VOLUME 25 NUMBER 18

Valley Ramples Past Bovina 47-0 Friday

The Valley Patriots drove to Bovina Friday night with the intention of coming back winners.

Tim Clardy scored five touchdowns to lead Valley. To date, Bovina is winless. Valley rebounded behind Clardy's rushing and scoring performance. Clardy had 155 yards on 17 carries and scored on runs of four, one, 52, three and 55 yards.

The Patriots lost their first game week before last to Nazareth, and now stand at 3-1. They amassed 420 yards offensively against Bovina. This dropped Bovina to 0-5, with 156 yards, but they had seven turnovers. The Mustangs were held to a minus 13 net yards rushing, but had 169 yards passing.

Valley led 13-0 at the end of the first quarter, 8-0 at halftime, 12-0 at the end of three quarters, 14-0 in the last period for a total of 47-0.

Statistically, Clardy ran in

from four yards, the kick failed; Kirk Saul ran in from two yards out and Rosendo kicked. Clardy ran in from the one, Shon Phelps passed to Clardy; Clardy carried on a 52 yard sprint and the kick failed; Clardy ran in from the three, Silva kicked; Clardy ran in from 55 yards out and Silva kicked; Freddy Ruiz sprinted 28 yards and Silva kicked.

Valley had 21 first downs to Bovina's five. Valley rushed for 265 yards to -13, had 155 yards passing to 169, for offensive totals of 420 to 156. Valley attempted 17 passes to the Mustangs' 14. Valley completed seven and Bovina had five successful aeriels. The Patriots intercepted three passes while having none of theirs picked off. The Patriots were penalized 15 yards while Bovina had 45 yards stepped off against them.

Coach Ted Giddens says, "We had a good, balanced game. We played well offensively and defensively. It might give the confidence we need to play Crowell here Friday night. They look to be the toughest in our zone this year. We sure need some support this Friday. It is a very key game."

FANS, SUPPORT THE VALLEY PATRIOTS!

No School At Valley Monday

There will be no school at Valley Monday, October 15. The teachers will have an in-service meeting at Memphis that day, according to Principal Maupin.

Buses will run on schedule Tuesday morning.

Mr. and Mrs. Jack Cheatham are flying back to Saudi Arabia, leaving from Houston Tuesday, October 16. They have been here about three weeks. He had surgery while he was here. It is reported he is recovering fine.

Lucas Studio To Make Children's Pictures

Winston Lucas, professional photographer from Irving, Texas, who has visited Quitaque and Turkey each year (twice a year for many years) since the Valley Tribune has been in operation (over 24 years) will be in Turkey Saturday morning, October 20, from 9:00 a.m. to 1:00 p.m. at the Valley Tribune office and in Quitaque from 2:00 until 5:00 p.m. at the Valley Tribune office to take pictures of every child for the children's photograph con-

test to be published in the Valley Tribune.

This is a local contest. There is no charge for the pictures that go into the newspaper. Be sure to bring your child to have a picture made because this is the only way the child can be entered into the contest.

Mrs. Cindy Lane at Turkey, 423-1359, and Mrs. Elois Price, 455-1173, Quitaque, will take appointments for the photographer.

Zona Lane, 86 years young, has made 5142 fried pies since February 18 of this year, when her daughter, Linda Ferguson, opened the Turkey Cafe and Drive-In. She is a busy person because she does a lot of other things besides making pies. She is shown here in the Bob Wills Museum where she works part-time and she is always helping folks in a lot of ways. Mrs. Lane began her fried-pie-making about three years ago on Bob Wills Day and has no idea how many she has made in all. She put gallons and gallons of prepared apricots and apples in her deep-freeze this summer and uses them for her pies along with cherries and sometimes peaches.

FLOMOT FIRE DEPARTMENT EXPRESSES APPRECIATION

The Flomot Fire Department thanks the Quitaque Fire Department for the help given in controlling the fire at the Flomot Grocery Store Wednesday night of last week. It also wants to thank the Quitaque Fire Department for the equipment given to them this week. It is appreciated very much.

Donna and Milton Mann and son, Matthew, of Higgins visited her parents, Mr. and Mrs. Michie Maupin over the weekend. Other visitors were Mrs. Ethel Simmons of Childress, Mrs. Maupin's sister, and the Jerry Maupins of Quitaque.

Sesquicentennial Committee Meets

Though 1986 is a year and three months away, this committee believes in long-range planning. This august group met in Judge Chappell's office the afternoon of September 27 to formulate a "master plan" for celebrat-

ing Texas' 150th anniversary.

This committee, headed by Tops Gilreath, and co-chaired by Virginia Browder, had three representatives from Turkey: Marjorie Bell, Sybil Young and Mary Beth Adamson. The other representatives were Judge Chappell, Jack Johnson, J. R. Mitchell, Wendell Harrison, Ruth Land, Bobbie Fowler and Mike Hughes from Estelline.

Meeting with them was Lee Storey of Austin to help set up some guidelines for Hall County's participation in the 1986 celebration.

The Turkey folks are making special plans to incorporate the 1986 celebration into their Bob Wills Day festivities.

During the ensuing discussions, tentative plans were considered for a big Flea Market as a fund raiser, a parade, a possible event at the City Park, a trail ride to meet the wagon train coming from Sulphur Springs and other activities.

The meeting was adjourned to reconvene Thursday, October 18, at 4:00 p.m. in the Judge's office. At that time it is hoped to add Johnny Hancock, LaNora Wood and Margaret Cushing Smith to the committee membership.

Valley Patriots Invited To Fellowship Friday

All Patriots are invited to attend a Fifth Quarter following the Valley-Crowell football game Friday night.

The Fifth Quarter will be held at the First Baptist Church in Quitaque.

There will be food, games and fun for all.

Camera Club Meets Tonight

The Caprock Camera Club will be meeting tonight (Thursday) at 8:00 o'clock in the First National Bank Community Room. An exciting program will be presented on using a flash effectively. The program will show you how to get the most value and enjoyment from 35mm photography.

Flash can brighten expressions that could be hidden by shadows, stop fast-moving action, and give the photographer total control over the lighting situation. This program shows how to make the best use of both automatic and manual flash equipment. It begins with the basics of selecting shutter speeds and lens openings and progresses to the creative uses of flash, fill-in flash, multiple flash techniques, bounce flash and blending with existing light. This program is a must for all who are entering the dynamic area of flash photography and want to learn the basics of flash photography.

Bring your camera and flash equipment to the camera club meeting for a time of enjoyment and a time to learn more on the art of photography.

CHEESE TO BE GIVEN AWAY IN TURKEY ON OCTOBER 18

Cheese, and possibly other products, will be given away at the Senior Citizens Room in Turkey on October 18, with the Senior Citizens group in charge, it was announced.

4-H CLUB NEWS

The 4-H Club had a meeting on October 8. We had an awards banquet and a hamburger supper. We all had fun.

—Robyn Lane, reporter

Mr. and Mrs. Allen Matthews visited the first part of the week in Amarillo with relatives.

Advance Payments Available To Feed, Cotton Farmers

Secretary of Agriculture John R. Block recently said farmers who participate in the 1985 feed grain, cotton and rice programs and the 1985 wheat programs will be eligible for advance deficiency payments.

At the time they sign up, producers may request 50 percent of their projected 1985 deficiency payment and 50 percent of land diversion payments

in those programs where land diversion payments are provided. Signup for all programs will be October 15 through March 1.

USDA estimates the wheat deficiency payment rate at \$1.08 per bushel and has established the wheat land diversion payment at \$2.70 per bushel. The advance deficiency and diversion payments will be half these rates. Details for the feed grain,

cotton and rice programs are being provided in separate announcements.

A producer who accepts an advance payment, but who later does not comply with program provisions, must refund the amount of the advance payment with interest plus liquidated damages.

OBITUARIES

CECIL SETH FARLEY

Cecil Seth Farley, 70, of Childress, died Saturday, September 29, in Dallas after an extended illness.

Funeral services were conducted Wednesday, October 3, in the Nazarene Church in Quanah with Rev. Bob Hodges, a brother-in-law from Rialto, California, officiating.

Burial was in the Quanah Cemetery by Lamar-Smith Funeral Home of Dallas.

Mr. Farley was born in McKinney, Texas on June 19, 1914. He came with his family to Hall County in 1924. He was married to Happy Hodges in Memphis on October 7, 1937. He served his country in World War II in the Engineering and Construction Battalion of Company 1778.

He is survived by his wife, Happy, of Childress; two daughters, Angela and Pamela Farley of Dallas; three brothers, Tom Farley of Lubbock, John Farley of Everman, and Bill Farley of Turkey; and one sister, Dollie Irby of Turkey.

Pallbearers were Billie B. Farley, jr., of Turkey and James W. Farley of Memphis, nephews, Taylor Johnson of Childress, Tommy Pruitt, James Weathers and Jimmy Weathers, nephews-in-law.

Turkey people attending the funeral besides relatives were Buster Hanna, Guy Smith, Lee Seymour, Mr. and Mrs. Oval Cogdill and Mr. and Mrs. Robert Proctor.

MRS. BONNIE ROGERS

Mr. and Mrs. Smitty Guest attended the funeral of his aunt, Mrs. Bonnie Rogers, held in Detroit, Texas on Sunday, September 30. Mrs. Vera Guest accompanied them from Paris to Detroit for the services.

Mrs. Rogers was the sister of the late David Guest.

LEONARD IRBY

Leonard Irby, 70, of Houston died at 8:30 a.m. Friday, October 5. He was a former resident of Flomot.

He was married to the former Kathleen Chesshir of Turkey and was a cousin of James R. Irby of Turkey.

4-H Achievement Banquet
Slated For October 14

The annual Briscoe County 4-H Achievement Banquet will be held Sunday, October 14, at 7:30 p.m. in the Silverton School Cafeteria.

All 4-H families and leaders in the county are invited and asked to bring two dishes of food—vegetable, salad or dessert—to go with the meat that is furnished by Lighthouse Electric Cooperative of Floydada and Swisher Electric Cooperative of Tulia. The Gold Star Award will be

presented to two outstanding 4-H members and the Silver Spur Award will be presented to two top leaders in the county.

Two senior 4-H'ers will receive the "I Dare You" Awards, challenging them to do even greater work in the 4-H program.

The "Friend of 4-H" Award will be given to a business or individual who has made a special effort toward supporting the county 4-H program. Project medals will be awarded to 4-H'ers.

Flomot To Have
Flea Market,
Arts, Crafts Show

The Do-Gooders Club of Flomot is sponsoring a Flea Market and Arts and Crafts Show Friday and Saturday, October 12-13, from 9:00 a.m. until 7:00 p.m. at the Flomot Community Center.

There will be 25 to 30 booths. People from Lockney, South Plains, Quitaque, Turkey, Mator and Flomot have indicated that they will have booths.

Items for sale will include children's and adult's clothing, stereos, Christmas items, furniture, dishes, luggage, toys, lamps, small electrical appliances, homemade candy, exercise bike and many other items. The club will sponsor a concession stand serving tea, coffee, sandwiches and baked goodies.

ATTENDS WEDDING

Mrs. Vera Guest attended the wedding of a friend in Paris, Texas on Saturday, September 29. Her grandchildren, Tammy and Greg Guest, children of Don and Sue Guest of Pensacola, Florida, were candlelighters in the wedding. Mrs. Guest visited with her son and family during the weekend.

Keith Rogers of Petersburg visited Mr. and Mrs. Clyde Rogers and Mr. and Mrs. Michie Maupin over the weekend.

RETURNS FROM
VISITING CHILDREN

Mrs. Jessie Coker has returned to Turkey after visiting her children. She spent most of the summer with her son, Bob Coker, at Sedona, Arizona. Her grandson, Carl Crumley, of Amarillo was there visiting for awhile and she accompanied him to Amarillo and visited her daughter, Martha Crumley. Her other daughter, Mrs. Bob Landry, of Arlington came to Amarillo and Jessie went home with her for a three-week visit. Last weekend, Mrs. Landry brought her mother to Turkey.

Mr. and Mrs. Dick Taylor drove to Panhandle Sunday and spent the day and night visiting in the home of their daughter and family, Mr. and Mrs. Dan Duncan. They were joined there for lunch Sunday by Mr. and Mrs. Dan Ray Duncan and girls for a visit. Mr. Taylor had a doctor's appointment in Amarillo Monday.

Benefit Dance Is
Saturday Night

There will be a benefit dance for the Muscular Dystrophy Association in the Briscoe County Show Barn from 9:00 p.m. until midnight Saturday, October 13.

Music will be by Caprock Country.

Admission will be \$5.00 per person.

William Howard Taft was the only president of the United States to serve as a Chief Justice of the Supreme Court. His term ran from 1921 to 1930.

Doggett Is Not
A Boll Weevil

The trouble with most politicians is that the only time they actually seem to be listening to you is during an election year. Once we send them off to Austin or Washington they blend right into the crowd and government goes on doing what it does best—taking care of everybody else's problems but ours.

This year, however, we have a chance to elect a candidate with proven record of standing up and fighting for ordinary, everyday folks like ourselves; he is Lloyd Doggett, the Democratic nominee for the United States Senate. He is a fourth generation Texan, a family man, a hard worker whose talent for leadership surfaced early. Lloyd Doggett was president of the student body at The University of Texas where he graduated first in his class with a degree in business. He then earned his law degree.

The University of Texas also opened a successful law practice. In 1973, at the age of 26, he was first elected to the State Senate. And in the 11 years since the Doggett has worked hard for his constituents—passing 125 state laws now working for all Texans.

Now 38, Doggett is ready to work for us in the United States Senate. We believe he should have that chance for excellent reasons:

SOCIAL SECURITY. Lloyd Doggett has pledged to protect Social Security from further cuts. He has formed an "Honor America's Commitment Committee" to advise him on Social Security and all the needs of older Texans. Doggett's opponent, Phil Gramm, has voted to slash Social Security benefits eight times and is on record advocating the government eliminate Social Security in its current form.

EDUCATION. Lloyd Doggett has always fought for public education, for the school children whose dream of a better future lies through a better education. Phil Gramm has fought against virtually every part of educational commitment to educational excellence and has made stated commitment to phasing out all national support of education.

AGRICULTURE. Lloyd Doggett has received the endorsement of the political arm of the Texas Farmers Union for his work on behalf of farmers and ranchers and has committed stand up for them in Washington. Phil Gramm, on the other hand, voted against low interest loans to farmers and ranchers suffering due to the drought. A Gramm voted this year to reduce federal loan and price support for agriculture by more than half.

CRIME. Lloyd Doggett passed a 1983 law increasing funding for the Crime Victims Compensation Fund. He is opposed to gun control legislation and has the endorsement in the race from the Combined Law Enforcement Association of Texas, the largest organization of law enforcement officers in the state. Phil Gramm was one of only 16 members of the 435-member House to vote against the Justice Assistance Act, which channels funds to local communities to help them in their fight against crime.

FISCAL RESPONSIBILITY. Lloyd Doggett passed the Texas Sunset Act, which requires periodic reviews of the need for state agencies and abolishes those that are inefficient. He has been a consistent fighter for Texas' "pay-as-you-go" government. Phil Gramm's budget bill helped create the biggest deficits in American history.

Phil Gramm, who hails from Fort Benning, Georgia, has been working hard to convince rural Texans that he is one of them. And since he will have an estimated \$12 million in special interest funds to advertise that image, there'll be plenty of folks who'll believe him. But when it comes time to vote on Matters of Importance to us, is he going to be thinking of us or the special interests who financed his campaign? The question is "Who do you trust to make vital decisions on your behalf over the next six years?" The answer, it seems to us, is obvious: We trust Lloyd Doggett. He'll put the interest of Texans first. To draw on his current campaign theme, he'll represent the Davids and not the Goliaths.

Mr. and Mrs. Gus Chandler were in Amarillo over the weekend to visit their daughter and family, Mr. and Mrs. Bruce Emerine and twin sons, Nick and Eric.

MEMBER FDIC

Club To Sponsor Annual Halloween Carnival

The Progressive Extension Homemakers will sponsor the annual Halloween Carnival on Saturday, October 27, at the Briscoe County Show Barn in Silverton. The carnival will open at 7:30 p.m. Admission will be 25c.

A costume contest will be held at 8:15 p.m. Anyone wishing to enter this contest will be charged 50c. The categories will be divided into four age groups:

kindergarten - third grade; grade four through eight; and adult. Prizes for first, second and third place in each category will be given.

A fee of \$5.00 will be charged for booth rental space, to help pay for the use of the barn. Anyone wishing to have a booth should call Marsha Brunson, 823-2463.

The barn will be open at 10:00 a.m. Saturday for those wishing

to set up booths early. Everyone having a booth will be responsible for their own booth and is asked to clean up around the booth after the carnival.

Mrs. Ermine Bray of Livingston, Texas, and Mrs. Laverne Barnhill of Turkey visited Mrs. Dorothy May in Quitaque Monday.

The Superintendent's Corner

by Wilburn Leeper

All students in Texas who will be graduating from high school in 1987 will be required to pass an exit test before they will be awarded a high school diploma. The tests are to be administered beginning with the 1985-86 school year and will affect Valley students who are now in the tenth grade.

The State Board of Education has been given the responsibility for establishing the skills on which the students will be tested and will be asking for advice or input from educators across the state. Valley school has received a survey from the Texas Education Agency which asks knowledgeable teachers at Valley to participate in the preparation of the test. The high school content areas of concern are writing, reading and mathematics.

After examining the type of questions found on the proposed test it appears that most students should be capable of mastering the test. All areas to be tested are taught thoroughly at Valley and are appropriate as a minimum of what students should be learning.

Congratulations to the Valley football teams. The varsity, junior varsity, and junior high teams have lost only one game each this year. It's always nice to see our teams playing better than anyone expected them to play. Coach Giddens and his staff has Valley playing good, clean, hard-nosed football. This week's game with Crowell will be the first district game. Crowell has a very good football team and it will take an outstanding effort to continue our winning ways.

Valley school is glad to welcome three new members to its staff this year. Susan Ramsey is doing an excellent job of teaching her 29 kindergarten students.

Even though this is a large class, it is amazing what Mrs. Ramsey is able to accomplish with these five-year-olds. These pupils are developing a real love for school because the environment for learning created by this first-year teacher makes it all seem worthwhile.

Maria Cruz is another new member of the Valley staff. She is working in a position as kindergarten aide which requires the use of the Spanish language. Maria has worked in the language development in kindergarten a few years ago and it is good to have her back. She is a real help in assisting with the kindergarten youngsters.

Gary Durham is spending his first year at Valley in the position of girls basketball coach, tennis coach, teaching health in the classroom, and very ably assisting with football. Valley was very fortunate that Coach Durham was available at a time when coaches were difficult to find. We hope that Coach Durham is enjoying his work here at Valley.

New Arrival

A letter from the Dean Purcells of Albuquerque, New Mexico, says: "Just wanted you to know about our new grandchild. On September 18, 1984, a little boy was born to Mike and Dianne Purcell of Albuquerque, New Mexico. His name is John Andrew. He weighed 7 lbs. 4 1/2 ozs. and measured 20 inches. He was born in the Presbyterian Hospital there.

He has a brother, Joel, who is eight years old, and a sister, Shelley, who is three.

Grandparents are Mr. and Mrs. Dean Purcell of Albuquerque, New Mexico, Mrs. Edmund Marx of Tucson, Arizona.

Great-grandparents are Mrs. Otis Purcell of Albuquerque and Mr. and Mrs. Lon McKay of Quitaque.

Armstrong Gives Program On Lions Club Emblem Tuesday

Lion W. L. Armstrong gave a program on the Lions Club emblem at the regular meeting of the Turkey Lions Club Tuesday at noon in the Bob Wills Cafeteria. Boss Lion Keith Green called the meeting to order and Lion Armstrong gave the invocation. Lion Byron Young led the pledge to the flag.

Steve McLean, Church of Christ minister, was installed as a new member of the club. Lion Walter Borden had as a guest, Hiram Dunlap of Memphis, representing the Hall County FHA. D'Anna Smith of Quitaque was a guest of Sweetheart Kaylene Green.

It was reported that about half of the Halloween Candy and the light bulbs were sold Monday night. They sold only on the north side of town and will sell on the south side next Monday beginning at around 6:00 p.m., and will also try to get those places missed last time. The proceeds from these sales goes to the Girlstown Christmas Fund.

Lion Armstrong said that the emblem became official on December 31, 1921, and is the most widely-worn symbol of service in the world. It appears on the lapels of men on every continent of the world. Thousands of homeless, suffering, underprivileged and handicapped people are grateful for the light of hope this emblem has brought into their lives, he said.

A delicious meal of chicken fried steak and all the trimmings,

with pie for dessert, was served by Faye Armstrong.

Mrs. Paul A. Ramsey spent from Wednesday until Sunday evening in Abilene visiting her daughter and family, Mr. and Mrs. Jimmy Stone and Amber. The Stones had moved and Mrs. Ramsey was there helping to get the house in order.

Mrs. Delila McFall spent from Saturday until Monday afternoon visiting her sister-in-law, Mrs. Ione Rodgers, in Aspermont.

Mrs. Estelle Davidson drove to Tulia and spent Saturday and Sunday night with her daughter and husband, Mr. and Mrs. S. B. McCracken. The ladies drove to Plainview and met Mrs. Richard Edwards of Olton and her two sons, Kevin and Criss. The two boys returned to Tulia

with Mrs. Davidson and Mrs. McCracken. On Sunday morning, the McCrackens, Mrs. Davidson and the boys drove to Olton where they attended services at the First United Methodist Church where the boys' father, Richard Edwards, is pastor. The boys were to sing during the services. After church, they all spent the rest of the day visiting in the Edwards home.

The famous violin maker, Stradivarius, whose products now sell for thousands of dollars, sold them originally in the early 1700s for what would be less than \$10 today.

Please call Energas Company 48 hours before you dig in streets, alleys or easements.

Energas Company will mark the location of underground pipelines with yellow-topped stakes, yellow flags or yellow spray paint.

There is no charge for this service.

WE'RE

PARTNERS

IN THE

FUTURE

As farmers, you realize the importance of planning ahead, and we do too. Together we can help to better this community, and our economy, by helping one another. That's why we offer financial assistance whenever we can, to provide opportunities for you to continue to improve, innovate and grow... as farmers... and as people... because success comes when we work together.

as well as the owner, publisher and editor, will lose much of your independence in the way the newspaper edits what is given in news, advertising, delivery, etc. It looks like all small businesses are being pushed out and big corporations are taking over.

As of now, the local newspaper includes Briscoe, Hall, Motley and Floyd counties for \$7.50 per year, and all other subscriptions will be \$8.50 per year.

All changes of address must be sent to the newspaper ahead of your move. It costs the newspaper 25c at the post office, another 25c for each stencil cut. If you will remember this and go to your post office and ask for a change of address slip and fill it out, it will save an increase to the cost of your newspaper. Thank you so much for this courtesy.

Jon Etta and Trey Ziegler of Silverton spent Saturday night and Sunday with her parents, Mr. and Mrs. Johnny Peery, while Brad was on a hunting trip.

Cancer Society To Have Meeting In Silverton Monday

You are invited to attend a meeting of the Briscoe County unit of the American Cancer Society at 7:00 p.m. Monday, October 15, in the Pioneer Room at First State Bank in Silverton. Pam Scott, ACS Field Representative from Amarillo, will be present to give the program and show a film.

Please plan to attend, and feel free to bring someone with you.

Mrs. Lola Hooker of Visalia, California left by plane to return to her home by way of Denver, Colorado where she will visit a sister-in-law. She had spent the past three weeks visiting her sister, Mr. and Mrs. John Adamson.

An adult flatfish has both eyes on the same side of its head.

Windy Valley Reunion Planned

A reunion is being planned for all residents and former residents of Windy Valley at the Donley County Community Center, located one block north of Chamberlin Motor Company in east Clarendon.

It will be held October 14 from 9:30 a.m. until 5:00 p.m.

Lunch will be served at the Center at 12:30 p.m., it was announced.

Ken and Linda Pierson and daughter, Christal, of O'Brian spent several days visiting her grandmother, Mrs. Ora Bolton, and her sister, Janice Guest.

NOTICE

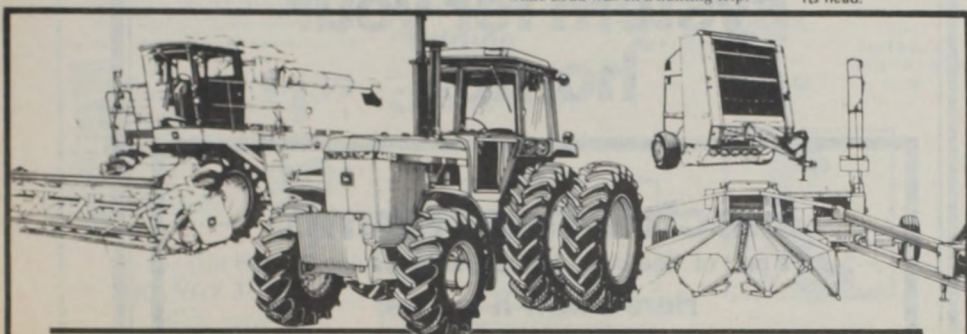

Energas Company hereby gives notice of its intent to implement new rates for domestic and commercial type customer classes residing in the unincorporated areas of its West Texas System. It is anticipated that the new rates will result in approximately a two tenths of one percent (.2%) increase in Energas Company's gross revenues, which increase is not a "major change" as defined in Section 43 (b) of Article 1446c, V.A.T.C.S.

A Statement of Intent to change said rates was filed with the Railroad Commission of Texas on or about September 21, 1984, and is available for inspection at the Company's Amarillo office, 301 S. Taylor Street. Further information may be obtained from the Railroad Commission of Texas, Gas Utilities Division, P.O. Drawer 12967, Capitol Station, Austin, Texas 78711.

The proposed increase will not become effective until or except to the extent that the same rates are approved for service within the municipalities on the West Texas System.

CLEAN UP DURING YOUR JOHN DEERE DEALER'S CLEAN OUT SALE

The John Deere factories are offering us tremendous allowances and we're passing them on to you. Some are in the thousands of dollars. And on top of that, you can choose cash rebates or interest-free financing periods on many items. It all adds up to big bucks. Look over these deals, then stop by our dealership and look over the equipment. We're cleaning out and you can clean up.

NEW TRACTORS. Special allowances on 50 Series (4050, 4250, 4450, 4650, 4850) worth up to many thousands of dollars. Generous allowances on utility and 4-WD models, too. If you finance with John Deere there are even greater savings: pay no interest until March 1, 1985, or take a cash rebate as described in the chart.

USED TRACTORS. Finance a used tractor of 40 or more horsepower with John Deere and get it interest free until March 1, 1985.*

NEW COMBINES. All models carry special factory allowances of multi-\$1000s.

USED COMBINES. Interest-free to January 1, 1985*, if financed with John Deere.

HAY AND FORAGE EQUIPMENT.

OFFER #1—Pick-A-Team cash rebates up to \$1600 on new John Deere hay and forage tools. Buy one now and receive a cash rebate. PLUS a certificate entitling you to a double cash rebate if you purchase a second tool anytime before April 30, 1985.

OFFER #2—Interest-free financing until January 1, 1985, on new and used SP and PTO forage harvesters.*

OFFER #3—Interest-free John Deere financing until 1985* season of use on new and used round and square balers, SP windrowers, mower/conditioners, mowers and rakes. (Cash in lieu of waivers on new units only, except mowers and rakes).

There'll never be a better time than RIGHT NOW to make this kind of savings. The factories have authorized it. Your dealer is waiting for you.

| Model** | Cash Rebate in lieu of Waiver on Tractors | | |

Turkey Senior Citizens Have Birthday Dinner Held For Mrs. Adamson 41 Present

Turkey Senior Citizens met Tuesday evening, October 2, for a regular meeting with 41 present including two visitors, Mrs. Lola Hooker of Visalia, California, and the small grandson of Mr. and Mrs. Buck Lancaster. Mr. and Mrs. Glenn Christian of Memphis took blood pressure for those present and enjoyed the good meal with the group.

Games were played and singing enjoyed. Mrs. Hooker again played several popular numbers on the piano to the delight of those present. She is the sister of Mrs. John Adamson.

Buster Hanna, president, conducted the business meeting, and Oval Cogdill gave the grace for the meal.

The next meeting will be October 16 at 6:30 p.m. in the Senior Citizens Room at the Turkey City Hall.

With The Sick

Mr. and Mrs. Babe Chandler have been in Houston for a week where he was in M. D. Anderson Hospital for tests. They returned to Lubbock and spent a week with their daughter and grandson, Mrs. Barbara Pigg and Jon. They left Tuesday morning to return to Houston where he will probably undergo surgery.

Dwayne Smith of Fort Worth, son of Mr. and Mrs. Roy Smith of Quitaque, was involved in a major automobile accident on September 15. He was travelling from Dallas to Fort Worth when he ran up on a wreck in the other lanes going toward Dallas. A car jumped the median and hit him. His car was demolished, his mother reports. He came out with cuts, bruises and a broken knee.

Mr. and Mrs. Smith and their daughters, Mrs. Royce Bradshaw of Floydada and Mrs. Tommy Beck of Flomot, drove to his bedside. Dwayne underwent knee surgery at All Saints Hospital in Fort Worth on September 27. He is still in the hospital, in room 329. He is taking therapy and the doctor assures him he will be able to walk.

Two men were killed and two more critically injured in the accident that caused Dwayne's.

Mrs. Odie Reagan of Quitaque and granddaughter, Tiffany Clay of Hereford, and Mrs. Stanley Price and daughter, Crystal, were in Amarillo Thursday for dental work. When they were returning home, they ran upon the bad wreck south of Canyon in which a man was killed. A car and a semi-truck were involved.

Mr. and Mrs. Shorty Woods also drove up just after the accident had happened.

Mr. and Mrs. Shorty Woods visited Mr. and Mrs. Joe McWaters in Silverton Sunday night.

"Fear of misfortune is worse than the misfortune." Hasidic Saying

Birthday Dinner Held For Mrs. Adamson

Mary Beth Adamson was honored with a birthday dinner Sunday in the home of the John Adamsons. Mrs. Adamson said she wondered about going ahead with the dinner as planned, since John was in the hospital, but he told them to go ahead with it, so they did.

Those present were the honoree, Rex, Charmaine, Aaron and Ashley Adamson, Abilene; Mr. and Mrs. John Weathers and Julie, Lubbock; Mr. and Mrs. Martin Stafford, Nancy and Lora, Loop; Mr. and Mrs. Jon Davidson.

J. R. stayed with his father in

the hospital and the other son, Rod and family of Ruidoso, did not get to attend because of the Aspen Festival in which Rod was involved. Mayme said they had a good time but wished the others could have been there.

Lottie Owens was a guest for lunch Sunday with her son and family, Mr. and Mrs. Dwain Henderson and boys in Silverton. Her granddaughter, Sonya Henderson, of Plainview was a guest,

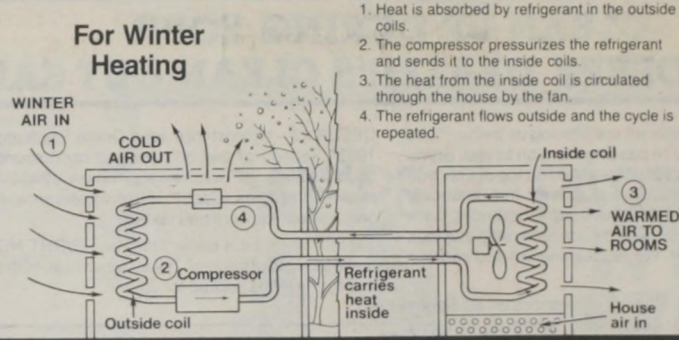

too.

Visitors in the home of Mr. and Mrs. A. B. Ramsey Sunday were Mr. and Mrs. Johnny Chadwick and boys of Amarillo, Mr. and Mrs. Gary Jameson and children, Claytonville, Mr. and Mrs. Dwight Ramsey and children, Silverton, and Jana Boyles, Quitque.

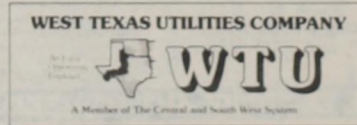

"Some folks are too polite to be up to any good." Kim Hubbard

The most efficient, the most economical heating and cooling system for your home.

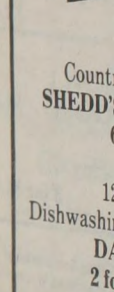

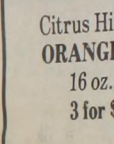

THE **Electric heat pump.**
It's part of "the plan" — the Energy Saving Plan
Here's how it works:

THE ELECTRIC HEAT PUMP: It can save you money on your home energy bills. And when it's used along with other WTU-recommended energy conservation measures according to the ENERGY SAVING PLAN, you can save even more. WTU will pay YOU money when you install an electric heat pump to meet the E.S.P. requirements that add to your home's comfort and energy efficiency. That's where the ELECTRIC HEAT PUMP comes in — it's part of "the plan" because it's the most efficient system for heating and cooling. During the winter it removes heat from the outside air and pumps it into your home. In the summer it reverses the process and becomes an air conditioner, so you get even comfort year-round. CALL YOUR LOCAL WTU OFFICE OR A FACTORY-TRAINED ELECTRIC HEAT PUMP DEALER TODAY TO FIND OUT MORE ABOUT SAVING ENERGY AND MONEY ON YOUR HOME ELECTRIC BILLS.

To Qualify, Your Home must be served by WTU and meet our Energy Efficiency Requirements.

Effects Of Overgrazing Are Graphically Explained

Nature gives us grass. About 50% of the total volume of growth is available for the production of livestock and livestock products. The rest belongs to the land and the plant for soil and grass insurance.

This insurance provides for erosion control, soil fertility, maintenance, water conservation, stabilized soil temperatures, plant development, and reproduction. Use beyond this point means loss of plant vigor, and loss of future range production.

Further use means bare ground ranching. Forage production is cut, and grass recovery is very slow. Nature cannot give up her fertility, receive nothing in return, and still produce grass.

50% of the total volume of growth is available for livestock...

The rest belongs to the land and the plant for soil and grass insurance. Use beyond this point means...

... bare ground ranching. Nature cannot give up her fertility, receive nothing in return, and still produce grass.

Hall County Farmers Using ACP on 32,320 Acres

Hall County farmers used agricultural conservation program (ACP) practices to correct critical soil and water problems on 32,320 acres of farmland during fiscal year 1984. Billy Don Atkinson, CED, said 101 program applications were approved for cost-share assistance during this period.

"Farmers who were approved for the program are asked to report the completed conservation practice and submit bills to our office as soon as possible so that payments may be issued promptly. If, for some reason, an approved practice cannot be completed, farmers need to notify our office immediately," Mr. Atkinson said.

The ACP is designed to encourage farmers to voluntarily perform soil and water conservation measures and authorizes funds to help those who could not or would not perform such practices to the extent necessary without some federal assistance. Despite the several million acres diverted to conservation practices under this year's acreage reduction program," Mr. Atkinson said, "that soil erosion remains a major problem."

"It is vital for future generations that we continue to make added improvements in our soil and water conservation practices," Mr. Atkinson stated.

The ASCS official said some conservation or pollution problems involving more than one farm may be solved more effectively under a pooling agreement. This is done by two or

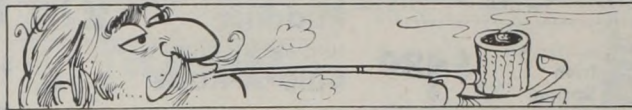

more farmers pooling their resources, efforts and finances to solve mutual conservation problems on their farms.

Mr. and Mrs. Ralph Carter drove to Canyon and spent Saturday and Saturday night with their daughter and family, Mr. and Mrs. Larry Hedrick and boys. Sunday morning, Mr. and Mrs. Gibbs Rucker of Clovis, New Mexico and Mrs. Harry Barnhill of Fort Worth came by Canyon, and they all drove to Borger and had lunch with the ladies niece and family, Mr. and Mrs. Don Tindall. The Tindalls sons, Mr. and Mrs. Mark Tindall and boys of Lubbock and Mr. and Mrs. Ricky Tindall of Borger, were visiting their parents, too.

The Carters, the Ruckers and Mrs. Barnhill visited their brother and wife, Mr. and Mrs. Jack Broxson, who are in the Borger Nursing Home. They are both in very poor health, Mrs. Carter reports.

Mr. and Mrs. Harry Barnhill came to Muleshoe and visited his son and family, Mr. and Mrs. Ted Barnhill. Mrs. Barnhill went on to Clovis to attend a reunion of the Bellview School. It was held in Clovis.

Mrs. Barnhill visited her sister and husband, Mr. and Mrs. Ralph Carter, from Sunday evening and Mr. Barnhill visited his daughter and family, Mr. and Mrs. Ray Beryl Calvert in Turkey.

Corn cob pipes were first commercially manufactured in Montana in 1869.

Atoms and Apple Cores

Mark will be fourteen years old this month. He is very thoughtful these days. Many an hour is spent on the back lawn with watercolors and pad, mostly thinking or dreaming.

Boundless curiosity is his, and "why," a certain response to every answer he receives. Besides painting, he likes to hunt, swim, golf, read, and putter in the basement with test tubes. Only recently, girls have been included with rifles and missile shots as a favored topic of conversation.

He talks about God, too. In his pursuit of answers to the universe, he instigates family discussions that range from ethics to eternity, from atoms to apple cores.

It's small wonder that I thank God daily for His Church and its teachings. Its truths help me answer with assurance the questions Mark asks in his search for understanding.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Where the Fish Are

Granddad loves to fish. Secretly, I think he likes to talk about it equally as well. He spends hours with his friends arguing the pros and cons of "angling." The other day I overheard a lengthy controversy about the best place to fish. Granddad ended the whole matter with these words of wit and wisdom, "If you ask me, the best spot to fish is out there where the fish are—so let's get going!"

This special brand of humor greatly appealed to all of his friends and it remained in *my* mind long after they had left. It seemed to answer those nature lovers who claim that they can worship God out of doors as well as in church. For certainly, the best spot to worship God is where God is.

Worship means not only moments of adoration and praise but also thoughts channeled toward God. The Church has the living presence of the Lord and inspires spiritual thoughts through hymn, prayer and litany.

Yes, the *best* place to lift up the heart is in the house of God.

FmHA State Director On Fish

All of the Farmers Home Administration's state directors and farmer program chiefs reviewing plans to put into effect President Reagan's farm initiatives to help farmers facing severe financial straits. Lynn Futch, FmHA state director for Texas said today. J. Lynn Futch and Roy Hopper, farmer program director for Texas, returned over the weekend from a day-long strategy session in Washington. FmHA National Administrator Charles W. Shuman and other national and state FmHA officials.

"There can be no question about the commitment of Farmers Home Administration at all levels to put this plan to work to help those farmers who are engaged in sustainable operations who caught in a financial squeeze through circumstances beyond their control," Futch said.

Based on the agency discussion of loan and guarantee details, final procedures operation will be completed by the FmHA National Office matter of days. Once any questions are resolved, agency will then publish instructions and distribute to field offices for action.

Under the President's FmHA will be able to set up to 25 percent—to a maximum of \$100,000—of a qualifying farmer's loan without interest for five years.

For farmers in financial distress who do not have FmHA loans, the agency can guarantee up to 90 percent of a new loan.

Quitaque Senior Citizens Have Business Meeting

Quitaque Senior Citizens met on Thursday, October 4, in a business meeting. The president, Bud Bailey, opened the meeting and asked for prayer, led by Griffin.

The minutes of the last meeting were read by the secretary, Edna Taylor.

Reports were made on the progress of the senior center building. There has been a great amount of work done to date. It is reported that the building soon will be finished. The rooms have been installed. The coat closet is finished. The hanging of doors. The kitchen is enclosed and the cabinets being built. The walls are painted, the storage closets finished, the ceiling lights then the carpets laid. Those you who have not inspected work up to now need to see and see what is going on in the last building on North Street.

The senior citizens hope to meet in the building on Thursday in November.

A bake sale is scheduled for Saturday, October 27. Contact may be called to Mrs. Dick Taylor, 455-1337.

Refreshments were served by Ella Mason and Elizabeth Donald at the close of the meeting.

FmHA State Directors Advising On Farm Credit Initiatives

All of the Farmers Home Administration's state directors and farmer program chiefs are reviewing plans to put into action President Reagan's farm credit initiatives to help farmers experiencing severe financial stress, J. Lynn Futch, FmHA state director for Texas said today.

J. Lynn Futch and Robert Hopper, farmer program chief for Texas, returned over the weekend from a day-long strategy session in Washington with FmHA National Administrator Charles W. Shuman and other national and state FmHA officials.

"There can be no question about the commitment of the Farmers Home Administration at all levels to put this plan to work to help those farmers with sustainable operations who are caught in a financial squeeze through circumstances beyond their control," Futch said.

Based on the agency-wide discussion of loan and guarantee details, final procedures for operation will be completed in the FmHA National Office in a matter of days. Once any legal questions are resolved, the agency will then publish the instructions and distribute them to field offices for action.

Under the President's plan, FmHA will be able to set aside up to 25 percent—a maximum of \$100,000—of a qualifying farmer's loan without interest for five years.

For farmers in financial distress who do not have FmHA loans, the agency can guarantee up to 90 percent of a new loan if

their lender is willing to write off enough of the farmer's debt to put the loan in a secured position and achieve a positive cash flow.

The key in both approaches is to restore the farmer to a positive cash flow situation. Essentially, that means to restructure the debt and reorganize the farming operation, if needed, to establish the financial strength needed to meet all farm operating costs, family living expenses, machinery upkeep and service all debts.

Futch said FmHA borrowers will be advised of their eligibility to participate during the annual review of their loans.

4-H Program On Eye Care, Safety

A special 4-H program on eye care and safety may reach as many as 70,000 youngsters in Texas' public schools this year.

The program is built around the character, "Seymour Safely," which is used in educational materials, games, activities and puppet shows to hold the children's attention while they learn about their eyes.

Designed for third graders, lessons focus on parts of the eye and their functions, nutrition and health habits for healthy eyes, optical illusions and a visit to the optometrist's office, says a 4-H specialist with the Texas Agricultural Extension Service, Texas A&M University System.

A 200 year-old European fashion craze for beaver hats, starting in the 1600s, nearly wiped out North America's beaver population, which once numbered as many as 400 million, reports "National Wildlife" magazine. After making a slow comeback, more than two million beavers are now thought to be living in

the United States.

Quitaque Senior Citizens Have Business Meeting

Quitaque Senior Citizens met Thursday, October 4, in regular business meeting. The president, Bud Bailey, opened the meeting and asked for prayer, led by Bill Griffin.

The minutes of the last meeting were read by the secretary, Edna Taylor.

Reports were made on the progress of the senior citizens building. There has been a great amount of work done to date and it is reported that the building soon will be finished. The bathrooms have been installed, the coat closet is finished to the hanging of doors. The kitchen is enclosed and the cabinets are being built. The walls are to be painted, the storage closet to be finished, the ceiling lowered, then the carpets laid. Those of you who have not inspected the work up to now need to stop by and see what is going on in the last building on North Main Street.

The senior citizens hope they can meet in the building next meeting, which is the first Thursday in November.

A bake sale is scheduled for Saturday, October 27. Orders may be called to Mrs. Dick (Opal) Taylor, 455-1337.

Refreshments were served by Ella Mason and Elizabeth McDonald at the close of the meeting.

CARDS OF THANKS

For your cards, phone calls and expressions of concern while I was in the hospital and since my return home, I want to say "thank you."
Clara Ruth Davidson

Thank you, friends, for the many expressions of sympathy extended to us during the illness and death of our brother.
Mr. and Mrs. Bill Farley
Mr. and Mrs. J. R. Irby

We would like to thank everyone who had anything to do with our surprise housewarming. It just proves to us again, how wonderful the people of Turkey are. It was so nice and such a surprise. A special thanks to all our family for wanting us to buy the house and to Jake Damron and Randy Erickson for their ability to remodel it. May God bless all of you.
Frank, Cindy, Laurie,
Robyn and Michael

We would like to thank all of you for each act of kindness shown us during E. G.'s stay in the hospital. Everything was greatly appreciated.
E. G. and Barbara Reed
18-1tp

We want to thank everyone who remembered us in any way while Jack was in the hospital and underwent surgery. Thank you for the cards, telephone calls, visits, and especially, Bro. Jess and Linda for being there for the surgery. Thanks for every prayer; they brought us through. May God bless each of you.
Jack and Phyllis Cheatham

National Forest Products Week

National Forest Products Week, October 21-27, points to the vital role of America's forests in serving domestic and worldwide needs for wood and paper products as well as in providing environmental and recreational benefits.

Forests are an extraordinary natural resource that has served people in so many vital respects, notes a forestry specialist with the Texas Agricultural Extension Service, Texas A&M University System.

The forest industry makes a valuable contribution to the nation's economic well-being and to providing homes for people.

30 YEARS AGO
October 7, 1954

Ross Gentry was re-elected to a five-year term as supervisor in the Hall County Soil Conservation District. Other members of the board of supervisors are C. L. Brooks of Childress, Johnny Glover of Childress, L. M. Bartlett of Loco and George Ray Colvin of Turkey.
