### Who'll Volunteer?

By VANDA KING  
Editor

National and Texas Nursing Home Week will begin May 10, so an update on Colonial Oaks Nursing Home, owned by Mrs. Raymond Lee, seemed timely.

Upon visiting with Frances Wolf, local administrator, I became very aware of the services provided and the personal needs of their forty occupants.

The residents of the home represent a wide array of occupations including a teacher, a constable, farmers, oil field workers, a welder and inventor, ranchers, stenographer, a bookkeeper, a store clerk, homemakers, and a professional seamstress.

Although backgrounds differ, they have common bonds which the staff of Colonial Oaks strive to provide including maintenance, good health, happiness, and retention of their dignity. Frances replied, "Meeting these goals are the main objective of our work, plus trying to obtain a home-type environment for each individual."

A schedule of a week's activities at Colonial Oaks includes Bingo games twice a week, which are the all time favorite entertainment.

One day a week they have what they refer to as "work day" when they fold the linens. This was reported as one of the most fulfilling days, because it made them feel useful. Peggy Hilburn, LVN, said, "They make sure everything is in order so that they can participate and do their part."

Art classes are available one day a week and Linda Edington, activity director, supervises the lessons, and co-ordinates all the special activities.

Wednesday morning volunteers from at least five churches bring musical programs which the residents thoroughly enjoy. Dorothy Reynolds and Ruby McCowen provide musical entertainment one day a week. Nelda Holmes and Nita Fortenberry also provide music.

Nelda Holmes and Betty Beggs read to the ladies one day a week. Domino games are enjoyed by the men, while some love to play other types of games.

Joy McKenzie, a physical therapist aid, comes to the home three days a week to do exercises with some of the patients who have suffered from strokes or those with severe arthritis.

The newest volunteer is Ozella Huddleston of the Pioneer community. She has been cutting and rolling hair for some of the women.

Every month Colonial Oaks has a big birthday party to celebrate everyone's birthday for that month. The Cottonwood Baptist Church provides the cake and punch is served. A string band is always on hand for entertainment. Frances remarked, "They all love the down home country music."

Volunteers are still desperately needed. Many of the wheel chair bound residents and others would like to be outside, but they need someone to push them or need an escort.

Many residents are unable to feed themselves and volunteers are needed in this area.

If you would like to donate some of your time to a great cause, please contact the Colonial Oaks Nursing Home, and offer your services. Just a visit will be heartwarming. Your reward may be a smile or a gentle pat, but hopefully there will be someone with compassion when you reach this stage of life's journey.

# CPISD Going After Delinquent Taxes

If you have delinquent school taxes unpaid from the Cross Plains ISD, the school board there is fed up with the unpaid taxes and is now doing something about it.

Cross Plains ISD school board members recently acquired the services of Calame, Linebarger & Graham, a law office in Austin, to collect the school district's delinquent taxes.

Board members, along with Callahan County commissioners, recently hired the firm to collect delinquent taxes after having trouble getting delinquent taxes with the previous delinquent tax collection attorney.

Cross Plains ISD superintendent M. Lee Thompson said recently that board members did not renew the contract with the previous collection attorney because "we could not get him to go beyond the letter writing phase" of the collection process. Thompson said the school district could never get the law firm to the county courthouse to proceed with the intent to sue.

The Cross Plains superintendent said that after checking up on the Austin law firm, he has no reservations about giving them a try. "Perhaps we were a little too eager before," in hiring a collection attorney Thompson noted.

The Austin law firm, which specializes in the collection of delinquent taxes, will charge the school district 15 percent of the amount of delinquent taxes it collects. The Cross

Plains superintendent said that as soon as the school taxes become delinquent a 15 percent penalty is added so the school district will still get its full amount of taxes.

Thompson also said that another reason board members hired the Austin firm is that it also collects delinquent taxes in Brown and Coleman counties.

Callahan County tax assessor/collector Wauneta Estes said that the Cross Plains school district has \$170,000 in delinquent taxes in the four counties that comprise the school district; Callahan, Brown, Eastland, and Coleman. Thompson said that there are also some inactive accounts and there is a legal process that must be performed to get those accounts off the books.

Thompson said that the Austin law office will begin immediately proceedings to collect 1984 and 1985 delinquent taxes owed the school district. Delinquent taxpayers will be receiving a letter of intent to sue and will be given 60 days to settle the account. If the taxes are unpaid the school district can claim the property and auction it off.

"The school board is ready to go to court," to collect the unpaid taxes Thompson said, "but realistically we'll work something out including working out a payment schedule."

Thompson said not everyone in the Cross Plains school district is out of a job and unable to pay their taxes.

"We're talking about some still in business here and others that still have jobs. It's not fair for your neighbor to pay and not you," said Thompson. Thompson added that people in Cross Plains are aware of the problem of delinquent taxes and realize everyone ought to be sharing in the paying of taxes.

The school superintendent said that the problem of delinquent taxes is not just isolated to Cross Plains, that communities like Cross Plains with oil related businesses all seem to be having trouble collecting taxes.

He said that financially the Cross Plains school district is not having problems. "We're a conservative school district with a conservative board and we live within our budget," Thompson said. He also noted that previous Cross Plains school boards had allocated funds for school improvements that could be used in case of emergencies. He did add, however, that these funds were to be used to possibly add a couple of classrooms to meet 22-1 student to teacher ratio per classroom required by the state. "The only other way to bring in revenue is to raise taxes or call a bond issue and I don't anticipate a bond issue would pass now," Thompson mentioned.

Supt. Thompson said that although the school district was financially sound, that this year was the first in six years that uncollected delinquent taxes were included in the school budget expenses.

## Fire Dept. Fish Fry Saturday

The Cross Plains Volunteer Fire Department and Ladies Auxiliary will be having a Fish Fry (catfish fillets) on Saturday, May 9, from 4:00 p.m. until 8:00 p.m. at the Cross Plains Fire Station.

Adult plates are \$4 and children 12 and under \$2. Deliveries will be made to shut-ins by calling 725-6114. Carry outs will also be available.

Charlie Jordan, weatherman from K-TAB, will be a special guest. Charlie will be present from 4:00 p.m. until 6:00 p.m.

The proceeds of the Fish Fry will be applied to the cost of the rescue unit, which transports the Jaws of Life.

Other equipment on the rescue unit include forceable entry tools, such as axes, bolt cutters, and hand tools; breathing equipment such as air packs; fire extinguishers; extra air bottles for air packs; tank battery foam for oil and gas fires; foam eductors; life jackets and floaters for water accidents; ropes and chains; and medical supplies including oxygen and trauma kits. Stretchers and back boards are yet to be provided.

Volunteer firemen are currently attending EMS training to become Emergency Care Attendants. Their final test will be June 16, then they will be certified with the Department of Health.

Mike McClure, Jr., Tim Bishop, Jimmy McNutt, Bill Reed, Rex Beggs, Les Cowan, Eddie Wyatt, Alvin Hutchins, and Balinda Wyatt have been volunteering their time to work on the

restoration of the 1977 1 ton utility truck for a rescue unit. The truck has been rejuvenated and a paint job completed by Mike McClure, Jr. All special lights have been installed including a code 3 light bar and a Whelen, 4 stage siren. The volunteer labor saved considerably on the cost of the vehicle. The Ladies Auxiliary provided refreshments and donated \$100 for the unit.

A special thanks is extended to Skeet Walker Truck and Tractor Sales, Johnston Truck and Supply Inc., Higginbotham Bros. Department Store, and Snap-On Tool dealer, Mickey Scott, of Comanche for their co-operation and contributions to the rescue unit. The Fire Department greatly appreciates the donation of medical supplies for the trauma kits by the local Emergency Medical Service.

The Volunteers appreciate everyone who assisted in any way, and hope that the final goal will soon be reached in financing this major project.

## Cemetery Completed

Jimmie Lee Payne, President of the Cross Plains Cemetery Association, reports that all work has been completed on the new cemetery. The plots have been numbered and are ready for anyone interested in wanting to buy one.

## PIONEER NEWS

By ESTHLOY S. DICKSON

As I write, hurriedly, this first Monday morning, my mind is "scattered-every which way".

The AARP monthly meeting is scheduled for 11 a.m. and I must "Get it all together!"

Our Spring Revival began at First Baptist Church yesterday — services are scheduled for each day at noon and at 7 p.m. We had good attendance Sunday morning.

Last Tuesday morning, L.W. and Jeanette Mitchell visited with Betty and J.T. Beggs. That afternoon, Betty attended a Micro-Wave Cooking School in Rising Star. She accompanied Edith Beggs and Mrs. Joe (Wesley) Ingram of Cross Plains.

L.W. and Jeanette Mitchell visited his brother, Evan, in Eastland one day last week.

On Tuesday of last week, Sally and Bobby Roady visited Joe and Beverly Roady in Brownwood. On Thursday, the Roadys and Billie Freeman took Ms. Nettie to Coleman to see her doctor. She got a good report.

On Saturday, the Roadys were in Cross Plains for supper with Billie and H.A. Freeman. Bob and Sue McNeil and his brother, Joe, of Kansas were there, also N.A. and Gittie Roady, of Anson, and Ms. Nettie.

On Sunday, Bobby and Sally and Ms. Nettie were in Abilene to visit Art and Bertie Roady.

Ms. Ethel Brown's visitors last week were Ms. Lois Garrett, the Cole Tillotsons, and Mrs. A.B. Rowan. Mrs. Brown was in Cross Plains on Monday morning visiting Ms. Cora Howland and her niece, Mrs. Richard Martin, from Paris, Texas.

Mr. Rob Robinson and Chris of Midland spent last weekend with Joe and Nell Fleming. One day last week, Nell and Dorothy Zedlitz went to the State 4-H Center at Brownwood. That is a lovely, interesting place, Nell said, and they thoroughly enjoyed their time there.

Jim and Charlene Fleming visited one day with Mr. Speck Connors who is in the Humana Hospital. We hope to have a report on his condition later.

On Friday of last week, Ms. Lois Garrett and Mrs. A.B. Rowan visited with Jean Fore. One day, Jean, Lou Wilson, Ozella Huddleston and Dorothy Mitchell attended an Art Show in Rising Star. Last Saturday afternoon, a nephew, Gary Standard, his father and two sons of Artesia, N.M. visited with Jean.

I'm pleased that my friends, the Walker boys, mowed my lawns one day last week - before the rainy weather set in. It surely looks good.

My neighbor, Bobby Roady, will re-paint my house soon — that should improve my disposition.

I have a load of wood, here in my yard, suitable for a wood-burning fireplace, stove or barbecue pit - it's yours for the asking - come and get it.

I clipped this from the paper - I don't know who said it — "We don't get to choose how we're going to die — or when. We can only decide how we're going to live." Very true, eh?

"LEARN ABOUT..." DEMONSTRATION — Local pre-schoolers participate in the closing program at the Cross

Plains Public Library, while parents look on.

## "Learn About ..." Closing Program

By BILLIE LOVING

One hundred and ten people attended the closing session of the "Learn About..." Program last Thursday evening at the Cross Plains Public Library. Thirty-two pre-school children demonstrated to family and friends some of the things they had "learned about."

Arlene Stevenson pinned on name-tags as the children entered. Connie Swift put them through their paces of recognizing colors and shapes, naming days of the week and months of the year, and counting, as well as other cognitive and physical activities.

Betty Greenwood told a version of the "Tar Baby" story which encourages the children to participate. Lynette Gomillion was in charge of refreshments, with Barbara Barnett, Cindy Payne, and Annette Nickerson helping.

During the evening, films taken during several sessions were shown, thanks to Arlene Stevenson.

Following the class demonstration, the children received certificates. The ones who will attend Kindergarten in the fall received a Certificate of Merit for "Completion of the 'Learn About...' Program."

The younger group received Certificates of Participation.

All who worked weekly with the program give special thanks for the help of others; those who copied materials,

furnished cookies, and donated other materials to make the program a success. Especially, thanks to the parents for giving your children the gift of the library habit.

Parents are asked to pre-register their children who will enter Kindergarten next fall. All children who will be 5 on or before September 1, 1987, may attend Kindergarten. Kindergarten is a basic part of the Cross Plains School System and the service is available to all students.

Parents are asked to call 725-6123 or come by the elementary principal's office to pre-register their child this week, May 4-8. A screening schedule will be arranged for May 12 for each child. The screening will take about 60 minutes. Each student's hearing, vision, speech, motor skills, language ability, and developmental growth will be evaluated at this time. Parents will be given a report on their children's progress at the time of the screening.

Parents are reminded that to enter school in Texas the student must have a state approved birth certificate and a current immunization record. Immunization requirements include: 3 in a series of DTP and/or a booster after age 4, oral polio series, measles, mumps, and Rubella. Please bring the birth certificate and immunization record at the time of registering, asks Principal Ray Womack.

Early childhood screening will be conducted at the same time as regular Kindergarten screening. The Early Childhood program is to help those children age 3-6 who show to be developmentally delayed or handicapped in any way. If you have, or know of a child who might benefit from this service, please contact the Elementary School office during Kindergarten registration.

## Treasures Of Truth

Unlike the churches devised by human beings, the church which Jesus built and bought with His Blood, has no earthly headquarters. The King of Kings, and Lord of Lords (Rev. 19:16), on His throne at the right hand of the Father, is it's one and only Head (Eph. 1:17-23).

He is its chief Shepherd (Jno. 10:1 ff; 1 Pet. 5:4); only High Priest (Heb. 6:19,20; 7:28-8:2) and only mediator (1 Tim. 2:5).

He will reign on His Heavenly Throne over His kingdom, His church, until God the Father puts all things under His feet and brings the end (1 Cor. 15:24-28). He will never put His feet upon the earth; upon which we live again (Acts 1:10, 11; 1 Thes. 4:13-5:3; Heb. 9:27, 28).

All claims that Jesus will someday return and reign upon an earthly throne a thousand years, are human devised and false. His reign upon His one and only throne at the Father's right hand in heaven, is unchanged from the beginning even unto the end (Acts 2:32-35; Eph. 1:17-23; 1 Cor. 15:24-28).

Look again, only a special group, who suffered mightily for Christ and His cause, are honored to join in His reign for a thousand years before the end (Rev. 20:4-6). Twisting, wresting, and taking scripture out of context to misapply it, will not change the Holy Will of God.

I love you,

## Slave Auction Very Successful

By SHEILA PAYNE-C.A.

On Wednesday and Thursday, the 29th and 30th of April, an organization at CPISD brought back an old tradition, but this time in fun. Some of the ex-students will remember what this is, but for those of you who don't, let me explain.

During activity schedule on Wednesday, the National Honor Society sponsored a "Slave Auction" as a fund raiser for their organization. The NHS members themselves and many of the teachers were auctioned off to the highest bidder...or bidders in some cases.

**DRESSED FOR SLAVE DAY** — Principal, Leonard Wood, (the one who sees ostriches) in his "Slave" outfit and "Drug Dog."

## 'Entertainment Tonight'

By DARLENE HINESLY

The eighth grade students will be sponsoring a fund raising activity for their class Thursday, May 7. Their sponsor for the activity is Coach McConal.

These energetic students will be putting on a series of skits, the theme of which is Entertainment Tonight. The program will begin at 7:00 p.m. in the school auditorium.

Admission for the program will be \$2 for adults, and \$1 for students. (Preschool students are free.) They invite all of you to come see their skits and help their class.

## 'Also Going on This Week at School...'

1. On May 7, the band will be holding their twirler and flag tryouts at the school. Watch for the results next week.
2. Band Banquet/Hamburger Supper will be on May 8 beginning at 6:00 p.m.
3. High School Band Concert Tuesday, May 12 (see related article).
4. Eighth grade orientation for next year. (see related article, "Orientation.")

## The Results Are Back

By ROBBIE WHEELER

The CAT test results are back...this test was given in March to grades K through 8 and grade 10. The results were sent to McGraw-Hill in California for scoring.

According to Bobbie Trammell, the counselor at Cross Plains, "The test scores are compared with the same grade level and as an overall school score statewide and nationally." The statewide results are not yet available, but C.P.I.S.D. scored favorably at the National level having an overall average above the national percentile.

Within the school, the results have several uses:

1. They provide a year to year comparison of an individual student's progress.
2. Scores of each student are also compared to other students at the same level on a national level.
3. It provides a measurement of a student's basic skills.
4. The results also serve special programs such as Chapter I and Special Education. It provides the school with an assessment towards helping teachers correlate essential elements.
5. Results are also used in writing the district annual performance reports.

Teachers, individual students, and parents also are encouraged to examine the results of these tests and ask questions about the interpretation of the scores.

Each student that was tested was given the computer printout of the results which they could keep and examine. The teachers and counselor will be glad to answer any questions that parents may have concerning the test results.

For one day, the student or teacher "belonged" to their buyer and they had to do what their "owner" wanted them to do. There were, of course, certain guidelines such as not interfering with classes, or having someone do something degrading, etc.

Auctioneer for the event (and he did a fine job) was Coach Mac McConal. According to the treasurer of the NHS, there was a total of \$261 raised by the auction.

Just for fun, here's the list of "slaves" that were sold, and their respective "owners."

The Slave Day itself was on Thursday. The entire day was a lot of fun, and a nice break to the usual routine.

Most of all the "slaves" were told by their "owners" to dress a certain way, or special clothes were brought for them to wear. One of the more interesting dress up jobs was done by the Senior girls with their "slave" Mitchell Atchley. He was dressed in a hot pink Mumu with rollers in his hair and dark makeup on his face and carrying a sign that said "I support ERA."

Principal Leonard Wood was another interesting character. He was dressed in dark blue jans over Wranglers with a matching dark blue doogie-eared sun visor. He also carried a stuffed doggie back pack labeled "Beware of Drug Dog."

And have you ever seen Jo Coppinger with a head full of curly black hair?

On the student side, the Senior girls again did an excellent job when they "Dressed" fellow Senior Clay Richardson in a pale blue dress with colorful beads and hairdo.

There was a wide variety of chores that the "slaves" had to do during the day including carrying student's books to class, bowing down to their "masters", singing, skipping, duck walking down the crowded hallway, carrying lunches, tying shoes, cleaning lockers, etc., etc. At lunch you could see more activity from singing in the streets, to shining shoes.

It was a great day, and nothing got out of hand, while in class everything was mostly normal as usual. This fund raiser will probably be used again by the NHS next year.

## Cross Plains Golf Team Placed 9th

The Cross Plains High School Golf Team participated in the Regional Golf Tourney in Big Spring on April 28 and 29. The team shot a two day total of 713, which placed them 9th out of a total of 16 teams.

The first day the Buffs shot 354, which was 12 shots better than their district score of 366. The second day they shot 359 which tied San Saba the 8-2A District Champs. However, San Saba shot 355 on the first day giving the Buffs a one shot victory over the San Saba Dillos, who shot a team score of 714.

"The buffaloes will be working hard to return to Regionals next year, and to win the District Championship," said Coach Jimmy Wren.

**CONGRATULATIONS** — First grader Mike McClure with his trophy for receiving the most pledges in the "Jump-a-Thon."

## "Jump-a-Thon"

By ROBBIE WHEELER

Last Wednesday, April 22, the Elementary students in Cross Plains under the direction of Diane Stover, held a "Jump-a-Thon" after school in the gym. There were a total of 38 jumpers who participated from grades 1 through 8.

According to Elementary principal, Ray Womack, the purpose of the Jump-a-Thon was to "Emphasize care of the heart and provide a fun activity for the youth of our school."

Each of the participating students contacted and took pledges from people in the community. The amount of the pledge was then multiplied by the number of minutes the student jumped rope.

Michael McClure, a 1st grade student in Mrs. Wilson's room, received a trophy for his pledge collecting efforts. Congratulations to Mike for his total of \$118 collected.

This was added to the other pledges collected for a total of \$1231.50 for the American Heart Association. Mrs. Stover thanks everyone for making the "Jump-a-Thon" the success that it was.

## Never Say Goodbye

By C.A.

The Junior-Senior Banquet will be held Saturday, May 9. Again this year, it will be held at the Cross Plains Community Center, beginning at 8:00 p.m.

The evening will start off with a meal prepared by the Junior class mothers, and served buffet style.

After the dinner, one of the highlights of the evening is scheduled...the reading of the Junior prophecies, and the Senior wills. In the prophecy, the Junior students (all in fun) predict what they see the Senior students doing in the future after graduation. In the wills, the Senior students (also all in fun) leave certain things behind for the Juniors to have in their Senior year.

Another high point of the night is the entertainment which will be provided by Sheila Payne and Leann Webb. These two talented Senior girls have been singing together for several years at various functions. The song which they will sing is a special song written by Leann especially for the Cross Plains Seniors of 1987.

Immediately following the banquet will be a social event where everyone can stay and socialize!

## High School Band Concert

By LEANN WEBB

The last public performance of the High School Band is scheduled for Tuesday evening, May 12. According to Ricky Beam, the band director, the program will begin at 7:00 p.m. in the School Auditorium.

Beam said the program will include 3 contest numbers that the band played at U.I.L. competition along with two or three other pieces of music. We encourage everyone to come and listen to the band and have an enjoyable evening. There is no admission charge.

## C. P. Student Review

**ROCK-A-THON** — Cross Plains High School cheerleaders participating were back row (from left) Carie Renfro, Jennifer Goble, and Stephanie Walker, and front row (from left) Tina Dukes and Melissa Montgomery, head cheerleader. Not pictured: Carol Morgan who was at Big Spring running in Regional Track.

### Cheerleader Rock-A-Thon A Success

The 2nd Annual Varsity Cheerleader Rock-A-Thon was held this past weekend. The girls started at 6:00 p.m. on Friday and rocked until 6:00 p.m. on Saturday.

Late in the evening hours on Friday, the cheerleaders had to move to the high school gym during their break time because of the rain and lightning.

About 2:30 a.m. on Saturday, they returned to Town and Country again during their break time to resume their

rocking at the store. The cheerleaders would like to thank all of their bidders for making this event such a success. They would also like to thank Town and County for providing them with the location of the event, as well as Skeet Walker Trucking for the use of their trailer, and Dairy Queen for their donation jar set up in their store. The money raised will be applied toward uniforms and camp fees.

### The Dirt Just Keeps Shifting

By PAUL BURNETT

The hills of dirt have been leveled, and the future track sits imprinted on the barren ground, except for small evenly-spaced islands of green grass that are the last remnants of the old football field. These islands will, of course, be removed at a later date, but right now they are invaluable in being used to help insure a level field and track.

The new football field itself looks like a small field, plowed and ready for planting. New grass will soon be seeded, but first the Leaky Pipe system must once more be put in so the field will stay green and healthy all year long.

The tennis courts located at the north end of all this work have been partially walled in to keep the advancing dirt from encroaching on Coach McConal's tennis players.

Dirt from the football field's north end comes within five feet of one corner of the courts. A small, one to four foot high concrete wall has been erected to keep the dirt back.

The practice field to the east of the tennis courts now looks like the old football field did when work first began...piles and piles of dirt that resemble the sand dunes of the desert. Only these have been created by man, dump trucks, and front loaders.

There still appears to be a great deal of work yet to be done before the

mid-June proposed completion date. According to Mr Wood, the contractors are three weeks behind schedule because of the heavy rainfall we have had recently.

**BUSY, BUSY** — Work is still progressing on the New Cross Plains track. Here, dirt is being shifted by the tennis courts.

*Call your

*Summer's ahead and your

While he still has time to include you in an early schedule, calling your air conditioning serviceman will assure the dependable cooling you've come to expect from your electric air conditioning units. Early maintenance or installation of new units will save you from a long waiting period later on. Remember, the hotter it gets, the busier your air conditioning serviceman is.

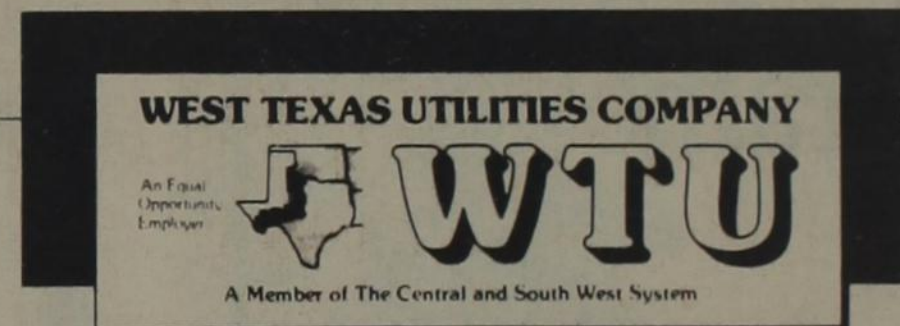

rolls, loose-fill or batts and is labeled with a "R value". The higher the R number, the better its insulating value. Value numbers up to R30 in the ceiling and R18 in the walls are recommended for this area.

#### Caulking and Weatherstripping!

If you check all windows and doors and install weatherstripping and caulking where needed, you will save on both cooling and heating costs. Just think, an almost invisible 1/8" gap at the base of a standard 36" wide outside door is equal to a nine-inch hole in the side of your house! Close that gap with easy-to-install felt or foam rubber products which draft-proof doorways.

#### Proper Insulation!

Keep the cool air you've paid for inside of your house. Consider installing insulation as support for your hard-working air conditioning unit. Insulation comes in

**BURKETT NEWS**

By JAN POPE  
 And GLENDA CALLAWAY

The annual meeting of the directors and other persons interested in the Smith Cemetery Association was held Saturday, April 25, at 10:00 a.m. at the Burkett Community Center. During a short business session an election of directors was held.

Arvin Lewis of Bangs was elected president of the association and Kathleen Wilcoxon of Goldthwaite was elected secretary-treasurer. Directors for the ensuing year are Lawrence Moore of Brownwood; Ronald Cagle of Goldthwaite; Raymond Hounshell of Cisco; Charlie Howard Edington of Burkett; and Bransford Eubank of Star Rt. 2, Brownwood.

Others present were Mrs. Lawrence Moore, Mrs. Arvin Lewis, Mrs. Charity Cagle, Freeda Burkett, and Dub Lowe. Mildred Lowe, who has served faithfully as secretary-treasurer for ten years and acting president the past year, resigned as of this meeting because of her health. Mildred will be missed very much and was unable to attend this meeting. Contributions at this meeting was \$165 for upkeep of the cemetery.

Virgil and Freeda Burkett enjoyed the 39ers Retreat at Iron Springs Christian Camp at Lake Whitney Sunday evening, April 12, to Thursday morning the 16th. Others in their traveling group were Cowan and Laverne Hutton and Troy and Maxine Crockett all of Cross Plains. Morris and Evadeen Thomas of Weatherford (our former Burkett rural carrier and wife); and Gilbert Williams of Lake Brownwood.

Bill and Phillis Burkett of St. Louis spent the past week with his parents, the Virgil Burketts. They all had Easter Sunday luncheon and visitation with Mr. and Mrs. D.A. Young of Zephyr, and daughter and husband, Michel and Cindy Meyers, Amy and Mike Arlington, and Clairene and Clint Edgar of Millersview. It just happened to be Freeda's birthday and it turned into quite a birthday party for her!

Virgil and Freeda took Bill and Phillis on a trip to Canyon Lake in the Hill Country on Monday. They drove into San Antonio Tuesday and Wednesday and enjoyed a lot of interesting sight-seeing by tour busses, and about all the most interesting places downtown including the Alamo, Buckhorn Hall of Havens, the Hall of Texas History, Market Square, HemisFair Plaza Tower, the River Walk and lots more. They also visited their daughter and husband, Clay and Karen (Burkett) Garland, of New Braunfels.

Clarence and Glenna Barnet and daughter, Sarah McKissack, from Brownwood visited with Kathryn Cravens Thursday.

Wayne Brown of Fort Worth enjoyed lunch and a visit with Birdie and son, Gil, Sunday afternoon.

Visiting with Mrs. Eula Hunter Sunday were Mr. and Mrs. Paul Cannon and Sam and Mildred Hunter.

Memorial contributions to the Burkett-Adams Historical Association were reported by Maureen Clark, Secretary for the association. Lois Garrett and Jo Davie \$25, memory of Mickey Cowan, also \$15 by Lois Garrett in memory of Blanche Hounshell.

A baby shower honoring Gail Podlaski will be held Monday, May 27, at Terry Bushnell's home. The hostesses as of this date are Terry Bushnell, Christine Long, Addie Walker, and Mrs. Roy Clark. All friends are invited.

Our community was saddened with the passing of Mickey Cowan and we extend our sympathy to the family.

Skeet Truett would like to bid farewell to all her friends in the Burkett community. She's moving near Gatesville and will surely be missed.

Ben Zipp visited with his sister, Rosa Lee, at Hawley over the weekend.  
 Visiting with Jack and Lovera Strickland Sunday afternoon were Mr. and Mrs. Jimmiee Payne of Cross Plains, and Mrs. Zell Srawn of Grosvenor.

The Angeley reunion was held last weekend at the home of Rex Angeley in Nacogdoches. Those attending the festivities were Jo Davee, Lois Garrett, Jack and Zora DeBusk, and Pat DeBusk from Houston. They really enjoyed the pretty country and had a wonderful time.

Mr. and Mrs. Oscar Gould of Coleman visited with Mr. and Mrs. Dalton Gould Sunday afternoon.

George Camel of Kermit visited with Lillian Harris Sunday.

Our new Tabernacle in the Burkett Cemetery, constructed by Eddie Strickland, was greatly needed. If anyone would like to donate to this project, it would be appreciated.

Visiting Mr. and Mrs. Bill Strickland Sunday were Randy Strickland and Alan Key of Cross Plains, Richard, Jan, Cory, and Landon Pope, Jerry and Linda Strickland, Anna Golson and Wilda Tomlinson, Jerry Biehl, Ruby Biehl, and her friend of Coleman and W.B. Bludworth stopped by and visited on Friday.

**Lakewood Ladies Luncheon Friday**

The Lakewood Ladies Luncheon will be Friday, May 8, at the Country Club. Bobbie Edmondson and Juakana Scott will be the hostesses.

**Boy Scout Summer Camp Bake Sale**

Boy Scout Troop 281 will be going to camp on June 28 through July 4 at Camp TonKawa just outside Abilene. The scouts need to raise \$200 to help pay for the camp expenses.

The bake sale will be held at Town and Country and Buy-Rite Superette Saturday, May 9, from 9:00 a.m. until noon. The Boy Scouts invite you to come buy your mother a cake!

**CHAMPIONSHIP TROPHY** — This bronze sculpture is one of six championship trophies for the Western Heritage Classic Ranch Rodeo to be held in Abilene at the Taylor County Expo Center. The owners of Rendezvous Fine Arts in Buffalo Gap are providing the awards.

**Family Day Changed At Baird**

Family Day has been changed from June 6 to Saturday, June 13. This change was necessary to avoid a conflict with Trade Day at Baird.

A list of prizes to be awarded for the fishing tournament is being compiled and will be published in the near future. Remember the new date and make plans to attend.

**Cottonwood Historical Association Met Sunday**

The Cottonwood Historical Association held its 17th annual meeting May 3 with 64 members registering. A noon meal was served in the newly remodeled kitchen of the Community Center. Memories of the past and love of the old hometown were shared by members from out-of-town.

Visiting continued at the old Post Office where old pictures and a new flag pole with the flag proudly flying was enjoyed by all.

Donations for the day were \$845 including the following: Mable Lemonds, Claire Jordan Edwards, Mr. and Mrs. J.B. Shirley, J.O. Williams, R.T. Peevy \$50; Evelyn Meehan, Claude Lawson \$100; Mrs. Marion Rutledge, Pat Moore, Oliver D. Worthy, Lorene Price (in memory of Emmett and Wesley Price), J.I. Crawley, Pat Moore, Mr. and Mrs. Grady Ramey \$25; Mr. and Mrs. Lester Bush \$15; Mrs. O.H. Gattis, Winifred Y. Waller, Blanche Moore, Louise Richardson \$10; Pauline Mattheissen, Minnie Cunningham, Mr. and Mrs. L.V. Murray, Don Strahan, A.L. Breeding, Leo Thompson \$20; cash \$90.

A productive meeting was held and plans for the coming year were made. The Association regrets that more of the Cottonwood community could not attend to share in making these plans.

**Woodmen Of The World Donate Fans To Multi-Purpose Center**

The Cross Plains Woodmen of the World have recently installed four ceiling fans at the Cross Plains Multi-Purpose Center. This makes a total of five ceiling fans at the facility.

Chuck Woody and Dick Dillard were responsible for hanging the four fans. This addition will make the Center more attractive and much cooler during the summer months.
