Hamburger Supper The Turkey and Quitaque Lions Clubs will jointly sponsor a Hamburger Supper on Friday, September 16, 1994 at the Valley School preceding the Homecoming football game with Aspermont at 8 p.m.

Serving will begin at 6 p.m. and close at 7:30 p.m. at the Valley School Cafeteria.

Everyone is encouraged to come out and eat hamburgers with the Lions on the 16th to help support their many worthy activities

Turkey City

Council To Meet The Turkey City Council will be meeting on Thursday night, September 16, 1994.

If anyone would like to at-tend, call City Hall for more

information.

allo I FIELS by Eunice McFall

Where are our priorities today? Do we put our priorities in the right places? Are we aware of the repercussions when we decide on a certain course of action? These are question that came to my mind as I read an article that I received from the North Texans Against Lawsuit Abuse (NTALA)

NTALA Questions \$2.9 Million Award To Woman Who Scalded Self

The local non-profit educational group-North Texans Against Lawsuit Abuse-today questioned a \$2.9 million damage award given to a New Mexico woman who was scalded when she spilled her McDonald's coffee on her legs.

According to recent news reports, the woman was riding in a car in 1992 when she put a cup of McDonald's coffee between her legs while she removed the cap. The hot coffee spilled, scalding her. Of the amount awarded the woman in an Albuquerque court, \$2.7 million was punitive and \$160,000 was compensatory damages.

"What's at issue here is personal responsibility," said NTALA Executive Director Sandy Goff. "No one would dispute the fact that this lady hurt herself. I know that I've burned my mouth a few times after sipping a hot cup of coffee. But more and more, it seems there is a new Golden Rule in Texas. Personal responsibility is taking a back seat as "sue thy neighbor" becomes the norm

Manager Dies by Ann Coker

O. W. Mayo, longtime man-ager of Bob Wills and the Texas Playboys, died Thursday at the age of 93.

Mr. Mayo met Bob and Johnnie Lee Wills in the early 30's when the brothers and musicians struck out on their own after leaving the Light Crust Doughboys

In the late 1930's Bob Wills and Mayo took over the lease of Cain's Ballroom in Tulsa, where the band played its live radio show on KVOO.

Mayo eventually bought the ballroom in 1944. His funeral was last Tuesday morning in Tulsa, Oklahoma.

Watermelons Donated **To Methodist Home**

The United Methodist Men helped to load 250 to 300 water melons to go to the Methodist Children's Home in Waco last week

The melons were donated by Joe Ike Clay of Flomot.

The United Methodist Men of Dimmitt were taking show calf feed and wheat seed to rhe Methodist Boys Ranch at Waco. They graciously agreed to carry

the melons to Waco. WBU Fall Registration **Open Until Friday**

Wayland Baptist University's fall registration will continue through Friday, September 9,

Excess Nitrate In **Quitaque Water**

110

Caprock Canyons

--= State Park

THURSDAY, SEPTEMBER 8, 1994

The City of Quitaque has been notified by the Texas Department of Health that the water being supplied by our system exceeds the maximum constituent level for Nitrate (as Nitrogen) specified by the "State Drinking Water Act" (public law 93-523 U.S.

The limit for Nitrate (as Nitrogen) is set at 10 milligrams per liter water. The amount of Nitrate (as nitrogen) in the water we supply was reported to be 13.10 milligrams per liter of water.

Adults and children over the age of 6 months need not be concerned about drinking from the tap. An excess of nitrate intake by an infant under the age of 6 months may reduce its available oxygen supply and possibly produce "blue baby" symptoms.

To obtain bottled water from the City of Quitaque, persons must come by the City Hall between the hours of 8:00 a.m. and 5:00 p.m. come by the Ory ***** Monday through Friday. ****CAUTION*****

DO NOT BOIL YOUR WATER

Boiling water will increase the concentration of Nitrates. The City of Quitaque will provide, at no charge to our customers, bottled water of acceptable quality to pregnant women and to infants under 6 months of age for cooking and drinking purposes.

For more information contact Robert Patrick, Water Superintendent or Maria Cruz, City Secretary at City Hall or call 455-1456.

Former Bob Wills Hamburger Time In Turkey

by Ann Coker

QUITAQUE, TX 79255

The Hall County Picnic annual celebration will be kicked off next Thursday, September 15, at noon in Turkey. That's when hamburgers, with all the trimmings, beans and drinks will be sold on Main Street at a low price. Serving will begin at 11 a.m. and continue as long as the food and customers last. All the supplies for the hamburger cook-out will be purchased locally at CC's Valley Market

A half a beef has been donated to the Hall County Picnic Association by the B&H Cattle Feeders of Hedley to be given away. Tickets for the drawing of the beef will be sold at the hamburger cook-out. The drawing will be held at 5:45 p.m., Saturday, September 17, in Memphis. You do not have to be present to win.

Saturday, September 17, a barbecue supper will be served at 6 p.m. on the square in Memphis. The meal is being catered by Dyers Barbecu

The Hall County Parade will begin at 3 p.m.

If you have any crafts you wish to exhibit, contact the Memphis Chamber of Commerce. Crafts will be displayed on the square. If you have any art work you would like to display, notify Marjorie Bell. The art works will be exhibited in The Memphis Hotel Bed and Breakfast.

Don't forget-Thursday, September 15, come, eat with us on Main Street in Turkey. We need your support and help. If anyone can help serve, your help will be greatly appreciated.

Immunization Clinics For August

Immunization Clinics offering vaccines that give protection against several childhood diseases are scheduled for September. Protection is against Polio, Diphtheria, Lock Jaw (Tetanus), Whooping Cough (Pertussis), Measles, Rubella, Mumps and HIB (Haemophilus Influenzae Type B).

The Texas Department of Health is charging money to help with the cost of keeping the clinic open. The amount of money charged will be based on family income and size, and the ability to pay. Immunization will be available at Memphis on September 20,

1994 from 10 a.m. to 7 p.m. at the Texas Department of Health Office at 1800 North Boykin.

Immunization will be available at Childress on September 8, 1994 from 7 a.m. to 6 p.m. at Texas Department of Health Office at 801 Commerce. Immunization will be available in Clarendon on September 19,

Come join this exciting activ-

Bike Tour Of The Trail Time Is Here Registration for "Tour of the Trail" bike ride will begin Sat-urday morning at 7:30 a.m. and

continue until 8:30 a.m. at the First National Bank. Following registration, all participants will be transported to the trail head at Woods Crossing near South Plains.

At South Plains riders will begin an easy 12 mile descent down the trail and finally end at Merrell's place.

At Merrell's, everyone will have an opportunity to tour all the interesting aspects in the area, including a view of the Comanchero sites. Following a meal of hot dogs, riders will load-up on transportation vehicles for the final trip into Quitaque around 2:30 p.m. Some stronger cyclists may option to continue the ride into town.

Although mountain bikes with wide tires work best on the trail, bicycles with more narrow tires do fine on the trail. A support vehicle will follow the riders just in case assistance is needed.

In addition to the provided transportation, meal, tour, all participants will receive a "Qui-taque Quest" T—shirt. Parents of riders under 18 must sign permission at the time of registration.

'What's more," Goff said, "a punitive damage award of \$2.7 million is outrageously extreme in this case. Punitive damages are designed to punish or deter harmful behavior. Should McDonald's be punished \$2.7 million because they serve their coffee hot instead of lukewarm?

"The bottom line," Goff added, "IS—— hot food is supposed to be hot." Who do you think is going to pay for this award? Our society's propensity for excessive litigation, frivolous lawsuits and outrageous jury awards often carries huge costs, not only for the business sued but also for our ability to generate economic growth and for consumers who often pay more for goods and services.

We-consumers-will pick up this tab. The impact of outland dishly large awards and settlements are felt by all of us, and you can bet that we will pay for this \$2.9 million award. Think about that the next time you buy food at McDonald's and the price has gone up." Goff said.

The burden of litigation-sometimes called the "lawsuit tax" costs the Texas family of four, on average, \$2700 a year. That's how much more we pay for goods and services every year because of frivolous lawsuits, lawsuit abuse and litigation in general.

NTALA is a locally-based citizen-driven grassroots, non-profit, public education group whose aim is to bring balance, fairness, responsibility and restraint to our court system.

Again I ask, Where are our Priorities?

giving students the opportunity to be a part of Wayland's fall semester.

Elderly Urged To Get Flu Immunizations

Social Security News Release

With the approach of autumn, it's time for the older Americans to take precautions against the pneumonia and flu epedemics that are on the horizon. The cost of both pneumonia vaccinations and flu shots is covered by Medicare Part B (Medical Insurance) for those age 65 or older. The National Institute on Ageing (NIA), American Lung Association, and the Department of Veterans Affairs have launched a coordinated campaign to encourage elderly people to be vaccinated this fall. Statistics show they are twice as likely as younger persons to get pneumonia. Only about 20 percent of those over age 65 have taken advantage of the availability of the pneumonia vaccine in the past, according to the NIA

The Public Health Service recommends an annual flu shot for people over age 65, even if they are generally healthy. Typically, shots are given in the fall and winter. Medicare beneficiaries do not need a doctor's perscription or supervision to have this vaccination covered by Medicare Part B. And, beneficiaries do not pay a deductible or coinsurance amount. Medicare Part B pays the

reasonable approved amount for either shot. If the cost exceeds the approved amount, the beneficiary is responsible for the difference.

Generally, the cost will be paid

if the vaccine is provided at a doctor's office or by a hospital, skilled nursing facility, home health agency, rural health clinic, federally qualified health center, outpatient physical therapy provider, a comprehensive outpatient rehabilitaion facility, or health maintenance organization (HMO).

However, when Medicare beneficiaries get either vaccination at a community clinic that normally provides the shots free of charge to the public, the beneficiaries should not be charged just because they have Medicare coverage. Medicare Part B will not pay for these shots or for shots administered under a plan where an employer arranges to have free shots for all employ-

Medicare Part B pays for pneumonia and hepatitis B vaccinations when the beneficiary is in the hospital, even though the hospital stay is covered under Part A (Hospital Insurance).Flu shots now are paid for in the same way.

"Toe Tappin' At The WestFest"

Get ready to pull on your boots and tap your toes with the "Texas" Dancers at the WestFest in the Palo Duro Canyon State Park.

Twenty-five dancers from the in-ternationally acclaimed musical drama will don festive costumes and kick-off both days of the celebration, September 10th and 11th at 10 am in the Pioneer Amphitheatre.

The troupe, under direction of "Texas" Artistic Director Neil hess, will preform a variety of authentic and colorful dances. They will include traditional country and western, American Indian, Spanish, folklorico and flamenco

According to graduate dance teaching assistant Crystal Campbell, "the dancers are working day and night to get ready for WestFest. It's a great opportunity to showcase a number of different dance styles. We're all very excited.

No "real" western event would be complete without cowboy poets. Folks can "sit a spell" and hear the pros tell a take or two about life on the prairies, ridin' the range, and roundin' up cattle.

More than 100 exhibitors will display western art, jewelry and artifacts. Also, visitors can browse through an Indian Village, see a Mountain Man Rendezvous, and get a glimps of Red Steagall's Cow Camp

After working up an appetite, spectators can choose from a vari-ety of booths serving food and refreshments.

Visitors to WestFest will enjoy authentic western entertainment. Top name musicians scheduled to appear include Michael Martin Murphy, Steve Wariner, Restless Heart, Holly Dunn and Don Edwards.

Money raised during the two day event will benefit the Texas Par handle Heritage Foundation. TPHF is the non-profit producer of the "Texas" Musical Drama. The 30th season of "Texas" opens June 7th, 1995 and runs through August 19th. WestFest is pure fun for the whole family. The action gets underway in the Palo Duro Canyon State Park,

September 10 and 11th. Gates op at 10 am and activities wrap up at 6 pn Information on tickets to

If I had listened to everything e 'food police' said, I would have died of starvation ten years ago!

A Flea Market, Art and Crafts Sale sponsored by the Do Gooders' Club of Flomot will be held Saturday, September 10, at the Commu-nity Center in Flomot from 9:00 a.m. to 7:00 p.m. For more information call Mrs.

Howard Rogers, 469-5255 or Mrs. D. M. Gilbert, 469-5226.

WEATHER SUMMARY

Temperatures are still above nor-mal and precipitation levels below normal in Flomot. These set the scene for a continuation of the last few weeks. Though most tempera-tures have fallen below the century mark, lack of precipitation is hav-ing a lasting effect. Mrs. Tommie Cruse, National Weather SErvice Volunteer of Flomot, officially reported total August rainfall was 0.24 of an inch.

Besides dry weather and drop in cattle prices, another problem facing the ranchers, is the uncertainty of the outcome of Clinton administration's Rangeland Reform '94. CELEBRATES BIRTHDAY

Natalie Rogers of Lindale cel-ebrated her birthday with all the trimmings Sunday in the home of her grandparents, Mr. and Mrs. Howard Roges. She blew out her six candles on a colorful cake she helped decorate. Attending the happy birthday

luncheon and party were Mr. and Mrs. Stanley Degan and Dane of Kalgary, Ronnie Rogers of Lubbock, Shay Degan of Levelland, her sister Brooke Rogers of Lindale, and father Donnie Rogers.

Natalie and Brooke visited here during the Labor Day holidays and Donnie accompanied them home Monday afternoon.

ATTEND WEDDING Local residents attending the outdoor wedding ceremony of Christie Ann Helms and Chancy Cruse Saturday September 3, at the Sandy Camp of the Flying U-Bar Ranch in Clarendon, were his famiy Mr. and Mrs. Donnie Cruse, Brand, Roegan and Talon of Flomot, and sister and husband, Mr. and Mrs. Chad Seward of Goldthwaite. Oth-Chad Seward of Goldthwate. Oth-ers were his grandprents Mr. and Mrs. Ray Cruse, Mr. and Mrs. Darrell Cruse and children of Flomot; Mr. and Mrs. Larry Clifton and children of Matador; Mr. and Mrs. James Gwinn and children of Whitefold and Mrs.

Talyn Dee Pointer

Angie Pointer and Joe David Valdez announce the birth of a new baby boy, Talyn Dee Pointer.

He was born at Methodist Hos-pital in Plainview on August 30, 1994 at 2:22 p.m. He weighed six pounds and six ounces and was 19 inches long.

Welcoming Talyn are his grandparents, Johnny Dee and Lindy Mullin of Turkey, Mary Valdez and Johnnie and Michelle Pointer all of Quitaque.

Great-grandparents are Fay Pointer of Quitague and Harold and Mary Ham of Turkey.

Women Involved In **Farm Economics**

The 18th Annual Convention of Texas Women Involved in Farm Economics (WIFE), will be held at the texas A&M Agricultural Research Extension Center in Amarillo, Texas on September 10, 1994. The center is located at 6500 Amarillo Boulevard West.

Mary Emma Matthews, Dimmitt, President of Texas WIFE willpreside at all sessions. During business meeting, an election the will be held to elect officers for 1995. Other business will include setting goals and priorities for the coming year. WIFE is committed to im-proving profitability in production agriculture. WIFE will give testi-mony during regional Congressional hearings in the coming months on the 1995 Farm bill.

James Esty, Littlefield, Pesticide Inspector for the Texas Department of Agriculture, will speak on new rules and regulations for applying persticides on agriculture.. The new rules will go into effect January 1, 1995

Lois Wales, Dimmitt WIFE member, will give an update from a meeting with the National Feed

Grain Council inDallas. JoAnn Stroupe, WIFE Vice-President, Hale Center, will give the devotional and an installation vice will be held for 1995 officers.

A banquet is scheduled for 6:00 pm Saturday evening at the Steak and Ale Restaurant, I-40 West and Paramount, Amarillo. Kathy Teague, from KACVV-TV, Public Television, will be the guest speaker. Area WIFE members will be

attending the annual meeting and they will also be taking their puppet show, "The Farmer Is The One", to the Farmer Stockman Farm Show in Lubbock in October.

Attendees will be Janinne Brooks, Silverton; Janice Hughes, Flomot;Ella Colvin and Opal Meyer of Turkey; and possibly others.

Statistics on Major Causes of Fire

From Padre Island's seashore to Lake Meredith near Amarillo, 1993 fire totals for Texas show that a lot more than forests are burning in

the state. Almost half of the fires fought by four government agencies caused when people burned debris improperly; another nearly onethird were intentionally started. according to figures fron the Texas Forest Service.

The 1993 Texas Fire Statisitcs, collected y the Southern Region of the U. S. Department of Agricul-ture-Forest Service, reports the firefighting activity of the state forest service and three national agencies: forest, parks, and fish and wildlife services

Not included in the report are

The Preacher And The Pew

by John Hall, First Baptist Church, Quitaque

Perhaps the highest calling in any area of life is the call to proclaim the Word of God to His people. Preaching is an awesome task. Preaching is the great medium by which God calls men, women, boys and girls to faith in Christ.

However, the people in the pew Sunday after Sunday, are really the ones who deserve an ovation! The people in the pew are the church. The people in the pew are the arms and legs of the ministry of the Kingdom. The people in the pew undergird through prayer the one who preaches the Word. together, the preacher and the people in the pew can make a lasting impact on a community for the Lord's glory. Together, the preacher and the people in the pew can be used of God for His work. Will you be in your pew this Sunday? If so may for your preacher? people in the pew can be used of God for His work. Will you be in your pew this Sunday? If so, pray for your preacher! Pray for your children! Pray for your community!

figures from volunteer fire depa ments that protect the bulk of the privately held land where as many as 2 million acres burned last year. In Texas, those agencies reported 1,445 fires in 1993 that burned more than 24,4000 acres. Debris burning caused 673 of those fires and scorched more than 7,800 acres. Arson accounted for 422 fires on 9,860 acres.

"A late spring drying trend contributed to significant wildfire ac-tivity at Padre Island National Seashore and Big Thicket national sea-shore and Big Thicket national Preserve," the report notes. "By late fall, conditions had produced extreme fire dangers in North Texas and Lake Meredith National Recreation Area also experienced sig-

nificant fire activity." Other causes of fire included lightning, equipment use, smoking, campfires, railroads, children and miscellaneous activities

Patriots Fall 33 to 12 in Season

Opener

by Walt Henson The Valley Patriot Varsity Squad took a tough loss last Friday night

against the Groom Tigers. After struggling in the first half and falling behind 27 to 6, the Patriots finally began to be effective in the second half. The Valley defense allowed only one touchdown, while the offense finally began to execute.

Coach Satterwhite was proud of the defense in the second half, "On defense we had a goal line stand, and we caused them to earn everything they got. We were also able to move the ball more in the second half." He was also pleased with the way the players reacted to being down at the half, "I thought the attitude was good going into the second half. They responded to be-ing down 27 to 6, and didn't give

Going into the Claude game this Friday night Coach Satterwhite said he would like to improve on offenhe would like to improve on othen-sive execution in order to move the ball more effectively. When asked about the Claude Mustangs he said, "Claude is small, but they play hard. They beat Clarendon last Friday, so they are 1 and 0 coming into Friday night's game. If we play the way we did the second half of the Groom game, execute and play good de-fense, it will be a good game." Coach Satterwhite wants to

thank both communities for their support, and would like to invite everyone to the game this Friday night.

Valley Student **Council Report** by Jeremy Taylor

The Valley Student Council held its first meeting on August 27. Judy Barrett and Celia Johnson took the six officers, Walt Henson-President, Chris Abram-Vice President, Cara Powell- Secretary, Jarrett Pigg-Treasurer, Jeremy Taylor-Reporter, and Micah Stark-Historian, to Plainview to eat pizza and watch a movie. Dates were discussed for future meetings and parties. The group agreed to do a community service for both Quitaque and Tur-key. Activities and fund-raisers

planned for the coming year, include a salad supper, pom pom and bumper sticker sales for football. The year is going to be a great one, so plan to support the Student Council.

Booster Club News by Cindy Lane The Booster Club met on Tues-

day, September 6, in the Valley Cafetorium. A film of the Valley Groom football game was watched. Coach Satterwhite discussed the game, pointing out good and bad plays

He also talked about the game this Friday against Claude at Patriot Field. Game time is 8:00 p.m. There will not be a Junior Varsity game this week. The Junior High will play Claude at Claude on Thursday at 5:30.

The next Booster Club meeting will be next Tuesday, September 13th at 7:00 p.m. in the Valley Cafetorium. There is no charge to me to Booster Clunb and it's fun to support the kids.

by Walt Henson The Valley junior Varsity team beat the Motley County JV last Thursday night at Matador 26-6. Coach Satterwhite was very pleased

with the way the JV played. "I was very proud of P'Jay Merrell who stepped in for Shawn Stephens at quarterback, and did a great job," said Coach Satterwhite. He completed passes to J. R. Reyna and Andre Gattis. The defense held the Matadors to only one touchdown that came late in the fourth quar-

ter. Coach Satterwhite said, "It was an overall good job for their first eleven man game." The JV game against Kress was

canceled for this week, instead they will be suiting up with the Varsity on Friday night.

VJH Cheerleaders Are Ready To Begin 1994-1995 Football Season

On July 30,1994, the Valley Junior High Cheerleaders began a new year as they checked into camp at West Texas A&M University at Canyon. Each member of the squad was ready to learn new stunts, cheers and chants.

The new cheerleaders attending camp were Kristin Ramsey, Amy Stark, Paige Neilsen, Hollie McKay and Mindy Proctor. The sponsor for the new squad is JoAnn Reagan.

The cheerleaders learned a tremendous amount throughout the day. They are now ready to support and cheer the VJH football team and basketball team for the "94-95" season. Kick off for the first Junior High game will be at 5:30 pm, September 8, against the Claude Mustangs at Claude. Come out and support the VJH Patriots. The Pep Rally will begin at 12:00 pm (noon), Thursday.

Children are hopes.

. . .

Measures Taken **Help Rural Roads** Lt. Govenor Bob Bullock said

Friday that effeciency measures inside the state highway department have produced \$57.6 million in savings which will be used for critically needed maintenance on the state's rural roadways. "This money will help enhance the safety of millions of Texans,

from children in school buses to farmers and ranchers, who rely on rural roads," Bullock said.

the \$125 million preventive main-tenance budget already planned for

by Texas Department of Transpor-tation officials that the money will be distributed among the 19 state highway districts which primarily deal with Farm-to Market roads and state highways in rural areas. Childress District will receive \$4,000,000

Bullock last week appointed an interim Senate committee to look ito rural road system and infra-structure needs. The committee The committee consists of Sens. Bill Haley of Cen-ter, chair; Ken Armbrister of Victoria and Bill Sims of Paint Rock.

This is a step in the right direction as the committee starts its assessment of the needs and the method of distributing state money," Bullock said. "Bullock said the "safety, commerce and convenience are all at stake" in the rural transportation system. Besides the state-numbered

highways, the rural road system includes 40,000 miles of state Farmto Market roads and 138,000 miles ounty maintained roads.

Bullock said that Department of Transportation Executive Director Bill Burnett has advised him that the vast majority of the new money will be spent on Farm-to Market
