Students attending Valley School need required immunization shots DPT, polio and measles.

Buses will run 10 minutes earlier than they ran last year. The first class bell will ring at 8:10 a.m.

THEN & NOW!

by Eunice McFall

Excitement seems to be in the air around the town of Quitauque. Plans have been made and many hours spent doing all the necessary jobs that it takes to put on a Homecoming for a town the size of Quitauque. If everything is to be accomplished by the weekend, many more late hours will be spent doing last minute preparations. Everyone in town, it seems, is looking forward to having company for the weekend and seeing old schoolmates and friends over the Homecoming weekend.

Whatever category that you fall in, I think that your expectations will be met. The Homecoming committee has been hard at work for some weeks trying to get great meals and a wonderful program together so that one and all can enjoy the 1993 Homecoming. This means you!

What makes a successful homecoming? People are the main ingredient that is needed for a unforgettable day that will live long in the memories of those attending. Where do the people come from? There will of course be lots from out of town coming for the gathering and most of them have had their plans made for a long time, some maybe since 1990 when Quitauque had the last homecoming.

However there are quite a few people right here in town that should be involved in the activities so that they too will have the memorable time of their lives. Part of the joy to be reaped from any activity is in the participation of its development. Have you carried your share of the preparations? It is time for each of us who have the pleasure of living in Quitauque to get out, greet, meet, eat and visit with those who have traveled a long distance to participate in this 1993 Quitauque Homecoming. Have fun everyone!

American Heart Ass'n. Urges Donors Caution With Gifts

Austin-July 23, 1993 - The American Heart Association has issued a warning to South Plains and Panhandle residents to be cautious when responding to requests for donations from non-profit organizations.

Requests from organizations with similar-sounding names may confuse donors and divert funds from intended agencies.

Only one organization -- The American Heart Association -- has an unsurpassed record of fighting heart disease and stroke through research, facilities and education for almost 70 years. The trademark is their guarantee of fiscal responsibility and effectiveness.

The Texas Affiliate and other AHA offices around the country have had numerous requests for information about such sound-alike and look-alike organizations. We want the public to understand that there is no relationship between these groups and the American Heart Association.

We believe all contributors should give to your county AHA Memorial chairperson or AHA volunteers during the annual fund drive.

Turkey Lion's Club Directors Retreat

On Friday, July 23rd, Boss Lion Don Turner, Vice President Keith Green and directors Buddy Colvin and Barry Long braved the elements and the down town traffic to meet at the historical Hotel Turkey.

At this retreat we planned on enjoying a boat ride but couldn't get our trailer through the small gate by the duck pond.

However, Boss Lion Turner reported that over all they had a good time and discussed some interesting plans in the future for the Lion's Club and the community.

Boss Lion Turner reported that "We're looking forward to our next meeting which should be quite interesting. It will be Monday night, August 23rd, 7:00 p.m. at Hotel Turkey. We want to encourage all members to be present for this important meeting. As usual, all new members will be welcomed."

Classes of 1943-1944-1945 will be meeting at the home of Mary and O.R. Stark.

Quitauque Hosts Fifteenth Homecoming

The first Quitauque Homecoming was in 1954 on the Saturday following Public School Week. H. W. Cross who was the superintendent in 1954 came up with the idea of having a school homecoming in Quitauque. O.R. Stark was the first president of the Homecoming Committee.

Homecoming was celebrated once again in 1955. That year it was decided that the next one should be in 1957. In 1957 the Ex-Student Association voted to have Homecoming every three years and this is the way it remains today.

The day was changed to a summer date as it was too difficult for ones with children in school to be able to attend the Homecoming in the spring.

Homecoming '93 will be the 15th Homecoming for Quitauque. However, Quitauque has been celebrating Homecoming for 39 years.

Karol Pigg is the 1993 president of this year's Homecoming Committee with Kay Calvert serving as vice president. Lyn Payne is secretary and Janelle Smith is the treasurer with Rhonda Cochran serving as reporter.

All present and past residents of the Quitauque area are encouraged to attend and enjoy the festivities

Saturday

B.J. Robison talked to Jody Nix, a favorite entertainer in this area, about furnishing the entertainment but was committed to another engagement on that date. Mr. Robison has several other bands he plans to contact to furnish the music for the event.

The Lions Club, under the leadership of Boss Lion Don Turner, has gotten the Chuchwagon supper for Saturday night planned. Boss Lion Turner said Roy Gene Stephens of Matador has been drafted to help with the supper.

At a previous meeting of the Bob Wills Association, Pat Carson has been elected as the Parade Chairman for the Bob Wills Celebration next April. Mr. Carson will be taking the place of J.H. Lane who has recently moved from the area.

Things Seen Or Heard

I received quite a pleasant surprise last Thursday night. It was a phone call from Barbara Eudy of Austin. Barbara was in Levelland visiting with her daughter, Jill Roberts and granddaughters, Marcie and Mandy.

The four of them drove to Turkey on Friday and we met at the cafe for lunch and had a long, long visit as it had been nearly two years since Barbara had been here.

Barbara stated she definitely would retire from the teaching profession this year, but her husband, Jay Eudy, is not quite ready for retirement.

Barbara and Jill were unable to stay and visit very long in Turkey as they were going back through Plainview for more visiting.**

Charmaine and Rex Adamson and children, Ashley and Aaron of Lubbock came to Turkey a week ago last Monday. They visited with Rex's mother, Mary Beth Adamson and with Charmaine's parents, Wilda and James Fuston.

On Tuesday, Lana Burson and her three boys arrived to visit with the Fustons and they all went to a tank out on the Rorie Place for some fishing and a picnic.

The Adamsons returned to their home in Lubbock on Thursday after four fun-filled days in Turkey.**

Visiting in the home of Linda Ferguson over the weekend were her son and family, Ike and Frances Ferguson of Wichita Falls. They returned home on Sunday.**

Faye and Henry Young of Arkansas came to Turkey last Wednesday afternoon to spend the night with Janice Stewart, an old friend. The Youngs were in route to Oregon. Henry Young and the late J.E. Stewart had been long time friends.**

Boy-O-Boy, but it was good to see Darrell Johnson in town last week. Darrell suffered a very

The annual Bailey Reunion was held July 24-25, 1993 at the Holiday Inn in Lubbock, Texas.

Those attending were: Mary Lou and Kathy Bailey, Lourie and Camern of Lubbock; J.W., Rita, Jason and Sammy Bailey of Levelland; also Valerie Ingram of Irving, Texas. Others attending were Charlie Bailey of Quitaque, Gordon, Charlene, Carissa and T.J. Rothwell of Plainview; Stacey Rothwell and Robert Kolman of Taylor, Texas. Also Sharon and James Wassom, Tyke, Jennaifer, Stephan and Tyson Wright and Janet and Allison Turner of Amarillo, Texas. Enjoyed visiting with Norma and Jackie Young last Monday. The Youngs, from Ralls, were in town to visit Jackie's mother, Vernell Russell and Norma's father, Nubbin Yates.

When asked about their children, Jackie said son Rowdy was taking some college entrance exams preparing for enrolling this fall. Daughter Allison also was unable to accompany her parents.**

Bill Carson of Clint, Texas has been in town visiting with his children, Lisa Price, Jay Proctor and Pat Carson. Mrs. Carson was unable to accompany him to Turkey as she teaches in a school that is year around.

I think it would be a good idea if Roberta Carson would retire and she and Bill move to Turkey where their three children live!**

Doyle Dean Proctor had throat surgery a week ago last Tuesday

in Amarillo. It was day surgery and he was home Tuesday afternoon. His wife, Jay, reported Thursday that he was doing great.**

I read in the Amarillo Paper last Saturday where an Ex-Turkey resident, Hayden Willhite, has been named the new superintendent of the Boys Ranch Independent School District.

When Bruce Setliff began his coaching career at Stinnett several years ago, Mr. Willhite was the Stinnett superintendent, and he introduced himself to Bruce as another ex-Turkey resident.**

Bonnie Hill returned to her home a week ago last Tuesday following hip surgery in Amarillo. Returning home with the Hills were their son Rod and Dianne Hill of Claude. The Rod Hills stayed until Friday afternoon when Carol Weatherly of Memphis arrived. Carol will be staying with her parents all this week.**

Lisa McKnight and children of Amarillo arrived in Turkey last

week to spend several days with their grandmother and great-grandmother, Virginia Degam.

The Amarillo guests thought they might have to extend their stay. Sunday morning while packing their car to return home the car doors were accidentally locked-with the keys in the ignition. Good Samaritan Byron Young was called but he was unable to unlock the doors as his door unlocker had been borrowed. Another Good Samaritan, Jerry Beck of Quitaque, was called and he successfully got the door unlocked.**

Mr. and Mrs. Jenkins of Higgins were in town last weekend. They were visiting in the home of their son and family, Daniel, Jackie and daughter, Jordan.**

Received a post card several days ago from my sister-in-law, Maurine (Coker) and husband Steve Stevens. I was quite envious when I received it. They were in Honolulu, Hawaii celebrating their fiftieth wedding anniversary.**

Margie Chaney's Open House

Margie Chaney has recently opened up a "Sewing Center Store" by her home, the former George Gafford home in Turkey.

Mrs. Chaney was quite pleased over the people who attended her grand opening last week.

Margie has a good variety of sewing goods for sale. Beautiful bolts of material, thread, patterns, quilt scraps and other necessary sewing supplies.

In the future Margie hopes to set up a room where she can teach sewing, knitting, crocheting, quilting, etc., whatever is in demand. Also she plans to sew for the public.

Her husband, Bob Chaney, assists her in her work. Mr. Chaney made the tote bags that were given away during her opening.

On the QT

Nolah and Seldon Bailey of Tulsa OK. will not be able to make homecoming as she will enter the hospital on August 6.**

Turkey Peanut Patch Has New Look

The Peanut Patch, operated by Allan and Silvia Boeshart, has been completely redecorated.

The couple are now serving lunches and evening meals. Their meals are mostly composed of beneficial and light dishes which are quite appropriate for this hot weather. Their meals are composed of soups, sandwiches, vegetable and fruit salads. Many of the vegetables and fruits they serve are raised in their own garden. They also serve desert-cakes and sherberts. Coffee, tea and lemonade are served to diners or if you just want to drop in for a cup of coffee or some iced tea or lemonade, there are tables and chairs for their guests.

Allan is quite an accomplished carpenter. Their customers are seated in chairs and served on tables he has made. Ammunition boxes are hung on the wall and are filled with their wares they have prepared to sell.

They still make their delicious pizza, but remember to call in ahead of time for pizza.

Drop in anytime to see the new look at The Peanut Patch.

La Vern Benton has been busy with reunions this past month. She attended the Miller reunion at Proctor Lake at Commanche, Texas the Benton Reunion at Clear Creek in Duncan, Okla. and the Whaley Reunion at the City Park in Marlow, Okla. Lloyd and Margie Wellman, of Lafayette, La. visited their son, Jack Wellman and his family recently. They have a home in Shallowater. They came to spend a few days getting their place caught up and found quite a mess.

The heavy rains in Lubbock the week before they came home had flooded their basement. The last time Margie was home, was October 1992, she had a dining room and basement built. It has now been re-done, thanks to the flood.**

Guests in the home of Kay and Deloy Myers for the weekend were Lane Myers and Natalie Burks. Sunday they all drove to Lockney for a birthday lunch with Robin and Randy Race. They were honoring Deloy and Lane on their birthdays.**
