PLUG IN ... I'M REDDY INSTANTANEOUSLY!

Reddy Kilowatt travels at the speed of light-186,-000 miles per second! That's why it is possible for Reddy to respond so quickly when you flick a switch or plug in an electric appliance. All you have to do to get this amazing speedy service is to give Reddy proper wiring to travel over and he'll go to work for you instantly in any part of your house or all parts

When you hire him, a (Reddy) Kilowatt of electricity, you are buying power equivalent to the labor of thirteen strong servants. But that's not all-you get his service 24 hours a day. He's here . . . there . . . and everywhere you have an electric outlet, ready to do any and all of your jobs-instantly.

He'll wash your clothes, do the ironing, clean your rugs, do the cooking, wash your dishes, refrigerate the food, time your clock, furnish plenty of good light, give you radio entertainment and do a host of other tasks. All this for but a few pennies a day.

Just remember-whether you are a millionaire or in moderate circumstances you can always have the instant services of Reddy Kilowatt.
