

Jones, Clark, Conlee Are Sports Fete Honorees

Sixty athletes and an estimated 100 other persons attended the All-Sports Banquet held Friday at the Cross Plains School Cafeteria.

The fete, sponsored by the Cross Plains Athletic Booster Club, is held annually to honor all athletes at Cross Plains High School.

During the program, at which time coaches introduced teams each handled during the season, Al Lavan, backfield secondary coach for the Dallas Cowboys, spoke. An outstanding dinner speaker who mixes humor with the serious side, Mr. Lavan was brought to Cross Plains through the courtesy of Dan and Freddie Johnston at Johnston Ford Truck & Supply, Inc.

Three "outstanding" awards were presented during the banquet festivities.

Miss Kathy Jones, senior and daughter of Mr. and Mrs. Rolan

Jones was named outstanding girl athlete for the current school year.

Richard Clark, also a senior and son of Mr. and Mrs. James E. Clark, was designated as outstanding boy athlete of the year.

Tommie Conlee, another senior and son of Mr. and Mrs. Tommie Beryle Conlee, was awarded the Charles Barnard Award. That is given annually to the local athlete which displays the most loyalty and dedication. It is presented honoring the memory of Charles Barnard a local athlete and son of George Barnard and the late Mrs. Barnard. It was begun by former Cross Plains coach and superintendent Frank Rundell.

Incoming slate of Athletic Booster Club officers were also recognized at Friday's banquet. They are John Burleson, president; John Schlittler, vice-president; Pam Harris, secretary, and Lucille Koenig, treasurer.

AREA BEST—Pictured above is the Poultry Judging Team of the Cross Plains FFA Chapter which recently won first place in the area contests held at Tarleton State University. The team will compete in state contest at Texas A&M University Friday and Saturday. They are, left to right, Bob Winfrey, Bill Burleson and Greg Hutchins. Standing is chapter advisor Roy Richey. Trophies shown are from left, ninth place at Tarleton invitational, first at Weatherford invitational, first at area contest and second at Sweetwater contest.

Flower Show Is Set Here Next Friday

Spring Flower Show of the Cross Plains Garden Club will be held in the Garden Center at 644 Beech Street Friday, April 23, and the exhibition will be open for the public to view from 2:30 to 5:30 p.m.

There is no admission charge. "Spring Panorama" has been chosen theme for this year's exhibition depicting such title as Division II Designs "Raindrops Falling", "A Feast of Dry Splendor" and "The Everchanging Scenes."

Division III junior gardner's "Tomorrow Panorama" class 1. Fancy Free—pot plant, Carefree—design classes are open to children in grades 1-8 with Mrs. Hadden Payne, chairman Junior Gardeners.

Mrs. J. P. McCord is chairman of the show, and Mrs. Peyton Smith is club president.

All classes are open to non-members. There will be a special section for anyone wishing to enter horticulture or arrangements. Mrs. McCord reminds that design and horticulture entries should be

brought to the Garden Center Thursday afternoon from 1 to 6 o'clock.

"We welcome non-members, amateur flower arrangers and amateur gardeners to exhibit in all classes provided they comply with the rules of the show," said Mrs. McCord and Mrs. Smith.

Federated in 1960, the Cross Plains Garden Club has won many area, district and state awards, and the annual local show draws many entries from area persons.

3 Local Students Claim State UIL Literary Spots

Three Cross Plains High School students brought home the gold from the regional literary meet in Abilene last week.

On Wednesday Randy Phillips beat last year's state winner in prose interpretation and became the regional champion in that event. His reading in the finals was a cutting from John Steinbeck's "Of Mice and Men."

On Friday Scott Taylor and Jennifer Ames marched through four rounds of debate without a loss to claim the regional championship. Taylor constructed the cases they debated this year. Regional was won with a case for "Minimum Competency Testing."

Tommie Conlee and Cathy Enge won their first round of debate at regional, but were not among the survivors after the second round. Richard Creamer and John Hanke had to forfeit their regional berth because of a conflict.

Joe Coppinger, faculty sponsor for prose and debate, announced that the state meet for these events will be held on the University of Texas campus April 30.

Open VB Tourney Set Here April 22-24

An open volleyball tournament, sponsored by Beta Sigma Phi, will begin at 6 p.m. Thursday, April 22, and continue through Saturday, April 24, at Buffalo Gymnasium.

Teams and playing times are listed as follows: Thursday at 6 p.m., Sharlotte Montgomery and Tracy Dillard; 6:45, Jackie Thomas and Robby Bailey; 7:30, Connie Kirkham and Leslie Bishop; 8:15, Randy Montgomery and Donald Strength; 9:00, Wanda Walker and Twinkle City, and 9:45, Baptist Men and Tony Wyatt.

Friday at 6 p.m. Twin Drilling and Cookies' Rookies will compete.

T.O.P.S. CLUB RETURNS TO MEETINGS AT M-P CENTER

The Cross Plains TOPS Club will resume its regular meeting Thursday, April 22, from 6:30 to 7:30 p.m. at the Multi-Purpose Center on East 8th Street. The local club has met at the home of Mrs. Alan Key the past two weeks due to repairs being made at the center.

Warrants Are Issued For Suspect Painters

Warrants for the arrest of two persons have been issued by Justice of the Peace L. P. (Pender) Mitchell of Cross Plains for "theft of service", also thought to be involved in a bogus painting scheme here.

Peace Justice Mitchell issued the warrants for the pair last Friday after they left without paying the bill at a local motel. According to Mitchell there is reason to believe that at least one of those named in the warrants is involved in reported faulty painting jobs. Some elderly local residents recently paid painters for jobs reportedly poorly done at high speed with low quality paint.

Local and area residents are advised to check out thoroughly any such person or persons offering repair or painting jobs before agreeing or paying them.

May 2 Dedication Set By Methodists

The Cross Plains United Methodist Church will dedicate its new building in the 10:45 a.m. worship service, Sunday, May 2, with the Brownwood District Superintendent Bob Weathers presiding.

Following the service a dinner will be served in the fellowship hall for members and friends.

The original loan was made for a period of 15 years, and no one thought that in two years the church would be debt free by the church's second anniversary, according to Rev. Bill Reed, pastor of the church.

Rev. Reed and members invite everyone to come and join in the fellowship on this joyful occasion.

CPHS Homecoming Set October 15-16

Cross Plains High School Homecoming will be held on Friday and Saturday, Oct. 15 and 16, according to an announcement following last week's meeting of the Ex-Students Association.

Most of the activities will be held on Saturday with only the bonfire and pep rally currently set for Friday. Activities on Saturday begin with a parade at 9:30 a.m. continuing through the day ending with a dance or after game coffee.

Buffaloes will take on the Santa Anna Mountaineers on the gridiron at 7:30 p.m. on Saturday.

Other details will be published as time draws nearer for the homecoming.

MRS. R. S. PEEVY PATIENT AT HOSPITAL IN ABILENE

Mrs. R. S. (Sub) Peevy is a medical patient at West Texas Medical Center in Abilene suffering with pneumonia. She is reported to be improving.

Mrs. Peevy entered the hospital last Friday, and is in room 233.

SET CLOCKS FORWARD HOUR UPON RETIRING SATURDAY

It's that time of year again when the sun comes up an hour earlier and sets an hour later. It's Daylight Saving Time.

If local residents are to be in step with most of the United States they should set clocks forward one hour before retiring for the night Saturday. The hour's sleep lost will be re-gained next October when clocks will be rolled back that hour to resume Standard Time.

An easy to remember which way to turn clocks each spring and fall is spring forward and fall back.

Failure to set clocks Saturday night will put those an hour late.

Dinner Set Tuesday At Lakewood Center

The monthly membership dinner for Lakewood Recreation Center is scheduled to be held Tuesday, April 24, stating at 7 p.m. at the center clubhouse.

Invitation is scheduled to all members of the organization to bring a covered dish and a new member.

The center is in the midst of a membership drive, and now would be a great time to take advantage of the special offer of \$20 per month for all facilities open to the entire family, a spokesman for the center stated.

Pony League Session Called For Thursday

Pony League Baseball immediate future in Cross Plains may possibly be determined in a meeting called for Thursday, April 22, at Odom's Restaurant. Starting time is 8 p.m.

John Burleson said it could be determined at the time if there will be a teams field here this summer. He urged that players, their parents and others interested in the program attend the Thursday night session.

He said, "Those who can't make the meeting for some reason should call me at 725-6485." He continued that players and other personnel were needed to carry the program through the season.

CALLAHAN PIONEER REUNION SLATED AT BAIRD JULY 3

The annual Callahan County Pioneer Reunion will be held at Baird on Saturday, July 3, for this year, according to word received in Cross Plains.

It is to be held in conjunction with the Baird Chamber of Commerce Fourth of July Celebration, according to Susan McNeel, who is an official in the Callahan County Pioneer Association.

Ordinarily the "old settler reunion" is held at Treadway Park in Cross Plains in August. That has been the custom for many years, but in recent years interest has not been sufficient for the reunion to be held. The past two or three years, however, younger, more aggressive personnel have taken charge of the arrangements and have staged a reunion for Callahan Pioneers at the Cross Plains City Park.

State Capital HIGHLIGHTS

By Lyndell Williams

Drunk driving on Texas streets and highways could find police officers and the courts considerably less understanding if a West Texas lawmaker gets his way.

State Sen. Bill Sarpalius, who sponsored the bill raising the legal drinking age to 19, has proposed legislation that would automatically suspend the driver's license of any drunk driving suspect who refuses to take a sobriety test.

The Hereford Democrat has presented his bill to the Governor's Task Force on Traffic Safety, and says the proposal has the support of the San Antonio and Dallas chapters of Mothers Against Drunken Driving.

Gov. Bill Hobby also has voiced his support for the bill, under which a first offender convicted for driving while intoxicated could be fined up to \$2,000 and sentenced to from 72 hours to one year in jail. A second-time offender would face a jail term of from 72 hours to two years, without chance for probation.

Any motorist stopped on suspicion of drunk driving who refuses to take a sobriety test could automatically lose his license for up to 90 days.

Sarpalius describes the bill as "stern but reasonable." The one-term senator also has proposed bills to prohibit any open liquor containers in moving vehicles, to strengthen laws against false driver's licenses and to tighten laws on occupational driving licenses.

Harding Indictments

State Treasurer Warren G. Harding has been reindicted by a Travis County grand jury on the charges that he used state employees to perform tasks for his re-election campaign.

The new indictments were handed down only a few hours after Harding's attorneys asked a state district judge to dismiss the original indictments because they failed to charge the state official with any special crime.

Harding's attorneys contended that the original indictments accused the treasurer of using two secretaries to work in his campaign but did not say how that is a violation of state law.

The new indictments allege that the services and labor of the two secretaries belonged to the state.

The grand jury move came just three weeks before the May 1 Democratic primary, in which Harding is facing stiff opposition from former Travis County Commissioner Ann Richards and two other Democrats.

Harding has claimed the charges against him are part of an attempt by the "courthouse clique" to clear the way for their former colleague Richards.

Agriculture Task Force

Gov. Bill Clements has put another task force to work examining possible solutions to the state's problems, this time in the area of agriculture.

The Governor's Task Force of Agriculture Development began its work recently with Clements recommending that the panel look into new markets for Texas agricultural products in foreign countries, particularly Mexico.

Because of the state's proximity to Mexico and its access to that country's transportation systems, Texas has an edge over other parts of the country in developing Mexican markets for its farm products, Clements said.

"We'd be very, very foolish if we didn't exploit our advantage and develop that market in all its aspects," the governor said.

Clements predicted that Texas soon would replace Iowa as the second largest agricultural producer in the country.

Clements also recommended that the task force explore ways for banks to develop "friendly relationships" with farmers and ranchers in much the same way as some banks have aided home builders with low interest loans.

The task force will make recommendations on solving farm problems to the Legislature and the governor in 1983.

General Telephone

The state's second largest telephone company has begun its case before the Public Utility Commission seeking its third rate hike in as many years.

General Telephone Co. of the Southwest, which serves customers in dozens of counties across the state, is seeking an additional \$110

million in revenue.

That company was granted a \$31 million increase in 1980 and a \$6 million hike in 1981, but both increases were accompanied by a \$4 million annual penalty for poor service.

That penalty now has been lifted, but the PUC staff says the company only needs about half the amount requested. The staff has recommended only a \$48.7 million increase and intervenors in the case believe the utility only deserves \$24 million.

Parking Woes

While most candidates for state-wide office worry about campaign financing or name identification, GOP gubernatorial contender Lowell "Duke" Embs apparently is finding parking a big problem.

Embs, who traveled to Austin recently to file his campaign spending report, had a hard time finding a parking space near the State Capitol grounds for his 1967 Lincoln Continental.

Through the loudspeaker on his car Embs blared, "Getting a parking space is harder than getting elected."

Eula Sector Sailor Ends Electronic Class

Navy Electrician's Mate 2nd Class Wayne A. Culp, son of Mr. and Mrs. W. A. Culp of Route 1, Clyde, has completed the Basic Electrician's Mate Course.

During the self-paced course at the Service School Command, Naval Training Center, Great Lakes Ill., the students received instruction on electrical theory and studied the operating principles of the batteries, generators, motors, and transformers used aboard ships and at shore installations. The course was designed to provide a thorough understanding of the operation, maintenance, and repair of electrical systems.

A 1981 graduate of Eula High School, he joined the Navy in June 1981.

The family later moved to the Golan community in Fisher County, where he had lived since. He married Ruby Evelyn Tanner in 1932 in McCaulley. She died in 1936. WHAT TO DO IF YOUR LIGHTS GO OUT

We'll do our best to keep it from happening, but let's face it. Even with the miracles of modern technology, it sometimes occurs in the best of systems.

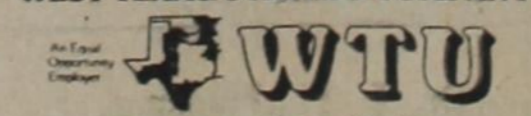

So, if your power goes off, we hope you'll help us get it back on as quickly as possible.

HERE'S WHAT YOU SHOULD DO:

1. Check your neighbors. Call them or go outside and see how widespread the outage is.
2. If your house is the only one affected, check your breaker box.
3. If the trouble is not on your side of the meter, call us — your local WTU office — and give us the following information:
 - Your name and address
 - Time of the outage
 - The area affected (as many addresses as possible)

We'll take it from there. Please don't prolong the call with questions that can't be answered. We'll be getting many other calls, depending on how widespread the outage is. And, if you're answered by a recorded message, it means that the dispatcher already has been swamped with calls and that we're working on the problem.

WEST TEXAS UTILITIES COMPANY

Remember, our goal, as always, is to provide reliable electric service at the lowest practical cost. And if an outage does occur, we aim to restore service without delay. We appreciate your help.

Brownwood Radio Hosts 'Jello Jump'

On Saturday April 24, Commerce Square Shopping Center in Brownwood will be the site of a gigantic "Jello Jump", the first one ever held in Brown County.

KXYL Radio Station will coordinate the event which will be sponsored by dozens of area businesses.

A large plexiglass container is being constructed and it will be placed on a tall platform so that everyone will be able to view the jump.

Twenty jumpers will be selected at random. They will be allowed to jump into the jello and select a numbered ball, which will make them eligible for prizes worth thousands of dollars.

KXYL will interview jumpers before and after the jump. KXYL will be broadcasting live during all the festivities.

The jello will be bright orange in honor of one of the sponsors—Sunkist Orange Drink.

Spectators will be treated to a hilarious show, free refreshments, prizes, a chance to be winners themselves, and valuable coupons from participating sponsors.

Many area towns will be sending representatives to compete for their school.

"It will be a unique promotion and we are all excited about it," said Paula Morelock, Promotions Director for KXYL Radio Station.

Anyone wanting more details is urged to call 646-3535. The Jump is scheduled for 1:30 p.m. on Saturday, April 24.

The 1982 edition of "Federal Benefits for Veterans and Dependents," a handy 73-page reference book of all veterans benefits, is available at \$4 per copy from the Superintendent of Documents, Government Printing Office, Washington, D. C. 20420.
