All Creeks Run "Half Bank" Full Or More; Grain Is Aided By Precipitation

FOR THE YEAR TO

NEARLY 8 INCHES

With threat of serious drought in the Cross Plains trade territory broken by more than a four inchrain over the week-end, farmers 'Sunday smiles" and business men

began yielding moisture early Friday soaked this section with 3.60 inches of moisture. Intermittent day-accounted for .45 of an inch bring the aggregate to 4.05.

Grain farmers were especially pleased by the timely precipitation. Already a number of fields were beginning to show "dry weather spots" and real damage would have been done had the arid spell continued another 10 days.

Stockmen too, found new hope in the rain which put out quite a bit of stock water and assured Spring

Davis, Erwin And Vestal Get Electorate's Nod As 183 Ballots Are Polled Here

Three trustees were chosen for hree year terms by voters of the Cross Plains independent school listrict at the polls Saturday. Despite intermittent showers, which continued throughout most of the day, 183 voters turned out to cast their ballots.

Elected were Porter J. Davis, Edwin Erwin and Elmer I. Vestal. The official tabulation of votes was as follows: Davis, 146; Erwin, 125; Vestal, 93; O. K. Angeley, 86; E. E. Thate, 53, and C. W. Kemper 34.

Mr. Erwin was already a member of the board. Davis and Vestal is a former member of the county board of school trustees, and Vestal former member of the local board. V. C. Walker, former member of the Cross Plains board, was elected to succeed Davis on the county

PIONEER: More than 90 votes were cast for school trustee at Pioneer Saturday, according to A. O. (Slim) Harris, presiding judge. Elected were D. T. Drake and A. C. Fore. BY ROSS BRISON County Agricultural Agent

Since last week C. B. Odell, and Clovis McDonald of Bayou have son of Snyder visited with Mrs. N. gotten 15 pounds of the delinted mebane cotton seed and have entered the county wide 4-H cotton club that is under way at this time. Others that have signed up in other parts of the county are Marshall Jolly and Connard Burns Estes of Clyde. Only 3 more 15 pound sacks of this fine seed is left for club members. 15 pounds will plant a three acre patch and this is enough to see what the cotton will do.

Ticking for the mattresses will also be furnished withou charge to those families certified by the county AAA committee composed of Lester Farmer, Fred Stacy, and Sidney Harville. This committee has also applied for 36 bales of cotton enough to make 360 mat tresses. The Planning Committee will assist in aking plans for tranwell as making plans for conducting the program in the county for the best interest of all concerned.

bushels per acre while 100 pounds eks of 15 pounds each are of 4-12-4 fertilizer applied properly is hoped that these will bas increased the yield about 10 of the boys from the bushels per acre. John Estes of menton, and Oplin clubs. Clyde reports that after a veterinarian had treated a cow, owned by Mebane 141 cotton is Clayton Estes, for milk fever be the name of Western then recommended that cattle be and was originated at fed a mineral mixture to prevent rexas. It is about two this trouble. A good one may be dier than other cottons, mixed at home by using 200 pounds bliage, and the staple is of salt, 100 pounds of bone meal, oths of an inch. At the and 100 pounds of oyster shell flour.

A new remedy for screw worms W. T. Burns home. known as diphenylamine has been found by the U.S. Bureau of Entomology to be very effective for protecting wounds of stock from becoming infested with screw worms and for treating infested wounds. It has been thoroughly tried out under Southwestern range conditions on sheep, goats and cattle and found to be superior to bone oil, pine tar oil, and many other fly repellents.

odom, Joe Higgins, Ern-Diphenylamine (pronounced dins. J. L. Farmer, Ernest feenyl-ameen) is not a strong fly repellent and does not entirely prevent flies from laying their eggs on wounds, but it kills the tiny worms hatching from the eggs before they can damage the tissues. According to information it can be depended on to kill worms up to 3 days Local Girl Member Of J. T. A. C. College Chorus

Dodson Says Ma And Jim To Be In Race Whether O'Daniel Runs Or Not

By Aubra Dodson

Hello, Folks. Well, this is Wednesday morning and tonight the Governor has promised to tell us what he intends to do about running for a second term. I will stick my neck out ten to one that his answer is "I will run.

Those who had expected the Governor to just come on and anabout the way things are being the Governor does or not. done these days . . . you see, everything is on a draft basis.

By the way, I see that Cross Plains is right up to the minute and have drafted Mayor Martin. I with our times.

Yes, I believe that Governor O'-Daniel will tell us tonight that he will run again and of course he will, perhaps, tell us how many letters and lost cards he has got asking him to run again . . . I can not figure any reason why he would not run. I think he likes being Governor . . . and he enjoys broadcasting on Sunday mornings from the 87 year old mansion . . and other things that go with the Governor's office. And Mrs. O'Daniel and the boys. Pat and Mike, are going to have a newspaper . . . trial four months subscription 25c and there will be no advertising in it and all the profit is to go to the Red Cross, according to the Gover-

will get from the profits with 4 advertising in it for only 25c. The a cor like this will take us and then whether the i thought.
