Quitaque performers, the Timekeepers, entertain at Homecoming Celebration at Valley School August 4.

Timekeepers Rhythm Band Has Toe Tapping Good Time At Homecoming

For those who walk east down the street in Quitaque on any Thursday from 3:00 until 4:00 p.m., they may hear some lively toe-tapping music coming from the Senior Citizen Center.

That would be the Rhythm Band known as the "Timekeepers" enthusiastically "keeping time" as Cora Gragson and Snow Grundy lead out in bouncy, swinging tunes on the piano. Wayne Hunter joins them with a good rhythm guitar and you'll also hear Bill Griffin on the "rub-

board", Lolla Belle Harmon on the bass (a converted wash-tub painted red with the "Timekeepers" logo emblazoned on it) and bells, moracas, cymbals, tambourines and sticks played by Lockwood McCracken, Floy McCracken, Ruth Brunson, Yolanda Roberson, Dalsie Monk, Charlie Bailey, Horace Hunter, Jackie Barker, Lillian White, Thelma King, Opal Hamilton, Feam Taylor, Jimmie Hunter, Tom and Aleta Ross and their granddaughter, Aleta and at

times several others. The group is directed by Mary Stark.

The "Timekeepers" has performed for the Quitaque Lions Club, We the Women, Valley Awards Banquet, Lockney Rest Home and most recently for the Quitaque Homecoming. They plan to play at the October "Jamboree" in Silverton and also to return to the Lockney Rest Home in the near future.

A trip to Lubbock to visit the Ranching Heritage Center is planned for September 20.

Quitaque Voters Say Yes To Sales And Use Tax

In a special election held on August 11, 1990 the voters of the City of Quitaque voted to adopt a one-half of one percent sales and use tax to reduce the ad-valorem tax for property owners in the city. This proposition passed by a vote of 39 for to 32 against.

The proposition calling for a one-half percent sales and use tax to promote economic development in Quitaque failed by a vote of 33 for to 37 against.

Effective and rollback rates will be adjusted for the 1991 tax roll.

The sales tax will take effect on October 1, 1991, and the ef-

Registration for all students will take place at Valley School from 9-11 a.m. on Monday, August 27.

Kindergarten students need to bring a birth certificate, immunization record and social security number.

Classes begin at 8:22 a.m. on Tuesday, August 28.

Valley Patriots Rated "1" In North Texas

The Valley Patriots kicked off the 1990 football season Monday morning at 7:30 a.m. There were 23 boys reporting to work out.

After coming out of a 7-3 season in 1989 the boys were ready to get the season underway. This will be Valley's first year in a 6-man district. But that did not keep the publishers of Top-Of-Texas Magazine from ranking the Patriots the number one team in North Texas.

The Patriots have one of the toughest schedules in the state as they square off against state finalist Jayton September 7. Things don't get better down the road as they face #6 ranked Lubbock, #4 ranked McLean, and district foe #2 ranked Guthrie. Also on the Patriots schedule are Higgins, Miami, Vernon Northside, Harrold, Chillicothe, and Patton Springs.

"The boys know the road will be a tough one and they know pre-season season rankings mean nothing so they are ready to prove the people right."

The Patriots face Whitharral in a scrimmage August 23 at 6 p.m. at Whitharral.

Quitaque Chamber Initiates Plans For Two Programs

The Quitaque Chamber of Commerce met for their monthly meeting Tuesday, August 7. Time was devoted to gathering thoughts from the group present and a general look at Chamber activities.

The meeting was opened with a report on recent developments. In less than 30 days Quitaque has received a visit by a traveling film crew, a tour by a commission of historians and archeologists, a visit by leaders of a new industry locating in Quitaque, and news of a new business opening soon.

There were discussions on

programs to be offered later in the year. Two such programs were highlighted. An information day will be conducted by the Extension Service and the Chamber will be working with the Texas Department of Commerce to offer hospitality training for city residents. The latter program is designed to equip persons in greeting guests, new customers and travelers. The Chamber also investigating ways to enhance on hunting seasons to better serve the sporting public.

It was decided that the Chamber would publish a packet for

RVers. The packets will include information on services and attractions in the Quitaque area. Businesses will have the opportunity to purchase advertising space on the packet cover. These packets will be distributed through RV dealers and clubs.

The Chamber continues to look for ways to encourage the development of our area by getting our story out, encouraging enterprise, and working with people looking for a place to locate. Interested persons are always welcome. The Chamber meets the first Monday of each month at 5 p.m. in City Hall.

Homecoming Speech Given By Hutcheson

Those present for the 1990 Homecoming voted in favor for the Homecoming to remain Quitaque Homecoming, including all past and present residents and all ex-students or former students of the Quitaque Schools. Next Homecoming will be the first Saturday of August 1993.

The program at Valley School began at 8:00 pm Saturday night. Music was provided before the program by the Time Keepers. Invocation was led by Salt Jones. Warren Lee Merrell welcomed everyone and recognized the special classes of 1920-30-40-50-60 and 70.

Warren Lee Merrell introduced the keynote speaker, Ray Gene Hutcheson of Lake Jackson, Texas. Ray Gene was a 1963 Quitaque High School graduate.

O.R. Stark, Jr. introduced the Homecoming Queen, Emily M. Gardiner Bogan. Mrs. Bogan was a 1940 Quitaque graduate. She is retired from the teaching profession and resides in Nacogdoches, Texas.

Lynn Rhoderick of Grants, New Mexico presented a very humorous recitation of past Quitaque days. Mr. Rhoderick is a 1951 graduate of Quitaque.

A plaque was presented to Ronnie and Jackie Hutcheson of Jakarta, Indonesia for traveling the most miles to the Homecoming. They were both 1970 graduates.

Jim Stroup was presented a plaque for being the oldest graduate present. He graduated in 1923.

Benediction was led by Bill Curry.

As usual the audience participated by singing the opening song Dear Hearts and the closing song of God Be with You.

Briscoe County Appraisal District Reports Decline In Property Values

On Thursday, July 12, 1990 a regular meeting of the Board of Directors of The Briscoe County Appraisal District met. L. B. Garvin, Jr., Jimmy Burson, Dewey Estes, Tommy Burson and Carlye Fleming were present.

Carlye gave a financial report. July 24 was the date set to adopt the 1991 budget.

Taxes for 1989 that were collected by June 30 were as follows: Briscoe County, 96.5 percent; city of Quitaque, 92.7 percent; the over all Silverton ISD, 97.5 percent; city of Silverton, 96.0 percent; Mackenzie Water Authority, 96.0 percent. The 1989 collections represent 96.6 percent.

Each taxing unit has received a certified delinquent tax roll listing all delinquent taxpayers. Totals of delinquent taxes turned over to the attorneys are as follows:

Briscoe County, \$11,637.27; Silverton ISD, \$10,096.99; city of Silverton, \$1,559.03; city of Quitaque, \$2,878.19; Mackenzie Water Authority, \$1,575.52. Values are down from last

year. Briscoe County appraised value for 1990 is 109,745,857, taxable value is 79,114,637, down from 1989 1,715,887. Silverton ISD appraised value is 78,187,561, taxable value 53,098,751, down 852,536. City of Silverton appraised value is 13,930,953, taxable value 13,923,453, down 257,929.

Mackenzie Water Authority appraised value 13,930,953, taxable value 13,923,453, down 257,929. City of Quitaque appraised value 8,845,920, taxable value 8,835,920, down 296,100.

According to Carlye, the major factor in the declining value this year is the reduction in value of the Red River Pipeline which affects Briscoe County. Recently 50 percent of the pipeline sold to two companies for a minimal amount of money and assumed over \$17,000,000 worth of debts.

Last June this same pipeline was appraised at \$70,715 per mile. There are 29.47 miles in Briscoe County. The value loss of this pipeline was \$890,580 for Briscoe County and \$485,330 for Silverton ISD.

Ordinance Passed For Hotel-Motel Tax

On August 6, 1990, the City Council for the City of Quitaque met in a regular meeting.

Action taken during this meeting included the passage of an ordinance providing for the assessment and collection of a Hotel and Motel room occupancy tax. This tax will be six (6) percent of the consideration paid by the occupant of hotel or motel room as defined in the ordinance. Revenues from this tax must be used for the purposes of promoting tourism and certain other

things directly related to tourism. This ordinance shall take effect and be in full force immediately.

Other action taken during this

meeting included the authorization to purchase a 1990 Ford Type III Ambulance from San Antonio Ambulance Sales, Inc. Funds for this ambulance were donated to the City by the Martha Cogdell Memorial Foundation.

The City Council accepted from O. R. Stark, water rights on 114.5 acres of land at the present City well sight. These water rights were offered to the City at no cost.

The resignation of Amy Brannon was submitted and accepted by the Council. The job description for this position was amended and the Council authorized applications to be accepted until August 20, 1990.

THEN NOW

by Eunice McFall

Did you go vote Saturday in the city election? When you read the small number that voted you can see how few really cared about the issues. We do a lot of complaining about laws passed but when we come right down to it, WHAT DO WE DO ABOUT EXERCISING OUR RIGHT OF FREE VOTING? If we want to keep our freedoms we must get out and vote for what we believe in—not just blame the other fellow because the ballot did not go as we would have it to. After all the majority is supposed to rule in our society. BUT when only a few vote—then in reality the minority are ruling. Where do you put your vote?

SAVE YOUR TABS

Save all your pull tabs from your soft drink cans. One thousand pull tabs from soft drink cans will pay chemotherapy treatment for a child. You can bring your tabs to Quitaque WTU. Jan will see that they get to the proper place.

Quitaque Senior Citizens

by Austella Brown

Senior Citizens met August 2 at 6 p.m. for regular business and supper.

Jim Taylor opened the meeting with prayer. R.J. Harmon presided and told us there would be no commodities this month for the Senior Citizens to distribute.

The ladies had been cleaning the building and someone mowed the lawn getting ready for homecoming.

Our monthly breakfast will be Saturday morning at 8 a.m. Several members donated \$10 to help defray our monthly expenses.

James Brunson said grace before the supper meal. Sixteen persons were present with Feam Taylor, Cora Gragson and Yolond Robertson as kitchen committees.

98th Birthday Celebrated By Briscoe County

Briscoe County had a nice week for their yearly celebration. Many out-of-towners joined the locals to have a good time. A few of the highlights were the parade, craft show, bar-b-q, games, rodeo, class reunions and dances.

Mr. Dee Whittington of Quitaque was one of the lucky ones. He not only won once, but twice at the cow patty bingo.

The bar-b-q was attended by quite a group of people.

Sid McFall led the parade carrying the US flag and Hand Baird carried the Texas flag. A few of the locals in the parade were Otis Regan, Stan and Eloise Price and family in Otis' buggy; Dale Smith and his small grandson from Matorador; and Hotel Turkey had lots of attention paid them with their horse and buggy. Also in the parade was a cart pulled by a pair of oxen. The riders were dressed Mexico style, very colorful and eye-catching.

The St. Mary's of the Plains Hospital Medical Emergency helicopter was on display for Briscoe County to see how quickly help is available when a medical emergency occurs.

A smaller crowd attended the Friday night rodeo, but a bumper crowd was present on Saturday night to watch all the excitement.

NOTICE OF PUBLIC HEARING ON TAX INCREASE

The (Turkey-Quitaque C.I.S.D.) will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in (1989) by (13.75% increase) percent. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property.

The public hearing will be held on (8-23-90, 8:00) at (Turkey-Quitaque ISD Cafeteria P.M.)

FOR the proposal: Greg Ramsey, Robin Harmon, Rusty Henson, Brian Wheeler

AGAINST the proposal: NONE

PRESENT and not voting: NONE

ABSENT: Ronald Mullin, Gary Powell

(Names of all members of the governing body, showing how each voted on the proposal to consider the tax increase and, if one or more were absent, indicating the absences.)

The statement above shows the percentage increase the proposed rate represents over the (.86689/.78354) tax rate that the unit published on (August 9, 1990). The following table compares taxes on an average home in this taxing unit last year to taxes proposed on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

| | Last Year | This Year |
|---|-----------|-------------------|
| Average home value | 25,000.00 | 25,000.00 |
| General exemptions available (amount available on the average home, not including senior citizen's or disabled person's exemptions) | 5,000.00 | 5,000.00 |
| Average taxable value | 20,000.00 | 20,000.00 |
| Tax rate | .80 | .91 (proposed) |
| Tax | \$ 160.00 | 182.00 (proposed) |

Under this proposal taxes on the average home would (Increase) by \$ (.11) or (13.75% increase) percent compared with last year's taxes.

Comparing tax rates without adjusting for changes in property value, the tax rate would (Increase) by \$ (.11) per \$100 of taxable value or (13.75%) percent compared to last year's tax rate. These tax rate figures are not adjusted for changes in the taxable value of property.

The ABC's of Back-to-School

The lazy days of summer are over and the back-to-school race is here.

Running to school in the morning or from school in the afternoon, children run the risk of injury.

"Head injury is among the most dangerous of injuries, especially for children," according to Dr. James Wasco, medical director for the New Medico Head Injury System. "Any injury to the brain can significantly impair a child's ability to learn, concentrate or remember information and this can have a damaging effect on a child's development."

Before you send your children back to school, outfit them with a few safety reminders.

Walking to School

Most pedestrian accidents are the fault of the walker, not the driver, according to the National Safety Council, so:

- Be sure to allow enough time for your child to get to school without rushing.
- Plan your child's walking route to minimize the number of street crossings.
- Teach your child always to use sidewalks and to cross at crosswalks. Where there are no sidewalks, have your child walk

Class Of '56

The 1956 graduating class met Saturday in the Cora Gragon home.

Present were Mr. and Mrs. Willie Cragson of Wellington, Margie Price Trent of Memphis, Mr. and Mrs. Gerald Boggs of Granbury, Dean and Neva Jean Barbee Mullin of Granbury.

Also present were Mr. and Mrs. Layne Cushingberry of Amarillo, Mr. and Mrs. John Lyn Johnson of Corpus Christi, Claude and Jo Nell Brummett Sheets of Spearman, Miss Jill Johnson, and local residents, Joe Edd Helms and Lillian White.

1925 A Loss For Everyone

One day an aunt stopped a kid got me to go with her, just to have someone to talk with-or -to while she cleaned house. She did quite often, and I enjoyed myself in that big house.

The house was one of Quitaque valley's landmarks. My aunt and her family were taking care of it until the new owners came.

The second story was empty of all furniture except a small table, a bench or two, and the center of my attention, a VICTROLA. It was one of the classics; with the speaker horn extending from back to front over the player; which played both tubular and regular flat records.

Believe me--the magic of music, though broken often with scratches and cracks in the records, and the spring demanding to be wound about every ten seconds, was good. The music was all big band music, fascinating, if a bit scratchy.

After tiring of the records, I went over to the window just to enjoy the view. There, to the northeast was Quitaque, about 4 miles away. Something was wrong. A long straight column of black smoke was boiling from the roof of our still new school building. What I felt there is hard to describe. All were proud of our new school.

I had helped build it. At least, as a water-boy, I carried fresh drinking water to the workers. My pay--just to be there to see how a building was built, and get thoroughly soiled. (MOTHER SAID!)

We learned the sad facts when we went back to town that evening. One good thing--no one was injured by the fire. The building was gutted, but the walls were still standing, and were found to be strong enough to rebuild to.

After vacation, school started on time, but had to use the barnacle of a church until the school building was rebuilt.

Andrea Hinojosa

Hinojosa Selected As Most Talented

Andrea Hinojosa, 18, of Quitaque won the title of Most Talented, at the 1990 Rolling Plains Scholarship Pageant at Memphis recently. She is a 1990 graduate of Valley High School and is the daughter of Thomas and Sara Hinojosa. She captured the first place spot with her dance routine.

Representing Quitaque at the pageant, Andrea participated in a rehearsal with 17 other contestants and their escorts as they practiced an opening number for the pageant. Saturday morning activities in-

cluded a personal interview and a brunch. Pictures were taken that afternoon.

On stage appearances began at 7 p.m. Saturday. Contestants were judged on poise and talent competition.

Miss Hinojosa has attended classes at Clarendon College this summer. She plans are to continue her education at South Plains College in Levelland.

Napoleon was a well-known insomniac and had to get by on three or four hours of sleep a night.

1990 Property Tax Rates in Briscoe County

This notice concerns 1990 property tax rates for Briscoe County. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

SCHEDULE A: Unencumbered Fund Balances

The following balances will probably be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

| Type of Property Tax Fund | Balance |
|---|--------------|
| General Fund (Includes all funds: Jury, Courthouse & Jail & Road & Bridge) | \$206,627.27 |

SCHEDULE B: 1990 Debt Service

The unit plans to pay the following amounts for long-term debts that are secured by property taxes. These amounts will be paid from property tax revenues (or additional sales tax revenues, if applicable).

| Description of Debt | Principal or Contract Payment to be Paid | Interest to be Paid | Other Amounts to be Paid | Total Payment |

At the place where you worship the sermons compel
 That you contemplate mending your ways;
 After which you are told to remember this well,
 For the week has another six days.
 You consider that service an hour well-spent,
 Where the guidance of God will abound;
 And with all good intentions you try to repent,
 For temptations are always around.
 But those wonderful lessons you're apt to ignore
 For the rest of the week, as we know;
 So just carry them with you right out of the door.
 And apply them wherever you go.

—Gloria Nowak

Real religion is a way of life, not a white cloak to be wrapped around us on the Sabbath and then cast aside into the six-day closet of unconcern.

The Best Videos

•Comedy: **Big** (CBS/Fox). Tom Hanks stars as a 12-year-old boy trapped in the body of a grown-up, in a movie that grossed more than \$100 million and delighted audiences in a "big" way.

•Sci-Fi/Fantasy: **Who Framed Roger Rabbit** (Touchstone). This mix of live action and animation beat out Batman for a VIRA statuette—but not before it won the hearts of viewers from nine to 90.

•Classic: **Lawrence of Arabia** (RCA/Columbia). Almost three decades after winning seven Academy Awards, this classic—restored to its original 222-minute length—snared a coveted VIRA.

•Kid Vid: **Classic Fairy Tales** (Family Home Entertainment). This beautiful collection features gentle renderings of some of the best-loved tall tales of all time.

Classes Of '43, '44, '45, '46

Members of classes graduating from QHS in 1943, 44, 45, and 46 affirmed the counsel that "old acquaintance should NOT be forgot and SHOULD be brought to mind" as they gathered at O.R. and Mary Stark's house on Saturday afternoon, August 4th for a special time of fellowship and planning for our upcoming 50th anniversary celebration.

Those of us enjoying the delightful gathering, the classical reminiscences, the gourmet food, and the gracious hospitality of our local host and hostesses were from out of town, Martha Crumley (Coker), Amarillo; Bill Grundy, Albuquerque; Margaret Meeks, Forth Worth; and Danny Morris, New Braunfels.

Other out of town members were Garrett and Veda Morrison, Breckenridge; Bill and Bonnie (Cliff) Nailon, Richardson; J. T. and Johnnie Rogers, Plainview; Wallace Slayton, Plainview; and Charlotte Smith (Tunnell) and Larry Tunnell, Forth Worth.

Those in town attending were Wendell and Roberta (Duck) Farley, Billie Loudermilk (Tibbets), Glen and Lila Ramsey, and O. R. and Mary Stark.

The class of 1944 had 14 members graduating. Eleven made the reunion.

Classes Of '40, '41, '42

Classes of 1940-41-42 met in the home of Johnnie and Murry Morrison Saturday afternoon. Lots of oohs and aahs and you remember when continued throughout the afternoon. Plans were made for the

1941 class to celebrate the 50th reunion next year.

Present from 1940 were: Nadine (Morris) King of Colorado Springs, Colorado; Emily M. (Gardner) Bogan, Nacogdoches; Mildred (Coker) and Bob Landry, Arlington; Reba (Gowin) and Marion Wilson, Pampa; William Rucker, Quitaque; Kathleen (Hawkins) Johnson, Perryton; Marie (Hall) Adkinson, Abernathy; and Joe King, Dumas.

Those who graduated in 1941 were Jean and Christine (Bedwell) Grundy, Lamesa; Olin Patrick, Ft. Worth; John H. and Marie Payne, Mabank, Texas; Mary Joyce (Bailey) Pinkard, Amarillo; Earl Patrick, Quitaque; and Johnnie (Eddleman) Morrison of Quitaque.

Only one 1942 graduate was present, Owayne (Duck) King of Dumas.

Class Of '37

The 1937 class of Quitaque met in the home of Murry and Johnnie Morrison Friday afternoon.

After visiting and reminiscing the group went to the park for hamburgers and more visiting. They returned to the Morrison home to view a video of their 50th class reunion. Plans were made to meet again at the 1993 homecoming.

Present were: Graham and Opal Harvey of Amarillo, Leroy and Colleen Stone of Turkey, Bill King of Colorado Springs, Colorado; Wanda (Burgess) Cates of Ft. Towson, Oklahoma; Ethelyn (Bailey) May of Silverton; Hazel (Dorsey) and Sam Marshall of Lubbock.

Joining the group to visit were Wayne and Lina Whittington of Quitaque, Mary Joyce (Bailey) Pinkard of Amarillo, Vera Belle and Clarence Grant of Lubbock; and Marjorie (Wakefield) and Johnny of Dallas.

Many households are quite diversified these days in the lifestyles and interests of the members, as well as in the biological sense because of step-children and half-brothers and sisters living under one roof. Indeed, many families find it hard to remember the last time they all had dinner together. Some of this is unavoidable, as in the case of a father who must travel on business or a mother involved in committee work for a worthy cause. However, the family members should make an effort to be together whenever possible, to discuss problems or just to have some kind of fun that spans the generation gap. Moreover, they should attend their House of Worship regularly, for this will help to cement the bonds. The family circle should be an unbroken one; a center of love and a haven of refuge from the outside world.

"Behold, how good and how pleasant it is for brethren to dwell together in unity."

-Psalm 133:1

To the Quitaque Homecoming Association, Officers, Members and Friends:

Homecoming is always a special time of renewing friendships and reminiscing of times past. Also, it is a time of rejoicing to join in and share in the spirit of fellowship, cooperation, and love that is so evident in the Quitaque community.

This 50th reunion of our class of 1940 was a memorable occasion. You made it very special for me by the honor of Homecoming Queen. I feel blessed and humble

Thanks to all who shared in the success of this Homecoming 1990.
Emily Margaret Bogan

Trooper Testing Dates Changed

V. J. Cawthon, Regional Commander of the Texas Department of Public Safety in Lubbock has announced a change in testing dates for those persons interested in becoming a State Trooper. Entrance tests will be administered on every second and fourth Wednesday of each month at the Department of Public Safety offices in Lubbock, Amarillo and Wichita Falls.

Persons interested in a career in Law Enforcement should contact your local DPS trooper or go by any DPS facility to pick up an application. A completed application and birth certificate are required prior to beginning the testing process. Testing will begin at 8 a.m. and will take most of the day to complete.

Requirements for becoming a State Trooper are: (1) 20 to 35 years old, (2) good moral character, (3) in excellent physical condition, (4) a U. S. citizen and (5) sixty (60) semester hours of college or equivalent military or police experience.

Major Cawthon advised the monthly pay scale while attending the recruit academy is \$1,622.00, \$1,869.00 upon graduation and \$2,362.50 after completion of the twelve month probationary period.

Even though we have not announced a beginning date for the next academy, we are actively seeking applicants in order to begin the testing and background stages.

Cantaloupe, honeydew, casaba, Persian and Odessa are all varieties of the muskmelon. Their differences are the result of cultivation in different regions of the world.

Festive Fiesta Foods

Green, white and red are the colors of freedom for Mexico, which celebrates 99 years of independence from Spain on September 16th. These vibrant colors also reflect the rich combination of Spanish and Indian foods which have evolved into the distinctive flavors and recipes now known as Mexican cuisine. Now, Americans have adopted Mexican food as their own—making it one of the most popular foods in the United States today.

During this time of celebration, it is tradition to create colorful and festive dishes for Mexican Independence Day. What better reason to create a Mexican Independence Day fiesta celebration of your own. To begin, try these simple-to-prepare recipes featuring an assortment of fine Ortega products.

FIESTA APPETIZER BREAD

- Makes 24 slices
- 1 (8-ounce) container Cheddar cheese spread, softened
- 1 (4-ounce) can ORTEGA Diced Green Chiles
- 1 (1 1/4-ounce) package ORTEGA Taco Seasoning Mix
- 1 (20-inch) loaf Italian bread, halved lengthwise
- 1/2 cup sliced pitted ripe olives

In bowl, blend cheese spread, chiles and taco seasoning mix; spread on cut side of each bread half. Place on baking pan; broil 6-inches from heat source for 4 to 5 minutes or until cheese is hot. Sprinkle with olives; cut each bread half into 12 slices. Serve warm.
