulia leading the service.

Jesse Hodge and his wife Liz entered the ministry in 1972 and was pastor for St. Luke United Methodist Church in Colorado City, Texas for three and one-half years. The church experienced a 50 percent increase in attendance while they were there.

Jesse pastored Adrian United Methodist Church for nine months and then moved to Hereford, Texas in 1976 to pastor the Wesley United Methodist Church for eight year, experiencing an increase in attendance of over 150 percent.

In 1984 they moved to Raton, New Mexico to pastor for seven years and the attendance grew 100 percent while they were there.

In 1991 Jesse and wife Liz moved to Canadian, Texas to pastor the First United Methodist Church for three years and then in 1994 they moved to their present home in Tulia. This is their third year at Tulia. Ninety new members have joined in the three years they have been in Tulia while worship attendance has increased by ten percent.

At the end of this month the club will have the Jail House at the Halloween Carnival.

Turkey Lions Club meeting starts at 7 p.m. with the program beginning at 7:30 p.m. Help us help our community—we serve.

Businesses Encouraged To Decorate Stores

Because *We The Women* are currently experiencing a "manpower" shortage, local businesses are being asked by the Chamber of Commerce to pick up the ball started by *We The Women's* excellent work and decorate their store fronts and sidewalks for fall.

Numerous compliments about the scarecrows, pumpkins, and harvest decor in past years have been received and is perceived as wonderful by visitors to the town.

Your help in continuing the tradition would be greatly appreciated.

Cotton shown after the hail and wind storm hit Monday Night between Quitaque and Turkey.

Wind, Rain, Hail Devastate Area

Many farmers in the Turkey, Quitaque, Flomot area were devastated Monday night when the rain, hail and wind arrived about 5:30 in the afternoon. It was of short duration and only about three-quarters to a mile and one-half wide but was quite a destructive storm with hail and very high winds.

REA customers reported that they were without power for about eight hours; however, Quitaque was only powerless for about one and a half hours.

One farmer estimated the wind to have reached 80 miles an hour during the storm. Much of the open cotton was left in the mud following the hail as the leaves were stripped from the stalks.

There is hope that some of the bolls left on the stalks may be salvaged by the farmers with a new chemical that will cause the bolls to open quickly before being ruined by the moisture.

A rain and hail storm with strong winds hit northwest Motley County around 6 p.m., and was followed by an electrical outage. Rainfall in this area averaged 0.90 to 1.50 inches. Reporting hail damage east of Flomot were Donnie and Howard Rogers, Mary Ellen Barton, Glen and Doyle Calvert and Coy Franks. North of Whiteflat, James Gwinn reported hail from marble to pea-size that shredded cotton leaves. Other residents in the area reported light hail, but no damage.

Turkey reported 0.65 inch of rainfall, while Quitaque had only 0.20 inch. Midway Theatre, meanwhile gauged 1.50 inches, but the wind was blowing so hard, it was estimated by farmers in that section, that probably closer to 3 inches of rain was received. Rushing water and silt drifts closed Highway 86 until highway department personnel could clear it away.

Caprock Partners Organize

October 22, 1996 the new Caprock Partners Foundation will be holding its first meeting to get the public involved with the interpretation, participation, education and preservation of Caprock Canyons State Park and Caprock Canyons Trailway System.

The meeting will be at the Quitaque Community Center at 7 p.m. All area residents are encouraged to attend and find out how the foundation plans to help make this a better, more productive area for everyone.

Cheerleaders To Serve Sunday Lunch Oct. 13

The Varsity Cheerleaders will be having lunch on Sunday, October 13, 1996 at the Catholic Center.

Roye Pigg is sponsoring this luncheon to help the Varsity Cheerleaders meet their goal to travel to the Hula Bowl.

Menu for the lunch will be roast beef, green beans, potatoes, gravy, cobbler and tea, along with Roye's homemade rolls.

The girls will start serving lunch at 11:30 a.m. and close at 2 p.m. The girls will be having the Cow Paddy Bingo during the Fall Foliage Festival On October 19. If you have any questions about this or wish to enter, just call any of the cheerleaders or Carol Ramsey at 455-1278.

Preparations Continue For Fall Foliage Festival

Locations and times for events were finalized at the October 2, 1996 Chamber of Commerce meeting. Foliage tours, which take approximately three hours, will be leaving from the trail head beginning at 9 a.m. The tours will continue until 5 p.m.

The Health Fair will take place between the hours of 10 a.m. to 3 p.m. Callie Payne with the Briscoe County Extension Service reports that this should be the largest health fair to date. Flu shots, kids booster shots, blood sugar testing, and cholesterol testing will all be available. Mammograms will also be available if sufficient numbers of citizens sign-up prior to the health fair. There will be a small charge for some of the shots and the mammogram service.

The pumpkin decorating contest sponsored by Caprock Cafe will have judging begin at 2 p.m. The carved or decorated pumpkins may be brought by prior to that time for display and viewing.

The soup lunch and desserts will be served in the Community Center from 11 a.m. to 2 p.m. Citizens may be called in the near future and asked to cook a pot of stew, soup, or dessert. Before or after the luncheon people are encouraged to attend the Hot Sauce Taste-Off at Helm's Irrigation Office between the hours of 11 a.m. and 1:30 p.m. People from over 50 miles away have already called wanting to enter their hot sauce.

The bike parade will begin from the bank parking lot at 10 a.m. and will proceed to the old

gin yard where the kids bike races will be held beginning shortly after the bike parade.

Other events taking place during the day will be a book sale at the library from 10a.m. until 3p.m. and We the Women's Quilt sale from 9 a.m. 'til 3 p.m.

The Valley Varsity Cheerleaders will be conducting a Cow Patty Bingo and the Chamber members will be selling raffle tickets.

Win A Prize With Your Pumpkin

For the second year in a row the Caprock cafe will be offering prizes for the best carved pumpkin or the best decorated pumpkins during the Fall Foliage Festival.

Judging for the event will be done by fair and impartial judges. Categories for the contest are Adult, High School, Junior High, Grade School and Pre-school. Teachers, win an ice cream party for your class with your "class project", decorated pumpkin!

All you need is a sharp knife, or some paint and some imagination. You may take all the time you want to decorate your pumpkin but they must be taken to the Caprock Cafe on Friday afternoon, October 18, 1996. Judging will take place on Saturday, October 19, 1996 at the Caprock Cafe parking lot.

For further information please contact Louise at 806/455-1429.

THEN & NOW!

by Eunice McFall

Worry, what a sorry word! No one likes to think about worrying. We all do a lot of unnecessary worrying but if at all possible we should try to curtail this negative habit and replace it with a positive one. Of course when one of our family is in a critical situation whether it be a health problem, emotional problem or a financial problem up comes the old negative thoughts of worrying. We usually go around and around with the same thoughts chasing each other through our mind. We really do not accomplish anything but to exhaust ourselves and put a frown upon our faces as we become more unhappy each minute.

How can we overcome this bad habit? Because a bad habit it is! The more we indulge in this habit, the more of a hold it has on our lives and the more time we spend in the process of worrying and not accomplishing anything to help out in the situation, whatever it is. Worry actually creates a state of depression in us when we indulge in it. We are not any help not only to ourselves but we actually infect those around us with our depression.

One way to help combat the depression of worry is to replace it with something positive. Telling someone to stop worrying is like telling the wind to stop blowing! Until they can think of something positive, and hold onto that thought, the negative worry is going to remain in their mind.

Another way to help get rid of worry is to take it apart and see just why you are worried. Take each small part of the worry and dissect it and the first thing you know you have completely cut it away and out of your mind. It wasn't such a biggie after all when you cut it down to size by taking it apart.

Dr. David Keppel wrote a poem about handling worry: "Better never trouble trouble until trouble troubles you, For you're sure to make trouble, Double trouble when you do. And your trouble, like a bubble, That you're troubling about, May be nothing but a cipher With the trim rubbed out."

When we constantly worry, we can lose our way back to being a happy content human being. It is like being in a terrible black dust storm and you can not find your way home, but if you could just rise above the dust clouds you could see a beautiful sunny day. We need to rise above the terror that constant worry can put in our thoughts and think of all the good that can come to us instead of all the bad that can happen.

If we lift our spirits, we can rise above the worry--this is not to say that the problem will vanish like smoke but it will be put in perspective and we can once again think clearly and perhaps even solve the problem that has been such a worry to us!

**Time To Update Birthday Calendars**

Each year *We The Women* sponsor a birthday and anniversary calendar for the area. It is time once again for those new to the area to call in family birthdays and anniversaries. Newly marrieds and those with new babies are encouraged to add your dates to the calendar.  
 Please call Delene Tyler (455-1109) or Arlene Hinkle (455-1225) as soon as possible.

**Needed Your Best Pumpkin Desserts**

Ladies, it is once again time to put your best pumpkin desserts out for the Chamber of Commerce luncheon on Saturday, October 19, 1996 at the Quitaque Community Center. Lunch served that day will consist of homemade soups, salads and pumpkin desserts. The Varsity Cheerleaders are in charge of arranging for the desserts this year as the Chamber is donating a portion of the luncheon fees to their fund to go to the Hula Bowl.  
 If you are interested in furnishing a dessert for this event please call Carol Ramsey at 455-1278 for more information.

**Health Fair Coming**

by Calley Payne, CEA-FCS  
 Fall has arrived and along with it will be the annual Fall Foliage Tour and Health Fair in Quitaque. This year's Health Fair promises to be a success with the largest number of exhibitors in quite a while. It will be held from 10 a.m. to 3 p.m. at the First National Bank.

Services available will be flu shots, breast health risk appraisals, mammograms, HIV testing, glaucoma screening, blood pressure, blood sugar and hemoglobin screening.

Agencies participating will include AARP, 55/Alive Mature Driving, Alzheimer's Association, Briscoe County Clinic, Columbia Homecare, Don and Sybil Harrington Cancer Center, Jan Werner Adult Day Care Center, Lions Hi Plains Eye Bank, Panhandle AIDS Support Organization, Texas Department of Health, Texas Department of Protective and Regulatory Services, and the American Cancer Society.

The Health Fair is sponsored by the Quitaque Lions Club, Extension Home Economics Committee, and the Briscoe County Office of the Texas Agricultural Extension Service.

**Breast Screening Clinic To Be At Health Fair October 19**

by Tracy Dougherty  
 The Women's Center of the Don and Sybil Harrington Cancer Center and Baptist/St. Anthony's Health System will conduct a Breast Cancer Screening clinic at the Quitaque Health Fair, October 19, 1996. The clinic will be held in the Quitaque First National Bank's Community Room, 4th and Main.

Breast cancer affects one in eight women. The key to winning the battle against cancer is early detection by having an annual breast exam, mammogram and performing a breast self-exam each month.

Participants will receive a low-cost screening that includes a mammogram and instructions in self-examination by a registered nurse. A minimum of fifteen women need to register in order for the mobile mammography clinic to come to area towns.

Funding is available through the Texas Department of Health for Texas residents who qualify for assistance. All exams are done by appointment only. For more information and costs call 806/359-4673 or 1-800-377-4673.

**Thursday Quitaque Senior Citizens Meet**

by Dorothy May  
 The Quitaque Senior Citizens monthly noon meal will be October 10, 1996. The group will be looking for each of you to come by and have lunch with them.

The Senior Citizens met on October 3, 1996 for their monthly business meeting with eight members present.

President Buddy Price called the meeting to order and Lola Bell Harmon gave the opening prayer.

Judy True read the minutes and several items of business were then discussed.

The group decided not to have anything for the October Fall Foliage Fest so that they could concentrate on the Caprock Country Christmas. Lots of good plans are being discussed.

A trip to Furs in Plainview has been planned in the near future.

A Thanksgiving dinner will be served on November 14, 1996 with turkey and dressing and smoked turkey with all the trimmings.

Meeting was adjourned and the group enjoyed cookies and canned fruit for refreshments.

**October 6-12 National 4-H Week**

**4-H is More Than You Ever Imagined**

by Calley Payne, CEA-FCS  
 In support of the 4-H Club Motto, To Make the Best Better

I Pledge:  
 My Head to clearer thinking,  
 My Heart to greater loyalty,  
 My Hands to larger service, and  
 My Health to better living.  
 For my club, my community, my country and my world.

Briscoe County 4-Hers will be using their head, heart, hands, and health "to make the best better" for the local program during National 4-H Week, October 6-12. Evidence of 4-H pride will be seen over the community as each of the three county clubs has chosen a promotion project and will also be carrying out the 4-H Heritage Search.

**4-H INFO**

4-H members choose projects that interest them. Texas has more than 40 projects to choose from including traditional livestock, food and clothing projects as well as dog, photography, recreation, and public speaking projects and many more. 4-Hers may be members of livestock, horse, meat, or consumer decision making judging teams. They can also participate in 4-H camps, fairs, or trips to other states and countries. Many 4-Hers receive college scholarships. The Briscoe County 4-H Program is growing and hopes to begin new projects and activities. The opportunities are endless.

**Caprock Public Library Book Sale**

by Arlene Hinkle

Caprock Public Library is having a Book Sale during the Fall Foliage Fest on October 19. There will be old books that haven't seen daylight in years, some First Editions, some classics, and lots of "a bit of everything."

There are boxes and boxes of paperbacks, romance and horror. There are also some books for children; as well as some college textbooks.

Come and browse on October 19 between 10 a.m. and 3 p.m. Those long winter days will be here before long when you will need a good book to curl up with.

**WHAT ABOUT ADULTS?**

4-H is a family affair and strong adult leaders are the key to a successful 4-H program. There are several opportunities for parents to help. This help can range from being a project leader to driving members to activities or supplying refreshments for a meeting.

If your family would like to be involved in 4-H, please contact the county extension office (806/823-2131) or come to any of the 4-H club meetings.

Briscoe County Senior 4-H Club Meetings—First Monday of every month, 7:30 p.m., place to be announced.

Silverton Junior 4-H Club—First Tuesday of every month, 3:15 p.m., Silverton School Cafeteria.

Valley Junior 4-H Club—First Wednesday of every month, 3:45 p.m., Valley School Cafeteria.

Come and join us as we strive to make the best better in Briscoe County!!

New books at the Caprock Public Library include: *A Secret Affair* by Barbara Taylor Bradford. Unconditional love and devotion, loyalty and loss will stir the hearts and minds of Ms. Bradford's fans.

*The Horse Whisperer* by Nicholas Evans. Annie Graves has traveled across a continent to heal her injured daughter, the girl's savage horse and her own wounded heart. Tom Booker has a special way with horses, maybe he can mend a broken spirit as well.

Congress' Medicare reform plan allows seniors more benefits than Medicare does now, like prescription drugs.

**Myth:** Congress' Medicare reform plan would cut spending.

**Fact:** Medicare spending would continue to increase from \$4,800 to \$7,100 per beneficiary in the year 2002.

**Myth:** Congress' Medicare reform plan would cut benefits.

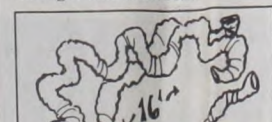

**Fact:** Not only would it not cut benefits, it would allow beneficiaries the opportunity to choose a plan that increases their benefits and reduces their out-of-pocket costs.

**Myth:** Congress' Medicare Reform Plan would take money out of Medicare to pay for tax cuts.

**Fact:** Medicare's own Trustees say Medicare is "clearly unsustainable" in its present form. Reform is needed whether or not taxes are cut. If nothing is done, it will run out of money.

Some politicians are trying to scare senior citizens just to get their vote. Before being a victim of "Medicare" ask every candidate what his or her plan is to save Medicare.

For the true facts on Medicare reform, contact the Coalition to Save Medicare at 202-347-5731, or write: 1800 Massachusetts Ave., NW, #401, Washington, D.C. 20036. E-mail davidg5@ix.netcom.com.

# Soup's On!

Fall's cooler days make a soup supper especially satisfying, and quick-cooking ingredients make it possible to enjoy homemade soup any night of the week. *Pacific Rim Meatball Soup* is easy to make and healthy, too, because it uses convenient lower sodium canned broth, recipe-ready fresh vegetables from the supermarket produce department and lean ground turkey breast. The meatballs owe their soft, moist texture to quick or old fashioned oats. Generations of savvy cooks have relied on Quaker oats to make meat loaf moist and juicy, and wholesome, whole grain oats work the same way in recipes for meatballs and burgers. They're also an economical way to stretch a pound of ground turkey or lean beef to serve six. For an Asian flavor, the ground turkey is seasoned with soy sauce, sesame oil and ginger before shaping into small meatballs. To keep meatballs tender, use a gentle hand when mixing and be sure not to overcook them. Crusty bread or rolls, fruit and fortune cookies complete the meal.

### Pacific Rim Meatball Soup

- 1 pound ground turkey breast
- 3/4 cup Quaker oats (quick or old fashioned, uncooked)
- 2 tablespoons reduced sodium soy sauce
- 2 teaspoons sesame oil (optional)
- 1-1/2 teaspoons minced fresh ginger or 1 teaspoon ground ginger
- 1/2 teaspoon pepper
- Two 14-1/2-ounce cans lower sodium chicken broth
- 1 cup water
- 1-1/2 cups halved pea pods
- 1 cup thinly sliced carrot strips
- 1-1/2 cups bean sprouts
- 1/4 cup thinly sliced green onions

Spray rack of broiler pan with no-stick cooking spray. Combine turkey, oats, soy sauce, sesame oil, ginger, pepper and 1/4 cup chicken broth; mix lightly but thoroughly. Shape into 1-inch meatballs; place on prepared rack. Broil 6 to 8 inches from heat 7 to 10 minutes or until cooked through. In large saucepan, combine meatballs with water and remaining broth; bring to a boil over high heat. Add pea pods and carrot strips; cook 1 to 2 minutes or until vegetables are crisp-tender. Turn off heat; add bean sprouts and onion. Serve immediately.

## Public Meeting Notice

Floyd County Soil and Water Conservation District will hold a public meeting October 22, 7:00 p.m. at the Floydada High School auditorium in Floydada.

Local Conservation needs assessment, priorities, and recommendations for the Floyd County SWCD to meet its responsibilities in the 1996 Farm Bill will be discussed.

## New Rules Will Alter Enrollment In CRP Program

New rule changes proposed by the U.S. Department of Agriculture. The changes would dramatically alter the way cropland is enrolled in the Conservation Reserve Program (CRP).

When Congress passed the Farm Bill earlier this year, it froze the number of acres and left it to the administration to write the regulations implementing the program. USDA is proposing an entirely new set of criteria for enrolling acreage.

In the 13th district alone, there are nearly 1.5 million acres of CRP land. If the USDA's plan is allowed to go into effect, nearly half of these acres could be prevented from reapplying to the program. This could potentially have devastating effects. Not only has the program provided supply control and price stabilization, but has also provided the additional environmental benefits of soil restoration, cleaner air, and decreased depletion of the aquifer, according to Congressman Mac Thornberry, (R) 13th District.

The new rules were formally published last week in the Federal Register. Among other things, they would stipulate that land meet an Environmental Index level of 8 and over in order to participate in the program. "The problem with this rule change," the Congressman noted, "is that it puts too much emphasis on water erosion and disregards the full impact of wind erosion."

The proposed rule will be open for public review and comment for the next 45 days. Af-

## THINGS SEEN AND HEARD

Traveling to Lake Whitney last week were Dot Arnold and Arlie Williams. They visited in the home of Olga Mohon. Faye and W. L. Armstrong came to the Mohon home to visit with the ladies from Turkey. They reported the Armstrongs looked great.

They found out that the Johnny Rakestraws were also camping on the lake but they did not see them. The Armstrongs and Rakestraws were former residents of Turkey.

My news is pretty short this week. We drove to Stephenville on October 1 and visited with our daughter and grandsons, Linda, Zach and Josh Hamilton. On Friday we all drove to Brenham to visit with our son and wife and our granddaughter, Kim, Lisa and Makenzie Coker. We drove back to Stephenville on Sunday and returned home Monday afternoon, quite tired but very happy that we got to see our kids.

Not long after we arrived home last Monday, we were welcomed by a terrific storm. Our rain gauge only showed 4/10" in it but the winds were terrible. The storm also brought pea-size hail

at our house. West of town, by the Valley School and theater, the hail destroyed quite a bit of cotton. The television was also off so we missed Monday night football.

As a result of the storm a broken high line, started a fire on Tuesday west of town. I heard it was on Harold Ham's place.

Therma Farley met her sister, Bernice Arnold from Big Springs at Esther Butler's home in Amarillo where they visited her for a week. They enjoyed shopping. We had a good visit and Ester is in good health.

## Turkey Class of '56 To Hold Reunion

The class of '56 will be holding their 40th reunion this week-end at Hotel Turkey.

Some of the class members will begin gathering on Friday night, October 11th. Registration will begin Saturday morning.

If anyone wishes to drop in for a visit Saturday, please feel welcome.

Their evening meal will be served at 5 p.m. on Saturday by Susie and Gary Johnson, the Turkey Hotel managers.

The class members who reside in Turkey are Janice and Billy Wheeler, Lawana Cruse, Doyle Proctor, Pat Carnes and Claudia Hawkins. Some of these members have spent a lot of time and effort in preparing for this reunion.

**Keeping an eye on Texas**

**Cash value in nuisance crop**

Although farmers try to get rid of it, and some ranchers use it as feed for cattle during dry spells, Texas landowners may want to see the potential of prickly pear cactus as a cash crop. The fruit and cactus pads, which are becoming popular food items throughout the Southwest, currently are imported from Mexico.

**Prickly pear**  
Grows naturally on 70 million acres in Texas

Fruit, called 'tunas,' used in jams, jellies and flavoring for drinks. Cactus pads, called nopalitos, eaten with eggs, sautéed or in salads.

**The Laney Agenda for Texas**

Balance the state budget without raising taxes

Monitor the new, expanded prison system and continue cutting parole for violent offenders

Ensure that agriculture and agribusiness have a strong voice at the Capitol

Continue creating jobs in the Panhandle and the South Plains so there can be better opportunities for future generations

Improve our schools by promoting more local control and bringing technology to the classroom

Keep taxes down so the economy grows

### Big Money, Horse Trailer Await Ropers

With 40 of the worlds top ropers expected this weekend at the Fall Festival Invitational Roping, some lucky cowboys are going to be taking home big money prizes.

Lindy Jordan, spokesman, said that \$1,000 from donating sponsors will be added to the pot, whatever it is, daily, and the high money winner for the combined two days of roping, will take home a brand new two-horse trailer.

In addition to the money pots and trailer for the ropers, spectators each day will also be in the drawing for door prizes donated by local and area merchants, and gift items donated by Art and Craft show exhibitors in the Moffitt Show Barn.

Jordan said among the nice prizes to be given away, some of the bigger ones include four pair Roy Cooper boots; four pair Wrangler jeans; two Bailey brand felt western hats; and two gift certificates from Owens Supply at Childress. Numerous other items will be given away as well.

The Roping begins at 1:00 p.m. daily, and two concession stands will be open all day each day, in addition to food booths in the Bazaar.

### Singers Announce Date Of Meeting

Motley County Singing Convention will meet at the Roaring Springs Assembly of God Church, Sunday, October 17, for the organization's second 1948 semi-annual meeting. Singing will start at 10 o'clock and continue throughout the day with exception of the "dinner on the ground" lunch recess.

Dinner will be with the old-time basket method. Arrangements are being made by the church for all necessary facilities. All singers and those enjoying old-time gospel singing are extended a cordial invitation to attend. Autumn meeting date is the third Sunday in October

Some misunderstanding has been experienced by singers assuming the meeting to be October 10 instead of the arranged date of October 17 officials declared.

Motley County Singing convention is the oldest organization in the county.###
