## \$275,000 BOND ISSUE VOTED DOWN BY BAIRD CITIZENS

PAIRD — Voters in the Baird Independent School District Saturday turned down \$275,000 in bonds for a new library, science Lab, Vocational Building, gymnasium and improvements to some existing structures.

The vote was 246 against and 216 for issuance of the bonds.

In March, 1970, the Texas Education Agency told the district to take steps to preserve its accreditation. The agency recommended: construction of a new junior high library; a new junior high science laboratory; a new vocational building, classroom and shop; a new gymnasium; and rewiring the existing gymnasium.

Jon R. Tate, superintendent of the Baird schools, said no immediate loss of accreditation is probable. He said approximately 2 years from last March was the deadline given by the accreditation team for the improvements.

"I feel the school board will want to come back and make some improvements. However, this will be decided at our October 8th board meeting".

The proposed bonds would have added 25 cents to the district's present tax rate of 20 cents per \$100 valuation. The district owed \$176,759 for bonds maturing through 1985.

## Callahan County Farmers Union Canvass Farmers In County

**BAIRD** — The Callahan County Farmers Union Directors met on August 17, and adopted a co-operative project in co-operation with National Farmers Union and Texas Farmers Union.

This project consists of a county wide canvass of all the Farmers in Callahan County. The purpose of this canvass is to build membership to the point that farmers in this county will have adequate representation of their interests on the local state, and national levels.

Farmers Union admits only agricultural producers to full-fledged membership in the organization. Non-farmers are not solicited for membership. This organization actively works for better income for all farmers and ranchers. Policies are written by farmers at the local,

state, and national levels. The organization is run by elected officials who are farmers and elected by farmers.

This county organization meets on the third Monday of each month and members will be contacted as to the time and place. If interested in learning more about this growing organization, contact Ed Huddleston, membership chairman, or B. F. Hutchins or any of the local members.

Lloyd and Mabel Duncan of Odessa were recent guests in the home of Mr. and Mrs. Grover Berry.

Mr. and Mrs. Farris Bennett have just returned from a two week fishing trip to Colorado. This is their second trip to Colorado this year.

## CAN ONE BE SAVED OUT OF THE CHURCH?

The Bible has a great deal to say about the church who built it, who bought it, what it is, when it was established, God's purpose with regard to it and the place it fills in God's plan for the salvation of man.

Modern reasoning discounts the place of the church in God's eternal purpose and often rules it as nonessential. If we are truly interested in the divine pattern then we must accept all the Bible reveals to us about the church and be governed accordingly. Isn't God's way best?

The church is part of God's eternal purpose "which He purposed in Christ Jesus." (Eph. 3:8-12). Can we think less of the church than God and still show respect for God's eternal purpose?

The church was built by Jesus Christ, the divine Son of God. (Matt. 16:18) Since Jesus came to do the will of God (John 6:38), the establishment of the church was a vital part of God's will.

God gave Christ to be head over "the church, which is his body." (Eph. 1:22, 23). Is Christ the head of something that is nonessential to our salvation?

Christ died for the church (Eph. 5:25-27). Has He died for something wholly unnecessary for the salvation of man? The purchase price of the church was the precious blood of Jesus (Acts 20:28). Was the shedding of Christ's blood essential to our salvation? Indeed, without the shedding of blood there is no remission of sins (Heb. 9:22).

Christ presented the church to Himself "a glorious church, without spot and without blemish" (Eph. 5:27). Can we hold the church up as glorious and at the same time teach people that the church is not necessary to salvation? The word of God says, "Unto him be glory IN THE CHURCH by Jesus Christ throughout all ages, world without end." (Eph. 3:21).

It is not the church that saves one! It is Christ who saves. But, He is the Saviour of the body (Eph. 5:23), and the body is the church (Col. 1:18). So, He is the Saviour of the church. And, no wonder, because He adds all the saved to His church (Acts 2:47).
