About Your Health . .

Dysentery, while not a major killer among Texans, still claims many lives each year. Sadly most deaths occur among infants under one year of age.

Last year there was a 10 percent increase of shigellosis --the technical name for bacillary dysentery -according to the Texas Morbidity published each week by the Communicable Disease Division of the Texas State Department of Health.

At the end of the year, the 1961 total stood at 3,915 cases compared to 3,420 cases at the

Price, spice and everything nice!

Who ever thought a car that saves like this could have so much sizzle? Chevrolet engineers, that's who! Liveliness and luxury for a low, low price were exactly what they had in mind to begin with. And they began from scratch with a whole carload of ingenious new ideas designed to give you more for your money. That spunky 6 with gas-sipping stinginess is just one example. Another: a new unitized Body by Fisher that's fit for a full-size family inside, easy to park

outside. Still another: tough but gentle one-piece Mono-Plate rear springs that outdo many a bigger car for quiet comfort. Any wonder Chevy II won Car Life magazine's 1962 Engineering Excellence award hands down? (The wonder would be if you settled for anyon one at your Chevrolet dealer's!) thing less-once you get your hands

Clyde Fire Dept. Rebuilding Truck

The Clyde Volunteer Fire Department is rebuilding a rural fire truck, which will be the second rural truck for the department. Total cost will be approximately \$700, according to Ed Houston, Fire Chief.

The purpose of the rebuilt truck will be to offer better fire protection for the rural people. There will be installed a new 500 gallon tank and 500 g.p.m. pump, equipped to pump from a stock tank or a fire plug, Houston said. The truck will also carry 750 feet of two and one-half inch hose, 300 feet of one

I think everyone enjoyed watching history in the making and we want to thank everyone who made it think everyone will agree that it was a very educational program. possible for us.

Friday Baird was host to the first track meet of the year, held on the new track field. We were competing against teams from Bangs, Wylie, Cisco, Hamin and Santa Anna. Though we didn't win the meet, our boys made a fine showing. We were not in full strength, as we had some the pretty new basketball jackets the girls are sporting? This year the jackets are of brown suede. When Sandra Booth shows off her jacket, she also shows off the beautiful diamond ring she is wearing. Congratulations, Sandra. didn't win the meet, our boys made a fine showing. We were not in full strength, as we had Ronnie Ault and Kelton Jones out with leg injuries. Bob Strange ran the anchor lap of the mile relay with a spiked foot, but managed to overtake the other teams to strike up a victory for our team in that race. Jud Gilliland discovered a new way to run the hurdles --just go around them. The next scheduled meet here will be on March 30, which will be the District Meet. Let's see all of the students and fans out to support these boys then.

Three of our B.H.S. girls, Kit-Three of our B.H.S. girls, Kit-ley Ross, Sue Howard and Ilean McIntosh, are entered in the Vogue Sewing Contest, sponsor-ed by the Junior Wednesday Club. The winner of this contest will be awarded \$5.00 and will advance to the district contest at Sweetwater Country Club on March 10.

Mrs .Hamrick is very proud of the additions to the Homemaking Department. Each year the F.H.A. girls leave something for the department, and this year we have purchased two linen table cloth sets. Also a painting by Karen Gay Jones has been added, joining the two by Roberta Lawrence.

Fred Foy and Mike Hart are in Houston this week to attend the Stock Show. Fred will show his sheep, and Mike has a show

W. A. Everett Sunday evening.

Wednesday visitors with the Hennie Ross and family were Homer Pruets. leaving Monday morning for their home in Farmington, N.M. Mrs. R. L. Clinton spent Mon-day in Fort Worth.

Mrs. Roy Lee Williams, Mrs. Calvin Gilbert of San Antonio, came Monday to spend a few days with their parents, Mr. and Mrs. S. M. Eubank, and to be here when he has surgery.

Union Usuals and Unusuals Mrs. Veda Yarbrough

Hi neighbor! How's the wea ther over your way? Real cold here this Monday night. Last week was real pretty weather. Still no rain to speak of.

The Mark Burnams spent the past week end in Hobbs, N. M., visiting their son, Glenn and family, and daughter, Mary

Family, and daughter, Mary Everett and family. Burette and Johnny May Ramsey and I visited in Odessa Thursday, Burette and Johnny May spent Thursday night with their daughter, Stella Hughes and family in Rankin. Mrs. M. H. Sargent went with us as far as Midland to visit her daughter, Mrs. Delores Smith and family. Miss Vella Sandlin went with us. She visited her brother Vernon Sandlin and wife in Odessa. We all had a good time.

We were very sad to hear this morning of the tragic death of the Sargent's son-in-law, Wayland Smith, Sunday, at Midland. He was killed in an explosion while working on a well. Our deepest sympathy to the be-reaved families. It was a great

day with his sister, Mrs. Onie Abernathy in Baird.

Sorry I missed seeing Mr. and Mrs. Lofton Herring, of Byers, and Ode Wallace of Lander, Wyo., and Mrs. Sarah Penson of Artesia, N. M. They are all cou-sins of D. A. and Dick Yar-brough and Mrs. Onle Abernathy. They spent Thursday night with Dick and Annie Yarbrough and D. A. Yarbrough

Memorial Hospital in Abilene. He will undergo surgery Wed-nesday morning. We wish for

him a quick recovery.

Screwworm Program

Launched Feb. 14th

screwworm control program is underway. It was launched Wed-

nesday morning, (Feb. 14), when sterile male screwworm flies

were air-dropped over Hays

county.

The release - first of its kind

in the Southwest -- was timed to coincide with a meeting of the Southwest Animal Health Research Foundation in Austin. More than 400 livestock produc-

ers and sportsmen from Texas

and adjoining states attended the kick-off meeting. The fly release climaxed the efforts of

sportsmen who have worked on

the program for many weeks.
C. G. Scruggs, president of the
SAHRF, said the program involves the U. S. Department of Agriculture, Texas Animal Health

Commission, Texas A&M College and the research foundation. He reported that contributions by stockmen and sportsmen now totaled approximately \$1,400,000.

screwworm producing plant will be contsructed in South Texas with the expected capacity of

50-75 million flies per week. Fa cilities at Kerrville Lab wi

eventually produce 20 million flies each week. Dr. S. Gartman, who has charge of the Keerville

fly facilities, will head opera-tions at the new plant. Speakers at the kick-off meet-

ing included Dolph Briscoe, Jr., Uvalde, president, Texas and Southwestern Cattle Raiser As-

sociation; Dr. F. J. Mulhern of USDA's animal disease eradica-tion division, and Dr. R. S. Shar-

man, ADE staff officer, who ex-plained how the program will

Barbecue Sauce Adds Flavor To Rice Dish

French women are known to create the most delicious dishes on a limited budget, but American homemakers can match this flair for cookery.

Here, for instance, is a tasty all-American main course with a bounty of flavor and appetite appeal. Seasoned to perfection with bottled barbecue sauce, this hearty entree features a happy union of packaged pre-cooked rice, green peas and frankfurters. Served with a tossed green salad, it's sure to bring applause from the whole family.

Barbecue Franks and Rice Dinner 1/4 cup Open Pit Barbecue Sauce Sauce
1/4 teaspoon salt
1/3 cups Packaged Pre-cooked
rice
1 package (10 ounces) quickfrozen Green Peas

frankfurters, sliced thinly
tablespoons butter
t cup ch pped onions
clove garlic, minced
cup chopped green pepper
pound ground beef
beef bouillon cube
d, cup water

2% cups water

Heat frankfurters in butter in a skillet. Remove frankfurters, reserving butter in skillet. Keep frankfurters warm. Add onions, gari.c, and green pepper to remaining butter in skillet. Sauté until onions are transparent. Add beef and sauté until brown. Dissolve bouillon cube in water. Then add bouillon, barbecue sauce, salt, and rice to beef. Mix well to moisten rice. Cover and simmer until most of the liquid is absorbed, about 10 minutes. Meanwhile, cook peas according to package directions. Drain well. Place peas and frankfurters in mounds in the bottom of an oiled 1½ quart ring mold. Add rice mixture and pack lightly. Let stand at least 2 minutes to mold; then unmold on a hot platter and serve. Makes 6 to 8 servings.

TIPS ON TAXES

The preparation of income tax returns requires that you do a little thinking, a little reading of rules, and a little searching for the books and records you should have been keeping during the taxable year. This is the first in a series of articles designed to assist you in accomplishing your task.

Generally, you must file an income tax return if you receive gross income of \$500 or more during a calendar year. How-ever, if you have reached 65-years of age by the end of the calendar year for which you are filing your return, you need not file a return unless you received over \$1,200 in gross income. These rules apply whether you are married or single, a minor or an adult.

Gross income refers to all amounts which you receive for work you perform and also includes income and profits which you receive from the investment and sale of property or savings Income from savings includes interest credited to your savings account, whether or not you withdraw it. Gross income does not include amounts received by you as Social Security or Rail-road Retirement pension bene-fits, gifts, inheritances or work-

totaled approximately \$1,400,000. An intensive drive will be continued, SAHRF officials said until the \$3 million goal is reached. Scientists, capitalizing on freeze-out of overwintering in January, believe there is an opportunity for lowering -- if not totally eradicating -- screwworms from Texas this year.

The program will follow the men's compensation benefits.

The specific form you use to submit your return is a matter of personal choice which you based upon the type of income you have, the type of exclusions you claim, and the amount of deductible expenditures you have incurred.

The program will follow the pattern of the successful eradi-cation effort in Florida and the cation effort in Florida and the Southeast. Millions of artificial- income tax forms available, the income complicated problems and more adequately submit the required information. Any problems which you might encounters to the various offices of the Internal Revenue Service or your producing plant will

more than \$200 total of dividends interest, and other wages not subject to withholding. A husband and wife may file a joint return on Form 1040A if their combined incomes do not exceed these limits. Form 1040A also may not be used if you itemize deductions, claim a dividend received credit or a retirement income credit or claim an exclusion for "sick pay."

Form 1040 has been revised this year, and the old 1040W has been eliminted. The new form has only two pages, similar to pages 1 and 2 of the old Form 1040 A lnew separate schedule B replaces the items (except the summary of capital gains and losses) which formerly appear-ed on pages 3 and 4 of the old form. If your income is only from salary and wages and not more than \$200 of dividends and interest, you need only file pages 1 and 2.

The appropriate separate Schedule B (Supplement Schedule of Income and Credits), C (Profit or Loss from Business or profession), D (Gains and Losses from Sales or Exchanges of property or F (Schedule of Farm Income and Expenses) should be used if your income is not all of the type described.

Our tax laws are self-asse ing in nature. This mean that you, as the taxpayer, have a duty and obligation to report facts and circumstances surrounding your receipt of income. The majority of simple tax returns can best and most properly be prepared by you, the taxpayer, after studying the in-struction booklets available to you.

expenditures you also makes available a booklet have incurred.

This year there are only two Tax" to help you understand

The Baird Star, Baird, Callahan County, Texas, March 2, 1962

James A. Turman Seeking Office

James A. (Jummy) Turman of Fannin County, Speaker of the Texas House of Representatives, has begun his active campaign for Lieutenant Governor.

Speaker Turman said his decision to run for Lieutenant Governor was "based on the sincere belief that my record as a egislator and as presiding of-ficer of the House qualifies me for the duties required of the Lieutenant Governor -- to preside over the State Senate in a fair, effective and democratic manner and to help preserve the God-given personal and political rights and liberties of all

"I will announce my platform in the very near future. Let me say at this time, however, I be-lieve that the only legitimate forces in State government are the wills and rights of all our citizens deciding the issues through their elected State officials, and not through the Big Lobbyists in Austin."

"I want the support of all Texas citizens in establishing fiscal responsibility in State government, and at the same time, support in providing the protection and services our peo-ple have a right to expect from our prosperous State with an ever-expanding economy."
"I want and need every Tex-

an's support -- from business and industry, labor, education, the professions, government farming and ranching, and all other segments of our social and economic life."

Turman worked his way thru East Texas State College as a bus boy, dish washer and waiter drug store clerk and bookkeeper, receiving the B.S. and M.S. degrees in Business Administra-tion. He earned a Doctor's Degree in Education from the University of Texas. He has been a teacher and administrator in the public schools and two State Turman, a share cropper's son, was born on a tenant farm in Fannin County and lived with his parents in Gober, Glade-water and Bonham. He was a Navy veteran of the Korean Conflict, a deacon in the First Baptist Church of Gober, member of the Texas Farm Bureau, Chamber of Commerce, other civic and professional organizations and fraternal orders.

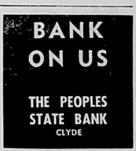

Turman married his high school sweetheart, Ira Nell Wig-ley of Gober. They have one son. Mrs. Turman is presently teaching in the Austin Public Schools.

The Baird Garden Club will meet in the home of Mrs. John McGowen, March 6th at 4 p.m.

Mr. and Mrs. James Gillit of Zapata are new subscribers to the Baird Star and wrote this week, "We are enjoying the Star very much, as we read the news of our family and friends at Baird."

Mrs. E. T. McBride received word last Saturday of a new great-granddaughter, Germany to Capt. and Mrs. J. B. Chaney. Mrs. Chaney is the former Patsy McBride, daughter of M. D. and Nora McBride of Ft. Worth. The Chaneys have a son.

Mrs. E. T. McBride is in Fort Worth this week to be with her son, H. D., who is a patient in St. Joseph's Hospital.
