Guest Editorial

Our rights are something very important to each of us. When one of these rights are taken away from us we are very quick to protest. Have you ever considered how far some of these rights extend? Freedom of speech is one of our most basic rights. Some of us feel that so long as it is our own opinion that we are free to say anything we like, with no regard to who it might hurt.

There is a broad line between being legally responsible, and being morally responsible for spreading gossip. Another right we all enjoy is the right to life, liberty, and pursuit of happiness. Have you ever tried to enjoy life and be happy when everywhere you look people are whispering and staring because they have heard some rumor about you?

The trouble with rumors and gossip is that rarely does anyone ever bother to confirm whether what they are telling is true or not. Such is the case with a very popular rumor going around this past week. Those of you who have passed this choice bit of gossip around will know which rumor I'm talking about, and those of you who haven't heard it, will have to hear it from someone other than me.

I only hope that when you hear it you will do as I did and check into it before you spread it around. It will take a little time, you will have to go out of your way to find the truth. It will take a little courage, to face the person everyone is talking about and ask them if it is true. It will take a lot of faith and trust, to believe them should they deny it.

If you still are not convinced, check with other people involved in the rumor. I know this sounds like a lot of trouble, but I found it well worth the time to find that the rumor was total garbage. The nice thing about garbage is that you can throw it out. We just all need to make sure we've carried out our own garbage before we tell someone else to carry out theirs. Gossip is really just—Greatly-Overemphasized-Stories-Spread-by-Ignorant-People. Ignorance is not knowing the truth before you tell it.

West Teams Dominate Texas' Six-Man Coaches Association Play in Wichita

The West teams dominated last weekend's games at the Texas Six-Man Coaches Association All-Star Games in Wichita Falls.

The West Teams took wins in the boys' basketball game on Friday night and then in the girls' game on Saturday afternoon.

Then on Saturday night, the West team took a 38-8 win over the East in the all-star football game.

The West scored first on a pass from Groom's Brian Baker to Emilio Hernandez of Sierra Blanca. The kick failed and the West led 6-0.

In the second period, the West went 60 yards in just 3 plays to score again. Guthrie's Darren Jones carried for five yards on first down. Baker threw on second down, this time to Valley's Clay Edwards on a 51 yard pass. Jones then carried the ball in from the four yard line on the West's next play. Caesar Looney intercepted a pass and ran it back 15 yards for a touchdown and the West led 20-0 at halftime.

On the opening drive of the second half, the West scored again on a touchdown pass from Baker to Efrain Guillen of Three Way. But halfway, through the last period of play, the East turned the ball over when Aaron Cowley of Sands intercepted a pass returned it to the East 10 yard line. Edwards scored from there on the next play to make the score 32-0.

The East finally scored late in the fourth quarter but the West answered with a last touchdown run after a failed onside kick by the East.

The West finished the game with 350 yards of total offense, 217 yards rushing and 133 in the air. Individually, Edwards

rushed 10 times for 52 yards and a touchdown and made several key plays.

The MVP selection was close with Darren Jones of Guthrie selected as the offensive most valuable player and McLean's Caesar Looney as the defensive MVP.

Youth Have Electrifying Experience At Summer SPS-Sponsored 4-H Camp

by Ronda Alexander

4-H Electric Camp is not just another camp. It is a chance to learn and have fun. Any 4-H'er from District 2, our district, is eligible to attend camp at least once. However, to attend a second time, a 4-H'er must have participated in a District level

contest.

I was fortunate enough this year to be able to attend a great camp with a bunch of extraordinary people. Not only did we have the "Cream of the Crop" 4-H'ers with us, we also had a wonderful SPS staff. Their support and attendance is part of what makes it so great.

This year, we departed Lubbock on Monday, July 6, and headed towards the Scott Able Camp, located near Weed, New Mexico. During the next few days, we participated in four sessions on electricity (given by the SPS staff) and a variety of tournaments. These consisted of washers, horseshoes, ping pong,

volleyball and an electric quiz bowl. The quiz bowl allows the 4-H'ers to answer questions about electricity and 4-H, in a game type fashion. It really gives them a chance to show what they have learned.

Cost to attend this camp is \$60. This covers cost of buses

and insurance. SPS pays for the rest of the cost of the camp. Just ask Ashleigh Wyatt, Josh Brooks or Jeremiah Brooks what they thought about attending this year's camp. I'm sure they would be glad to tell you about the great time all of them had.

This year I learned several new things and was reminded of some very important others that I would like to share with you. Did you know that it is illegal to put signs on electric/telephone poles. The staples, tacks and

nails that are left in the poles cause a great safety risk to the linemen who climb the poles. If the devices they use to climb the poles were to touch the staples, they would lose their hold and fall. I was also reminded of how

dangerous electricity is. If you do not know what you are doing, leave it alone.

The last thing I want to share with you is to always be courteous to the SPS linemen. They put their life on the line every day, just so that we can have electricity to run our modern day conveniences.

Ambulance Service Has Patient Assessment Drill

by Judy Barrett
 The Quitaque Ambulance Service met Friday, July 17, 1992 at 6:00 p.m. at Quitaque Firehall for a Patient Assessment drill.

Four EMT's and 5 EMT Students were present to participate in the activity. The drill began with the EMT's running through a patient assessment and radio communications to demonstrate what was to be done during the drill.

The group left the Firehall at 6:30 enroute to their first stop which was at the Todd Washington home. Here Stachia Washington had fallen and suffered a broken ankle and Tye Barclay had been run over by a car while riding his bicycle.

At approximately 7:00 p.m. the group left the Washingtons and headed one mile East of the state park where they had reported a car wreck. Eunice McFall, driver of the automobile was suffering from severe chest injuries. Front seat passengers Beth Whitener and Jamie Wellman suffered from loss of consciousness and knee and head injuries. Ryan, Richard and Jessica Wellman and Paula and John Whitener, were all passengers in the back seat. Their injuries consisted of broken bones and unconsciousness.

After these patients had been assessed, the group once again boarded the ambulance where several of the students practiced their radio communication with the Amarillo Communication Center.

The final stop in the drill practice was at the Wendell Farley home. A total of seven patients were found at this home.

Dennis Farley, suffering from chest and abdominal injuries was unconscious as a result of a pickup falling on him. Wendell Farley was having a seizure, and Vance Farley was found in the backyard with stomach injuries suffered when he fell from a tree and a limb impaled into his stomach. Lisa Farley was a victim of heat exhaustion and Melody Farley was suffering from third degree burns to the leg. April Farley was experiencing severe chest pains and Roberta Farley was suffering from what was suspected to be food poisoning.

Following the conclusion of the drills the EMT's and students returned to the firehall to compare notes and discuss the cases observed and possible treatment for these patients. EMTs present for the drill were Judy Barrett, Dianne Washington, (coordinators for the drill) and Sandra Barclay and Erma Washington. Students present were Jack Wellman, Kristy Maynard, Dedra Payne, Maria Cruz and Jerry Barclay.

The EMTs are planning routine practice drills for those who are interested in updating and perfecting their EMT skills. If you are interested in volunteering to be a patient for these practices, please contact one of the EMTs.

ROBBIE HILL

Robbie Hill Named As Regional Mgr.

Panhandle Community Services would like to announce the promotion of Robbie Hill to Regional Manager. She first became involved with Panhandle Community Services as a volunteer helping with Adult Basic Education classes in 1974. One of the graduates was her husband, along with over 300 other persons.

In 1975, Robbie was hired as Donley County Coordinator and has worked with all the various programs from the beginning. She was involved with housing, transportation and even a day care program in the early years.

The first Center location found her at 217 Kearney, until a fire destroyed the PCS office, Planned Parenthood, the day care, and the landlords home and work place. New offices were then set up at the old courthouse, where it remains today.

The regional manager is a new concept for the agency. In past years, services have been supervised by the departmental method. Robbie's new duties will include administering and insuring that all department program requirements are being met within her region. She will supervise all regional staff, and be directly responsible to the Executive Director, Johnny Raymond. Counties under her supervision are: Briscoe, Donley, Hall, and Armstrong.

Robbie was born and raised in Clarendon. She married Ross Hill after graduating from high school and has a daughter, son and five grandchildren who live and work in Amarillo.

Current services being provided: Transportation, Weatherization, Employment and Training, Information and Referral, HUD Rental Assistance, Career Counseling, and Food/Energy Assistance. For more information, call you local PCS office.

If additional information is needed, please don't hesitate to call Karen Zinser, 1-800-727-2778. Thank you.

Social Security Benefit Increases By Working Longer

by Mary Jane Shanes
If you continue to work full-time past age 65, you may increase your basic Social Security retirement benefit in two ways. First, for each month that you do not receive a benefit—until the month in which you reach age 70—your benefit amount will automatically increase.

Second, you will be adding years of high earnings to your Social Security record, and these earnings may result in higher benefits.

Under the delayed retirement credit provisions, if you will be 65 this year or in 1993 and you continue to work, your benefit amount will increase 4 percent per year. By age 70, your Social Security benefit will be 20 percent higher than it would have been if you began receiving monthly benefits at age 65.

If you're like many people who continue to work after age 65, your most recent earnings are your highest earnings and continuing to work adds them to your Social Security record. Because benefits are based on earnings averaged over most of your working career, higher lifetime earnings result in higher benefits.

What Do You Do With It?

by Ronda Alexander

With June being declared as "Waste Management Month" in Briscoe County, there are many areas that need to be addressed. Once you sort your items, you need to know where they can be taken.

Some centers will pay you by the pound for your recyclable items. However, depending on the item, you may just be donating them. Other places have centers set up so that all you have to do is drop off your items. (Walmart stores have these types of centers set up in their parking lots.)

If you are unsure of your nearest recycling center, check the yellow pages, under recycling. In our surrounding area, Plainview is the closest, with one center available.

Watch Out For Heat

Summer—the season for rising temperatures and numerous outdoor activities—is in full swing. However, time spent in the sweltering heat can take its toll unless some precautions are taken.

When exercising or playing outdoor sports, drink plenty of liquids to replenish the body's fluids. According to Chuck Barton, M.D., medical director of Methodist Hospital's Emergency Room, if an adequate amount of fluids are not replaced, dehydration can result.

"One warning sign of dehydration is heat cramps," Dr. Barton said. "If cramping occurs, sit down and relax, dab yourself with wet towels and drink plenty of cool water."

Heat exhaustion, a more serious condition, can follow dehydration. However, it does not necessarily occur immediately; instead, it can take several days or even weeks to develop. Symptoms of heat exhaustion can include cool clammy skin, headache, nausea, dizziness, profuse sweating and an elevated temperature.

To treat heat exhaustion, loosen or remove tight clothing, lay down with feet propped up and drink water. When symptoms begin to subside a little, seek medical attention.

The worst case scenario is heat stroke. Symptoms include a red blotchy face which then turns white, dizziness and confusion, and cessation of perspiration.

Heat stroke is life threatening and emergency personnel should be notified immediately.

"Until paramedics arrive, cool the body by fanning and soaking in cool water or wrapping in wet sheets; slowly begin to drink fluids," Dr. Barton said.

To prevent heat associated illnesses, avoid outdoor activities from 11 a.m. until 2 p.m. because these are the hottest hours of the day, drink more fluids than normal; and get plenty of rest.

One important point to remember is that if you decide to delay retirement, you should be sure to sign up for Medicare at age 65. You need to contact Social Security about 3 months before your 65th birthday to sign up for Medicare hospital insurance (Part A).

And, you also need to let Social Security know if you want to apply for medical insurance (Part B). Medical insurance may cost more if you delay applying for it. If you or your spouse are covered under an employer health plan, check with Social Security to discuss your options for Medicare enrollment. You do not need to be retired to enroll for either part of Medicare, but you do need to let Social Security know if you want to enroll.

For more information about your retirement benefit options, call Social Security's toll-free telephone number, 1-800-77201213, any business day from 7 a.m. to 7 p.m. Or visit your local Social Security office.

Many children appear knock-kneed at three for four, but the condition corrects itself by adolescence.

There are also some centers in Lubbock and Amarillo. Before going to a center, you might call and check to see what items they are taking and how much they are paying, if anything, per pound. Shopping around may make you a few dollars more. Some important things to keep in mind are: the cost of your phone call, (if you call); your time and gas to deliver the items, and how accessible the center is.

Another idea is to start a local collection center or recycling coalition. Citizens in Lubbock have formed a coalition entitled Waste Watch. The Waste Watch group, and the League of Women voters (in Lubbock) have networked together to help make a difference in Lubbock.

One of their activities have been to put together a booklet with information about recycling centers available in Lubbock. Anyone who is interested may drop by the Extension Office and look at the booklet, it is very informative.

Panhandle South Plains Fair Scheduled in Lubbock

by Patti Whittington

The 75th "Diamond Jubilee" edition of the Panhandle-South Plains Fair is scheduled for September 26-October 3.

This year's fair will feature a number of top country performers including Tanya Tucker, Sawyer Brown, Hal Ketchum and McBride and the Ride. Fair officials are also planning to offer several free shows again this year, but details of those performances have yet to be announced.

Mail orders for tickets to any of the shows will be processed daily as received, according to Fair General Manager, Steve Lewis. Tickets will not be mailed until August 10. He encouraged fans to order early for the best seats.

Show tickets do not include gate admission.

For mail order tickets write: Show Tickets, Box 208, Lubbock, Texas 79408. Enclose a stamped, self-addressed envelope plus \$1 for handling charges.

TURKEY NEWS

by Ann Coker

Brenda Smith and Ginger Mullin spent last week in West Palm Beach, Florida. They were visiting their aunt, Peggy Dannecker and her daughter, Kelly Garrett, who hosted the annual cousins' slumber party. Every year there are 8 cousins, all approximately the same age, who gather for a long slumber party reunion. This year Brenda and Ginger were joined by 5 other cousins for the flight down to Florida. While in Florida, the group of 9 visited the Epcot division of Walt Disney World. Visiting Epcot proved to be a very interesting educational experience. They all flew home arriving in Lubbock at 3 a.m., Friday morning. There was a lot of visiting and sight seeing done, but very little "slumber."

Janice Stewart visited her daughter and family, Kim and Dickie Cloyd and son, Jason in Memphis last Sunday. They celebrated Kim's birthday.

Dot Arnold and daughter, Karen McDougal, of Amarillo vacationed recently in Branson, Missouri. They thoroughly enjoyed their trip and saw some great shows while in Branson. They saw the Mickey Gilly show and attended a Japanese show. They reported the Japanese theater was quite elegant and a great show. On their return home, they visited in Rogers and Eureka Springs, Arkansas.

Also enjoying the sights and entertainment in Branson, Missouri last week were Denny and Laura Stewart and children, Katrina and Brandon. They attended the shows performed by Moe Bandy, Mel Tellez, Ray Stephens, Charley Pride, the Japanese show which is a name I can't begin to spell, but was quite good and they went to Silver Dollar City and listened to the Branson Brothers. Needless to say, they also enjoyed a great week in Missouri not only seeing the shows but taking in all the other tourist sights.

The Johnson family had a small reunion at the Hotel Turkey last week. Muggs and Ruth Johnson of Fresno, California were here with their daughter and family, Kay and Gary Reagan, and their 5 children. Also attending the get-together was Gary and Sue Johnson from Paragould, Arkansas. Scott and Jane Johnson and Clema Johnson, all of Turkey, also joined in on the visiting.

I noticed a new sign up in front of the Turkey Variety Store recently. I discovered that Sylvia and Allen Boshart, who are employed by the Turkey Hotel, are displaying some of their home-made wares in the Variety Store. These wares include home-made gifts, baked goodies and canned goods. It was reported that the baked foods and canned goods were delicious. The Bosharts live in the house just west of the Church of Christ.

Update on a former report: Clinton and Vee Lane of Silver City, New Mexico, arrived in Turkey last Saturday, returning Zona Lane to her home. Needless to say, Zona was quite excited on being at home again. The first thing she did was to order groceries so her family wouldn't go hungry! Mrs. Harold (Dalphenne) Lane arrived the same day. Dalphenne is all moved in and will live with Zona. Welcome home, Zona and Dalphenne!

Lorene and Arville Setliff met their granddaughter at the Lubbock Air Port last Saturday. Stephany Setliff, the daughter of Alton and Becky Setliff of El Paso. She flew in for a visit with her grandparents and her cousins. Rod and Milly Setliff, and daughters, Robyn and Taylor, of Holland, flew into Dallas last Sunday night. After a short visit with Rod's brother, Scotty, and other friends in Dallas, they drove to Turkey for a visit with Rod's parents. Rod and Milly brought Kenny Setliff's two boys, Nicholas and Adam, to Turkey with them. Lorene and Arville will have all of their grandchildren with them except Aaron Setliff, of El Paso.

Jerry, Kathy, Justen and Jaymie Green of Bossier City, LA and Keith and Bettie Green were in Dorthan, Alabama last week to see Justen play golf. After the tournament was over, Keith, Bettie, Justen and Jaymie visited in Albany, GA with Chester and Gladys Strickland and Lynn and Kay Wylie. Justin and Jaymie returned to Turkey with Keith and Bettie for a visit with their grandparents.

Cable Company To Participate In 'Cable Cares'

Mission Cable will participate in a national industrywide cable TV campaign, "Cable Cares about Jerry's Kids," to benefit the local chapter of the Muscular Dystrophy Association (MDA), Jimmy Evans, Mission Cable system manager, announced today.

From August 3, 1992-September 14, 1992, new subscribers to cable television have a chance to help people affected by neuromuscular diseases. Mission Cable will donate \$5.00 to MDA to help in the fight against 40 diseases that affect more than a million American children and adults. The donation will be discounted from the new subscriber's installation fee.

"We're proud to be a part of MDA's Cable Cares campaign," said Evans, "and we're looking forward to making a sizable contribution to the Muscular Dystrophy Association."

75th South Plains Fair Opens September 26

The 75th Panhandle-South Plains Fair is scheduled to run from September 26-October 3 and fair officials are inviting residents throughout the area to participate in the "Diamond Jubilee" exposition by entering and competing for a share of the more than \$22,000 in prize money to be given away in eight departments in the Women's building. These departments include Textile; Crafts and Hobbies; Relics and Antiques; Crochet and Knitting; Tinting and Weaving; Culinary; Youth;

Fine Arts and China Painting.

The classes and divisions in these departments have been revised to include many of today's most popular crafts, including Pretty Punch embroidery and painted clothing.

There are no entry fees in any division in these departments but each exhibitor is limited to one entry per class and articles which have received a premium at previous fairs are not eligible. No professional work will be accepted. Any person receiving a fee for making or teaching anything in any class cannot enter as an amateur.

Panhandle-South Plains Fair catalogs are available to anyone interested. Copies can be picked up at the South Plains Fair Office; Lubbock County Extension Office, Lubbock Chamber of Commerce, or the City of Lubbock Public Information Office. South Plains residents may also pick up a copy from their local County Extension Office.

This catalog reflects changes and additions in the livestock exhibitions and shows.

OVERHEARD:
There is no tranquilizer in the world more effective than a few kind words.

HONORED ON ANNIVERSARY

The Rev. and Mrs. Nathan Mulder of South Plains, Flomot First Baptist Church pastor, were honored on their 29th wedding anniversary and an appreciation courtesy Sunday, July 19 with a surprise luncheon following the morning church services.

Tables in the fellowship hall were covered with red and white checkered cloths with floral arrangements in watermelon wooden vases placed intermittently. Napkins were imprinted with watermelon slices.

An appropriately decorated cake for the occasion and a balloon bouquet attached to a basket containing a love offering of money were presented to the couple. Pictures of the Mulder family taken through the years were on display on a bulletin board.

Special guests were the Mulder children and families, Mr. and Mrs. Rickey Poole and Jessica of Plainview, Cindy Mulder of Lubbock and Cory Mulder, U. S. Air Force, Abilene, and his son Jonathan Blake. Others attending were H.G. Hunter of Quitaque, Mrs. Lillie Tanner of Tulia, Mrs. Joy Barham of Hart, Mr. and Mrs. Kevon Kleibrink of Lubbock, and Mr. and Mrs. Wayne Hunter, Mr. and Mrs. Clayton Bond, Mr. and Mrs. L. E. Shorter, Mrs. Joe Ike Clay and daughters, Mr. and Mrs. Herb Martin and Mrs. Clois Shorter and daughters, local residents.

CELEBRATES BIRTHDAY

Tanya Starkey celebrated her first birthday Sunday afternoon with a party in the home of her parents, Mr. and Mrs. Marvin Starkey. Tanya blew out her one candle on a baby doll cake decorated as an image of herself, with blonde curls and big blue eyes. She had fun opening her gifts. Refreshments of ice cream, cake and punch were served.

Attending were grandparents Mrs. Edna Benton and G. C. Baker of Wellington, and Mr. and Mrs. Jack Starkey of Flomot; brother Jackie Starkey, and Mrs. Debora Benton and Megan; Eric and Andrew Austin, all of Wellington; Mrs. Gene Davis, Warren and Michael of Fritch; Mr. and Mrs. Michael Starkey of Canyon, and Mr. and Mrs. Dennis Farley, Melody, Vance, Randy and Mitchell of Quitaque.

Mrs. Doris Morris was a patient in Lockney General Hospital from Friday until Tuesday. With her during her hospitalization and since her return home is her daughter, Mrs. Walter Burns of Granbury. Her son and wife, Mr. and Mrs. Wendell Morris, local residents, have also been with her.

Julie Clay and Rickey Hughes of Flomot, Valley students, attended the FFA State convention held in Amarillo from Tuesday through Friday, July 14-17 in the Civic Center.

Do Gooders Meet At Flomot Center

Mrs. Bill Dean Washington presented an interesting and picturesque program on THE WILD-FLOWERS OF TEXAS at the Do Gooders; Club meeting Tuesday afternoon, July 14, at the Community Center in Flomot.

Mrs. Washington uaws Texas Highway Department literature published after Mrs. Lyndon B. "Lady Bird" Johnson initiated the department to plant wild flowers along the side of highways throughout Texas.

Using a folder, Mrs. Washington identified the technicolored photographs of flowers and the region where they grow. Adding to the entertaining presentation, she displayed several local wild flower arrangements. One was a purple willow in ceramic she found blooming by the Turner's old chicken house. Only two present were familiar with this plant. Others were sunflowers as large as saucers in a decorated brown bag, Mexican Hat flowers in a designed milk cow vase, mint plants in a crock surrounded by peppermint and bluebonnets, the Texas state flower. In closing the program, she asked what the Texas state seal, bird, motto, food, and tree are.

Hostesses were Mesdames Washington and Clayton Bond. They served refreshments from a table laid with a white cloth, centered with a beautiful floral arrangement of wild flowers in a staw basket.

Mrs. John Poulson presided at the business meeting. Members were reminded that Ms. Beverly Thomas of Vernon will be featured guest Tuesday, August 11, at the Community Center. She will test pressure cookers. In other business, future programs, projects to help fund a new roof for the Center, and 1993 Flomot Homecoming were discussed.

Attending were Mesdames James Monk, George Pope, Wayne Hunter, L.E. Shorter, Doyle Calvert, Howard Rogers and those mentioned above. John Poulson of Quitaque was a guest.

Q.A.S., EMS Meeting Held In Quitaque

The Quitaque Ambulance Service met Thursday, July 9, 1992 at 7:00 p.m. in the Fire Hall in Quitaque.

Eight ambulance runs made since the last meeting were reviewed and discussed. The new inventory system was explained and discussed as well as the new report forms which are now in force.

Erna Washington read a thank you from the Lubbock Bicycle Club and Dianne Washington recorded the minutes of the meeting. Upcoming events and community activities were discussed, and plans are being finalized on these and will be announced at a later date.

Policies and procedures which are now mandatory by the state were presented by Judy Barrett. The topics covered at this meeting were: Automobile/Ambulance Accidents, Preventable and Non-Preventable Accidents--review and action, ALS Procedures by BLS People, Ambulance Run Reports, Social Functions, and Termination of Runs.

Albert Castillo presented a program covering Chapter 2 of the new Emergency Care Manual. Test questions were answered and discussed by the group.

Those present for the meeting were Erna Washington, Brenda Yearly, Judy Barrett, Dianne Washington, and Albert Castillo.

Justen Green Junior Golfer In Tournaments

The 43rd annual Press Thornton Future Masters Golf Tournament was held July 9, 10 and 11 at the Dothan Country Club in Dothan, Alabama. There were over 600 Junior Golfers from all over the country ranging in age from 8-18. This is one of the most prestigious junior tournaments held and is a limited field.

Justen Green was entered in the 13-14 age group. There were over 130 in this age group vying for 36 spots. This was determined after a qualifying round on Thursday. Justen shot a 78 to qualify. This was his first Future Masters, so he was very happy to qualify. Justen finished 31st in his age group.

This was Justen's fourth PGA sanctioned Junior Tournament this summer. He finished sixth in the Shreveport-Bossier Classic, fifth in the Baton Rouge Classic and tied for third in the LA State Championships. He has three tournaments left, the Maxfli PGA Jr. Championships, Palmetto Country Club Championship and the Tournament Players Championship.

Justen is the grandson of Bettie and Keith Green of Turkey and the son of Jerry and Kathy Green of Bossier City, La.

District 4-H Fashion Show Gives Briscoe Youth Sewing Experience

Nine Briscoe County 4-H'ers were exploring some of the different aspects of 4-H as they participated in the District 4-H Fashion Show. For the second year, the show was held at the South Plains Mall in Lubbock.

In the Jr. II Casual competition, Molly Brooks won first place and a blue ribbon. Lindsey Jennings received a blue ribbon in the Jr. II Dressy category and in the Jr. II Specialty category, Wynter Smith won a blue ribbon. Carrie Baird entered the Jr. II Buying category and also received a blue ribbon.

Winning third place and a blue ribbon in the Senior Buying-Daywear category was Ashley Wyatt. Leslee Weaks won a blue ribbon for her entry in the Senior Construction--Specialty category.

In the Jr. I division, Brooke Garvin won a blue ribbon in the Sports category, Julie Weaver received a red ribbon in the Casual category and Taylor Griffin won a blue ribbon for her entry in the Dressy category.

The fashion show signals the end of this years exploration through the 4-H Clothing project. In the clothing project, youth

develop their decision-making skills, learn basic clothing construction techniques, develop poise, learn how to model and speak in front of people. It gives many youth a chance to do things that they would normally not be able to do. Educational programs sponsored by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic level, race, color, sex, religion, handicap or national origin.

Stealing electricity is against the law!

Stealing electricity is a felony.

Some people tamper with their electric meters to avoid paying for the energy they use. Stealing electricity is a felony offense in the state of Texas and violators will be prosecuted. West Texas Utilities' Current Diversion Department is working hard to help combat the growing problem of energy theft.

Energy theft is dangerous.

Not only is service theft a crime, but it is also very dangerous. Serious injuries can result from meter tampering.

A crime against you!

When someone steals electricity, they are not only stealing from WTU — they are also stealing from you, as a ratepayer. Just as shoplifting increases the cost of items you buy in the store, power theft increases the cost of your electric service.

WTU will prosecute.

Because we are concerned about the dangers and costs resulting from meter tampering, West Texas Utilities will prosecute energy thieves.

Pampa VFW To Install More Hall of Famers

The Pampa VFW Post 1657 and the Pampa Army Airfield Reunion association are having their third annual Panhandle Veterans Hall of Fame installation on Aug. 14, 1992. Four men will be chosen by a selection committee from the resumes that are received.

Briscoe and Hall Counties are included in this area.

Last year five men were installed who included a WWI veteran, a Congressional Medal of Honor recipient, two other WWII veterans and a Vietnam veteran. Incidentally, the individual does not have to live in the Panhandle now, but he has to have been raised here, joined the service from here or trained here to be eligible for induction to the Hall.

People in this area need to send us resumes of deserving individuals. The veteran does not have to send the resume, a friend or family member may also submit the resume.

PUBLIC NOTICE

The Texas Department of Transportation will conduct a public meeting on July 28, 1992, 7:00 p.m., at the Women's Department Club in Childress for the purpose of discussing the Project Development Plan (PDP) and Transportation Improvement Plan (TIP) preparation process. All interested citizens are invited to attend this meeting to express their views. 7 1tc

REQUEST FOR BIDS

Sealed bids will be received at the Turkey-Quitaque ISD, P.O. Box 397, Turkey, Texas 79261, to purchase the following: half pints of homogenized milk, regular chocolate milk, and lowfat milk.

Bids will be opened at the school board meeting held on Monday, August 10 at 8:00 p.m. at Valley School. If you have any questions, you may call Jerry Smith, Superintendent at 455-1411.

All bids must be received by 12:00 noon on Monday, August 10, 1992. The Turkey-Quitaque ISD Board of Trustees retain the right to accept or reject any or all bids. 7 1tc

INFORMATION FOR BIDS Sealed bids will be received at the Turkey-Quitaque ISD, P.O. Box 397, Turkey, Texas 79261, to purchase the following: all canned and frozen foods and misc. items.

Bids will be opened at the school board meeting held on Monday, August 10, 1992 at 8:00 p.m. at Valley School. If you have any questions, you may call Jerry Smith, Supt. at 455-1411.

All bids must be received by 12:00 noon on Monday, August 10, 1992. The Turkey-Quitaque ISD Board of Trustees retain the right to accept or reject any or all bids. 7 1tc

Plaques are to be placed in the Pampa Veterans Museum, the purpose of the museum is to preserve the valor of the men in this area and hopefully pass on this heritage to the younger generations.

The resumes should be written in narrative form starting from the time he entered the service. A list is needed of all medals and campaign stars. On the medals earned for acts of valor, the veteran needs to recite the experience or attach a xerox copy of the commendation.

The major consideration for entering the Panhandle Hall of Fame is for valor, but the work he has done in veteran and civic organizations will play a part in choosing the individuals to be installed.

For more information please contact John L. Triplehorn, P.O. Box 657, Pampa, Texas 79066 or call 806/669-8040.

CARD OF THANKS

To Whom It May Concern,
We wish to express our gratitude to everyone in the Quitaque area for their kindness and hospitality during our stay regarding the passing of our dearest mother, Lillian.

Certainly being surrounded by friends at such a sorrowful time, somehow makes things a little easier.

Again, thanks so much.
Sincerely,
The Lillian White Family 7 1tc

Our sincere appreciation to each one of you that has enriched us with your prayers, cards, food, calls and visits during my recuperation.
God Bless Each of You,
Byron and Sybil 7 1tc
