Valley Routs Booker In Bi-District Clash At Canadian

The Valley Patriots met their match in the Saturday night game with Booker played in the Canadian stadium.

The Patriots owned a 12-7 lead and were making headway on a typical second-half march when Booker's Mounsey, who had earlier scored Booker's first touchdown on a 20-yard pass reception, stripped the ball from Williams at the Valley 48 and the defensive end dashed untouched to the end zone with 5:51 minutes remaining.

Coach Giddens said, "Out of nowhere they score," and "That's scary."

Valley had 136 yards to 13 and 10 first downs to one in the second half, but Booker suddenly had a 14-12 lead.

Typically, Valley came driving back. Valley quarterback Kraig Cox produced two all-important plays. On fourth-and-one from the Booker 46, he bootlegged for a seven yard gain and a first down, and after a Patriot penalty for holding, he connected with tight end Steve Price for a 26-yard gain to the Kiowa 24.

Two plays later, Williams, who had 144 yards on 30 carries, went over left guard the final 17 yards for the touchdown.

Coach Giddens said, "I almost had a cardiac arrest." "Real close."

He added, "The Patriots played with a lot of character for the last 5:45 minutes. They could have quit, but they showed a lot of desire. We went from looking like the worst Class A football team in the play-offs to possibly one of the best in the play-offs."

"It was a super team effort the last half."

"We play the number three team in the state Friday. We will have to give a tremendous effort to be in the ball game."

The play for the Regional championship will be between Valley and Paradise to be played at Iowa Park beginning at 7:00 p.m. All fans are asked to follow the team and boost their spirits.

LET'S GO ALL THE WAY, PATRIOTS!

The game will be broadcast by KCTX radio 1510 A.M. at 8:15 Saturday morning for those who are unable to attend and those who want to follow the game again.)

Mrs. Robert Proctor spent a few days last week at Northwest Texas Hospital in Amarillo where she had surgery.

Valley FFA Rates High In Area

The Greenhand Chapter Conducting Team of Valley FFA placed first at the Area I leadership contest at Clarendon on Saturday, November 19, and will be competing at the State Contest December 3 in Huntsville, Texas. The Greenhand Team competed against eleven other Area teams.

Also competing in the Area contest was the Senior Chapter Conducting Team. Both the Senior and the Greenhand teams placed first at the Greenbelt District Contest which was held on November 15 at Clarendon College.

The Valley FFA also had two other teams place at the District Contest. The Junior Quiz placed third and the Extemporaneous Speaker placed third also. The Radio Team did not place in the top three, but made a good showing.

Members of the teams are:
Senior Chapter Conducting—Darren Edwards, J. Dale Butler, Revis Farley, Jamie Cox, Roy Beavers, Rosendo Silva, Dan Meyers, Ray Don Taylor
Greenhand Chapter Conducting—Kirk Saul, Jeff Fuston, Matt Barrett, Joe Morrison, Gary Brannon, Lane Myers,

Arts and Crafts Fair Counted Big Success

Despite the cold, damp weather, the turnout was good for the first-ever Quitaque Day. Upon entering the Community Center, the aroma of stew filled the air.

The arts and crafts, varying from wooden toys to counted cross-stitch, broom, aprons, were found at the We the Women Arts and Crafts Fair.

Across the street at the Energas office, old and young alike were busy coming and going to see if their name would be drawn for a gift certificate from a local business.

At City Hall, the 4-H leaders and members were busy painting hearts and rainbows on young faces, as well as displaying projects they have completed.

The Community Room of the old bank building was buzzing as the Senior Citizens displayed handmade dolls, quilts, afghans, etc., and even playing "42".

W.I.F.E. had numerous homemade goodies to sample.

The Boy Scouts braved the rain for their tent demonstration beside the Community Center.

All in all, the eventful day was filled with fun and enjoyment for all attending.

The Chamber of Commerce would like to thank everyone who took part in any way to help make "Quitaque Day" special.

The winners of the gift certificates were Bruno Rodriguez, Brunsons; Elgin Conner, Farleys; Ricky Hughes, Caprock Home Center; Manuel Leal, Hawkins Insurance; Claudia Hinajosa, Valley Farm Store; Ella Mason, Merrell Food; Warren Merrell, Gulf Oil Products; Mary Hogue, S & S Automotive; Joe Edd Smith, Conner Insurance Agency; Judy Morrison, Schooler-Gordon; Susie Rivas, Rice Dry Goods; Jenny Auston, Heads & Heels; Debbie Wellman, Griffin's Gulf; Becky Norman, We the Women; Murry Wayne Morrison, Roy's; Deloy Myers, First National Bank; Yolanda Roberson, Mary's Drive In; Olivia Stockton, Sportsman; and Benjie Hughes, \$50.00, Chamber of Commerce.

Hall County Retired Teachers Hear Talk On Education's Future

The Hall County Retired Teachers Association met in the Silver Room of First National Bank in Memphis Thursday night, November 17. Mrs. Alma Bruce gave an interesting and informative talk on "The Future of Education in Texas."

Some highlights of her talk were that 500,000 children are being taught by their parents at home and they are expecting 100,000 more soon. But, she says, schools should not carry all the blame for failures of education, as the home and many other factors enter in. Authorities think that by 1985 there should be a jump in the SAT scores, she added, and there is a move on to require more credits for graduation. She concluded her talk with a humorous poem where each one was blaming someone else. It ended with this by the mother, "Poor child, he's not to blame, his father's folks are just the same."

Refreshments of pumpkin pie and coffee were served to J. R. Adamson, jr. Mrs. Gordon Bain and Mrs. Roy Patterson from

Turkey and the following from Memphis: Tops Gilreath, Lorean Hulsey, Alma Bruce, Frances Harrison, Clara Pyeatt, Valmon Payne, Ethel Hillhouse, Clara Belle King and Beth Lemons. Scott Lang from Lubbock also was present.

Mrs. Bud Bailey visited her mother, Mrs. T. J. Reeves, and her sister, Mrs. Irene Purcell, in Plainview one day last week.

QUITAQUE METHODIST WOMEN HAVE MONTHLY LUNCHEON

The Quitaque Methodist Women had their monthly luncheon at the church on Wednesday, November 16.

Eunice McFall had charge of the program. There was also a short business session.

Those present were Becky Norman, Eunice McFall, Delene Tyler, Ella Mason, Delila McFall, Estelle Davidson, Minnie Mae Roberson, Margie Boyles, Shirley Ross and Velda Ross.

THANKSGIVING DAY
author unknown

"We gather together to take of life's blessings." These familiar words from the old Thanksgiving hymn remind us on the most American day that we are indeed a people blessed. Consider what we have!

A country of unbounded beauty, with nearly unlimited natural resources. A judicial system that is the envy of the world. So much food that overeating is a national problem. A press nobody can dominate and a ballot box nobody can stuff. A system of government that has lasted more than two hundred years. Attendance at schools and churches of our choice. The option to quit or get a better job. The freedom to go where we want, with the means to get there. Most important, if we don't like something about this country of ours, we have a powerful (if sometimes unused) voice to make a change.

The senior citizen remains a responsible and influential voice in the dynamic process of keeping America free, strong and bountiful.

(Ed note: The Tribune doesn't usually accept anything that is not signed, but there are some good thoughts here. Happy Thanksgiving.)

Mrs. Degan Hosts Nuevo Study Club

Mrs. Bert Degan was hostess to members of Nuevo Study Club in her home Thursday, November 17, at 4:00 in the afternoon.

Mrs. Ella Colvin, president, conducted a short business session, at which time names of Turkey residents who are now residing in nursing homes were drawn for Christmas. Each member will take a gift for the name drawn to the next club meeting, December 15, and they will be distributed later. It was decided to take a "white elephant" gift for members to exchange at their Christmas tree.

An interesting item was given by Faye Armstrong during roll call. She told about a Thanksgiving dinner they had while serving as missionaries in Indonesia. They invited several persons but had much trouble finding a turkey. When they finally located one and dressed it, it was just "skin and bones," so they got some chickens and served them.

Mrs. Paul Meacham, program leader, reviewed the life of Edith Kermit Roosevelt, wife of Theodore Roosevelt, who was president from 1901 to 1909. She grew up in New York City, Mrs. Meacham said, and as a child played with Theodore's younger sister. Mr. Roosevelt married someone else first, but in 1885, Edith Kermit married the young widower, who had a daughter, Alice, who is remembered as Alice Roosevelt Longworth. Edith and Theodore had five children in the first ten years of their marriage, and kept many pets in the White House, Mrs. Meacham said.

Mrs. Roosevelt died at the age of 87 in 1948, her husband having preceded her in 1919.

The hostess served a delicious refreshment plate, featuring pumpkin pie, to nine members.

APPRAISAL DISTRICT BOARD HAS MEETING

Present at the regular meeting of the board of directors of the Briscoe County Appraisal District November 10 were L. B. Garvin, jr., Ray Teeple, Joe Mercer, Stanley Fogerson and Don Burson, members, and Mrs. Carlye Hill, chief appraiser.

Chairman Garvin called the meeting to order, and minutes of the October 13th meeting were read by the secretary, Ray Teeple. The financial report was given by Mrs. Hill.

October collections for the new 1983 tax rolls are as follows:

Briscoe County	34.0%
Silverton ISD	41.7%
City of Silverton	37.0%
Mackenzie Auth.	43.1%
The progress report submitted	

THE VALLEY TRIBUNE

to the board of directors by the delinquent tax attorney firm of Perdue, Brandon, Blair and Fielder was thoroughly examined by board members. The report consisted of an updated list of suits filed, suits to be filed, and requests for additional information on several taxpayers before suits can be filed.

Pritchard & Abbott, Inc. of Amarillo informed the board that they have purchased Troy Sloan, Inc. and would like to continue working for the appraisal district as Mr. Sloan has in the past. They would like to contract with the district to provide an Ag Use schedule for Briscoe County and do the appraisals of utilities and pipelines for the 1984 tax year.

The November bills were examined and approved by board members.

by Wilburn Leeper

Last school year, during the month of February, over 750,000 Texas students were administered a test which schools have come to know as TABS. TABS is an abbreviation for "Texas Assessment of Basic Skills" and is an annual assessment of student achievement in math, reading and writing in grades three, five and nine.

The ninth grade TABS test is called an exit test and may be given to a high school student each year until mastered. The last Legislature gave schools an opportunity to require mastery of the test for graduation but few schools have adopted that policy. Valley requires that a student retake the test one time if failed initially.

The TABS test is similar to those administered in a few states which require minimum mastery before graduation. There was a lot of support in Texas during the last legislative session to place that graduation requirement upon Texas schools. Look for this item to be pushed the next time the Legislature meets.

Although there were some failures in TABS at Valley School, the percent of passage is somewhat above the state average.

ABOUT FORMER STUDENTS

Jon and Laura Davidson have received their college degrees and are presently living in Dimmitt. Both of these former students of Valley are 1979 graduates and are certified tea-

chers. Laura is teaching the first grade in Hereford and Jon is teaching Vocational Agriculture in Dimmitt. They received their college degrees from Texas Tech University. The reports coming out of Hereford and Dimmitt are that Jon and Laura are outstanding teachers. We are very proud of these ex-Valley students.

The 1979 group of graduating seniors is to be commended. Of the 27 graduates, 18 have attended college and several have received or will receive their degrees. These former students have made Valley proud.

Valley will play Paradise at 7:00 p.m. Friday in Iowa Park. The Patriots appreciate those fans who follow and support their football efforts. All indications are that this will be an outstanding game. Take a Thanksgiving break and attend the game.

The game will be rebroadcast on radio next Saturday morning at 8:15 over KCTX, Childress. Many listeners who are unable to attend the game appreciate the businesses that support the broadcast.

DOYLE CALVERTS TO BE HONORED ON WEDDING ANNIVERSARY

Friends and family of Mr. and Mrs. Doyle Calvert are invited to attend a party celebrating their thirty-fifth wedding anniversary.

The affair will be held at the Flomot Community Center Saturday evening at 6:00 o'clock.

Mrs. Cora Gragson took Mrs. A. C. Barrett and Mrs. Leon McCracken to Plainview Friday of last week. Mrs. Barrett visited her husband at Central Plains Hospital. Mrs. Gragson kept a doctor's appointment. She received a good report, she says. Mrs. McCracken just went for the ride.

Mr. and Mrs. James Barefield attended the Booker-Valley football game in Canadian Saturday night, and were overnight guests in the home of their son and family. Mr. and Mrs. Phil Barefield and children at Miami.

Mr. and Mrs. John King attended the wedding of their granddaughter, Kim Langdon, at Ralls Saturday night. They accompanied Mr. and Mrs. Danny Mayfield to their home in Lubbock and spent the night.

TV VIEWERS

We are pleased to announce that a new solid state translator has been installed on Channel #7; also, we have eliminated all interference from Lawton, Okla. Channel 7 that has been a problem over the years.

In the near future, we will do the same thing to Channel #4, and then on Channel #10.

In order to pay for this improvement, we are raising the rates for 1984 to the following:

Monthly draft, \$6.00 per month

Six months service, \$33.00, a saving of \$6.00 per year.

One year service, \$60.00, a saving of \$12.00 per year.

[This is still the lowest rate in the Panhandle]

We will announce shortly when we think Channel #60 (the movie station) will be on the air and what it will cost per month.

CARDS OF THANKS

We want to thank everyone for the flowers, cards, food, visits and telephone calls while Orval was in the hospital and since we have been home.

Thanks to those who were with me, Melvin, James and Janice, during Orval's surgery, and, most of all, for your prayers in our behalf. Quitaque is a great community to live in. We love you all.

OPEN HOUSE HELD AT WEST TEXAS UTILITIES IN TURKEY MONDAY

The Open House held at West Texas Utilities Office in Turkey Monday was well attended and was a huge success, according to reports. The Christmas gifts on display filled with goodies made by Home Economist Karen Burgess of Childress were "just great."

Refreshments were served from a gaily-decorated table and visitors were given a recipe book with directions for making the goodies and the crafts on display and a pot holder.

A drawing was held at 3:00 and Mary Miller received the cookie cake in an attractive straw container.

Wayne Loury, manager, would like to thank everyone who came by.

JESSE TURNER BEING

TRANSFERRED TO MATADOR DECEMBER 1

Jesse Turner, local manager for West Texas Utilities Company in Quitaque for the past seven years, is transferring to Matador, effective December 1.

He will succeed Freddie H. Welling, who is retiring as WTU's local manager in Matador.

The changes were announced by A. D. Green of Childress, manager of WTU's Panhandle District.

Royce Green, who has been foreman for DeWeese Construction Company of Sayre, Oklahoma, will replace Turner at Quitaque. Green will be classified as a serviceman. Wayne Loury, WTU's local manager at Turkey, will assume management responsibility for both the Turkey and Quitaque offices. Jan Ramsey will continue as cashier-bookkeeper in the Quitaque office.

Turner, a native of Wheeler, worked for WTU in Vernon and Shamrock before coming to Quitaque as local manager in August 1976. He and his wife, Beth, have two children, Teresa R. Griffin of Quitaque and Stephen Turner of Pampa.

A group from the UMW and the Triple L visited Lockney Care Center Tuesday afternoon of last week. The Quitaque ladies took cakes and the home furnished punch for refreshments. They spent the afternoon visiting and playing Bingo.

Lottie Owens and her sister, Mrs. Ollie McMinn of Silverton, drove to Canyon Sunday afternoon to visit Mrs. McMinn's son-in-law, Melvin Watkins, who had been in St. Anthony's Hospital again. He is home and improving some. The ladies visited his wife and two daughters, Melanie of the home, and Anita of Amarillo.
