

“AS I SEE IT”

By Jack McCarty

Plans are rapidly nearing completion for the best picnic in the history of Cross Plains, according to reports from committee chairmen on arrangements. This will be the 67th annual affair and is sponsored this year by the Smith-Slaughter Post of the Veterans of Foreign Wars. Ralph Pancake, Post Commander stated that his organization was working everyday on the plans and were convinced that this year's picnic will be one of, if not the best, ever held here.

This department is urging all members of the local Chamber of Commerce to attend the regular meeting of the body at noon next Tuesday, in the basement of the Methodist Church. Not only will you enjoy an excellent meal prepared by ladies of the church, but you will also have a vote in the selection of officers for the new year. This will be the last meeting until the first Tuesday in September. Every town should have at least one strong and active civic body, and we are urging every businessman in Cross Plains, regardless of the size or type of your business, to join your fellow businessmen in membership in the local Chamber of Commerce. Let's make our organization one of the most progressive in this section! If we'll all join and take part in the civic work, we will have a better community in which to work, live and play. Don't forget the date—next Tuesday at noon in the basement of the Methodist Church.

We want to welcome Miss Glenda Pillans as a new member of the Review family. She is now serving as correspondent from the Atwell community and her first contribution to our news columns appears on another page of this edition. It is well written and we are sure will be enjoyed by all readers of the Review.

V. C. Walker, secretary of the local Cemetery Association, reported this week that contributions to the maintenance fund were still coming in slowly and that a little over half of the necessary finances needed had been received to date. According to this week's report, a total of \$738.50 has been subscribed with a goal of \$1,400.00 needed to carry on the work this year. If you haven't made your contribution to this worthy cause, take time out today and do so. You can give or mail your contribution to any of the following committee members: Mrs. M. E. Howell, Fred Tunnell, V. C. Walker or Will Fortune. Do your part right away!

Here's a consoling thought for our working readers: "Thank God every morning when you get up that you have something to do which MUST be done, whether you like it or not. Being forced to work, and forced to do your best, will breed in you temperance and self-control, diligence and strength of will, cheerfulness and content, and a hundred virtues which the idle never know."—Charles Kingsley.

We are still looking for a rain prophet for this area who can produce the goods in time of need. Several local weather observers have predicted rain the past week, based on the old sign of the wind. You have all heard about this old sign which says that it will rain after the wind blows out of the south for three days and nights. The wind has been blowing from (Continued on Page Six)

Church of Christ to Hold Bible School Program Friday

Leroy Cowan, minister of the Church of Christ here announced this week that closing exercises for the vacation Bible school now in progress at the church, will be held Friday evening of this week, starting at 8:00 o'clock and invites the public to attend.

Minister Cowan stated that the Bible school has an enrollment of approximately 155 students and has enjoyed an average daily attendance of 126, to make it one of the most successful ever held.

According to his report, each class will be represented in the closing program and a portion of the studies of each class will be given.

Miss Pentecost Buried At Cross Cut Sunday

Miss Frances A. Pentecost, a lifetime resident of Brown County, died at her home in Brownwood, Saturday, following a long illness. She was 71 years of age.

Funeral services were held at 4:30 Sunday afternoon in the Cross Cut Methodist Church with Rev. Pat Brown of Blooming Grove officiating. Burial was made in the Cross Cut cemetery.

Miss Pentecost was born May 13, 1881, at Cross Cut, the daughter of the late Mr. and Mrs. Richard W. Pentecost. She was the eldest of 12 children.

Surviving are two brothers: Orval Pentecost of Baron, California and Walter Pentecost, Brownwood; five sisters: Mrs. Mary Dozier and Mrs. Annie Meyer of Abilene; Mrs. Wanda Clark, Longview; Miss Rule Pentecost and Mrs. Eula Davis of Brownwood; an aunt, Mrs. Laura Lewis of Denham Springs, Louisiana; two uncles, Dr. Jim Pentecost of Winters and John Pentecost of Brooksmith and a number of nieces and nephews.

Miss Pentecost lived in the Cross Cut area most of her life, moving to Brownwood in 1941.

Mr. and Mrs. Elvis Scott and boys spent Sunday in Atwell with her sister, Mrs. Roy Tatom and family.

Benny Everett Named Veteran Service Officer

Benny R. Everett, of Putnam, became Callahan County Veterans Service Officer on June 15, when Billie Mac Jobe resigned that position to take a job with the Veterans Land Board of Texas.

Mr. Everett is the son of Mr. and Mrs. Loren Everett of Putnam. He is a veteran of World War II, and is entirely capable of rendering a worthwhile service to the veterans of this county in his new position.

Office hours will remain the same in Baird and Mr. Everett will be at the courthouse from two to five p.m. each Monday and Wednesday. The schedule has been changed at Cross Plains and the service officer will be here from two until five p.m. each Friday instead of Saturday as was the practice heretofore.

Mr. Jobe will be in charge of appraising land for veterans in a 20 county area. He plans to continue to make his home at Putnam.

A. H. Plummer, 79, Buried at Cross Cut Friday Afternoon

A. H. Plummer, 79, a retired school teacher, passed away at his home in Cross Cut Thursday, June 19. Mr. Plummer moved to Cross Cut some 20 years ago and taught in the schools there until his retirement.

Funeral services were held from the Cross Cut Methodist Church Friday afternoon at 3:00 o'clock with the Rev. Ed Anderson, of Brownwood, officiating. Burial was made in the Cross Cut cemetery.

Survivors are the wife of Cross Cut and three sisters, who reside in Cleburne. Higginbotham Bros. & Co., Cross Plains, were in charge of arrangements.

Art Exhibit Held Here Last Friday Evening Declared A Success

Art students of Mrs. Fred V. Tunnell, held their annual exhibit at the American Legion Hall here Friday evening of the past week and according to reports from the large number of visitors present, it was declared to be one of the best ever held here.

Students of Mrs. Tunnell's classes from Baird, Putnam, Rising Star, Coleman, Brownwood and here, displayed a total of 63 oil paintings. Pictures were not judged by critics but a popular vote of those present was taken with Mrs. Lewis Williams of Putnam winning first place on her picture, "Irish Eyes" and second place on, "Soles Rest." Mrs. Volleie Jo Williams of Brownwood won third place with her picture, "Shades of Orchid."

Out-of-town guests attending were: Mmes. B. L. Russell, Jr., C. E. Sutphen and Margie Ray, Baird; Mrs. Mary Smith, Fort Smith, Arkansas; Betty Mobley, Bess Herring, Mabel Carrico, Frances Waddell, Eva Clinton, L. A. The group left early Monday morning and will return home Saturday.

Those attending the assembly are: Anita Newton, Frances Spencer, Joyce Neeb, Marcell Rich, Rosemary Spencer, Billie Ann Kilgore, Joe Coppinger, James Henry Brown and Weldon Newton. Mr. and Mrs. Clyde Bunnell and Mrs. W. F. Kilgore took the group to Georgetown.

Safety Association Urges Motorists To Have Cars Inspected

The age of wonder drugs—penicillin, the sulphas, streptomycin—has overshadowed the oldest and still one of the best remedies for mankind's ills—rest.

The Texas Safety Association would like to see restful vacations this summer, instead of the usual competitions to see who can drive the farthest and fastest and play most dangerously.

"A restful vacation is more likely to be a safe vacation," said W. Carlos Morris, Jr., a Houston Attorney and President of the Association. "And the statistics of summer accidents certainly should be a motor vehicle accident is the most likely mishap to spoil vacation rest and fun, but many of them could be avoided with a little advance planning, Mr. Morris said. He emphasized the importance of a thorough safety inspection of the car before starting a motor trip.

"Texans now have the opportunity to take advantage of their new motor vehicle inspection system which offers a uniform safety check at convenient locations throughout the state," he said. "What better time to get that inspection than just before the summer holidays? At the same time, you are freeing your mind of worries over the mechanical performance of the car and taking out an insurance policy on the safety of your family and yourself."

The inspection stations will pay particular attention to the following check points: Brakes—must stop car in 30 feet from 20 mph and take hold evenly on all wheels. Lights—headlights at level to give maximum illumination with minimum glare. All lights clean and operating. Tires—rubber should be evenly worn. No cuts or breaks in fabric. Steering and wheel alignment—uneven tire wear and excessive play in steering wheel are warnings for mechanical correction. Exhaust and muffler—tight and free from rust holes or leaks. Windshield wipers—good operation is necessary to visibility. Horn—audible 200 feet without undue loudness. Glass and mirrors—clean and unobstructed for maximum visibility.

Westminster Fellowship Having Pie Sale Saturday

The Westminster Fellowship of the Presbyterian Church will hold a pie sale in the Howell Floral and gift shop next Saturday, June 28, at 9:30 a.m.

Proceeds from the sale will help the young people pay expenses of attending the Westminster Fellowship Camp at Buffalo Gap. The group wishes to thank all who patronized the cake sale held last Saturday.

LINDLEY BECKWORTH, SENATE CANDIDATE, TO BE HERE WEDNESDAY

T. J. O'Dell, Longtime Resident of Callahan, Dies At Moran Sunday

T. J. O'Dell, 67, longtime resident of Callahan County and now of Moran, died suddenly of a heart attack at 3:00 a.m. Sunday while on a fishing trip with friends in the Moran area.

Newell O'Dell was notified of his father's death while attending a reunion of Mrs. O'Dell's family at Camp Bowie.

Funeral services were held in the Moran Baptist Church Tuesday and burial was in the Moran cemetery.

Mr. O'Dell, a farmer, was a native of Wright County, Missouri. Survivors are the wife; a daughter, Cleatus, of California; three sons, Clarence of Moran, Asa of Baird and Newell, who is moving this week from Cross Plains to Childress where he has been elected superintendent of schools.

Village Inn, Red & White Undergoing Redecorating

The Village Inn and the Red & White Food Store, located on South Main Street here, are, this week, undergoing a redecorating program, according to M. E. (Happy) Howell, and when completed will present a clean and cheerful atmosphere for patrons of the two businesses.

Work on the buildings is expected to be completed next week, it was said.

PURDY TRANSFERRED TO CISCO BY WTU CO.

Mr. and Mrs. Don Purdy and family moved to Cisco the past week where he has been transferred as appliance salesman for the West Texas Utilities Company.

Don stated that he would see his friends and customers here at regular intervals as Cross Plains will still be in his sales territory.

Mr. and Mrs. I. N. Riley, recently of Brownwood, who purchased the Piggly Wiggly Grocery here, will move into the Purdy home next week, and stated that they were happy to be located in this fine city.

THE BAYOU PHILOSOPHER PLEASED TO NOTICE ALL CANDIDATES HAVE NOW COME OUT AGAINST HIGH TAXES

Editor's note: The Bayou Philosopher on his Johnson grass farm on the Bayou has been listening to the candidates, his letter this week reveals.

Dear editor:

For a while, the various campaigns for the Presidential nomination had me worried. There wasn't anybody running on a platform of reducing taxes, and it just ain't natural, it's like gettin' married without promise to support your wife, but startin' last week I notice most of em are fallin' in line and you can now take your pick of havin' taxes reduced by any where from 15 per cent to 50 per cent. So far ain't none come out in favor of wipin' em out altogether, but I'm willin' to listen.

As long as I can remember, candidates have been running on platforms of reducing taxes, and as long as I can remember taxes have been going up, and while I had rather see a man run on a platform of less taxes than more, if nothin' else it just sounds better, still I would like to see some of em accomplish their ends occasionally and I have figured out a way.

When a candidate stands up and says "I will reduce your taxes 15 per cent the first year I'm in office," we ought to believe him and sort of take him at his word, and at the end of that year, if he rides into office, what we ought to do is take off 15 per cent of the previous year's tax total and send him a bill for it.

This would have one of two results: either it would reduce taxes 15 per cent, or it would reduce promise.

Of course you understand when I say I'm in favor of reducing taxes, it goes without sayin' the reduction should come through cuttin' out waste and extravagance in Washington or Austin or at the courthouse, and not through cuttin' down on any road improvements or other government service slated for this area out here. We ain't quite gettin' our share like it is. Anybody can reduce taxes by lettin' things slide, what I want is reduced taxes and increased services both in the same year.

As I see it, everybody running for anything this year is opposed to graft and corruption and high taxes, so all we got to do is get the election held and everything will be straightened out, no matter who gets in where.

Yours faithfully,
J. A.

The big, two-day affair will start Friday morning, July 4th, with a big parade down Main Street, beginning promptly at 10:00 a.m., under the direction of chairman C. H. Dawson. The parade will be led by the Cross Plains High School Buffalo Band under the direction of the drum major, Miss Jackie Paulk. A large number of horses and riders have already indicated that they will be here and most of the local business firms of the city have promised to have decorated cars and floats. All kids of the area are urged to decorate and enter the parade on their bicycles. Prizes will be given for the best bicycle, best decorated car, best float and best horse and rider, it was said.

Midway attractions will include plenty of entertainment for all and George Sadler and his string band will play during the afternoon of the Fourth and for the dance to be staged at the VFW hall at Pioneer Saturday night. The Polka Dot Boys from Cottonwood will entertain picnic visitors during the day, Saturday, July 5th, with some excellent string band music. The regular Friday night dance at the VFW hall will be held with the Butane Boys of Abilene, furnishing the music.

Dr. Calvin Gambill stated that a number of other entertainment features were being arranged for, including an amateur show, political speaking, and other musical programs, and visitors are assured an excellent variety of entertainment all during the two big days. Concession stands of all kinds will be in operation all day both days according to chairman Noah S. Johnson, who stated that he still had openings for church or civic groups to operate concessions.

Commander Pancake urges all members of the post to be present at the City Park, Wednesday, July 2, to help clean the grounds and get things ready for the big picnic.

Resolution Passed by Texas Press Association

WHEREAS, the cost of Texas state government has increased 255% since 1940 to the astounding total of \$582,821,034 for the fiscal year of 1952, according to an estimate by the Texas Economy Commission; and—

WHEREAS, local and federal taxes also have increased to swell the total tax burden to an alarming more than 30% of total income; and

WHEREAS, we of the Texas Press Association well know that excessive taxation will destroy the incentive for profit and a stable economy, and—

WHEREAS, the members of this Association believe that the places to start practicing sanity in government are in our home communities and our home state; now therefore be it—

RESOLVED: That the Texas Press Association in annual convention assembled this 14th day of June, 1952 demands of candidates for public office this year that they pledge themselves to call a halt to tax increases;

RESOLVED: That since the cost of Texas state government has more than doubled the 120% increase for non-military federal government the successful candidates for state representative and state senator must be men and women who will not only assure economy in government through elimination of waste and duplication of services but will work for a reduction in taxes; and be it further—

RESOLVED: That a copy of this resolution be printed in our respective papers and sent to every candidate for public office in our respective territories.

State Health Department Plans Long Range Battle On Rampaging Polio

WSCS To Render Special Program

The W. S. C. S. of the Methodist church will render a special program at the church on Monday afternoon, June 30, at 3:00 p.m.

The subject of the lesson will be "The Ecumenical Church in Periods of Acute Nationalism," led by Mrs. Tom Lane.

A special invitation is extended to all ladies of the church and other ladies of the community to attend the service.

Mr. and Mrs. Lindsey Tyson visited Thursday evening in Brownwood at the home of her brother and sister-in-law, Mr. and Mrs. Henry L. Evans, Jr., who were hosts for a birthday dinner honoring Mrs. Tyson. Also attending were Mrs. Tyson's parents, Mr. and Mrs. H. L. Evans, and her grandmother, Mrs. J. L. King, all of Brownwood.

A long-range battle plan against rampaging polio was outlined last Wednesday by the State Department of Health.

State Health Officer George W. Cox recommended these eight points of action in combatting the disease which this year is striking harder at Texas than at any other part of the nation:

1. Spot spray insect breeding places after they have been cleaned up and destroyed. Spraying indiscriminately might kill a few insects on the wing, but it won't do the job. It might kill valuable plants and create a false sense of security.

2. Get rid of animal shelters in urban areas. They cannot be kept clean and consequently create a health hazard as fly breeders.

3. Get rid of dump piles, tin cans, old tires, and accumulated debris which breed flies and mosquitoes and provide harborage for rats.

4. Provide a properly operated sewerage system, and get rid of all surface toilets. Dr. Cox believes surface toilets constitute one of the major health hazards facing Texans.

5. Provide a source of pure water.

6. Protect food supplies in wholesale business houses, retail shops, and in private homes.

7. Make regular inspections of all premises to see that no possibility exists for fly breeding. If you have flies, somebody is maintaining a breeding spot.

8. Garbage should be placed in fly tight garbage cans until time of disposal. Tubs, boxes, lidless garbage cans, etc., are of no value.

He urged each home owner to assume responsibility for keeping his property clean inside and out. This will help protect you and your neighbor. More people have been struck down by polio this year than ever before.

He said it takes months and months to clean up a city, and that it "takes forever to keep it that way." The programs must be continuous. "It will take from one to five years to really clean up our larger cities," Cox said.

"This is the same program we have followed and published for the past 10 years. People have got to get over the notion that spraying alone will keep their city fly-free," Dr. Cox declared. "The only way to kill flies is to do it methodically, block by block, by eliminating their breeding places."

"They carry many diseases—diarrhea, typhoid fever, cholera, trachoma, just to mention a few. I firmly believe that if this eight-point program is invoked, we'll see a lessening of polio incidence in the future."

Visiting in the A. C. Halsell home Sunday were Mrs. Claude Hill of Grandview, Mr. and Mrs. Onis A. Taylor and Allen of Denton, Mr. and Mrs. Don Sparks of Fort Worth and Lt. Charles A. Rodenberger of Lubbock.

Pioneer-Gunn Home Demonstration Club Hold Regular Meeting

The Pioneer-Gunn H. D. Club met in regular session at the club home, Wednesday, June 18.

Plans were discussed and made for serving lunch at the old Pioneer school students reunion August 21.

WHEN YOU TRY POWER STEERING... HERE'S WHERE TO COME FIRST!

You've heard about it and read about it. Now, if you haven't felt what Power Steering does for you, we invite you to try it first in a Chrysler New Yorker... where you will find full-time (not partial) Power Steering!

What happens is this...

You handle the steering wheel in normal fashion. But 4/5 of all the work is done for you by hydraulic power, constantly at your command. Also, you turn the wheel 1/3 less distance now for every maneuver... the feeling you get of utter control is as wonderful as it is new.

Even at a standstill you can turn the wheel easily. Now, parking is shorn of its troubles (and fatigue!)... and you can negotiate traffic, awkward drives, and garage doors precisely and with ease.

You can double the longest day's drive you've

ever known... end up free from arm and shoulder strain. Rough roads, soft shoulders, snow, mud?... the power that helps you steer now prevents the car's wheels from "steering back" at you. The course you set is held, at any speed, till you want it changed. Yet, with this 5-times greater control, "wheel feel" is always the same.

Why not come try it? Learn for yourself why growing thousands of motorists say they'll never be without Full-time Power Steering from now on. Drive a Chrysler... and Learn the Difference!

New Pasture Bulletin Released By Texas Agriculture Extension Service

Every acre of cultivated land in Texas ought to be in grasses and legumes three to five of each 10 to 20 years; to hold the soil, to keep active organic matter available to produce profitable crops or otherwise to make it pay. That is a thought for the future and is only one of many listed in a new bulletin just released by the Texas Agricultural Extension Service—B-197, Building Pastures.

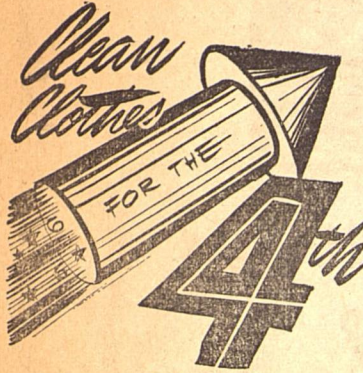

The author, A. W. Crain, formerly associate pasture specialist for the Extension Service, outlines the steps that should be followed in building pastures. Principles discussed in the bulletin apply to the building job on old cultivated land which is now in broomsedge, needle grass or other low quality forage; former low-producing bermuda,

carpet or other pasture grassland that is presently infested with needle grass or broomsedge; land presently in cultivation; timberland or woodland pasture cleared of timber by machinery or poorly drained, brush or "rangeland"—land referred to in this category is "native" land in the Gulf Coast Prairie area.

Copies of the bulletins are available at county Extension offices or county agents. Just ask for the new bulletin on building pastures. At the same time why not start making plans for improving the pastures you already have on the farm. Your county agent can furnish valuable information that can make your job easier for chances are good he can show you demonstrations where the building job is now well underway.

LONE STAR

The Texas Department of Agriculture

By John C. White, Commissioner

THE TEXAS CONSUMER

Many thousands of dollars are lost by the Texas consumer each year because of faulty scales and measuring devices. The farmer doesn't get his full 100 pounds of feed, the housewife's pound of meat is an ounce or two short and the motorist fails to receive a full gallon of gasoline.

But the consumer isn't the only one who loses out on transactions based on inaccurate units. The merchant stands an equal chance of loss from devices which have accidentally slipped out of adjustment.

The Weights and Measures Division of the Texas Department of Agriculture is now engaged in the annual blanket check of all commercial scales and measuring units of the state. Ten inspectors are making a circuit tour of Texas in an intensive effort to assure the customer and the dealer of a fair share in all transactions. The job is expected to be completed by midsummer—and the results, thus far, are encouraging.

Last year, an average of one out of every five scales was found to be in poor working order or out of adjustment. And an average of one out of every four and one-half gasoline pumps was giving an inaccurate measure of fuel. Preliminary reports from inspection this year reveal that the ratio of improvement may be as high as 93 percent. This is due, in part, by the constant inspection program maintained by the department, in addition to cooperation between city and state weights and measures divisions.

A relatively small percentage of cases are found to be deliberate fraud and these are vigorously prosecuted. Most violations are the result of careless scale and equipment maintenance. Essentially, the inspection program is not a police action to ferret out criminals, but a service of government for the protection of all persons.

The really alarming ration of dollars lost is in the purchase of commodities weighed and packaged in stores such as lunch meat, fresh meat, cheeses and fryers. About every other package checked by inspectors is incorrect as to weight. Approximately 35 percent of these are overweight and the remainder underweight.

But these figures do not necessarily reflect on the honesty of the merchant. The commodities can be properly marked and then placed

markets.

The most practical solution is for the purchaser to request the packaged goods be rechecked at the cashier's stand where he can pay for the current weight.

It is partly up to the consumer to see that he gets a full weight and measure of goods. Any person who suspects faulty transactions should report them to the Texas Department of Agriculture in Austin. A check will be made at once.

T/Sgt. and Mrs. J. D. Conlee, Jr. and family of San Antonio spent the week end here with his mother, Mrs. Mina Conlee. He returned to his base Sunday, leaving his family here for a longer visit.

Mr. and Mrs. Jack Mayes and daughter of Richmond, California visited the Homer Moon family one day last week.

SWEET SUDAN GRASS IS GOOD TEMPORARY PASTURE AND HAY CROP

Sweet sudan grass is becoming more popular as a temporary pasture mainly because it is more readily eaten by cattle than the common variety. "Five acres of sweet sudan," a cattle man reports, "produced three-fourths ton of hay and 121 pounds of beef per acre. This hay, produced in excess of grazing needs, provided a good reserve of feed."

Another livestock man reporting on a five-acre pasture of sweet sudan not cut for hay said, "Sudan grass provided grazing for six steers last year from May 28 to August 20, and again from October 1, to October 29, producing 269 pounds of beef to the acre."

Fact No. 1

Model for model—costs less
Stack up a Chevrolet truck against any other truck with comparable specifications, capable of handling the same payloads. You'll find the Chevrolet truck lists for less and brings you great features.

Fact No. 2

Mile after mile at rock bottom cost
Truck users everywhere have proved that Chevrolet costs the least of all to own and maintain. Valve-in-Head economy, in the Loadmaster or Thriftmaster engines, saves on gas.

Fact No. 3

Right truck for the job saves money
Chevrolet trucks are factory-matched to your payload requirements. You don't waste money by buying "too much truck"—you don't risk work interruption by buying "too little truck."

Fact No. 4

Lower, slower depreciation
Records show that Chevrolet trucks traditionally bring more at resale than any other make which costs about the same new. The market value of Chevrolet trucks stays up because the value stays in.

We take this method of thanking our many friends for their kind deeds and expressions of sympathy over our loss of our loved one, Mr. T. J. O'Dell, who passed away so suddenly. May you have the same type of true friends in your hour of sadness and need, is our prayer.

Electric Cooking Keeps Her Kitchen Cool and Clean!

Electric Cooking is Fast, Safe, Thrifty . . . It's Matchless!

"Someday you'll Cook Electrically." Why not now?

When summer temperatures soar—electric cooking can help keep your kitchen a cool, clean, pleasant place to work. Controlled electric heat goes directly into the food, not into the room—the oven, insulated on all six sides, cooks the food and not the cook. And there's no soot, smoke or fumes to smudge walls, pots and pans because only an electric range cooks with clean "sealed" heat that leaves no residue of any kind in your kitchen.

the south now since Thursday of the past week and has failed to produce even a decent sign of clouds which proves that all signs fall in dry weather. This department is in complete agreement with George Neel, general manager of Higginbotham Bros. & Co., here, who states that what we need is the old Indian rain sign which says, "Cloudy all around and pouring down in the middle."

Mrs. Jess Moore, who was in the Rising Star Hospital several days last week, is at home now and much improved.

Mr. and Mrs. Ben Porter and family were among those from Cross Plains attending the homecoming at Burkett Sunday.

Mrs. Alfred Franke and George Hanke enjoyed a visit on Wednesday of last week with two of their cousins, Big Joe Hanke and his sister, Josie, whom they had not seen in 41 years. The cousins are living in Canada, but were on their way to Carlsbad, New Mexico for a visit. They complained considerably about the heat in Texas.

Old-Fashioned Political Rally Will Launch Jack Cox's Campaign For Congress

BRECKENRIDGE, June 24.—The campaign to elect Jack Cox to Congress will be launched with an old-fashioned political rally with free pink lemonade for everybody on Tuesday, July 1. The rally will take place in the courthouse square in Breckenridge and time of the rally has been set for 8:00-9:00 p.m.

"This will be a regular old-fashioned political rally with all the ice cold lemonade you can drink free and a band and a barbershop quartette too," said George Jordan, head of the Cox-For-Congress Rally Committee. "We feel that it is time to get back to the place where the people know and choose their men to run the government. Back in the days when the good old political rallies were held, the people got a chance to do just that, to know their candidates and meet them personally. That is why we want everyone to consider themselves invited to this old-fashioned rally for Jack Cox."

Plenty of chairs will be placed on the courthouse lawn and available parking space is adjacent to

the courthouse. The free lemonade will be served throughout the whole rally.

Cox is a member of the Texas State Legislature and has been elected for three terms without an opponent. He is currently a candidate for Congress from the 17th Congressional District.

Mr. and Mrs. V. C. Walker and Mr. and Mrs. Mack Childers visited with relatives in Fort Worth Sunday.

Mr. and Mrs. Exal McMillan were in Fort Worth Sunday for a visit with her mother, Mrs. J. A. Hart, and other relatives.

The uniformed police system was inaugurated in America in 1850 in New York City.
