NEWLY PURCHASED AMBULANCE—EMS volunteers pictured are Ray Hardin (from left), Rolan Jones,

Vivian Hardin, Betty Lewis, Susan Schaefer, Lucille Koenig, Barbara Albrecht, and Warren Trammell.

## Cross Plains EMS Receives New Ambulance

The Cross Plains Emergency Medical Service has received the ambulance to be used as a backup unit for the service. This was made possible by the \$20,000 matching grant the E.M.S. received from the Texas Health Department. Since it is a matching grant, the E.M.S. will have to make up half of the expenses incurred.

The E.M.S. volunteers will be asking everyone in this area to help with this task by making donations, buying tickets on a half of beef, and going out to eat with them at the benefit dinner in June.

The Cross Plains E.M.S. appreciates all

those who help with the finances of the service. There are a lot of expenses incurred to keep two emergency vehicles ready to go at any moment. The #148 unit made over 12,000 miles last year and 172 emergency runs were made. Anytime you see an E.M.S. volunteer, be sure to let them know how much they are appreciated.

May 23-29 is E.M.S. week. The Cross Plains E.M.S. volunteers will be knocking at doors asking everyone to help us keep this service going in the Cross Plains area.

NEED A NEW SADDLE—Purchase your tickets at Lawrence Farm and Ranch

Supply, Inc., and help the Callahan Junior Livestock Exhibitors.

## Win A Saddle

By CHANDRA SCOTT

The Cross Plains local stock show committee is selling tickets for a saddle to benefit the youth of Cross Plains who participate in the Callahan County Junior Livestock Show every year. The committee has been given the opportunity by Lawrence Farm and Ranch Supply, Inc. to hold a drawing to give away this saddle. It is on display at the store and, hopefully, will be moved around to different businesses for the public to view.

The tickets sell for \$1 each. The drawing will be held at the Cross Plains FFA Rodeo on June 5, and you do not have to be present to win. You may purchase a ticket from any stock show committee member or from the Cross Plains FFA Chapter. Call 725-6121 and ask for the ag department if you need further information.

The Cross Plains FFA and the ag teachers appreciate the hard work that the

committee does every year gathering funds for the kids at the stock show. The committee also runs the concession stand at the FFA Rodeo every year. Thank you for your commitment to youth and the FFA.

## Celebrate Life

By MICHAEL HALE

We want to extend a warm invitation to everyone to hear and experience Celebrate Life, a musical drama that presents the life of Jesus Christ as told through the gospel of Matthew, Mark, Luke, and John. The spirit of the musical is warm and inviting, yet celebrative of what Jesus Christ ultimately did at the Cross and in His resurrection.

The drama use of music and narrative to tell the story from the birth of Christ through the resurrection is a very moving program that tells the good news that Jesus Christ lives.

This musical drama will be presented by the Youth Choir of the Coggin Avenue Baptist Church in Brownwood. The place will be the First Baptist Church of Cross Plains on Sunday night, the 30th of May, at 7 p.m.

Following the presentation of the life of Christ, there will be a fellowship for all youth.

This group of dedicated volunteers must be state certified with 100 classroom hours and 35 clinical hours. They answer all emergency calls, day or night, for a four county area and are on stand by for all home football games and rodeos. Please help when they call on you!

FmHA can also provide other loan assistance, including operating loans, and advice, if needed, to help the borrower get started.

The Burkett Community Board and Fund Raising Committee wish to express their deepest appreciation for the businesses and individuals which have supported the Community Center, both local and afar.

The gym has offered a place for our youth to practice basketball and other sports, community suppers, socials, musicals, a polling place for elections, church dinners and functions, family reunions, ex-students reunions, and funerals have even been held in the grand old structure.

It's a very worthwhile cause to save it. Once again, THANKS so very, very much for the donations and help.

## MINUTE MUSINGS

By ESTHLOY S. DICKSON

Here it is the middle of May already! A combination of spring and summer. I've talked to both my sisters this morning—good reports from both. They are so dear to me! I talked to my kids this week.

Sunday School attendance was lower than usual on Sunday—however, church attendance was great. That pastor's sermon was very interesting.

Betty Beggs was her usual 'sweet' self this morning. She reported that Mr. and Mrs. Dick Smith, Eugene Monroe, and Leroy Monroe, all of Fort Worth, visited them Sunday afternoon. After church on Sunday evening, J.T. and Betty visited with Jeanette and L.W. Mitchell.

Sally Rody was her usual cheerful self this morning. Their week was a busy one, but about usual. They visited Ms. Nettie at the nursing home, and talked to Cindy and Charlie on the telephone. They visited with Mr. Mac Childers in the city. They were in church Sunday morning. Bob sings with the choir.

Mrs. Jewel Foster was in our Sunday School and church on Sunday morning. We had good attendance in our class. She is away from her telephone this morning.

After our friend, Vanda, had her 'crew' out here to mow my acres, my young neighbor mowed his acres west of my line. Surely improved the appearance out there.

## THE PIONEER PATCHWORK

By IRMA MILLER

The ladies of the quilting club worked on the Bear Paw last Tuesday. The colors of the Quilt of '76, erroneously dubbed Dutch Mill in the Patchwork of May 13, are red, navy, and white. Each of the navy octagonal pieces has a white star in the center. The creator of this attractive quilt named it the Quilt of '76 because she began piecing it in the bicentennial year.

On Monday, Jean and James Alexander went to Clyde to visit with Jess and Berniece Pyeatt. While there, James and Jess played golf at the new golf course. On Thursday, Jean, May Jones, and Martha Dillard went to Abilene and had lunch and spent the day.

Frankie and Oliver Smith returned home from their trip to San Angelo and the Big Bend area. In San Angelo Monday, they attended the performance of their grandsons, Scott and Joey, in the Boys' Choir. They went on to Big Bend and visited Mr. and Mrs. Robert Martin and saw a lot of the park. It was lots of fun hiking and mountain climbing, Frankie said. One was named Lost Mine Mountain, and one took five hours to climb, 2 1/2 miles back down. For some reason they suffered with sore legs. There were no bluebonnets (a year ago was the last rain that had fallen) but they saw cactus blooms, lots of road runners, three deer, a prairie dog town between Fort Stockton and Marathon, and the Hot Springs, which had an interesting story displayed on the exhibit. They stayed at the Martins' trailer house while the Martins were at the Basin Lodge. Back home, they attended granddaughter, Laura Rankin's baccalaureate in Rising Star. Laura also sang a solo during the ceremony.

Novilia Barton's children, Cecil and Mary, came Saturday and went back on Sunday.

Laverne and Cowan Hutton went to Lubbock and back on Monday. They visited there with his mother.

Visiting Nell Fleming were Mrs. Lucille Barr of Cross Plains on Thursday, Novilia Barton of the community at lunch on Wednesday, and Sam and Eva Fleming of Cross Plains on Sunday.

Barbara and Bob Powell, together with other couples in the Cross Plains Garden Club, took a trip to Paint Rock and viewed the pictographs. The twelve couples also saw the Ernest and Dorothy Barrow museum at Eola on Friday. The museum features artifacts, Indian articles, a pipe organ, doll collections, bottle collections, and windmills, among the many things observed. All had a good time.

An interesting addition to the Big Bend paragraph is that Oliver fed a javelina (wild pig) which came up to their place (it probably had been fed before) and took a piece of bread out of his hand. The place where the trailer was parked is called Panther Junction. Frankie and Oliver took a walk along the Santa Elena Canyon trail. They also went golfing at Lajitas, and had supper there.

## G/T Classes Enjoy Dallas Trip

By BRANDI RICHEY and CAROL ATCHLEY

The Cross Plains Elementary Gifted and Talented classes in grades 1-5 visited the "Science Place" at Fair Park in Dallas on Friday, April 24. The group of twenty-one students, two teachers, and five parents had a full day of fun and learning.

While at the Science Place, the students spent time in the Lego Engineering section. And using the Legos, they built a wheelbarrow, a pair of pliers, and a drill.

The students then went to a large room filled with tons of experiments. While

there, the group tested their reactions, saw a human brain, and much, much more.

All of the students felt that the Science Place was a fun and exciting place to visit and encourage everyone who has the opportunity to visit there.

Aside from bus driver, Randolph Jones, G/T teachers, Pat Stephens (grades 3, 4, and 5) and Karen Richey (grades 1 and 2), going on the trip, several parents went, including Terry Nixon, Becky Joy, Anita Nickerson, John Swift, and DeAnna Black.

**TIGER CUB SCOUTS AND MOMS ATTENDING TIGER DAY CAMP** — Karen Richey (back row, from left), Vicki Hataway, Brenda Nelson, Bonnie

## Cub Scouts Attend Tiger Day Camp

By BRENDA NELSON

Local Tiger Cub Scouts and their Adult Partners attended Tiger Day Camp May 1, held in the Festival Gardens at Nelson Park in Abilene. Boys and their partners were placed in temporary color dens for the day's activities, along with other couples from the district. Coincidentally, Cross Plains members were all placed in either the purple or yellow dens, which are our school colors.

The events were kicked off with a group opening and reciting of The Pledge of Allegiance. Adults and Tigers enjoyed the camp by playing several games, which included a water balloon toss, and the boys' favorite — giving their partner a shave complete with real shaving cream! Cross Plains' boys attending all brought their mothers as partners and the boys made quick work of shaving off all our cosmetics!

There was also a visit to the Abilene Zoo, a handicraft project making several dinosaur items, and an added attraction this year was T-shirt screening. This is available at the other camps, but has not

been available at Tiger Day in the past. Each couple was allowed to print the Tiger Day Camp logo on shirts to take home for souvenirs at this event.

Dickson, Vickie Williams; Brandon Phillips (front row, from left), Jordan Hataway, Josh Nelson, Dusty Dickson, and Marcus Williams.

Various bead awards were given for participation at each activity to wear on the special Tiger Cub leather bead holder. Each den was allowed a break at the Trading Post for drinks and snacks during the day, and each boy returning an empty aluminum can also received a bead award. At noon a picnic lunch under the shade trees was enjoyed by all. Later in the evening our families were invited for the awards ceremony and closing show.

Camp personnel and den leaders for the day were recognized with awards. Serving as Den leaders from Cross Plains were Vicki Williams — yellow den and Brenda Nelson — purple den. Incoming Tigers and their partners were inducted into the Council and received a black stripe on each cheek to signify their membership. Tiger Cubs preparing to graduate to the Bobcat ranks in June and their partners were recognized and received their black stripe plus an orange stripe to signify their near completion of the year as Tiger Cubs.

Cross Plains members attending and receiving recognition were: Dusty and Bonnie Dickson, Jordan and Vicki Hataway, Josh and Brenda Nelson, Brandon and Karen Phillips, and Marcus and Vicki Williams.

Mothers were all glad to have more makeup applied after our shave and the orange and black shades really complemented our uniforms well!

Camp patches were awarded to each boy in attendance, then several dens did a song, stunt, or skit for the closing show. Guests attending the Family Time Ceremonies were Jarron and Jim Hataway and Jonathan and James Nelson. All agreed it was a wonderful day spent exploring the wilds of Tiger Scouting at the Chisholm Trail Council sponsored event.

I would like to personally thank each parent and Scout for attending and doing such a good job of representing our local Den and Pack at this function.

## TO THE PARENTS OF CROSS PLAINS

Bill and I wanted to thank you for allowing your children and teenagers to come in for lunch, play games and pool. All of your children have been a delight and have brought much joy and manners with them. When Bill or myself have asked them to help us do something, they never ask why, they just do it for us. You should be very proud of them.

I have received some negative phone calls from parents not wanting their children in the game room and that is your right as their parents.

It is my right to reassure you that Bill and myself supervise both young ones and teenagers while they are in the game room. We do not sell them cigarettes or snuff, as you have been lead to believe. Next school year, we will not allow even our seniors to smoke during lunch hour.

We wish our senior graduates much success in their future endeavors and will look forward to our lunch crew next September.

May the Lord Bless our youth of Cross Plains and may they all find his way of travel.

Sincerely,  
Bill and Judith  
Lewis

## SENIOR CITIZENS STATS

By MARIE HORTON

Our thoughts are with all that are on the sick list, including Faye Chambers, Paula Mustian, John Masey, and anyone who hasn't attended due to illness. You are missing the beautiful bouquet of roses that Rolan Jones brought for our Center. Thank you, Rolan, so very much.

We had wonderful music this past week, as Les Henderson played the accordion. His lovely wife, Faye, was with us also. We always enjoy them when they visit with us.

Les gave us the following article describing our generation "the survivors." Hope you enjoy reading it.

**For all those born before 1945, here's some food for thought,**

contributed by G. Lee Kennedy

We are survivors!!! Consider the changes we have witnessed! We were born before television, before penicillin, before polio shots, frozen food, Boise Hewlett Packard, plastic, contact lenses, frisbees, and the Pill. We were born before radar, credit cards, split atoms, laser printers and ballpoint pens. Before pantyhose, dishwashers, clothes dryers, electric blankets, air conditioners, drip-dry clothes...and before man walked on the moon.

We got married first then lived together. How quaint can you be? In our time closets were for clothes, not for "coming out of." Bunnies were small rabbits and rabbits were Volkswagens. Designer jeans were screaming girls named Jean and having a meaningful relationship meant getting along with our cousins. We thought fast food was what you ate during lent and outer space was the back of the liberty theater. We were before house-husbands, gay rights, computer dating, dual careers and commuter marriages. We were before day care centers, group therapy and nursing homes. We never heard of FM radio, tape decks, VCRs, electric typewriters, word processors, artificial hearts, yogurt and guys wearing earrings. For us, time-sharing meant togetherness...not computers or condominiums. A chip meant a piece of wood, hardware meant hardware and software wasn't even a word.

Back then "made in Japan" meant junk and the term "making out" referred to how you did on an exam. Pizzas, McDonald's and instant coffee were unheard of. We hit the scene where there were five and ten cent stores. Where you bought things for five and ten cents...creameries sold ice cream cones for a nickel or a dime. For one nickel you could buy a beer, ride a street car, make a phone call, buy a Pepsi or enough stamps to mail one letter and two postcards. You could buy a new Chevy Coupe for \$600...but who could afford one? A pity, too, because gas was 11 cents a gallon! In our day, grass was mowed, coke was a cold drink and pot was something you cooked in. Rock music was grandma's lullaby and AIDS were helpers in the principal's office. We were surely before the sex change. We made do with what we had. And we were the last generation that was so dumb as to think you needed a husband to have a baby.

No wonder we're so confused and there is such a generation gap today. But we survived — what better reason to celebrate the coming of the twenty-first century!!

## LETTER TO THE EDITOR

Speaking for my wife and I with no other solicited comments from other participants, I want to express my appreciation for a job well done at our local Dairy Queen. Not only does our D.Q. offer employment for a large number of people but they offer good food as well.

The particular meal I want to make reference to is served on Thursday evenings. It's a Senior Citizen special that includes a big meal, plus drink and dessert for a ridiculous low price. Can't mention the price because I don't want Senior Citizens from other towns invading our good meal.

It also affords a large group of Senior Citizens a chance to enjoy the company of others while eating good food.

Thanks, Ophelia. We appreciate you.

### Look Before You Leap

Home gyms can give you a pretty complete workout without health club fees. Make sure you have everyone who is going to use it, try it out at full weight. Under heavier weights machines may develop friction and squeaks. Welds are better than bolts because they will not wiggle loose, sealed bearings don't need to be oiled. You may have to pay quite a bit for shipping if you order a machine with lots of weights... but less expensive flexible bands may need regular adjustment.

Your better health is our concern.
