## HOME TOWN GOSSIP

For the sake of giving gossip fed ears a chance to relax, we will devote our epistle this week chiefly to the theme of football. Due to the fact that Cross Plains high school Buffaloes are a long way on their campaign to bring the first conference championship to this place in the history of the loop, the subject perhaps warrants the space.

A glance at the official schedule shows but four hurdles to remain between the local purple and gold clad warriors and the coveted championship flag. The first is at Putnam today, when the herd is to meet a team highly inspired and anxious to lick the Buffaloes.

Dope stacks up a bit higher on the side of the local gridgers, however, and they are expected to topple Putnam's hope by at least two touchdowns.

After Putnam, comes the second hurdle and what is regarded as the only crucial test. Needless to say, the foe will be Albany. The game will be played here Saturday afternoon November 11.

The Lions like the Buffaloes are undefeated and determined to make a stubborn bid to rule the top rung of the ladder again for 1933. Advance dope on this tussel stacks pretty close to even. Anything may happen. It looks like another of those cases of the irresistible force and the immovable object.

The herd will have a breeze the week following the Albany game, when they meet the oft-defeated Williams high school squad. Coach 'Goober' Keyes will no doubt give his second stringers a chance to earn their letter in that contest.

The fourth and hurdle in the conference campaign will be at Rising Star November 30. Although it is a bit early to prophesy in regard to this contest, it looks like another "show day" for Cross Plains.

And speaking of the Rising Star game, we wonder if Doc Sellers will be as anxious to back his home team with a "practical bet" as he was last year when the Wildcats were top heavy favorites, and this columnist was forced to somersault across the gridiron to settle a wager.

How about it Doc? What is your privilege; a wheel-barrow or the more modern stilt walking?

## MRS. NANCY KENNEDY IS LAID TO REST IN COTTONWOOD CEMETERY

Cross Plains' oldest citizen, Mrs. Nancy Y. Kennedy, 89, was laid to final rest in the Cottonwood cemetery Saturday afternoon, besides the grave of her husband, who preceded her in death 36 years. Funeral services were conducted from the Baptist church here, of which Mrs. Kennedy was a member. Dr. C. A. Voyles pastor, officiated. He was assisted by Rev. Ross Respress, Cottonwood pastor.

'Grand-ma' Kennedy, as she was affectionately called by people of Callahan County, expired at her home here Friday afternoon shortly before four o'clock, after an illness of several days.

Miss Nancy Pool was born in Troup County, Georgia, August eighth, 1844. She came to Texas soon after being married in the sixties and settled in Callahan County in 1893, residing here more than 40 years.

Surviving are eight children; two sons and six daughters; they are: Sidney Kennedy, Jayton, Texas; K. Kennedy, Oklahoma City; Mrs. G. A. Holderidge, Los Angeles, tonwood; Mrs. E. R. Norton, Seagraves; Mrs. Mary Carter, Ballinger; Mrs. Jess Carter, Austin, and Mrs. S. M. Buatt, of Cross Plains, with whom she made her home. Mrs. Kennedy is also survived by a number of brothers and sisters, many of whom were present for the funeral service.

Among out of town people to attend the funeral and interment service were, Mrs. E. T. Scott and Mrs. Lee Hickey, both of San Angelo; Mr. and Mrs. Tyre Pool, Eula; Mr. and Mrs. Tom Pool, Westbrook; Mr. and Mrs. W. H. Norred, Putnam; and scores of others, whose names the Review was unable to secure.

## 3 LOCAL MEN ARE HELD AFTER BROWN COUNTRY MAN KNIFED

Guy Meadows, who suffered severe knife wounds in the abdomen at his home near Brownwood Friday night, was recovering normally in the Medical Arts Hospital yesterday, according to authentic reports from the bedside. Three Cross Plains men; Lee Tullos, Oscar Tate and Louis Helms were arrested in connection with the case and appeared before a Brown County grand jury early this week.

The three local men were held at Brownwood until Wednesday after being arrested here Saturday. Meadows was believed at first to have been wounded fatally but doctors have declared that unless complications set in he will completely recover.

## 7,241 BALES COTTON GINNED IN CALLAHAN

Census figures show 7,241 bales of cotton were ginned in Callahan county from the 1933 crop prior to October 18. 1,835 bales had been handled through the gins at the same period last year.

## MARY MASSA WILL ACCEPT POSITION AT SAN ANTONIO

Miss Mary Massa, who has been employed by the Citizens State Bank here the past six years, will leave Saturday for San Antonio where she will begin work Monday morning in the offices of the Home Loan Bank.

Miss Lois McCord has taken Miss Massa's place at the Citizens State Bank for the time being at least.

## BRIGHT SPOTS

Peanuts were selling in Cross Plains Wednesday afternoon for 70 cents a bushel, as compared with 30 cents for the same period last year.

Optimistic reports are received from the Citizens State Bank here, where figures show that more than \$17,000 has been collected since November first 1932. The institution has no "deferred deposits" today, compared with \$25,000 for this time last year.

Six oil wells are drilling in the Cross Plains trade territory and the price of crude is better than \$1.00 a barrel; whereas at this time last year there was but one test going down and the price was more than 35 percent lower.

A number of local wheat farmers are to receive federal checks in December for reducing their grain acreage for the next two years.

Mr. and Mrs. M. A. Jones of Forsan visited her parents, Mr. and Mrs. Martin Neeb over the week end.

## NOTHING BEEN DONE REGARDING CLOSING

Local merchants had taken no action yesterday at noon in regard to closing their stores, all or part, of Armistic Day, November 11.

## INCH AND A HALF PRECIPITATION IS RECORDED THURSDAY

An inch and half rain fell over the Cross Plains trade territory early Thursday morning, greatly benefitting stockmen and farmers. The precipitation started about two a. m. and continued intermittently through Thursday afternoon.

Although the earth was exceptionally dry throughout this section much stock water was put out and an abundant seasoning placed in the ground for Spring crops.

Farmers and ranchers expressed an optimistic feeling Thursday morning stating generally that the moisture was 'exactly' what was needed and that it fell at a very appropriate time.

Weather reports from over the state indicate that the rain would probably be followed by the first noticeable 'cold snap' of Autumn.

In Cross Plains the moisture measured one and forty-eight one hundredths in the only accurate gauge which could be located.

Appropriate tokens of the service will be given to the largest family, the couples married the longest and the shortest periods of time.

This is the third of a series of sermon preached by Dr. Voyles on the general theme of family life and religion. Last Sunday he spoke to a large congregation of husbands and wives.

Sunday is also Stewardship Day. At every service pledges will be taken toward the support of the church budget for the coming year.

IS WAR INEVITABLE?

By Norris Chambers

People everywhere are saying that war is inevitable, and that it is sure to strike soon. Yes, Germany has left the League of Nations stranded high and dry, and has given them to understand that they will purchase all the tanks and airplanes that they want.

There will be war as long as there are men—it is human nature, and it cannot be prevented. After the League of Nations was organized people

said that the world had seen its last war, and that from then on the earth would be one Eden-land of peacefulness. But now the League is being torn apart, and every country is preparing for battle.

And there has never been a war like the next war will be. The great inventors will evolve deadly gases for which there is no mask—death rays, from which there is no escape—and high explosives which will be capable of destroying cities by the score.

It is only when the men of all nations have been killed or wounded that there will be peace, and then it is doubtful. If the men can by some unheard of policy instill in the minds of the people that war is only injurious, and that nothing can be gained by fighting, then perhaps there can be peace.

As a fair example of the gains of war, let us take the last war, in which we played a leading role. We sacrificed thousands of our men for a flowery ideal—to make the world safe for democracy.

The box-supper given at school house last Friday night was a success the amount was about \$35.00.

There was a good crowd at the Hallowe'en party at Mrs. V. A. Brocks. Everyone had a good time.

Miss Cheryl Lutgens was hostess to members of the Just Us Club Thursday night of last week when she entertained at the home of her mother, Mrs. Paul Boase.

Red dahlias filled attractive vases and red roses added a bright note to the theme. The tables were centered with tiny floral bowls of red geraniums.

The honoree was presented with a five dollar gold piece by Mrs. Curtis Burkett as a gift from the group of close friends.

The menu, consisting of chicken a la king, rice potatoes, prune salad, buttered beets, pumpkin pie topped with whipped cream, and coffee, was served at quarter tables to the nonoree and the following guests: Mesdames R. E. Bryant, Jack Scott, Bill Lowe, Curtis Burkett, Misses Ava Walker, Elizabeth Tyson, Blix Pitman, and the hostesses.

THURSDAY BRIDGE CLUB MEETS AT SETTLE HOME

The ladies of all the churches met in a joint service at the Presbyterian Church last Monday afternoon. Special music was rendered and interesting talks given by representatives of the different churches.

A color scheme of orange and black suggestive of the Hallowe'en season was carried out in decorations and refreshments. One of the most interesting features of entertainment was fortunes told by an old 'witch' seated in the center of the group.

CHURCH LADIES GUEST OF PRESBYTERIANS MON.

Miss Ruth Barr entertained friends with a Hallowe'en party Monday night at the home of her parents south of town. An orange and black color scheme was used in decorations.

Mrs. Jim Settle entertained members of the Thursday Bridge Club with a bridge party at her home last week. Attractive black vases held orange cosmos in keeping with the Hallowe'en thought.

TEXANS! Your Response to My Appeal is Amazing

On Behalf of Every Katy Employee I Thank You for the Magnificent Support You are Giving

WHEN reports showed that a financial emergency was approaching our railroad, two alternatives were open to me. One was to borrow money—the other was to go directly to the people and ask them frankly to rally to our support.

Seeking a loan would have been shifting the responsibility—following the line of least resistance—taking the easy way out. All my life I have fought against odds, and I knew this would be the poorest time of all to reverse myself.

Against seeking a loan were two powerful arguments. First, the drain on the people's money, through agencies set up by their government, was already too heavy.

So, I decided quickly to lay the facts frankly before you people, and bluntly ask for your support. I had unbounded confidence in your spontaneous response when you knew what our record, frankly, what our claim on you actually is—and in several previous announcements I elaborated on the following points:

- 1. The Katy has sought no loan of the people's money, through any governmental agency.
2. The Katy has unflinchingly paid taxes, interest and all other bills.

- 3. The Katy has retained its individual Southwestern identity, free from mergers and outside domination that would destroy its singleness of purpose and service.
4. The Katy has actually improved its service, facilities and equipment through the darkest days of this depression, confident of the future of our country and the future of the great Southwest in particular.

Immediately after the first advertisement appeared, I received countless communications calling the effort a "bold stroke," a "daring departure." These expressions were a surprise to me—were perhaps inspired by the fact that such frankness with the public had seldom been ventured before.

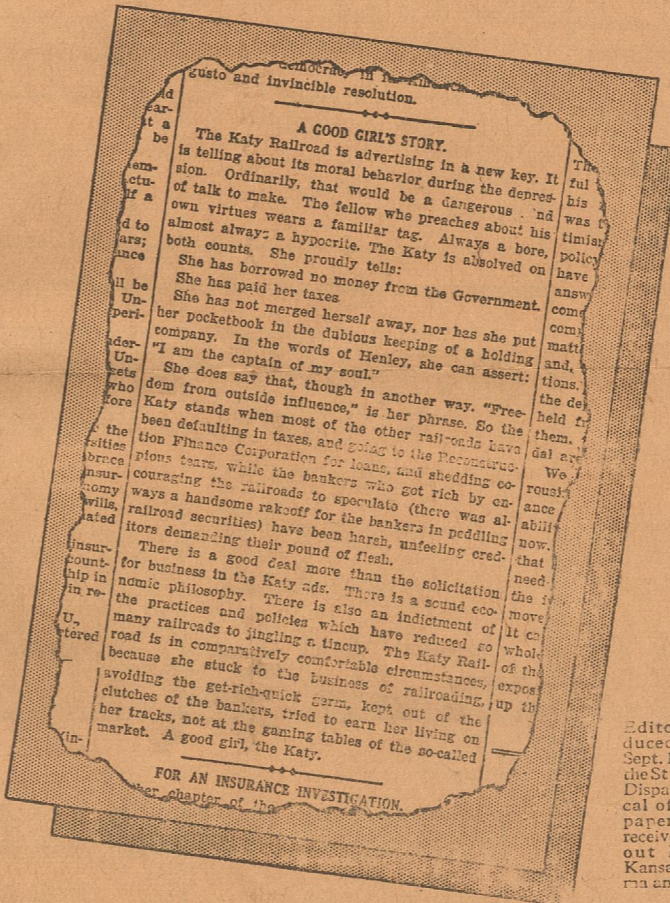

Nevertheless, your response has been amazing, even to me. Your telegrams, letters and other communications—the added volume and number of shipments you are entrusting to us, the splendid way in which you have been patronizing our passenger trains—are a source of gratification and inspiration to everybody on the Katy.

How can I thank you for what you are doing? I cannot find adequate words. Perhaps you will get some conception of the gratitude that is in the hearts of myself and all Katy folk when I say that the demonstration you are giving is flaming testimony that a people in whom unselfish response, courage and wholesome Americanism burns so brightly, cannot much longer be held back by the bonds of economic depression.

People of Texas—may I count on your continued and daily support? The battle is not yet over and softness and wavering on the highroad are both human and dangerous. I have full confidence that a people capable of such a response as you have already made cannot know what turning back means.

## Bufs Meet Putnam Panthers There Fri.

### Local Herd Defeat Caddo Cougars 14-6 In Game Saturday

The Buffaloes will again leave home this week to play, and this time they meet the Putnam Panthers at Putnam. Putnam is reported to have a strong team under their new coach. The Panthers have to date played four conference games. They are: Putnam 0 Moran 20; Putnam 35, Williams 0; Putnam 13, Pioneer 0; and Putnam won 1-0 from Clyde on a forfeit.

Last year the two teams fought to a scoreless tie on Murphy field, with the Buffaloes coming very close to scoring many times but failed. This game is likely to be as hard fought as last years.

The probable starting line-up for Putnam is as follows: Ends Jobe and Triplett; Tackles, Holder, and Cook; Guards, Anderson and Brown; center, E. Sunderman; quarter back, Cunningham; half backs C. Sunderman and Simmons; full back, Everett.

Last week the Buffaloes defeated Caddo 14-6, in dirt that was so thick you could hardly see the players. The home team scored early in the first quarter when Halbert slipped off tackle for forty yards, and Walker kicked goal. Caddo came back strong in the second quarter and on a thirty yard pass put the ball on Cross Plains three yard line. Then on a line buck the ball was carried over. The half ended 7-6. Neither side scored in the third quarter with the ball being in Caddo territory most of the time. The Buffaloes scored again with Spencer carrying the ball down to the next play, and Walker again kicked goal. The game ended with the ball in Cross Plains possession on Caddo seven yard line.

### PEP SQUAD GOES ON BUS TO CADDO GAME

As you all know the Pep Squad dislikes the thought of the foot ball team going any where unheard of and unsung, so, about noon, Saturday, after a short drill on the school grounds, they climbed into Mr. Howell's bus, filling it to capacity, bound for the Cross Plains-Caddo game.

We sang songs all the way and gave cheers to our Buffaloes while passing thru each town arriving in Caddo about three o'clock.

After parading the only street, of which Caddo can boast we proceeded to their ball-field, and enjoyed one of the best games of the season on a dusty field.

With sore throats and dirty faces we started home about five-thirty, stopping in Ranger for drinks and lunch. Miss Nelson called the roll before leaving Ranger to determine if all were aboard and everyone being present we arrived home safely about ten o'clock.

Those accompanying the Pep Squad were: Catha Lee Brady and Mildred Wadson students at Howard Payne, Maxine Jones, Phyllis Chandler, Mary Billingsly, and Mesdames Fred Cutbirth, Paul Boase, S. R. Jackson, Walter Westerman, M. E. Howell and daughter Jimmie Kate.

### ASSEMBLY IS HELD IN AUDITORIUM MONDAY

The entire student body met in the high school auditorium Monday for a short assembly. The carnival was discussed. All the candidates for carnival queen were gathered on the stage and as a big hand was given them. The Putnam game was discussed by Mr. Williams and Mr. Keyes.

The 33 '34 Literary Club held its fifth meeting Friday, November 3, 1933. The president took charge of the meeting and the following program was given: A Character Sketch of Franklin D. Roosevelt, Soc Walker. How Old is the Human Race, Elmer Farr. Characters in Macbeth, Florence Pierce, The Greco-Turkish Peace Example to Europe, Fanora Neeb, and about Books and their authors.

J. H. Browning of Austin, and Miss Vada Smith attended the show at Cisco Sunday. Mr. Browning was formerly relief agent at the local M. C. station here.

### Bobbie Westerman Is Made Carnival Queen For Hallowe'en Nite

Last Wednesday the Juniors class elected Miss Bobbie Westerman as their representative in the contest for "Carnival Queen." The Juniors had their choice of the three most beautiful girls in high school as judged in a former contest. Amid great excitement, the contest closed Monday afternoon at four o'clock. The Junior representative won over the Senior representative, Miss Maxine Jones, by the narrow margin of sixty votes.

### PUBLISHED BY SPECIAL REQUEST OF SOPHOMORES

Mr. Norman has learned to stutter! Tisk, Tisk, Mr. Norman; worse than ever in Algebra this week.

Bevo likes English, especially the "Tale of Two Cities." Football and his English will always be carried along with his standard. Taking two test on one subject almost resulted, when play and duty clash, let duty go to smash.

Wonder why Mr. Keyes has dropped his interest in the Albany game? (Mamma spans)

If you don't think our Sophomore can't play football ask some one that knows. On to victory Buffaloes!!

Ruth Rumph, "Mr. Norman may I exchange this text book?"

Mr. Norman "I'm sorry, it's too late you've had it a whole term."

Ruth—"But I just found out yesterday that every other page is missing."

Miss Gwathmey—"Give me a sentence using vicious."

Maxine—"Best vicious for a Happy New Year."

Miss G.—"Don't you know the King's English?"

M. "Surely, so's the Queen."

### So Far

By Lorena Childs

Clyde almost had us beat But it didn't take the Buffaloes long to get on their feet.

Pioneer has a good, hard fighting team But we have a better one if you know what I mean.

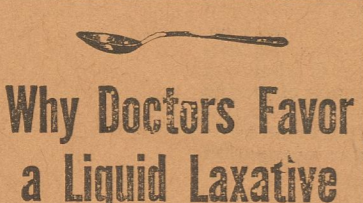

Moran's colors are also purple and gold.

But to the Buffaloes they were feeble as if they were old.

Baird was a very close game But to the Buffaloes they were almost tame.

Caddo as not so hard to beat But we gave them, as we always do, defeat.

There are a few more games yet. We will do our best or be caught in the net.

### Why Doctors Favor a Liquid Laxative

A doctor will tell you that the careless choice of laxatives is a common cause of chronic constipation.

Any hospital offers evidence of the harm done by harsh laxatives that drain the system, weaken the bowel muscles, and even affect the liver and kidneys.

Fortunately, the public is fast returning to laxatives in liquid form. The dose of a liquid laxative can be measured. The action can thus be controlled. It forms no habit; you needn't take a "double dose" a day or two later.

Dr. Caldwell's Syrup Pepsin has the average person's bowels regular as clockwork in a few weeks' time. Why not try it? Some pill or tablet may be more convenient to carry. But there is little "convenience" in any cathartic which is taken so frequently, you must carry it with you, wherever you go!

Its very taste tells you Dr. Caldwell's Syrup Pepsin is wholesome. A delightful taste, and delightful action. Safe for expectant mothers and children. All druggists, ready for use, in big bottles. Member N. R. A.

## STAMPEDE

Here are some jokes, And a few wise pokes; But be they so few, They're guaranteed to be true

There has been quite a bit of comment about our school lately as to the origination of a battle song. This song would be sung only when an athletic contest of some type, principally football, was about to begin; the purpose of it being to put that do or die spirit in the Buffaloes part. Here are two songs submitted to me by different students who become interested in the origination of such a song.

(Tune: Eyes of Texas)

The eyes of Cross Plains are upon you As this game begins today;

Victory casts a look upon you, For win by fight you may, Fight for dear old Cross Plains High men,

Fight right on to the end; Fight with might for your school boys,

Success will be ours then.

(Tune: Soldiers Chorus)

Men your task is begin again Tradition to uphold to the end Fight boys but fight clean to win Ready to fight

Ready with might For Cross Plains High.

He who an assignment should do And fail in the task Is a member not true But an outcast He who hit the foe clean And with fight at heart Isa Buddy so keen And a Buffalo mean Right from the start

Then the chorus is repeated with the exception of the next to last line which is omitted.

Bill Payne: "I know a place where men don't wear anything but hats.

Elmer "Where in the Fort Worth nudist colony."

Bill "No, on their heads."

### DEER PLAINS STUDENTS THANK PUBLIC FOR THE SUPPORT OF PIE SUPPER

We the pupils of Deer Plains School wish to thank the people of our community and others who came from Cross Plains and Cottonwood for their support of the pie supper Monday night. The amount raised—about \$15.00—will help us to buy some needed equipment for our basket ball team. The large crowd in attendance attests a spirit of loyalty to our school which we very much appreciate.

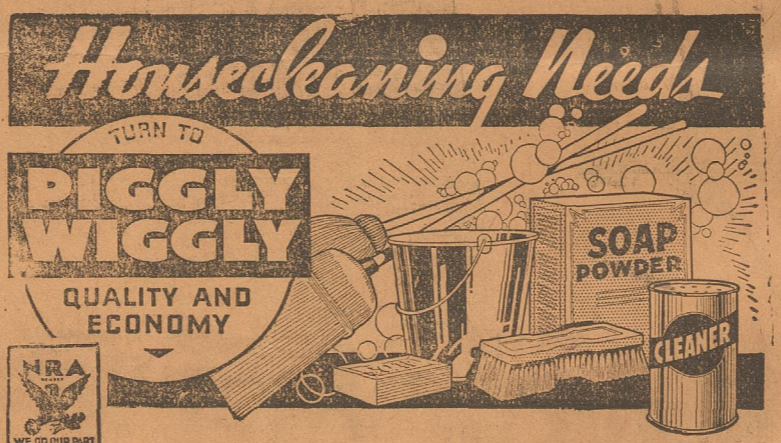

Many hearty thanks to you, also Mr. Scott, for advertising the event. Signed, The Pupils.

Mrs. C. L. Barnaby and Leila Mae Bennett visited in DeLeon last week. Mr. and Mrs. J. F. Kelly, and Bobbie Lee Westerman attended the ball game in Weatherford Thursday night. J. F. Kelly Jr. returned home with them to spend the week end.
