## The Interior of Your Home

The beautiful interior, where there is no conflict in color, design or furnishing, is restful; there is an atmosphere of comfort and contentment. It is easier to forget little worries of the day and be inspired to bigger, better things in such a home.

Wise is the man who builds with wood, with Southern Pine, for no other material than wood can give a house those qualities which we think of when we think of home.

It is our desire to help you own a real home, Our plans and views will give you many helpful suggestions. Why not avail yourself of our building-helps service?

Credit Buying Means Over Buying

It's so easy to say, "Charge it." But paying the bill is another thing.

Hundreds of people are led into real extravagance, almost without their own knowledge, by charge accounts, and many of them can't pay.

Some one must pay-or the merchant goes to the wall-

## Who pays? YOU

You who pay your store bills promptly. You who do not over buy. You who are thrifty and careful.

You pay the bills of the foolish people-and the dishonest people--and for all the bad leaks and losses ir, the usual credit business. You cannot afford to doit.

We are going to run this strickly as a cash store. So you should pecome a customer of THIS STORE, where you pay only for the goods you need, where no one overbuys, and where all save money. Begin to-day to buy economically by wading here; you'll prosper.

Our ad. last week left the impression that we were closing out our stock to leave town; we beg to say this business is here to stay.
