Turkey Methodists To Begin Revival Sunday Night

Turkey United Methodist Church will begin revival services Sunday night, March 31, at 7:00, according to an announcement by the pastor, Rev. W. L. Armstrong. Preaching for the pre-Easter services will be Rev. Bill Beachy of Lockney.

"Bill Beachy is truly gifted in the areas of music and evangelism. For years Bill and his wife, Melanie, toured the United States, carrying their witness of word and music to thousands all over the country. Together they formed Rainbow Ministries that reached most of the churches of the Conference and beyond. Yet, God called them from a ministry of evangelism to the areas of pulpit ministry.

"After Bill graduated from seminary, he was appointed to First UMC at Littlefield as Associate Minister and only recently, as minister to First UMC in Lockney. You will be blessed by the gifts God has given this young man as his music and preaching warms your heart and soul," said the Rev. Armstrong.

Supper will be served each night following the services.

"Let's pray for the revival at 7:00 a.m. every day this week," the pastor concluded.

The concluding service on Wednesday night, April 3, will possibly include a concert by Bill and Melanie. You'll come!!

Scout News

On March 11, 1985, Pack 264 met at the Pinkerton home. Those present were David Lane, Garrett Mills, Jo Dee Robinson, Danny House, Chad Calvert, Tommy Pinkerton, Henry McNary, and guests, Vera Ruth and Dewey. Becky Lane furnished each one with an ice cream bar.

The Pack drove to Vernell Cotton's home where she showed her late husband, Mick's, Purple Heart, service medals, her letter of sympathy from the President of the United States, the American Flag that was given to her and many other keepsakes. She served the group refreshments and all appreciate her hospitality. The boys played for a short time in her pasture and field.

March 14, 1985, Mrs. Pinkerton attended the Cub Scout Round Table held in Plainview. She took a display of all the things the boys have been making and their scrapbook. Everyone enjoyed the woodburning display the boys have done and were anxious to let their own group try some woodburning.

LETTER FROM

EMMETT HAWKINS

March 21, 1985
This is to thank all the kids who sent me a Bible when I was in the Army Hospital at Brooke General at San Antonio in 1943. I had forgotten I had it and recently found it when I was going through some things that had been packed away for all these years.

I was in the Army hospital over 28 months in India, Panama, New Orleans, and then at San Antonio.

I hope all of you are having a good life. Some of you probably don't live at Flomot now. I left there July 30, 1930.

Thanks again for the Bible. I'll treasure it all my life.

May God bless all of you.

Sincerely,

(Ed. Note: Mr. Hawkins didn't ask for cards and letters, but the editor is including his address so any of you who want to write may do so. He is a brother of Miss Frankie Hawkins who lived in Quitaque until a few years ago.)

Mrs. Olen Lane of Pecos, Mrs. Olive Owens of Plainview and Mrs. Bill Ebbs of Idalou spent Thursday afternoon in Quitaque visiting Mrs. Lottie Owens.

Mrs. Cora Gragson of Quitaque accompanied her daughter-in-law, Mrs. Willie Gragson of Wellington, to Lubbock Friday. They spent Friday and Saturday visiting Mr. and Mrs. Scott Raines and children, Sasha and Brandon.

HALL COUNTY APPROVED FOR SPECIAL HAYING, GRAZING

To accommodate farmers whose hay production and pasture development have been severely hampered by adverse weather conditions, USDA's Agricultural Stabilization and Conservation Service recently gave farm program participants special permission to graze their livestock and harvest hay or forage on cropland taken out of production by the 1985 acreage reduction and land diversion programs.

ASCS official Billy Don Atkinson said the special acreage conservation reserve (ACR) haying and grazing could benefit many farmers in the county.

ACR acres include unpaid acreage reduction acres and diverted acreage for which payment is made. Without special authorization, the grazing period on these acres would have been closed between May 15 and October 14.

In addition to grazing livestock on their own ACR cropland, Mr. Atkinson said program participants are authorized to let another farmer use their ACR acres. "No charge may be made for this privilege, however, other than to recover any reasonable

harvesting cost."

The ASCS official said any acreage designated as a wildlife food plot or habitat may not be hayed or grazed, and any haying or grazing of ACR acres shall not remove the cover to the extent that the acreage is unprotected from wind and water erosion.

Farmers interested in ACR haying and grazing must notify the ASCS office of their intentions.

Mr. and Mrs. Gary Johnson of Paragould, Arkansas spent the night Saturday of week before last with his mother, Mrs. Clema Johnson as they were returning from a vacation in Arizona. They were delayed in leaving there by the snow and were only able to spend a short time in Turkey.

Mrs. Roy Worstall of Zanesville, Ohio arrived Sunday afternoon to spend a visit with her aunt, Mrs. Edna Taylor. Mrs. Worstall came to care for her aunt during her recovery from a recent serious illness.

Quitaque Youth Enjoy Skiing Retreat In Ruidoso

The youth of the Quitaque First Baptist Church sponsored a Bible/Ski Retreat to Ruidoso, New Mexico from March 12-16. This was the first time many of them had skied and after several falls, they caught on and had a great time.

At night, Ron Cayton of Plainview led the Bible study and sharing time.

Those attending were Warren Wayne Merrell, John David Harmon, Jason Little, Samantha Stark, Sherri Morrison, Stacey Rothwell, Cari Morrison, Melissa Maupin, Sandy Price, Amy Hewett, Lacy Price, Kirk Martin, Billy Robison, Eric Scoggins, Craig Setliff, Scott Saul, Jess Craig Little, Kelly Joe Patrick, James Taylor, Brandon Smith, Derek Mullin, Matt Barrett, Kirk Saul, Gary Brannon, Iva June Johnson, Sarah Hewett, and sponsors, Larry and Amanda Curry, Barbara Saul, Charles and Pinky Barrett, Jess and Linda Little, Rusty and Janice Henson and Ron Cayton.

The group sends a special thanks to everyone who helped make this trip possible. Money

was raised for the trip by bake sales and car washes. Many people donated food and supplies that were needed. Reported.

CARDS OF THANKS

We wish to express our thanks and appreciation for all the expressions of love and kindness extended to us when we were in the hospital and on our return home.

Paulie and Dessie Robertson

Our heartfelt thanks to all the ladies who so graciously prepared and served the food at the Community Center in Quitaque on March 13 for the families of our loved one. Your kindness and thoughtfulness will never be forgotten. God bless each of you.

The family of Bertha Gregg

Thank you for your concern and each prayer sent up in our behalf while our baby was in the hospital. Like Christ, we should possess a heart which never hardens, a touch that never hurts, a joy which never fades, and a love which never fails. God has been so good to us; what a great blessing to live among such wonderful people!

Thank you for loving us.

Al, Jan, Terri,
Amber and Andrew

To all the great people of Quitaque and around the country, the many good friends of P. John Monk: We wish to express our most sincere thanks to all of you for your kindness, concern and sympathy during the illness and death of our beloved husband and father. There are far too many names to mention, but we will always remember each and every one of you. A special thanks to the EMT personnel who helped him many times, the people who visited and brought food, the people who helped with the luncheon at the Community Center, the ones who sent so many beautiful flowers or gave memorial donations, the ones who sat with him at the hospital, and the many other acts of kindness and offers of help that we could not possibly list completely here. God bless each and every one of you.

Friends like these are truly friends.

Turkey Lions View Film Tuesday at Noon

The Turkey Lions Club met Tuesday at noon in the Bob Wills Cafeteria with 17 members present. Guests were Wilburn Leeper and Jim Majors. Kaylene Green, sweetheart, had as her guests D'Anna Smith and Robin Meyer. Lion W. L. Armstrong gave the invocation, Lion Terry Woolley led the pledge to the flag and Lion Wayne Loury won the pot of gold.

Boss Lion Keith Green presided over the business session, and wants to let the people know who donated blood, the gift of life.

how much it was appreciated. He reported that 25 persons donated blood. The mop and broom sale was announced for Saturday, March 30, at Mullin Motor Co.

Mr. Leeper brought a film to show to the group on HB 72 that deals with some new educational features.

Faye Armstrong served a delicious meal of fried chicken with all the trimmings and dessert of chocolate and lemon

pie, which everyone enjoyed very much according to reports.

HERE ARE THREE GOOD REASONS WHY YOU SHOULD PRE-PLAN YOUR FUNERAL ARRANGEMENTS

- 1. YOUR FAMILY.** Spare your family from the difficult decisions during a difficult time.
- 2. SAVING MONEY.** Although not a requirement for pre-arrangement, pre-payment safeguards your arrangements from costly inflation.
- 3. PEACE OF MIND.** Planning ahead provides the satisfaction of knowing everything is taken care of according to your wishes.
