Patriots Tripped Up By Bulldogs 46-38

Ready For Home Field Action

by Coach Gilmore
The Valley Patriots fell to the Mullin Bulldogs Saturday night in their first six man contest. Final score was 46-38.

Mullins open the game with two quick touchdowns making it 14-0. Valley came back with a 19 yard run by C. Edwards and Isbell's kick made it 14-8. Bengi Hughes hit Bubba Clardy on a 10 yard touchdown pass and an Isbell kick gave Valley a 16-14 lead. Mullin came right back with a pass to regain lead, 20-16. However, on the next play Kirk Garner ran 47 yards to regain the lead for Valley 24-20. With one second left on the clock, Mullin scored once more to take a 28-24 lead into half time.

Mullin came back out on fire as they scored twice to build a 15 point lead 24-40 but the Patriots would not give up as they scored. Two more TD's were put on the board on

an 11 yard run and 14 yard run by Edwards. Isbell hit one extra point. The other was a bad snap to make the score 40-38, Mullins.

"The boys did a fine job. The line blocked well. The Bazles ran well we just let them have too much on defense. Mullins ran the spread and that has hurt us but the boys should be getting used to it by now. There was a lot of aggression on our part and the boys really wanted this one.

Outstanding player this week were the linemen, Jason Little, Jon Pigg, Chad Isbell, Warren Merrell, who all did a great job opening holes for the backs.

Bengi Hughes did a good job quarterbacking his first game. He was 6-9 passing for 58 yards. Chad Isbell hit 4-5 extra points and the backs rushed for a total of 172 yards.

Valley will meet Ropes at Valley Friday night at 7:30 p.m.

J V Whips Jayton 14-0 Meet Patton's Varsity Tonight

by Coach Browning
The Valley JV won its first 6-man game in school history Thursday night 14-0. The defense set the tone early scoring a safety on the open kickoff. The defense led by Chad Powell, Manuel Silva,

Tommy Pinkerton, Ron Brittan, Anthony Zamora, Jason Smith, and Alex Badillo held the Jayton offense in check the entire game. The defense recovered four fumbles and had three pass interceptions.

The offense led by Bradley Price, Manuel Silva and Alex Badillo moved the ball on Jayton but only managed two touchdowns. The line blocked well and the back ran hard. A few mistakes in executing plays kept the offense out of the endzone. The offense will continue to improve from week to week. The Team

Defense" will always keep us in the game.

Valley's scoring per quarter is first quarter, 2; second quarter, 6; third quarter, 6; fourth quarter, 0 for a total of 14.

Valley's Badillo tackled Jayton runner for a safety.

Manuel Silva made the two touchdowns with a 7 and 1 yard runs. The PAT was no good on both attempts.

Notice

A gun safety class may be formed if enough interest is shown. Texas will require

all hunters age 12 and over to be certified in 1990.

For information, call Barry Wheeler or Pinky Pinkerton in Turkey.

As I See It!

By Thelma Gafford

September 17-23 has been set aside to recognize all Emergency Medical Service personnel and volunteers for their many hours of dedicated service. Our EMS and EMTs around here are not compensated very often for their service calls, and we need to improve on that. They never bat an eye when they have to drop what they're doing to come to our aid. It's just something they do without question. We salute all our Emergency Volunteers and say Thank You for being there for us when we need you. Hug an EMT and say Thank You.....today!

How about those Patriots! They looked really good last Saturday night in Rochester. Fans should plan to support our team this week at the first home game against Ropesville.

Editor's note: Homecoming next week.

Keith Edwards

New Fire Chief

Keith Edwards has been elected as president of the Quitaque Fire Department.

Serving with Edwards are Manuel Cruz, vice-president; Randy Powell, secretary-treasurer; and Albert Castillo, reporter.

Arnold Castillo is the fire marshal and Manuel Leal is fire chief. Alternate chiefs are (1) Manuel Cruz and (2) Albert Castillo. Hose captains are (1) Walt Rice and (2) Scott Saul.

Camera Club

To Meet Tonight

Caprock Camera Club will have its regular meeting on Thursday, September 15th at 7 p.m. at the First National Bank of Quitaque.

Members are asked to bring two prints and two slides for competition.

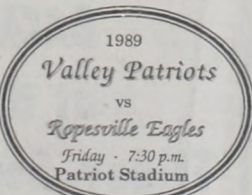

A photographic video will be shown and refreshments will be served. The meeting is open to the public.

Health Clinic To Be At VALLEY

Immunization clinics offering vaccines that give protection against several childhood diseases are scheduled in September. Protection is offered against polio, diphtheria, lock jaw (tetanus), whooping cough (pertussis), measles, rubella and mumps.

Inoculations will be given at the Valley school on September 21 from 10-11 a.m. Hours in Silvertown are that same day from 1-2:30 p.m.

Charges will be based on ability to pay.

Quitaque EMS To Resume Meetings

The Quitaque Emergency Medical Service (EMS) will resume their regular monthly meeting on Thursday, September 14, 1989.

The meeting is set for 7 p.m. at the Quitaque Fire Hall. All EMTs are urged to attend.

1989-90 Valley High School Pep Squad sporting new uniforms at Saturdays game against Mullin.

Turkey Class Of '59 Reunion Termed Big Success Recently

The graduating Class of 1959 of Turkey High School held their 30 year class reunion September 3, 1989 in the home of Delores and Hubert Price.

A reception was held for friends and families from 4-7 p.m.

Those registering were Izell Proctor, Clema Johnson, Maxine Jones, and Buster and Gladys Hanna, all of Turkey; Dolan and Gail

Ted Barnhill, Muleshoe; and Margaret Stephens, Plainview.

Class members were pleased to have former teachers and coaches, Ann and U.F.

Coker and Bill Querner attending. Coach Querner now lives in Grandfield, Oklahoma.

A catered meal by Roy Pigg was enjoyed by the following classmates and spouses: Joyce and David Blume,

Hanna, Floydada; Duran and Helen Chandler, Terrell; Amarillo; Janice (Rogus) and Butch Hughes, Flomot; Betty (Smith) and Harvey Williams, Canyon; JoAnn (McGee) and Jack McFall, Silvertown; Sandy (Wilson) and Ricky Fuston, Turkey; Gary and Suzie Johnson, Paragould, Arkansas; Jan and Dwayne Proctor, Lubbock; Lou and Bobbye Hanna, Deming, NM;

Area Happenings

Fifth Quarter Set For Friday

A Fifth Quarter will be sponsored Friday night after the game by the First Baptist Church in Quitaque. All junior high and senior high school students are invited to attend.

There will be plenty of food, fun and fellowship for the youth. It will be held in the fellowship hall of the church.

Valley Girl Scouts Schedules Meetings

The Valley Junior Girl Scouts fourth grade troop #366 will meet every Thursday from 3:30-4:30 p.m. at the school cafeteria.

Troop leader is Laverne Ortiz.

Brownie troop #366 of third graders will meet every Thursday from 3:30 to 4 p.m. in the school cafeteria. Troop leader is Linda Stark.

Brownie troop #366 of second graders will meet on Mondays at the Quitaque First Methodist Church for one hour immediately after school. Troop leaders are Kathy Taylor and Carol Ramsey.

Junior Class To Host Supper Friday Night

The Junior Class of Valley High School, under the leadership of Mrs. Betty Green and Mrs. Betty Nan Tiffin, will host their first fundraiser of the school year with a supper before the football game Friday night in the cafeteria.

Serving of the Mexican Stack supper will take place from 5:30 - 7 p.m.

Tickets may be purchased from a member of the Junior class or may be purchased at the door.

Proceeds go to pay for the Junior-Senior Banquet in the spring.

Cancer Society Meeting And Picnic Saturday

The American Cancer Society annual district meeting is scheduled for Saturday, September 16, 1989 at Palo Duro Canyon. A family picnic meal will be served to all members and their families.

The Briscoe County unit will be responsible for furnishing lettuce and tomatoes for 50 persons.

For those needing a ride, contact Delene Tyler at 455-1109.

Homecoming Mums Currently On Sale

The 1990 Senior Class of Valley High School are currently taking orders for Homecoming Mums.

Homecoming is scheduled for September 22, 1989. The Valley Patriots will host the Higgins Coyotes, with kick off scheduled for 7 p.m.

Homecoming activities will be held at half-time.

See a senior to place your mum orders.

Baptist Youth To Have Car Wash

A car wash will be held Saturday at the First Baptist Church in Quitaque. The car wash will begin at 10 a.m. on the church parking lot. Car's will be picked up and delivered if desired by the owner. Cars will be washed and vacuumed.

This car wash is sponsored by the Baptist Youth and all proceeds will go toward the Youth Bible Ski Retreat during the spring break. If you need information or want to make an appointment for your car call 455-1286 or 455-1251. Lets support the youth of our community in this effort.

Obituaries

Carl Wayne Baker

Graveside services for Carl Wayne Baker, 62, were held Thursday, September 7, 1989, at 10 a.m. at Dreamland Cemetery with the Rev. Steve Ulrey officiating. Arrangements and burial were under the direction of School-Gordon Funeral Directors of Turkey.

Dear Editor,
 What a pleasure it was to visit the town of Quitaque. The show windows were a wonderful trip back in time that we enjoyed very much.

Quitaque is a town that should be very proud of all they have done and are still doing to put their town on the map.

Thank the young man who was on our bus as we drove through town. He was from your Chamber. He was very interesting.

We wish the best to you as you work on your progress. Are looking forward to seeing you again.

Olin and Nora Bunch
 (Lion's Club from Snyder, Texas.)

Dear Sir:
 This is information on the Hall County Reunion and Picnic, that will take place on Saturday, September 16, 1989 in Memphis, Texas.

The following events are scheduled:
 Heritage Hall Museum open all day.

Arts and Crafts displays and Art Show downtown.

Noon Meal-Hotdogs, drinks, chips and homemade ice cream.

Parade at 4 p.m.
 6 p.m.-a barbeque dinner at the City Park.

7:30 p.m.-Music at the park theater by Weldon Turpin and The Midnight Cowboy Band. Weldon and band were this year's winner of the Bob Wills Fiddling contest.

The picnic association would be honored if you would place this in your paper.

Thank you!
 Gaylon Clark
 president
 806-867-3191

He died Monday, September 4 at his home in Turkey.

Mr. Baker was born October 6, 1926 at Turkey and was retired from the Texas Highway Department. He served in the U.S. Merchant Marines during World War II and was a member of the First United Methodist Church of Turkey.

A son, Jo Bob, preceded him in death in 1973.

Survivors include his wife, Beatrice, of the home; two sons, Mark Rusty Baker, of the home and Milton Wayne Baker of Haucha City, Ariz.; a brother, Ray Baker of Ft. Worth; three sisters, Margaret Snowdon of Memphis, Lois McElrath of Denver, Colo., and Alice Hill of Wink and two grandchildren.

J. Graves Mayfield

Services for J. Graves Mayfield, 63, of Waco were conducted at 2:30 p.m. Thursday, September 7, 1989, at St. Alban's Episcopal Church, with the Rev. Paul Taft officiating. Masonic graveside services were held at Waco Memorial Park Cemetery. Arrangements were under the direction of Wilkerson-Hatch Funeral Home.

He died September 6, 1989, at his residence.

Mr. Mayfield was born October 31, 1925 in Brady, Texas. He attended schools in Quitaque and graduated from Texas Tech University in 1950. He was an Army veteran of World War II and married Vedy Wright on September 1, 1948.

Mr. Mayfield owned and managed Waco Packing Co. and was a member of Karem Temple, Veterans of Foreign Wars Post No. 2148 and St. Alban's Episcopal Church.

Survivors include his wife; his father, Jim A. Mayfield of Quitaque; three daughters, Karen Mayfield and Sondra Waits, both of Waco and Teri Muse of Denton; a sister, Jimmie Richmond of Anson; two brothers, Gene Mayfield of Levelland and Bill Mayfield of Happy; and nine grandchildren.

The family has designated the Shriners Cripple Children's Hospital of the Hospice program at Hillcrest Baptist Medical Center for memorials.

BOOSTER CLUB

by Brenda Smith
 The Valley Booster Club met Monday night at 7:30 p.m. in the school cafeteria for its first meeting of the year.

Coach Clifton Gilmore reviewed the video of last Saturday's game between Valley and Mullins. His presentation was very informative as 6-man football is totally different from 11-man and we all need to learn the rules for this exciting type of football.

Following the video, president Mike House presided over the business meeting. Under new business was election of officers for 1989-90 year. New officers are: president, Butch and Janice Hughes; treasurer, Susie House; and reporter, Brenda Smith.

Fundraising projects were discussed. This year the Booster Club will sell caps and host a outsiders volleyball tournament in the spring.

Valley caps will be for sale at the gate before the Valley Ropes game Friday night.

Coach Gilmore reported that he is still trying to get a full schedule. So far our varsity has nine games scheduled, junior varsity has eight games and junior high has six games.

Short Takes

Insect zappers: Researchers have discovered that many plants have insect-zapping capability. National Wildlife magazine reports members of the sunflower family, including daisies and margolds, produce chemicals that are poisonous to insects. When these chemicals sop up sunlight they become highly toxic. But their poison loses its punch in the dark. One plant pesticide is more toxic to mosquito larvae than the outlawed chemical DDT.

BROWNIE NEWS
 TROOP 366

Valley Brownie troop #366 and Valley Junior troop #366 will have a slumber party Friday, September 15, 1989, in the home of Linda Stark.

All girls need to ride Diane Brunson's bus from school. They will be delivered to their homes around 11 a.m. Saturday morning.

School Activity Calendars Are In

The Quitaque and Valley School Activity Calendars are ready. They are for sale at Farley's or Elaine's Beauty Shop and have each person's birthday, anniversary, club dates and school activities listed.

All money raised in this project will go toward helping to make a better community.

Pointers For Parents

Bicycle Safety
 When getting your child ready for school this year, you'll probably need to buy a new lunch box, new notebooks—and a bicycle helmet. Forty-one million children rode bicycles in 1988—and only two percent wore helmets, leaving the rest vulnerable to serious head injuries. Here are some pointers to help keep your young cyclist riding safely:

- Teach your youngster to always ride with the traffic; stop at all stop signs and red lights; avoid riding in busy streets; and stop before entering a street from a driveway.

Trash Dumping Will No Longer Be Allowed on my property.
 Violators will be reported to the Texas Department of Health for prosecution.
 Florene Cobb

Bricks Needed In Quitaque Clean-Up

One of the major improvements in downtown Quitaque will be the area to be paved with brick between the Texas Horse Pad building and the Tyler Building. Debris has been hauled off and sand has been put in to make a base for the brick ground work.

This area will become a mini-park with a fence placed across the back and benches providing a pleasant place to relax and visit.

Brick to pave this area is needed! Anyone who has brick around that could be donated, please call City Hall today. Volunteer workers will haul the brick to the area to be paved.

Volunteer workers are also needed to pick up the brick, haul it to the sight and lay the brick. Anyone who would be willing to donate one day of work for a worthy community project is vitally needed. Work will begin at 9:00 a.m. Saturday, September 16 and lunch will be served by the women of the community for all of the workers. If enough people will help, this project could be finished in one day and will make an outstanding improvement in the community.

Gramm Trying To Obtain Change In Disaster Relief

Texas Senator Phil Gramm is trying to obtain an administrative change in the new disaster relief program so that farmers who replanted on disaster acres won't be penalized, according to Steve Pringle, national affairs director for the Texas Farm Bureau.

Gramm told Texas Farm Bureau that farmers who replanted on their disaster acres must deduct the value of the second crop from their disaster payment.

While USDA had intended to apply the gross value of the crop, Gramm said the deduction should be made on the net value, allowing farmers to keep their crop expenses.

Conservative estimates indicate the net value formula will put at least \$15 million more into the pockets of Texas farmers, the Texas Senator said.

"I think it is absolutely imperative that we write regulations of the disaster relief bill so that in calculating how much someone gets, we look at the net value of the crop, not the gross value," Gramm said.

Senator Richard Lugar of Indiana, sponsor of the amendment, reportedly has agreed to the net value deduction, and USDA is likely to accept that proposal, Gramm said.

Gramm said the disaster relief bill would, in effect, hurt those farmers who elected to replant their disaster acres while they awaited action by Congress on the bill.

Plantings of grain sorghum and soybeans increased about a million acres this year. Most of that is estimated to be replanting on disaster acres.

The Valley Extension Homemakers met on September 5, 1989 at Valley School. Jan Merrell served as hostess and Wilburn Leeper presented a program on photography. The next meeting will be Thursday, September 19. Everyone is encouraged to attend.

Farmers Won't Attend Fly-In

Turkey Farmers Union Board of Directors met last week. They voted not to go on the Washington Fly-In this week because of expenses. This is the second scheduled fly-in this year. The first fly-in saw about 250 Congressmen who promised to vote for a good Farm Bill. Members of the Farmers Union from several states are in Washington at this time with plans to visit every Congressman again.

Quitaque Senior Citizens

The Senior Citizens of Quitaque held their regular business meeting on September 7, 1989 with president R. J. Harmon presiding. Austella Brown read the minutes from the August meeting, which were approved as read. Yolán Roberson gave the financial report. Prayer was offered by James Taylor. Fourteen people were present for the meal and games. Yolán, Austella and Cora Grayson prepared the nice meal. A Rummage and Bake Sale is scheduled for October 14, 1989. The noon meal takes place the second Thursday of each month. The next breakfast will take place Saturday, September 16 at 7 a.m. a.m.

Lyles Returns From Eastern States

Ying Lyles, of Turkey, has returned from a two week vacation trip to the Eastern States of the country. She was met at the Baltimore airport on August 15 by Pui Ying and family. Ying and Pui Ying traveled to New York by train to visit relatives on the 19th. New York was very beautiful and interesting according to Ying. They later visited the Statue of Liberty. Ying reports the lady is 151 feet tall and has 168 steps leading to the interior of her head. They also visited the famous Skyline of New York, toured Central Park, the Children's Zoo, the beautiful Gardens, and the famous Queensborough Bridge, which was built in 1909. As the ladies toured the city, they indulged themselves in shopping in China Town and in the worlds largest department store, Macy's. The group returned to Baltimore on August 26. Included in their tour were points of interest such as Washington D.C., Lincoln

and Jefferson Memorials, the George Washington Monument and the Vietnam Veterans Monument. Next on the agenda was a trip to Baltimore's inner harbour, the

World of Water, and the famous National Aquarium, which exhibits the most unusual sea creatures. Ying reports the fun-filled, two week trip was over in no time, and is glad to be home.

PUBLIC NOTICE
BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS
SPECIAL ELECTION
NOVEMBER 7, 1989

PROPOSITION NO. 1 ON THE BALLOT
House Joint Resolution 102 proposes a constitutional amendment that would increase the salary of members of the legislature to one-fourth of the Governor's salary and increase the salary of the Lieutenant Governor and the Speaker of the House of Representatives to one-half of the Governor's salary. The annual salary of members of the legislature, the Lieutenant Governor, and the Speaker of the House of Representatives is currently \$7,200. Under this provision, the annual salary of the Lieutenant Governor and the Speaker would be \$46,716, and the annual salary of members of the legislature would be \$23,358, based on the Governor's current annual salary of \$93,432. The increase for the Speaker and the members of the legislature would take effect when the legislature convenes for its regular session in January 1991. The increase for the Lieutenant Governor would take effect when the term of that office begins in 1991. The salary increase for the Lieutenant Governor would not make members of the legislature ineligible to run for the office of Lieutenant Governor. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to limit the salary of the lieutenant governor and the speaker of the house of representatives to not more than one-half of the governor's salary and to limit the salary of a member of the legislature to not more than one-fourth of the governor's salary."

PROPOSITION NO. 2 ON THE BALLOT
Senate Joint Resolution 5 proposes a constitutional amendment that would authorize the Texas Water Development Board to issue an additional \$500 million of Texas water development bonds. The additional bonds are to be used as follows: \$250 million of the bonds are to be used for water supply loans and facilities acquisition; \$200 million of the bonds are to be used for water quality enhancement projects; and \$50 million of the bonds are to be used for flood control. The legislature may provide that \$100 million be used for subsidized loans and grants to economically distressed areas of the state for water and wastewater facilities. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to authorize the issuance of an additional \$500 million of Texas water development bonds for water supply, water quality, and flood control purposes."

PROPOSITION NO. 3 ON THE BALLOT
House Joint Resolution 51 proposes a constitutional amendment that would authorize the legislature to provide for the issuance of general obligation bonds to provide money to establish a Texas agricultural fund, a rural microenterprise development fund, a Texas product development fund, and a Texas small business incubator fund in the state treasury. The Texas agricultural fund would be used to provide financial assistance to develop, increase, improve, or expand the production, processing, marketing, or export of crops or products grown or produced in Texas by Texas agricultural businesses. The rural microenterprise development fund would be used to stimulate the creation and expansion of small businesses in rural areas. The Texas product development fund would be used to aid in the development and production of new or improved products in this state. The Texas small business incubator fund would be used to stimulate the development of small businesses in the State. The principal amount of bonds outstanding at one time could not exceed \$25 million for the Texas agricultural fund and \$5 million for the rural microenterprise develop-

ment fund. The financial assistance offered by both funds could include loan guarantees, insurance, co-insurance, loans, and indirect loans or purchases or acceptances of assignments of loans or other obligations. To carry out the Texas product development fund, the legislature could authorize loans, loan guarantees, and equity investments, and the issuance of up to \$25 million of general obligation bonds for initial funding. To carry out the Texas small business incubator fund, the legislature could authorize loans and grants of money, and the issuance of up to \$20 million of general obligation bonds for initial funding. Bonds authorized under this amendment would be paid out of the first money coming into the treasury in each fiscal year that is not otherwise appropriated by the constitution, less any amount in any interest and sinking account at the end of the preceding fiscal year that is pledged to payment of the bonds or interest. The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide for the recovery and further development of the state's economy, with goals of increasing job opportunities and other benefits for Texas residents, through state financing of the development and production of Texas products and businesses."

PROPOSITION NO. 4 ON THE BALLOT
House Joint Resolution 13 proposes a constitutional amendment, by general law, to exempt from ad valorem taxes property owned by nonprofit veterans organizations that are chartered or incorporated by the United States Congress. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to exempt property of nonprofit veterans organizations from ad valorem taxation."

PROPOSITION NO. 5 ON THE BALLOT
Senate Joint Resolution 11 proposes a constitutional amendment that would provide an exemption from ad valorem taxation for goods, wares, merchandise, other tangible personal property (including aircraft), and ores (other than oil, gas, and petroleum products) if the property is acquired in or imported into the state and is destined to be forwarded out of the state, regardless of whether the intention to forward the property existed when the property was acquired or imported into the state, if it remains in Texas for 175 days or less for assembly, storage, manufacture, processing, or fabrication. The proposed amendment would authorize the governing body of a county, municipality, school district, or junior college district to prevent the exemption of this tangible personal property from taxation by taking official action before April 1, 1990. A county, municipality, school district, or junior college district could rescind a decision to tax the property, in which case the exemption would become effective in the year of the rescission and the property could not thereafter be taxed. The proposed amendment will appear on the ballot as follows: "The constitutional amendment promoting economic growth, job creation, and fair tax treatment for Texans who export goods to other states and nations by restoring and allowing, on a local option basis, an ad valorem tax exemption for certain personal property that is in Texas only temporarily for the purpose of assembling, storing, manufacturing, processing or fabricating."

PROPOSITION NO. 6 ON THE BALLOT
House Joint Resolution 4 proposes a constitutional amendment that would enable the legislature to provide, by general or special law, that members of a hospital district board may serve terms not to exceed four years. Currently, hospital district board members' terms are two years. The proposed amendment will appear on the ballot as follows: "Authorizing the members of a hospital district governing board to serve four-year terms."

PROPOSITION NO. 7 ON THE BALLOT
House Joint Resolution 40 proposes a constitutional amendment that would change the format of the oath of office for officeholders in this state. All elected and appointed officers would be required to take an oath or affirmation swearing to faithfully execute the duties of office and to preserve, protect, and defend the constitution and laws of the State and the United States. In addition, each elected and appointed officer would be required to sign a sworn statement that he or she had not paid, offered, or promised anything of value for a vote or to secure appointment to an office, as applicable. The written, sworn statement would be filed with the secretary of state. The information in the statement is currently contained in the oaths of office taken by elected and appointed officials. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to require that a member of the legislature, the secretary of state, and an elected or appointed officer, before assuming office, sign a written oath stating that the member, the secretary of state, or the officer did not engage in bribery to obtain the office."

PROPOSITION NO. 8 ON THE BALLOT
Senate Joint Resolution 24 proposes a constitutional amendment that would allow the legislature to authorize the issuance of up to \$400 million in general obligation bonds. The proceeds of the bonds could be used to acquire, construct, or equip new corrections institutions, mental health and mental retardation institutions, youth corrections institutions, and statewide law enforcement facilities and to repair and renovate existing facilities of those institutions. The bonds would constitute a general obligation of the state. The bonds and interest on the bonds would be paid from the first money coming into the treasury that is not otherwise appropriated by the constitution, less any amount in a sinking fund at the end of the preceding fiscal year that is pledged to payment of the bonds or interest. The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the issuance of general obligation bonds for projects relating to facilities of corrections institutions, youth corrections institutions, and mental health and mental retardation institutions and for the expansion of statewide law enforcement facilities."

PROPOSITION NO. 10 ON THE BALLOT
Senate Joint Resolution 4 proposes a constitutional amendment that would authorize the legislature to enact laws requiring or permitting judges to advise juries that a defendant convicted of a criminal offense can receive credit for good conduct that results in a shorter prison term and that eligibility for parole or mandatory supervision can also affect the length of time a convicted criminal serves in prison. The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to require or permit courts to inform juries about the effect of good conduct time and eligibility for parole or mandatory supervision on the period of incarceration served by a defendant convicted of a criminal offense."

PROPOSITION NO. 11 ON THE BALLOT
House Joint Resolution 102 proposes a constitutional amendment that would increase the per diem of members of the Legislature. The amount of per diem allowed during a calendar year would be equal to the maximum amount allowed for federal income tax purposes as of January 1 of that same year as a deduction for living expenses incurred by a state legislator. The per diem of \$30 would increase to \$81, which is the current maximum living expense deduction. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to set the amount of per diem received by a member of the legislature at the amount allowed for federal income tax purposes as a deduction for living expenses incurred by a state legislator in connection with official business."

PROPOSITION NO. 12 ON THE BALLOT
Senate Joint Resolution 53 proposes a constitutional amendment that would authorize the legislature to provide for the use of the permanent school fund and the income from the permanent school fund to guarantee bonds issued by the state for the purpose of providing loans or purchasing the bonds of school districts to acquire, construct, renovate, or improve instructional facilities. If the permanent school fund were required to make payment as a result of its guarantee of bonds issued by the state, the fund would have to be reimbursed immediately from the state treasury. The amount of bonds guaranteed by the permanent school fund could not exceed \$750 million unless a higher amount was authorized by a two-thirds vote of both houses of the legislature. If a school district were to become delinquent on a loan, the amount of the delinquency would be offset against other aid to which the district was entitled. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to provide for using the permanent school fund and its income to guarantee bonds issued by the state for the purpose of aiding school districts."

PROPOSITION NO. 13 ON THE BALLOT
House Joint Resolution 19 proposes a constitutional amendment that would provide a bill of rights for crime victims. This constitutional amendment would give crime victims the right to be treated with fairness and respect and to be reasonably protected from the defendant. On his request, the crime victim would have the right to notification of court proceedings, the right to be present at all public court proceedings unless a court determines that the victim's testimony would be affected by hearing other testimony, the right to confer with a representative of the prosecutor's office, the right to restitution, and the right to information about the conviction, sentence, imprisonment, and release of the defendant. The legislature would be authorized to enact laws to define the term "victim," to enforce the rights of crime victims, and to provide that certain public officers and agencies are not liable for a failure to protect a victim's rights. The proposed amendment will appear on the ballot as follows: "The constitutional amendment

providing a bill of rights for crime victims."

PROPOSITION NO. 14 ON THE BALLOT
Senate Joint Resolution 71 proposes a constitutional amendment that would require the district attorney in Fort Bend County to be elected and serve terms at the same times as criminal district attorneys in the state. Currently, criminal district attorneys are elected in gubernatorial election years and district attorneys are elected in presidential election years. The proposed amendment will appear on the ballot as follows: "The constitutional amendment requiring a district attorney serving in Fort Bend County to be elected and serve a term in the manner provided by general law for criminal district attorneys."

PROPOSITION NO. 15 ON THE BALLOT
House Joint Resolution 32 proposes a constitutional amendment that would authorize the legislature, by general law, to permit charitable raffles conducted by qualified nonprofit organizations. The amendment would require that the raffles be conducted, promoted, and administered only by members of the qualified nonprofit organizations and that the proceeds from the sale of raffle tickets must be spent for the charitable purposes of the organizations. The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to permit and regulate raffles conducted by certain nonprofit organizations for charitable purposes."

PROPOSITION NO. 16 ON THE BALLOT
Senate Joint Resolution 34 proposes a constitutional amendment allowing the legislature to pass general laws authorizing the creation of hospital districts upon approval of a majority of the qualified voters of the district. The amendment would also permit the legislature to authorize the creation of hospital districts by general or special law in counties with populations of 75,000 or less and to authorize the commissioners courts of such counties to levy ad valorem taxes and issue general obligation bonds for the support and maintenance of such districts. The proposed amendment will appear on the ballot as follows: "The constitutional amendment granting to the people the right to decide whether to create and maintain hospital districts to protect the public well-being in a manner independent of the legislature."

PROPOSITION NO. 17 ON THE BALLOT
House Joint Resolution 33 proposes a constitutional amendment that would allow the legislature, by general law, to authorize the use of public money to provide local fire departments and other public fire-fighting organizations loans or other financial assistance to purchase fire-fighting equipment and to aid in complying with federal and state law. The legislature would also be allowed to authorize the use of public money for scholarships and grants to educate and train members of these organizations. Part of the money could be used for administrative costs of this program. The legislature would provide for the terms and conditions of all such scholarships, grants, loans, and other financial assistance. The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the state to provide scholarships, grants, loans, and other financial assistance to local fire departments and other public fire-fighting organizations to purchase fire-fighting equipment, to aid in providing necessary equipment and facilities to comply with federal and state law, and to educate and train their members."

PROPOSITION NO. 18 ON THE BALLOT
Senate Joint Resolution 44 proposes a constitutional amendment that would repeal subsection (e) of Article III, Section 50-d of the constitution, Article III, Section 50-d currently allows the Texas Water Development Board to issue and sell Texas agricultural water conserva-

tion bonds in an amount not to exceed \$200 million, if two-thirds of the members of each house of the legislature approve. Under subsection (e), this authority will expire in November, 1989. Repeal of subsection (e) by passage of this amendment would continue in effect the authority to issue and sell the bonds. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to eliminate certain time limitations relating to the issuance of Texas agricultural water conservation bonds."

PROPOSITION NO. 19 ON THE BALLOT
Senate Joint Resolution 69 proposes a constitutional amendment that would allow local governments to invest their funds as authorized by the legislature. Currently, the constitutional prohibition against a grant of public money to an individual, association, or corporation or against becoming a stockholder in a corporation, association, or company prevents local governments from making some kinds of investments. This proposed amendment would allow local governments to make any investments authorized by the legislature. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to authorize local governments to invest their funds as provided by law."

PROPOSITION NO. 20 ON THE BALLOT
Senate Joint Resolution 16 proposes a constitutional amendment which, if passed, would abolish the office of county surveyor in Cass, Ector, Garza, Smith, Bexar, Harris, and Webb Counties. A majority of the voters in an affected county must vote in favor of this proposed amendment before the office is abolished in that county. If the office of county surveyor is abolished in any of these counties, the powers, duties, and functions of the office are transferred to a county officer or employee designated by the commissioners court of the county in which the office is abolished. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to abolish the office of county surveyor in Cass, Ector, Garza, Smith, Bexar, Harris, and Webb Counties."

PROPOSITION NO. 21 ON THE BALLOT
Senate Joint Resolution 74 proposes a constitutional amendment that would authorize the legislature to enact laws authorizing the Texas Higher Education Coordinating Board or its successor to provide for issue, and sell an additional \$75 million in general obligation bonds as college savings bonds. The form, terms, and denominations of the bonds would be prescribed by law. The interest rate and installments would be prescribed by the Texas Higher Education Coordinating Board or its successor. The maximum net effective interest rate would be set by law. Proceeds from the sale of the bonds would be credited to the Texas opportunity plan fund, which is used to make loans to students to attend institutions of higher education in Texas. The bonds and interest on the bonds would be payable from the first money coming into the treasury in each fiscal year that is not already appropriated by the constitution, less the amount remaining in the sinking fund at the close of the prior fiscal year. The proposed amendment will appear on the ballot as follows: "The constitutional amendment providing for the issuance of general obligation bonds as college savings bonds to provide educational loans to students and to encourage the public to save for a college education."

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitución que aparecerán en la boleta el día 7 de noviembre de 1989. Congressman

BILL SARPALIUS

Congress has reached the midpoint of my first year as your representative in Washington. It has been a challenging, but very rewarding, seven months.

In many ways, we have accomplished more than I might have imagined. When drought

threatened our district's economy, we brought a Congressional committee to the district and then quickly passed a major drought-relief bill out of the House. We have

SUPERINTENDENT'S CORNER

by Wilburn Leeper

A federal law called the Asbestos Hazard Emergency Response Act (AHERA) now requires each school to conduct inspections to determine if asbestos is present in any buildings. If asbestos is found, it is evaluated by a specially trained certified individual to determine if it poses a hazard. If a hazard does exist, the school must plan specific actions to eliminate the hazard. Procedures must also be adopted to ensure that the condition of nonhazardous asbestos does not change in any way which would create a hazard.

This school district has concluded an asbestos inspection, and we are able to report that asbestos was found in the following buildings: Floor tile in the Valley School-main building and Valley School-ag building. The form and condition of this asbestos indicate that it is not hazardous, but special operations and maintenance procedures will be used to ensure this remains true. Periodic surveillance and reinspection by certified personnel will be used to verify that the material remains nonhazardous.

The inspection information and the plan for dealing with any potential hazard that may exist are all detailed in our asbestos management plan, prepared by the Texas Association of School Boards. This document is available for inspection at Turkey/Quitaque ISD, Office of Superintendent of Valley Schools. If anyone should have questions about the plan, they may contact: Wilburn Leeper, Superintendent, Valley Schools.

The introduction to the management plan provides a good overview of asbestos and the circumstances under which it can be a hazard.

Regulations governing asbestos are very stringent. The school is required to use some procedures to reduce to an absolute minimum even the remotest possibility of asbestos contamination. Such procedures, however, fully comply with all federal and state asbestos requirements and that the school board and administrators have no greater priority than the health and welfare of the students and staff members entrusted to their care.

been able to bring your tax dollars home in the form of three vital water projects and a new Census Bureau office. And, my colleagues honored our district by asking me to serve as our freshman class president.

We have been effective as a district because we have been united as a district. I intend to do everything to keep this united spirit alive, and this newsletter is designed with that goal in mind.

This newsletter also contains the schedule for our mobile office. The office will be traveling throughout the district on a regular basis, providing you with an opportunity to let us know how you feel about the important issues of the day or to let us know if there is something we can do to be of assistance to you.

I hope you find this informative. As always, we welcome your questions and suggestions about things we can do to serve you better.

Ed. Note: The Sarpalius mobile unit will be in Paducah from 9-10 a.m. September 19 at the Courthouse. On September 22, the unit will be at the Courthouse in Guthrie from 3-4 p.m.

Entire newsletter on file at Post for interested persons.

Export Credit Program New

State Treasurer Ann W. Richards Thursday announced the Treasury has begun a \$100 to \$150 million export credit program designed to help Texas products find markets world wide.

"This program will use state funds to back the export of agricultural and other products from Texas ports," Mrs. Richards said. "The program will benefit Texas farmers, Texas exporters, Texas banks and Texas ports. It will also benefit the State Treasury since our investment in the program will earn non-tax revenue for the state," she said.

The Treasury will only invest in the highest rated bankers' acceptances. These instruments are secured by the issuing banks and by the export goods.

TEAMS Test Portions May Be Re-taken

During each regular exit level text administration, individuals who are no longer enrolled in school and have not previously passed both sections of the TEAMS test but have met all other graduation requirements may retake the sections not passed. During October administration, the mathematics test will be administered on Wednesday, October 25, 1989, and the English language arts test will be administered on Thursday, October 26, 1989.

Individuals who are no longer enrolled in a Texas public high

Jamboree Successful

Approximately 300 persons attended the Caprock Jamboree held Saturday, September 2. Among a large group of local citizens were people representing 16 towns and two other states.

The Jamboree and the Silverton Fire Department appreciate everyone who ate and attended the show. It is your help that made each show a success.

Don't forget that the next show will be in the County Showbarn on October 7. During the fall and winter months the shows will be at the show barn every first Saturday of the month. Sponsorship will alternate between Silverton and Quitaque clubs. Quitaque will be the sponsor in October.

For all the indoor shows there will be a cover charge for everyone over 7 years of age. This money will be used to pay for the use of the building and to purchase a public address system. Donations have been received during the other shows which were greatly appreciated.

Before long, perhaps we can soon afford our own public address system which would help work out some of the sound difficulties.

Your continued support and attendance will help continue to make improvements.

The first American to enter the Olympic Pentathlon was George Patton, later, General Patton.

school and wish to register to retake the exit level TEAMS test, mathematics and/or English language arts tests, may pick up a registration packet at any high school campus. Registration forms may be picked up at Valley High School.

These forms must be completed and returned in the pre-addressed envelope and to be received in Iowa City, Iowa no later than 5:00 p.m. October 4, 1989. Questions concerning out-of-school examinee testing should be directed to the Texas Education Agency, Division of Student Assessment, (512) 463-9536.

The next get-together will take place September 1-2, 1990.

Farleys Celebrate 40th Anniversary

Farley "40" anniversary Mr. and Mrs. Wendell Farley celebrated their 40th wedding anniversary, Saturday, September 9. A cookout was held at their home hosted by their children Debbie and Jack Wellman, Jamie, Richard, Ryan and Jessica and Dennis and Lisa Farley, Melody, Vance and Randy.

In addition to the honorees and hosts, A. B. and Marie Ramsey, Dale and Carol Ramsey, Russell and Kristin, Dara Ramsey, Una Lee, Danny and Judy Barrett and Junior Farley were in attendance to help celebrate the occasion.

We The Women Begins New Year

"We the Women" began a new year Monday with a luncheon at the United Methodist Church.

An interesting program was presented by County Extension Agent Lynda Fogerson on "Communication."

Twelve women were present for the meeting and were enthusiastic as president Delene Tyler outlined plans for the year.

The organization meets on the 2nd Monday of each month and would like all of the local women to attend.

Lacy Reunion Was Well Attended

Norma and Forest Hess were hosts to a Lacy family reunion over the Labor Day weekend, September 1-5, 1989, at their lake home on Hubbard Creek Lake, Breckenridge, Texas. The reunion was a gathering of the descendants of Porter and Lillie Lacy, who were married and settled in Turkey, Texas in 1909.

Among the many activities enjoyed over the weekend was a fish fry, hosted by Ivin and Anna Beth Martin on Saturday evening. The group enjoyed table games, swimming, fishing and boating - and also much food and fellowship!

Four of the five children of Porter and Lillie Lacy in attendance were: Elva and Pete Rice, Quitaque; Flossy Burnett, Midland; Coy Jane and Robert

Young, Atlanta, Georgia; the hosts, Norma and Forest Hess, Hermleigh. Unable to attend was Perry Lacy and his family of Neosho, Missouri.

Other family members and friends present were: Cathy Mitchell, Robert and Rebecca, Lubbock; Lois Chambliss, Stephanie and Terry Don, Irving; Jarrell Rice, Quitaque; Anna Beth and Ivin Martin, Roby; Judy and Ray

and Shannon Teal all of Waco; Reta and E. P. Birkhead, Midland; Lyndell Martin, Corby Faulkenberry and Kristi McCollum, Irving; and Crystal Swarengin, San Angelo.

A total of 42 family members and friends were in attendance during the weekend.
