VOLUME 42

BAIRD, CALLAHAN COUNTY, TEXAS, FRIDAY, NOVEMBER 8, 1929

NUMBER 49

PLANS COMPLETE FOR BAIRD CELEBRATION NOV. 11.

NOVEMBER 11th PLANS COMPLETE

Mr. H. Schwartz, Chairman, and S. E. Settle, Secretary of the Central Committee on preparations for the laying of the Corner Stone of the new Court House by the I. O. O. F. Grand Lodge of Texas, on Nov. 11th, inform us that everything is in readiness so far as their duties go. Workmen are removing the last of the old building and the ground will be cleaned and put in nice shape.

According to reports of Committees of the Chamber of Commerce plans have been completed for a full day of entertainment, and one of the biggest barbecues ever held in Callahan County, on Armistice Day.

3296 pounds of the very best barbecued meat has been ordered and beans, bread, onions, pickles and coffee in proportion. The American Legion has agreed to serve the meal and everyone is assured an abundance to eat on this occasion. The Barbecue Committee has requested that the citizens of Baird co-operate with the boys in helping serve this feed by seeing that all visitors are fed before the home folks. There will be plenty to eat for everybody, but the people from out of town are to be the guests of the citizens of Baird on this day, and the slogan "Feed Our Visitors First" has been adopted by the Barbecue Committee. Starting promptly at twelve o'clock the boys plan to properly feed the entire crowd in record time. The committees are well organized and understand their duties and there should be no hitch whatever at meal time.

The morning entertainment will start at 9:30 A. M. with a Band concert by the Band from the I. O. O. F. Home at Corsicana. Speaking by prominent men of Texas will start at 10 A. M. Highway Commissioner, W. R. Ely and General Jewell P. Lightfoot of Ft. Worth have been invited to speak on this occasion. At eleven o'clock the entire gathering will stand for three minutes, facing the East, in silent prayer in honor of the boys who gave their lives for their country in the World War and in memory of the signing of the Armistice at that hour eleven years ago.

Local speakers will explain the proposed \$1,000,000.00 Road Bond for the benefit of the voters of Callahan County.

The Barbecue will be served promptly at twelve o'clock Army style.

At 1:45, the Parade will leave the I. O. O. F. Hall, led by the W. & O. H. Boys Band for the Court House where the corner stone will be laid at 2 o'clock by the Grand Officers of the Grand Lodge I. O. O. F. of Texas. Following is the program and names of Grand officers participating in the ceremony of laying the corner stone.

Officers Officiating: Hon. Barry Miller, G. M.; Ray Rector, D. G. M.; F. M. Compton, G. W.; E. Q. Vestal, G. Secy.; Jno. A. Key, G. Treas.; C. L. Brachfield, G. R.; F. E. Walker, G. M.; C. A. Burress, G. Cond.; W. A. Birdsoun, G. Grd.; D. F. Aston, G. Grd.; D. F. Aston, G. Her.; Rev. J. A. Campbell, G. Ch.

Officers Patriarchs Militant: Brig. Gen. F. E. Walker, Dept. Commander; Brig. Gen. E. Q. Vestal, Acting Adjutant; Lt. Colonel, C. A. Gerloff, Chief of Staff.

Grand Encampment Officers: W. S. Stewart, G. P.; W. C. Towns, G. H. P.; C. A. Gerloff, G. Sen. W.; Elmer R. Anderson, G. Jun. W.; T. B. Quayle, G. Treas.; E. Q. Vestal, G. Ser.

Officers Rebekah Assembly: Mrs. Jessie N. Ross, Pres.; Mrs. Mae Self, V. Pres.; Mrs. Mattie E. Knauff, Secy.; Followed by members of Commissioners' Court, American Legion, Boy Scouts.

Deposit of Tokens Music: Master of Ceremonies, Hon. J. R. Black, Baird; Short History of Callahan County Houses, Hon. B. L. Russell, Oration, Hon. Barry Miller, Grand Master; Rebekah Display Drill, by Coleman Team; F. L. T. and Three-Links, etc.; Breckenridge Team, Selected Drill, Eastland Team, F. L. T. etc.

County Lodges Sponsoring: Baird No. 271, Cross Plains No. 171, Greenbriar No. 294, Putnam No. 451.

Petition Granted by Hon. W. C. White, County Judge; V. F. Jones, Com'r. Pct. No. 1; J. H. Carpenter, Com'r. Pct. No. 2; G. H. Clifton, Com'r. Pct. No. 4; Record Book 1, page 240.

Program Committee: Baird, H. Schwartz, Chairman; J. R. Black, S. E. Settle, Secy.; Cross Plains, W. E. Butler, H. L. Vestal, B. B. Bond, Cottonwood, F. E. Mitchell, E. R. Peavy, G. H. Clifton, Putnam, F. P. Whitaker, C. C. Kiser, Fred Short, Special Section of Grand Lodge

County Teachers Institute

The County Teachers Institute which was held in Baird on Friday and Saturday of last week was well attended, something like 100 teachers being present. The meeting was said by many of the teachers to be the best ever held in the county.

The following resolutions were adopted by the Institute.

Baird, Texas, Nov. 2, 1929. We, the teachers of Callahan County, in Institute assembled, thank the People of Baird for their hospitality.

We thank the trustees of Baird High School and Prof. Boren and the Baird faculty for the use of the High School building and other courtesies shown us.

We have enjoyed the readings by Miss Russell and the Musical program rendered by the High School Choral Club.

The addresses of Hon. Victor Gilbert, Dean Richardson, Prof. R. D. Green and Rev. Salkild, were all well received. They made us feel that our efforts to be efficient teachers are appreciated, and that others beside teachers are willing to help us overcome many of our difficulties.

We commend Prof. Chrisman for this institute program and for his continual efforts to improve the conditions of our county schools. Two students in Callahan county schools have passed away since school began this year: Ralph Eliot of Rowden community and Albert Hector of Dudley. We express our sorrow for this sad news and extend our sympathy to the bereaved families.

We thank the pastors of the Baird churches for their hearty cooperation and for their words of helpfulness an deomfort.

We recommend that the communities of Callahan county seriously study their local consolidation problems and their solution; that they lay aside all prejudices, and do the thing that is best for the children of their respective districts; always keeping in mind that schools are created for the education of the young, that it will improve land values in the rural districts; that it will not necessarily result in the removal of the rural school houses, that are frequently needed as community meeting centers and places for public worship.

H. S. Varner
C. R. Steele
Mrs. Pittman
Miss Missouri Strahan
Committee

Putnam Holds Last Rodeo Of Season

Putnam held the last Rodeo of the season last Saturday and many said it was the best one they had had during the entire season.

There was Tournament Riding, Potatoe and Cigar races, Goal Roping, Bronc Riding.

Ruth Roach a well known Rodeo rider was present and participated in the bronc riding. Another feature was riding a bucking mule with only a surcingle as a means of staying on the mule. John Henry, of Moran, was the rider.

In the old man's goal roping contest the prize went to Mr. Charlie Peppin.

Tournament, Riding, 1st prize, L. A. Williams, 2nd, J. Frazier, 3rd, Oran Warren.

Potatoe Race: 1st prize, Oran Warren; Cigar Race, 1st prize, L. A. Williams; 2nd and 3rd prize split between Warren and Branden.

Young Men's Goat Roping, 1st prize, Warren, 2nd, Hugh McDermott; 3rd, Jhon Henry.

These Rodeos given by the business men of Putnam once each month during the summer and fall have brought large crowds to Putnam and were enjoyed by all.

EPISCOPAL SERVICES

Rev. Willis P. Gerhart will hold services at the Episcopal church Sunday at 3:30 P. M. Everybody invited to attend.

7:30; confer P. G. & Grand Lodge Degree.

After the cornerstone laying Baird and Clyde High School football teams will meet on the Baird High School Field in what is expected to be the best game of the season. Local fans look forward to this game every year as both teams are well matched and play a good game.

The people of Callahan and adjacent communities are invited to be the guests of the Citizens of Baird, on November 11th.

In Honor of Our Brave Boys Both Living and Dead

Again it is Armistice Day and we stop to honor in a fitting manner those brave lads who gave their all that we might enjoy our freedom. It is but fitting that each and every one bow his head in reverent prayer. . . . a token that we do remember them and what they gave for us.

Callahan County Club Organized At Texas Tech

On Tuesday, October 11, at 8 o'clock, the students attending Tech from Callahan county, met in room 302, Ad building to organize a club to promote their college life and to get our friends at home interested in Tech.

Clifford W. Scott acted as chairman. The name "Callahan County for Tech" was selected and as it implies, we are all for Tech. Haynie Spencer was elected president, L. A. Williams, 2nd, J. Frazier, vice-president; Florence Osborne, sec.; Weldon Varner, sponsor; Clifford W. Scott, sgt.-at-arms; Clifford W. Scott, sponsor; Blanche Jones, reporter; Weldon Varner was appointed chairman of a committee with Delene Reid and Curtis Sutphen, to select some unique names for the office holders.

We met November 4, on business at this time, Willard Kelton was elected treasurer. The vice-president was appointed chairman of the social committee, consisting of Blanche Jones and Howard Stephens.

A. C. C. T. banquet will be held at the chamber of commerce hall in Baird during the holidays; at which some 50 people will be present.

We agreed to put a page in the Tech Annual, La Ventana. Many social activities are being planned.

The following is a list of the members of the C. C. T.: Haynie Spencer, Cross Plains; Vernon Johnson, Curtis Sutphen, Weldon Varner, Clifford W. Scott, Ira Putnam, Howard Stephens, William Hamlett, Baird; Weldon Harris, Elva Minix, Carrie Holden, Delene Reid, Florence Osborne and Blanche Jones, Clyde.

The Baird Banks, First State and First National will be closed on Armistice day, Monday, Nov. 11th.

BAIRD BEARS LOSE GAME CROSS PLAINS

The Baird Bears accompanied by quite a crowd went to Cross Plains last week where the Bears played the local team, losing the game 13 to 6.

The Bears will play Clyde on the Baird gridiron, next Monday and this will be the most interesting game of the season.

BANKS WILL CLOSE ON ARMISTICE DAY

The Baird Banks, First State and First National will be closed on Armistice day, Monday, Nov. 11th.

Miss Ruth Simons Member Trinity U. Dramatic Club

Waxahachie, Nov. 8, 1929.—Ruth Simons of Baird has been selected as one of the thirty-five new members of the Trinity University Players, dramatic organization of the university.

Membership in the club is obtained by trying out, before competent judges, one's ability to act and his stage presence.

With the addition of these thirty five new members, the enrollment of the entire club has reached sixty in number.

The Players' Club is a dramatic organization of sixty members organized for the purpose of promoting appreciation for modern plays, and to enable individuals to present themselves in a pleasing manner to an audience. The club presents three full length plays throughout the year, and a number of one-act plays each month.

Third place in the Annual Little Theatre Tournament of Texas held in Dallas in 1928 was won by the club that year. Last year the Players entered the same tournament held in Houston in April.

Red Cross Roll Call and X-mas Seal Sale Not Related

The Red Cross Roll Call and the Christmas Seal Sale are in no way related, though often thought to be so by the public. The Red Cross gives aid in times of disaster, such as floods, fires storm and sickness. It is America's aid in every time of need and your membership will help to make Red Cross Service possible.

The Christmas Seal Sale is under the direction of the National Tuberculosis Association and is to aid in work of prevention of tuberculosis. Christmas Seal Sale, which will begin on Nov. 29th, the day following Thanksgiving and continue until Christmas Day. This is also a great work and we trust Baird and Callahan county will buy liberally of the Christmas Seal.

NOTICE

The American Cafe, Baird, Texas, J. E. Duncan, Proprietor, subscribed and paid for an Ad on the I. O. O. F. Lodge Cornerstone Program, but for some unavoidable reason the data was not received. We desire to give recognition to Mr. Duncan's loyalty to the movement.

SATURDAY SPECIALS

Last Saturday was another good day in Baird, some 328 visitors registering. Cash prizes were awarded as follows: Mrs. F. F. Suggs, \$1; "Sticker" Price, \$1.50; Mary Frances Coffey, \$2; Lottie Ruth Higgins, \$3.50; M. H. Fuller, \$3; Glenn Boyd, \$5; Dec Young, \$10.

District Court Does Little This Week

Very little has been done in District Court this week, due to the fact that they could have no heat in the building and on Monday Judge Long excused the Jury for the week.

The furnace has been finished and every part of the building is now heated and court will convene next week when full time will be given to the transaction of business for this term. Only a few non-jury cases have been heard this week.

The Grand Jury has adjourned after finding 23 bills of indictment, 21 felonies and 2 misdemeanors. The following report was made by the grand jury:

GRAND JURY REPORT

We the Grand Jury of the October Term 1929, wish to submit the following report. We have examined 84 witnesses and found 21 felony bills and 2 misdemeanors. We find that the law is being well enforced by the different officers of the County. We the Grand Jury have visited the Jail and found it in sanitary condition.

We wish to express our thanks to District Judge Long and to the officers of the law in assisting in our investigation of law violations. We wish further to express our appreciation of the new Court House which we find to be comfortable and convenient.

S. C. Barr, Foreman of the Grand Jury. M. G. Farmer, Secretary.

The following is a list of Petit Jurors for the third week of District Court.

Sam Gilliland, Baird; H. W. Caldwell, Clyde, rt 2; B. F. Ross, Clyde, rt 2; Sam Pierce, Clyde rt 2; O. Allen, Oplin; John Driskill, Baird; W. B. Gibbs, Rowden; Earnest Ham, Clyde, rt 1; Otho Lidia, Baird; Charley Conley, Putnam; L. L. Ford, Baird; Claude Flores, Baird; Lee Walker, Baird; S. G. Roberts, Baird; B. A. Freeland, Cottonwood; R. V. Newton, Baird; F. A. Bouchette, Clyde; J. P. Purvis, Atwell; John Wright, Clyde, rt 2; Ralph Brock Clyde rt 1; Ferris Bennett, Baird; D. Hodges, Clyde, rt 2; A. C. Ivey, Baird, rt 1; W. B. Hallman, Clyde rt 2; A. L. Freeman, Clyde; N. E. Bains, Oplin; J. G. Varner, Baird; N. B. Holloway, Rowden; C. L. Dickey, Baird; Louis Crutchfield, Clyde; Fred Cutbirth, Cross Plains; G. H. Tankersly, Baird; R. E. Bockman, Clyde, rt 2; S. S. Harville, Oplin; J. P. Smedley, Baird; Ode Berry, Baird; J. F. Browning, Baird rt 1; H. Windham, Clyde, rt 2; J. A. Howell, Baird; W. C. Hutchison, Atwell; J. W. Hodges, rt 2, Clyde.

Baird Given Publicity in Special Edition El Paso Herald

Baird was not only represented at the West Texas Chamber of Commerce Convention at El Paso by official delegates, but received a considerable amount of publicity in the Special Edition of the El Paso Herald of which 125,000 copies were published and sent throughout the United States. Pictures, an ad covering 40 square inches and a 2500 word story were carried in this special edition and additional stories and pictures to be used later.

This a good form of advertising and although perhaps does not bring direct results immediately it is worth the time and money and keeps our town before the public. Constant mentioning of a town and activities is a safe way to interest outsiders and those who are looking for locations keep up with the towns that are active, mainly through newspaper publicity.

Talking Pictures at Rit z Theatre

Mr. H. Ford Taylor, manager of the Ritz Theatre, is busy this week installing the machinery for the Talking Pictures. All machinery has been installed and the covering for the floor and walls is being put in.

Everything will be in readiness for the opening on Monday, Nov. 11th, with Will Rogers in "They Had to See Paris," an all talking Fox Movietone Comedy Drama.

Mr. Taylor has gone to a heavy expense to put in talking pictures and the people of Baird and vicinity will appreciate this fact. Be sure to hear the Talkies Monday.

To Send Car of Buckners Orphans Home

The Baptist people of Callahan county are gathering a lot of fruit, potatoes, vegetables of all kinds, chickens, turkeys, in fact anything that can be used in the home and will load a car to be sent to the Buckner's Orphan Home. The car will be in the T. & P. Ry tracks at Clyde all day Saturday and at Putnam all day Tuesday to give the people an opportunity to put their donations in the car, which will be carried to the home by the Texas & Pacific Ry con free of charge.

This a most worthy cause and every one whether you be a member of the Baptist Church should contribute to it for there is no line drawn on church affiliation at the home, where some 700 orphan children are given a good home and are being educated.

The Buckner's Orphan Home is one of the largest in the south and is doing a wonderful work in caring for these orphan children.

PURE FOOD SHOW A SUCCESS

The Presbyterian Ladies Annual Pure Food show closed Saturday night after three successful days of entertainment and exhibits.

Over fifty business firms were represented and twenty beautifully decorated booths displayed the merchandise and good will of local merchants, with several merchants from neighboring towns adding their co-operative spirit and interesting lines of goods.

The Womanless Wedding was the feature opening night and drew a very large crowd. Local men made up the cast of this show, and everything went along lovely until Parson White was about to pronounce Miss Mike Sigal and Mr. J. H. Collins man and wife and Miss Main Objection put in her appearance and tried to claim the groom. However, the father of the bride proved he had paid off the objectionary party in advance and she left disgusted, only to hear the final words of the ceremony. The following is a list of the characters of the Womanless Wedding: Minister, W. C. White; Bride, Mike Sigal; Groom, J. H. Collins; Best Man, George Nitschke; Maid of Honor, W. D. Boydston White; Brides Maids, Vernon King and J. R. Black; Father, J. S. Hart; Mother, A. L. Johnson; Baby, H. M. Dudley; Brothers, John Simons and Garland Morrison Sisters, Floyd Nichols, W. B. Jones and A. T. Vestal, Jr.; Ring Bearer Roy D. Williams; Flower Girls, Percy Roberts and H. N. Ebert; Miss Objection, S. E. Settle.

The second night's program consisted of readings and musical numbers under the direction of Misses Russell and Condon, local teachers of Expression and Music. The entertainment on this occasion was well arranged and from the hearty applause of the audience was well accepted.

Saturday night's program consisted of a musical entertainment by a string orchestra, featuring old time music.

At 3 P. M. Saturday a Baby Show was staged with about fifty babies entered in the Better Baby Contest. Bobbie, 15 mo. old son of Mr. and Mrs. Fred Jackson, was awarded first prize in the age group from 6 mo. to 18 mo. Second prize went to Horace, 12 mo. old son of Mr. and Mrs. Borah Brame. In the age group from 18 mo. to 3 years, Betty Jean, 31 mo. old daughter of Mr. and Mrs. Ace Hickman, was the perfect baby according to tests given. Donna Mae, 19 mo. old daughter of Mr. and Mrs. R. V. Newton, won second prize. Helen Marguerite, 9 mo. old daughter of Mr. and Mrs. Buck Phillips, was awarded the prize for being the baby coming the longest distance in the County to the Baby Show.

Wednesday Club Putting in Rest Room in New Court House

The Wednesday Club of Baird will establish a Ladies Rest Room in the new court house, for the benefit of those women from out of town who find the hours of shopping tiresome and wish for a quiet place to rest a while.

Furniture has already been bought and the members of the club expect to have everything in readiness for the opening of the new building on Armistice Day.

This Week

by Arthur Brisbane

**Good News, Generally
Senator Nye in a Hurry
And Hear John D. R.
200 American Dialects**

The Federal Reserve bank, realizing suddenly that this is a nation and not a pawn shop, reduced the discount rate from 6 to 5 per cent.

Perhaps it will influence professional money lenders to suspend for a while the orgy of usury.

New Jersey, first among the states, has absolutely wiped out the spy moth.

Governor Larsen and the state agricultural department are to be congratulated on a fine achievement.

More money than Wall Street could lose in a dozen panics would be saved if science could eliminate agricultural pests, boll weevil, corn borer and the rest of the army.

Excellent news comes from Florida as to the success of that state in dealing with the Mediterranean fruit fly. It has been a costly battle, but worth the money and trouble.

Samuel Insull and other big employers, following the example of Julius Rosenwald, supply money to protect employees from losses in stock speculation.

Henry Ford wouldn't agree with that idea. Two years ago when this writer mentioned certain stocks in which there were bound to be heavy losses, Ford said: "Of course. But that's the only way people can learn."

Whether it is wise not to let nature take its course in gambling as in other things, is questionable.

Senator Nye of North Dakota wants Wall Street and "all speculation lifted." What's more, he wants a remedy ready for February 1.

That's a short time for so big a job.

The Malay, in his breech-cloth, bets on cock fights.

The proud red Indian piles up his shirt and blanket, bets them on a pony race, standing in dignified nudity.

Two ways of getting something: one is to work, the other to gamble.

Ninety per cent of human beings prefer the gambling way.

That will be changed a good deal later than February 1, 1930.

From Pocantico Hills, where John D. Rockefeller is enjoying life at the age of ninety, came a statement that to the distressed was like a drink of cool water in the middle of Sahara:

"My son and I have, for some days, been purchasing sound common stock. We are continuing, and will continue, our purchases in substantial amounts at levels which we believe represents sound investment values."

Mr. Rockefeller, who has given away \$750,000,000 to science, education and fighting disease, rarely makes any public utterance. His statement about the purchase of stocks by himself and his son is his first public statement on business since 1911. It will do more than anything else could have done to restore confidence.

Those purchases, of course, will probably enable Mr. Rockefeller to give away another hundred millions. Everybody knows that his purchases are based not on a desire for profits, but to restore confidence and prevent unnecessary loss to millions.

Doctor Greet teaches English to girls at Barnard college, and proves, with the phonograph, that there are 200 American dialects between the two oceans, the Great Lakes and the Gulf.

At least, all Americans understand each other.

It is not so in France, where a peasant from Brittany cannot understand another from the Midi.

The number of American dialects reminds you of a beautiful poem about the soldiers each remembering a different name, but "All Sang Annie Laurie."

Americans may speak 200 dialects, but they all understand each other when they talk about the dollar, which is a sort of national "Annie Laurie."

You will be glad to hear that the Federal Reserve board says the Wall Street earthquake is over, public fears calmed.

It may be permissible to remark therefore, while the earthquake is still fresh in many minds, that gambling is dangerous.

And it isn't necessary. There are other, better ways of making a living in the United States. In addition to which gambling is NO WAY to make a living.

It used to be said, "Wise man, take your profits." That has changed to "Wise man, take your losses." meaning, don't sell in a panic and regret at leisure.

Two more great oil fields have been found, one in Texas, one in Kansas. And it is called "a misfortune harmful to the price of oil stocks."

It ought to mean general satisfaction, proving the limitless wealth of this country. Unfortunately, oil companies and government combined have not learned to protect oil resources and prevent criminal waste.

ELECTION ORDER

THE STATE OF TEXAS:
COUNTY OF CALLAHAN:

On this the 16th day of October, A. D. 1929, the Commissioners' Court of Callahan County, Texas, convened in regular session in the Courthouse of said County, being the regular meeting place of said Court, with the following members of the Court, to-wit:

W. C. White, County Judge,
J. W. Hammons, Commissioner Precinct No. 1,
J. H. Carpenter, Commissioner Precinct No. 2,
W. A. Everett, Commissioner Precinct No. 3,
G. H. Clifton, Commissioner Precinct No. 4,
S. E. Settle, County Clerk and Ex-Officio Clerk, Commissioners' Court.
being present, there came on to be considered the petition of R. L. Jolly and 301 other persons praying that bonds be issued by Callahan County, Texas, in the sum of One Million (\$1,000,000.00) Dollars bearing interest at the rate not to exceed five and one-half (5½%) per centum per annum, and maturing serially or otherwise not to exceed thirty (30) years from their date, (rate of interest and maturity to be fixed by the Commissioners' Court), for the purpose of purchasing District Roads and the further construction and maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof, throughout such County, as follows:

1. Bonds to be issued in the aggregate sum of Three Hundred Thirty-Three Thousand (\$333,000.00) Dollars for the purpose of the purchasing District Roads in said County, and which bonds shall have the same dates of maturity and bear the same rate of interest as the bonds heretofore issued and now outstanding against road districts numbers One (1) and Four (4) in said County.

2. Bonds to be issued in the aggregate sum of Six Hundred Sixty-Six Thousand (\$667,000.00) Dollars for the further construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof, throughout such county, and which bonds may run for a term not to exceed thirty (30) years from their date and bear interest at the rate of not exceeding five and one-half (5½%) per centum per annum.

3. And whether or not an ad valorem tax shall be levied upon the property in said County subject to taxation for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof at maturity; and it appearing to the Court that said petition is signed by more than two hundred fifty of the resident property tax-paying voters of said Callahan County, Texas; and it further appearing that the amount of said bonds prayed to be issued will not exceed one-fourth of the assessed valuation of the real property of said Callahan County, Texas;

IT IS THEREFORE CONSIDERED AND ORDERED BY THE COMMISSIONERS' COURT OF CALLAHAN COUNTY, that an election be held in said County on the 23rd day of November, A. D. 1929, which is not less than thirty days from the date of this order, to determine:

"Whether or not the bonds of said County shall be issued in the amount of One Million (\$1,000,000.00) Dollars, bearing interest at the rate not to exceed five and one-half (5½%) per centum per annum and maturing serially or otherwise, not to exceed thirty (30) years from their date, the rate of interest and maturity to be fixed by the Commissioners' Court, for the purpose of the purchase of District Roads in Road Districts Numbers One (1) and Four (4) in said County, and the further construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof throughout such county, and whether or not a tax shall be levied upon the property in said County, subject to taxation for the purpose of paying the interest on said bonds, and to provide a sinking fund for the redemption thereof at maturity."

That said election shall be held under the provisions of an Act of the Legislature of the State of Texas, passed at the First Called Session of the 37th Legislature, and approved October 18, 1926, and Laws of the State of Texas. All persons who are legally qualified voters of the State of Texas and County of Callahan, and who are resident, property taxpayers of said County shall be entitled to vote at said election. The ballots for said election shall have written or printed thereon the following:

"FOR THE ISSUANCE OF THE BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF"

"AGAINST THE ISSUANCE OF THE BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF"

The voter shall mark out with black ink or with black pencil one of said expressions, thus leaving the other as indicating his vote on the proposition.

The polling places and the presiding officers of said election shall be respectively as follows:
Voting Precinct No. 1, at City Hall in Baird, Texas, with W. E. Melton, as presiding officer.
Voting Precinct No. 2 at Schoolhouse, Belle Plain, with Claude Flores, as presiding officer.
Voting Precinct No. 3 at Schoolhouse, Cottonwood, with M. R.

Lovell, as presiding officer.

Voting Precinct No. 4 at Schoolhouse, Tecumseh, with Jim Barton, as presiding officer.

Voting Precinct No. 5 at City Hall, in Clyde, with J. H. Burkett, as presiding officer.

Voting Precinct No. 6, at Chevrolet Garage, in Cross Plains with Taylor Bond, as presiding officer.

Voting Precinct No. 7, at Schoolhouse at Admiral, with Ed Davis, as presiding officer.

Voting Precinct No. 8, at Geo. Rupert Building, in Putnam, with J. H. Cunningham, as presiding officer.

Voting Precinct No. 9 at Schoolhouse, Erath, with J. H. Owen, as presiding officer.

Voting Precinct No. 10, at Schoolhouse in Eula with H. E. Jones, as presiding officer.

Voting Precinct No. 11, at Schoolhouse, Caddo Peak, with J. A. Moore, as presiding officer.

Voting Precinct No. 12, at Schoolhouse, Dudley, with Kirby Myers, as presiding officer.

Voting Precinct No. 13, at Schoolhouse, in Atwell, with W. C. Rouse, as presiding officer.

Voting Precinct No. 14, at Schoolhouse, Gardner, with William Young, as presiding officer.

Voting Precinct No. 15, at Schoolhouse, Lanham, with R. E. Clemer, as presiding officer.

Voting Precinct No. 16, at Schoolhouse in Dressy, with Raymond Steele, as presiding officer.

Voting Precinct No. 17, at Schoolhouse in Oplin, with Chas. Allen, as presiding officer.

Voting Precinct No. 18, at Schoolhouse, Rowden, (Pilgrim) with N. B. Holloway, as presiding officer.

Voting Precinct No. 19, at Methodist Church, in Denton, with Roy Kendrick, as presiding officer.

Voting Precinct No. 20, at Methodist Church, Hart, with H. W. Grisham, as presiding officer.

Voting Precinct No. 21, at Schoolhouse, Hillside, with H. F. Phillips, as presiding officer.

The manner of holding said election shall be governed by the General Laws of the State of Texas, regulating general elections, when not in conflict with the provisions of the Statutes hereinabove referred to.

Notice of said election shall be given by publication of a copy of this order in Baird, Star, a newspaper published in said County for three successive weeks before the date of said election and in addition thereto, there shall be posted other copies of this order at four public places in the County, one of which shall be at the Courthouse door, for three successive weeks prior to said election.

The County Judge is hereby directed to cause said notices to be published and posted and the County Clerk is hereby directed to publish and post the same, as hereinabove directed; and further orders are reserved until the returns of said elections are made by the fully authorized election officers and received by this Court.

(Signed)

W. C. WHITE
County Judge, Callahan County, Texas.

J. W. HAMMONS
Commissioner Precinct No. 1, Callahan County, Texas.

J. H. CARPENTER
Commissioner Precinct No. 2, Callahan County, Texas.

W. A. EVERETT
Commissioner Precinct No. 3, Callahan County, Texas.

G. H. CLIFTON

County Clerk and Ex-Officio Clerk, Commissioners' Court, Callahan County, Texas.

The State of Texas:
County of Callahan:

I, S. E. Settle, County Clerk and Ex-Officio Clerk of the Commissioners' Court of Callahan County, Texas, hereby certify that the above and foregoing is a true and correct copy of an Order of Election made by the Commissioners' Court of said County on the 16th day of October, A. D. 1929, which said order is duly recorded in Volume I, page 313, 314, 315, 316 317 and 318 of the Minutes of said Commissioners' Court.

Given under my hand and seal of said Court on this the 23rd day of October, A. D. 1929.

S. E. SETTLE
County Clerk, and Ex-Officio Clerk of the Commissioners' Court, Callahan County, Texas.

(SEAL)

RESOLUTION

The following Resolution was adopted by the Commissioners' Court:

Baird, Texas, October 16th, 1929.

WHEREAS, the Commissioners' Court has this day upon a legal petition duly presented to this Court, ordered a county wide road bond election to be held to determine whether or not the bonds of said county in the amount of One Million Dollars (\$1,000,000.00) shall be issued for the construction of a system of public roads in said county, and retiring outstanding road bonds in Road Districts Nos. One and Four, and

WHEREAS, it is contemplated that in event said election is favorable to the issuance of said bonds, that Four Hundred Thousand Dollars (\$400,000.00) of said amount shall be used for the construction of a hard surfaced road through said county, beginning at Cross Plains at a junction of State Highway No. 23, and running thence in a general Northwesterly direction to the Baird and Coleman Public road, and thence North to the Shackelford County line, it being understood that the State Highway department will expend the like amount, Four Hundred Thousand Dollars (\$400,000.00) for the completion of said road; and that approximately the sum of Three Hundred and Thirty-Three Thousand Dollars (\$333,000.00), shall be used to retire the outstanding bonds in said road districts Nos. 1 & 4, and that the remainder of said bond issue shall be used in the construction of all weather graveled roads

in the various parts of the county as per the designations hereinafter set out,

NOW THEREFORE, be it resolved by this Court, that in the event said election results in favor of the issuance of said bonds, and said bonds are issued, we, the undersigned County Judge and Commissioners of the respective precincts in said County do pledge that said commissioners court will set aside and use not exceeding Four Hundred Thousand Dollars (\$400,000.00) of said bond issue for the construction of said hard surfaced road, and will retire the outstanding road bonds in the approximate amount of Three Hundred and Thirty-Three Thousand Dollars, and will expend the balance of said bond issue, being approximately Two Hundred and Sixty-seven Thousand Dollars (\$267,000.00), in the construction of all weather graveled roads upon the following designated routes, agreeing to build on said routes the highest type road possible for the money available, making all of said roads as uniform in value as possible. Said routes being particularly designated as follows:

Oplin West to County line on Lawn road; Oplin East to Coleman road; Oplin North to Denton; Denton North to Denton cemetery; Cemetery West to North-east corner Carpenter's farm; Carpenter's Northeast corner North to precinct line; Old Denton cemetery East 2 miles; Denton North to Precinct line; Dudley store East one mile; S. W. corner of Mollie Gardner Place 1 mile North; then West 1-2 mile to Taylor County line.

Rowden to State highway to be constructed.

From Precinct line at N. E. corner B. B. B. & C. R. Co. Survey No. 28, through Eula to Bankhead Highway; From N. E. corner Section No. 8 North to Bayou by Lone Oak School to Clyde; Eula West 1 mile, then South 1 mile, then West to County line; Clyde North 3 miles to Klepper road; Then West to Clyde and Hamby road, then by Fairview School to Hamby; From W. H. Bryant's S. W. corner North to Bankhead Highway, Union School to Bankhead Highway at Humble Station. Putnam North to site of old Hart School, then to Union School; then East to State Highway No. 23; Putnam South on Cross Plains road to Precinct line; Scranton to Cross Plains and Putnam road; Admiral North to Bankhead Highway; approximately 3 miles on mail route in M. R. Surles et al neighborhood near Putnam; Coleman and Baird road from Coleman County line North to intercept Cottonwood West road to Precinct North on Putnam road to Precinct line; Cross Plains South-east to Brown County line; Cottonwood East to Cross Plains & Putnam road; Atwell West to Cross Plains and Putnam road.

Cottonwood West by G. W. Coates place to intersect with Cross Plains Spring Gap, Admiral road; Thence in a southeasterly direction passing J. A. Moore place and running nearly South to intersect with hard surfaced highway West of Cross Plains.

SHERIFF'S NOTICE OF SALE

WHEREAS, by virtue of a certain writ of attachment issued out of the Justice' Court of Pre. No. 1, Callahan County, Texas, in a certain suit wherein Shaw Motor Co. is Plaintiff and Lee McGrew is Defendant, such suit being numbered 1678 on the Docket of said Court, I did at 2 o'clock P. M on the 14th day of August, A. D. 1929, levy upon the following described real property, to-wit:

all right, title, and interest of Lee McGrew in and to an oil and gas lease executed on the 25th day of May, A. D. 1927, by A. L. Huntington as lessor in favor of Lee McGrew as lessee, covering all of T. E. & L. Survey No. 3198, said lease being of record in Vol 120, Page 391, Deed Records of Callahan County, Texas;

And whereas, there was rendered in said Court on the 23rd day of September, A. D. 1929, a judgment in favor of said Shaw Motor Co. and which judgment ordered the foreclosure of the Lien existing by virtue of said writ of attachment and execution thereof;

And whereas, in pursuance of said judgment there issued out of said Court on the 28th day of October, A. D. 1929, an order of sale directing me to sell the above

described real property, as under execution and to apply the proceeds thereof to the satisfaction of said judgment;

I will therefore, on the 3rd day of December, A. D. 1929, being the first Tuesday of said month, between the hours of 10 o'clock A. M. and 4 o'clock P. M on said day, at the Courthouse door of said County, offer for sale and sell at public auction, for cash, all the right title and interest of the said Lee McGrew in and to said property.

Dated at Baird Texas, this the 30th day of October, A. D. 1929.

EVERETT HUGHES,
Sheriff of Callahan County, Texas.

NOTICE BY PUBLICATION OF FINAL ACCOUNT

The State of Texas, to the Sheriff or any constable of Callahan County, Greeting:

R. L. Clinton administrator of the estate of T. J. Davis deceased, having filed in our County Court his final account of the condition of the estate of said T. J. Davis, Deceased, together with an application to be discharged from said administration, you hereby commanded, that by publication of this writ for four weeks in a newspaper regularly published in the County of Callahan, you give due notice to all persons interested in the account for final settlement of said estate, to file their objections thereto, if any they have, on or before the December Term A. D. 1929 of said County Court commencing and to be held at the courthouse of said County, in the City of Baird, on the First Monday in December, 1929 the same being the Second day of said month when said account and application will be considered by said court.

Witness S. E. Settle, Clerk of the County of Callahan County.

Given under my hand and seal of said court, at my office in the City of Baird, this the 31st day of October, A. D. 1929.

Did You Ever Stop To Think?

By Edson R. Waite, Shawnee, Okla.

M. E. Garber, Editor of the Madison (Ind.) Courier, says:

THAT the greatest blessings to mankind have come through better means of communication and that the most important of all these is the art of printing and the newspaper. As important as are roads and railroads, they would sink to a fraction of their present position in the lives of man if the newspapers did not tell the people what is to be seen at the other end of them and thus augment the great streams of traffic that flow from one end of this great nation to the other.

And the newspaper is the greatest means of communication which we have. Through it the church, the school, the store, the factory spread information of their various works and create desire for them.

Newspapers have made churches great have made the schools popular institutions, have produced merchant princes and captains of industry and thus made the United States the greatest, richest, happiest nation that the sun ever smiled upon.

The greatest asset of any community is a newspaper that reaches out to all concerns and affords a quick and economical means of communication.

FALLING AUTUMN LEAVES

The falling of autumn leaves is the annual sign that Mother Nature has made provision to save her trees from dying of thirst during the winter.

This explanation, which may serve to soothe the ruffled feelings of home owners who are now busy raking up the leaves, comes from Martin L. Davey, president of the Davey Expert Co.

"On the average tree there are several acres of leaves—literally millions of them," Davey said. "Every leaf gives off water. But during the winter the tree's roots absorb very little moisture. Consequently, if the leaves remained on the tree and continued to tap the water supply, the tree would soon die. So nature sentences the leaves to death.

"The process used by Nature to make the leaves fall is complicated. Weeks before the first frost

she begins to extract from the leaves all the food substances which the leaves manufacture and which the tree needs, and gradually the leaves wither. Simultaneously, a thin-walled layer of cells is formed at the base of the leaf where it is attached to the twig. This layer is a zone of weakness so that eventually the leaf falls of its own weight or is blown off by the wind.

"The scar left by the falling of the leaf is well protected by Nature. It immediately becomes covered with a substance which is practically waterproof. Since the bark of the tree also is almost impervious to water, the entire tree is practically 'bottled up' for the winter."

Davey said that the long drought last summer was responsible for the early falling of the leaves in many sections of the country this fall. Nature hastened the leaf-dropping process, he said, so that the tree would not be robbed, through evaporation, of the sap vital for its existence.

McMURRY PLANS GREAT HOME COMING

Plans have been completed for the second annual Home Coming Day of McMurry ex-students, Nov. 11. The plans include a reunion of the Wah Wah Taysee and the Indian Head association (college letter men).

Dads and Mothers Day is to be observed the same day as the home coming. An organization of mothers and fathers of McMurry students is contemplated. The parents of the students will meet at 10:30 on the morning of the eleventh for the purpose of organizing. This is expected to promote a more binding tie between the College and its patrons.

The home coming promises to be the day of all days for students and visitors. An elaborate program has been completed including a barbecue for students at noon. All organizations will have booths for the registration, information, and gathering of ex-members. In the afternoon the annual clash of the Hill Billies and the Indians will take place on Donaldson Field. All students are expected to attend with their parents and sit with them as far as possible.

According to J. Arlie Garner, president of the Alumni association, a great number of exes are expected and are being prepared for. At least 60 per cent of the fathers and mothers are expected. Letters have been received from many exes emphasizing that they will be there and expect others to do likewise.

Does Not Operate

Will be at
Grace Hotel
Tuesday, Nov. 19
Office hours: 10 a.m. to 4 p.m.

One Day Only

No Charge for Consultation

Dr. Mellenthin is a regular graduate in medicine and surgery and is licensed by the state of Texas. He does not operate for chronic appendicitis, gall stones, ulcers of stomach, tonsils or adenoids.

He has to his credit wonderful results in diseases of the stomach, liver, bowels, blood, skin, nerves, heart, kidney bladder bed wetting, catarrh weak lungs rheumatism, sciatica, leg ulcers and rectal ailments.

Below are the names of a few of his many satisfied patients in Texas who have been treated for one of the above named causes:

Louis B. Shoeter, Yoakum, Tex.
Mrs. W. E. Schultz, Marion, Texas.
Mrs. R. P. Stewart, Rusk Tex
Mrs. Katie Sadue, New Braunfels, Tex.
Theo. Schmedthorst, Otto, Tex.
T. H. Walston, Rosebud, Tex.
Mrs. E. E. Wiley, Leander, Tex.

Remember above date, that consultation on this trip will be free and that this treatment is different.

Married women must be accompanied by their husbands.
Address: 4221 West Third St., Los Angeles, California.

AMERICAN EDUCATIONAL WEEK

Austin, Texas, Nov. 1.—American Education Week, sponsored each year by the National Education Association of the United States and The American Legion, will be observed this year during the week of November 11 to 17, according to an announcement by Department Commander, Ernest C. Cox. Legion posts throughout the country will provide speakers and will otherwise aid educational authorities in making the movement a success again this year, he said.

"The purpose of American Education Week," the commander said, "is to direct public attention to the schools and to acquaint the public with the work of the schools with their ideals, achievements and needs. This week is observed every year during the week which includes Armistice Day. A vital theme of education is emphasized on each day. The program for this year is built around the seven cardinal objectives of education."

"Monday this year falls on Armistice Day, November 11, and the theme will be 'Education for Faithful Citizenship. The boys and girls who in a few years will be responsible for the destiny of the nation, must have a high sense of their individual duties and obligations to community, state and nation."

"The second day of Education Week, November 12, will be known as 'Home and School Day'. Every effort will be made to show what the schools are doing to improve homes. Constant emphasis on right relationships and noble attitudes in school creates habits which carry over in home life. The home lays that foundation upon which the school builds and the schools tend to lift all homes to higher levels."

"Know Your School' is the theme for Wednesday, November 13. Parents and others are urged on this day to visit the school in the neighborhood in which they live. Special programs and exhibits will be arranged so that they can get a better understanding of the work that is being done and see the ways in which schools are being improved."

"School Opportunity Day' will be observed on Thursday, Nov. 14th. Emphasis will be directed on what the schools are doing in preparing them for some useful occupation or vocation. Education not only pays in excellence and happiness of life but in greatly increasing earning power."

"Friday, November 15, has been designated as 'Health Day' for the purpose of showing what the schools are doing to promote physical vitality, good health and habits of safety. The fundamental habits of health and clean living as taught in our schools go far towards raising the standards of citizenship."

"Saturday, November 16, will be 'Community Day'. Attention will be directed to what the schools are doing to improve the standards of community life. It is noticeable that where the best schools are found, there also is found the best communities."

"The final day of American Education Week, Sunday, November 17, will be devoted to the theme 'For God and Country'. Ministers of all denominations will emphasize the higher values of education and of living. They will show how the schools build character by helping each child to develop high standards of physical, mental and spiritual fitness."

Decatur Ships Milk

Decatur is shipping whole milk to El Paso in train load assignments so the papers report. If El Paso needs milk, why shouldn't Texas dairies supply it? Just why El Paso doesn't encourage local dairying, at least sufficient to supply the city with milk is not explained, but as it does not Decatur is to be congratulated for being able to keep El Paso from getting milk hungry.

What's Doing In West Texas

Snyder, Mr. F. I. Townsend, not a poultry man but just an average farmer in Scurry county, has proved during the past twelve months, that poultry is a profitable sideline if the necessary information is acquired as to the care of the hens and if one applies himself assiduously to the business. An accurate record was kept by Mr. Townsend which shows that from October 1928 to October 1929, two hundred and sixty leghorn hens produced \$781.47 worth of eggs, and \$188.70 was spent for feed, leaving a profit of \$592.77 for the year.

Fluvanna. Contract has been let for the construction of a new high school building for Fluvanna. When the building is completed, more than \$50,000 will have been expended for the onward advancement of education in that thriving little city.

Anson. Among the many constructive and progressive moves being made by this city at the present are the completion of the concrete highway No. 30 through Jones county and the replacing of

the present street lighting system of Anson with 400 candle power lights in the down-town business district. Plans are also under way for the installation of the metallic system telephone service to replace the present magneto grounded system.

Tulia. Due to the immense building program in Tulia, Happy and on the farms of the county, the assessed valuation of Swisher county has passed the six and a half million dollar mark. More than fifty new homes have been built in Tulia during the past year and Happy is not far behind in a similar building program.

Electra. More than sixty farmers of this section met here recently and discussed the pooling of turkeys and the forming of an anti-theft association. A carload of turkeys were pledged at this meeting, and a sales committee was elected to meet within a short time to open bids and discuss the selling of these turkeys.

White Deer. A very enthusiastic Chamber of Commerce meeting was held here recently at which different members discussed their personal experiences and profits derived from the raising of poultry, cows and hogs. Plans were made to have a representative from some of the creameries to meet with the Chamber of Commerce and

discuss plans whereby a better market can be secured for cream, milk and poultry. Every effort is being made to carry out the "Cow, Sow and Hen" program in this section, and all future meetings of this organization will be given over to various discussions in this regard.

Childress. Elaborate plans are being made by the local Chamber of Commerce to entertain officials of the Fort Worth & Denver City Railway when they arrive here to celebrate the opening of the new Fort Worth & Denver station, which has just been completed. This structure was erected at an approximate cost of \$75,000, and is one of the most modern stations on the Denver line.

Merino Leads

The merino sheep has the largest weight of wool in proportion to the weight of the body.

Self-Deception

"The world is fairly honest," said Hi Ho, the sage of Chinatown, "and egotism is what we have most to fear. No other deceives us so much as we deceive ourselves."—Washington Star.

PROTECT THE RESPONSIBLE DRIVER

Dr. Charles Norris, Chief Medical Examiner of New York City, has a novel suggestion for reducing traffic accidents. He would fine reckless "walkers" who increase accidents, and would also prevent them instituting suits against automobile drivers who were not at fault.

There is merit in this plan. It is an all too common thing for pedestrians to puke right-of-way with a fast moving vehicle. But these same erring pedestrians, when struck, are the first to rush to law attempt to get redress for their injuries.

The careful and competent automobile owner, in many instances, now "holds the sack." He is in constant danger of accident thru no fault of his own. And the careless and absent-minded pedestrian is one of his major worries.

There is no end of suggestions which, theoretically, would curb the reckless, but few plans have been made to protect the rights and pocket book of the careful and conscientious motorist. If every individual would practice "Safety first" accidents would be largely eliminated.

Steel Needles Old
The Chinese appear to have been the inventors of the steel needle, its use spreading throughout the Moslem world and reaching Europe through the Moors. The industry was first established in Europe at Nuremberg, in 1370.

Tomorrow
The Scriptural injunction, "Take no thought for the morrow," must not be taken literally. The correct translation is, "Be not over anxious." That does not exclude making provision for the future by saving and insuring your life.

HERE ARE THE ANSWERS TO SOME OF YOUR QUESTIONS ABOUT STARGAS

STARGAS Starts Where Gas Mains Stop

STARGAS—the Compressed Natural Gas, available in portable cylinders—brings all of the city conveniences of gas to rural and suburban homes. STARGAS is ideal for cooking, heating water, refrigeration and lighting. In considering STARGAS for your own use, there are five questions that you will very naturally ask—here are the answers:

Is STARGAS Used the Same as Pipe Line Gas?

Yes—even the same time-tried appliances are used, with minor adjustments. And the house is piped the same. STARGAS is NOT an experiment, but builds on the sure foundation of Natural Gas, which has been the CONVENIENT fuel for so long, because STARGAS is Natural Gas in compressed form, now made available in sections not served by pipe lines.

How Long Does a Cylinder of STARGAS Last?

This varies. Cylinders are lasting some families better than two months for cooking; other families use a cylinder in shorter time. The life of a cylinder of STARGAS depends on the number and type of appliances served and the care exercised.

Is a Customer Likely to Be Out of STARGAS at Any Time?

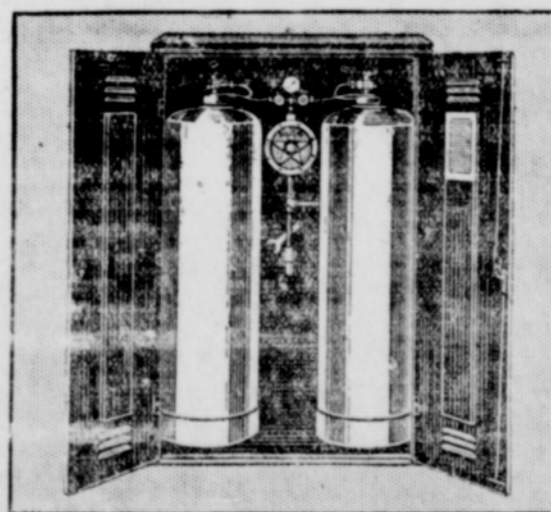

Not if he orders a full cylinder as soon as one becomes empty. One point that insures continuous service is the fact that the company back of STARGAS has millions of dollars invested in the natural gas industry.

Is STARGAS Safe to Use?

Yes. STARGAS offers the same safety as pipe line gas, as reflected by the approval of Underwriters Laboratories.

Will the Installation of STARGAS Affect My Insurance?

No. The rate is not affected nor any insurance invalidated when properly installed.

Stargas equipment and appliances are sold on convenient terms...

By means of STARGAS, rural and suburban homes can now use the same modern equipment and appliances that city homes use. It is no longer necessary to accept substitutes for the highest type of modern fuel. The one STARGAS installation furnishes fuel for all needs, cooking, heating water, refrigeration, lighting, ironing, etc. See actual STARGAS demonstration now at...

COMMUNITY NATURAL GAS CO. BAIRD, TEXAS

The Senior Class of the Baird High-School will present a play "A Poor Married Man" at the School Auditorium on Friday night Nov. 15th

NORTHWEST TEXAS CONFERENCE OF M. E. CHURCH, SOUTH TO MEET NEXT WEEK

Rev. Cal C. Wright, pastor of the Methodist church for the past four years will leave next Monday for Pampa where he will attend the annual session of the conference of which he is assistant Secretary. Having served this church as pastor for four years it is not likely that Bro. Wright will be sent back to Baird, which is regretted by all, is one of the most popular men who has served as pastor of any church in Baird, not only among his own members, but of other churches and people who do not belong to any church. He is a manly man and a Godly man, who by his everyday life of service to his fellowman, commands the respects and admiration of all who know him. He is a young and a very busy man, but is never too busy to stop for a kindly word with all, particularly the aged and the little children. The Gilliland family will always remember Bro. Wright kindly for many things he has done but especially for the many pleasant hours he gave to our loved one, the late W. E. Gilliland. Bro. Wright made it one of his regular habits to come to the Star office at least once a week, for a visit with our father who always looked forward with pleasure to his coming.

Mrs. Wright too has been a faithful and efficient help in with Bro. Wright in all his work and she too will be missed by a host of friends who have learned to love her during her four years stay here.

A reception on Wednesday night and many members of the church were there to meet Rev and Mrs. Wright. A most pleasant time was spent.

BIRTHDAY PARTY

Sam Driskell entertained many of his little friends Thursday evening with a lawn party, celebrating Halloween and his tenth birthday, after games were played on the brightly lighted lawn, the birthday cake was cut, whistle favors were given and refreshments were served to the following guests: Beryl Owens, Atrell Estes, Ruth Hardwick, Jean Newton, Frances Mayfield, Martha Fay Barker, Glenna Deaton, Catherine James, Ruth Ray, Eloise Nunnally, Lois Bell, Helen Fulton, Mary Louise Gilliland, Lorraine Henry, Annie Hearne, Susie Lee Smith, Kathryn McCol, Betty Wheeler, Tom Stanley, Morris Cook, Clifton, Harvey, Clifton Hill, Billie McCoy, Floyd Fritz, Sonnie Boy Gilliland, Bobby Owens, Nellie Oscar, McWharter, J. L. Cross, Nolan Cooper Terry and Nillian Cummings, Irby Smith, Robert Estes and Randall Jackson.

First to Occupy Position
The distinction of being the first state school official in America belongs to Horace Mann, who, in 1837, became secretary of the Massachusetts state board of education.

Definite Cabinet Term
The postmaster general is appointed for a term of four years. The other cabinet members serve at the pleasure of the President.

World's Highways
Recently compiled figures show that there are 6,500,000 miles of highway throughout the world with 3,000,000 miles in the United States alone.

BAIRD, TEXAS

THE PRESBYTERIAN CHURCH its support.

S. F. McCaffity, Pastor

Each member is reminded that our last Synod set apart next Sunday, Nov. 10, as "Reynolds Home Day" and urged each church to make an offering for our orphan children of the home. If you can not be present, send your offering to the church or to brother J. S. Hart. There no children in the state more worthy of your support and none that have the claim on you that the Reynolds Home children have. The home is dependent upon free-will offerings entirely for the care of its orphans. It has no endowment, nor can it make an assessment upon the members of the church as do the fraternal orders do upon their members, for

Be present in the Sunday school and the preaching at morning hour. Since the children from the I. O. O. F. Home are to give a concert at the High School Auditorium there will be no night service. All are invited to worship with us and will find a welcome.

NOTICE

We have recently installed a modern Electric Hat Machine and are now prepared to clean and re-block hats. Old hats made to look like new for \$1.00. For each band, 25c extra. One Day Service, Roy D. Williams, Cleaning and Pressing, Telephone 263 49-12

Baptist Hold Fine Workers Meeting

Callahan County Baptist workers met with Baird Baptist Church, Monday, Nov. 4th and a very profitable meeting was held.

The program was carried out to the letter, with a splendid talk from Mrs. Cook, of Putnam and another from Royce Gilliland of Baird and a soul stirring sermon by Rev. Roy Shahan, of Abilene.

The dinner-hour was enjoyed by all of us and put everyone in good condition for the fine W. M. U. program in the afternoon.

After the Woman's program one of the best movements we have had before us was put on foot. I want everyone to take special notice to what this movement is. We are to seek to have in each church in the county a week of Department Rally in which we will have one night for the W. M. U. work, one for the Sunday School, one for the Laymen movement, one for the B. Y. P. U., one to be given to the importance of prayer meeting and to close on Sunday with a big service given to the Budget movement.

These Department rallies are to be held with all our churches and then as soon thereafter as practical we are to have training schools and enlargement campaigns in all of our churches.

We have set January as the month to do this and now we must get busy in order to get the Rally week programs over before that time.

A committee has been appointed to superintend this work, Joe R. Mayes, C. R. Smith, Mrs. John Cook and Roy Strahan are the ones charged with this work. They are expecting the hearty support and cooperation of all that this work may go over. Just here let me say this word to all, my brothers and sisters in Callahan county. We have not been able to put over any sort of an associational program and now we are trying this, which seems to be the best and most practical thing we have ever tried and since that is true, I appeal to every one of you to join us in this good movement and help to make it a most profitable one. You can do this by informing yourselves thoroughly concerning the movement. Find out for yourself just what we are trying to do and then get right in and help to work up interest in the meetings and when possible be in the meetings yourself.

Here is hoping and praying for the help of all.

Our next Workers Meeting will be held with Putnam church on Monday, Dec. 2nd. We will have a good meeting there. Let us have as many of these church Rallies as we can before that time. Joe R. Mayes.

ARMISTIC DAY

The beautiful symbol of the Unknown Soldier . . . the memory of the long, bitter struggle . . . the loss of loved ones . . . these things overwhelm us on Armistic Day with an emotion too strong to express. Our anguish over the dreadful conflict is assuaged by our joy at its cessation, and we feel confident that the stemming of the torrent on that memorable day in 1918 presaged a future of international harmony and peace

This bank, its officers and directors wishes to extend anew sympathy and gratitude to the mothers, wives and families of those brave soldiers who went overseas never to return.

Theirs the loss—our debt to them something that no wealth, no tribute can repay.

We Welcome You to Baird on November 11th—Big Barbecue and Laying of Corner Stone for New Court House

THE GREAT ATLANTIC & PACIFIC TEA

How to Raise Poultry

By Dr. L. D. LeGear, V. S., St. Louis, Mo.
 Dr. LeGear is a graduate of the Ontario Veterinary College, 1892. Thirty-six years of veterinary practice on diseases of live stock and poultry. Eminent authority on poultry and stock raising. Nationally known poultry breeder. Noted author and lecturer.

As You Feed So Shall They Lay

Records Show Egg Production Often Doubled or Trebled by the Addition of One Simple Element to the Feed—Extra Profits from Correct Feeding More Than Offset the Slight Additional Cost.

From somewhere way back in my third reader days, I recall the story of a miser who tried to feed his horse shavings. It would save the price of hay, he reasoned, and if the change was made gradually the beast would never know the difference. Maybe the horse was fooled, but Nature most certainly was not. Long before the diet got to be all shavings the poor old horse gave up the ghost.

As I observe the way a great many people feed their chickens, I am often reminded of that story. I don't mean they are stingy, but their lack of knowledge about feeding is just as great. They are expecting the impossible and wonder greatly why they are so consistently disappointed.

The first thing that must be thoroughly understood is that from the hen's point of view egg laying is a secondary matter. She eats first of all to build up and maintain her own body. If after enough has been eaten for that purpose, she can be persuaded to eat still more of the right kind of food correctly proportioned, she will lay eggs. That's all there is to the theory of scientific poultry feeding.

The next essential fact to be mastered is that different kinds of feeds produce widely different results. Grains furnish, for the most part, substances called carbohydrates which are transformed into fat for the fowls body and albumen or egg whites. Other substances, known as proteins, build up the muscles of the bird and furnish yolks for eggs. Proteins are usually fed in the form of meat scraps, milk, or tankage. There are some proteins in grains but not enough for the hen's body and eggs too.

For the egg shells and bones of the fowl, minerals are required, calcium carbonate being the principal one. For that purpose, crushed oyster shell or limestone is kept before the fowls at all times.

A certain amount of green food is also required. It helps prevent digestive disorders and contains the two valuable vitamins A and D, so essential to the proper assimilation of other food. Without vitamin D, for example, the minerals in the feed cannot be made over into bone and egg shell.

Greenville Farmer's Wife Recommends Orgatone

"My wife has suffered since 1914 with a run down condition and stomach trouble," says J. T. Halger.

"My wife has had indigestion," said J. T. Halger, residing on Rural Route No. 4, Greenville, Texas, "and has been nervous and all run down and weak in condition. She had that tired draggy feeling and even her house work was a burden to her. In 1914 she had influenza and ever since has suffered with a severe case of stomach and indigestion. She was very badly constipated and would have to take strong laxatives all the time. 'Gas would form on her stomach and cause shortness of breath and her heart would almost run away with her it would beat so fast. She simply felt bad all the time and couldn't get any rest at night."

"We read so much about Orgatone and what it was doing for others, we decided that it might help her," continued Mr. Halger, "and it certainly has. Her stomach doesn't bother her any more her general condition is better and her bowels are back to normal and in fact, she feels fine now. She has certainly improved since taking Orgatone."

Genuine Orgatone may be bought in Baird at Wheelers Drug Store.

SAM HOUSTON'S HOME IN DANGER

A plan for preserving the old homestead of General Sam Houston against ravages of time and fire is under consideration by the officials of the Texas Historical Society, Judge Tom L. McCullough, well known Texas jurist and member of the Board of directors of the Historical Society, said here this week.

Houston's home at Huntsville, one of the state's most cherished shrines and model of early Texas architecture, is now owned by the state. To protect this structure, which has played such an important part in Texas History, it must be guarded day and night, Judge McCullough said.

"And even then it is not safe," he pointed out. "A small spark fanned into a flame and one of our most invaluable contacts with the early life of the state would go up in smoke."

Once it is clearly understood that each different kind of feed has its own individual job to do, the very term, "balanced ration," ceases to sound quite much like a foreign language. It becomes plain that the ration must consist of just so much material containing carbohydrates and a proportionate amount containing proteins. An example of what I consider a well balanced ration is the one given below which I have used successfully for a number of years. For the sake of those not familiar with this method of feeding, I shall explain that mashers are customarily put in hoppers and kept constantly before the hens at all times. The grains are preferably fed by hand with the feedings far enough apart so the hens will eat plenty of mash in between. The grains are called scratch feeds, by the way, because they are usually buried in deep litter. That makes the hens have to scratch it out, thus getting much needed exercise.

A Balanced Poultry Ration
Scratch Feed
 100 lbs. yellow corn.
 100 lbs. Wheat or heavy oats.
Mash Feed
 100 lbs. Wheat bran.
 100 lbs. middlings.
 100 lbs. yellow corn meal.
 50 lbs. meat scraps.
 5 lbs. common salt.

plenty of seasonable green stuff should accompany this ration. Grit charcoal and oyster shell should be kept before the hens at all times. And water! Yes, of course. Eggs are 65 per cent water and a plentiful supply of fresh, clean water should always be on hand to supply that requirement. It is also essential for the health of the flock.

The feeding of a balanced ration will work wonders. There are plenty of examples of flocks that were fed all grain rations with only fair results, but which doubled or even trebled their output as soon as a good mash with the necessary protein element was added. It is not enough, however, just to feed a 50-50 mash and scratch feed ration all the time. The successful poultry man will study his flock. He will know whether they are being forced and producing beyond their normal capacity, or whether they are getting too fat and lazy so they are not laying as much as they should. If the former, he will cut down on the mash and feed more grain. If the latter, he will cut down on the grain and increase the mash to make birds consume more protein.

Note—I will gladly answer questions about any phase of poultry feeding which may be addressed to me in care of the editor of this newspaper.

"It is my opinion," Judge McCullough said, "that steps should be taken to fire proof General Houston's homestead with an effective fire proofing material. The cost would be small and this historically valuable structure would be preserved for all time. 'We owe it to our children to protect these glorious reminders of our history.' General Washington's home at Mount Vernon, also, is being eternally guarded against conflagration. The old mansion is heavily guarded and by night the watchmen make their rounds. No smoking is permitted near Washington's home nor Houston's."

She Lived on Strict Diet for Two Years

"I suffered so with stomach trouble that for two years I had to live almost entirely on a diet of buttermilk. I lost weight and was terribly rundown. Then I started Sargon, gained 9 pounds,

MRS. LILLIE LIST

and now I feel fine all the time. 'My liver seemed all out of order and I was badly constipated. My tongue was nearly always coated and the taste in my mouth was awful. I was so nervous that at night I didn't sleep a wink. No medicines helped me for any length of time and I finally decided to try Sargon. I finished my sixth bottle, eat anything I want, my indigestion is gone and I am fine, and my friends all tell me how well I look. I was visiting my mother in Uvalde, Texas, and told her what Sargon had done for me. She said many people there were praising it too! Sargon Pills

ended my constipation and biliousness. I will always praise this wonderful treatment.'—Mrs. Lillie List, 1300 Caldwell St., San Antonio.

Sunset Musings

By J. Marvin Nichols,

 Lots of fellows expect to get to heaven on a scalper's ticket. Honesty will succeed as a principle where it fails as a policy. No one envies the pioneer until he begins to gather in his riches.

If the epitaphs were said over and over again in the home there would be fewer on the tombstones. There is but one name by which to call dishonesty, whether it be of the crude or the refined sort. Many of us forestall our vision of the higher things by an abnormal self-appreciation.

Individual units in the wide world of humanity are held together by the law of attraction; else, by the law of repulsion they drift farther and farther apart.

No play is well staged unless it ends beautifully. When the curtain falls the last act in life's drama ought to linger with the world like the afterglow of a sun since

gone down.
 No matter what your social position no matter how wealthy or how poor you may be, no matter your occupation is, you belong to one of two great armies. If you are not a builder you are a destroyer. Which? That's the question. In the silence of your inner self—answer now!
 No person can really live whose heart is cold and shriveled. Love and life are one and the same. Life grows rich and precious as love deepens and broadens. The empty life is always self-centered. To save yourself, be spent for others. Selfishness is a high form of suicide.

ESTRAY NOTICE
 County Commissioner, J. H. Carpenter, of Prec. No. 2, will sell to the highest bidder at Silas Dunlap's Farm, on the first Monday in December, 1929, same being the 2nd day of December, 1929, the following Estray:
 One Red Motley Faced two year old Steer, Tip of Left Ear cut off, Right Horn off. Branded J. H. & Lazy E.
 Running at large on farm of Silas Dunlap, for past four months. Hours of Sale: Between 1 and 3 o'clock P. M.
 Given under my hand and seal of office this the 4th day of November, A. D. 1929.
 S. E. Settle, Co. Clk., Callahan County, Texas.

RANGER TO CELEBRATE AIR PORT ANNIVERSARY

Ranger, Nov. 7, 1929.—Two of the biggest days that the oil belt has ever seen will mark the great air port anniversary celebration in Ranger Sunday and Monday. Numerous acceptances are arriving daily from aviators, among them is the famous Reg Robbins and approximately fifty pilots and planes will be present. Perhaps the most thrilling of the many events scheduled for the two days will take place Armistice morning when for the second time in the history of the United States a glider will be towed by an airplane from one city to another. Earl Akin renowned glider expert will take off from Breckenridge behind an airplane and will be towed over the Ranger airport and at a height of 2,000 feet the glider will be cut loose from the plane and will spiral down to a landing.

Another feature of Armistice day will be daring parachute jumps with prizes offered for this as well as for the fastest planes in a free-for-all race, for balloon bursting and for spot landing. The entire airmeet beginning at 9:00 A. M. November 11th and continuing until 3:30 is free to the public.

The opening event will take place Sunday afternoon November 10th, when twenty-five noted riders on high powered specially designed motorcycles will risk life and limb in an effort to climb one of the steepest hills to the west of Ranger. Elaborate prizes are offered. Rural Murry, world champion motorcycle racer will be one of the contestants. Motion pictures will be made by Pathe and Paramount as this is an unique contest for this section and is held under the sanction of the American Motorcycle Association.

The annual football game between those strong rivals the Cisco Lobos and the Ranger Bulldogs will be played at 3:30, Nov. 11th, in Ranger in the largest high school stadium in west Texas. When these teams meet a thrilling struggle always results and a new foot ball attendance record for this season is predicted.

The two day celebration will close Monday evening with "Whoopie Making" on main street and a big free public dance in the lobby of the Gholson Hotel.

Six bands will be in Ranger during the celebration to add to the color and enjoyment. Twenty thousand people is the predicted attendance for the two days as the people of Ranger are swinging open the gates of their city and extending cordial invitations to every man woman and child of this great section to be present and enjoy the great program.

Need a Moss

What this country really needs is some one to really tell what it needs.—Boston Transcript.

IONA NEWS

Mrs. Coates of Springtown is visiting her parents, Mr. and Mrs. C. M. Harris.

Gus Donnelly and family have returned from a trip to Big Spring and other points.

Mr. and Mrs. Robertson entertained the pupils and their parents with a Halloween party at the school house last Thursday night.

Mr. and Mrs. March of Clyde spent Sunday with her sister, Mrs. Dryman.

Miss Vida Riggs and Miss Gladys Riggs of Burnt Branch visited Mrs. Nolan Duncan last Tuesday.

J. L. Bryant and family spent Sunday with Mrs. Peek of Clyde.

L. B. McNeil was at home for a few days last week.

C. M. Harris was at home Monday from Moran.

Next Monday will be a holiday in Iona school, pupils and parents planning to spend the day in Baird, at the celebration.

GOOD NEWS FOR AUTOMOBILE OWNERS

Good news for more than 1,000,000 Texas car owners is being written by county tax collectors.

It records cuts in automobile license fees averaging 50 per cent of this year's fees. And registrations for 1930 will start within 60 days.

On the lightest cars, the decrease will be more than one-half; on medium-weight cars, just 50 per cent; and on the heavier machines less than one-half the present registration fees.

But the good news for passenger car owners does not extend to those who must register trucks, and commercial car owners. License fees for those were not lowered but in most cases have been increased.

The reductions in fees was made as an offset to the increase from two to four cents in the gasoline tax rate. It will cut down the statewide registration total on passenger cars from about \$20,000,000 a year to under \$10,000,000. This is based on the larger proportion of light than heavy cars being in use.

The new fees are computed wholly on weight. Old fees were based on both weight and horsepower.

Texas automobiles will wear their noblest license plates in 1930. The license plates now being sent out, have blue numbers on a bright yellow background.

Besides the numbers, there appear on each plate the word Texas and the numeral 30.

It is said the yellow background will make the numbers the most legible of any series of plates so far used in Texas.

More than 1,300,000 pairs of license plates have been bought by the state for next year. Trucks plates will have yellow numbers on a blue background.

OLD AND NEW FEE

For the information of those who will buy license plates in De-folowing table will show the comparisons between the old and the new.

Car Model	Present	1930
Ford, T	\$11.20	\$ 5.04
Ford, A, sedan	17.20	9.36
Ford, A, coupe	16.20	8.64
Chevrolet, 6 coach	16.50	9.00
Whippet, sedan, 4	16.00	8.64
Whippet, tour., 6	14.50	7.56
Whippet, 6 sedan	17.03	9.36
Plymouth, tour.,	16.00	8.64
Plymouth, sedan	17.00	9.00
Chrysler, 65, sedan	19.53	10.80
Chrysler, 90 sedan	30.88	21.12
Dodge 6 sedan	19.22	10.44
Studebaker, 6 sdn.	21.72	12.24
Studebaker, 8 sdn.	32.02	20.16
Buick, light. sdn.	27.70	18.24
Buick, heavy sdn.	32.35	21.12
Cadillac, sedan	40.67	23.50
Packard, hvy. sdn.	48.82	28.00

These cars are closely comparable in weight with other makes in the various ranges, so that they give a close indication of the costs of registering each car in January.

CLAY INDUSTRY OF TEXAS

How hot is a fire? may be deserving of the answer reserved for the question 'How long is a string' but science, cooperating with the Baird fire department has catalogued temperatures as one part of its effort to reduce fire hazards here.

For years experts associated with the United States Bureau of Standards and private research laboratories have studied the problem of fire hazard. Apparent indifference on the part of builders who were counting only first costs and depending upon luck, however, has restricted recently compiled show.

In their investigation scientists found that the temperature devel-

oped in the ordinary conflagration reaches approximately 1,600 degrees of heat. The intensity of this heat may be imagined when it is pointed out that steel beams are unable to sustain their own weight in a fire which generates 1,000 degrees of heat.

To discover a substance whose use would foil fire was the problem experts had before them for years until it was found that certain clays, when properly treated, would resist several thousands degrees of heat. Studying the effect of fire upon fire brick and clay quantities in Texas, could be pugged and pressed into a hollow tile for structural purposes.

Following this discovery and subsequent tests wherein actual houses were erected with structural clay tile for the walls, a vast new industry sprung u pin Texas.

Surveys over the state that clay deposits have been worked in 75 or more counties. The clay tile industry in Texas today represents a production of over \$6,000,000.00 annually and is growing steadily.

Increase in the use of structural clay tile for building of homes, commercial structures and farm buildings, records show, is responsible for the growth of the clay industry in Texas.

Economists estimate that within a few years it will develop into one of the largest native Texas industries.

CROSS PLAINS CLOSES DEAL FOR MUNICIPAL LAKE

About all the engineering details in connection with the city lake project, which the board of mayor and aldermen have had under consideration for some time, have been completed and it is announced that the matter has been officially closed by the acceptance of a plan offered by the same company for its construction, and in a manner identical with that upon which the present water and sewage system was secured.

The agreement covering the initial financing and construction of the lake is made with the Municipal Engineering Company of Dallas. This contract and the agreed operation of the plan covering the care and retirement of the indebtedness incident to the construction of the lake was made known and fully explained before a representative group of local citizens at Tuesday's meeting of the Lions Club by Mr. Donald O'Neal, representative of the engineering company. The lake will be located in the mountains about six miles north of Cross Plains, near the

home of Geo. Clifton, provided a satisfactory agreement can be reached between the city and owners of the land at that location. The size of the lake proper as given by the engineering figures, if located at this place, will cover an area of about forty-one acres, and will have a water shed of over seven hundred acres.

Privilege for the construction of the lake will now be submitted to the State Water Engineering Department, but the granting of

a permit from that source will be merely a matter of form.—Cross Plains Review.

Bank Accounts Increase

The report of the Federal Reserve Bank at Dallas for the week ending October 23 showed that 87 banks in 17 reporting centers had \$49,754,000 increase in deposits over the previous week and \$20,418,000 over the corresponding week of 1928. This is a fair index

to the financial condition of the section.

The flurry with accompanying losses in Wall Street, recently should prove a good thing for this country. For a time at least, it will release for use in this section vast sums of money that have gone into wild speculation in New York. The burnt child avoids the fire that but lately burned it, though the lesson of playing with fire is forgotten after a time.

AFTER TWENTY YEARS - -

What a host of vivid memories leap out as we look back to-day over the twenty years that we have now been in business. There are recollections enough to fill volumes, were it possible to recount them all. One might go on indefinitely if he attempted to describe the myriad hopes, ambitions, hardships, disappointments, and achievements that crowd the pages of the early history of our business.

Twenty Years: Not a long time when we consider the period in terms of the calendar, but certainly most impressive in terms of what has been accomplished and what might have been accomplished.

Unlike a person, a business when it is twenty years old, can no longer be called young, neither can it be called old.

Our business relations with the people of this community have been generally pleasant, and we want to take time just here to thank each and every one who has contributed in any wise making those relations as pleasant as they have been, for without friends and customers who are loyal through every condition, no business can exist.

We are at this time beginning anew in a new location, and shall try to make our service better and more helpful to those who may need us. We have made it our constant endeavor and controlling purpose for the past twenty years to be of real service, making good that saying that "The Druggist is more than a Merchant" just how well we have succeeded in this attempt we must leave for you to determine, but we believe you will agree that we have at least succeeded in a measure.

In our new business home we want you to feel at home at all times and we sincerely hope that you will call on us when we can serve you or yours in any way, may we ask that you use our store as your stopping place while in town. We believe every one appreciates a place in which they can feel at home and of whom they can ask those little favors that seem small and yet mean so much, may we urge that you use our store at all times for a convenience and a meeting place with your friends when down town.

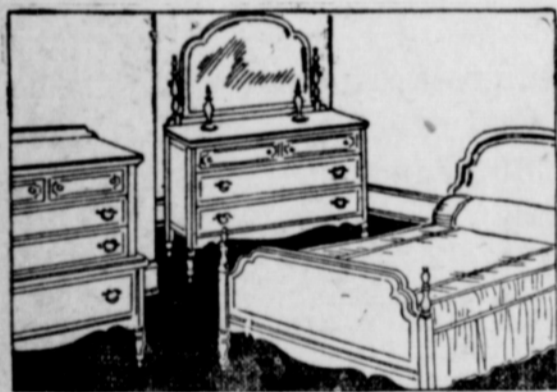

We are now located on the corner in the Terrell Building and invite every one to visit us, whether you want to buy or not and we trust you will give us a liberal part of your business in the years that are to come.

Thanking each one for all you may have done for us in the past and earnestly soliciting your patronage in the future. We are Yours truly.

UNION CONSOLIDATED No. 5 SCHOOL NEWS

We are about to finish up two months of school work. Some few more names will be added to the "Honor Roll" this time, we would like to have each pupil's name appear there. We have now 140 pupils enrolled in the high school and grades, there are others who should come in yet.

The teaching of the Union Consolidated School was moved week before last to the northwest corner of the school ground. The teachers and pupils were glad to get it moved, although it is not completed yet. The teachers are hoping it will soon be finished.

The high school boys had a general clean up day Tuesday. Rocks were hauled off, weeds and small trees were grubbed and piled. The looks of our campus was improved very much. New play ground equipment will soon be put up. The three basket-ball courts will soon be in good shape.

The second issue of the school paper is out. This paper is published by the high school students. It is a neat four-paged, two column paper, issued twice a month. The following compose the editorial staff:

Mae Stateman—Editor.
Henry Crawford—Sport Editor.
Cahal Clinton—Jokes.
Normadine Grace—Cartoonist.
The Union P. T.-A. is still growing and much interest is shown. Some 45 members up to now and the membership committee is still working. We hope to have the cooperation of every parent in this school.

THE P. T.-A. MEETS IN A SOCIAL

Members and friends of the Union P. T.-A. met in a social, Thursday night. With October, the Halloween season, appropriate black witches were pinned on each one by a very pleasing "Spook". After a few minutes spent in a business meeting, an interesting program was rendered. The program was as following:

Opening Remarks—Mrs. Williams.
"Parents duty to the School"—

Mr. J. D. Allen.
Reading—Lucille Crawford.
"Origin of Halloween"—Mrs. F. E. Hughes.
Reading—Marge Williams.
After the program was rendered all talked and had a good time together. The social committee served delicious sandwiches and hot coffee.

Every one present was given an opportunity to become members, and fourteen new members joined, and paid dues.
The next meeting of the P. T.-A. will be Thursday, Nov. 14, 1929.
School Reporter

WITH BAIRD BAPTIST

All of our regular services Sunday except the preaching service Sunday night and there will be no service at the Baptist church at that hour. We will all go to the school building for the program there. Let us all go hear Lieutenant Governor Miller.

Attention friends of Buckner's Orphan Home! There will be a car on the railroad tracks at Baird Monday and we will put our produce to be sent to the home, instead of sending it by truck as first planned. This car will be at Clyde Saturday, Baird Monday and Putnam Tuesday. We now have a nice lot of things here in our home now all ready to load in the car and if any others have anything they want to send to the home, just bring it here and we will see that it is put in the car.

I want to call your attention to another very important thing. We have about \$2800, now in the bank to the credit of our building fund. Now we are asking everybody whoever he or she maybe to make a Thanksgiving offering to this fund. Let all our friends be assured of help and since we have to raise about \$2000 more before we can start our building, we are asking all to help now in this drive. Let every little boy and girl coming to our Sunday school, bring something for this offering. Now with a strong pull, all together we can put this over.

I'll see you Sunday.
Joe E. Mayes

CITATION BY PUBLICATION

THE STATE OF TEXAS To the Sheriff or any Constable of Callahan County.—Greeting:

You are Hereby Commanded to summon Frank Mercer, by making publication of this Citation in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, to appear at the next regular term of the Justice Court of Precinct No. 8 of Callahan County, to be holden at the office thereof, in Putnam Texas on the First Saturday in December A. D. 1929, the same being the 7th day of December, A. D. 1929 then and there to answer a petition filed in said court on the 8th day of August, A. D. 1929 in a suit numbered on the docket of said Court as No. 125 wherein G. P. Gaskins is Plaintiff, and Frank Mercer is Defendant, and said petition alleging and being a suit on an account for goods and merchandise purchased during the year of 1929 by defendant from plaintiff in the sum of Seventy-Five Dollars, same being due and payable August 1, 1929 and being based upon an itemized and verified account and for general and special relief.

Herein Fail Not, and have before said Court, at its aforesaid next regular term this writ with your return thereon, showing how you have executed the same.
Given Under My Hand and official signature, at office in Putnam, Texas this the 6th day of November A. D. 1929.

Adjusted Compensation Line is Jan. 1, American Legion Warns

Indianapolis, Ind.—The American Legion has called attention of World War veterans to the expiration of time on January 1, 1930, for filing applications for benefits under the Federal Adjusted Compensation Act.

Figures compiled on June 30, 1929, showed that there were approximately 1,000,000 World War veterans who had failed to apply for the adjusted compensation certificates: On that date applications had been approved for 3,650,093 cases. A campaign on the part of the Legion resulted in the extension of time set in the original act to that of January 1, 1930. The Legion has attempted, through its members and the public, to inform all veterans of benefits granted by the act.

The average adjusted compensation certificate is \$1,000. This certificate granted the veterans on a basis of the time he was in service and whether he served overseas is similar in many respects to a twenty-year paid-up-endowment insurance policy. It is payable on death to the beneficiary of the veteran or to the veteran himself if living at the time of maturity. The certificate has a loan value that increases with the years. Application blanks may be obtained from Legion posts or regional officers of the United States Veterans' Bureau.

Veterans who have not made application are warned to act very promptly, as it is considered that Congress may not again extend the time of filing.

Marlin Starts New Hotel

Marlin has long suffered for lack of sufficient hotel accommodations, but work there has begun on an eight story, 110 room hotel building which is to be completed by next May. Marlin has needed more hotel room to make it the health resort it has tried to become without enough hotel facilities to take care of the people who have wanted to go there.

Mineral Wells has completed its new hotel and it is said that it will be filled with guests from the beginning. The only way to build up a resort is to be prepared to take care of the resorters.
