

# Thanksgiving

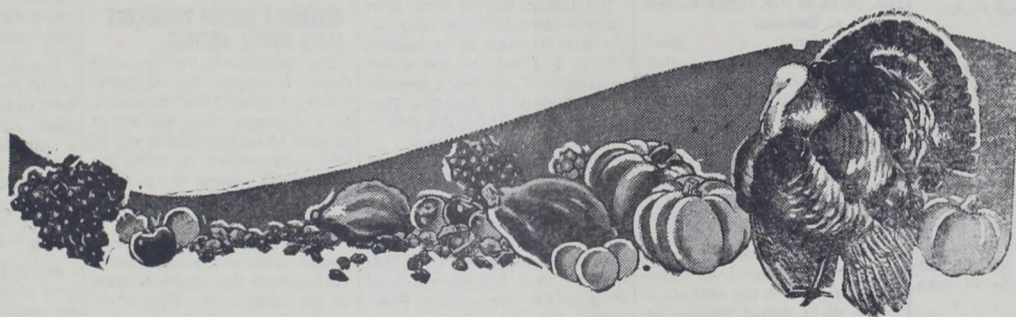

## A Time to Pause- and say "Thank You"

Our Pilgrim Forefathers conceived Thanksgiving as a day to stop and take stock of all the good things of life. They had, as we do today, a constant threat of upheaval. They, too were beset by problems—economic, political—big and small—but they found time once each year, to thank God and thank each other for all the good things they enjoyed.

We have been blessed with such an abundance of the good things in life that we often take them for granted, not

stopping to realize that there are so many on earth who do not have the things we take so much for granted—the many freedoms we enjoy, as well as the material things we have.

WE ARE thankful for the opportunity we have of being part of a thriving community and for you, our friends and customers, whom we are privileged to serve. We pledge our continued efforts to be worthy of your patronage.

**SPECIAL MEETING CALLED FOR NORTHWEST TEXAS CONFERENCE OF UNITED METHODIST CHURCH**

LUBBOCK — A special called session of the Northwest Texas Conference will be held in Lubbock on December 6 and 7 to present the quadrennial emphasis of the new United Methodist Church, Bishop Alsie H. Carleton has announced.

It will be the first meeting of the conference since Carleton was el-

ected bishop at the South Central Jurisdictional Conference in Ok- lahoma City last July. Bishop Car- leton presides over the Northwest Texas-New Mexico area of the United Methodist Church which in- cludes both the Northwest Texas and New Mexico conferences. Headquarters for the episcopal area is Albuquerque.

Although the official merger of the Methodist Church and the Evangelical United Brethren Church was accomplished just prior to the annual conference in Amarillo in May there was not time then to set up machinery to accomplish the programs outlined in the quad- rennial emphasis. "A New Church for a New World."

The special session in Lubbock has been called primarily for that purpose, Dr. S. Duane Bruce of Lubbock, conference program di- rector, said.

The conference will convene at First United Methodist Church at Lubbock at 3 p. m., December 6. A worship service will open the meeting, with the Rev. Marvin James, pastor of the First United

Methodist Church, Chillicothe, scheduled to speak.

Bishop Carleton will then be formally presented to the confer- ence by Dr. Marvin Boyd, Lubbock District Superintendent and chair- man of the cabinet for the North- west Texas Conference.

Dr. Paul M. Bumpers, chairman of the Conference Program Coun- cil and chairman of the Quadren- nial Emphasis Committee, will pre- side as the quadrennial emphasis is presented. There are three main divisions of the emphasis: 1. The Fund for Reconciliation, a \$200 million fund approved by the Gen- eral Conference of the United Methodist Church, half of the funds to be used in annual con- ferences and half to be used by the General Conferences for work in the United States and around the world. Dr. Bruce said that no goals had been set for the North- west Texas Conference or its sub- divisions and that participation was voluntary; 2. A new Bible study built around the Sermon on the Mount. This will be carried out in local churches as the minis-

**Give A Cookbook For Christmas**

Here are three recipes you will enjoy during the holidays. The family will love them. Your friends will feel "special" to receive a gift from your kitchen. These are just three of more than 200 delightfully different and deliciously fresh recipes included in the new Sunkist Cookbook — "Citrus Treasures Of The West."

**HOLIDAY CANDIED CITRUS PEEL**

- 3 cups citrus peel, cut into strips from:
- 1 to 5 medium California oranges, or
- 1 medium California lemons, or
- 2 medium to large California grapefruit, or
- 1 to 9 large California tangerines
- 12 cups cold water
- 1/2 cup sugar
- 1/2 cup honey
- 1 3/4 cups boiling water

To prepare peel, wash fruit, score peel into quarters. Remove sections of peel with fingers; cut into uniform strips about 3/8 inch wide. Boil peel with 6 cups cold water uncovered for 10 minutes; drain and rinse. Repeat process with 6 cups fresh water. If you are preparing tangerine peel, omit second boiling. In large saucepan combine 1 1/2 cups sugar, honey and boiling water; bring to a boil and boil 1 minute. Add cooked, drained peel and briskly simmer until almost all syrup has been absorbed, about 30 to 40 minutes. Stir frequently to avoid sticking. Transfer peel to colander; drain well, about 10 minutes. In large bowl, toss drained peel with remaining 1 cup sugar to coat well. Spread out on waxed paper to dry. Store in tightly covered container. Makes 1 pound.

**FESTIVE ORANGE CRANBERRY RELISH**

- 1 pound fresh cranberries
- 2 medium California oranges, unpeeled
- 1 1/2 cup brown sugar
- 1/2 cup coarsely chopped walnuts

Wash and pick over cranberries; put through food grinder along with oranges that have been cut into wedges and seeded. (Or finely chop in electric blender.) Stir in sugar and nuts. Chill. Makes about 1 quart.

**SWEET 'N FLUFFY LEMON BUTTER**

- 1/2 cup butter or margarine, softened
- 1/2 cup honey or unsifted confectioners' sugar
- 2 tablespoons freshly squeezed lemon juice
- 1 teaspoon freshly grated lemon peel

In small mixer bowl, cream butter until very fluffy. Gradually add honey in a thin steady stream while beating at high

speed; beat in lemon juice. (Or if using confectioners' sugar, add sugar and lemon juice alternately to butter, beating until smooth.) Sprinkle lemon peel over butter, then stir in by hand so that it will be evenly blended. Chill until ready to serve. Makes about 1 cup. People with fine taste agree that the art of good cooking has nothing to do with money, fame, age or country. It requires a spirit of adventure combined with the eye of an artist and imagination of a poet. You will soon discover that each recipe included in the cookbook has these special ingredients.

ters see fit and over as long a period as necessary. Audio-visual aids are available for it. 3. The Volunteer Service Phase, geared for young people who will give a year or two of their time in voluntary service projects for the church.

Harold Harringer, Lubbock Layman and attorney, who is chairman of a subcommittee for the Fund for Reconciliation, will explain the fund to the conference, assisted by Dr. Boyd. The Rev. J. Weldon Butler, pastor of St. Luke United Methodist Church in Midland, will present the Sermon on the Mount emphasis, and the Rev. Harold Perdue, pastor of Agape United Methodist Church in Lubbock, will present the Volunteer Service Phase.

During Friday's sessions a film, "The Biafran Tragedy" will be shown to them Dr. Bruce said. The movie depicts suffering and death from war and starvation in the current Biafran war where 6,000 Biafrans are dying daily, Bruce said. The movie was prepared by the Methodist Commission on Overseas Relief.

On Friday night, December 6, a conference-wide reception will be held, at First Church, honoring Bishop and Mrs. Carleton, Bruce said.

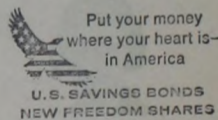

Saturday's sessions of the conference will run until noon. Dr. Bruce will present the mission and structure of the local church under the new United Methodist setup,

taking as examples several different sizes of congregations. Later in the morning a progress report on McMurry College's \$3.5 million Golden Anniversary Fund campaign will be given.

The closing worship service will be given.

The closing worship service will be led by Dr. Marshall Rhew, Seymour District superintendent. Dr. Bruce said the called session

of the conference was being set up on a weekend to accommodate lay delegates. "We hope this arrangement will enable more of them to attend," he said.

**GRAIN SORGHUM  
DEMONSTRATION RESULTS**  
Results of a grain sorghum variety demonstration for 1968 have been completed with Allen Kellum

and the Briscoe County Agent, Ken Cook.  
The purpose of this grain sorghum variety demonstration was to test several different varieties of the same maturity dates to determine yield potential of each different variety. Varieties tested in this demonstration were Pioneer 846,

Paymaster R109, Weathermaster GS-65-A, Paymaster R1050, Paymaster R1060, Weathermaster GS-75, Paymaster R1080, Excel B-52, Paymaster R2020, and Lindsey Fonk 788A.

These varieties were planted with atrazine and ag. oil being used for herbicides. Irrigation levels included pre-plant plus two irrigations and the seeding rate was eight pounds per acre with two rows per 40-inch bed spacings. This field was not sprayed for greenbugs.

Yields per acre were determined and are as follows:  
Pioneer 846 ..... 6215  
Paymaster R109 ..... 5134  
Paymaster 1050 ..... 5088  
Paymaster 1060 ..... 6154

Paymaster 1080 ..... 6476  
Paymasaer R2020 ..... 6214  
Weathermaster GS-65-A ..... 5681  
Weathermaster GS-75 ..... 6596  
Excel B-52 ..... 6174  
Lindsey Funk 788A ..... 5490

This test was helpful in proving different varietal characteristics against each other in yield performance. Susceptibility to greenbug damage was noticed in all varieties but Weathermaster GS-75 showed less greenbug damage than did the other varieties.

**COTTON CLASSING REPORT**  
Cotton harvest in the Greenbelt area got underway again this week after two delays due to weather. "Cotton got dry enough last Wednesday, strippers began running

again, and our receipts really started picking up," said Wiley E. Cain, Memphis Cotton Classing Office.

The Memphis Cotton Classing Office, U.S.D.A., Consumer and Marketing Service has classed 19,957 samples to date this season. At this time last year the office had classed over 44,000 samples.

"We are off to a slow start this season. However, barring any more bad weather, we will soon equal last year's total and, hopefully, exceed it," said Cain.

This past week 30 percent of the cotton classed white and 68 percent was in the light spot grades. Predominant staple lengths were 31/32, 37 percent; and 1 inch, 29 percent.

Micronaire, or fineness and maturity, readings show 78 percent in the desirable range of 3.5 to 4.9.

Gin yard price on cottonseed averaged \$49.00 per ton.

**Good Luck Turks and Turkettes!**

**TATER TOPPED TURKEY**

Simple arithmetic tells you there's more at stake than a Thanksgiving dinner when a four-member family insists on a 20-pound turkey. Because so many families have turkey only a few times a year, the big size insures lots of leftovers for sandwiches, casseroles and just simple midnight refrigerator raiding. Unfortunately, this raiding often includes leftover dressing, rolls, butter and even a slab of pumpkin pie—and lots of calories, too.

Weight watchers can still enjoy the taste of turkey when trimmer family members are feasting on the big bird's remains. Try this simple Tater Topped Turkey, adding slices of sweet potato to a delicious Metrecal turkey meal. And you can enjoy it any time of the year—when everyone else has gone back to less festive fare.

**Calories:** 225  
**Ingredients:** 1 can Metrecal Noodles & Turkey, 1 small canned sweet potato (or 2/5 cup mashed), 1/8 teaspoon cinnamon

**Directions:** Spoon Metrecal Noodles & Turkey into an individual casserole dish. Slice the sweet potato in thin slices, and top the Metrecal Noodles & Turkey with the sliced sweet potatoes. Sprinkle cinnamon on top. Bake in 350° oven for 10 minutes. Total Calories: 333.

**Holiday Nut Breads**

by Betty Crocker

Whether it's tea for two or twenty—or baking presents for the holiday season—pretty loaves of nut bread are unusual and gay. Besides they freeze and keep so well. Just remember to thaw them in the freezer wrap at room temperature for a couple of hours. And for the party table, slice nut bread very thin and serve open-faced or sandwich style. Spread the slices with softened butter or cream cheese, flavored if you wish with a little lemon juice. Then cut into fancy shapes—thin strips, triangles or circles. Decorate with tiny poinsettias made from pimiento slices and strips of green olives for the stems. Very merry for the holiday table.

**CHEERY CHERRY NUT BREAD**  
½ cup sugar  
1 egg  
1¼ cups milk  
3 cups Bisquick  
1 cup candied cherries, sliced  
¾ cup chopped Brazil nuts or other nuts  
Heat oven to 350°. Grease loaf pan, 9x5x3 inches. Mix sugar, egg, milk and Bisquick; beat vigorously 30 seconds. Stir in cherries and nuts. Pour into prepared pan. Bake 30 to 60 minutes or until wooden pick inserted in center comes out clean. Crack in top is characteristic. Cool and wrap in aluminum foil. Store one day before slicing. For gift wrapping—wrap in plastic, tie with a holiday bow.

**BANANA-APRICOT BREAD**  
3 cups Bisquick  
¾ cup sugar  
1 egg  
½ cup milk  
1 cup mashed bananas (2 to 3)  
¾ cup chopped nuts  
¾ cup chopped dried apricots  
Heat oven to 350°. Grease loaf pan, 9x5x3 inches. Mix Bisquick, sugar, egg, milk and bananas. Beat vigorously 30 seconds. Stir in nuts and apricots. Pour into prepared pan. Bake 55 to 60 minutes or until wooden pick inserted in center comes out clean. Little loaves of nut bread make charming holiday gifts, too. Divide the nut bread batter equally among six well-greased miniature loaf pans, 4¼x2½x1½ inches. Bake at 350° about 35 minutes. Cool and gift wrap.

**FOR ADDED THANKSGIVING ZEST TRY OYSTER CORNBREAD STUFFING**  
 AUSTIN — Turkey and football are traditional Thanksgiving fare for most Texans.

But coming from a major seafood producing state, most Texans are not satisfied with the same manner of cornbread stuffing acceptable to others—Texans want something a little special.

Miss Henrietta Gossett, of the Seafood Marketing division of the Texas Parks and Wildlife suggests oyster cornbread stuffing for the traditional baked turkey

### OYSTER CORNBREAD STUFFING

- 12 ounces oysters, fresh, frozen or canned
- 1 cup chopped celery
- 1 cup chopped onion
- ¾ cup butter or margarine
- ¾ cups toasted cornbread cubes
- ½ cup chicken broth
- 1 teaspoon poultry seasoning
- 1 teaspoon sage

Thaw frozen oysters. Drain oysters. Cook celery and onion until tender. Add oysters and cook 3 to 5 minutes or until edges begin to curl. Combine all ingredients and mix thoroughly. Makes approximately 4 cups stuffing, enough for a 4-pound ready-to-cook bird.

For birds in the 5-9 pound range, use twice the above recipe; for 10-15 pound birds, three times; for 16-20 pound birds, use four times; and for birds from 21-25 pounds, use five times the above amounts.

### Ginger Ale Sparkles A Dessert Mold

The whole family will enjoy this cool and shimmering mold that's made with Jell-O Orange Gelatin, ginger ale, marshmallows, and canned mandarin oranges.

- Orange-Ginger Mold**
- 1 package (3 oz.) orange flavor gelatin
- 1 cup boiling water
- ¾ cup ginger ale
- 1 cup miniature marshmallows
- 1 can (11 oz.) mandarin orange sections, drained

Dissolve gelatin in boiling water. Add ginger ale. Chill until thickened. Stir in marshmallows and orange sections. Pour into a 1-quart mold or 6 individual molds. Chill until firm. Unmold; garnish with prepared whipped topping and chopped candied ginger, if desired. Makes 3 cups or 6 servings.

**FLMOT W.M.U. NOTES**

W.M.U. women and their guests met at 9:30, Monday morning of last week at the Flomot Baptist Church for a mission study. The study book was "Colombia, S. A., Land of Conflict and Promise."

The program was opened with piano music, "The Light of the World," played by Mrs. J. C. Franks. Mrs. L. E. Shorter presented the devotional, "The Star of Stars"; the opening prayer was led by the Rev. Cole. Mrs. Cole brought the introduction to the book and Mrs. Leo Reed showed slides of the country of Colombia which she had made while on a

tour of South American countries several years ago. Mrs. Reed's description of the country and of the Colombian people made the study even more interesting.

A covered dish lunch was served at the noon hour and study was resumed with some Colombian proverbs being read, some customs and interesting facts concerning transportation were brought out. A verse of "What A Friend We Have In Jesus" was sung in Spanish. Mrs. L. B. Turner taught the re-

maining chapters of the study.

Those attending in addition to the ones already mentioned were Mrs. J. L. Speer, Mrs. Wayne Hunter, Mrs. W. W. Merrell, Mrs. Tom Shelton, and little Miss Reed and, joining the group for the noon

meal, Wayne Hunter.

Mr. and Mrs. Clayton Bond drove to Teague this weekend to take Mrs. Mae Ellis, who had been visiting at their home the past two weeks, to her home.
