

19th Hole

By John Wright

First of all we want to let everyone know, who hasn't been to Shady Oaks lately, that we do have electric golf carts available for rental once again. We only have four carts now, whereas we had ten before. Our problem was that we had too many carts except at tournament time. So in the future, if you wish to rent a cart for tournament days, be sure to call in early to make a reservation. Rental fees will remain the same as in the past.

Marie Birdsong is continuing to play some fine golf, shooting rounds of 85 and 84 in the past week. Also Pat Dyer has been turning in some par and sub-par rounds recently in spite of the cold windy weather.

December the 1st, 2nd and 3rd, I will be returning once again to Texas A&M for the annual Texas Turfgrass Association Conference. This is a seminar hosted by the top golf course superintendents, agronomists, and turf experts in the state and the southwest. Last year was the first event of this type that I had ever attended and I found it very enlightening and educational. I feel that I benefitted greatly from the knowledge passed on through the classes and through my many discussions with the experts. I am looking forward to returning to A&M again this year to pick up some more valuable information.

Our monthly Florida Scramble golf tournament has been moved up this time to this Sunday, the 23rd. This is because of the Thanksgiving holidays next week. Starting time will be at 1:15 p. m. Sunday, instead of our usual 1:30 time, due to the return to Central Standard Time. I know that his been said many times before but it bears repeating. Entries will open Wednesday and will close precisely at 5:00 P. M. Saturday. Absolutely no entries will be accepted after the 5 p. m. deadline. Pairings will be made at that time. Only the first 72 entries will be accepted.

Save yourself the embarrassment of having us have to ask you to break up a group larger than a foursome on the weekends. Not only is it embarrassing for you, but for us also, when we are forced to quote and enforce rules that everyone should know by now. Also we grow weary of seeing people pulling carts, and riding electric carts onto the slopes of our tees and greens. Especially during the winter when grass is dormant, this can be very damaging to turf. This is your golf course, be proud of it and help us keep it in as nice a shape or better than it already is. Without your cooperation we cannot have a top notch course.

In their last business meeting, Shady Oaks Ladies Golf Association voted to purchase draperies for our ballroom at the club. These draperies will be a beautiful addition to our clubhouse, and we wish to express our appreciation to the Ladies Golf Association for this donation.

BAIRD LIONS CLUB PANCAKE SUPPER TERMED SUCCESSFUL

BAIRD — The 5th annual Pancake Supper, sponsored by Baird Lions Club, has been declared most successful. More than 350 people were served pancakes, bacon, coffee or milk by Lions, who each year serve as cooks, waiters and dishwashers. The funds from this annual event are used for sight conservation.

The Baird Lions rate very highly in our district on sponsoring examinations and pur-

chasing glasses for those unable to secure these services. Emphasis is placed on school children needing sight correction, and, in fact, we carried an elementary student for examination on Nov. 17. Glasses will now be purchased.

Baird citizens have been most cooperative in this project in the purchase of tickets and attending this annual event.

Lions are most appreciative of the assistance given and especially of many who furnished supplies at no cost or exact cost. Recognition is given to the following business firms for their cooperation: A&P Food Store, Baird Schools, Best Maid Syrup, Folger's Coffee, Gandy's, Johnny Higgins, Borden Distributor, Maryland Club Coffee, Morton's Foods, Thirf-Tee Food Store, Crown-Zee Paper Products Co. and Callahan County Star.

Alsbaugh's Stock In National Finals

BAIRD — The nation - and Canada's top cowboys will compete in Oklahoma City, Okla., for the National Finals Rodeo December 6-14. World championships are at stake, and the bucking stock the riding event men compete upon must be of proven and outstanding caliber.

Rodeo fans who attended the Baird rodeo this year saw the bucking stock in action, owned by Walt Alsbaugh of Alamosa, Colo. The first had two saddle broncs, two bulls, and two bareback broncs selected for the NFR competition.

TRUCKING INDUSTRY BOOSTS COUNTY'S ECONOMY

"If you've got it, a truck brought it," the slogan of the American Trucking Association, Inc., may seem like an exaggeration, even to Texans.

But little do people realize just how vast and far-reaching the trucking industry in Texas really is. Nor do they realize how vital is the industry to the economy of the state - and to the Baird area.

For example, according to studies conducted by Texas Mo-

tor Transportation Association, the truck and bus industry in Texas employed 666,968 persons during 1968 and paid them more than \$3½ billion. In fact, one out of five non-farm pay checks in Texas comes from trucks.

In 1968, Callahan County alone had 897 persons employed by the trucking industry and they earned \$4,861,740.00. The value of the 2,270 trucks registered in this county amounts to \$2,432,500.00.

Yes, when one considers the impact of the trucking industry on the economy of the state and on the economy of Callahan County, he realizes just how important trucks are to his well-being.

And when he stops and looks around at the items in his environment, he realizes that a truck did bring just about anything he can lay his finger on - at least during one phase of its journey.

SOS Preparing For Mailing

CLYDE — S. O. S. (Santas Operation Servicemen) donation and address cans have been placed in businesses throughout town. SOS has averaged sending 75 to 80 packages to area servicemen each year. Mailing packages averages about 75 cents per package.

Volunteers from the area clubs and individuals will meet on December 5th, in the Clyde Community Center to prepare packages for mailing.

Items that are good for mailing are: hard candies, fruit cakes, cheese crackers, candies, kool-ade, shotaring potatoes - any item in a can small enough to be packed in a 2 pound can with other items, chewing gum and numerous other articles.

SOS needs 2 lb coffee cans for the packaging. They can be brought to the Community Center on the day of packaging. If you know of a serviceman whose home address is Route 1, Route 2 or Clyde, please drop it in the cans.

Hunting Prospects Show Improvement

The deer population in the Possum Kingdom and Edwards Plateau Districts are up from last year. Despite extensive bulldozing of prime habitat in some areas and dry weather, no county in these districts have reported fewer deer.

Although there are plenty of deer, hunters might not see as many as they would like since food conditions are good, and deer will be less tempted to wander into danger.

This should be a "big bird" season for turkey hunters in the Edwards Plateau and Possum Kingdom. The Department reports good numbers of hold-over birds hatched during 1968.

These districts have an increased number of quail over last year with an extremely high population of bobwhites south and west of Wichita Falls and a high population of blue quail within their range.

Food and cover in the Possum Kingdom District, which includes Callahan County, are better than normal, and the marginal quail range in the Edwards Plateau harbors a normal number of quail at the beginning of the new season.

how can Lone Star Gas help you get rid of wrinkles?

We know all wrinkles are not due to aging. Some are due to drying. And dryers.

Some dryers affect clothes the way sun affects skin. They not only dry out moisture, they bake in wrinkles. Even in permanent press.

But gas dryers are more sensitive to your family's clothing. And more sympathetic to your work load.

Most new gas dryers have a special cool-down cycle that turns off the heat before your clothes become overheated.

That means your clothes have fewer wrinkles. And you have less ironing.

You also have less expensive utility bills. Because gas dries for about a penny a load.

See your gas appliance dealer or Lone Star Gas Company. Find out how to take it a little easier. And avoid wrinkles.

SHOWERS HAMPER COTTON HARVEST IN UNION AREA

Hi neighbor! We had a shower of rain last night, which was Sunday. Things are kinda dampish this morning - can't pull cotton, might plow a little in the afternoon if it doesn't rain, and it looks like it would rain any time.

Ollie Burnam had dinner Friday in Cisco with Pay Wood. Bro. David Claxton and family had Sunday dinner with Ollie Burnam.

Johnnie May Ramsey and Emma Jean Allen of Moran, spent the weekend in Brady. It was some sort of a reunion and Johnny May spent Saturday night with Mike and Stella Hughes, as they have a new house just outside of Brady. Johnnie May said Stella didn't seem to be any better, but was still trying to work.

Mr. and Mrs. Bill Fetterly and son of Midland, Mrs. Mary Jo Johnson and son of Midland and Mrs. Bill Jackson and son of Brady were visitors with Weldon and Louise Isenhower, and Mr. Dock Isenhower over the weekend.

I dropped by for a few minutes Tuesday afternoon to see the Weldon Isenhowers. Got to see all of them. They were getting ready to go home, if they could get the little boys out of the pasture. When they get out here in the country, they don't want to leave, they have such a good time at Weldon and Louise's.

Mr. Dock Isenhower is with Weldon and Louise for a visit now.

John and Roma McIntyre visited a while Sunday afternoon in Clyde with Mrs. Jim McIntyre.

The 88 party met last Thursday evening with Mrs. Sybil Harris, north of Moran, with 12 present: Mr. and Mrs. Roy McCoy, Mr. and Mrs. Henry Bailey, Mr. and Mrs. Chub Low, Mr. and Mrs. Burette Ramsey, Mrs. Bill English, Mrs. Emma Jean Allen, the hostess and myself. We had a real good party and Mr. and Mrs. Bailey gave

all of us a mess of good home grown turnips. They were really good. I cooked mine Saturday. Nice of the Baileys to think of all of us. They were washed so nice and clean. It is good to have such good friends.

We are sorry Mr. and Mrs. Ray Wilbanks and Mrs. E. Y. Elliott and Mrs. Henderson could not be there. We always miss those who are not there. Hope to see all of you this Thursday evening at Mr. and Mrs. Chub Lows.

The sun is shining now, looks like it might not rain. The peanut farmers south of Putnam are hoping it doesn't rain. They are in the middle of harvesting a real good crop of peanuts.

Don't forget to go to church next Sunday. Hope to see you there.

TRUE OR FALSE?

The true church is identified in the Bible. Is this true?
Yes, it is clearly identified in the scriptures. A careful reading of the following scriptures will bear this out.

The true church was established by Jesus Christ, Matt. 16:18. Any church established by anyone other than Him is not the true church.

The true church was established about the year A. D. 33 in the city of Jerusalem, Luke 24:44-49 with Acts 2:1-4, 37-47. Any church having its origin in any other place or at any other time cannot be the true church.

The true church had none to "join" it! The only way people became members of it was to be "added" to it by the Lord when they obeyed the gospel and were saved. Acts 2:38-41, 47. Any church which one may "join" is not to be identified with the true church.

The true church has Christ as its head. Col. 1:18. A church with a head other than Christ, or a headquarters other than in heaven (where Christ is) is not the true church of which Christ is the head.

The true church had elders and deacons in each local congregation as its ONLY officers. Phil. 1:1, Acts 14:23. A church with officers other than these does not bear the mark of the true church.

The true church knew nothing of any baptism except by immersion in water. Acts 8:36-39. Col. 2:12. A church which baptism in any other way is not to be identified with the true church.

The true church did not wear man-devised nor denominational names. Rom. 16:16, 1 Cor. 1:1. Those who wear man-given names cannot be the true church revealed in the scriptures.

Baird B Team Ends Season With 26-6 Victory Over Winters

BAIRD — The High School B team defeated the Winters B team 26-6 last Thursday night to end their 1969 season with a 5 won, 2 losses, 1 tie record. During the season, the B teamers scored a total of 163 points to their opponents 98.

The Winters team scored first in the opening minutes of the game, played on the Bears home field. Baird tied up the score 6-6 shortly before halftime as a blocked punt gave the Bears the ball on the 12 yard line. After advancing to the five, David Strickland carried around right end for the touchdown. An attempt to run for the extra points was stopped short.

The Bears scored every time they had possession of the ball in the 3rd quarter. They took the opening kickoff of the 2nd half on their 43 yard line and advanced it to the 15, and Strickland went up the middle for the Bear's second TD. Jay Reeves passed to Bill Windham for the two point conversion.

Strickland ran 33 yards for another Baird touchdown but Reeves attempt to pass for the conversion was broken up. The final tally for the Bears was made on a 7-yard pass from David Strickland to Robert Grant, climaxing a drive which began when Baird recovered a blizzard fumble on the Winters 41-yard line.

Aiding the Bears defensively were Danny Vestal, Bill Nutt, Barry Holder, Jim Hatchett and Tommy Neal.

Jr. High In Eula Tournament

CLYDE — The Junior High team begin basketball this Thursday night at 6 p. m., with the girls team facing Hawley in the Eula tournament. The Clyde boys will meet Hawley immediately following the girls game.

The Junior High teams are looking forward to a good year in basketball, and are anxious to get started.

The Way The Ball Bounces

By GAYL MIKESKA

From Clyde HS

CLYDE — Returning starter for this year's Bulldog basketball team are Johnny Pierce, junior, and Terry Rosinbaum, sophomore. Last year's outstanding players advanced to regional contest where they lost to Dimmit by a score of 75-57.

Pierce, measuring 6'3", made second team All Area last year and shows signs of continuing the same good work this year. Rosinbaum promises to be a big scoring threat this season. He measures 5'8" and was team quarterback in the 1968-69 season. Two returning senior players are Craig Pruet and Tim Copeland, who were both good players last year.

Promising newcomers to the Clyde team include Freshmen David Edwards and Jackie Fleming. Newcomers from the Sophomore class are Engate Hawk, Craig Loper, Doug Hor-

ner and Jerry Anderson. From the Junior class comes Jimmy Newman, Johnny Hoffman, Jerry Bennett and another player we expect great things from, James O'Shields. Of course, we think they're all great.

The Bulldogs opening game will be played Friday night at Albany. If you like action and excitement, you'll enjoy this season. The Bulldogs are switching from last year's slow, deliberate delivery to fast break, run and shoot, full court playing. Everything is new this year, the playing method, uniforms and the coach.

Coach Jim McDonald came to us from Iraan, where he coached and taught one year. Before that he was at Rule for three years. He is a graduate of Hardin-Simmons University and is currently doing work on a Masters degree there. It's interesting to note that the teams he has coached previously have won the district title three of the four years he has been coaching.

Bulldogs, we're looking your way, so show us what you can do!

Bears Lose Final Game of Season

BAIRD — The Bears lost the last game of the season 64-34 last Friday night in a game played at Albany.

Baird scored first in the game on a 1-yard carry by Gary Gobie. The try for extra points was not good. The Lions then promptly ran up an impressive lead, which they held throughout the game. Allen Chapman opened Albany's scoring with a 72-yard run, and Tank Nelson kicked the extra point. Bob Tidwell added another TD for the Lions from one yard out and Larry Shoemaker ran for two extra points.

The Lions scored on a 58-yard pass from Chapman to Jim Hise and one yard runs by Tidwell and Ricky Jones, with Shoemaker kicking the point after Tidwell's TD, before the Bears got back on the scoreboard with a 5-yard run by Sonny Collins. Shoemaker then returned the Bear kickoff 80 yards for another Lion score, and Chapman passed to Hise for the extra points.

Collins scored again for the Bears on a 1-yard run. The two-point conversion was made on a run by Donny Rowe.

Chapman scored again for the Lions on an 87-yard run and Shoemaker scored on a 21-yard run. Tidwell made the two points after Shoemaker's score.

Gary Gobie's 17-yard pass to Ricky Vestal was good for another Baird TD and Rowe again ran for the two points. Baird's final tally was made by Rowe on a 3-yard carry.

Aubany's Ricky Jones ended scoring with a 1-yard plunge, and Shoemaker kicked the extra point.

Baird had 14 first downs to Albany's 16; 212 yards rushing to the Lions 462, seven of 12 passes to Albanys 3 of 7 and each team had one intercepted.

CLYDE JUNIOR HIGH 8th WINS DISTRICT UNDEFEATED SEASON

CLYDE — The Junior High 8th grade team defeated the Eastland Mavericks last Thursday night by a score of 18-8, in a hard fought battle.

The Clyde 8th closed out the season with a 6-0-1 mark. The only blemish on the record book was an 18-18 tie with Albany, who finished second in the district.

Thursday night's game started off with a bang as the Bulldogs scored on the first play from scrimmage on a pass from Ruben Ramos to Larry Broyles that covered 70 yards. Another pass in the 1st quarter, from Kim Harless and Jarrell Hurst for 10 yards resulted in another touchdown. Eastland scored in the 2nd quarters and the Bulldogs were only 4 points ahead at halftime. But the scrappy 8th graders came back strong in the second half to keep the Mavericks from crossing the goal line. An insurance touchdown was scored by Hurst in the 4th quarter on a 5-yard burst over the left side, and a district title for Clyde.

This has been the first undefeated Junior High teams since 1962. The 8th Bulldogs scored 226 points this year, allowing only 92 for their opponents.

Members of the 1969 District Champs are: Kim Harless, Johnny York, Dennis Hamilton, Jarrell Hurst, Tommy Sampson, Johnny Tucker, Stephen Bailey, Bruce Freeby, Ruben Ramos, Ricky Edwards, Jackie Joy, Bobby Evans, Danny Pazzuto, Dennis Cutbirth, John Straley,

Clyde 7th Takes Second In District

CLYDE — The 7th graders whipped Eastland 7th 12-8 last Thursday to take 2nd in district, with a 3-2-2 record for the year.

Scoring for the Bulldogs was done in the 2nd half, coming from behind, as Eastland led at the half 8-0. First score was made on a pass from Johnny Arms to James Stevens, covering 60 yards! The other score was on an end run by Stevens, covering 55 yards. Danny Richards made several long runs even though he did not score.

The defense held the Eastland team during the 2nd half to no score and one first down.

The 7th grade now begins practice for basketball and will play their first game Monday, Dec. 1, here with Merkel.

Basketball Games, Fri., Mon., Tuesday
