## Hall County Proud Committee Now Organized

The Hall County Centennial Committee met Monday evening in the Bronze Room of the First Bank and Trust. Several decisions were made as the centennial year had closed. Appreciation to all who made the "Time Capsule Event" a success was expressed. Gaylon Clark reported the "Brandingboard" and a highway sign made for the centennial will be hung in the Hall County Court house. Also, the list of the contents of the "Time Capsule" is typed and permanently on file in the Hall County Courthouse vault.

Byron Young and Curtis Scrivner of Turkey, Danny Davidson and Billy D. Bowman of Estelline, Gaylon Clark of Memphis and Lee M. Robertson of Lakeview are serving on a committee to secure permanent markers to be placed near the "Centennial pecan trees" which have been planted in each community. The Texas historical commission have been contacted for this purpose. The inscription which will be on the marker will read: "This pecan tree planted in remembrance of the Hall County Centennial Year, 1990."

Since the Centennial year has past, the committee elected to rename themselves to be known as "Hall County Proud Committee". A meeting will continue to be held several times during the year. The purpose of the committee will be to assist organizations within the communities by having arts and crafts shows, melodramas or other entertainment as fund raisers. These events will be held by the committee as a whole and will serve to hold the committee together. Members attending included Carol Deaver, Curtis and Ruth Ann Scrivner, Bobbie Pate, La Nora Wood, Janie Farnsworth, Nellie Campbell, Dixie Barbee, Marjorie Bell, Byron Young, Jerry Gailey, Lee M. Robertson, Billy D. Bowman, Gaylon Clark, Karla Campbell and Florita Branigan.

Texas Parks and Wildlife Department fish hatchery located at Dundee, Texas has put between 4,000 and 8,000 rainbow trout in Lake Theo in Caprock Canyons State Park. ## Turkey-Quitauque Census Takes Downturn In '80s

The U. S. Bureau of the Census has tallied preliminary 1990 census figures for Texas counties, U. S. Sen. Phil Gramm reported today.

The census figures could change from now until July 15, he said. Some counties might contest the preliminary figures and will have an opportunity to do so.

Population figures for Hall County are 3,905. Other area counties' figures include: Childress-5,953; Donley 3,969; and Briscoe-1,971.

A census count of Texas cities was received last week by the office of Hall Co. Judge Kenneth Dale. The population count of the cities is also subject to change as are those of the counties, it was stated.

Memphis' 1990 population total is 2,465, down from the 1980 total of 3,352. Also, in Hall County, Turkey has a population of 507; Estelline-194; and Lakeview-202.

Population figures of other area towns of interest are as follows; Childress-5,055; Clarendon-2,067; Matador-790; Quitauque-513; and Silvertown-779.

In the past ten years Turkey has declined 137 people while Childress has lost 762 and Clarendon 153.

**Genealogical Society To Meet**

The Caprock Genealogical Society will have its regular monthly meeting Monday, February 18, 1991 at 7 p.m. at the courthouse in Silvertown. The program will be a slide presentation by June Sherman. Visitors are welcome.

## LET'S TALK TURKEY

by Thelma Gafford

The flu season is in full swing in our area, as well as nationwide. Everywhere you look, someone is blowing their snoot, sneezing their heads off, or gagging on a hacking cough.

Store shelves display many, many different cold and flu remedies or anything else for what might be ailing you. One never knows which will work for their current illness, so comes the overdose of buying.

Now, I know you have never heard of overdose buying of cold remedies, but think about it. One cures a runny nose. One clears up itchy eyes. The other quites a hacking cough. While yet another helps you sleep and rest. And they all caution us against driving or operating machinery, because we may become drowsy while taking them.

Imagine this, try telling your boss you can't work today because you had to take your 44D or you can't make your contacts today, because you took your time released capsule. Ha! That would take care of your position!

Sure hope our bus drivers don't take a sinus pill, our little rug-rats (I mean darlings) would have to miss school.

Ever wonder which medicines your doctor takes himself? They never miss a days work due to illness. Think about it-how many times has your doctor been out sick?

So until the bug makes it's rounds, go ahead and doctor yourself as best you can. Take two aspirins, drink lemonade, rub in the Vicks, get plenty of rest, try the poultice of your choice, and think about planting your garden. By that time we'll be all well.

Here's mud in your eye!

## Fruit Trees Available

Caprock SWCD is now taking orders for fruit trees in addition to windbreak trees. There are several varieties of peach, apple, apricot, and plum to choose from.

Come by the SCS office in Silvertown to place your order today.

**THEN and NOW!**

St. Valentine's Day, a day to say I love you to your sweetheart. How do we go about doing that--Oh yes, our first thought is to spend a big bunch of money to make a big splash so our sweethearts can really see how much we love them!

But Wait a Minute--money is not what love is all about--The most precious gifts may not cost one red cent--The gift of your time to let your loved one know you care, the time to listen to their joys, their fears, their problems, just to be there for them.

Perhaps your sweetheart would love to be awakened with a smile instead of a growl, now really does a smile cost too much--Oh yes there's the gift of a hug--this can really change a sour apple outlook on life, "Hey someone thinks enough of me to stop their busy life and give little of me a hug. Maybe, just maybe I count for something after all."

Well now if you just can't get up your nerve to give a hug how about a pat on the back and a few kind words. Yes, I said kind words--they really are easier to speak than harsh words once you get the hang of them--and oh the joy that is given and received because of your sweet talk.

Oh, of course you may want to give that special sweetheart the box of sweets for the sweet or a heart that says "I love You" but never underestimate the power of the three Little Words, "I love You".

We don't have to be stingy with them--the more we give them away, the more filled we are with the joy of love that is returned to us tenfold.

Don't wait to tell that special someone how you feel and while you are at it, tell all those you care about how special each of them are to you! Believe me your Valentine day will be one to be remembered! HAPPY ST. VALENTINE'S DAY.

## IT'S A FACT!

Communities all across the country are saving money and the environment with the help of a new way to get great things out of garbage. Instead of simply landfilling municipal waste, they've turned to Geophile International's recycling and composting system that removes contaminants and recyclable materials, and turns most of the rest into compost to sell to farmers and gardeners.

You can send for free brochures and a videotape on the system by writing: Peter Friedman, Metropolitan, P.O. Box 1086, Carmel, New York 10512.

## Turkey Farm Union Group Attends Annual Meeting

Four delegates from our Turkey local Farmer's Union Group attended the 87th Annual Convention of Texas Farmer's Union. They were Mr. and Mrs. Billy Shannon and Mr. and Mrs. Virgil Blakney.

The Convention was held at the Airport Hilton in Austin.

We heard some very good speakers, who told us their views on our farm programs. Some good and some bad changes.

There were more young farm couples than usual, and we're so glad to have them.

The State Board met Thursday morning and then in the evening all committee's met. These being Rules, credentials, by-laws and election committees.

Friday we heard congressmen and Senators present their views on every phase of our work.

Saturday morning we met in

the district caucuses (we have 9 districts) and voted on delegates to the National Convention which is March 2.

Saturday afternoon was spent adopting our 1991 farm policy statement and we strongly urged re-opening the 1991 farm bill. If it is re-opened there will be a Fly-in to Washington by several farmers and state leaders.

Saturday evening we had our annual banquet with National president Leland Swenson as guest speaker.

Our state comptroller, John Sharp made a very interesting talk on his plans to help farmer's in this new year.

We had a nice visit at the banquet with our former Congressman Jack Hightower and his wife, Colleen; who sent their best wishes to everyone in this district.
