Baird Bears Take Loss From Roscoe Plowboys Friday 15-0

The Baird Bears were defeated by the Roscoe Plowboys 15-0 last Friday night. The Bears played a great defensive ball-game while miscues on offense allowed

Thanks go to those fans that followed the Bears to Roscoe.

Chittum Receives Five Years Probation Sentence

Freddie Chittum of Baird, received a five year probated sentence after confessing obtaining controlled drugs by forging doctor's signatures and using the names of some of the Golden Holiday Nursing Home patients while he was director of nurses at the Golden Holiday Nursing Home in Baird.

Chittum said that he had a problem with this particular drug but did not consider himself addicted to it. Reports show that none of the patients at the home received any unprescribed drugs.

Chittum is presently undergoing drug

treatment in Bailene and was ordered to continue to do so by the court. He has been employed as a rough-neck since his dismissal at the Golden Holiday Nursing Home.

The judge said he would allow Chittum to transfer his probation to Bexar county where he has a job waiting for him at a San Antonio Hospital.

Criminal District Attorney, Lynn Ingalsbe and Chittum's lawyer, Dick Harris, of Abilene, both recommended the 5 year probated term to the court. Chittum could have received up to 20 years in prison and a fine of up to \$10,000.

Randy resides at Route 1, Baird with his wife, Phyllis and their two children, Jason, 8 and Rhonda, 2 1/2 and there is expected to be a new member to the Dodd family in April. Phyllis is working part-time for James Paul Shanks.

Randy was a farm superentendant for one and a half years before his present job as a territory representative for a case company. He said when asked what occupation he would like to be in if he had his choice that he would be doing exactly what he is doing now.

Randy was born August 20, 1946 in Houston, Texas, and attended Houston and Buffalo schools and graduated in 1964 from Buffalo.

Randy attended Texas A&M where he got a BS and a Masters in Agriculture.

Randy is presently president of the MFT Association and is a Cub Scout Den Dad. Randy is a member of the First Baptist Church in Baird.

Randy voted for the former president in the last presidential election due to the fact that Ford already had the experience and Randy is a republican. Randy says there is too much governmental interference in the public school.

During school Randy won some football and track letters and like sports. He enjoys the Dallas Cowboys and his hobbies and woodwork, welding and gardening. His life's ambition is to patent something. He likes easy listening music and his favorite song is "More" while his favorite entertainer is Robert Goulet. He said that he like the movie "Star Wars"

Senator Farabee Seeks Re-Election

Senator Ray Farabee.

State Senator Ray Farabee announced his candidacy today for reelection to the Texas State representing the 30th District. The 30th Senatorial District covers a twenty-nine county area in North Central and Northwest Texas including Callahan County. Farabee, who is 45 and a democrat, was elected to the State Senate in 1974 and is now completing his first term of office.

Lieutenant Governor Bill Hobby recently appointed Senator Farabee to the Legislative Budget Board which meets during the interim between sessions to prepare the budget for the state. He also serves on the Senate Finance Committee, the Jurisprudence Committee, and the Natural Resources Committee, which deals with issues concerning agriculture and energy.

The Texas Farmers Union presented Senator Farabee with the Senate Member Outstanding Legislative Service Award in 1975 and he recently received the Vocational Agriculture Teachers

Association's Texas Distinguished Legislator Award.

Senator Farabee, in announcing his candidacy, said, "My first term in the legislature has been productive and worthwhile. I was fortunate to receive excellent committee assignments and have sponsored legislation which is now law that benefits both the 30th District of and the State of Texas. I would like to continue my public service in the Texas Senate. I want to utilize the experience and seniority which come with a second term to serve the people of this area."

In 1975 TEXAS MONTHLY magazine selected Senator Farabee as the outstanding newcomer to the Senate and in 1977 named him as one of the three senators among the ten best legislators in Texas. In making this selection, TEXAS MONTHLY cited him as being "conscientious, hardworking, smart, fair, independent, someone who does his homework."

Rowden Folks Feel Like Spring Has Sprung Again

Will Miracles never cease?... last week, pastures, fields and yards had the look of winter with no sign of life, but look what ahs happened in the matter of days-everything is spring green once more. The near two inches of rain the week-end before is responsible for it all. Warm humid days last week put life into now beautiful grain fields, pastures and reviving and our yards may have to be mowed again before frost stops this miracle for the winter. Mr. and Mrs. O.R. Lawlis of Coleman. Mr. and Mrs. Robert Watson visited Mr. and Mrs. John D. Montgomery friday night. Baird Band Parents Will Sell Peanuts

Three pounds of fresh shelled peanuts will be sold by the Baird Band parents. These will be available at the concession stand this Thursday night, November 3, at the Jim Ned Junior High and Junior Varsity games here. The Band Parents will have all concessions that night.

All money is going into a uniform fund so our band can have new uniforms. The present uniforms are 7 to 8 years old and the pants are out of style with the narrow legs. Also since these uniforms were purchased, our students seem to have grown larger.

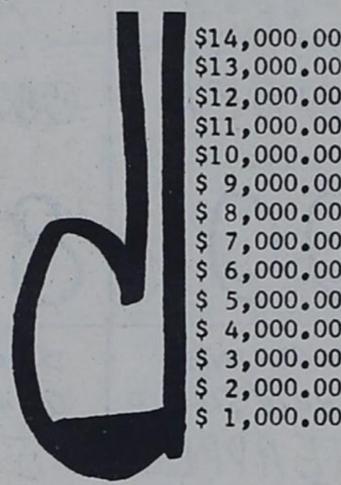

No definite plans have been made to purchase the uniforms as this will have to be a decision by the Band Parents themselves, not just a small group of them. A committee of students have designed a uniform that they feel would be acceptable to the band. Sample uniform is being made and prices will be quoted from three companies. The sample uniforms are of type of material, thread count, stitching and so forth. This sample can be altered to meet our needs if it is not suitable.

If you have a student in the band, whether it is the Big Band or the Elementary Band, you should have an interest in these uniforms. They will be used by the students for the next several years and your voice is important if you will have a child in the band in the next seven or eight years.

Please watch for the announcement of the next Band Parents meeting which will be called as soon as the sample uniform and price quotes have come in. It should be between mid-November and the first week in December. Please do everything possible to come to this meeting to help make the decision as

to whether or not to purchase uniforms. If uniforms are purchased, it will take the entire band parents groups, as well as the students, to work and make the money to pay for them. A savings fund has been established toward this goal as is reflected in the accompanying thermometer. Contributions by individuals or businesses will be greatly noted. Contact the High School or Miss South.

We would like to end the drive for band uniforms on a "happy Note" so please help us to make this entire note solid by giving donations for the Baird Band to buy new uniforms.

CJC Begins Continuous Registration Tuesday

Olin Odom, III, Registrar of Cisco Junior College announced that registration for the 1978 spring semester will begin Tuesday, November 1, at the Cisco campus. Registration for extension courses will begin approximately a week later.

Registration id for students who are currently attending CJC and for students who would like to begin attending CJC CLASSES. A tentative schedule may be picked up at the Admission's office located in the Administration building. These schedules are necessary to

plan a student's spring course work. A prospective student should make an appointment with Mrs. Brenda Barney, Counselor, to discuss each individual schedule for the spring semester.

CJC is now operating under a program of continuous registration rather than registering all students at the beginning of a semester. Students should plan their schedules as soon as possible to insure enrollment in the courses they desire.

For further information stop by the Admissions Office or call Mr. Odom at 442-2567.

First Baptist To Emphasize Church Training

November has been designated as "Church Training" month at First Baptist Church of Baird. We believe in training leaders of tomorrow and strengthening our leaders of today. We do not believe the church can make or manufacture its leaders; we believe God calls His leaders but after God calls, that person wants to study, learn and equip himself to be the best he can be.

begins each Sunday evening at 6:00 p.m.. There are three choices in classes for our adults; a baptist Doctrine and Polity class using literature prepared by our Southern Baptist Convention and a class studying the "Holy Spirit in Today's World" the work of the Holy Spirit, written by Dr. W.A. Criswell, pastor of the First Baptist Church in Dallas. Our young people are divided into their age groups.

HOW IS MY NEIGHBOR DOING?

Someone said, "God is still waiting to see what can be accomplished by a man or a nation that will take seriously His command 'Love thy neighbor as thyself.'"

In today's world, how is my neighbor doing?

Well, two billion of them eat only two meager meals a day. Two billion of them live off of a three acre piece of land on which they raise \$300 in crops. Of this money, \$100 goes to their landlord.

Two billion of them have total holdings amounting to \$5.00. And, as a result of that hard, ignominious life, each of these two billion people will live 30 years less than you or I.

They have seen no magazines all their lives; no electric lights, ever; no running water. And their entire lifetime wardrobe of clothes comes to them second hand, and numbers only 12 pieces.

Now do two things before you lay this down—

1. Be grateful to God for abundance
2. Pray to learn to share more meaningfully

Veterans Day November 11

Governor Dolph Briscoe has signed a proclamation designating November 11 as the official Veterans Day in Texas. According to I.G. Mobley, Veterans Service Officer for Callahan County and State Co-Chairman for this area, all veterans organizations and individuals who care to do so are encouraged to participate in any local activities planned to honor our veterans.

Eventhough the Federal government still recognizes the fourth Monday of October as Veterans Day, the State of Texas two years ago changed back to the original date of November 11. Originally known as "Armistice Day," November 11 was for many years set aside to honor those who served during World War I. Since 1954, November 11 has been known as "Veterans Day", a time to honor all U.S. Citizens who have served their country during times of war.

At a time when there is no major war or conflict anywhere in the world, we should all take this opportunity to honor those who have fought and died to preserve our way of life in this country.
