It is claimed that the little sum of \$2,438,037,985 50 was spent in the United States last year for liquor. Nearly twenty-five per cent more than the first issue of the Liberty Loan bonds, and neraly two and one-half times as large as the biggest indemnity ever exacted of a nation by its conqueror. All that vast sum will not be spent every year during the war, at least.

If anybody doubts that the world is going dry, let him read the returns from Porto Rico, which voted on Prohibition last Monday. Nearly 100, 000 votes were cast in favor of Prohibition, and a little more than 61, 000 against it. When the Spanards, Portuguese Negroes and half breeds decide that the saloon is to tough for them to tolerate, it's a statistics. cinch that real white folks will not put up with it much longer -- Roscoe Times.

The Government crop report in sued on August 1 gives estimate of the corn yield as exceptionally good West Bound Daily and The forecast for the Nation is a 1 tle more than three billion bushels East Bound Daily & Sunas against two and one-half billion last year. For the State binery million is the estimate against 131 million last year. Wheat for the Nation 653 million bushels; for the State, 15 million against 13 million. Oats for the Nation 1,960 million brs. against 1252 million bus.tor the State 35 m llion against 42 million these figures are given in round numbers.
