

Work Is Begun Monday On Local Bank Additions

Preliminary work began Monday for additions at Citizens State Bank in Cross Plains.

Workmen began making necessary changes to incorporate a 50-foot by 25-foot addition to the rear of the Citizens State Bank building. That will entail incorporation of the building formerly owned and occupied by the late S. Foster Bond and the rear of Bryan Variety building.

Jack W. Tunnell, bank president, stated Tuesday that the major service addition will be the adding of a drive-up teller window and addition of a night depository.

The drive-up teller window will be located at the rear of the building. Tunnell explained that the City of Cross Plains has allowed one-way usage of the alley in the 800 block between Main Street and Avenue E. Traffic flow will be from north to south.

The night depository will be located on the Eighth Street side of the building.

It was also noted by the bank president that the bookkeeping portion of the local bank will also be moved to the rear of the building.

No target date has been set

He added that officers and directors of the institution are anxious to offer the new services to customers. He continued, "We beg the indulgence of persons who need to use the alley while the project is under construction, for there will probably be times when it will be impassable."

Local 2-Day Art Show Is Termed Fantastic

Fantastic is a word many used to describe the two-day Amateur Art Show held in Cross Plains last Saturday and Sunday at the Multi-Purpose Center.

The successful exhibit even drew many visitors in the rain Sunday afternoon, it was reported. One hundred and thirteen works of art were on display during the two days.

It was reported that due to the large number of entries complete results had not been compiled by deadline Tuesday morning. Results will be announced in next week's Review.

The show is sponsored by the Paint & Palette Club.

MORE THAN 400 VOTERS CAST BALLOTS LOCALLY

It is a part of the annual fund-raising endeavor of the local United Methodist congregation.

It was pointed out that tickets may also be purchased at the door Saturday night for the same \$2.50 charge.

Ranger Nips Hurt Herd; Home Finale Set Friday

Host Ranger Bulldogs upset a crippled Cross Plains Buffalo Herd by defeating visitors 12-9 in a District 10-A contest Friday night.

The win, first of the year for Ranger, pleased a homecoming crowd. Buffaloes who have posted a 2-6 mark, are still winless in conference play.

As the score indicates, the two teams played on about even terms, according to the statistics. Bulldogs got 12 first downs to 11 for Bisons. Rushing yardage was tabulated at 130 for the hosts and 124 for visitors. Ranger had 57 yards passing and Cross Plains had 17. Ranger lost two fumbles and Cross Plains one.

Ranger Quarterback Santos Hernandez was the hero for the winners. The signal caller scored on a nine-yard run in the first quarter for a 6-0 Ranger lead. In the final quarter he threw a seven-yard pass to Flanker Clark McNabb for the winning touchdown with 10:42 left in the game. McNabb caught the ball in end zone after it had been tipped by defending Buffs.

Both Ranger tallies came after fake punt plays resulted in pass completions.

Cross Plains knotted the score at 6-6 when Fullback Eddie Jackson hit paydirt on a five yard run. The drive was kept alive by key runs by Halfback Randy Dillard who suffered a injury in the drive. Point-after kick was not successful.

Rain Slows Area Peanut Harvest Near Completion

Gentle, soaking rain fell over the Cross Plains area Sunday and Monday, halting the peanut harvest which was in full swing.

The rain showers began falling early Sunday morning and continued for most of the day Sunday. More moisture fell Monday morning. Cooler temperatures accompanied a cold front which moved in Sunday night, and Tuesday morning dawned clear and cool.

Most observers opine that the harvest of peanuts is from two-thirds to 80 per cent finished. All expect it to be completed in 10 days to two weeks of pretty weather.

The soaking rain was thought to be of help to some peanut producers who had found fields too hard and dry to dig crops easily. The moisture, which ranged from about a half-inch to an

inch also greatly benefitted small grain crops and fall pastures.

Yields on the 1978 crop peanuts are running generally higher than expected. Especially on dryland peanuts yields where

August and September rains fell are running better than average. A general average in the Pioneer area is estimated at 45 to 55 bushels per acre. Some have ranged up to 65 to 70 bushels. Grades are reported to be

much better than a year ago when most farmers were disappointed. Some exceptionally high grades have been reported. Buster Harris got an 82 on irrigated runner peanuts. He farms between Pioneer and Rising Star. Hulon Erwin, who farms just west of Rising Star, has had several 80 grades, also irrigated runner peanuts.

Several area growers have been receiving grades in the 70's on Spanish dryland crops.

Three area communities had an inch of rain. That amount was reported by Alton Tatom at Atwell, G. T. Dawkins at Sabano and W. O. Rachels at Pioneer.

Gauges in Cross Plains varied between .80 of an inch and one inch.

S. E. Paige near Cottonwood reported .80 of an inch, and Dalton Gould of near Burkett measured .70 of an inch on Monday morning with light rain still falling.

Only about .50 of an inch was gauged by Les Byrd in the Cross Cut community.

Library Group Continues Canvass; Books Donated

Canvassing continues for the local library. A full report will be given in next week's paper.

Gift books most of which are current best sellers totaled 129.

Mattie Faye Dixon gave 48 volumes, 44 hardbacks and 4 paperbacks; Mrs. Jack Watkins, 32 hardbacks, 49 paperbacks; Mrs. Dora Bell Harris Longley of California gave an extensive medical library.

Residents are urged to go through their books to see what can be donated.

If any person has not given to the library fund and desires to, please see any library committee person, according to Mrs. Henry Burkett, chairman.

"Reports filter in from other communities this size about what they're doing about library service. Many people have said they would like an opportunity to check out books here. If everyone would give something, we can have a library to be proud of," said Mrs. Burkett.

The money in the Vivian Lee

Memorial Fund will be used to purchase one single item at a later time.

Bank, Post Office To Note Veterans' Day

Citizens State Bank and Cross Plains Post Office will observe Veterans' Day.

The national holiday, Saturday, Nov. 11, will not be observed by most Cross Plains businesses, although several offices and concerns customarily are closed all day or part of the day on Saturdays.

Citizens State Bank will be closed Friday in observance of the holiday since the institution is closed on Saturday anyway.

Cross Plains Post Office will operate on holiday schedule Saturday. That means there will be no rural route mail delivery, but first class mail and newspapers will be boxed in the post office.

Joe E. Hanke, Jr., local postmaster, noted that outgoing mail Saturday will leave here at 9:05 a.m.

Home Health Service Film Carded Nov. 16

Cross Plains and area persons are invited to attend the showing of a film on home health services available in this community to be shown at the Multi-Purpose Center at 2 p.m. Thursday, Nov. 16.

A spokesman stated that the nursing service is available through the West Central Texas Home Health Agency, the film sponsoring organization.

Title of the film is "Love Without Regard".

It was briefly stated that the WCT Home Health Agency offers services or skilled nursing care in a patient's home through approval or orders of a physician.

Among some of those who may qualify for the services are ostomy and catheter patients, those needing injections, dressings changes, intravenous feedings, physical and speech therapy and dietary and management instructions for the newly diagnosed diabetic. The services are offered by Registered and Licensed Vocational Nurses from the agency.

CTO Gives School Recreation Money

Superintendent Scot H. Edington has announced that the Central Texas Opportunities, Inc., headquartered in Coleman, has given Cross Plains Schools \$390.20 to apply to the cost of implementing a new physical education program.

The funds came from "summer recreation money", Edington stated, and allowed the school to purchase equipment for the new physical education program. "Every Child A Winner", which is currently being implemented in the local system. The new program includes students in kindergarten through third grade.

Late Local Veteran Pens Tibute To Dying Buddy

Saturday will be Veterans' Day, and in observing that day, the Review prints a poem written during World War II by the late Bill Jones of this city.

At the time of writing Pvt. William T. Jones was serving his country having served overseas on the island of New Guinea and the Admiralty Islands. He had been in the military 15 years at that time.

The poem was written in memory of his buddy Pfc. Weeyman Ray of May, who was killed on the Mote Air Strip in the line of duty. Both were fighting with the 1st Cavalry Division.

The writing is titled "The Boy of the First".

Will you see my folks when you get the chance? tell them I went O. K.

Also see the girlie I met at the dance before we sailed away.

Put the old poncho under my head, and

Straighten my leg a bit, My spine is done, the doctors said, it throbs

where the shrapnel hit. Roll me a smoke for the last time, sport,

and give to me a light. I rolled him one of the old long sort;

I placed it in lips gone white. A butterfly came with like push

of brilliant hue and rare. A bird came and sang in a nearby bush

A melody sweet and clear. I gazed at the face of the beardless lad,

now drawn with searing pain; And the bird song changed to a note so sad

as it sang with faultless strain. Did he know that death was in the glade with sickle poised ready to fall

On the lad who lay there never afraid smoking and waiting his call? I wonder then if the coming age

would realize the truth. Would it be written on history's page

what America owes to her youth? The sun shone down on a grassy dell

in a place where a shell had struck, I am going, goldie old man, farewell,

give me your hand, good luck. I dug the grave for my fighting friend,

my heart was heavy and sore. War made us pals yet made it end,

and his years were not yet a score. He is resting now between mountain streams,

where cold the evening air Birds songs and cascades, sweeten the dream

of the boy who lies buried there.

Veterans Service Office Open 3 Days

Callahan County Veterans Service Officer I. G. Mobley announces that his office in the basement of the courthouse at Baird is now open three days weekly (Monday, Wednesday and Friday) from 8 a.m. until 4 p.m.

Those having business with the Veterans Administration in which Mobley is in position to be helpful are encouraged to keep this schedule in mind, thereby eliminating the possibility of a fruitless trip to the courthouse to contact him.

Pioneer Area News

By Mrs. Ethel Brown

We've had a bit over one half inch of rain which was very welcome for the new grain crops but not exactly wanted by the peanut farmers. The beautiful rainbow late Sunday afternoon was a pleasure to see, it had been so long since one appeared.

Mr. and Mrs. J. T. Beggs entertained some of their children and grandchildren over the week end. Mr. and Mrs. Rusty Beggs and three daughters of Caldwell and S. D. Beggs of Eastland. On Monday afternoon Mrs. Beggs and Bonnie Arnold went to C.J.C. in Cisco to see the pictures in the library of the college.

The singing at the Leonard Norris home on Saturday night was well attended as usual. From Brownwood came Mr. and Mrs. McClusky and their daughter-in-law Sue, Mr. and Mrs. Blessingame. From Rising Star, Mr. and Mrs. F. L. Dean and Grace Morrison, and from May Opal Fleming and Grace Glenn.

Mike Wheeler of Byrds Store and Winnie Flippin visited the Leonard Norrises on Sunday.

Mr. and Mrs. Marvin Axson of Maryland have been visiting their son John's family in San Antonio and came by the lady's sisters, Hazel Coursey, Mrs. Burgett and Mildred Coon for a few days visit before going to California to make their home. He is retired from the army.

Tuesday is quilting day again. Only a few more before December. So come enjoy the fellowship and fun as well as the quilting.

The old saying "Trouble never comes singly" was realized by some of my neighbors. Mrs. Tom Flippin (Wanda Fay) called me to report that her cousin J. P. Wolf who had been ill for some time, died Friday afternoon and to be buried in Snyder at 2:30 p.m. Saturday. At the same time she received word that her sister-in-law's mother, Mrs. Hincman who lived in Abilene, had died peacefully sitting in her chair. Funeral services for her were to be sometime Saturday afternoon. Mrs. Nettie Stacy of Brady was thought to be some better after a relapse last week end. She is a sister of Mrs. Winnie Flippin.

Mrs. Sue Taylor stopped by for a brief visit with her parents, Rev. and Mrs. A. C. Halsell, on her way to San Angelo to stay a few days with her new grandson Christopher David Bates, who was born Oct. 31. Mrs. Halsell visited the art exhibit and enjoyed the pictures.

Pete and Jean Fore visited with her brother's family, the Albert Harlows of Grand Prairie, from Sunday of last week until Wednesday. Two other sisters joined them there, Vi Harlow and Juanita of Marble Falls. Jean's brother Albert isn't improving as fast as they wish he would.

Mrs. Gertrude Hester of Cisco visited with Velma Brown Sunday. She will take Grace Brown from Colonial Oaks Nursing

Home to Dr. Treadwell for a checkup Monday in Eastland. Her son Bill Hester, is home from the hospital after having a heart pacemaker surgery.

Mrs. W. B. Sooter had lunch with Mrs. Lizzie Brooks on Sunday (in Cross Plains).

Mr. and Mrs. Raymond Sharbutt of Odessa visited in the Homer Parson home Saturday afternoon. Travis and Warren spent Friday night with their grandparents, Mr. and Mrs. Truett Parsons.

Wanetta visited in Pioneer Friday morning with Mrs. Hazel Coursey. Wanetta plans a sample sale of toys and gifts the last day of November.

Willie George Parrish is in the hospital in Abilene for a check-up. We hope he will soon be home again. His wife is staying at the home of a daughter in Abilene.

Mrs. David Lewis of Grand Falls, the former Evanda Hathaway, who lived in the Coon home during the oil boom, spent two weeks with the girls lately.

Mrs. Lucille Harris of Abilene was a recent visitor.

James Alexander and his mother attended the ball game Saturday night in Abilene between A.C.U. and the Sam Houston University.

Jean Alexander and Betty Browning went to Dallas for the week end. Betty went on to Houston to get acquainted with her great grand nephew.

Mrs. Eugene Foster is doing fine after recent major surgery. She is home and doing small tasks to gradually regain her strength.

Hiram and Jewell Foster have both been on the sick list but doing fine now.

Mrs. Joe (Nell) Fleming will be correspondent next week. Call her at 643-4646 as early as possible.

Texas 4-H Center Dedication Slated

The Texas 4-H Center, completed in 1975 at Lake Brownwood, will be formally dedicated Wednesday, Nov. 8, announces Greg Gerngross of Baird, county agent with the Texas Agricultural Extension Service.

Special ceremonies will begin at 11 a.m. and will include a "burning of the note" indicating the final payment on the \$1.5 million facility. A special plaque to be placed at the center will also be unveiled.

Keynote speakers on the program will be T. Louis Austin of Dallas, chairman of the Texas 4-H Foundation and chairman chief executive of Texas Utilities Co. and Grant Shrum of Washington, D. C., executive director of the National 4-H Council.

The 4-H Center is owned by the Texas 4-H Foundation which is a nonprofit educational organization that arranges for financial support of the 4-H program. The center is staffed by Texas Agriculture Extension Service personnel.

Purpose of the center, built solely for private funds, is to provide a setting for training both youth and adults in a wide range of areas but centering primarily on leadership. Since the center opened its doors in 1975, some 8,000 to 10,000 persons have received training annually.

The facility is open the year round, with the summer months used for volunteer training. Any organization with an educational program may use the center, says Gerngross.

MRS. ELISE HARMON BACK AT HOSPITAL AT TEMPLE
 Mrs. W. B. (Elsie) Harmon returned to the Scott & White Hospital at Temple one day last week as a medical patient. It was reported here last week end that she is improving. The local lady recently underwent major surgery and spent several weeks in that hospital.

Farmers, Ranchers Due Questionnaire

From mid-November to early January, many Texas farmers and ranchers will receive a crop or livestock questionnaire from the Texas Crop and Livestock Reporting Service or will be personally interviewed by the Service's field staff, says Greg Gerngross, Callahan County Agent.

Accurate estimates have always been of great importance to producers and are even more important in light of the supply-demand situation facing agriculture today. Data collected in this survey will provide an accurate picture of agriculture for each county and for the state of Texas. Each farmer or rancher receiving a questionnaire is urged to fill it out carefully and return it promptly to the Agricultural Statistician in Austin the agent said. Individual reports are confidential and used only for state and county estimates, he added.

By Mrs. N. V. Gibbs

This is the second norther of the fall season where fires in the house are needed for comfort. If this is any indication of what is in store for us weather-wise, more wood and other fuels will be needed to stay warm.

Six tenths of an inch of moisture is general over the community. This was needed on grain fields but some farmers with hay and peanuts, it is a set back for them.

November is in its sixth day already and seems to be passing by in the rush of coming holidays.

Mrs. Hank Bennet along with her Abilene friends attending the Arts and Crafts Fair at the Civic Center were Connie Holder and Karen Leveret of Abilene.

Mrs. Gene Mauldin visited Mrs. Earl Haddock in Abilene last Wednesday.

Mr. and Mrs. Bob Dye and Julie drove to Mason Sunday where they spent the day with her parents, Mr. and Mrs. Douglas Denny.

Those visiting with Mrs. Ray Boen during the week were Mrs. Bill Lawrence of Cross Plains, Don and Chris Price of Abilene, Roy Thornton of Abilene and Mrs. Curtis Price and Mrs. Gene Mauldin.

Her program was titled, "Techniques For Painting Roses." Mrs. Williams is a close friend of Mrs. Dye and also is a former resident of Cross Plains.

Mr. and Mrs. Robert Watson and sons attended the Baird-Roscoe football game in Baird Friday night.

Mr. and Mrs. Don Harrell visited in the Eugene Bell home Saturday night.

Mr. and Mrs. Charles Palmer and Michael of Clyde visited in the Sterling Odom home Friday night.

Mrs. Russell Dye accompanied Mr. and Mrs. Tommy Dye and Douglas to Cisco Saturday night where they attended the dinner theatre at Cisco Junior College. Gene Dye had the leading part in the play, "Light Up The Sky." The group enjoyed the performance very much.

Those visiting in the Warren Price home during the week were, Mr. and Mrs. Vergil Smedley of Clyde, Mr. and Mrs. Emmett Price of Cottonwood and

A Halloween party was held at the Multi-Purpose Center Tuesday, Oct. 31, for Brownie and Junior Girl Scouts. Gifts were given to the girl with the most original costume and the best dressed girl in Brownies and Juniors. Brownie winners were Cheryl Gay dressed as a butterfly for most original and Julie Dye dressed as an angel for the best dressed. Need Social Security Number To Get Job

People who plan on getting a job during the Christmas shopping season but do not have a social security number should act quickly to get it, Glyn Hammons social security district manager in Abilene said recently.

Most employers require job applicants to show their social security card. Not having one may mean difficulty in getting a job, Hammons said.

People who need a social security number can apply for one at the Abilene social security office. If the person is 18 or over he or she must apply in person. A person should allow 6 weeks after applying to receive a number.

Everyone, regardless of his or her age, must furnish proof of age, identity, and U.S. citizenship or lawful admission status when applying for a number.

A birth certificate or church record of birth or baptism recorded before the person's fifth birthday is preferred evidence of age and place of birth. For evidence of identity, the document should show a person's signature, photograph, or other identifying data.

People born outside the U. S. must present evidence of their U. S. citizenship, such as a U. S. passport, naturalization certificate, citizen identity card, certificate of citizenship, or consular report of birth.

People not citizens of the U. S. must present their immigration documents.

A leaflet, "Applying for a social security number," lists different documents which can be

used as proof of age, identity, and citizenship status. Free copies can be obtained at the Abilene social security office, located at 142 S. Pioneer. The telephone number is 698-1360.

The Freshman Class at Cross Plains High School will sponsor a bake sale Saturday, Nov. 11, from 9 to 12 a.m. The sale of baked goods will be set up in front of Higginbothams and Citizens State Bank. Gene Dye Appears In Cisco College Play

Gene Dye of Cross Plains appeared in a production of the Cisco Junior College Dinner Theatre Saturday, Sunday and Monday.

Dye, son of Mr. and Mrs. Tommy Dye of the Rowden community, played the role of Sydney Black, the producer in Moss Hart's "Light Up the Sky".

The play revolves around some professional theatre people

who attend the opening of their new play off Broadway. They are elated over the prospect of success, partly because they are using the work of a young, unknown writer. Several quite comical situations develop as the events of opening night unfold.

The CJC Dinner Theatre is located in the Roof Garden at the Victor Hotel in downtown Cisco.

HINTS FOR ADVERTISERS

When you next call The Review, 725-6111, to place a classified ad, remember that words are your business. Words properly put together in an ad mean more phone calls and more sales for you. Follow the rules below and get more and faster results.

- 1. Put in the address**
Many out-of-town readers will write you, but will not spend money for a long distance call.
- 2. Put in the phone number**
Many readers will call you but will not find it convenient to come to your home or business.
- 3. Avoid use of blind boxes**
Avoid them if possible. They are difficult to answer and people prefer to deal directly.
- 4. Put in the price, by all means**
Surveys show that many people will not answer an ad unless the price is given.
- 5. Keep the readers from guessing**
On important details it is better to include them if they are relevant to a sale.
- 6. Be available**
If you advertise your phone and address, be sure you are not absent when the ad appears so as to accommodate the reader.

WHY MEN ARE LOST

Let us continue with our series of thoughts as to WHY MANY ARE LOST. Last week we suggested that many are lost because "They Will Not Surrender to the Lord." May we further suggest that many are lost, and may be lost eternally because:

II. THEY ATTEMPT TO GUIDE THEMSELVES.

Man directs his own life in material matters, and many assume they are at liberty to do so in spiritual matters. Even though the Bible teaches us that "it is not in man that walketh to direct his own steps" Jer. 10:23, many still attempt to do so. The result is spiritual chaos. In Rom. 10:1-3, Paul said that the Jewish nation was in a lost condition due to rejecting God's righteousness while following their own.

It is folly for human beings to reject divine guidance as he strives to live a spiritual life. It is so easy to be deceived — either by others or by one's own self — that we must hearken unto the teachings of Jehovah. The example of Saul of Tarsus makes this point exceptionally clear. Saul was a devout Hebrew religionist who THOUGHT he was correct in opposing Jesus of Nazareth by persecuting the church. Even after his conversion to Christianity Paul stated:

"I have lived in all good conscience before God until this day" Acts 23:1.

Yet according to his own testimony, he had been "chief of sinners" 1 Tim. 1:15. Evidently, then, the conscience of man is not a safe guide in religion. We cannot be guided by our feelings for they often are deceptive. In Prov. 14:12 we read, "There is a way that seemeth right unto a man, but the ends thereof are the ways of death." We feel a certain way due to evidence we have received. If that evidence is false our feelings will be misguided also. If sincerity alone will save us, Christ need not have died. If it really makes no difference what one believes as long as he is honest and sincere, then what need do we have of the Bible? Beloved, the infinite God, Creator of mankind, knowing man's inability to direct his own steps, that there are ways that seem right to man that are wrong, gave us His precious Word to guide us from earth to heaven, and said, "Blessed are they that do his commandments, that they may have a right to the tree of life, and may enter in through the gates into the city." Rev. 22:14.

Monthly S.S. Checks Total \$463,285 To Callahan Folk

Social security benefits were being paid to residents of Callahan County at the rate of \$463,285 a month at the start of 1978. Glynn Hammons, social security manager in Abilene said last week.

Social security benefits can be paid to retired persons age 62 and over, to workers who become severely disabled before age 65, and to survivors of deceased workers.

Monthly social security checks are also paid to certain dependents of a worker who has retired, become disabled or died.

Of the 2,536 social security beneficiaries living in Callahan County, 1,392 are retired workers and 152 are disabled workers. Another 385 persons are receiving benefits as the wives or husbands of retired or disabled workers. Widows, widowers and dependent parents of deceased workers number 335.

In Callahan County, 723 people

under age 65 and 1,813 age 65 and older are receiving monthly social security benefits. Of total beneficiaries, 987 are men, 1277 are women and 272 are children.

NO ADULT ED CLASSES ARE PLANNED LOCALLY

Only three persons showed up Monday night when decision was to be made whether or not to have adult education classes in Cross Plains this year.

Mrs. Clara Nell Spencer, local teacher who has headed the program locally, said only three persons showed, and a minimum of 10 students was needed to organize the class.

The students were deeply disappointed according to Mrs. Spencer, but there simply was not enough interest to have a local program this year.

Mr. and Mrs. C. M. Boatright and two of their grandsons, Ronald and Alan Hilburn, visited in Brownwood with Mr. Boatright's sister, Estell Buckley, last Sunday.

A Boulder APPROACH:

OR how

Hoover Gave a DAM.

In the early 1900's, a concrete solution was needed to prevent flooding along the Colorado River. The Hoover administration provided it. 4,400,000 cubic yards' worth. Enough concrete to pave a two-lane highway between New York and San Francisco. It was the Hoover Dam at Boulder City, Nevada. And it not only controlled flooding and irrigation, but today it generates power for Southern California, Arizona and Nevada.

The cost: \$385 million.

And one of the ways money was generated was by Americans buying government securities and taking stock in America.

Today, you can take stock in America by buying United States Savings Bonds. It's easy when you join the Payroll Savings Plan.

That way, a little is automatically set aside from each paycheck to buy Bonds. Before you know it, you'll build up a nice reservoir of savings.

So buy Bonds. It's one savings plan that holds water.

Take stock in America.

Series E Bonds pay 6% interest when held to maturity of 5 years (4 1/4% the first year). Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Burkett News Items

By Freeda Burkett

The Burkett area received showers over the week end, and it was still falling Monday with less than an inch total rainfall during that period according to L. E. Mountain, official weatherman here. Monday was wet and chilly following the cold front that came in Sunday night.

Bill Reed of Cross Plains, who is minister of the Burkett Methodist Church, plans to present an illustrated sermon at the morning service Sunday, Nov. 12. His use of puppets in the lesson will be of interest to all ages in the church, and he gives a special invitation to everyone interested to attend, especially the youth of the community.

Minister Reed is planning a fish fry for the whole community in the near future. We think this plan depends a great deal on Ebb and Mildred Jennings luck at catching fish, which usually is very good, nevertheless they may be hunting extra worms for their fish hooks to meet the demands for this event. There will be a lot of people wishing them good fishing.

Mrs. Sarah McCowen of Cross Plains attended worship services at the Methodist Church Sunday. Her grandmother, the late Mrs. Lillie Brown, was a charter member of the Burkett Methodist Church.

Mr. and Mrs. Grady Harris of Aransas Pass spent Friday to Sunday here with his mother, Mrs. Lillian Harris. Lillian went home with them to stay until after the Christmas holidays.

Dee Bludworth is at home after being hospitalized about two weeks in Coleman. His daughter, Mrs. Ruby Biehl, is staying with him until he is able to do without special care.

Mrs. Virgie Adams accompanied her daughter and husband, Mr. and Mrs. Ollie Bradford of McCamey and their two daughters and a granddaughter, on a trip to Tennessee recently. They spent a week sight-seeing in several states. They especially enjoyed attending the Grand Old Opera while in Nashville.

J. Pat DeBusk and son, Andrew, of Houston spent last week end here with his parents. Mr. and Mrs. Jack DeBusk. While here they all played in the golf tournament at the Lakewood Recreation Center course at Cross Plains, and enjoyed the fish fry at the club house Saturday evening. Because of the brevity

of time they had here they made the trip via Chaparral Air Lines from Houston to Abilene and back.

Mrs. Cecil Nicholson of Brownwood spent several nights the past week with her sister, Mrs. O. D. Bishop, and they visited daily with their mother, Mrs. Bessie Barnett of Coleman who was hospitalized for tests and medication.

Mrs. Jo Davee, accompanied by her sister, Lois Garrett of Cross Plains, went to Muleshoe Friday a week ago to visit their sister, Mrs. Clara Angeley, and her granddaughters, Mrs. Tina Bolick and Pam Shipman, and their families. They came home by way of Albany Sunday and visited that day and night with Mrs. Eula Woolridge, and Mrs. Georgia Koenig and Merle Dean Koenig. On arrival back to Cross Plains they and Mr. Garrett were invited to a lovely lunch prepared for them by Veda DeBusk.

Mrs. Norman (Kathy) Lubke and daughter Kellie, of San Angelo spent Wednesday to Saturday here with Mrs. Lubke's parents, Mr. and Mrs. Byron McAnally.

Mrs. Addie Lee Newton spent Tuesday to Friday of last week in Clyde with Mrs. Alfred Newton and Jeanna.

The Jack Stricklands purchased the old J. H. Neff home recently and moved it on their property in Burkett last week.

O. D. Cross has been moved to the Rising Star care home after being dismissed from Brownwood Community Hospital. He had been in the hospital about three weeks in very serious condition. His friends are pleased that he is feeling better.

Mr. and Mrs. James Leonard of Odessa visited his mother in Ballinger and came here Thursday to spend a few days with her brother and family, the Dick Koenigs and other friends and relatives here and at Cross Plains.

Mrs. Peggy Hilburn flew to Houston Saturday to visit a friend, Mrs. Ruby Hill, and to get her checkup at M. D. Anderson Hospital. Mrs. Hilburn was scheduled to return to her home here Tuesday evening.

Cottonwood News Items

By Alice Champion

Hello folks, how's this weather feel to you. Where did those hot June and July days go. An electric blanket felt good to me this morning and a fire makes the house more comfortable now.

I'm sure Wallace Bennet of the Cottonwood Store has no desire to see another stick of cord wood, especially in the road. When coming home from Abilene at night last week, he failed to see this piece in time and it has cost him \$365 so far in car repair. So he would say to folks traveling road 2228 between Cottonwood and I-20, beware of what you might hit, from Cord wood to cows.

Another road that seems to have been forgotten is the old peak bus route road. So be careful on our rub board road out this way. Unless you creep over them, there is danger of losing control of the car, it shakes so bad as one owner can tell you.

Visiting in the A. L. Breeding home Saturday were her sister and husband, Mr. and Mrs. W. W. Stephens and daughter and family, Mr. and Mrs. Larry Key and children, Mr. and Mrs. R. B. Hayge and son Raymond and grandson Zachary all of Fort Worth and Reecie Tatom. On Sunday they all had dinner in the Tatom home, Mrs. Ethel Clark and Alton Tatom visited with them also.

Ora reports some good "42" games Saturday night and she was so glad they had all their hay in before the shower. She reports 50 in rain by Monday.

The Cottonwood Baptist Church plans lunch Sunday noon and a Singpiration Sunday night. Come enjoy the fellowship.

Glynn Nickerson returned home but must report back to the doctor. I could only get a busy signal, maybe he is already gone.

Mr. and Mrs. J. E. Blanton attended funeral services for Mr. R. B. Sullivent of Clyde the first of the week. Services were held at the First Baptist Church at Elmdale with burial in the Clyde Cemetery. Mr. Sullivent was the father-in-law of the Blanton's daughter.

Mrs. Cornelia Sandifer and Clauden Blanton had lunch at Cross Plains and attended the art show. Mrs. Sandifer had several pictures on exhibit there.

Alice Champion has returned home after spending several days with her son and family while Beverly Jo had major surgery. She withstood the surgery fine and expects to return home by mid-week.

Visiting in Ethel Anderson's home last week were her sister,

Mr. and Mrs. Wes Holcomb, Barbara Sowell and children, Vanda King and children, Rodney was to report to his doctor again Monday.

Ethel Anderson visited Mrs. Myrick Sunday and took her to church, carried their lunch and enjoyed themselves.

Remember November 17 will be musical night and Thanksgiving supper at the Cottonwood Community Center. Come enjoy the eats and fellowship.

Well folks news is short this week as we had a shower of rain and as usual not able to call many people on the phone.

Visiting Mr. and Mrs. J. P. Clark were Mr. and Mrs. Bob Robinson of Clyde and Bro. McCord and Jerry.

Visiting Jessie Wilcoxon last week end were Mr. and Mrs. Don Ballinger and Mr. and Mrs. Roy Edwards of Cisco.

Mrs. Nelda Wilcoxon and Mrs. Emma Woody were in Austin last week end where they visited their daughters and granddaughters, Thalia and Rhonda Fritz.

Mighty Mites Drop Last 2 Grid Tilts

Foes defeated Cross Plains Junior High School Mighty Mites in last two outings. Host Early beat the Mites 42-12 on October 26, and visiting Ranger edged the local team 26-18 last Thursday.

Head Coach Mack McConal expressed his thanks and that of the Mites to Athletic Director Buck Eoff, Superintendent Scot H. Edington and the Cross Plains School Board for feeding the athletes at Underwood's after the Early game.

In Buffalo Stadium Ranger nipped the Mighty Mites 26-18. Ranger broke an 18-18 deadlock with a second half eight-point tally.

Mite Fullback Tony Apple got the local team's first touchdown on a 10-yard off tackle.

The second counter came when Defensive Halfback Johnny Neeb returned an intercepted pass 55 yards for six points.

Apple got the third score when he scampered 45 yards off tackle. Conversion attempts failed after each touchdown.

Kirby Stephens caught a pass and tacked on a run for a 45-yard gainer late in the game, but the promise drive bogged down at the Ranger 15.

McConal said that he was real proud of the team overall for the fine effort. He said, "Our kids really hit hard in this game (Ranger contest)." That was evidenced by the Mites forcing five fumbles.

The junior high school coach listed 11 players as doing outstanding jobs on both offense and defense. They are Kirby Stephens, Billy Pope, Ricky Wheeler, Gary Johnson, Richard Creamer, Mike Newman, Terrel Harris, Jeff McCoy, Ricky Brown, Jimmy Davis and Roger Hinkle.

The Mites will play at Bangs Thursday, Nov. 9, starting at

REVIVAL CENTER SLATES COLONIAL OAKS SERVICES

The Pioneer Revival Center will be in charge of the regular Sunday afternoon services at Colonial Oaks Nursing Home November 12 at 3:30 p.m.

5:30 p.m. Game time was listed in another story in this week's Review as 6 p.m. That was in error. A Buffalo Junior Varsity contest will follow.

It was pointed out that only one junior high school game will be played. The seventh grade program had to be discontinued here due to numerous gridders being hurt or quitting the program.

Wednesday Rites For Mrs. Minnie Little

Funeral service will be held Wednesday at 2 p.m. at the First Baptist Church in Cross Plains for Mrs. T. D. (Minnie Lee) Little of Kermit, 91-year-old longtime Cross Plains resident.

Mrs. Little died at 10:55 a.m. Monday at a Kermit hospital. She had been in ill health for some time.

The Rev. J. R. Manning, pastor of the First Baptist Church in Kermit, will officiate the final rites.

Burial will be in the Cross Plains Cemetery under direction of Cooper Funeral Chapel of Kermit.

Born Jan. 7, 1887, at Liberty Hill, she had spent most of her life in Cross Plains. She married Thomas D. Little July 3, 1910, at Sabanno. He preceeded her in death Nov. 25, 1941.

She had moved to Kermit eight years ago from Cross Plains. She was a Baptist.

Survivors include two daughters, Mrs. A. B. (Dixie) Atwood of Kermit and Mrs. Joe B. Rain Hampers Golf Event At Lakewood

Gentle rains hampered play in the team golf tournament held at Lakewood Recreation Center last week end, but some players did finish.

It was reported that 27 teams entered the event and played first rounds Saturday. Some teams finished Sunday, and prize winners were announced as follows.

Team of Glenn and Smith of Cisco won first. Second was Ncholson-Collerman of Cisco, and third went to Fisher and Rankin of Lakewood. First flight winners were Manion and Barton of Baird. Second place team was Eoff and McWilliams and third was Barnett and Mitchell all of Cross Plains. First place team in second flight was Edmondson and Dillard of Cross Plains.

Golf balls were awarded flight winners.

A Lakewood official stated that 240 persons were served at the fish fry Saturday evening. That event was held in conjunction with the golf tournament. The Review carried the story that the fish fry and tournament was to be November 11 and 12 instead of November 4 and 5. The publisher apologizes for the

mistake. Proceeds from the endeavors were to be used to aid the center which reportedly faces financial problems.
