Cowboy Meet Goes On In Spite of Rain

The first annual Caprock Cowboy Camp Meeting was successfully held, in spite of days of continual rain. The event was moved to the Briscoe County Show Barn where meals were cooked and served and services were held.

Over a hundred people turned out each night for the good singing, led by Jimmy Burson and the exciting preaching of John Keefe and Boyce Evans. Steve Cody directed the Ranchman's Camp Meeting Association's crew who took care of cooking and set up,

Johnnie Burson, chairman of the Caprock Cowboy Camp Meeting, drew cooperation from area churches and people throughout the county.

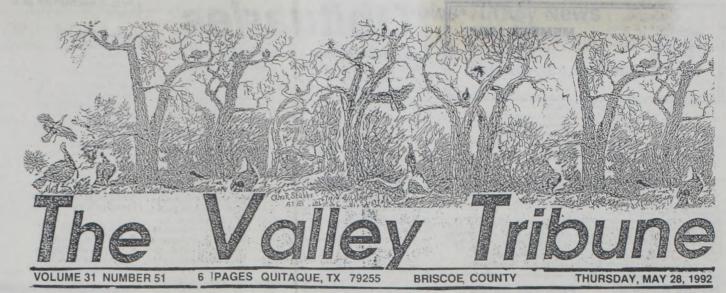

Once again, by working together, area residents have brought about something good for everyone

JUNE 1-7 INT'L VOLUNTEERS WEEK

School Office Closes May 25; Reopens June 1

Valley School Offices will be closed from May 25 through May 30. The school offices will reopen with regular summer hours from 9 a.m. until 12 and from 1 p.m. until 4 p.m. on June 1, 1992.

Report cards can be picked up beginning Thursday, June 4 during regular office hours at Mr. Maupin's office or Joanie

Two Turkey Landmarks **Being Demolished**

The buildings that one time housed a hardware, furniture, and implement store are being torn down by the present owner, Navarre Bain. These two buildings have been vacant for a number of years.

For approximately 50 years these two buildings housed the "Turkey Hardware and Furniture Store," owned and operated by the Lacy family, first by Albert Lacy and later by his son, Elmer Lacy

The building on the west corner, which was constructed first, at one time housed a Dry Good Store when it was owned by Ed Garner. Garner was related to Mr. Kelly who operated the Higginbotham-Bartlett Lumber.

Bob Butler, Alva Johnson and other partners acquired the building in 1922 and added the hardware. Albert Lacy ran the hardware store for them before purchasing the business in 1923. Other partners at different times were Perry Wilson and Roy

Rice Takes Job With Red River **Water Authority**

Walt Rice has accepted a postion with the Red River Water Authority in Howardwick.

Walt has been employed by the City of Quitaque for the past five years. His last day on the

job will be Monday, June 1. Walt, his wife, Karen and daughter, Taylee are planning to move to Howardwick in the next few weeks, but right now they are still looking for a place

Rice will begin his new job on

June 8, 1992. Walt stated that he has enjoyed working for the City and the people of Quitaque. He and Karen are looking forward to their move, but will miss every-

uce Mcrau

Summer time has arrived-at least as far as school in our area is concerned. The rains of last week makes us realize that summer is just around the corner. All the farmers are on their tractors putting seeds in the ground so that the warm days of summer can mature them into grown plants that will produce cotton for the clothes we wear, peanuts for food stuff, grain to feed cattle for food and garden

vegetables to put food on our tables. Summer brings many joyous occasions. This summer Briscoe County is looking forward to their Centennial Celebration in August, Cities and counties have Fourth of July fireworks displays. Labor Day picnics, baseball games, rodeos, and other type celebrations. This is one of our rights and privileges of being an American, fun stuff as well as the responsibility of voting and the American traditions of taking care of one's neighbors and lending them a helping hand when needed. As we look around us we see friends, neighbors and even other countries that are not as fortunate as we

Do we try to help them have a better life or do we just look the other way when they pass by with all their problems and hope that they will not recognize us and ask us to do something for them?

This summer as we get out and enjoy the sun shining, the swimming with our childdren, the picnics with our friends, the family reunions with those we love the most, let's give some thought to including that child who no one ever seems to take anywhere, that adult that is always left behind or the neighbor down the street that can't move quite as rapidly as she did 20 years ago. Think of the joy you can spread with such little effort. Let's do our part in our little corner of the world to make our world a much better place to live in by our kindness to each other!

The east building was built by Albert Lacy about 1925. At one time caskets were part of the merchandise in this building. When Bill Hardcastle became owner of the funeral home he bought the caskets from Mr. Lacy and moved them to the funeral home

In 1929, Molly Baber, the wife of Joe Baber, operated a beauty shop in the back of the hardware store. Later, Clema Johnson had a beauty shop in the back of the hardware store. Joe Baber worked for Albert Lacy before

the Babers moved to Canyon.

After operating the Turkey Hardware and Furniture Store, Albert Lacy sold the business to his son, Elmer Lacy. This transaction occurred in 1940. At the same time, Albert Lacy's son-inlaw, Vernor Bradshaw, bought

the implements which were stored in a big building south of the hardware store.

The last ones to operate the hardware and furniture store were Jean and Euman Lyles, who bought it from Elmer Lacy

Methodists Set For 83rd Annual NW Conference

United Methodists from across the Panhandle, South Plains and Big Country regions will gather June 1-4 at First United Methodist Church in Lubbock for the 83rd Session of the Northwest Texas Annual

Bishop Louis W. Schowengerdt, leader of some 80,000 United Methodist in the area, will preside over the conference for the twelfth and final time. Elected to the episcopacy in 1980, the Missouri native will retire in August. His successor will be named in July during the South Central Jurisdictional

'A Day of New Beginnings" is the theme for the annual conference, expected to draw more than 1,000 participants. Highlights of the four-day session will include a afarewell dinner for Bishop Schowengerdt and his wife, Ina, at the Lubbock Civic Center, June 2, at 5:30 p.m.

Kirk Garner

Kirk Garner Named Tops In Track

by Patti Whittington

Kirk Garner, a freshman at Tarleton State University has been named Freshman of the Year in track. Kirk participated in the NAIA National Outdoor Track and Field Championships in Burnaby, British Columbia,

Canada as a member of TSU Texan's track team. The meet was held at the University of Simon-Fraser on May 21,22 and

Kirk ran a time of 53.6 sec-

onds in the 400 meter hurdles, which got him to the semi-fi-

Preacher for the 1992 Northest Texas Annual Conference is Dr. Arthur Landwehr, Senior Minister of Grace United Methodist Church in Naperville, Illi-

The Northwest Texas Annual at 2:00 p.m. and will conclude June 4 at noon

All events other than the Bishop's Dinner and Rally will be held at First UMC, located at 1411 Broadway in downtown Lubbock.

Delegates and alternates attending from Turkey are Fredia Fuston and Keith Green.

Those attending from Quitaque are Jimmy and Clara Ruth

Caprock Library **Grand Opening Rated Success**

by Arlene Hinkle

The Grand Opening of the Caprock Public Library was a success. Hopefully, in September when we become a member of the Texas Panhandle Library System, our ultimate reward will be at least one avid reader in every family.

Judge Jimmy Burson and the 110th District Court has graciously allowed us use of a monitor and a VCR. This is a tremendous saving for us.

Discover the New World of Reading" is the theme for the Summer Reading Program. All Workshop children, kindergarten through fifth grade are eligible to participate. There will be two programs; one, an independent Reading Program in which the child reads so many minutes per day, and two, a craft/story time session which will meet once a week for about an hour.

We will schedule our craft sessions so there will not be a conflict with Vacation Bible School. We want this to be a fun filled experience so that your child will know the joy of read-

Registration will be on June 2-3-4. Call or come by the library. The first craft session will meet on Friday June 5 at 9:30 a.m.

Summer Library hours are Tuesday, Wednesday and Friday 9 a.m.- 2 p.m., Thursday 3 p.m.-7 p.m. and Saturday 9 a.m.-1 p.m.

Hoping to see you.

CULTURY

High School are Julie Clay, Audra House, (head cheerleader), Brandi Gaddis, Katy Browning, Joni Hancock and Angie Pointer.

Memorial Day Services Held

The Memorial Day Services held in the Turkey Dreamland Cemetery were well attended last Sunday afternoon. It was a reverent crowd that came to pay their respects and homage to the veterans of Turkey who are

now deceased. Steve Ulrey, pastor of the Turkey-Quitaque Methodist Churches acted as the Master of Ceremonies. Steve read the list of names of those veterans who

Almost 6,000 **Books Donated**

A collection of 4,000 to 6,000 books have been donated to the Caprock Public Library from an estate of the Unique Shop of Wichita Falls, Texas.

It was reported to Mayor Conner, who acceptd the donation, that many of these books are "First Editions."

City employees were to pick up the books from storage in Amarillo on Wednesday, May 27, 1992.

The City of Quitaque owes Ms. Pat Kaiser of Yesterday's Childrens, Inc. for finding the collection and saying, "Those are

for Quitaque! 'Quitaque has a lot of friends and individuals outside of the community who are interested in our community and the efforts being put forth to make

Quitaque a better place to live. "For all of these friends, we are deeply grateful," stated Mayor Conner.

High Plains For Scouts

1992 High Plains Scout workshop will be held at the Ollie Liner Agriculture Center in Plainview, June 2nd. workshop has been accredited by the Texas Department of Agriculture for 5 CEU's for commercial, non-commercial and private oesticide applica-

The workshop is free and all producers are encouraged to attend. For more information and an agenda you may call Scott Strawn at the county extension

Lubbock Paper Price to Increase

Jenny Auston has been notified that the Lubbock Sunday paper will have a price increase effective as of June 7. All Lubbock Sunday papers on the news stand will be effected by this actually had been killed in a war

while serving their country.

Melvin Clinton, pastor of the Turkey Baptist Church, offered the invocation.

Jerry Bob Smith led the group in singing several rousing patriotic hymns.

Stuart Smith, pastor of the Turkey Church of Christ, delivered the Memorial Day message. It was quite appropriate and thought provoking as to the importance of Memorial Day.,

One of the highlights of the afternoon was listening to the beautiful voice of Vivian Smith as she sang the Star Spangled Banner. It was indeed something that those present will long remember.

Small American flags, donated by U. F. and Ann Coker were distributed to those who wished to put them on the graves of veterans. They ran out of flags because of the increased size of the crowd.

New Lottery Commercial **Shows Park**

by Patti Whittington

The first commercial for the new Texas State Lottery began airing May 18, 1992. This advertisement opens with a reallife Panhandle cowboy galloping through Caprock Canyon State Park. Buddy Webb of Canadian carries a flag as he dashes horse-back across the In real life Webb raise ostriches and emus.

Four of the commercial's scenes feature Panhandle loca-

The "barber shop" scenes were filmed in Clarendon at a deli called "Jamz" owned by Clarendon native, Jeff Howard.

Caprock Canyon makes a repeat appearance in the 60second ad as Robert E. Lee, the park's longhorn, swings his head toward the camera at the sound of the word "Texas."

According to Alicia Smith of GSD&M advertising agency in Austin, this was the most difficult shot of the day. The shot had to be captured during the beautiful canyon sunset, and the camera was dangerously close to Robert E. Lee's massive horns.

The English-and Spanish language commercial began airing 10 days before "Lone Star Millions" lottery tickets go on sale. The May 29 ticket sales will begin seven weeks ahead of schedule.

Obituaries

Ruby Inez Rucker

Services for Ruby Inez Rucker were held at Kingswood United Methodist Church in Clovis, New Mexico Tuesday, May 19. 1992. The Rev. Ross Dunn, pastor of Kingswood officiated.

Interment was in Lawn Haven Memorial Gardens of Clovis, N. M. Ruby Inez Broxson Rucker was born May 25, 1911 in Snyder, Texas and passed away May 17, 1992 in an Albuquerque, N. M. hospital after

a sudden illness. Mrs. Rucker was a very active member of the Kingswood United Methodist Church. She also was a member of the Clovis Hi Plains ospital Auxiliary and Meals on

Wheels program. Ruby moved to Quitaque in 1923 with her parents, the late Mr. and Mrs. C. W. Broxson. She graduated from Quitaque High School in 1931. She and Gibbs Rucker were married on December 24, 1933. They made their home on a farm west of Bellview, N. M. for a number of years. Later they purchased land closer to Rosedale, N. M., built a new home and resided there until their retirement in 1979 when they loved into Clovis.

Mrs. Rucker is survived by her husband, Gibbs Rucker, two sons Donald of Clovis, N.M. and Johnnie of Texico, N.M.; three brothers, Cecil Broxson, Ft. Worth; Jack Broxson Borger; T. J. Broxson, Texico, N. M.; two sisters, Hattie Lois Carter Quitaque and Allene Barnhill, Ft Worth; eight grandchildren and a

number of nieces and nephews.

Pallbearers were Byron Mayfield, Rusty Rucker, Terry Rucker, Billy Rucker, Joe Pierce, Bobby Roberts, Lynd Rucker and Tim Lee

Other family members attend ng were Sue and Don Tindall, Borger; Charles and Gloria Broxson Amon Carter Lake; Lenord and Kenny Fawver, Crowley, Texas; Glenna Smith, Ft. Worth; Opal Broxson, Bob and Donna Broxson, Sunray; Mozelle and Larry Hedrick, Canyon; and Mel, Donna, Melanie and Melissa Carter, Lubbock. Mr. and Mrs. Bill Rucker and Elgin Conner of Quitaque also attended.

FMhA Issues Long-Awaited Regulations

Farmers Home Administration (FmHA) has released long delayed new loan servicing regulations which will affect all borrowers. The new rules, at 396 pages and weighing in at nearly three pounds, began arriving in FmHA County Offices last week. They are expected to be implemented shortly with a mailing of as many as 40,000 delinquency letters to farmers.

The new rules sharply cut back the terms of servicing to delinquent borrowers. Pending their issuance, FmHA has had a moratorium on servicing since November 1990.

Pete Morrow, Director, Southwest Farm Advocacy Group, stated "Many farmers behind in payments for reasons beyond their control have been unable to seek refinancing of their loans with FmHA because of this moratorium. At long last, many will be able to address the prob-

ued Morrow, "We're still sorting out many aspects of these new regulations, but it is safe to say they are not farmer-FmHA has fixed a friendly. program that wasn't broken. Nevertheless, there are still many options for borrowers, it just may be a little harder to find them in the regs.'

"Farmers who need servicing because they have used up their borrowing limit should go to their County Office now and ask for the new application forms,' advised Morrow

A summary of the new regulations can be obtained from Southwest Farm Advocacy Group by calling their Lubbock office at (806) 793-3030 or in Phoenix at (602) 246-8077.

TO THE GOOD FOLKS OF QUITAQUE and TURKEY

I was overwhelmed when I opened your Get Well card while I was in the hospital in Phoenix, and there were the names of more than 100 Quitaque and Turkey folks. It was such a wonderful gesture, and I appreciated it more than you can know. I know a lot of you, whom I have met on my trips to Quitaque, at the office or at the Drive-In, but many of the names were folks I don't know - yet. Soon, I hope to be able to drive up, and meet a lot more of you good people. Again, I just want to say thank you for the wonderful card; it made me feel like I am really a part of your community,, and you are great folks over there. Hope to see you soon,

Memorial Day Services.

Virginia Degan is to undertgo surgery Wednesday, May 28 at St. Anthony's Hospital in Amarillo. She will be in the hospital for approxi-mately a week.

Beatrice Mullin and her daugh Beatrice Mulin and her daughter, Beth Mills, spent the weekend visiting their son and brother, Conrad Mullin and family, they were there the weekend of the 16th and

18th. Conrad lives in Grandbury.
Traveling to Greeley, Colorado
on Friday, May 22 were Sue Proctor
and her mother, Betty House. They will be visiting in the home of their daughter and sister, Keith and Jan

Out of town visitors here for the 8th grade graduation of Michael Lane were Cindy Lane's mother and step father, Jean and Paul Padgett of Fort Worth. Frank Lane arrived on his truck just in time for the graduation and having to leave soon after. Also present was Laura Harp and Stephenville and Robyn Lane of Texas Tech. The Eighth grade graduates had a slumber party fol-lowing their graduation and party at the home of Frank and Cindy

While visiting with Thelma Gafford the other day, we discovered we had been in a meeting recently with Carrie Buchannon Childress. Carrie taught school for a number of years in the 30's, 40's and 50's. She was asking Thelma about all her friends in Turkey. If you spot someone in Turkey with a beautiful penmanship, you can be sure that person was probably a student of Carrie Buchannon's. Harold and Frances Wheeler

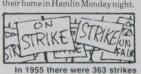

ining Billy and Janice Wheeler left Monday, the 25th, for an ex-tended visit in Chattanooga, Ten-nessee with some of the Wheeler relatives. They will be gone approximately 10 days to 2 weeks.

Velma Lacy, who has been recu-perating in the home of her daughter, Delores Price following her hip surgery, has returned to Lubbock. She will be staying with her other daughter, Barbara Maupin, while she makes some doctor's appoint-

Memorial Day visitors in the home of Bettie and Keith Green were Kaylene and Chris Morrison and Megan of Lubbock. Also visit-ing were Drs. Debbie and James Green and their son Zack, all of Wichita Falls.

While visiting with James and Debbie, they told us they had opened their own private dental practice. Their practice is called "the Smile Specialists." James does general, cosmetic and implant dentistry and Debbie specializes in Pediatric Dentistry and Orthodontics.

Tanya and Allen Bolt and children, Courtney and Claton of Hamlin, visited in the home of Tanya's parents over Memorial Day weekend, the Wayne Lourys. While here, the group spent Sunday at Mackenzie Lake, boating and fish ing. Monday, the group journeyed to the Cap Rock State Park for so sightseeing. The Bolts returned to their home in Hamlin Monday night

In 1955 there were 363 strikes by workers in the U.S. In 1990 there were 44.

Jennifer Stacy Mack of Lewisville, Texas is a fourth grade student who had to write a theme about how Turkey got its name. The following is the story she sent to the City Hall

How "Turkey" Got Its Name

This is how I think the city,

Turkey got its name.
One day long ago 6,001,291 turkeys ran wild in an unowned town.
All the people said "What do we do
with all these turkeys?"

Then one man said, "put them in

'All of them", said the zoo keeper. Then all the people brainstormed and said "Shot them and eat them." They had turkey for breakfast, lunch

All the town came to a meating. They couldn't come up with a town name. They decited to name the town, Turkey, after all the wild turkey adventure

Thats how I think the city Turkey got its name

The pneumatic tire was invented in 1845 by Robert W. Thomson, a Scottish engineer. Before that, wooden wheels and steel time were used.

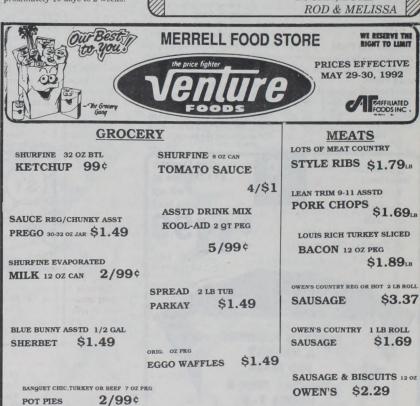

They're looking for a few dark houses.

The fact is, burglars love darkness. It makes them all but invisible. And there's no reason why we should make their crimes easier to commit.

You can make them think long and hard about burglarizing your home with a Guard-Lite from West Texas Utilities.

For pennies a day, you can give them what they hate -A well lit home. At the same time it's a convenient way to give yourself what you want most - peace of mind. Call West Texas Utilities for more information about leasing a Guard-Lite.

Miss McDonald To Participate In **Tulone Pew Scholar Program**

Amy McDonald, daughter of Dr. and Mrs. Lynn McDonald of Idalou and granddaughter of Mr. and Mrs. Horace McDonald of Quitaque and Mr. and Mrs. Jack Estes of Silverton, has been selected to portificinate in has been selected to participate in Tulane University's Pew Scholars

The program provides 12 undergraduate students the opportunity to complete, under the supervi-sion of a faculty mentor, an original research project during the summer, between May 26 and July 17. Following completion, a research report will be submitted, and students then continue working with their individual faculty mentors through the academic year in various facets.

Amy's project deals with the biological fluid dynamics of microorganisms, and specifically the motion of

Annessa Hays Receives B.S.

Annessa McDonald Hays, daughter of Lynn and Doris McDonald of Idalou and grand-daughter of Horace and Elizabeth McDonald of Quitaque and Jack and Edna Estes of Silverton, received her Bachelor of Science in food and autorities of the second nutrition with an emphasis in di-etetics at Texas Tech University's

Mrs. Hays has been accepted into the Texas Tech University Dietetic Internship/Master's Degree program.Herinternship will involve clinical, community, and administrative training in various area hospitals and institutions. Upon completion of this internship and graduate coursework, she will re-ceive a registered dietitian's license as well as a Master's of Science in food and nutrition.

Valley EH Enjoys

Mother's Night Out

The Valley Extension Homemakers met Monday, May 18 at the Quitaque bank for a "Mother's Night Out." The group left at 5:00 p.m. and traveled to Mr. Gattis in Plain-

view for pizza.

After they ate, the ladies elected

officers for the 1992-93 year. Laura Davidson will serve as president for

the club. Other officers elected were

Peggy Woods, vice-president; Lacy

Shannon, treasurer; Patti Whitting-

ton, Secretary-reporter. This was

the final meeting for VEH for this

year. The club will resume meet-

the group went to see a movie. While

Seniors Receive '92 Scholarship

Several of Valley's 1992 graduating class received scholarships at their commencement exercises last

Chad Calvert received the Valley Faculty Scholarship, the Gary Brannon Memorial Scholarship, The Myers-Long Scholarship and one of the Bob Wills foundation Scholar-

Chad Powell and April Stephens also received scholarships from the Bob Wills Foundation.

Ralph Galvan received the Val-

ley Faculty Scholarship and also a Bob Wills Foundation Scholarship. These scholarships help enable the students to further their educations and are greatly appreciated.

Miss Tiffin On Dean's List At Clarendon

Debra Kristina Tiffin of Quitaque has been named to the Dean's Honor Roll for the 1992 Spring Semester at Clarendon College. A minimum of 3.60 grade point average (GPA) is required of a full time academic student for inclusion on the Dean's Honor roll.

Miss Conner Named To **Deans List**

Elgina Conner of Quitaque has been named to the spring 1992 Dean's List at Lubbock Christian

In order to be considered a part of the Dean's List, a student must maintain a 3.5 grade point average or better for the entire semester. Elgina accomplished this by earning a 3.73 GPA.

Free Newsletter At Extension Office

Anyone interested in receiving a free Home Economics Newsletter, published in March, June, September, and December may call the Extension Office at 823-2131 to sign up. For more information on any of the events listed or the newsletter. please call me at 823-2131. Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages, regard-less of socioeconomic level, race, color, sex, religion, handicap or national origin.

Applications Being Accepted For Emergency Farm Loans

Applications for emergency farm ans for losses caused by extreme freezing weather conditions ng accepted at the Farmers Home Administration (FmHA) office located in Floydada, Texas, FmHA County Supervisor Becky V. Rainer

ne his/

n Divi.

Floyd County is one of twenty-four counties in Texas recently named by Secretary of Agriculture Edward Madigan as eligible for loans to cover part of actual production losses resulting from the ex-treme freezing weather conditions.

Mrs. Rainer said farmers may be eligible for loans of up to 80 percent of their actual losses or the operating loan needed to continue in busiss or \$500,000, whichever is less For farmers unable to obtain credit from private commercial lenders,

the interest is 4.5 percent.

"As a general rule, a farmer must have suffered at least a 30 percent loss of production to be eligible for a FmHA emergency loan," Rainer said. Farmers participating in the PIK or Federal Crop Insurance program will have to figure in

Look Who's New Lucas Carpenter

Rod and Melissa Carpenter of Grand Island, Nebraska are proud to announce the birth of their son, Lucas Blaine Carpenter on May 18, 1992 at 9:32 a.m. at St. Francis Medical Center in Grand Island,

Lucas weighed eight pounds and was twenty and one half inches long. Luke has a two year old big brother,

Grandparents are Ronnie and Jackie Carpenter, Quitaque and Edna and Jerry Kittrell, Hart.

Great-grandmothers are Lill Reagan, Quitaque and Anna Carpenter of New Mexico.

determining their loss.
"Applications for loans under this emergency designation will be ac cepted until December 10, 1992 but farmers should apply as soon as possible. Delays in applying could create backlogs in processing and possibly over into the new farming season," Mrs. Rainer said.

FmHA is a credit agency of the U.S. Department of Agriculture. It is authorized to provide disaster emergency loans to recognized farmers who work at and rely on farming for a substantial part of their living Eligibility is extended to individual farmers who are U.S. citizens and to farming partnerships, corp rations or cooperatives in which U S. citizens hold a majority interest.

The FmHA office in Floydada Texas is open from 8:00 a.m. to 5:00 p.m. Monday through Friday.

Illegal Signs Must Be Moved

portation Efficiency Act of 1992 which the President signed on December 18, 1991 requires in part (1) Any sign, display or device along the Interstate System or the Federal-Aid primary system which not lawfully erected (Illegal Sign) shall be removed by the owner of the sign not later than the 90th day follow ing the effective date, (2) If any owner does not remove the illegal sign, the State shall remove it. The owner shall be liable for the costs of removal. Effective control by the State includes this provision, (3) If the State does not exercise effective control, Federal-aid highway funds shall be reduced by amounts equal to 10 per centum of the amounts which would otherwise be apportioned, and (4) A 10 per centum reduction in Federal-aid highway funds to the State of Texas would mount to \$105 million for this

A Federal Highway Administration notice published in the Federal Register on March 6, 1992 states: The FHWA has set a goal of an additional 90 days through June 18, 1992 for the States to act on the removal of illegal signs.

The last bell has rung for the school year. Students are happy summer vacation is here and th fun begins. Many children forget the rules of safety as they have their minds on having fun for the sum-

Major V. J. Cawthon, Regional Commander of the Texas Depart ment of Public Safety, is asking all Texas motorist to drive with extra "Long trips across our state can be very stressful on all occupants in the car. Frequent rest stops should be used to let the children run off some of their excess energy. Remember, to protect everyone in your car by using your safety belts.

Major Cawthon also reminds us to be extra careful to keep alert while driving in residential areas. Children seem to forget about the traffic around them and run into the roadways unexpectedly, not realizing that oncoming cars are in the area. Since, the younger children do not know the law, it would be wise to always expect the unexpected and be prepared to give them

Major Cawthon said. "In order to make this an accident free summer vacation, motorist need to take a more mature attitude towards safe driving. Let's all remember to slow down a little and live a lot by driving defensively each and every day of this summer while school is out.

Scholarships Available

Over 100,000 collegiate athletic scholarships are available each year to male and female high school and junior college student athletes. Contrary to popular belief, students don't have to be all state to qualify Much of this money goes unused.

A new publication with forms sample letters and tables of factual information is available for student athletes. It takes them step by step through the important process of getting an athletic scholarship and includes college and conference list

For information on how to get a collegiate athletic scholarship, send a #10 self addressed, stamped envelope to the National Sports Founda tion, 611A Willow Drive, P. O. Box

Cawthon Warns Sweepstake "Millionaires" Summer Drivers May Not Receive a Million

Countless mail offers promise to make you a "millionaire" if your lucky entry is drawn in the sweepstakes. Just how likely is it that a

but only one big winner is drawn. And even if the winning entry draws a promise of a million dollars, it is very unlikely that the winner will actually receive a million dolllars. Deception? Not necessarily. Just the terms of the pay-out.

In one well-known million dollar event, the winner will receive \$25,000 a year for 30 years and a e-time payment of \$250,000 in the 30th year. Although this does add up to a million dollars, each year the annual payment of \$25,000 will be worth less and less. Because of inflation, the purchasing power of money declines each year. The only year \$25,000 will buy \$25,000 worth of goods and services is in the first year. After that, it will buy less each year. Accounting for inflation, the one million dollars paid over 30 years is only worth about \$509,381 age annual inflation rate of about

If the million dollars were paid to the winner all at once in the beginning, the winner would have a greater chance to maximize earn ings. A million dollars invested at 3% more than the rate of inflation would generate \$1,427,260 in interest over a 30-year period. In contrast, the \$25,000 paid out annually for 30 years plus the final \$250,000

COOKER EDECU. LACETER

interest at the same rate. This means that the winner loses interest potential of \$987,885 (\$1,427,260minus \$439,375) by receiving annual installments in-stead of the lump sum pay-out.

Finally, the age of the winner may have a lot to do with how much money is actually received under the 30-year pay-out. Suppose the winner does not live for 30 more years. Unless the plan pays the balance to the recipient's estate, the full pay-out will not be realized.

A million dollars may sound like a lot of money. Consumers should recognize that it won't mean they'll be an instant "millionaire", even if their entry is drawn. Consider that before spending postage money on sending in the sweepstake offer. Not only is your chance of winning extremely tiny, but you may not be-come a "millionaire" in the process.

Tokyo has more neon signs than any other city in the world.

Social Security Cards Needed

The Social Security Admini stration wants to remind students applying for summer jobs that employers will ask to see their Social Security cards.

Lost or misplaced cards can be replaced by calling the nationwide toll-free number, 1-800-772-1213, or by visiting a local Social Security office, noted U S. Sen. Phil Gramm.

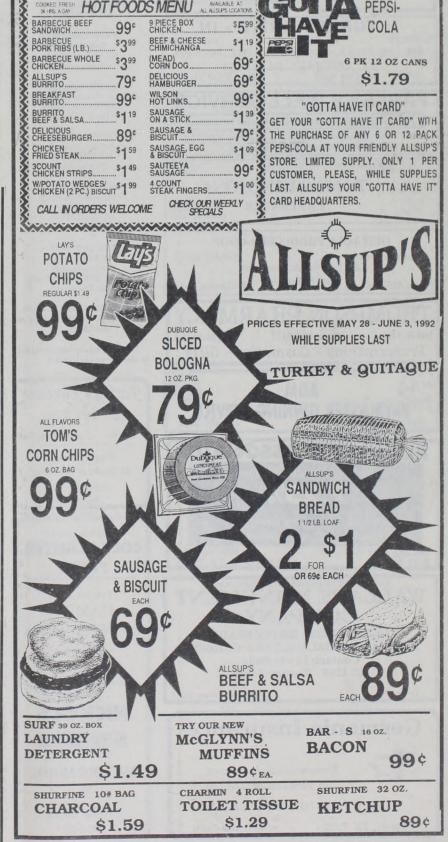

Students who have never been issued a Social Security number should apply in person at the nearest office.

THANK YOU

Thank You!

We would like to take this oppor tunity to thank everyone who helped in any way to make our first annual Caprock Cowboy Camp Meeting a success. Even though the rain per-sisted, we had four nights and three full days of Bible study, worship, fellowship and of course, food.

A special thanks to Jimmy Bur-son, Carolyn Luckenback and Ann Davidson for donating their time and musical talent.

A special thanks for our area pastors and churches support.

Sincerely, Caprock Cowboy Camp Meeting Committee 51 1tc

I'd like to say thank you to all my patrons. You have been with me through the bad times and the good times, and you are all my special friends. Come to see me sometime in Plainview. Debbie and Pam will be running my shop. Thank you for all the support you've shown me. May God richly bless you.

Friends Forever, Elaine Boggs

We take this way to say thanks for all the nice things you have done for us, cards, calls, visits and food. And a special thanks to a special

God Bless Bob and Vernell 51 1tc

T.B. Back With Vengeance In Texas

Despite the widely held assumption that tuberculosis had been eradicated, the disease has returned in rapidly increasing numbers. Fifteen million Americans suffer from tuberculosis (TB), an airborne bacterium which eats away at the lungs and other organs.

In Texas, there was a 17 percent increase in reported cases in 1990 (2,242 cases), and an estimated 10 percent increase in 1991 (2,501 cases). Currently, Texas ranks third in the nation in total reported cases of TB.

The increase is caused by a number of factors, including a lack of attention by the public health community, which considered TB to be nearly, wiped out. "Tuberculosis is experiencing a dramatic come-back," said Dr. Jeffrey Starke, di-rector of the children's TB clinic at Baylor College of Medicine and board member of the American Lung Association of Texas (ALAT). "There's no question TB prevention programs have beeen especially underfunded. We can save a trememdous amount of money by screening for TB in-stead of paying for medical treatments once the disease becomes active," he added.

Another contributing factor is the high incidence of tuberculosis among persons infected with the HIV/AIDS virus. The homeless, as well, are at high risk to contract TB, and are often difficult to contact for diagnosis and treatment. "Frequently, by the time you get a postive test result, it's no longer possible to locate the patient," says Dr. Joseph H. Bates, an American Lung Association board member.

American Lung Association is the spread of a multi-drug resistant strain of TB. Tuberculosis patients who do not properly take their medication may develop the drugresistant strain, in turn passing it

on to others. Many of those infected cannot afford treatment, and government funding has proved to be inadequate. Since 1969, government funding of TB control programs has decreased by \$11 million Many authorities warn that an outbreak of multi-drug resistant tuberculosis would cost the government hundreds of millions of dol-

Lung disease is the third leading cause of death in the United States and Texas. Founded in 1908 to fight tuberculosis, the American Lung Association of Texas is dedicated to the fight against all lung disease. For more information about tuberculosis or lung disease, call the toll-free lung information hotline in Austin at 1-800-252-LUNG.
