THURSDAY, OCTOBER 1, 1992

EDITOR'S NOTE: The following article was written by Terrill and sent to his mother, Dora Smith. Terrill is a 1989 graduate of Cross Plains High School, and is a Senior at the University of Central Texas in Killeen. He and his friend and flight companion, Joe Ries from San Angelo, are each pursuing degrees in Airway Science and

'Aviation Students Fly To Canada'

By TERRILL SMITH

The adventurous spirit runs deep in the family genes, and some of us are blessed with a passion for flying. That combination sparked plans for a fabulous journey from Brownwood, Texas to Fort Frances, Ontario, Canada, in my granddad, Wright Price's, 1939 Model Aeronca 50-L Aircraft.

Cruising at 70 mph, obviously not in a hurry, burning 3.5 gallons of fuel per hour, we traveled by day since the airplane had no lights.

On August 19, we departed from Granddad's airport about 1:30 p.m., delayed by rain and fog. We made it to Guage, Oklahoma and spent the night there, camped under the wing, as we did on a couple of occasions throughout the trip. The airport was practically deserted and very much run down, so we were lucky to get a ride into town that night for fuel and food.

After fueling up and eating, the city cop gave us a ride back out to the airport and offered to make another fuel run if we needed it. We declined since we had enough fuel, so he wished us good night and went on his way.

We found that at Guage the people were friendly and more than willing to help two college kids on a once-in-alifetime "road trip." Without exception, this attitude of friendliness was echoed by townspeople throughout the

The next day we flew over the rolling hills of Kansas and Nebraska and the spectacular Badlands of South Dakota. We landed in Rapid City, South Dakota, and after seeing the city, spent the night in a motel.

The next morning we flew over the famous, spectacular Mt. Rushmore. It was awesome! We got plenty of incredible pictures and videos, as we did of the entire trip. At Bismark, North Dakota we met up with my long time friend, Casey Williams, formerly of Cross Plains, who gladly showed us around and gave us a place to stay.

International Falls, Minnesota, and Fort Frances in Ontario, Canada, Joe's old stomping grounds, was our ultimate destination. For several days we stayed there with Jim and Gail Owen in International Falls, seeing the sights such as Rainy River, visiting all of Joe's old friends, and enjoying wonderful people and hospitality.

Professional Aviation. Vanda King

On the eighth day we flew to Canby, Minnesota to visit Joe's aunt and uncle, Barbara and Barnie Ries, who he had not seen in seven years. There, I ran into Carl Hooth who used to work for Clyde Melton of Cross Plains. Carl sends his regards to the family.

Our return execursion included a stop in Hutchinson, Kansas, where we camped out on the grass in front of the main terminal building.

We flew back into Granddad's airport on August 29, 10 days and 45 flight hours after departure. He and Grandmom were certainly glad to see us — and the Aerona — return safely!

It was an incredible adventure! We brought home terrific memories, pictures, and videos. Joe and I have decided that we might do it again someday, next time maybe Alaska, who knows?

Cheerleaders **Take Trophies**

By CAROL ATCHLEY

The Cross Plains High School and Junior High Cheerleading squads both competed in cheerleading competition on Saturday, September 26, at Ranger in the old high school gym during the Roaring Ranger Days Celebration. Both groups also came home with trophies as a result of their time after school spent practicing under the watchful eye of their sponor, Mrs. Peggy

The Junior High Cheerleaders, Jaonna Harris, Kimberly Ratliff, Candice Eppard, Jill Potter, Shannon Petty, and Shana Hutton performed two cheers and were judged best in their division and brought home a 1st place

The Varsity squad, Whitney Kirham, April Hogan, Sonya Renfro, Lori Dillard, Allison McGowen, and Misty Strickland performed two cheers and a dance routine, and came home with a 2nd place trophy.

Both groups work hard at doing the great job they do at the football games, and through this competition they were recognized for their excellence.

READY FOR TAKE-OFF - Terrill Smith (left) and Joe Ries prepared for flight in 1939 Model Aeronca 50-L

Save Your Village **Market Receipts**

The Cross Plains School would like to remind every customer to save their sales receipts from Village Market as part of a program which assists in purchasing needed equipment for the school. You are reminded that you may place your receipts designated box in the foyer of the local supermarket each time you make a purchase or deliver them as you

Your cooperation in this project is appreciated and has proved beneficial in the past, reported a volunteer assisting with the collection and tabulations.

Callahan County Child **Welfare Board Fundraising Booths At Octoberfest**

On September 17 the Callahan County Child Welfare Board met and finalized their plans for fundraising booths at this year's Octoberfest celebration in Clyde (west of the football field at the high school), which will be October 10.

The Child Welfare Board decided to have a CAKE WALK as their main fundraiser. One dollar per chance may win you a delicious dessert. They will also have face painting, crafts and baked goods for sale, and the FISH BOWL GAME, where a quarter in the glass wins you a D.Q. tolken for a free sundae. Kids love it!!!!! Test your luck!!!! Be sure to come by and see them. All donations and proceeds go to the Callahan County Child Welfare Board to help our area children that are in need.

Child abuse is no joke. It's ugly face has been seen in our community. It takes team effort and, YES, even money to help right the wrongs done to some of these unfortunate children. The Callahan County Child Welfare Board is not government funded. All their annual money comes from donations and fundraising events. It takes the community and their donations to support their work.

The Callahan County Child Welfare Board is happy to announce that their savings accounts are slowly growing, thanks to donations of jury duty checks. KEEP UP THE GOOD WORK. THEY'RE DEPENDING UPON YOU!!!!!

Next meeting will be October 15 at 7 p.m. at the Human Services Building in Baird. Come visit.

Colonial Oaks Services

Pioneer Pentecostal Church will conduct worship services at Colonial Oaks Nursing Home on Sunday, October 4, commencing at 3:30 p.m.

Drawing For Amethyst Ring

PROCLAMATION BY THE COUNTY JUDGE

County Judge of Callahan County to all to whom these presents shall come: I, Bill Johnson, County Judge of Callahan County, do hereby declare the week of October 4-10, 1992 as FIRE PREVENTION WEEK IN CALLAHAN COUNTY for the

WHEREAS, Fire Prevention Week commemorates The Great Chicago Fire of 1871 which killed 250 persons, injured countless numbers, left 100,000 homeless, and destroyed more than 17,400 buildings, and

WHEREAS, approximately 80% of all U.S. fire deaths occur in the home;

WHEREAS, having a smoke detector cuts by nearly 50% your risk of dying in a home fire by providing early warning, giving extra time for escape. However, only working smoke detectors can protect us. Therefore, smoke detectors should be checked regularly and batteries changed at least annual-

WHEREAS, the fire service(s) of Callahan County is/are dedicated to the safety of life and property from the devastating effects of fire; and are joined by other concerned citizens of Shackelford County, as well as businesses, schools, service clubs, and other organizations in their safety ef-

WHEREAS, the local efforts of the fire service are supported by the activities of organizations such as the National Fire Protection Association, The United States Fire Administration, The Consumer Product Safety Commission, The International Association of Fire Chiefs, The International Association of Fire Fighters, The National Volunteer Fire Council, and The Fire Marshals Association of North America;

THEREFORE, I call upon the people of Callahan County to participate in Fire Prevention activities at home. Work and school and heed the message "Test Your Detector - It's Sound Advice!" as the 1992 Fire Prevention Week theme.

You may purchase a ticket to win an amethyst ring in an antique brass setting valued at \$250 for \$2 or three tickets for \$5 at the Citizens State Bank. The ring was donated by Martha Dillard and the proceeds will be used to finance Lori Dillard's trip to London, England as a cheerleading

The drawing will be held on November 2 at the Citizens State

mended for their willingness to help. If the volunteers missed you and you want to give, take your donation to the bank or mail to: United Fund, Citizens State Bank, Cross Plains, TX 76443.

When the workers finish their designated areas, they are invited to the Cross Plains Library for refreshments.

Jeremy Tennison, 14-year-old son of Mr. and Mrs. Clarence Tennison of the community, who is commuting to Dallas for medical treatment.

Serving will begin at 5 p.m. and continue until game time at 7:30 p.m. Take-out orders are welcome, and you may call for plates at 725-6121.

All the spaghetti you can eat will be \$5; \$4 adult plates; and \$3 for children 10 years and under. Spaghetti, salad, garlic bread, dessert, tea or coffee is

included in the meal. The Evant football team and fans will be eating after the game and organizers appreciate their participation. Anyone who would like to eat spaghetti at this time is welcome.

All the needed items have already been donated, as well as volunteers for serving and clean-up. Please have all items at the cafeteria after 2:45 p.m. on Friday, or bring them by Connie's Cuts and Curls Tuesday through Friday. Connie Kirkham remarked. "The great cooperation of the community in this project was appreciated."

Senator Bill Sims Campaigns In C. P.

On Friday, September 25, Bill Sims, his wife, and staff members were campaigning in Cross Plains at Collum's Restaurant during the noon hour. He spoke to a roomful of local residents who learned some of his platform issues and personal views.

His main topic of concern was returning the control of the schools to a local level. He is sponsoring a bill to eliminate the "Robin Hood Bill," which takes funds from wealthier counties and distributes them to less endowed counties. Sims noted that the largest problem in the education reorganization is, of course, funding.

The Senator stated that Governor Ann Richards has scheduled a special session to work on state funding for education.

He also remarked that the no pass no play policy seems to be upgrading the quality of education in the state.

The Edward's Aquifier was explained, in that the state wanted to designate the underground reservoir as a river and the state would have control over it. The ranchers and farmers of Texas sued the state, and the Supreme Court declared it unconstitutional. San Antonio is the largest city in the world depending on an underground water supply.

Sims explained that the new head of Texas Parks and Wildlife was making the parks pay for themselves. They are attempting to have the counties, where the parks are located, contribute more funds into the facilities to lower the cost of maintenance to the state. Some state parks are being closed due to low visitation.

Senator Sims was instrumental in passing a bill to lower out-of-state turkey hunter license fees from \$200 to \$50. He felt that the larger fee discouraged out-of-state hunters and the economic benefits Texas would reap. It was determined that each hunter contributes \$65 per day in the towns where they hunt, which would boost local economies.

County Reaches Settlement Over Ruidoso Vacation

A settlement has been reached between Callahan County Commissioner's Court and County Sheriff Bill Skinner and Chief Deputy Wayne

Knowles over the personal use of a **Blood Pressure**

Clinic October 6

A Blood Pressure Clinic is scheduled for Tuesday, October 6, at the Cross Plains Multi-Purpose Center, beginning at 10 a.m. through 11 a.m. Dorothy McKinney, LVN, will conduct the clinic.

The public is invited to use this service free of charge.

Local Artists Win Ribbons

Several local artists entered the Comanche Pow Wow Art Show last weekend. Ozella Huddleston won a third place ribbon; Betty Beggs a third place; and Lois Vaughn received one second place and two third places at the annual event. Several will be competing in the Coleman Art Show set for next weekend.

The Paint and Palette Club will meet in regular session on Tuesday, October 6, at the Cross Plains Multi-Purpose Center, beginning at 7 p.m. All club members and prospective members are invited to attend.

sheriff's department vehicle.

Commissioners had met July 21 to discuss filing official misconduct charges against Sheriff Skinner and Deputy Knowles over Knowles using a sheriff's department vehicle to take a vacation to Ruidoso, New Mexico.

However, Tuesday, September 22, County Judge Bill Johnson said an outof-court settlement had been reached between the commissioners and Skinner and Knowles. "No charges were ever filed," Judge Johnson said, "the settlement was reached in the administrative end," of county court.

Under the settlement, Sheriff Skinner paid \$461.87 to Callahan County, which included \$160 for giving Knowles permission to use the vehicle to go to Ruidoso. The remaining amount of Skinner's settlement included \$267.06 for tires he purchased for personal use, through the county and \$34.81 in de-

linquent county taxes. Knowles agreed to a settlement of \$508.38, of which he was charged \$160 for using the vehicle plus \$20 for gasoline. Knowles also paid \$209.65 for tire purchases through the county for personal use and \$118.73 in delinquent

county taxes. Judge Johnson said the settlement of \$160 was calculated by charging .20 cents per mile round trip to Ruidoso.

"As far as we're (commissioner's court) concerned, the matter's closed," Judge Johnson stated.

COUNTY COURT Bill Johnson, presiding

Misdemeanor Filings

Maunie Dorene Brumbaugh, DWI. Charged with possession of marijuana: Ronaly Gary Koehler, Timothy G. Baker, Kevin R. Cox, Kevin F. Herlehy.

MINUTE **MUSINGS**

By ESTHLOY S. DICKSON

This is a beautiful Monday morning - but, let's start with yesterday. My daughter, Joan, and Bob met me at the church. They had spent the weekend in Breckenridge. They were en route to their home in Cleburne.

We enjoyed a nice dinner at Odom's, and a nice visit, much too short for my part. They had some darling pictures of their granddaughter (my great-granddaughter). They gave me a cute little album with pictures of the whole family. I'm so proud of it.

On Wednesday of last week, I took a stack of newspapers into the city for the trash-haulers to pick up. As I was unloading them, Mrs. Wes Holcomb and her sister came out to greet me. They expressed their enjoyment in reading this column - I sincerely appreciate their comments.

I waved at my good neighbor, Sally Roady, at church. She looked so pretty! They visited Ms. Nettie at the nursing home often. They visited with Mr. Mack Childers in the city one day. They visited Art and Bertie Roady in Abilene one day. They talked on the telephone one day with Cindy and Charlie. They are in Jackson, Missouri.

On Thursday of last week, J.T. and Betty Beggs visited in Temple with their son, Rusty and family. Also took care of some business there. On Friday and Saturday, they went to Abilene with Rex. They had their doctor's check-ups. On Sunday, Mr. and Mrs. Cowan Hutton visited them.

I enjoyed talking to Nell Fleming. Read her news in Irma Miller's col-

I called my good neighbors, Jewel Foster. She was in our Sunday School class and church on Sunday. She said her news is about as usual - her children visited her - she visited them. I'm so glad they are near, and visit her often.

ROWDEN

By MRS. N.V. GIBBS

The Gibbs' yard is catching fallen leaves. An apricot tree is nearly bare of leaves, while the post oak are shedding some each day, and frost has not caused this to happen. Our coldest morning was last week when the temperature was 50°. This may be an indication of early winter. We need rain all over the area.

Emma Johnson has had two nephews and one niece. Tommy Burks and Oscar Burks of Abilene and Lorene Price of Potosi. A friend, Fred Rabe of Rising Star, stopped by for a visit. Emma reported her sister. Lizzie, had talked on the phone this week.

Dorothy Reynolds was in Clyde Saturday to sing for the Nora Miller funeral. Nora was a friend of Dorothy.

Edna Dye attended the Abilene Porcelain Art League Club's opening meeting Saturday morning at the Quality Inn on Pine Street in Abilene. Guest demonstrator was Evalena Simmons of Midland. Edna is program chairman for the coming year.

Nancy Palmer of Clyde visited her

mother, Joyce Odom, Sunday. Bob and Kathy Dye were taking her mother. Anna Dendy, to her place at Mason for the weekend.

Part of the Tony Steele family was in Stephenville Saturday for the Cross Country races. Two of the runners were from Cross Plains. Over two hundred students were in competition. Connie Steele came in at 7th place. while Bill Steele was 17th. Their daughter, Tonya, also competed in Cross Country running while in high school at Cross Plains.

Robert and Dorothy Watson and Wyatt and Robbie attended the Baird-Santa Anna game in Santa Anna Friday night. Baird has won their last three games. Hope their following games will also be winners. Cross Plains is not getting off to a good start. but hope to do better each week.

For CHS H'coming

informal gathering. The Clyde High School Cafeteria will be open at 10:00 a.m. Saturday morning for Ex-Students registration. The Ex-Students Association will sponsor an Ex-Student Barbecue luncheon at the cafeteria from 11:30 - 12:45. Red's Bar-B-Q will cater the luncheon.

The highlight of the homecoming weekend will be the dedication of the Clyde Tennis Courts in memory of Bailey Johnson, long time Clyde Superintendent and Tennis coach. Presiding over the Memorial Ceremony will be Cecil Eager, former Clyde tennis

player standout and current Athletic Director at Abilene Christian University. The Memorial Ceremony will begin at 1:00 at the Tennis Courts. The public is encouraged to attend and honor the outstanding leadership that Bailey Johnson gave to the students and community of Clyde.

The Ex-Students Association will meet at 2:00 in the High School Auditorium for their bi-annual meeting. Mrs. Naomi Huff and Mrs. Jewel Swanzy will preview their book on the history of the Clyde Public Schools. Many hours have gone into researching and compiling the information from numerous teachers, coaches and exstudents. This will be an exciting and informative presentation. Everyone is invited to attend this meeting.

In conjunction with the Homecoming Weekend, the Clyde Kiwanis (Breakfast Club) will hold a Taco Supper. The Taco Supper will be in the High School Cafeteria from 5:30 - 7:30.

SCS Is Here To Help You

Local landowners who have erosion problems, brush problems, or who may need other planning assistance on their farms or ranches can get help from the local Soil Conservation Service Office says Clint Rollins, District Conservationalist, with the Soil Conservation Service office in Baird. Rollins says that there are several different types of assistance available through the SCS office. From time to time there are cost-shared funds available to help pay part of the cost of installing conservation practices. These funds are available through Land Treatment-Long Term Contracts. The two types of long term contracts available are the Great Plains Conservation Program and the Watershed Critical Area Treatment

A long term contract is in force for a minimum of 3 years up to a maximum of 10 years. The participants are required to install designed cost-shared practices along with carrying out scheduled management practices. The local Soil Conservation Service personnel will provide technical assistance when quested for developing plans and installing scheduled practices. Depending upon the practice and the type of program the producer will be reimbursed at a rate of 50-80% of the installation cost. Funds are not always available for these programs and when it is they are usually very limited.

Technical assistance is also available for those landowners who wish to carry out conservation practices on their own. Plans can be developed and engineering assistance can be made available.

Local Soil and Water Conservation Districts also make assistance available by supporting the SCS and offering several programs of their own. Local Districts offer fish stocking programs and windbreak tree programs to local

By TERRI BUSHNELL

Montie Jennings returned home Thursday after spending several weeks in the hospital recuperating from hip surgery. Her daughter, Glenda Hutchins of Bangs, stayed Thursday night and Friday with her. Evelyn Williams, Montie's sister-in-law, stayed Friday night and Saturday.

Jack and Lovera Strickland visited Marsha and Mark Turney, Jon and Matt in Santa Anna. Several people from Burkett attend-

ed the Echo Musical Saturday night. Among them were D.J. and Lois Turner, Melba Walker, Mildred Lowe, and Doris and Andrew Walker. On Saturday, Doris and Andrew Walker visited with Annie Merel and H.O. Trent in Coleman. On Tuesday, they visited Erma Trent in Cross Plains. Doris and Andrew spoke with their daughter-in-law, Kazuko, who lives in North Carolina where their son, Andy, is stationed with the Marines. Andy is in Turkey on maneuvers and will be gone for three weeks.

W.B. Bludworth and Lucille Gould visited with their sister, Ruby Biehl, at the Oakridge Manor in Brownwood.

A reminder that the Strickland Reunion will be held October 4 at the Community Center.

C.P. STUDENT REVIEW

OFFENSIVE MOVE

Junior Buffs Face Their First Loss

By CA

The first half of the Cross Plains Junior High Football game that was played at home on Thursday, September 25, was a see-saw defensive battle between C.P. and Roscoe, which resulted in neither team scoring.

In the first quarter, the Junior Buffs controlled the ball the majority of the time, beginning with the opening kickoff. The first drive ended after 3 plays, resulting in Sean Jones having

Roscoe's drive, which then started at the C.P. 44, did not end successfully for Roscoe, as they fumbled at the Buff's 5 yard line and C.P.'s Porcious Potter recovered.

Three plays later, the Buffs were in a punting situation again with 4th down and 7 yards to go. Jones appeared to be set to punt again, but he ran instead, reaching the 19 yard line,

good for the first down. It was a good play, but a blow to the Buffs due to an injury to Jones' ankle. He was hit hard on the ankle from behind on the tackle, and sustained a break, which will put him out for the

The drive included 13 plays, but only got the Junior Buffs down to the

rest of the season.

OCTOBER 5-9

(Subject to Change)

BREAKFAST

MONDAY - Cream of wheat, toast, grape juice, milk. TUESDAY — Pancake, sausage,

orange juice, milk. WEDNESDAY — Choice of cold

cereal, toast, grape juice, milk. THURSDAY — Cinnamon toast, orange juice, milk.

FRIDAY - Bacon, egg, toast, grape juice, milk.

LUNCH

MONDAY - Chicken nuggets w/gravy, green peas, buttered carrots, honey packet, rolls, milk.

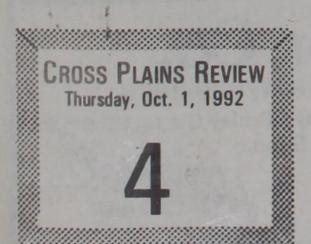

TUESDAY - Lasagna, corn, crackers, peaches, milk.

WEDNESDAY — Cheese, meat, nachos, chips, salad, pinto beans, Jello, corn bread, milk.

THURSDAY — Hog dog w/chili, French fries, pickle spears, strawberry w/cake, milk.

FRIDAY — Submarine sandwich, lettuce, tomatoes, pickles, chips, apple wedge, milk.

Fast Results in the Classified =

Roscoe 40 yard line where they had to punt on a 4th and 12 situation. The drive included runs by Jody Fortune, Justin Richey, Jeremy Barnett, and a completed pass to Chris Wood. Barnett punted to the Roscoe 23 where Roscoe took over.

The Roscoe drive (now into the second quarter) ended in a fumble and C.P.'s Barnett recovering. There was some good hard-hitting defensive play by several of the Buffalo defenders, including Nathaniel Swift, Cory Switzer, Justin Hopkins, Kevin Nickerson, and Barnett.

The Buffs took over at their own 34 yard line, but there was very little time left in the second quarter, and three plays later they were headed to the locker rooms for half-time with the score 0-0.

The 3rd quarter did not start well for the Junior Buffs. Roscoe to kickoff and on their second play, broke lose for a 70 yard TD run with only 14 seconds gone in the quarter. The point after was unsuccessful, but Roscoe took the lead 6-0 and did not relinquish it all night.

The Buffs took the ensuing kick, which was an on-side kick attempt by Roscoe but successfully recovered by C.P.'s Hopkins at the Buffalo 44 yard line. The Buffs were unable to advance the ball the necessary 10 yards and Barnett was forced to punt again.

Roscoe took over at their own 21 yard line. They drove the ball to the C.P. 4 yard line and with 2:56 left in the 3rd quarter, they made a successful 4 yard run for the TD. The point after run attempt was stopped short by the Buffs, and the score was now 12-0

The Junior team took the kickoff and started 1st and 10 at their own 35 yard line. The drive ended in 3 plays with Barnett punting yet one more time. Roscoe took over at their own 38 yard line.

With only 7 seconds left in the 3rd quarter, the young Plowboys made a long, successful 52 yard run to the end zone, resulting in the TD. This time the point after...a 2 point conversion...was good and Roscoe took the lead 20-0.

The 4th quarter saw the Buffs take the kick and start at their own 37 yard line. The Buffs shortly ended up in a 4th down situation, Barnett attempted the run but came up short and Roscoe took over on downs at the C.P. 30.

A few plays later, Roscoe scored again on a 7 yard run with 6:16 left in the game. The point after kick was unsuccessful, but the score was now 26-0 Roscoe.

The Buffs controlled the football the rest of the game, driving the ball the long 70 yards for their only TD of the evening. The sustained drive included 5 different runs by Richey (the longest being 25 yards), an 11 yard pass to Wood, and it was Jody Fortune who finally took the ball in for the score from the 4 yard line. Switzer's point after kick was good and the score was 26-6.

During the drive, with only 2:59 left in the game, the lights went out on the home side. This happened at last week's varsity home game against Santa Anna. Not sure what the problem is, but the young Buffs played on the partially darkened field and finish-

ed the game. On Thursday, October 1, the Junior High Cheerleaders and football players will be making the drive to Evant for a game that will start at 6:00.

Prior to the official junior high game starting, both schools allowed their 7th grade teams the opportunity to play. Each side was able to run 20 plays, and although it was more like a scrimmage and there are no statistics, the young players had an opportunity to get some playing time and experience. Unfortunately for one of the C.P. players, though, it was not much fun. Seventh grader Dusty Hargrove ended up with a broken arm on one play and will miss the rest of the games for the season.

VISIT WITH THE SENATOR -Senator and Mrs. Bill Sims spent some

time with the sixth grade talking politics.

Sixth Grade Introduced To Politics

By CAROL ATCHLEY

It's never too early to introduce the young people of our community to the governmental system that runs our state. Cross Plains Elementary teacher Mrs. Cam Morgan recently visited the Democratic Headquarters in Abilene and arranged for Democratic Senator Bill Sims to take time in his busy schedule to come to Cross Plains and

talk with the 35 sixth graders. Mrs. Morgan is planning a study of our governmental system with her sixth grade class beginning in October and ending with an election in November to coincide with the state's and nation's General Election. She decided that having a "real" politician from Texas' own government would be an effective method to introduce the

study. Senator Sims was accompanied by his wife and a young man named, Daryl (no one caught his last name), who runs Senator Black's office in Austin at the capitol. Senator Sims spoke to the class about many different

topics including how a law is passed. Each student was prepared with three possible questions they could ask, and many, many questions were asked of not only Senator Sims, but his wife and Daryl during the hour that they were able to spend with the class. Questions ranged from "What's it like being a senator?" to "What do you like the least?", "Do you want to run for President?", to "How much money is the state making from the lottery and how much is going for education?"

According to Mrs. Morgan, the class thoroughly enjoyed the opportunity to meet with and talk to a Texas senator.

MOTIVATING STUDENTS — Mr. Williams inspiring G/T students to use imagination.

You, Too, Can Be An Inventor By CAROL ATCHLEY

On Monday, September 28, the 2nd and 3rd grade Gifted/Talented students had the opportunity to listen to an interesting speaker, an inventor.

been shut out.

started at the C.P. 27 yard line after Michael Cowan's 13 yard return, and they proceeded to score 9 plays later. With Junior Jason Fleming at quarterback, the drive included a run by Bucky Williams +1, an incomplete pass to Billy Brown, but a 5 yard penalty against Roscoe, a 25 yard pass to Cowan, a run by James Jones +2, a 12 yard pass to Brown, a run by Jones -1, incomplete pass to Cowan, run by Williams +1, and with 4th and 10, Fleming threw a perfect TD pass to Cowan for 31 yards and the score. Brock Walker kicked the extra point successfully and the Buffs were on top 7-6...and the crowd went wild!

The rest of the quarter saw two fumbles and two interceptions. After the Buffs kickoff from the score, Roscoe ran one one play fumbled, C.P.'s Brown recovered at their 47 yard line. The Buffs ran 5 plays down to their 10 and they fumbled, Roscoe recovering. On Roscoe's first play, C.P.'s Earl Meroney made a spectacular fingertip interception just inches off the ground and returned the ball to the Plowboy 7 yard line. The next few plays seemed to be a nightmare. An incomplete pass to Brown, a successful TD pass to Cowan was called back on a Buff penalty, the next two plays lost grown, another penalty, another run for no gain, and finally at 4th and 25, a pass intended for Brandon Smith was interecepted by Roscoe...end of quarter...score 7-6 Buffs.

The second quarter started with Roscoe at their own 20. It took Roscoe a great deal of time on the clock, but

Last Pre-District Game Ends With A Loss they drove the 80 yards for the TD'. leaving only 4:39 in the second quarter. The PAT was good for two points and the Plowboys took over the lead 14-7. Early during that drive, C.P.'s Coby Childers sustained a knee injury and was taken to the local hospital to have it checked. It looks at this point that he will be out for the

James Jones (25) sets up a block.

The Buffs took over after the score, but the drive ended shortly with a fumble and Roscoe recovering at the C.P. 24. Their drive was even shorter when, again, Meroney made another interception; but in a precarious position...at the C.P. 1 yard line. Three plays later, the Buffs punted out to the 36 where Roscoe took over. With 11 seconds left in the half and with Roscoe at C.P.'s 15 yard line, the greasy football slipped out of Roscoe's hands and Walker recovered, preventing the possible Roscoe score. The half ended at 14-7 Roscoe.

The 3rd quarter started out very much like the 2nd one ended. No one wiped off the football, and on their first possession after taking the Buffalo kickoff, Roscoe again fumbled the ball on a hard hit by Cowan. Walker grabbed the ball, took off down the field and out ran the Plowboys for the 49 yard touchdown. Unfortunately, the PAT didn't make it and with 10:35 left, the score was close...14-13 Roscoe.

Still playing with that slimy ball, Roscoe fumbled again on their next possession. Guess recovered...Walker, his 3rd of the

The Buffs tried their best to hang on to the ball, but they, too, found it impossible and C.P. lost their fumble when Roscoe recovered at their own 32.

Mr. Scottie D. Williams, a Texas in-

ventor who has been featured in a variety of different magazines such as "Income Opportunity," and Inc. Magazine and who has received various awards and recognition for his inventions, was brought to Cross

> Service Center. Cross Plains is a member of the "WINGS" program that is sponsored through the Service Center. This program is geared to the Gifted/Talented programs in the regions schools. The

Plains by the Region XIV Education

Service Center planned the visit for Cross Plains. Mr. Williams had three of his inventions with him to show the students. One was a different twist on an old favorite, the kite. He developed a kite that will be on the market in the spring. This kite is designed to be flown

Another invention was a baby chair holder. Mothers with small children and babies appreciate this one, it is a saddle-like device to use in a high chair to prevent the child from sliding

at night, being that it is equipped with

A third invention was his wellknown and awarded "Crutch bag." It can be attached to crutches which can allow the person who is having to use the crutches to carry items with him/her that otherwise would not be easy or possible to do.

He even sent a pair to the first lady, Mrs. Barbara Bush, when she had to be on crutches for some time due to an accident. He developed the "Crutch bag," because he was confined to using crutches for two years.

Mr. Williams made two important points during his talk with the students: 1. Anyone can use their imagination and invent something. He made them think "What if ...," and then use their imagination.

Point 2...He explained to them that anyone at any age can be an inventor. He used the example of the Braille language that is used by the blind. That, he said, was invented by an

8-year-old boy. The students enjoyed hearing Mr. Williams and it is planned in their G/T time that they will be creating or inventing a new product of some sort.

Alma Illingworth Celebrates 85th **Birthday**

Alma Illingworth was honored on her 85th birthday with a bar-b-que hosted by her children at the home of Rolan and Sandra Jones.

Attending the celebration from outof-town were Bobby and Bonnie Illingworth, Iowa Park; Dick Illingworth, Desdemona; Tommy and Sue Illingworth, Van Alystene, and their daughter, Donna and her son. Chad; Donald and Charlene Illingworth, Carrollton, and their son and daughter-in-law, Greg and Joy Illingworth from Dallas; Carolyn and Jim Youngblood, Mesquite; Patty Turner, Hawkins; Johnny Illingworth and son, John Eric from Cosperville; and Lois Crist from Wichita Falls.

Attending from Cross Plains were Bill and Barbara Young, Rolan and Sandra Jones, Betty and Harold Baxter, Elsie Porter, and Midge McCall.

Also there were Jamie Jones, Angie Purvis, Erlinda Cortez, and Amy Jones.

Vaccines Offered In Clyde October 16

The Texas Department of Health will be offering flu, pneumonia and tetanus diphtheria vaccines for people in Callahan County on Friday, October 16.

The vaccines will be given in an immunization clinic at the Clyde Senior Citizens building on October 16 from 9:00 a.m. until 11:30 a.m. and from 1:30 p.m. until 3:30

Vaccines will be given to people in the following high risk catego-

*Persons 55 years of age and

*Adults and children with chronic heart or lung disorders, including children with asthma.

*People under medical care for chronic metabolic diseases, kidney or blood problems or weakened immune systems.

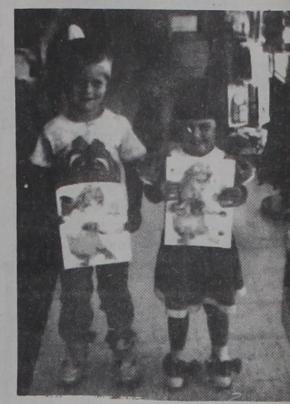

*Children 18 and younger who are receiving long-term aspirin therapy and therefore may be at risk of developing Reye Syndrome after influenza.

The charge for these services are based on a sliding scale, based on income and family size. The amounts will be either: \$0.00, \$4.00 or \$15.00. No one will be denied service.

Food Plaza And M&M Mars **Candy Carnival Coloring Contest Winners**

COTTONWOOD **NEWS**

By BEVERLY BROWN

Reverend Knox Waggoner will be returning to the pulpit at the Cottonwood Baptist Church on Sunday, October 4. Knox underwent triple bypass heart surgery in August, and we have all missed our preacher. Sunday School classes begin at 9:45 a.m. and the morning worship services will be at 11 a.m.

The United Fund Drive will be held on Friday, October 2, in the area. Ladies canvassing the Cottonwood community will be Polly Lawson, Yvonne Peevy, Dena Nickerson, and Beverly Brown.

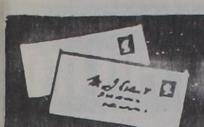

Mrs. Bill Nickerson Sr. and Mrs. Bill Kelly were at the home of their sister, Mrs. Mel Hammel in Schertz, from Friday night through Sunday afternoon. Mary Weaver and son. David of Corpus Christi, arrived Saturday morning to be with her sisters. Glynn Nickerson and Terri and boys from San Antonio, Sandy Hammel and Justin and Jason, and Gary Hammel visited with the family over the weekend at Wanda's.

Mr. and Mrs. Russell Wheeler of Abilene stopped by the family homestead on Sunday afternoon and visited with his grandmother, Mrs. Bertha Wheeler.

Richard Ball of Texahoma and James Brown of Abilene and Kenneth Brown of Big Spring visited with the Wayne Browns last week.

The Cross Plains Library will have their annual sale October 2nd and 3rd. See the Cross Plains Review for further details and time.

Jack and Uva Jones of Cottonwood visited in the home of J.P. and Nettie Clark Saturday night.

Cetters. TO THE EDITOR

Rolan Jones State E.M.S. Coordinator

Mary Dunn, R.N.

Dear Mr. Jones and Ms. Dunn:

I am addressing both of you through the Review as I do not know your personal addresses. I seriously considered trying to obtain these to answer your letters and I also seriously considered ignoring your letters, but felt that I deserved the right to defend my actions in the Review.

When I first read your letter, Mr. Jones, I thought surely you had confused me with someone else. First of all, I did not in my original letter to the Review give the date of my unfortunate experience and I didn't give my name on the phone, to my knowledge, so how do you ascertain that my call was answered by Steve Petty on a certain date? Secondly, most of the situation described in your letter was in error! I do not deny that I used poor judgment, but please remember that I was in unfamiliar territory and the road was completely unmarked as to any warning of possible high water.

I could write a lengthy reply letter, but it probably would do little for my defense. I will simply state, as I stated in my first letter, that I did not make the decision to call the EMS, it was entirely the decision of the telephone operator and she only called the emergency numbers she had listed. I don't know if the listing specifically stated "EMS" or not. I did not have access to a phone directory. I really do not recall Mr. Petty's (or whomever the operator was speaking with) manner on the phone. Neither of the numbers given in the listing or by the EMS dispatcher answered. I still feel like it would have been only common courtesy to have furnished the operator with a number in Cross Plains of someone with a tow truck service, since the dispatcher was located in and familiar with the area. I apologize for the operator if she hung up on the dispatcher, but this was not my recollection, even though it was obvious that we needed to move on if we were to get assistance.

In reply to both Mr. Jones and Ms. Dunn, I certainly did not call or expect an ambulance to respond to my situation and I don't believe my previous letter indicated this in any way! The situation most certainly was an emergency and could have turned into a medical emergency if someone had not helped me. As I stated, water was already into the floor of the car and my elderly mother (86 years) certainly could not have navigated in the knee

By IRMA MILLER

The Quilting Club ladies finished the Tumbling Blocks and worked on the Clay's Choice on Tuesday. They put in a Fan into the quilting frames. Frankie and Oliver Smith and Jean Fore went to the Rising Star musical on Friday. Saturday morning they traveled to Cisco and ate breakfast, then went to Ranger to see Frankie's daddy. They watched the Ranger parade, and Saturday night attended the Desdemona musical. Sunday evening, Ed and Sally McAnally ate supper

Lottie Sooter's visitor this week was her niece, Eileen Brooks of Naples.

Barbara and Bob Powell are home again from Oklahoma. While there, they visited relatives and friends and saw interesting places. A fishing trip was prevented by rain.

Visiting Laverne and Cowan Hutton, and other relatives in the area, was their grandson, Warren Parson, home for a ten-day leave from Wichita Falls air base, and being reassigned to Dyess AFB. He stayed a few days with his grandparents, the Huttons.

Visiting Nell and Joe Fleming Sunday was her sister, Mary Matthews of Stephenville. JoVeda Watson of Byrds Store spent the day Wednesday. B.J. Anderson of Rising Star visited Friday morning.

C.P. Roping Club Meet Monday, October 5

The Cross Plains Roping Club will have a regular meeting Monday, October 5, beginning at 7:30 p.m. at the local arena.

All members and prospective members are encouraged to attend. For further information call 725-6355.

deep water and mud!!

I have no doubt that your EMS is one of the best and I never intended to imply otherwise. Neither did I intend to imply "blame" on anyone. I see no need to keep hashing this out further since it will come down to my opinion and reactions against others, but I do feel that both of the letters were a little unfair in their accusations.

> Sincerely. Earlene (McDowell) Ward Crozet, VA

To the editor: Anytime a pedestrian is injured or killed by a motorist it is a tragedy. We must make every effort to keep dangerous drivers - of all ages - off the road. But singling out older drivers is not the answer. Improved testing of all drivers is.

The accident rate among older drivers is disproportionately low. Drivers over 55 represent nearly onequarter of the driving population, but are involved in only 18 percent of all accidents.

AARP supports and advocates improved driver testing. However, the tests currently employed by driver licensing agencies are inadequate. There are sensory, cognitive and physical changes that accompany the aging process. But how quickly they occur and the degree to which they impact driving varies greatly among individuals. Driver license testing and screening practices should assess a. person's functional abilities, such as divided attention and reaction time. Chronological age alone is no predictor of driving performance.

In addition, AARP supports a combination of driver education, highway improvement, and the availability of public transportation for those unable

We offer an older driver education course called 55 ALIVE/MATURE DRIVING to any driver 50 years or older. The course is available in all 50 states and the District of Columbia. More than 450,000 older drivers take

the course each year. Finally, there is a growing population of older adults who live in areas where there is little or no public transportation. Access, availability of and information about public transportation must be made available to drivers through motor vehicle depart-

Driving is important to the independence and quality of life for all Americans - especially older Americans. We must do more to promote safety. Dangerous drivers must be kept off the road regardless of their

Come On Down And Try Some!

Doctors at U of Minnesota found that the vegetable fiber product PSYLLIUM tends to lower cholesterol levels equal to that of cholesterol lewering medication, and has no serious side effects. A teaspoonful of Psyllium powder in water, 3 times daily, reduced cholesterol levels almost 15% in people on a typical fatcontaining diet. (Journal of AMA). You may wish to discuss the psyllium alternative with your doctor.

Your better health is our concern.

92-Year-Old Makes Trip

Suma Dill, longtime resident of Cross Plains, recently went on a trip with her son, Fred Dill, Jewel Kratz, and Alice Chapman.

Fred and Suma picked up Jewel at her home in Winters and traveled to Nashville, Tennessee and on to Indianapolis. Indiana where they were joined by Alice Chapman. Jewel and Alice are sisters of Wilmojean Dill,

Results Of Members Scramble

Lakewood Golf Course had a new type of golf scramble Sunday, October 20. This was a 2-Person, Members only 18 hole scramble with 21 teams involved.

The first place team was an automatic winner. Ronald Hilburn and D.D. Brown won with a score of 62. All of the other teams were put in order according to their score, then three numbers were drawn, which were 4, 10, and 15. This made the teams in 4th, 10th, and 15th place the other winners for the day.

Two teams tied for fourth place with a 71 score and decided to split the prize money. These teams were Tommy Brown-Jimmy Williams and Jim McKoy-Charlie Barnett. Tied for tenth place were Gary and Betty Westerman and Wayne and Sylvia Tomlinson with a score of 83. After a playoff on the scorecard, Gary and Betty were the winners. The fifteenth place team of Volley Williams and Chris Key were the other winners with a score of 100. All four teams received the same prize money.

Everyone really had a great time and with this format for deciding winners, each team had a shot at the prize no matter what their score. Afterwards, a covered dish supper was enjoyed by all.

The Club is planning to have their annual Halloween Scramble in October. They would like for everyone who plays to dress up to make it more fun. Prizes will be awarded to the best costumes, so start thinking of something really different.

Senior Citizens Stats

By MARIE MORGAN

I've heard it said that Cross Plains doesn't need this Center at Cross Plains, so I asked some of the Seniors what this Center means to them. Pauline stated, "Here is the only place we go besides church. We eat more vegetables here than at home. We enjoy being with people."

Sister Ruby remarked, "It's the greatest place in town, good nutritious food, and does more good for us all.

Claudie May enjoys the fellowship most of all and it's a break in the day June says, "It gets you out of the

house and it is a reason to be with people, so you're not so lonely."

Cora, age 102, - "It's a place you can go to pass the lonely hours, to hear good music, have a great meal, have someone to talk to, and play games. It just chases the blues away.'

Ethel said, "This Senior Citizens Center is the best thing that ever happened in Cross Plains. For people that can't drive there's a ride, the food is great, and meeting friends, it's just the

Vera noted, "The Center was great! We get a balanced meal. We visit. It's a reason to get up, get dressed, and enjoy others company."

My opinion is that the Senior Citizens Center is a lifeline to otherwise lonely adults. They pay by donations, and we invite you to come visit just once. You will see fo yourself what a good thing this is!

CROSS PLAINS REVIEW Thursday, Oct. 1, 1992

Fred's wife, who was working and could not make the trip.

Fred obtained his motor home, which was near Fort Wayne, Indiana. The group then toured the Amish Country. Suma was delighted by the horse and buggy transportation still in use and their unique lifestyle.

The next place of interest was Branson, Missouri where they drove through the popular country and western music center. The Christ of the Ozark's in Arkansas was another noted attraction. Suma was fascinated by the re-creation of the figure of Christ.

Scenic Route 7 North to South, which is one of the highest rated scenic routes, was taken on the return journey. Suma loved the beautiful trees and they remarked that some were beginning to turn fall shades.

This was only the third time Suma had left her home state of Texas. She had visited her brother in Kansas and a granddaughter in Atlanta, Georgia several years ago. Being capable of making this week-long excursion was reported most enjoyable for all.

NURSING HOME NEWS

By LINDA EDINGTON **Activity Director**

Everyone enjoyed an extra special Wednesday morning sing-a-long. We were proud to have with us Jerry and Sharon Lewis from Midland here singing some beautiful songs for us.

We had our art show Tuesday morning. Since this news column had to be in Monday, the results of the winners will be announced next week.

Mrs. Lee is back from the hospital. Welcome home, Mrs. Lee.

Paula Kelley from McKenzie, Tennessee and Rolan Jones were here visiting E.K. Coppinger.

Eddie Faye Dillard, Jo and Charles Boatright, Sharon and Jerry Lewis from Midland, Doris Goble, Ila Mae Marshall, Minnie Swann, Delores Garrett, Elva Nell Dupriest, and Garland Dupriest from Rankin were

all here visiting Valerie Rouse. Rolan Jones and Barbara Young visited with Midge McCall.

Nancy Wilson from Baird and Earlene Hughes, also from Baird, were here visiting Lillian Smith.

R'Ev, Rachel and Rohni Childers doing home school here helping with linen folding.

Clara Nell Spencer visited Clara Coburn and Valerie Rouse.

Dorothy Sypora from Rising Star

visited Estille Breeding. Charlene Rider from Cisco visited

with Wonnie Walton. Daisy King and Michael Ingram

visited with Inez Ingram.

Tommy and Oscar Burks and Lorene Price from Abilene visited with Lizzie Burks.

Vera Ferrell from Weatherford and Leo and Jewel Thompson were here

visiting everybody. Eunice Starr, Jeannette Wiginton, and Collis Eager visited Virgie Eager. Seth and Carolyn Morgan visited

with Ressa Glover. Josper W. McCler from Santa Anna visited with Clara Coburn, Midge Mc-

Call, and Virgie Eager. Lib and Pat Shields from Abilene

visited Annabel Vaught. Sarah McCowen was here visiting

several. Also, Lois Garrett. Jack and Sharion Fry from Abilene

visited W.M. Stansbury. Activities during the week: Monday: Bingo winners were Clara

Coburn, Ressa Glover (3), Midge Mc-Call (2), Vera Belyeu, Mildred Ford, Lucille Stone, and Estille Breeding. Exercise class.

Tuesday: Art class. Popcorn and

Wednesday: Sing-a-long with Clyde Linker, Sally Roady, Wayne and Wilda Dennis, Sharon and Jerry Lewis, Doris Goble, Eddie Faye Dillard, Ruby McCowen, Vernie McMillan, and Ozella Huddleston. Exercise class.

Thursday: Linen folding.

Dominoes and Skip-Bo games. Friday: Bingo winners were Estille Breeding, Vera Belyeu (3), Sylvia Smith, Lucille Stone, Ruth Joy (2), and Ressa Glover (2).

Sunday: Church service with First Baptist Church Youth.

Having self-esteem is a healthy rela-

tionship with Jesus Christ.

MR. AND MRS. MARVIN PAYNE

Childers-Payne Exchange Wedding Vows

Kimberly Jeanne Childers and Marvin Anthony Payne were married June 22, at the Tarrant County Courthouse in Fort Worth.

Kimberly is the daughter of Caroline Harris, of Rising Star, and the late Jerrel Harris. Viola Payne, of Cisco, and the late Travis Payne are the parents of the bridegroom.

The bride is a 1979 graduate of Rising Star High School. She received a bachelor's degree in education from Corpus Christi State University and a master's degree in biology from Tarleton State University. Kimberly is a biology instructor at the Abilene campus of Cisco Junior College.

Marvin is a 1980 graduate of Cisco Junior College. He attended Tarleton State University where he received bachelor's degrees in chemistry and biology, as well as a master's degree in biology. The groom was formerly the chemistry instructor at Cisco Junior College. He is currently completing research for a doctoral degree in biochemistry from the University of

The couple honey-mooned in Santa Barbara, California and spent the summer in Fort Worth. They now divide their time between Abilene and Fort Worth.

A reception honoring the couple's vows will be held at the home of Jerry and Celeste Harris, Route 2, Rising Star, at 4 p.m. on Saturday, October

10. Friends and relatives are invited to attend.

CROSS PLAINS VOLUNTEER FIRE DEPARTMENT REPORT

> By RON BELL P.I.O.

The Cross Plains Volunteer Fire Department has answered two calls for service on Friday the 25th and Saturday the 26th of September. Both of these calls for service were at the property across from the City Sewer Farm. Both of these fires were of suspicious origin.

October the 4th through the 10th starts National Fire Prevention Week. Even with or without Fire Prevention Week, we all should practice to be safe with fire, careless acts with fire only cost your friends and neighbors something in value as well as endangering their lives. Remember, if you want to save a friend's life and property, as well as your own life or property you own. PLEASE BE CAREFUL. Fire sees no friends or neighbors, and it really don't care what you own or how much you love it. Fire will and can destroy everything

you own, and not feel one bit of sorrow for you. So please be careful.

blossoms and lace.

Cupit-Rodgers Recite Wedding Vows

Miss Kayla Michelle Cupit and Mr. Joe Edward Rodgers were married August 29 in an outdoor ceremony at the home of Judge and Mrs. Jim R. Wright, Lake Leon, Texas.

Ms. Sandy Golson of Cross Plains, Texas, and Mr. Robert Cupit of Martinez, California are the parents of the

The groom is the son of Mr. and Mrs. Jim Rodgers of Gorman, Texas. The bride wore a formal gown of candlelight silk satin and jeweled, re-

embroidered lace. The gown was designed with a portrait collar, flowing into long, tapered sleeves of sheer beaded lace, a fitted "V" bodice and flared, floor-length skirt. The extended train was of satin, with jeweled, beaded lace embroidery and a flowing satin bow at the waist.

Her veil of bridal tulle fell from a crown of pearled, satin flowers.

The bride carried a cascading bouquet of white, teal and deep amethysi roses, adorned with baby's breath. pearl sprays and white lace. The bride was escorted down the aisle by her father and her stepfather, Bobby Golson of Cross Plains.

The bride borrowed a handerkerchief from her grandmother to carry. She wore a white lace garter, fashioned from lace of her mother's wedding gown. She wore something blue, a gift from her attendants; and a new pearl necklace and matching earrings.

Serving as maid of honor was Miss Darcie Graves, Cross Plains. Mrs. Pam Porter of Cross Plains, Miss Jomy Clark of Rising Star and Miss Jacey French of Lake Leon attended as bridesmaids. Each of the bridal attendants wore a tea-length gown of deep amethyst satin with a portrait collar, fitted "V" bodice and full skirt. They each wore a pearl necklace, a gift from the bride.

Miss Danielle Golson of Tuscola, niece of the bride, and Miss Whitney Boyle, cousin of the bride, preceded Kayla down the aisle as flower girls. Danielle and Whitney wore amethyst and teal floral brocade gowns, fashioned in the style of the bridesmaids' gowns. They carried white wicker baskets adorned with satin amethyst bows. The path of the bride was strawn with petals from the roses received by her as a gift from the groom during their courtship.

The groom donned a white tuxedo with tails and an amethyst rosebud boutonniere. The groom's brother. Mr. Don Rodgers of North Beach. Virginia, served as best man. Mr. Scott Cupit of Stephenville, brother of the bride, Mr. Brandon Gilmore of Gorman, and Mr. Greg Warren of Waco stood as groomsmen. The groom's attendants each wore a black tuxedo with amethyst cummerbund and bow tie. The wedding colors were reflected in the white rosebud boutonniere with purple stephanitis.

Jack Arnold, nephew of the groom. presented the wedding rings at the altar on a white satin, heart-shaped pillow, edged in ruffled lace and accented with satin roses and pearl

sprays. Dusty Arnold, nephew of the groom, assisted the bride as trainbearer. Jack and Dusty wore black tuxedos to match the groomsmen.

Mr. Alan Little of Gorman and Mr. Mark Simmons of Olden served as

The bride and groom were united in marriage by Reverend Larry Nabors of DeLeon. The couple met for the

were served at an outdoor reception. Miss Ashley Boyle registered the guests. Serving at the wedding table were Miss Jamie Jones. Miss Angie Purvis and Miss Liz Cavanaugh, all of Cross Plains. The wedding cake was a four-tiered, pillared white cake with accents of amethyst and teal flowers. It was topped by a miniature porcelain bride and groom in formal wear, standing beneath a heart-shaped archway.

The groom's table offered chocolate cakes with teal and amethyst detail one in the shape of a horseshoe, and one in the shape of a western boot. Serving at the groom's table was Miss Kathy White of Gorman and Mrs. April Shanafelt of Ralls.

The bride's traveling suit was of black, teal and amethyst floral silk. In lieu of a traditional getaway, the bride and groom were spirited away from a crowd of well wishers by boat to begin their honeymoon trip to Dallas.

Mr. and Mrs. Joe Rodgers will reside in Gorman, Texas.

Buffs Win First District Game

By CAROL ATCHLEY

The games are for real now in that annual quest for the district football title. The Cross Plains Buffaloes started out with a big plus by defeating their first district rival, Evant, 8-7 in an upset game played at Buffalo Stadium

on Friday, October 2. After filling up on a great spaghetti supper to benefit local student, Jeremy Tennison, the crowd headed for the bleachers and watched the Buffs take the first win of their season. The Evan offense did have several opportunities to take advantage of C.P. mistakes (3 interceptions and 2 lost fumbles), but the Buffalo defense including good action by Geno Fortune, Willie Nickerson, Jimmy Lee, Earl Meroney, and Donnie Dillard stook their ground. In the second half, the defense was particularly stubborn, permitting Evant to gain only 20 yards.

Evant made their only score in the offensively slow game with 10:42 left in the 2nd quarter on a 4 yard run after a 13 yard drive. The point after kick was good, making the score 7-0.

Cross Plains' score came with 39 seconds left in the 3rd quarter. It capped the longest drive of the year for the Herd, 96 yards, starting at their own 4 yard line after holding the Elks on 4 downs. The drive took 18 plays and a lot of clock time; but, it ended with a long, across-the-field 2 yard pass from Fleming to Michael Cowan. The PAT was a well-executed fake by Brock Walker when he passed successfully to Billy Brown in the end zone and the Buffs took the lead 8-7.

The drive included 7 carries by Kevin Switzer, 2 by Fleming, 3 by Cowan and 1 by Brown. Cowan also made a 25 yard pass reception in addition to the TD reception.

In the first quarter play, both teams spent their time taking turns giving the ball away and avoiding scoring. The Buffs won the toss that started the offensive series at the Elk 46 yard line. Behind some good blocking of the line, including James Jones, Lee, Meroney, Josh Harrell, and Billy Walker, C.P. carried the ball to the Elk I yard line before the first of 4 fumbles struck the Buffs. Evant recovered this one ending the scoring opportunity. Evant's offense was stymied and they soon had to punt, the Buffs took over again, this time at the C.P. 42. Yet another fumble caused the Buffs to hand over the ball after 4 plays.

The Eks, starting at their 28, moved the ball to C.P.'s 6 before they too handed the ball over when Brock Walker recovered their fumble deep in C.P. territory

Only 3 plays elapsed when C.P. gave Evant another shot at offense when they threw the first of 3 pass interceptions. The quarter ended 0-0.

Finally, Evant got serious early in the 2nd quarter and on a series with only 4 plays, took the ball through the Buffalo end zone for a score on a 4 yard run. The PAT was good, score was 7-0 Evant.

The Buffs received the kickoff, started at their own 20 and not gaining sufficient yardage, had to punt on 4th down. Evant took over on the C.P. 48.

After 13 plays, Evant ended up on the C.P. 13 yard line, but the C.P. defense eventually forced them to turn over the ball on downs when Evant failed to convert on a 4th and 18 situa-

C.P. then ran 7 plays and was forced to punt, sending the Elks back to their own 22. Evant was unable to move the ball and the half ended 7-0

Evant started the 3rd quarter by receiving kickoff and driving the ball to the Buffalo 4 yard line, but they were stopped again. C.P. then used up nearly the rest of the quarter with their TD drive.

Evant took the ensuing kickoff; but, only minutes into the 4th quarter, C.P.'s Brown intercepted an Elk pass attempt and returned the ball to the Elk 24. Three plays later, in a pass attempt to Cowan, the Buffs lost their chance to score when Evant made another interception.

Evant's possession ended when they fumbled at their own 39 and Buffalo Geno Fortune recovered. Ironically, the Buffs ended their possession the same way; the Elks recovering at their own 19.

Evant after 4 plays, including a 3-man sack by Fortune, Nickerson, and Lee, had to punt. C.P. ran 5 plays before throwing their 3rd interception. Evant took over at their 29 with 2:45 left in the game. Another short 4-play drive and the Buffs had the ball again at the Elk 25, but the game ended with no more scoring.

Leading the Buffalo offense with rushing yardage was Kevin Switzer, with 19 carries for 83 yards. He was followed by Cowan who ran 10 times for 50 yards. Fleming took the ball 9 times for 33 yards. In the passing game, Cowan was the leading receiver going 3 for 33 yards. Brandon Smith was the only other receiver, taking 1 3-yard pass.

The game statistics are as follows:

Penalties **C.P.:** 2 for 20 yards Evant: 2 for 30 yards 1st Downs

C.P.: 14 Evant: 8

Passing C.P.: 14 att 4 com for 36 yds Evant: 12 att 1 com for 12 yds Rushing

Early Voting Oct. 14-30

Voters who would like to vote early in the Callahan County. State, and Presidential Election may do so beginning Wednesday, October 14, through Friday, October 30.

An early voting box will be located at the Village Market on: West Highway 36 in Cross Plains. Ballots may be cast during the hours of 8 a.m. to 5 p.m. Please bring your voter registration card, but if you do not have it, your name may be found on the voter registration list.

This is not absentee voting. It is your personal choice to vote: early.

Darlene Walker is the Election Judge for Callahan County and Wanda Grable is the Cross Plains Election Judge.

Project Pride Needs Artificial Christmas Trees

Santa's helpers, under the supervision of Project Pride, are busy amking preparations for the opening of Christmas Village on December 4 and 5 and again on December 11 and 12. There will not be a charge for admis-

The project committee is in need of artificial Christmas trees and if you have one that you would like to donate please contact Bettye Greenwood at 725-6758 or 725-6100.

All Project Pride members are reminded of the regular monthly meeting on Tuesday, October 13, at 6:00 p.m. at the Library. Alton Mc-Cowen, president, states that a number of important items are on the agenda. The public is invited.

Cross Plains Beautification Month

The Chamber of Commerce and Project Pride have declared October as Cross Plains Beautification Month.

Both organziations are joining efforts to make Cross Plains the Pride of the Big Country.

All business and property owners are encouraged to CLEAN-UP AND PAINT all store fronts and lawns in the Central Business District. This includes all of Main Street and Highway 36. It is a must that our city is presented during the coming holidays in a way that attracts more business from travelers and visitors alike.

Efforts have been made to contact out-of-town property owners and their store fronts will be painted by volunteers from both organizations. Any help from the community will be greatly appreciated.

Lunch will be served for all workers at 12 noon across from the Senior Citizens Center.

Please contact the Chamber of Commerce at 725-7251 if you are physically unable to participate but would like volunteers to work on your property.

Cross Plains EMS Now On 911 System

The Cross Plains and surrounding area residents are informed that the three digit number for your medical Cross Plains Emergency Medical Service (EMS) is now on 9-1-1 system.

Jeremy's Spaghetti Supper A Huge Success

Approximately 210 local residents were served and 50 Evant players and coaches at the Spaghetti Supper for Jeremy Tennison last Friday evening.

The food was reported delicious with some tasty desserts to top off the meal. Everyone enjoyed visiting and helping with a worthy cause.

"One of the greatest blessings we can receive is to be a servant to each other. In a small way, we have helped the Jeremy Tennison family and we appreciate all the wonderful coopera-

tion!" remarked Connie Kirkham. Once again, Cross Plains has lived up to its "Caring Community" reputation.

You activate the 9-1-1 by dialing the

There will be a 20 second delay due to the fact that the Cross Plains area is in the 817 Area Code. YOUR CALL IS SIMPLY BEING ROUTED. YOU WILL HEAR A RECOR-DING, PLEASE DO NOT HANG UP UNTIL THE DISPATCHER ANSWERS.

Be prepared to give your name, address, and telephone number. The 9-1-1 system is to be used for emergencies ONLY!

Change In Admission For Football Games

Cross Plains I.S.D. would like to announce that the cost for the remaining varsity football games will be \$3 for adults and \$2 for students. All games will commence at 7:30 p.m.

Junior High games will be \$2 for adults and \$1 for students.

National 4-H Week October 4-10

Callahan County 4-H members will be observing National 4-H Week October 4-10. The 1992 County 4-H Awards Program will be held Saturday, October 10, at 7 p.m. in the Baird Activity Center. 4-H'ers from the county will be recognized for their accomplishments.

4-H is the Cooperative Extension Service nonformal educational program for today's young people. The program combines the cooperative efforts of youth, volunteer leaders, state land-grant universities, federal-statelocal governments, and U.S. Department of Agriculture. The mission of the Cooperative Extension Service in conducting 4-H programs is to assist youth in acquiring knowledge, developing life skills, and forming attitudes that will enable them to become self-directing, productive and contributing members of society. 4-H programs are conductive in 82 countries with an enrollment of over four million youth. In Callahan County there are over 300 4-H'ers enrolled and involved in all phases of the pro-The largest project participation on

the local level is livestock, horse, and rabbit projects. Foods and Nutrition is also a very popular project followed closely by shooting sports. 4-H'ers have over 50 projects from which to choose and expansion in new areas is growing each year. 4-H is very proud of the volunteer leaders who devote countless hours to teaching, organization of the 4-H units and club meetings. Volunteers are essential to the successful delivery of the 4-H program to youth. Over 500,000 adults and Junior Leaders participate nationwide in directing 4-H activities and teaching youth in project work.

Youth in the second grade or 8-19 years of age are invited to join 4-H by contacting the County Extension Office at (915) 854-1518. Educational programs conducted by the Texas Agricultural Extension serves people of all ages regardless of socioeconomic level, race, color, sex, religion, handicap, or national origin

Rev. Jerry Slye, pastor of Bethel Methodist Church in Robinson, Texas, will be preaching. Rev. Slye is a very effective communicator of God's truth. You will want to come and hear him bring to you God's

Co. Judge **Satisfied With** Food Bill Explanation

Callahan County Judge Bill Johnson stated last week the county commissioners had received the answers to their question concerning the expense food bill for inmates staying in the Callahan County Jail.

The county commissioners had previously decided not to pay the food and telephone bills from the sheriff's department until they had a chance to talk with Sheriff Bill Skinner. Skinner did not appear at the regularly commissioner's court meeting, however, Skinner later explained the jail had been filled to capacity last month that resulted in the high food bill from Roger's Food Store in Baird.

"We feed three meals a day and are still able to keep the cost at \$3.16 per day per prisoner and I think that we're doing OK," Skinner said. The county sheriff went on to say the meals served prisoners must meet certain health requirements. "We've had our limit of prisoners so much so that we've had to farm some of them out to surrounding counties, Skinner stated. He add that if he didn't it could cost the county a lot of money since anytime the jail population goes over 10, a deputy must remain on the floor with the prisoners and that would mean extra personnel.

Skinner said he would look into the long distance telephone bill from GTE by the sheriff's department.

The sheriff explained the reason he didn't meet with the commissioner's court was that he had planned a fishing trip two months ago. He did say that he had arranged for Burl Walker, county jailer, to speak to the commissioners concerning the food bill.

Judge Johnson stated that he and the commissioners were satisfied with the sheriff's explanation concerning the food bill by the sheriff's department and the bill from Roger's would be paid.

City Council Minutes

Submitted by the Cross Plains City Council

September 29, 1992

This was a special called meeting of the Cross Plains City Council. Members present were Gene Dillard. Ted McKeehan, Gary Childers, James Nichols and Tom Clark.

Billy Jacobs, City Engineer, met with the council to discuss the need for more elevated water storage and ground storage tanks. He informed the council that the city was still in compliance for total capacity for storage. however, they still do not meet the pressure demand for the Water Commission and in an emergency the total capacity is less than adequate. He discussed a cost estimate for a stand

pipe storage tank that would meet the requirements for the pressure needed and also provide more than adequate ground storage. He also discussed with the council the financing options. After lengthy discussion of matters of concern for the council, James Nichols moved to allow Jacob & Martin Engineering Firm to do an engineering report addressing the needs of the water system and to respond to the letter received from the Texas Water Commission citing these deficiencies, and to submit a pre-application to FHA for possible funding for this project. Tom Clark seconded and motion carried.

Tom Clark moved to adjourn. Ted McKeehan seconded and motion car-

Comptroller Representative

To Offer Local Tax Help

AUSTIN - "One of the main functions of state government is to assist taxpayers any way we can." State Comptroller John Sharp said today. "That's why the State Comptroller's Office will conduct a fee taxpayer seminar in Abilene on Tuesday, October 13, 1992."

Royce Manning, from the Comptroller's Abilene field office will be on hand to meet and discuss tax questions at 1290 South Willis, Ste 211, Abilene, TX 79605 at 3 p.m.

"Mr. Manning will be available to

deliver quick and accurate information to all tax questions, assist with filing tax returns, collect on delinquent taxes, and provide other valuable information," Sharp said.

Those taxpayers who are unable to meet with Mr. Manning, can call the Comptroller's toll free tax hotline for additional assistance 1-800-252-5555

For more information about the upcoming visit, call the nearest Comptroller field office. In the Abilene area, the number is (915) 695-4323.

Callahan County, it's time once again to choose a Sheriff for this creat County of ours. Once again the choices are

perplexing to say the least.

As a WRITE-IN CANDIDATE I know the road is rough and long, and many of you are not familiar with me or my numerous years of experience and qualifications. As a former US Army Green Beret serving in Vietnam, International Airline Pilot and almost 4 years in law enforcement, my years of formal education and training are lengthy both

public and private. There are many changes that need to be made in the Department. These changes are necessary to insure the continued compliance with both State and Federal Law. As your Sheriff I will be hard on Drug Dealers as well as the alcohol abuse by our young

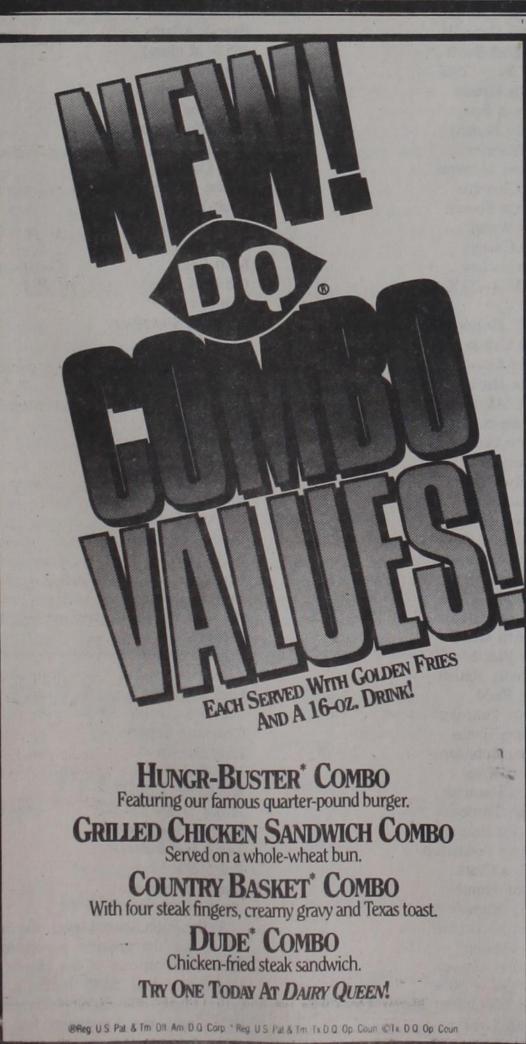

Adults. I will put a night Deputy on Partrol in the County. This I believe will cut the overtime by 80% and put

another set of eyes out there for your protection. So I ask you to look at the experience, qualifications and educational background of the candidates and remember you would not hire a Teacher to teach your children who was not experienced, qualified and highly educated.

Now I ask you to be sure and WRITE IN BRYANT BARNES for CALLAHAN

COUNTY SHERIFF!

Garden Club **October Meeting**

The Cross Plains Garden Club will meet at the home of Rolan Jones at 9 a.m. on October 9.

Anyone wishing to drive or ride should meet at the Garden Center at 8:30 a.m. and carpool.

Members are asked to bring a can of food for the Food Pantry. Also, bring plants birds like to eat and unusual birdhouses. Roll call will be answered by naming a favorite birdhouse.

A brunch will be served by hostesses Pauniece Oglesby and Sarah Brashear.

There will be a horticulture exchange of plants to be raised for their sale, all properly labeled.

ROWDEN NEWS

By MRS. N.V. GIBBS

Weather has been without rain for over a week now and even trees are beginning to suffer. Pete Swafford has a green field of wheat that he sowed before the last two rains.

The United Fund Drive was made by this writer Friday. It was an enjoyable time of visiting with neighbors and exchanging news of each family. Margie Swafford came to the door, saying another year had gone by. People do not visit any more and some work elsewhere and there's the rush every day to get to work on time. Thanks to each family for your dona-

Joy and Chief Horner went on a sightseeing trip to New Mexico this week. They attended the funeral of Mrs. Bruce Williams in Baird Friday.

Pete Swafford underwent minor surgery and spent a night in the hospital. He is doing fine.

Don Harris drove his dad, Tommie Harris and his wife, Naomi, to Dallas Friday for Tommie's checkup.

Jim and Crecia Reynolds and sons, Chris and Colby of Midland, were here visiting his parents, James and Dorothy Reynolds. They also attended Baird's Homecoming, including the ball game. Ellen Carpenter and son, Dalton of Azle, were home for the Homecoming. Ellen is a graduate of Baird High School.

Joyce Odom attended the Clyde School Homecoming Saturday in Clyde. Joyce graduated in 1932. The King was D. Joe Bailey of Austin. Queen was Eulalia Cotton Ault of Baird. Coming longest distance was Samson Orsborn of Las Cruces, New Mexico. All of these former students were from the 1932 class with 13 in attendance.

Edna Dye spent Friday night with Ed and Betty Sayre and Mary Sayre in Breckenridge.

Vernie Belle Mauldin did not report any news this week, but she did have a letter from a daughter, Marjie Brown, who is a seamstress that makes bridal dresses, complete with bridesmaids attire. She had four weddings ahead of her now that will keep her busy for

Joyce Odom visited Zella Erwin in Cross Plains Wednesday.

TSTC Graduates Announced

SWEETWATER - During its an-

LET THEM DO YOUR BAKING!

TWO Different PARTIES

(Open notes from a Christian Missionary: David Holmes)

One party tells us there is no truth: good and duty are so boring and change so exciting. The greatest good is to eat, drink and feel good about ourselves. We determine good and family values. Everything is equal, comes out equal and is predestined by Mother Nature. Men are not responsible for their future nor what is sown. Duty and accomplishment are so old fashioned and critical; we only need to do what we like. Morals are okay as long as they are convenient; warm, fuzzy feelings are what matters. Most Texans are poor, ignorant and stupid. We need

more government guidance, controls and handouts to be taken from our few rich neighbors. Most Texans can't make it without a tenured Congress, atheistic Courts and a more powerful IRS managing their business, families and restricting any public profession of Christian hope and belief. Pregnant women may kill their babies as long as they are unwanted and the abortions done in moderation. More government control of

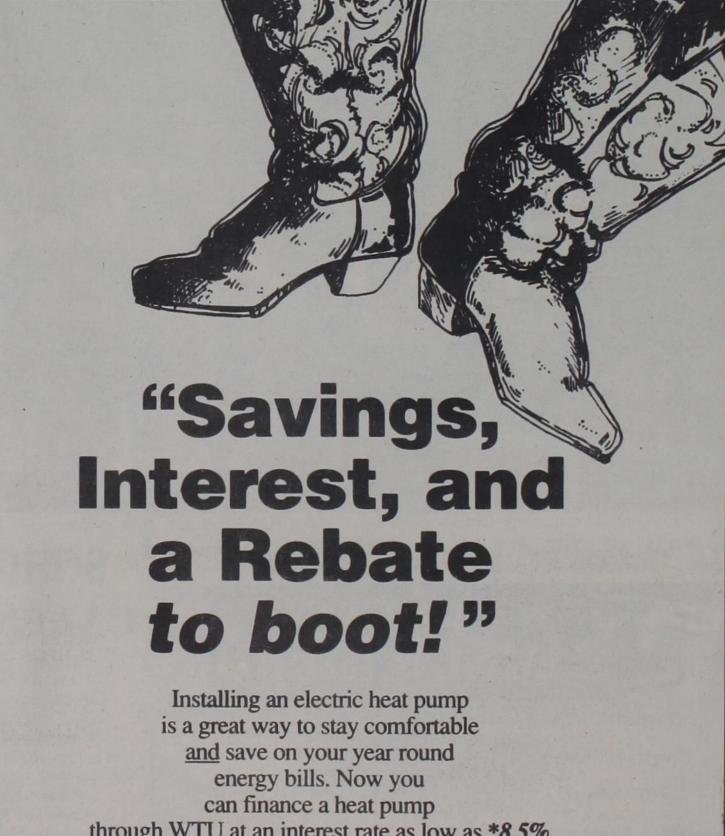

health care (like the postal service) will provide all the necessary free medical care that taxpayers can afford. Rich families and business owe proud sex perverts extensive medical care regardless of their reckless disregard of destructive consequences. Foreign affairs are not important. Enemy aggressors and threats are meaningless. Open trade and honorable matters orderly conducted are irrelevant to Texas' well being The demise of what was the Evil Empire and the blessed Persian Gulf War victory are mirages of a stupid people focused on the past. Education only needs more money, more NEA guidance and more government restrictions not choice nor Christian morals, Christian purpose nor selfdiscipline. Responsible, concerned parents and private schools are evils and bad neighbors to be feared, mocked, double taxed and ridiculed regardless of the facts. (How exciting to be told: you've got AIDS; your son is dead; I fell out of love; or later: I never knew you)

Finally, the more cynical tell us, Any vote this year is only a choice between the lesser of 2 evils. All men are evil and beyond redemption. Protest: No man does good but you can trust youthful leadership.

However, it is my Biblical understanding that politics (voting) mirrors the soul of the people. And, since both God and His written Word are forever secure and unchanging, a prudent and discerning people understand politics is a moral issue. Such people should and do understand and do require each of their representatives to be a person of Christian morals and character. John the Baptist did not righteously reprove Herod in vain. NEXT ARTICLE: The other party and matters that matter.

Junior High Nearly Hits The Speed Limit

By CA

In a game that started 30 minutes earlier than most parents and fans knew about, the Junior High Buffalo football team scored 52 points in a little more than an hour's playing time. The wild, free-scoring game was played in Evant on Thursday, October 1. The younger set of Buffaloes have now scored a total of 138 points in their 4 ball games, while only giving up 26 and that was only in one game. A quarterly scoring summary of the

game includes: First Quarter: The first of the Buffs' 7 touchdowns came when Justin Richey on a very well executed fake that had everyone fooled, out ran all Evant challengers for a 60 yd. TD.

The 2 point conversion didn't make it and the score became 6-0 with 4:52

Jody Fortune, who scored 3 TDs and 3 extra point conversions in the game, took the ball from quarterback Jeremy Barnett and made a successful 25 yd. run for the Buffs' second TD. Barnett ran the ball in for the 2 points and with 2:31 left, the score was now

Second Quarter: The early part of the quarter was defensive for both sides. C.P. did finally score, though, and added 16 points with just over 2 minutes left in the quarter.

Fortune again finished a C.P. drive, going 13 yards for the TD with 2:16 left. Using the same play, Fortune also ran in for the 2 point bonus, making

the score 22-0. Forty seconds later, Richey was in the right spot at the right time and picked off an Evant pass and sprinted (if you don't catch Richey early, you won't catch him at all) about 55 yards for the 4th Buff score. Fortune (he's got this down) made the additional two

end of the first half. Third Quarter: The Buffs kicked off to start their slowest scoring quarter of the game. They didn't score again until there was just 1:03 left in

points. Score now was 30-0 and the

the quarter. Fortune again was used to run the ball and he went the necessary 12 yards for another TD. This time the conversion was unsuccessful, but the score was now 36-0.

Fourth Quarter: Two more TDs by the young Buffs finished out the game. Chris Wood, who successfully caught 2 of the 3 pass attempts by Barnett took this one on a 25 yard nearlyuntouched run for the score. Richey carried the ball in for the 2 extra points and the score with 5:03 left was 44-0.

For the last TD with 1:02 left in the game, Barnett got in on the scoring action when he kept the ball on a 15 yard TD run. One more time Fortune was called upon for the extra points and he did just that. It was a long game for Evant and it finally ended at 52-0.

The predomintely 7th grade Junior High team (Wood, Richey, Barnett, and Hugo Mauricio are the only 8th graders playing now) have got this "team work" thing down. The talents of the running backs can be used because of the effective blocking of the other offensive players such as Kevin Nickerson, Benji Blackstock, Nathaniel Swift, Justin Hopkins, and Scott Brame.

The defense, which includes many of the same players as well as Nick Graves, Jarad Richards, Leif Hunter, Nathaniel Swift, Jeremy Box, and John Worsham, kept Evant from moving the ball (their longest run was only 25 yards). There was some individually impressive sacks by Blackstock and Nickerson, and a fumble recovery by Hopkins and some strong gang tackling, which allowed C.P. offense to control the ball throughout most of the game. Coaches Jones and Dallas frequently made substitutions, allowing all the boys some good playing time and a chance to gain valuable ex-

The Junior High team, which is now down to 16 players, will be playing at home on Thursday, October 8, against the Tolar Rattlers. The following week, they travel to Gorman. Come watch these young players and help the cheerleaders yell in support of the Junior High.

Cross Country Results

By COACH MAC McCONAL

The Cross Plains Varsity Cross Country runners were in Stephenville on Saturday, September 26, to compete in what was one of the largest Cross Country meets in the state. The course was laid out in Stephenville's city park and included hills, pavement, and some of the running trails in the

In the girls' Division I, there were IA-3A schools entered for a total of 220 girls competing. Cross Plains' Connie Steele took 7th place in her 2 mile race with a 14:06. Steele did place first among the Class A competitors. All other girls who finished ahead of Steele were from 2A or 3A schools.

Also competing for the girls for C.P. was Jodie Dallas, who finished 31st with a time of 15:35 among the

In Division III, there were 146 competitors in Class IA-3A. These boys ran 3 miles in their race. Bill Steele competed for Cross Plains and turned in a time of 19:18, which was a 18th place finish.

Election Day

High school students at Cross Plains used their homeroom time on Thursday, October 1, to hold their first class meetings of the new year. Important meetings they were too: they elected class officers and class favorites in addition to discussing the all-important class fundraisers. The results are as follows:

Freshman

President - Amanda Clausen; Vice-President - Jarrod Potter; Secretary - Crystal Fortune; Treasurer - Misty Strickland; and Reporter - Donnie Dillard., Favorites are Brock Walker and Crystal Fortune. Fundraisers: Bake Sale/Jars for Jeremy.

Sophomore

President - Sheryl Glover; Vice-President - Jared Harris; Secretary -Tonya Stover; and Treasurer -Allison McGowen. Favorites are Jenny Potter and Jimmy Lee. Fundraisers: Bake Sale.

Junior

President - Tamara Flippin; Vice-President - Coby Childers; Secretary - Samantha Newman; and Treasurer - Glenda Evans. Favorites are Shana Bagley and Bucky Williams. Fundraiser: Fall Fun Fest.

Senior

President - Jennifer Wheeler; Vice-President - Rhonda Swift; Secretary - Sonya Renfro; and Treasurer - Michael Cowan. Favorites are Charlotte Letney and Corey Townson. Fundraiser: Not

SHARING - Former C.P. student, Kevin Purvis, returned to talk to students about their future.

Talking Back

By CAROL ATCHLEY

Three and a half years after graduating from Cross Plains High School, Kevin Purvis returned to his Alma Mater, this time to talk to the students instead of being one.

Kevin attended Lincoln Technical Institute after graduating from C.P. After completing his program at LTI, he accepted a job with Southwestern Bell in Arlington.

While at Cross Plains, Kevin spoke to 3 different groups of students. First, he met with Mrs. Jo Rhodes' 7th grade careers class. Then, he spoke to Coach Monte Jones' group of Seniors, and finally, with Mrs. Kathy Purvis, his mom's, 4th graders.

. Kevin talked specifically about the type of work he does with Southwestern Bell, what Lincoln Tech was like and the option of choosing a technical school instead of college, and generally what life is like after high school. When asked why he came back to the school, Kevin replied, "I just felt I needed to come and do this." He said he just thought he should talk to the students about school and their

Students enjoyed talking with or listening to former C.P. students (some they remember and some they are too young to remember) about their careers and their lives after graduation. If any former students would like to speak to the classes at the school about their jobs and/or post high school education, please feel free to contact Jo Rhodes (817) 725-6121.

Disappointment!!!

By GREG TURNER

Last week I delivered a blow to the heart, finding out my son had not made the grade in math. Many readers asked why my article was not published. To be honest, I lost all interest. As the days past, I came to realize not only my love for my son but for all the guys in both junior high and high school athletics, so my apologies to all of you.

How about them Buffaloes. What a game in which to start a winning streak than on the first district game. What I saw this past week assures me that these guys want to win and will

They Just Keep Going And Going

By COACH MAC McCONAL

Cross Country runners from C.P were in Coleman Saturday, October 3. for their latest competition. The course was laid out around the Coleman Golf Course. It was a perfect day for running and once again, runners had a fantastic day of representing Cross Plains and their school.

In the Junior High Girls division, there were 146 runners in the IA through 3A competition. The girls ran one mile in this race. Representing Cross Plains were: Morgan Pendleton - 1st place: Amanda McGuire - 9th place; and Natasha Webb - 70th

In the Junior High Boys division, also IA - 3A, there were 36 runners who ran the one mile course. The results were: Justin Richey - 1st place; Chris Wood — 2nd place; Hugo Mauricio — 6th place; Jason Carey — 8th place; and Lee Wayne Wheeler — 18th place.

The Junior High boys once again took the first place team trophy in their division. Out of their 3 races this year, they've taken two firsts and one third

The C.P. Varsity girls also competed in a large group, 136, in divisions IA through 3a. These girls ran 2 miles. C.P.'s Connie Steele took 4th place overall; but, note...she did come in ahead of one of the 2A girls who finished in the top 10 at the state competition last year.

Jodi Dallas represented C.P. in the girls JV division. She competed in a crowd of 83 girls in IA through 3A. Jodi had an exciting finish in her race. She was in 8th place with only 600 yards to go and turned on the speed and passed five girls, coming in to take 3rd place.

There were 81 boys running in the Varsity boys division. The IA-3A representatives ran a long 3 mile course in this race. For Cross Plains. Carlile Albrecht came in number 11.

CROSS PLAINS REVIEW Thursday, Oct. 8, 1992

and Bill Steele, not far behind, came in 13th. At the half way point, the two were running 18th and 19th. They passed several other runners in the last half to finish high enough to earn a

If you have never seen a cross country race, you will have the chance to see the organized chaos in action on Saturday, October 10, as the Cross Plains teams will be competing only 6 miles from town...at Lakewood Recreation Center, beginning at 8:30 a.m. Spectators are most welcome!

NO TARDY PARTY — Some of the 34 students that enjoyed the 30-minute

No Tardy Party

By CAROL ATCHLEY

So what's that? It's an idea that came out of the high school site-based committee. The committee (made up of 4 teachers and the principal) wanted to do something special for those students who did not receive a single unexcused tardy in any class during the entire first six weeks.

Tardies may not seem to be a major issue, but it does cause problems. It's a disruption of class, the late student misses material, and it's starting (and ins some cases continuing) a bad habit of ignoring the responsibility of being punctual. Tardies are particularly bad during first period and 5th period which is right after lunch.

Out of the 131 students in grades 9-12, only 34 students managed to make it to every class without an unexcused tardy. Altogether, there were 98 unexecused tardies amassed by the other 97 tardies.

The committee decided to provide a "Coke Party" for those students who made the effort to get to class. It was

will.

We went through four weeks of disappointment before the excitement broke loose in our hearts. I'm looking forward to Thursday and Friday nights, and I'll see you at the games.

College/Technical School Night Monday, Oct. 12

Junior and senior students of high schools in the Big Country who are planning to pursue a higher education and the parents of these students will have an opportunity to meet and talk with representatives from various colleges, universities, and vocational training schools at a college/technical school program at Cooper High on Monday, October 12, at 7 p.m. Representatives from the Air Force, Army, Marine, and Navy ROTC programs and a representative to discuss financial aid will participate in the pro-

The evening program will begin in the auditorium where Victor Flores, President of the Abilene High School Student Council, will preside. Mr. David Baum, Director of Guidance and Counseling, Abilene Independent School District, will welcome the students and parents. Following the general meeting in the auditorium, each student and parent will have an opportunity to attend three discussion groups of thirty minutes each to obtain information about three different schools in which they are interested. College representatives will discuss entrance requirements, application procedures, estimated yearly cost, courses of study, types of housing available, financial aid, and other topics of concern to students and

Representatives will be present from: Abilene Christian University, Air Force ROTC, Aladdin Beauty College, Angelo State University, Army National Guard, Art Institute of Dallas, Austin College, Baylor University, Cisco Junior College, Concordia Lutheran College, East Texas State University, Federal Aviation Administration, Hardin-Simmons University, Hendrick Medical Center Medical Technology, Howard College, Howard Payne University, Incarnate Word College, Lubbock Christian College, Marine ROTC, McMurry University, Midwestern State University, Navarro College, Navy ROTC, Northwood Institute, Schreiner College, Southern Methodist University, Stenographic Institute of Texas, St. Mary's University, Texas A&M University, Texas A&M Engineering Extension Service, Texas Christian University, Texas Tech University, Texas University of Cosmetology, Texas Woman's University, Trinity University, University of North Texas, University of Texas at Austin, Wayland Baptist University, West Texas State University, and Western Texas College.

held on Tuesday, October 6, on the football field during the 30 minute homeroom time. The high school office provided the drinks at the concession stand and the students could bring Plans are to provide a "No-Tardy

Party" at the end of each six weeks. The following students were eligible for this first "Party"

FmHA Rural Rental Housing Assists Rural Texas

TEMPLE - Neal Sox Johnson, State Director of the Farmers Home Administration (FmHA), is pleased to announce that the Texas FmHA used 105 percent of the State's 28 million dollar allocation for new construction multi-family housing to assist the housing needs of rural Texans in the 1992 fiscal year.

These funds will make available approximately 1,031 new multi-family housing units and approximately 184 repaired apartment units for families and elderly persons living in rural areas of Texas.

The Texas FmHA also obligated labor housing grants in the amount of 473 thousand dellars to complete renovation to 246 existing labor housing apartments located in McAllen and 289 existing units in Weslaco, Texas. This is in addition to previous loans and grants made to these projects totaling more than 10.5 million dollars in previous fiscal years.

Housing preservation Grants (HPG) totaling over 1 million dollars have been obligated to benefit approximately 201 housholds of low and very low income homeowners in rural areas of Texas. These grants will allow rural homeowners to bring their homes up to minimum housing quality standards and aid in energy efficiency

Also, a Self-Help Technical Assistance Grant totaling more than 112 thousand dollars was obligated to assist 15 families in the construction of their own homes in Mission, Texas.

President Bush's budget for fiscal year 1993, as recently approved by Congress, has authorized 326 million dollars nationally for multi-family housing to continue to provide funding to meet the housing needs of rural Americans. Texas FmHA looks forward to an allocation of approximately 30 million dollars for assisting rural rental residents in their housing needs in fiscal year 1993.

The Farmers Home Administration assists rural America by guaranteeing private sector loans and by providing temporary, supervised direct loans to farm and housing borrowers who have a reasonable chance for success, and whose current needs cannot be met at reasonable rates and terms by commercial sources. The Agency is committed to excellence in providing its services.

The first paper money issued by the federal government under the Constitution was authorized by Congress in 1861.

Volunteer Disaster Action Team

The Taylor County Chapter of the American Red Cross is forming a volunteer disaster action team and will train people to respond to national and local disasters. Orientation for the team will be held on October 8 at 6 p.m. at the Chapter House, 1610 N. 2nd, Abilene, Texas.

The training courses will be held on Thursday nights. If you are interested, please call (915) 677-2622 for further details. For the toughest job you'll ever love, please call (915) 677-2622.

Suma Dill's visitors recently were Erma Floyd, Tim Dill, Fred Dill, Gaylon Duggan of Rising Star, and Joe Howser of Abilene.

Claxton Joy of Missouri, Clayton and Rene Joy of Odessa, Geneva Hinkle of Odessa, and Pat Jones of Odessa visited J.P. and Nettie Clark of the Cottonwood community on Tuesday.

TEN FREE SHADE TREES

Ten free shade trees will be given to each person who joins The National Arbor Day Foundation during October 1992.

The free trees are part of the nonprofit Foundation's efforts to encourage tree planting throughout America.

The ten shade trees are Red Oak, Weeping Willow, Sugar Maple, Green Ash, Thornless Honeylocust, Pin Oak, River Birch, Tuliptree, Silver Maple, and Red Maple.

"These trees were selected to provide shade and beauty and a variety of forms, leaf shapes, and spectacular fall colors," John Rosenow, the Foundation's executive director, said.

The trees will be shipped postpaid at the right time for planting between November 1 and December 10 with enclosed planting instructions. The six to twelve inch trees are guaranteed to grow, or they will be replaced free of charge.

Members also receive a subscription to the Foundation's news magazine, Arbor Day, which includes regular features about tree planting and care.

To become a member of the Foundation and to receive the free trees, send a \$10 membership contribution to SHADE TREES, National Arbor Day Foundation, 100 Arbor Avenue, Nebraska City, NE 68410, by October 31, 1992.

Vaccines Offered In Clyde October 16

The Texas Department of Health will be offering flu, pneumonia and tetanus diphtheria vaccines for people in Callahan County on Friday, October 16.

The vaccines will be given in an immunization clinic at the Clyde Senior Citizens building on October 16 from 9:00 a.m. until 11:30 a.m. and from 1:30 p.m. until 3:30 p.m.

Vaccines will be given to people in the following high risk catego-

ries:
*Persons 55 years of age and

*Adults and children with chronic heart or lung disorders,

including children with asthma.

*People under medical care for chronic metabolic diseases, kid-

chronic metabolic diseases, kidney or blood problems or weakened immune systems.

*Children 18 and younger who

*Children 18 and younger who are receiving long-term aspirin therapy and therefore may be at risk of developing Reye Syndrome after influenza.

The charge for these services are based on a sliding scale, based on income and family size. The amounts will be either: \$0.00, \$4.00 or \$15.00. No one will be denied service.

By IRMA MILLER

The Quilting Club finished the Clay's Choice and worked on the Fan. They also put in an Improved Nine Patch into the frames.

Frankie and Oliver Smith and Jean Fore had a full day Saturday, traveling to Eastland on business and on to Ranger to see Frankie's dad, who was not doing so well. They came back by Rising Star and saw the Rising Star Homecoming Parade. Oliver's sister and brother-in-law, Mamie and Del Hawthorne of Bedford, attended the homecoming and visited with them. Other guests were Mr. and Mrs. Leland Martin of Brownwood, Saturday afternoon, all three attended the wedding of Mary Gordon and Arnold Horton. Saturday night they enjoyed the Sipe Springs musical.

Lottie Sooter's visitors were Mr. and Mrs. O.A. Dunn of Lubbock.

The past Saturday, Laverne Hutton and her sister, Betty Haslam of Clyde, spent the day in Comanche enjoying the crafts, quilts, and other interesting things. Sunday their mother, Mrs. Ella Dean, had lunch with Laverne and Cowan, and in the afternoon she and Laverne visited with Mrs. Lena Bland in Cross Plains.

Visiting Nell and Joe Fleming on Friday morning were Mr. and Mrs. John Miller of the community. Saturday morning visitors were Sam Fleming of Cross Plains and Bill Watson of Byrds Store. On Sunday afternoon, Mr. and Mrs. B.J. Anderson of Rising Star, Mrs. Clint Kniffen of Clyde, and Kate Watson of Cross Plains came over

John and Irma's full weekend included, on Friday, collecting for the United Fund of Cross Plains and visiting with friends, and attending a funeral. They came home and Irma prepared a cake for the lunch of the annual reunion of the Brannans and Waggoners in Wayland. On Saturday morning, they picked up Irma's cousin, Lillian Gardner in Eastland, and they traveled to Wayland, came back in the afternoon and attended a special prayer meeting at the Pioneer Pentecostal Church. On Sunday night, Irma's brother, Dean Brannan and wife, Carol of Coleman, visited and after church Sunday night they had a "midnight lunch" about 10:00.

The annual Homecoming of the Pioneer Pentecostal Church will convene on Saturday, October 10, at 9:30 a.m. — at least, the covered dishes will begin to arrive about that time. All are invited. An article about the observance will probably be seen elsewhere in this newspaper.

Statewide Hotline In Effect For Audit Areas

State Auditor Larry Alwin announced today that the statewide toll-free citizen hotline will be expanded for citizen input in general audit areas. As of today, citizens can use the number to provide information and ideas regarding the operations of state agencies and universities relating to waste, abuse, or inefficient operations.

1-800-TX-AUDIT was installed in June to receive citizen input on the Management Audit for Public Schools (MAPS) in Texas. Alwin stated. "Citizen tips on the MAPS project were of tremendous benefit, and we plan to use 1-800-TX-AUDIT to benefit other audit projects and to assist in identifying new areas of concern to citizens and legislators."

The State Auditor's Office is an agency of the legislative branch and serves as the independent auditor for Texas state government. The SAO provides citizens, legislators, and management with useful information about the operations of state government

The 1-800-TX-AUDIT (1-800-892-8348) hotline will be staffed from Monday through Friday from 8 a.m. until 5 p.m. An answering machine will record detailed messages after regular office hours and on weekends.

Drawing For Amethyst Ring

You may purchase a ticket to win an amethyst ring in an antique brass setting valued at \$250 for \$2 or three tickets for \$5 at the Citizens State Bank. The ring was donated by Martha Dillard and the proceeds will be used to finance Lori Dillard's trip to London, England as a cheerleading representative.

The drawing will be held on November 2 at the Citizens State Bank.

COLONIAL OAKS NURSING HOME NEWS

By LINDA EDINGTON Activity Director

We had another successful Art Show this year. After working all year on their pictures, the residents were rewarded for their well-deserved work with a cash prize and a ribbon. Special thanks to Ozella Huddleston for being our judge this year. I know she had a difficult time choosing what places each one got, because each picture was unique.

A warm welcome to our new resident, Marvin Cade.

We extend our heartfelt sympathies to the family of E.K. Coppinger. He will truly be missed by us all.

Pat Hill and Mosell Helberg from San Angelo, Earlene Hughes and Mary Wilson from Baird, and Lucille Clark from Granbury visited with Lillian Smith.

Patti Sue Dolgener from San Angelo and Connie Kirkham visited Clara Coburn.

Seth and Carolyn Morgan and LaVerne Scott visited Ressa Glover. Also, Louise Foster.

Eunice Starr, Jeanette Wiginton, and Collis Eager visited Virgie Eager. Ethel Sims was here visiting everyone. Also, Tonya Schaefer.

LaVerne Scott, Jo and Charles Boatright, Garland and Elva Nell Dupriest from Rankin, Michael and Austin Dupriest from Lumberton, Glena and Bill Kirkham from Oklahoma City, Oklahoma, Vickie Williams, Connie, Nikki, and Mikki Griffith from Noodle, and Velma Lee, Doris Goble, and Eddie Fay Dillard visited with Valerie Rouse.

Pat Robison from Grand Prairie, Claudell Joy, and Jeanell Purvis visited with Ruth Joy.

Sharon Hooten and LaTosha Clanton from Fort Worth visited Inez Ingram.

Activities during the week:

Monday: Bingo winners were

Midge McCall (4), Ressa Glover (2), Estille Breeding, and Sylvia Smith (2). Exercise class.

Tuesday: Art Show. Dominoes and

popcorn.

Wednesday: Sing-a-long wit

Wednesday: Sing-a-long with Ernestine Watson, Vera Pearl Bunnell, Clyde Linker, Ruby McCowen, Vernie McMillan, Frankie Smith, and Ozella Huddleston. Exercise class.

Thursday: Linen folding. Domino and Skip-Bo games.

Friday: Bingo winners were Mildred Ford, Lucille Stone, Sylvia Smith (2), Clara Coburn, Midge Mc-Call (2), Ruth Joy, Vera Belyeu, Estille Breeding, and Ressa Glover. Afternoon singing with Ruby Mc-Cowen and Daisy King.

Sunday: Church service with Pioneer Pentecostal.

Look at failure as only a temporary set back.

PFC JUSTIN O. WHITSITT

Whitsitt Graduates From Marine Basic Training

PFC Justin O. Whitsitt, son of Dale and Myrna Mitchell, Cross Plains, graduated from Marine basic training on Friday, October 2, 1992. Upon graduation, the Commanding Officer, Lt. Col. M.A. Einsidler, presented PFC. Whitsitt with a Certificate of Commendation for superior performance while undergoing recruit training at Company H. Second Recruit Training Battalion, Recruit Training Regiment, Marine Corps Recruit Depot, San Diego, California.

Throughout this challenging twelve week period, he demonstrated extraordinary performance of duties during all phases of academic and military training. In recognition of this accomplishment, he was selected as the Platoon Honorman. This is an honor earned by only one recruit in the platoon. His dedication to the Marine Corps and his fellow recruits reflect great credit upon himself and is in keeping with the highest traditions of the United States Marine Corps.

PFC Whitsitt also received the LEATHERNECK AWARD in recognition of outstanding performance while undergoing recruit training with the 2050 Platoon. He will continue his training upon returning to Camp Pendleton, California where he will attend a four week school. Upon completion of this school, he will possibly be sent to Memphis, Tennessee for an indefinite period for a Marine Training School.

USDA Announces New Provisions For Disaster Program

COLLEGE STATION — Producers applying for U.S. Department of Agriculture disaster payments under Phase II and Phase III of the Disaster Assistance Program will be able to receive payments in a more timely manner. President George Bush had the USDA extend the disaster signup and ensure that producers who qualify for benefits under Phase II and Phase III of the Disaster Assistance Program will receive a payment rate of 50.04 percent of the payments for crop losses approved for coverage.

U.S. Senator Phil Gramm said, "This streamlined approach will immediately provide funds for losses suffered in recent years. This will enable producers to meet current obligations and prepare for the new crop year. The continued stability of agriculture is important to every American."

The Agricultural Stabilization and Conservation Service is extending the period for producers to file for benefits under Phase II of the program to February 12, 1993, for those crops planted in 1991 for harvest in 1992. The original deadline was October 2 Payment of benefits up to 50.04 percent will be made to producers as soon as they have furnished the required documentation and the application is approved by their local ASCS Committee. The extended signup period does not change the requirement for producers to purchase crop insurance on the same crop for 1993 if this year's crop loss was more than 65 percent, as required by the 1990 farm bill. The extension gives producers adequate time to file their claims under the disaster program.

Jerry D. Harris, Chairman of the Texas State ASC Committee said, "Today's announcement shows this Administration's desire to improve program delivery and help American agriculture. This will help eliminate hardships on family farms caused by 1992 crop losses and add stability to Texas agriculture."

The payment rate is the same used to determine disaster payments under USDA's 1990-1991 disaster program announced April 13. Applications will be processed and checks mailed to qualifying producers as soon as possible. Producers desiring more information on the Disaster Assistance Program should contact their local office of the Agricultural Stabilization and Conservation Service.

Private Applicator Training Oct. 12

A private applicator training session for agricultural producers who desire to obtain a private applicators licenses will be held on Monday. October 12. at 8 a.m. in the old Taylor County Courthouse in Abilene. This training is for producers who do not have a private license. according to Greg

Gerngross, County Extension Agent.

This is not a training to obtain CEU's. A five hour training session for licensed applicators will be held on November 19 in Abilene for CEU credits. More information on this training will be publicized as soon as details are worked out as to the time and location. For more information on these programs call the Extension Office at (915) 854-1518.

AIRMAN WARREN L. PARSON

Warren Parson Graduates From Air Force Basic Training

LACKLAND AIR FORCE BASE, San Antonio — Airman Warren L. Parson has graduated from Air Force basic Training here.

During the six weeks of training the airman studied Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward and associate degree through the Community College of the Air Force.

Parson is the son of Homer D. and

Wanetta Parson of Rural Route 1, Rising Star.

He is a 1992 graduate of Cross Plains High School.

Family Financial Seminar Offered

The next family help workshop to be offered by the United Methodist Church will concentrate on family finances. Pat Sprayberry from the financial division of the Central Texas Conference of the Methodist Church will be the consultant for the Sunday. October 11, 3-5 p.m. workshop.

Many aspects of family finances will be discussed: budgeting, setting priorities, tips for saving a few dollars here and there, insurance programs and looking into safe investments. Time will be provided for questions and concerns from the group, also.

Sprayberry brings a dual background to this workshop — that of a Christian philosophy in the financial world. These years of experience will provide the basis for the afternoon's discussion.

If you find yourself constantly having too much month left at the end of the money, this financial seminar is for you! Bring your questions and a friend on October 11.

There will be no charge for the afternoon and all are warmly invited to attend and participate.

Jimmy Davis Aboard USS Tarawa

Navy Petty Officer 3rd Class Jimmy W. Davis, son of Alan W. Davis of Rising Star, Texas, is aboard the amphibious assault ship USS Tarawa, homeported in San Diego. USS Tarawa is currently off the coast of Somalia to back up an airlift of U.N. troops to the famine-stricken nation.

The Naval Amphibious Ready Group will provide seaborne command and control and communications for the U.S. military airlift carrying 500 Pakistani troops under U.N. command to Mogadishu, Somalia. Additionally, the ARG would be available for search and rescue operations.

The ARG is on a routine deployment to the U.S. Central Command Region, and will conduct training and operations, participate in exercises and support emergent operations as required.

The 1984 graduate of Cisco High School, Cisco, joined the Navy in August 1984. He is the grandson of Mr. and Mrs. Fred Davis of Cross Plains.

Hunter Education Course Offered

The Texas Hunter Safety Eduation course is now being offered by certified instructors. The time is Monday through Wednesday, October 12-14, from 6:00-9:00 p.m. in the Cross Plains Ag building. The maximum number of students allowed is 20 and already 17 have signed up.

Remember, "Effective September 1, 1992 — Hunters whose date of birth is during the period September 2, 1971 through August 31, 1976 must have successfully completed the course to hunt in Texas." You must be a minimum of 12 years of age in order to complete the certification training.

The course cost is \$5.00 and is payable at the time you take the course. If you have any questions or would like to sign up, please contact Chandra Scott at 725-6121 or 725-7526 after 6:30.

MINUTE MUSINGS

By ESTHLOY S. DICKSON

My late sleep was broken this morning by a pair of owls above my west window. Their 'duet' was amusing, but disturbing my sleep wasn't funny.

It is so still out there - not a leaf stirring. The sunshine is beautiful. I don't know what October weather is supposed to be. We will just wait and see, and take whatever transpires what else could we do?

I received a nice letter from my sister. Opal Cox. She lives down in the country on the family ranch. She recently went with a group to the State Fair Park in Dallas to see the 'Catherine the Great' display. That group is going to San Antonio soon to the Fiesta there.

I've been amused recently by my 'deer visitors'. One day there were two grown deer and two babies. They drink water from my birdbath every time they come in here.

J.T. and Betty Beggs were in Temple Thursday and Friday of last week - visited with Mr. and Mrs. Rusty Beggs. They are expecting a granddaughter just any moment. They reported that Mr. Joe Ingram went home from the hospital on Friday.

Bob and Sally Roady visited Ms. Nettie at the Nursing Home nearly every day. They visited Mr. Mac Childers on Friday. They visited Bob's brother and family at Lake Coleman Saturday afternoon. They talked to Cindy and Charlie in Missouri. They are getting along just fine.

Ms. Jewel Foster didn't have any special news - she reminded me of the AARP meeting at 11 o'clock this morning. I probably won't make it it is 10:30 at this moment.

WTU Offers New Service

Boosting the area economy just got a little easier. West Texas Utilities Co. now has available a new economic development service designed to offer significant incentives to new or expanding businesses. The service option was approved September 30 by the Public Utilities Commission of Texas.

"The Economic Development service is a rate that offers a discount on electricity to qualifying businesses such as manufacturing and industrial facilities," said Paul Brower, vice president of marketing and business development for WTU. To qualify a new business would have to locate in WTU's service territory. An existing business would have to, among other things, add more employees and equipment to their operation and be served by WTU.

The amount of the discount a qualifying company could receive depends on the number of new jobs they create. An industry that adds 21 or more employees would enjoy the greatest discount.

The new rates will not mean higher costs for other customers. "Actually other customers will benefit from improved economic opportunities which this service can help produce," Brower said.

The discount for a new or expanding business will gradually be phased out over a four year period, allowing time for the business to establish itself.

The service allows any community development program within the WTU service territory to include the new Economic Development service rate in their portfolio to attract and encourage new business and promote growth in existing business.

For more information, contact your local WTU office. The electric utility serves a 52,000 square mile area of West Texas that stretches from the Red River to the Rio Grande.

National 4-H Week Oct. 4-10

Dear Editor:

Some of my best memories while growing up in Paint Creek in Haskell County were associated with my 4-H club activities. In fact, I would suggust that our 4-H work helped instill in every member of our club a sense of responsibility and dedication. These are qualities that I have tried to carry with me into my adult life, and ones I hope to pass on to my children, Sydney and Griffin.

National 4-H Week, October 4-10, gives us a time to reflect on a program that brings a practical learning experience to the youth of America. The cornerstone of this youth organization, "learning by doing," has withstood the test of time.

Today, one out of every 10 Texas youngsters is involved in 4-H, and many of their learning experiences revolve around animals. Whether it's raising a pen of rabbits or feeding and grooming a market steer for the show ring, these young people are learning a strong sense of satisfaction and commitment that comes with tending and caring for an animal. Walk through a country fair or regional livestock show this fall and you will see that sense of duty and pride beaming from ear to

But today, we also find that more than two-thirds of our children live in an urban setting, and so 4-H has changed with our shifting population trends. Nowadays, you might find a group of youngsters in downtown Dallas tending to a roof top garden, or kids in Houston working with natural resource or wildlife programs. Or it may be that group of youngsters in Austin learning leadership skills and group planning on a county recreational team.

4-H embodies all that is right with our country's young people - embodies their hopes and dreams for the future. But what's more, 4-H is helping them turn their hopes and dreams into fact and reality.

Texas agriculture is proud to take this opportunity to salute 4-H and all the extraordinary people who make it a shining sucess.

> Sincerely, Rick Perry Commissioner of Agriculture

CROSS PLAINS REVIEW Thursday, Oct. 8, 1992

Colonial Oaks Services

Church of Christ will conduct worship services at Colonial Oaks Nursing Home on Sunday, October 11, commencing at 3:30 p.m.

Burkett News

By TERRI BUSHNELL

The Strickland Reunion had a good turnout last Sunday. They had 70 to register and all had a good time. They voted to have the reunion again next year on the first Sunday in October.

Eureta and Jody Whitley of San Saba visited Lat Mountain Sunday. Adrian Price of Coleman visited him Tuesday.

Tommy Burns of Breckenridge and Lanette Burns met their other brother and sisters near Austin last weekend.

where they camped out. This is an an-

nual get-together for the Burns family. Clyde and Kathy Farrell and Low and Liz Golson visited Grace Green

Monday Low Golson was honored with a birthday dinner Saturday. Guests were Grace Green, Michelle Wilkowich. Kelsey and Logan, Jake Golson, and Wade and Kala Golson of San Angelo.

Jim and Cindy Kuebler and daughters, Lynn, Winnie, and Robin, visited Miriam Kuebler Sunday.

CROSS PLAINS VOLUNTEER FIRE DEPARTMENT REPORT

By RON BELL P.I.O.

The Cross Plains Fire Department has started the month of October with a call for service on the first day. At 5:40 p.m., October 1, Deputy Sheriff Randy Pancake discovered a grass fire burning out of control just inside Brown County line and alerted the Cross Plains Fire Department. Local volunteers responded with two units and brought the fire under control.

Speaking of fire equipment. Looking in the Guinness Book of World Records, the most powerful fire engine is an 8 wheel OshKosh at 860 horsepower. It can discharge 49,920 gallons of foam through 2 turrets in just 150 seconds. This engine is used for aircraft fires.

The equipment at our Fire Station may not put out this much water, but speaking with pride, the Cross Plains Fire Department does a good job.

The fastest fire engine has a top speed of 130 miles per hour. The Cross Plains Fire Department can be proud of their response time. We may not travel at 130 mph, but we respond quickly.

The Liberty Bell was first rung on July 8, 1776 to announce the adoption of the Declaration of Independence.

Senior Citizens Stats

By MARIE HORTON

There was excitement at our Center this past week as Arnold Horton and Marie Morgan were married Saturday, October 3. They had met at the Center in February 1991 when he came to visit his sister. Eunice Pointer. Arnold, Marie, and Mary Bates worked together last year when the Senior Citizens sponsored Toys for the Children of Cross Plains area. We are hoping they can do the same this

The citizens have discovered a new game called Chicken Foot and really enjoy playing. Others play Farkle, Pool, 42, etc. They play Bingo Friday morning and other games in the afternoon, as Friday is game day.

What fun they have on Tuesday when Vicky takes the van to Brownwood! Some shop, while others just go along for the fun of it.

Wednesdays, we enjoy hearing Sister Ruby and Pearl Greenwood play the organ and piano while some of us

gather around and sing. Vicky takes some on nature drives. We miss each other if some are sick, as Paula was a few days last week. We are happy she is back and feeling better. A.B. had eye surgery, but I am happy she can see better and she's

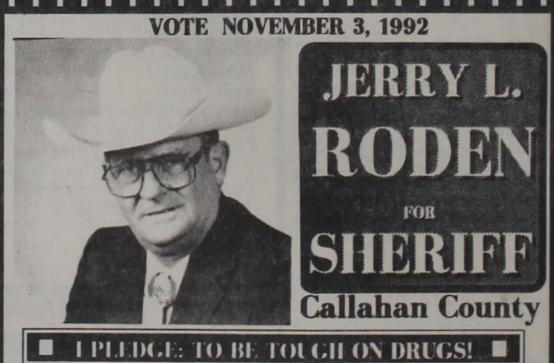

Pauline and O.B. have moved into town. We are happy they are closer to the Center now.

back playing games with us.

Marvin is doing some better. Oh, how we miss him and Allie. We hope they can be back with us real soon.

Chuck has been feeling poorly, but we are so happy he is feeling better. It was so nice to see so many of you

at the wedding. Now, until next week, keeping being happy!

1. I intend to make life miserable for anyone who manufacturers

or deals in illegal drugs within Callahan County! 2. I will enlist the aid of every state & federal agency that can help

us to make this as drug-free a county as possible! 3. When a drug bust is made, I intend to confiscate everything

that is legal to confiscate--cars, homes, land, furnishings, the gold in their teeth, if I can get it!

4. I will implement a comprehensive drug education program within our school systems to include: talks by past students of the school system who beat a drug problem that they started while in school, trustee prisoners from TDC to tell the students of the consequesces of drug & alcohol abuse in a language that they can understand!

5. I will work for the purchase of a drug dog for use within the county. I believe that the cost of the dog & training will be more than offset, by the return from confiscated property from drug busts and the ability to use the dog at any time for drug searches n our schools or along the interstate! Paid by Jerry L. Redon, BC 06, Box 20, Buird, Tr. 78504
