WHAT HAS INFLATION DONE TO YOU?

After a Fire, Storm or Accident too many policyholders find they are underinsured

* have you raised the insurance value on your house, and buildings in the past

* have you increased the coverage on your machinery and equipment in the past

* do you have adequate liability limits on your auto, truck, homeowners and farm

If you said "No" to any of those questions, see or call your Texas Farm Bureau Inurance Companies Agent at your County Farm Bureau office now
