Caprock Partners Foundation Organized October 21

The first meeting of the Caprock Partners Foundation was held at the Quitaque Community Center with 15 interested persons attending. This organizational meeting was held Tuesday evening with the purpose of electing a Board of Advisors for the Foundation.

The group approved by vote the name selected for the Foundation. By-laws were also approved as written.

This non-profit organization presented their mission statement as follows: "Caprock Partners Foundation is formed as an educational and charitable support group for Caprock Canyons and Caprock Canyons Trailway State Parks. Through organization of volunteers, finances, and resources Caprock Partners Foundation will enhance the educational, interpretive, and recreational opportunities of the Parks. This organization shall ensure the future of the Parks by increasing their economic, aesthetic, and environmental worth and developing a strong regional based partnership."

Sunday Lunch Served At Turkey

The Building Fund Committee of the Turkey Methodist Church will be serving lunch on Sunday, October 27, 1996 in the basement of the church.

The group will begin serving lunch at 12 noon and continue until 1:30 p.m. Take out plates will be available.

Menu for the day will be turkey, dressing and all the trimmings.

Turkey Proud Committee Will Sponsor Bingo

The Turkey Proud Committee will be sponsoring the Bingo Games at the Halloween Carnival this Saturday night in Turkey.

The Committee reports the Bingo will be held in the Bob Wills Cafeteria. They will be giving some great prizes to the lucky winners so be sure to drop by and try your luck. Bingo begins at 7 p.m.

Elected to serve on the Board of Advisors were O. R. Stark, Weldon Griffin, Wilburn Leeper, Maria Cruz, Jimmy Burson, Bill Smith, Randy Stark, Jimmy Davidson and Eunice McFall. These nine people will be serving either 1, 2 or 3 years on the Advisor Board.

The next meeting of the Caprock Partners Foundation will be on Thursday, November 7, 1996 at 5 p.m. at the Quitaque Community Center. Officers to serve the foundation will be elected at this meeting. The public is welcome to attend the meeting and get acquainted with the purpose and goals of the Foundation.

Turkey's Halloween Carnival Saturday

The Halloween Carnival at the Bob Wills Center which is sponsored by the Turkey Women's Auxiliary of the Volunteer Fire Department will begin at 6 p.m. Saturday night, October 26, 1996.

Everyone will be able to play Bingo sponsored by Hall County Proud Committee, Sponge and Football throw sponsored by VHS Cheerleaders or go through the Spook House sponsored by the firemen. The Turkey Lions Club will have the Jail. Go Fish, Concession Stand, Spooky Hayride, Face Painting, Hair Painting, Kiddie Tunnel, Dart Throw, Ring Toss and Can Toss will be sponsored by the Women's Auxiliary.

Put on your Halloween costume and come on out and join in the fun.

Quitaque EMS To Draw For Quilt Saturday

On Saturday, October 26, 1996 the Quitaque EMS will be giving away a beautiful handmade, hand quilted quilt.

The quilt was given to the EMS by a local lady who wished to remain anonymous for them to use as a fund raiser for the EMS.

The quilt is on display at the First National Bank. You may go by to view it and purchase your ticket for the drawing.

New Business In Turkey—Old Time Photo Studio

Gary and Suzie Johnson, innkeepers at Hotel Turkey, have opened an Old Time Photo Studio or as some people refer to it as a costume photo studio.

They have costumes for almost any size and age, including small children. Gary and Suzie can dress you up to be a gun-fighter, gambler, southern gentleman, saloon girl, southern bell—or you can bring your own costume, if you have something special you want. The photographs come in one size—8x10, and they are done in a sepia tone (old brownish color).

The new Studio is located on Main Street in the old Turkey Variety Building. Appointments can be made for your convenience or come by the Hotel and see Gary or Suzie to have your picture taken. Gary says it is a lot of fun and most people are amazed at how the costumes change a person's looks—and it is not your typical studio portrait.

For more information, call 807/423-1151.

WTA&M Counselor To Kick Off Week Of Red Ribbon

Dr. Bob Capes, Director of counseling at West Texas A&M University, will be guest speaker Monday, October 28, at 9:00 a.m. in the Valley Cafeteria.

Dr. Capes will speak to Valley Junior and Senior high students about making wise choices, and building self-esteem. His topic is "You are the hope for the future."

With a BS degree in elementary education, an MA in guidance and counseling, MA in Clinical Psychology, and a Doctor of Psychology degree, Capes has been an elementary teacher, a counselor, and prison psychiatrist. He is married and has two daughters.

The public is invited to hear Dr. Capes on Monday.

Cake Walk Canceled

The American Cancer Society has canceled their cake walk that is usually held at the Women's Auxiliary of the Turkey Fire Department Carnival this Saturday, October 26th.

The Turkey Branch of the Memphis State Bank usually sponsors this event but in place of the Cake Walk they will sponsor a bake sale at a later date.

Fun Fair For All In Quitaque October 29

Beginning at 6 p.m. on Tuesday, October 29, 1996 at the Fire Hall in Quitaque, Halloween fun will start. The fun will last until 9 p.m.

A cake walk, sponge throw, pinata swing, apple on a string and go-fish game will be in progress during this time.

Also there is to be a costume contest. Categories are scariest, most original and cutest for ages 2-4, 5-8, 9-12, 13-18 and adults.

All proceeds will be going to the Quitaque Volunteer Fire Department.

First Cotton Bale Ginned At Paymaster

Odis Reagan along with his grandson, John David Harmon ginned the first bale of cotton at the ADM Paymaster gin in Quitaque for the 1996 season.

The bale was ginned on October 16, 1996 from one of the fields that received hail a couple of weeks ago.

The bale weighed 559 pounds with 1,000 pounds of seed from the bale. Turn out was 19.20. A bonus of \$1.00 per pound was

paid to Odis and John. The bale was also ginned free.

Odis said this was the first time that he had ginned the first bale of the season.

THEN and NOW!

by Eunice McFall

Halloween is just around the corner. In fact several Halloween functions will be taking place this coming week end. When the fall and winter season arrives, it is time to start thinking about safety for our children. We have to be much more cautious with our driving when the kids are out and about. Of course we all are aware of the danger around our schools when it is time for the kids to arrive or to leave for the day. But we really need to be aware that all during the day the kids are likely to run into the path of a car, trying to catch a classmate or retrieve their ball. We can never be too cautious when it come to the safety of our children.

Safety should be first in our mind when we help the child make plans for their Halloween costume that they will be trick or treating in or going to that special party in. First of all the costume should be made of a fabric that is flame retardant. You should never make the costume so long that the child will trip and fall because of the length of it. If it seems that the weather is going to be rather cold, you should see that the costume is large enough that the child can wear a coat and other warm clothing to keep out the cold underneath the costume.

Comfortable shoes should also be a requirement as they will be doing quite a bit of walking. If the child wants to wear a mask make sure that they can see well from it and they can breathe properly. Actually face paints are recommended rather than masks as this does not hinder seeing or breathing. Of course, if using face paints, make sure it is non-toxic and meets federal standard for cosmetics.

One of the most important things to remember is to have the child dressed in light colored clothing or have reflective tape on the darker costumes. This will help the motorists to see the children as they run from house to house receiving their treats. It is not a bad idea for the child to have a flashlight to light his path as he travels from house to house.

Home owners who plan to give away treats to children should also have the yard, walks, porches and all places that the children might travel to arrive at the door clear of all objects that the child could possibly trip on. Have the area well-lighted so the children can see any objects that cannot be removed. This can help save some child a painful injury. After all we want it to be a fun time and not an unhappy hurtful time.

Drivers should always approach intersections cautiously when children are out and about. This is especially true when they are out trick or treating as the child's mind is not on safety but on "which house will I stop at next, what kind of treat did I just receive and what will I get next!" Here's hoping you and yours have a very happy Halloween!

Bicycle Festival Activities A Success

by Wilburn Leeper

Fall Festival kids bicycle activities began with a parade down Main Street. The Quitaque Fire Department led 45 kids and adults in a unique bicycle-only parade which featured Truman Merrell pulling a home arranged red wagon. Also, a number of riders rode tricycles or balanced supported trainer wheels. It was fun to watch.

Following the registration of 27 participants, the races got underway. The first event featured the 6 and under category which was ridden on a special designed course. Six boys competed and Cole Brown proved to be the fastest rider. He was closely followed by Cam Washington and Ryan Siventes for second and third places. Others finishing the race in strong order were Dalton Allen, Ryan Hinkle and Landon Allen. Landon rode a tricycle and found it difficult to cross the water obstacles without assistance, which was a common problem with all riders. The Girls division saw racer Mary Kate Davidson win first place, followed by Callie Helms and Morgan Saul in 1st and 2nd place. Brittany Wilson and Autumn Phillips tried hard but were unable to place in the top three.

The 7 & 8 year old division for girls was won by Macy Davidson, closely followed by her sister, Mollie Davidson. Brittany Pect won 3rd place and Mattie Ramsey worked hard for 4th place. The boys division for 7 & 8 year olds was short on number but strong on competition. Cody Barrett won 1st place, followed by Tyler Simmons and Kelby Phillips.

The 9 & 10 year old boys competed with three strong riders and was won by Cody Varnell. Dakota Smith, who came all the way from Shallowater to participate, finished 2nd and Cody Payne came in third.

Amber Stark, Ashley Cagle, and Leigh Ann Nielsen competed in the 11 & 12 group. Amber finished the race for a strong 1st place, followed by Leigh Ann and Ashley.

The boys division was won by Cliff Yeary and Jordan Simmons finished in a competitive 2nd spot, followed by Christopher Taylor.

The spirit of competition brought the best out of each bike rider and it turned out to be an excellent weather day for biking. During the awards ceremony, each rider received a prize and ribbons. Caprock Cafe treated each participant to a free coke.

THE \$67 PER BALE ADVANTAGE FOR COTTON PRODUCERS

More than \$67 per bale paid in cash for the 1995 crop.

Your local and regional cotton cooperatives offer a vertically integrated system that takes your cotton from the field to the textile mill. It's a system that adds valuable income to your farming operation. Ginning, warehousing, marketing, textile manufacturing, and cottonseed processing all work to increase the value of your cotton crop every step of the way. For the 1995 cotton crop, combined cash payments from the local and regional cotton cooperatives averaged \$67.29 per bale, over and above the value of your lint cotton. Thus, the more cotton you send through the cooperative system, the more you can add to your net profits. Consider the cooperative advantage for your cotton crop - it's just good business. See your local or regional cotton cooperative today.

Watch Out For Trick or Treaters

HALLOWEEN 1996
by Trooper L.B. Snider
It's the end of October; leaves are falling, temperatures changing and children are getting excited about Halloween. Although chaperoned parties have taken over much of the traditional "trick or treating", many young children will be taking to the neighborhoods for that "trick or treat" venture.

Trooper L. B. Snider of the Texas Department of Public Safety says, "many disasters can be prevented this halloween by parents using good judgement."

Children should be accompanied by parents or older responsible youth, and trick or treating should be confined to those areas parents are familiar with. Costumes should be light in color, non-flammable and any type of mask should not interfere with the child's vision.

Parents should instruct their children in basic safety tips, and a flashlight carried by the child can serve as a warning to motorists.

Motorists should use extra caution in residential areas and be on the lookout for kids darting into the streets between parked vehicles.

Trooper Snider recommends that residents who expect trick or treaters have a porch light on.

SWCD Initiates Needs Assessment for District

"As a result of the 1996 Farm Bill the Hall-Childress Soil and Water Conservation District (SWCD) with headquarters in Memphis, along with 3,000 other SWCDs in the national, has been given the charge to lead the way in developing programs and initiatives to improve soil and water resources at the local level," said Dick Hutcherson, chairman of the SWCD.

"After years of applying top-down program management approaches in federal conservation programs, the new 1996 Farm Bill establishes a locally driven process, coordinated by conservation districts, to guide the state and nation's agricultural conservation efforts. It provides tremendous opportunities for local people to become involved in assessing local resource needs," Hutcherson added.

According to Hutcherson, the process deals with developing a list of concerns for the long range Farm Bill program for Fiscal Year 1998 and beyond.

To enact the Farm Bill on the local level, the Hall-Childress SWCD, in partnership with the USDA Natural Resources Conservation Service, will conduct a work group meeting with its conservation partners and interested persons or organizations on October 28, 1996 at 7 p.m. in the Memphis Community Center. The Community Center is located at 721 Robertson, Memphis, Texas.

The purpose of the meeting is to conduct a local conservation needs assessment, and make program recommendations on what

problems the SWCD should address in future years. Local recommendations will then flow to the state level where the district's technical issues, resource priority areas and program policies will be reviewed and integrated into a state, regional and national program.

"We are really excited about the opportunities the new Farm Bill offers because Congress is seeking our leadership to assist our community in carrying out a cooperative, locally driven, incentive-based conservation program that wisely invests public resources to protect local natural resources," said Hutcherson.

TO THE CITIZENS OF HALL COUNTY:

I was certified as a Peace Officer in 1984. The past five and one-half (5 1/2) years, I have worked for the Texas Department of Criminal Justice where I am currently employed. If I am elected as your Sheriff, I will give the citizens of Hall county a professional Sheriff's Department in every way.

Some of you have asked, if I am elected, whether I will terminate certain individuals, who are currently employed by the Department. It is my understanding that every employee working under the Sheriff is automatically terminated when the current Sheriff's term ends.

Each person I hire in the Sheriff's Department will be of good moral character and integrity. If anyone in my department should fail to conduct themselves properly, I will terminate that person immediately. I will write a Standard Operating Procedures Manual setting forth what is expected of each person in my department so if the need to terminate someone arises, it will not be a problem to do so.

Some of you have also asked about certain individuals who may be campaigning for me. I have no control over who is campaigning on my behalf; it is each individual's right to say what they feel. I can only stand for what I tell you personally and I will stand by my word if I am elected as your Sheriff.

Also, if I am elected your Sheriff, I, and each employee working under me, will work for the citizens of Hall County every day. I believe that a dollar's worth of work for a dollar's worth of pay each day is only fair and the right thing to do. If an officer is on duty, he/she will be on patrol which is their duty and obligation to the citizens of Hall County. Also, I will work every day against narcotics, burglaries and theft of any kind in Hall County, especially in rural areas.

Should anyone have any questions or suggestions, I would appreciate a telephone call from you so we can discuss it. I would like to hear your thoughts on all the issues. My phone number is 806-259-2271.

I would like to be your Sheriff and I will work hard and consistently for you and all of my employees will do the same. I would appreciate your vote.

Winners in the Hot Sauce Taste-off at the Fall Foliage Festival Saturday. Kelly Payne, Peoples Choice; Verla Flowers, Best Tasting and Debbie Patrick, Hottest.

Hot Sauce Taste—Off Ruled A Success

The 1996 Hot Sauce Taste-Off was a big success with seventeen total entries in the People's Choice Category. Six entered in the Hottest Category and eleven in the Best Tasting Category.

The organizers, Dona Smith and Mike Knezek, appreciated all the participants from Flomot, Plainview, Quitaque, Silverton, Tulia and Turkey, the judges who made it a big success as well as the seventy-one people who voted for the People's Choice.

Debbie Patrick, Plainview was awarded first for the Hottest with #44. Verla Flowers, Quitaque won first with #26 for Best Tasting. Kelly Hawkins Payne, Quitaque was awarded first with #21 for People's Choice.

Judges for the Hottest and Best Tasting were Bill Smith of Briscoe County; Ted Daugherty of Briscoe County and D'anna Russell of Matador.

Donna and Mike said they could not have done the event without the merchants help. They appreciate Helms Irrigation for opening their building to hold the contest in, the Sportsman for the chips for tasting and donations on the awards, Caprock Cafe helping with the awards and Kris Hulse for his talent in doing the award certificates in the three categories.

National Spelling Bee Upcoming

The Amarillo Globe-News and West Texas A&M University, Canyon, will continue the annual National Spelling Bee for students in public, parochial and private schools for 1997.

The educational regional bee will be held on April 5, 1997 on the campus of the university in Canyon where approximately 40 county champions will compete for the 1997 district title and the opportunity to participate in the Scripps Howard National event in late May in Washington, D. C.

Directors in each county will select the date of their eliminations and are asked to report the winner's names to the newspaper no later than March 22. The director for Hall county is Johnny Myers, principal of Memphis Junior High, Memphis.

Rules state that any student who will not be in a grade higher than the eighth or older than 16 by the end of the current school year may participate in the Spelling Bee.

The AGN-WTSU event has two levels of competition. The Junior Bee is for students in grades five and below; the Senior Bee is for students in grades eight and below. County bee directors are free to combine the two contests if they prefer. However, each county is eligible to send a junior winner and a senior winner to regional. Normally the juniors do not compete; the exception being if he/she wins the county title.

All county champions will be guest of the sponsors on April 5, beginning with a luncheon on the WTA&M campus.

There will be prizes for all contestants.

Most schools use the "Paideia" booklet, prepared by the national sponsors, the Scripps Howard Newspapers. The book contains more than 3,000 words and is available from the Amarillo Globe-News Personnel Office for 75 cents each. Jeane Bartlett is bee director for the newspaper. Judy Kelley, WTA&M associate director of the Texas Engineering Experiment Station Regional Division, is bee coordinator for the sponsors.

Things Seen or Heard
Returning from a trip to Houston are Gary and Suzie Johnson. They visited with Gary's uncle, Red Johnson, who is quite ill.

Bud and Alice Richardson of Tulia were visitors in Turkey last Friday. They visited in the home of Bud's sister, Lorene Setliff.

Visiting in Memphis last Sunday afternoon was Bonnie Hill. She visited in the home of her daughter, Carol WEatherly. The two attended the 4-H Food Show. Hunter Davis placed first in his division and will compete in the District Show. Sheridan Davis won a blue ribbon for her entry.

Mrs. Hill also visited her aunt, Zona Lane, at the Nursing Home.

Dot Arnold, Janice Wheeler and Lorene Setliff traveled to Amarillo last Saturday. The ladies enjoyed a day of shopping.

Visiting with Virginia Degan recently was her grandson, Mike Prather and his friend Shelia Takle. They both live in Amarillo and work together.

Last Thursday, Mrs. Degan drove to Lockney to join Totsy Bain and Jinna Sue Turner for a trip to Amarillo. Mrs. Bain had a doctor's appointment.

I read in last week's Memphis Democrat paper where Cristopher Paul Gray had been arrested and is in jail for breaking into C.C. Valley grocery store recently in Turkey.

Arlie Williams has received a letter from a lady in Arizona. The lady was in Turkey recently, and went to Dreamland Cemetery. She stated in her letter that she had left her camera at the cemetery. Mrs. Williams found the camera and mailed it to the lady.

TAFCE Club News

by Oleta Randell

The Turkey TAFCE Club held their regular third Monday night meeting October 21st. The meeting was called to order at 6:40 by President Vernell Cotten. Pledge of Allegiance was led by Mary Beth Adamson. Minutes were then read by Oleta Randell.

Roll call was given by Oleta and was answered by telling what each ones favorite piece of jewelry was. Eleven members and two guests attended the meeting.

Refreshments were furnished by Cuca Galvan, Leote Johnson, Ying Lyles and Belle Davis. The club voted to have a bake sale Friday, November 15. If you wish to make a special order call Mabel Morse at 806/423-1157.

TAFCE Club's next meeting will be on November 18th. Guest speaker will be Mary Kelley of Matador. She is a Trainer of Adult Probation Officers Entrepreneur. This should be a very interesting program. Therefore, all members are urged to be in attendance.

FACTS FROM THE NATIONAL INSTITUTES OF HEALTH

Medicine for the Public

Depression
(NAPS)—Each year, 17.6 million Americans, one in 10 adults, suffer from a depressive illness.

Depression can be experienced as an empty feeling, or as no feeling at all.

Depression is a disorder that affects your body, mood, and thoughts. Feelings of despair are out of proportion to any external cause. In the most severe form of depression, melancholia, a person feels hopeless, helpless, and that he or she is a burden to others.

Dysthymia, a less severe form, involves long-term, chronic symptoms that prevent functioning at full capacity. Most people with this disorder feel that they are simply "going through the motions."

Bipolar depression (manic-depressive illness) involves cycles of depression and elation. During a depressed cycle, any depression symptoms can occur. The manic cycle often affects thinking, judgment, and social behavior and can cause problems in life, such as unwise business or financial decisions, inappropriate sexual behavior, and irritability.

Depression is a treatable disorder, with an 80 percent success rate. If you are depressed or if you know someone who is, call your doctor for help. Treatment choice will depend on the outcome of a medical evaluation. There are a variety of antidepressant medications and psychotherapies available. Some people do well with psychotherapy; some with antidepressants. Some do best with combined treatment: medication to gain relatively quick symptom relief and psychotherapy to learn more effective ways to deal with life's problems.

News From and about Valley School

Petersburg J. V. Holds Off Patriots

The Petersburg J. V. scored two quick touchdowns and then held on for a 15-6 over the Valley J. V. last Thursday in Petersburg.

Valley trailed 15-0 at halftime, but narrowed the margin to 15-6 in the third quarter. Valley's touchdown was scored by B. J. Price, who faked a dive into the middle of the line and then raced 68 yards around the right end.

Neither team was able to score in the last quarter.

The Valley J. V. has a record of 3-3.

Valley Jr. Hi. Faces Farwell

The Jr. High boys played a tough team from Farwell at Happy last Thursday. The final score was 34-6 with Farwell on top.

The lone Patriot touchdown came from Rowdy Mullin in the 3rd quarter. This bunch of young men has worked hard all year and has really come together as one strong unit.

Their over-all record is 2-4. Their next game will be at Springlake-Earth.

Red Ribbon Week Oct. 28 - Nov. 1

by Rhonda Rogers
This year, Red Ribbon Week is set for October 28 through November 1 at Valley School.

The Red Ribbon Campaign has spread across the nation, adopted by individuals and families in their communities. The Red Ribbon symbolizes the commitment of countless citizens fighting to reduce both the demand and supply of illegal drugs, which experts believe is the catalyst for violent crimes in this country.

One of every four American families reportedly blames alcohol abuse or alcoholism for serious family problems.

Local communities are not immune to the problem. It is up to parents, community emblems, churches and the school to take a stand against alcohol and drug use. The children of today are the leaders of tomorrow.

At Valley, students will celebrate Red Ribbon Week by participating in the following activities:

Monday - 9:00 a.m. - Dr. Bob Capes on "You are the Hope for the Future". Grades 6-12. Red Ribbon distribution.

Tuesday - Pledge Day. Students will sign pledges to stay "drug free." Classroom activities.

Wednesday - "Wear Red Day" Red ribbons and red clothing.

Thursday - "Drugs are Unbearable" Day. K-3 will dress teddy bears in clothing representing a drug-free lifestyle. 4th-6 grade poster contest.

Friday - "Red Ribbon Talent Show" - 9:00 a.m. Cafeteria. Hosted by Student Council.

WTAMU Defensive Driving Course

The WTAMU Continuing Education Center will offer a defensive driving course from 9 a.m.-noon and 1-4 p.m. Saturday, October 26, 1996. A small fee will be charged. The course is approved by the Texas Department of Public Safety. The course can also be used for dismissal of traffic citations if approved by the judge.

For more information or to register for the course, call 806/656-2037.

Valley Kindergarten Students with their teacher, Mrs. Lemons on the Quitaque Fire Truck, all loaded up for a ride around town and to the Caprock Cafe for a treat.

Valley Kindergarten Visits Quitaque

Students from Valley School were in town visiting businesses and being shown how firefighters and EMS crews work. They were given a tour of one of the ambulances and a chance to ask questions about how the equipment was used. The group also received packets about 911 emergency information.

Volunteer Fireman Albert Castillo gave the children a ride on the fire truck. They were quite excited about this trip. They were also shown how the firemen dress for a fire and were able to ask questions about how to react during a fire.

The Caprock Cafe hosted a special ice cream treat party for the group before they returned to school.

Accompanying the class were Mrs. Linda Lemons, Mrs. Sylvia Castillo, and bus driver Billy Hughes.

The first women to compete in the modern Olympics were probably Marie Ohner and Mme. Brohy, who took part in the croquet contests of 1900.

Hail Strikes Again
South of Turkey

Hail did considerable damage to cotton and feed Friday night over a wide area in this section. Reports from Flomot stated that crops were damaged from 25 to 50 percent in some fields and that minor damage extended over a large area.

South of Turkey in the Wolf Flat community farms that were spared by hail last Tuesday night suffered heavy damage Friday night. Most severe damage covered an area about a mile wide and from five to six miles long, it was stated, feed and cotton alike were victims.

A short distance west of Turkey Mark Lane suffered some hail damage, while reports around Quitque were not so bad. From the area north of Quitaque, across the river reports of devastating hail were received.

But—the old timers say one should expect anything to happen in West Texas, and it usually does.---

Fire Destroys Home
The Leroy Hamiltons

Mr. and Mrs. Leroy Hamilton and family lost their home southeast of Turkey by fire Monday afternoon, including all of their household goods, clothing, etc.

No one was at home and origin of the fire is unknown. Mr. Hamilton also made a crop in the Gasoline community and he and his family were there pulling cotton when appraised of their loss. They had left home about daylight and the fire was discovered about 4 o'clock in the afternoon.

An airplane passing over discovered the blaze and cut all kinds of capers as well as made all the noise possible while flying in circles low over the house and around the spiraling smoke, to attract attention of neighbors. However when neighbors arrived the fire had gained such headway that nothing could be saved.

The Hamiltons moved to the place last fall, having bought it from Roy Mohon and made a crop there this year. The house was a four-room structure.---
