Countywide Club Meets In Putnam

Callahan county farmers, ranchmen and business men who gathered at the school auditorium at Putnam Tuesday night heard interesting talks concerning the general betterment of conditions throughout the county. I. G. Mobley, Frank Koneczak and Roy Kendrick delivered splendid talks after which the meeting was opened to round table expression of ideas for county development. Putnam ladies served coffee and cake after the meeting and a social hour was enjoyed.

Mobley, commissioner of Putnam precinct, being first on the program, presented four points for consideration, namely (1.) soil conservation, (2.) better farm-to-market roads throughout the county, (3.) more adequate medical and hospital facilities for the county, (4.) the successful outcome of the Victory Loan Drive in this county.

Koneczak, prominent merchant of Clyde, and treasurer of the Development Association, set forth three distinct ideas of county development after speaking a word of congratulations to the commissioners court for having employed a new county home demonstration agent. His ideas were (1.) a closer relationship between the farmers and business men of the county, (2.) the instigation of a plan for every farm to have more fruit trees, houses painted and flowers growing in the front yards, and (3.) more fertilizer for Callahan county farms and pastures.

Kendrick, well-known progressive farmer of the county, commended the efforts of newspapers in the county to render a service to rural residents. He stated that Callahan county had missed a lot in the past by not having a county wide organization for the development of our rural communities, and placed emphasis on the importance of cooperation, working together for the over-all good of our county. Mr. Kendrick, being a director in the rural electrification program of the county, told that the Development Association could help materially in getting every farm in the county serviced with electric current. In speaking of the better road program, Mr. Kendrick gave interesting facts and figures on the road building program that is now lined out for the county. Road construction under the highway department's plan for this county totals \$2,262,000, a third of the total appropriation for this whole district, he stated. He pointed out that the county would be required to furnish rights of way for the roads in order to get the full amount of road work done by the highway department.

Among the number of projects discussed by the entire group was the cooperative buying of fruit trees, and a committee was appointed to find out who would be interested in buying trees in various parts of the county. The committee is composed of Roy Kendrick, Denton; F. V. Tunnell, Cross Plains; and Frank Koneczak, Clyde. Interested parties may contact any one of these men and express their wishes.

Each man present agreed to attend the next meeting which will be held at Cross Plains, 7:30 P. M., Tuesday, December 4th, and bring a man with him. Everyone is invited to these meetings, but it was decided to extend a special invitation to members of the County Home Demonstration Club for the Cross Plains meeting. The new home demonstration agent, Miss Loretta Allen, will be asked to take part on the program.

CHRISTMAS DINNER PLANS MADE AT MEETING

When the Callahan Chapter of Eastern Star met Tuesday evening for regular meeting, Mrs. Joe McGowan gave an interesting report of the 63rd Annual Session of O. E. S. of Texas held in Amarillo, October 22 to 25. Mrs. W. A. Fetterly added highlights about the convention. The Order voted to donate \$2.50 to the War Chest Drive and \$2.50 to the orphan's home at Arlington.

Mrs. Oscar Stiffler, chairman of committee on arrangements for the Christmas dinner, gave a report on plans for the dinner to be held November 16, at 6:30 p. m. at the O. E. S. hall, at which time the Grand Deputy official and the Clyde members will be guests. The refreshment committee, composed of Mrs. Tee Bauleh, Mrs. Brice Jones, Mrs. Conley Pruitt, Mrs. Lula Mae Russell, and Mrs. Oscar Stiffler, served delicious pumpkin pie and spiced tea to thirty five members.

Mrs. W. P. Pope, Mr. and Mrs. T. E. Pope of Sweetwater and Mr. and Mrs. Lester Banks of Snyder were Sunday guests of Mr. and Mrs. O. P. Thompson. Mrs. W. P. Pope remained here for a longer visit with the Thompsons.

Subscribers Make Star Honor Roll

We acknowledge with thanks the following new and renewal subscriptions to The Baird Star during the past week. This is the time of year that most of our subscriptions are expiring, and we are clubbing with the Abilene, Fort Worth and Dallas papers to save our subscribers money. Look at the date on the margin of your paper opposite your name or on the wrapper for expiration date. We will be glad to take your renewal or new subscription to The Baird Star.

NO PRICES YET, BUT FORD REPORTS 300,000 ORDERS

In last week's paper we stated that 1,400 people had viewed the new Ford on display at Earl Johnson Motor Company, we got our figures mixed and were in error. Actually more than 4,000 spectators visited the Johnson show room up until last week's paper went to press.

The Ford Motor Co. reported that orders for more than 300,000 new passenger cars have been placed with its dealers despite the fact prices have not yet been announced.

J. R. Davis, director of sales and advertising, said prices probably would be made known within a few days.

He said Ford production currently is in excess of 1,000 units a day and should pass the 2,000 mark within a few weeks.

Ford also announced that truck production has begun in the company's plant at Somerville, Mass., and will begin soon at the Chicago plant.

DOROTHY FARMER WEDS J. G. HALLMARK

Mr. and Mrs. Fred Farmer announce the marriage of their daughter, Dorothy, to Cox'n J. G. Hallmark of the Seabees, Sunday, November 11.

Miss Farmer finished school at Eula with the class of '43 and has been working at Fort Worth with Consolidated Air Craft. Hallmark, son of Mr. and Mrs. J. O. Hallmark, formerly of Eula, left school in his senior year to join the Seabees. He is a veteran of thirty months, twenty-seven of which were spent overseas in the Solomon Islands and Okinawa.

R. H. CAMPBELL RETURNS FOR ANOTHER YEAR

R. H. Campbell has been retained as pastor of the Methodist church in Baird for another year. Another Callahan county pastoral appointment of the Northwest Texas Methodist conference as announced Sunday, was Aubrey White, Clyde.

J. Q. MORRISON DISCHARGED

MISS REYNOLDS HOSTESS TO WEDNESDAY CLUB

The Corinne Blackburn Wednesday Club met November 7, 1945 in the home of Miss Hazel Reynolds. The theme of study was "Youth Conservation," and the roll call was answered by "Contributions Of Youth Of Today." The members enjoyed a lovely musical program by a group of girls from the high school. A panel discussion followed on home, education, religion, and law enforcement. Delicious refreshments were served to Clara Nell Barr, Waldine Briscoe, Maurine Williams, Loraine Waldrop, Leila Shults, Margie Ray, Burma Warren, Carrie Lofland, Jeneva Jo Gibson, Hattie West, Mrs. Corinne Blackburn and the hostess.

Mr. and Mrs. Pat Bounds spent Wednesday with Mr. and Mrs. R. E. Bounds. Mr. Bounds has accepted a position as pharmacist at Clinch Drug in Abilene.

MASK BROTHERS HERE AFTER OVERSEAS SERVICE

Adding up a total of fourteen years in the armed forces, the four Mask brothers have returned home. Sons of Mrs. Flora Mask are now holding a family reunion at her home.

Sgt. John P. enlisted in the Army August 21, 1942 at Fort Sill, Okla. and went to school at St. Louis, Mo., Eysplanti, Mich., and Shepherd Field. Sailing from the U. S. with the 13th Air Force in October of 1943, he served through Normandy, Northern France, Central Europe, and the Rhineland Campaigns, returning to the states September 13, 1945. He received an honorable discharge September 27. Sgt. Mask's wife and daughter, Tonie Jo, reside at Sweetwater.

T-Sgt. Samuel E., who enlisted at Ft. Bliss January 20, 1941, received his basic training at Ft. Bliss and Camp Polk, La. and went to Tank Mechanic School at Fort Knox, Ky. He sailed for overseas service with the 3rd Armored Division and was in the Campaigns of Normandy, Northern France, Ardennes, Rhineland, and Central Europe. Sgt. Mask returned to the states October 8, 1945 and received his honorable discharge at Camp Fannin October 20. Mrs. Sam Mask has lived with her mother and father, Mr. and Mrs. Tom Roberson of Baird during her husband's absence.

M-Sgt. Troy J. Mask enlisted at Fort Clark July 18, 1940 and took his basic cavalry training at Fort Clark and Fort Bliss. He sailed for overseas service with the 1st Cavalry Division July 3, 1943 and saw action in New Guinea, Admiralty Islands, South and Northern Philippine Islands, returning to the United States September 26, 1945. He was honorably discharged at Fort Sam Houston October 4. Sgt. Mask is making his home with his mother in Baird, and plans to enter A. C. C. Abilene, at mid-term.

The youngest son, Pfc. Vernon R., enlisted at Camp Wolters May 5, 1943 and sailed for overseas duty October of the same year, serving with the American Infantry Division in Bougainville, Southern Philippine Islands, and with the Army of Occupation in Japan. Pfc. Mask returned to the states on furlough October 28, 1945 and will report to Ft. Sam Houston December 5 for discharge. He plans to enter Texas University soon.

"SIGN OF THE CROSS" BRINGS NEW THRILLS

The modernized production of Paramount's "The Sign of the Cross," produced by Cecil B. DeMille, is something movie-goers will welcome with open arms. Arriving Tuesday and Wednesday November 20 and 21 at the Plaza Theatre, DeMille's mightiest epic brings Fredric March, Claudette Colbert, Elissa Landi and Charles Laughton to the screen in unforgettable roles.

The producer's achievement in supervising a cast of 7,500 to present the colorful spectacle of ancient Rome during 64 A. D. is something which remains unequalled in Hollywood production. "The Sign of the Cross" is first and foremost a story of pagan Rome reaching its fullest expression in a Roman holiday at the Circus Maximus, where the gladiatorial contests and all the brutal games that delighted Nero served as a prelude to the sacrifice of Christians to the lions.

The drama also includes a tender love story of a Christian girl and a Roman patrician, the roles being played with rare beauty by March and Miss Landi. One of the high spots, too, is Miss Colbert's Poppea, the wanton wife of Emperor Nero played by Charles Laughton.

Lt. J. Rupert Jackson Jr. arrived last week after duty in the Pacific to spend a terminal leave with his mother, Mrs. Rupert Jackson.

Bears Lose to Cross Plains 18-7

By NORMAN WEST

The Bears lost their first conference game Monday to an inspired Cross Plain's team 18-7. The loss dropped the Bears to 3rd in the district race.

The Baird supports got a heavy jolt when, early in the first period, Robert Cook district scoring leader, got his collar bone broken. The Bears lost the services of their captain for the remainder of the season. The Buffs went on the score with Brown going over from the 6.

The Bears lost another request in the second when starting left tackle Forrest Burleson suffered a broken leg. He will not be available the remainder of the season.

The Buffaloes scored another touchdown on a pass late in the first half.

During the intermission the Bears honored their football sweetheart Bobbie Jean Jacobs.

The Cross Plains team scored again in the late third to bring the count to 18-0.

The Bears scored their lone counter late in the game on a pass to Nordyke to Barner which covered 60 yards. The same combination added the extra point.

Goble, scrappy right guard of the Bears, was the defensive star for the home town club. Brown stood out for Cross Plains.

The Bears journey to Rising Star tomorrow to take on its fine ball club.

THREE SOUTHWEST CONFERENCE GAMES BROADCAST SATURDAY

Humble announcers will be kept busy this Saturday afternoon bringing football fans the description of three crucial Southwest Conference clashes as well as a top intersectional tilt.

One of these important conference battles will take place at Austin, where Texas U. and T-C. U. will meet. Broadcast of this game will take the air at 2:15 p. m. with Kern Tips doing the play-by-play and Jerry Doggett assisting with color highlights.

Stations to carry this contest will be KPRC, Houston; WOAI, San Antonio; WFAA-WBAP, Dallas-Ft. Worth; KRGV, Weslaco and KTBC, Austin.

In another of the crucial games Rice will battle A. & M. at Houston. Announcers for this tilt will be Ves Box and Dave Russell describing the play-by-play and color respectively. Broadcast time will be 2:15 p. m. over stations KGKO, Dallas-Ft. Worth; KTS, San Antonio; KXYZ, Houston; KRIS, Corpus Christi; KEEW, Brownsville and WTAU, College Station.

The third of the "do or die" battles will pit S. M. U. against Arkansas. This game will take place at Dallas at 2:15 p. m. Charlie Jordan will handle the play-by-play for this tussle while Dick Bush will add color. KRLL, Dallas and KTRH, Houston will carry the broadcast.

The big intersectional tilt will bring Baylor to Tulsa Oklahoma to tangle with Tulsa U. This game will go on the air at 2:15 p. m. with Bill Michaels on hand for the play-by-play and Alec Chesser describing the color. Carrying this contest will be stations WRR, Dallas; KFJZ, Ft. Worth; KTEM, Temple; KNOW, Austin; WACO, Waco; KABC, San Antonio; KRCB, Abilene; KRST, Big Spring; KGKL, San Angelo; KR-LH, Midland; KBWD, Brownwood; KPRO, Longview; KTHH, Houston; and KWBU, Corpus Christi.

CUMMINGS, DEFORE, SCOTT STAR IN "YOU CAME ALONG"

Theatre audiences will get a glimpse of a brand new personality in Hal Wallis' "You Came Along," Paramount film coming Sunday and Monday to the Plaza Theatre. Besides bringing Robert Cummings back to the screen after an absence of over two years, during which time he served as an army flight instructor, it introduces Elizabeth Scott.

"You Came Along" is, more than anything else, a tender love story, poignant, but never mawkish. It concerns three furloughed fliers, Cummings, Don Defore and Charles Drake, who meet up with Scott when the Treasury Department commissions her to accompany them on a bond tour. The meeting precipitates a romance between the lady and Cummings which is tempestuous but, because of unfortunate circumstances, short-lived.

The problem of war-time marriages with all the attendant uncertainties is answered with the same forthright courage characteristic of many couples in real life.

R. M. CUNNINGHAM HONORABLY DISCHARGED Richard Maxton Cunningham M-1-c received an honorable discharge from the United States Navy at the Navy Separation Center at Norman, Oklahoma. His last duty station was 23 NCB, Guam. Cunningham served 28 months overseas in the Pacific Theater of Operations.

County Service Men To Be Listed

How many Callahan County men have been to war? Roughly speaking there have been up to 2,700 of our young men in the ranks of the army and navy in World War II, 53 of this number were killed in action. These facts were brought out at the American Legion meeting Monday night when that organization voted to make a canvas of the county and compile a list of all the Callahan County men who served in the war.

A committee was appointed to obtain the names of Callahan county men from church rolls and school rolls and other sources. After this list is well organized, and the committee has done all it can do, the list will be published in The Baird Star. All of our people are asked to check the list carefully, and then report the names of any men of this county who do not appear on the list. It is very necessary for this list to be complete, and all residents of the county may help in some way to make it so. To do honor to our war heroes, we first must have the entire list of names.

About fifty members of the local Legion post attended the meeting which was held at Stanley's Dining Room. Among other items of business discussed at this meeting was the building of the Legion Hut. Land will soon be cleared, and foundation work started, it was stated. The hut is to be built by public contributions. More than \$2,000 has already been raised, but much more is needed to erect a building that will be a lasting memorial to the men who fought and won the war. Those who wish to contribute to the Legion hut fund may do so by mailing their donation to Eugene Bell Post, Baird, Texas.

THELMA WHITE BRIDE OF RANDELL MYERS

Miss Thelma White was married to Randell E. Myers of Chicago Thursday, November 8, at 6 p. m. in a candlelight service at the home of the bride's brother and sister-in-law, Mr. and Mrs. Clyde White, Rev. R. H. Campbell performed the impressive single ring ceremony. Attending her sister as matron of honor was Mrs. R. E. Lee of Spokane, Wash. Best Man was the bride's brother and close friend of the groom, Weldon B. White.

The bride wore a gray suit with gray and black accessories and a corsage of sweetheart rose buds. The maid of honor was dressed in black with a corsage of tube roses.

A beautiful white wedding cake surrounded by fern and chrysanthemums centered the lace covered table where Mrs. Farris Bennett and Mrs. L. D. Falls of Bowie served cake and coffee during the reception to Mrs. W. D. Haworth, Mr. and Mrs. Clyde White, Farris Bennett, Lt. and Mrs. R. E. Lee, Mr. and Mrs. Weldon B. White and daughter, Sally, Mrs. Minnie Fletcher of Waco, Mrs. Ray Thomas of Waco, Lt. and Mrs. Kendall Thomas, Mrs. Sidney Foy, Mr. and Mrs. Hulan Barr, Mrs. T. A. White, and R. H. Campbell.

After a wedding trip to Mineral Wells and Dallas, they will make their home in Chicago.

The bride is the daughter of the late Mr. and Mrs. W. M. (Buck) White of Baird. For the past year she was employed by the Bendix Aviation Corporation in North Hollywood, Calif. Mrs. Myers was formerly employed as Deputy Tax Collector here for many years and is a graduate of the Baird High School.

Mr. Myers received his discharge from the Army in California around the first of November, after spending fifteen months on Trinidad and eight months on the Philippines. He trained at Norfolk, Va., and Gulfport, Miss. before overseas duty.

Mr. and Mrs. Robert East of Nathal, Va., arrived October 30 to visit her parents, Mr. and Mrs. Raymond Young. Mr. East, S-Sgt. in the Army, served thirty months in England, Germany, Holland, and Belgium. They are leaving today for their home in Virginia.

Mrs. C. M. Mills, Mrs. James Gibson and Miss Geneva Jo Gibson spent the past weekend in Houston with Mr. and Mrs. Carl Wylie, formerly of Baird. Also a weekend guest of the Wylie's was Sgt. D. S. McGee of Baird, now stationed at Ellington Field. Places of interest included going aboard a transport ship and a cargo ship at Galveston, visiting the state Capital at Austin, and McClosky General Hospital at Temple.

Rites Saturday For W. W. Collins

Funeral for Willie Wright Collins, 76, who was found drowned in a creek north of here Thursday afternoon, was held at 2:30 p. m. Saturday at the Clyde Baptist church.

The Rev. A. A. Davis of Baird and the Clyde Baptist pastor officiated. Burial was in the Eula cemetery by the side of his wife who died in 1913.

Mr. Collins left the house of his daughter, Mrs. Leslie Cooke of Baird, with whom he had made his home for the past few months, sometime Wednesday night. He was not seen again until his body was found in the creek.

He was born October 2, 1869 in Tennessee and came to Texas in 1892, settling in Panola county. He moved to Callahan County in 1907, living first at Eula and later at Clyde. He was a member of the Clyde Baptist church.

Survivors include two daughters, Mrs. Cooke and Mrs. R. M. Pope of Abilene; two sons, J. T. Collins of Littlefield and C. B. Collins of Clyde; 15 grandchildren and nine great grandchildren.

Pallbearers were Carl Cook, Dupree Bryant, Willis Cooke, Morris Coke, H. E. Swafford and Gilbert Hinds.

"A TREE GROWS IN BROOKLYN" COMING TO PLAZA THEATRE

With the release of the eagerly awaited 29th Century-Fox film version of Betty Smith's "A Tree Grows in Brooklyn," the best-selling book in years, will—judging by unprecedented Hollywood preview acclaim—become the best-loved picture of a lifetime.

The picture was chosen by 20th Century-Fox to set off its gala 30th Anniversary celebration, the first in a series of films which studio officials have planned as the greatest in the history of the company, automatically marking this as the greatest year in the entire history of motion picture entertainment.

When the picture opens Thursday and Friday, November 22 and 23, at the Plaza Theatre, local movie-goers are bound to be unanimous in their approval of what is being widely acknowledged by authorities as the most perfect casting job ever achieved in Hollywood.

Victory Loan Gets Under Way

At a meeting held at the courthouse Wednesday night Callahan county's victory loan drive got off to a good start. The drive officially opened two weeks ago, but due to farmers being busy with crops it was delayed until now. A concentrated effort will be made to put this county over its \$205,000 quota before the deadline. It is believed that there will be very little trouble in reaching the quota of G and F series bonds, but it will require much hard work to make the goal in the E bond sales. Communities have assumed responsibility of raising the county's E bond quota as follows: Baird, \$36,000; Cross Plains, \$28,000; Clyde and Eula, \$21,000; Putnam, \$15,000; Oplin, \$15,000.

County chairman, B. H. Free-land, announced the following community chairman will be in charge of the drives: Baird, J. L. Farmer; Cross Plains, Fred Tunnel; Putnam, I. G. Mobley; Oplin, Frank Windham; Clyde, to be chosen. A military band will be invited to assist in rallies to be held in Clyde Saturday afternoon, November 24 at 3:00 o'clock, and another in Baird that evening beginning at 6:00 o'clock. Judge J. R. Black will be asked to speak at these places. Quotas will be raised in other communities by personal contact.

Eula Episodes

Elevating Elucidations for the Enjoyable Enlightenment of Everybody Everywhere.
By MRS. R. G. EDWARDS

Mrs. R. P. Stephenson is pretty sick at this writing.

Mrs. Warren is still confined to her bed but is improved some.

The Eula Baptist church will host a chili supper on Wednesday night, November 28, at the school gymnasium. They are inviting the Methodist members especially, and all others who care to attend.

Special music from Hardin-Simmons is being planned, and games and fun will be directed by Mrs. R. G. Edwards and Miss Fay Beeman. Come at 6:00 p. m.

Next Sunday, November 18, Miss Alice Chay of China, who is attending Hardin-Simmons University, will speak at 11:00 A. M. at the Methodist church. Due to this service there will be no preaching service in the morning at the Baptist Church.

Mr. and Mrs. J. B. Edwards and little daughter, Virginia, of Sweetwater visited Mr. and Mrs. R. G. Edwards, Armistice evening.

Edna Cook of Abilene visited with Miss Fay Beeman Sunday.

Mr. and Mrs. H. T. Jordan visited Mr. and Mrs. Charlie Jordan of Abilene, Armistice.

Mr. and Mrs. G. W. Blue and family Monday night.

Mrs. L. C. Duncan and son visited Mrs. Clint McKinley Saturday.

Mrs. O. T. Cooper, dean of women at Oklahoma City University, arrived Friday to attend the homecoming at McMurry College at Abilene Friday. Mrs. Cooper was formerly hostess of the dormitory there. Also attending the homecoming with Mrs. Cooper were her two daughters, Mrs. Neil Daniel and Mrs. Hugh Ross. Mrs. Cooper left Saturday for Oklahoma City.

Mr. and Mrs. Neil Daniel are spending his terminal leave visiting Mr. and Mrs. Hugh Ross and Mr. and Mrs. Walter Daniel of Clyde.

Mrs. Lonnie Ray left Wednesday to visit her daughter and family, Mr. and Mrs. J. E. Etherley, at Katy.

for all of us.*

**BUY BONDS—
as many as you
can—in the
GREAT VICTORY
LOAN!**

PROTECTING AMERICA'S FUTURE is a many-sided job . . . one that's up to *all* of us. For instance, your money in Victory Bonds will help to continue the planning and research that shortened the war . . . and will assure the peace!

THE ROAD BACK from war will be eased for our fighting men by our purchase of Victory Bonds *now*. Held by millions of Americans, bonds will provide a solid reserve of buying power to assure steady jobs for returning veterans.

YOUR DOLLARS IN VICTORY BONDS are needed to protect our country in another way. By buying bonds, we help keep the lid on prices of scarce goods . . . help prevent runaway inflation with its sure follow-up of depression.

NATIONAL SECURITY, and your own *personal* security, are both served by Victory Bond purchases. Victory Bonds provide a reserve for you for farm improvements later . . . in a nation kept healthy and prosperous by Bond investments!

THE RADIO WORLD LEARNS ABOUT CALLAHAN COUNTY

All sorts of good things about Callahan county were told to approximately 3 million Texas people who tuned in to KRLL's Hometown Editor program Saturday at noon when the Baird Star editor, Marvin Hunter, and Baird's jovial Mayor, Hugh W. Ross, were given time on that radio station. The program was announced in last week's Star and many people throughout Callahan county listened to the broadcast.

Since returning home a large number of our friends have spoken to us about the trip to Fort Worth and Dallas stating that they heard the program. About the first question that was asked when we returned was "Did you get scared?" Well, I'll be truthful and answer "Yes." We had our speech written out on a piece of paper, and that paper got to shaking and crackling so bad that it is a wonder the folks could hear the program for the "static" it created. The editor took the Mayor along for an anticdote for mike fright, and we leaned on him for support. On second thought, we decided he might need a supporting arm, too, so we asked Lonnie Ray to go along. The arrangement came in pretty handy, because while we were leaning on the Mayor, we felt him weaken and heard his voice quiver right in the middle of the broadcast.

When we looked around, there was Ray backing up the Mayor and scotching with that strong cigar. That fifteen minutes seemed to be at least an hour long. The folks at home were nice about telling us they liked the broadcast, and that the reception was good. One of our good old friends came to us all excited to say that we were going to advertise Callahan county too well, and that people from everywhere would come here to live. We asked what was wrong with sharing our delightful climate and pleasant days with a lot more people. "Oh, the friend said, "we don't have enough houses for them to live in!" This friend, having lived in Baird for many years and coming here with the first settlers was reminded that there were no houses here at all when the pioneers came to Callahan. With the post-war era more pioneers are coming to this good county and if there be no homes to house them, they will do like the pioneers of nearly a hundred years ago—they will build them.

Clyde Bunnell of Cross Plains paid the editor a fraternal visit Monday when he and Mrs. Bunnell came over to attend the Cross Plains-Baird football game.

EVE OF BUILDING SPREE IN BAIRD

Baird is in for a building spree, and as soon as materials may be obtained we will see many new homes erected in our town. Two or three gentlemen right now are getting set to finance new buildings in Baird. Not only are new homes to be erected in Baird, but a number of new business buildings are being contemplated. There is good prospect for the construction of a new post office building as well as an American Legion but and park. A movement is underway to erect a feeding barn for the vocational agriculture class at the high school. Couple these building projects with the improvement of present homes and business houses, and Baird will surely experience a wave of building enthusiasm.

SCIENCE

Hardly any subject, other than the atomic bomb is discussed more widely today than DDT which since the hostilities ended has been flooding the retail market. Some of the preparations are useful and will do what is claimed for them. Others have practically no value at all. Naturally, the public is somewhat confused over the virtues of DDT.

Science has not yet had time to provide all the answers about DDT and what it will or will not do to all insects under varying conditions. Basic principles are established and have been agreed upon by different scientists and scientific agencies.

If the new insecticide is properly prepared and used it is remarkably useful against many harmful insects, but it is not to be considered a panacea to rid homes and gardens of all insect pests. It has a definite place to fill but in its present state it cannot replace all the previously known materials in this field.

DDT—dichloro diphenyl trichlorethane—is a synthetic chemical discovered in Germany, later rediscovered and put to practical use by a Swiss dyestuff firm as a moth-proofing agent. In 1942 it was used by our Army and proved so effective in the control of lice, mosquitoes and flies, that production was stepped up to several million pounds a year. And until August of this year, our entire output went to the armed forces.

In its common use, it is harmless to man. Some applications are harmless to dogs, but cats lick themselves and the substance cannot be used safely on them. Used with oils it harms animals, because the oils injure their skins. It is very toxic to fish and all coldblooded animals.

Although there is much to be learned about it, the effects of DDT on birds and beneficial wild life are not as devastating as originally feared. Research is still being carried on by U. S. departments, state research agencies and private chemical laboratories. It will be some time before all its advantages and disadvantages are known. But it is here to stay and already a great step forward has been taken in the battle against insect enemies.

One thing we know and can be thankful for, the killing of malarial mosquitoes and flies on tropical islands saved the lives of thousands of American boys in the service.

Farris Bennett, Mr. and Mrs. Bob Darby, and Sgt. and Mrs. M. E. Cargal enjoyed a fishing trip to Devil's River last week.

Mrs. Lois Crump and little son of Houston visited her mother, Mrs. Callie Cooksv. and her sisters, Mrs. Ruth Mae Stork.

GI BILL OF RIGHTS EXTENDS TO OCT. 6, 1946

At the present time the GI Bill of Rights extends to October 6, 1946 for those who intend to enlist between now and then to be eligible for the privileges set forth by this Bill. One of the most important is the government payed schooling offered at the end of the enlistment. This would be important especially to high school graduates.

All men who have been discharged under the point system between May 12, 1945 and November 2, 1945, if enlisted prior to November 21, 1945, will be enlisted in the highest grade held at time of discharge, being either permanent or temporary.

Regular Army enlisted men, now as Officers, or Warrant Officers in the Army of the United States, may reenlist in former Regular Army grade if they so desire.

All men serving in the Army at the present time must go through their camp recruiting office for reenlistment.

Each enlisted man discharged after June 1, 1945, who reenlists in the Regular Army, who gets reenlistment furlough, will be paid a furlough travel allowance as follows: (May receive payment in advance if he so desires):

1. 5c per mile from furlough station to home as shown in Service Record and from home to new duty station.
2. 5c per mile from furlough station to place he may select where family, wife, children reside, and from there to new duty station. However, he must provide to CO the evidence of family residence at place selected. No sea travel is included in above payment.

Anyone who reenlists within three months from date of discharge will receive an enlistment allowance at the rate of 50 dollars per year for each full year of honorable service since last enlistment.

Reenlistment furloughs granted to those who have had at least 6 months active service, who have not had a reenlistment furlough within the last three years, as follows:

1. Are discouraged and reenlist immediately.
2. Are discouraged and reenlist within 20 days.
3. Are discouraged after 12 May 1945 and reenlist before 21 Nov. 1945. (Note: Furlough travel pay paid only from 1st June 45.)

Length of furlough is determined by length of last period of active service, as follows:
Served 6 months, under 18 months, 30 days furlough
Served 18 months, under 30 months, 60 days furlough
Served 30 months and over, 90 days furlough

W. J. DUGAN IS STATIONED IN MANILA

Pvt. W. J. Dugan, son of Mr. and Mrs. Will Dugan, route one, Clyde, is serving as a marine parts man with an engineer unit near Manila.

Overseas since September 1945, he is entitled to wear the Asiatic-Pacific theatre ribbon. He has two brothers in the service, GM 2-c James F. Dugan in the Navy, and Pfc. Frank L. Dugan in the Army.

A former student of Clyde high school, Dugan has attended St. Joseph Academy, Abilene and John Tarleton college.

GRAFORD N. ROGERS TO BE DISCHARGED
Graford N. Rogers, aviation machinist's mate, first class, Baird, Texas, has been detached from Air Transport Squadron 12 of the Naval Air Transport Service and is being returned to the States for Discharge from the service.

The squadron has helped provide the "magic carpet" that is bringing high-point veterans home from the Pacific. Nearly 3,500,000 miles a month are being traveled by the unit's fleet of huge, four-engined planes. Each month for the last four months they have been carrying more than 20,000 passengers and 125,000,000 pieces of mail, in addition to hundreds of tons of high priority cargo.

FIFTY PERCENT OF A. C. C. STUDENTS HOLD JOBS
One of the ideals of Abilene Christian College, Abilene, Texas, is that the democratic way is the best way of any of the world systems. In accord with this view, all young men and women enrolled in the college are given jobs to defray a part or all their college expenses if they so desire. Of the 672 students enrolled in the college, nearly fifty percent of them hold some kind of job on the campus.

A recent organization among one of these working groups on the Abilene Christian College Campus is the Kitchen Service Club, composed of young men and young women who work in the college cafeteria. One of the members of the group is Ruby Faye Griffin daughter of Mr. and Mrs. E. T. Griffin, of Rt. 1 Clyde, Texas. A 1944 graduate of Clyde high school Ruby Faye is majoring in Dramatic Arts in Abilene Christian College.

CARD OF THANKS
To those who joined the searching party last Thursday, and for the many deeds of kindness shown us at the death of our beloved father, W. W. Collins, we express our heartfelt thanks. We also wish to express our sincere thanks for the beautiful floral offering and appreciation for the food that was brought in by our friends. Your kindness will never be forgotten.

WEST BOYS ATTENDING UNIVERSITY OF TEXAS

Kenneth and Dwight West, sons of Mrs. Carl West of Fort Worth, are now attending the University of Texas. Kenneth, U. S. N. R. O. T. C., has attended the University since his graduation from N. T. A. C. last July. Dwight, who attended T. C. U. for one year, has recently been employed as assistant research chemist at Swift & Co., laboratories. Both boys are majoring in chemistry. The Wests are former residents of Baird.

M-Sgt. and Mrs. Bill Cargal are here on a ninety day furlough from West Palm Beach, Fla. They will leave November 15 to visit friends in West Virginia before returning to Florida.

Pvt. Jack Flores arrived Saturday of last week from Aberdeen Proving Ground, Md. enroute to San Francisco, Calif. and is visiting his wife and son, Jackie. Flores came by The Star office Friday and renewed his subscription for another year.

Jess McGee of Albany was a Sunday visitor here.

Mrs. Geneva Flores and son, Ike, arrived here Friday from Houston to visit Mrs. Flores' son, Pvt. Jack Flores, here on furlough from San Francisco, Calif.

It can be done in Baird.

a fine, balmy day in JULY
It's a fine, balmy day in July—outside, of course. But in the cold room at the John Deere Tractor Works, the thermometer reading was ten below zero when this picture was taken. Humidity can be regulated in this cold room, too. And, if tests require a wind, anything from a gentle zephyr to a howling gale of 40 miles per hour can be created.
Creating their own weather conditions enables John Deere engineers to test ideas and conduct experiments that are of vital importance to the John Deere owner. Here it is possible to check and recheck, adjust and readjust until there is no doubt as to the performance of a John Deere under extreme weather conditions.
Of first importance is the matter of lubrication when the motor is cold. Will there be residual lubrication enough to protect gears and operating parts until the cold oil in the crankcase is heated enough to circulate freely?
Add this phase of John Deere research to all the other tests and trials conducted by the planning and experimental departments, and the answer is simple—nothing is left to chance or theory. All the ingenuity and experience of trained engineers have been brought to bear on the main objective—to turn out a tractor that will operate successfully under all conditions and give a maximum of economical, dependable service to the farmer.
There is no substitute for the accumulated experience gained through more than a hundred years of single-minded devotion to the manufacture of better farm implements.

GODS WORD

THE WEAKNESS OF GOD

Paul says, "Because the foolishness of God is wiser than men, and the weakness of God is stronger than men. For ye see your calling, brethren, how that not many wise men after the flesh, not many mighty, not many noble, are called; but God hath chosen the foolish things of the world to confound the wise; and God hath chosen the weak things of the world to confound the things which are mighty" (1 Cor. 1:25-27).

The wisdom of the world consists exclusively in knowledge gained by experience — information gained by the exercise of the five senses. The wisdom of the world takes no cognizance of a direct revelation from God, such as we have in the Bible. Those who walk by faith are more concerned with things that "eye hath not seen nor ear heard."

"The foolishness of God is wiser than men" means that the least thing that God knows is greater than the greatest thing that man knows. We are not sure that man knows all about anything, while God knows all about everything. Some one has recently been trying to prove that man cannot be sure that two and two equal four; and even if it does, there are still some things about the process that man does not know.

"The weakness of God is stronger than men" means that the least thing that God does is greater than the greatest thing that man does. When man made a light that would shine nearly fifty miles, all the world was talking about it. But we do not hear so much about the light that God made which shines ninety-two million miles. God can cause a continent to sink by an earthquake, but we do not hear half as much about that as we do about the atomic bomb.

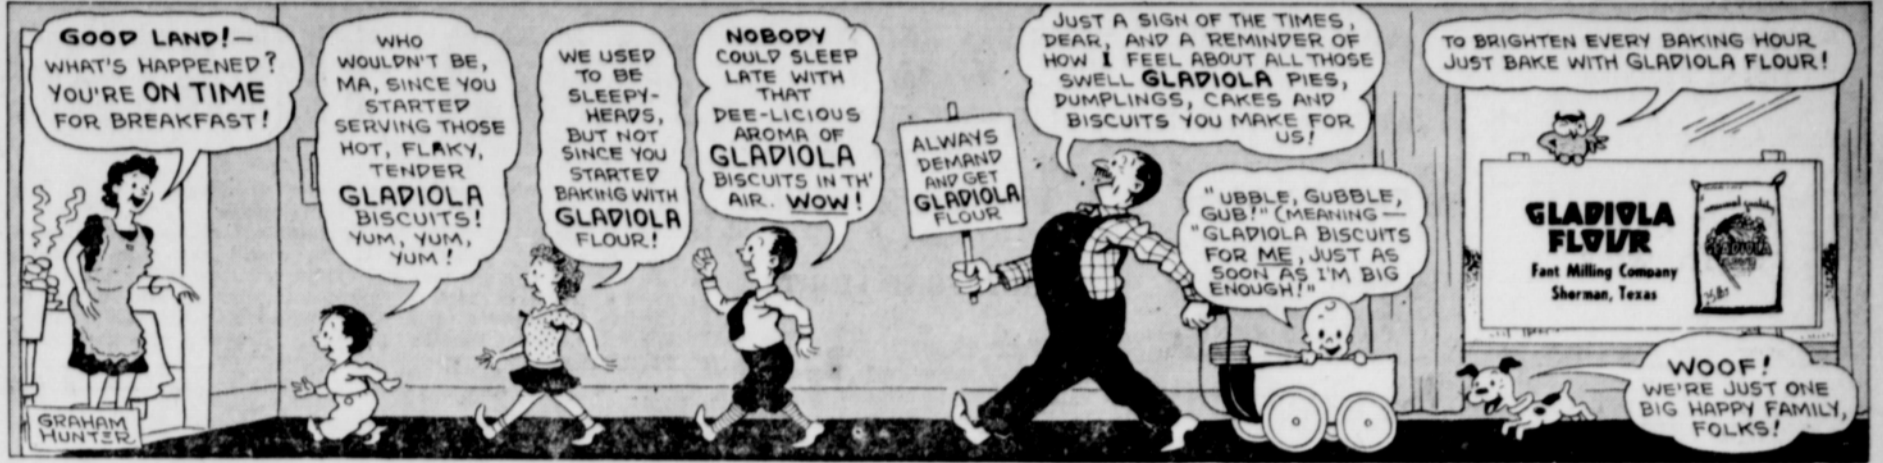

Man glories in his own works. He magnifies human wisdom and belittles God. The wisdom of the world has never kept men from worshipping idols. It reveals no plan of salvation. It has no way of forgiving sins, and it cannot keep men from sinning. So from the standpoint of man's greatest needs human wisdom is a failure. God's most rudimentary thoughts surpass the wisdom of men, because they bring sinners to repentance, purity of life and the hope of heaven.—W. M. Davis.

Our Roots Are in This Land...

HOW often you hear a man say of the land he owns . . . "When my son takes over, this will be a better place than when I got it!" Such a desire is natural to a father and splendidly American! Along with the expressed thought, there is a deep-rooted pride in continuous family ownership of productive land. So long as this ideal lives, agriculture will continue to be "the broad, enduring base upon which the entire U. S. economy rests."

There are many farm and ranch sons who stay in their families' business on the land. Some who do leave, however, might also stay, were there written business agreements between father and son. Such agreements insure a fair return to both "partners" for the labor, capital and ability they contribute to their joint enterprise.

Practical father-and-son farm business agreements have been worked out and are proving their worth in actual practice on many of the nation's farms and ranches. The various forms of these agreements cannot be explained in detail here, but they are available and worth study. Excellent bulletins on this subject may be had by writing to the College of Agriculture, University of Illinois, Urbana, Illinois, for Circular No. 587; or to Michigan State College, East Lansing, Michigan, for Special Bulletin No. 330.

We, at Swift & Company, know that a prosperous agriculture is the base of our prosperity and we are proud to say with you . . . "Our roots are in this land."

Soda Bill Sox:

... That a steer is like a sofa. His frame is built on the range, his upholstery is put on in the Corn Belt, and he is often polished off in the city.

... That the important thing about a water-hole is water, and the important thing about a good farm is good farmers.

THE EDITOR'S COLUMN

The livestock-and-meat industry is like an endless chain. The meat travels in one direction; from livestock producer to meat packer, to retail dealer, to consumer. And coming back in the opposite direction is money; from the meat purchaser to the storekeeper, to the meat packer, to the man who grows the livestock.

There must be motive power to keep that chain running, and that motive power is profit. It is profit that keeps ranchers and farmers producing livestock; profit keeps meat packers slaughtering, dressing and delivering meat to retailers; profit keeps retailers selling meat in their stores.

We at Swift & Company well know that a continuing loss anywhere along the line would mean that all of us would suffer. Thus, it is clearly to our own advantage to operate our end of the livestock-and-meat industry so efficiently that the money the consumer pays for meat shall cover all costs plus a sufficient profit for retailers and livestock producers, as well as for ourselves.

Agricultural Research Department

PHENOTHIAZINE FOR FARM FLOCKS

By RICHARD C. MILLER
Kentucky Agricultural Experiment Station

All sheep in farm flocks—ewes, rams and lambs—should be dosed late this fall or early winter with phenothiazine and again in the spring after lambing time. From at least May 1, through September, the one-to-nine phenothiazine-salt mixture should be accessible in a covered feeder that protects it from the weather.

In Kentucky tests during the past three years, involving 30,000 breeding ewes, this program (in connection with generally recognized good farm flock practices, such as pasture rotation), eliminated the dosing of any lambs in more than 90 percent of the flocks, and made possible the growing out of even the latest lambs to good market weights and finish. The average increase in weight per lamb was nearly 12 pounds above normal prewar average. The average annual cost for phenothiazine was less than 30 cents per ewe.

Farmers and ranchers in doubt as to time and frequency of treatment best suited to their conditions and purposes should consult their state agricultural college.

Have you heard about the new improved lard?

Swift & Company, after ten years of research and consumer tests, has developed a brand new product—Swift's Bland Lard. It has all the advantages of other high grade shortenings, plus the important qualities found only in lard. It will cause millions of American housewives to use more lard, and that's mighty important to hog producers.

Any improvement in pork products which boosts consumer demand (such as a superior lard) will have a supporting effect on live hog prices, because the price paid for livestock is governed by what the meat packer can get for the meat and by-products.

Martha Logan's Recipe for CHICKEN REGAL

2 cups cubed cooked chicken	2 cups cooked peas
4 tablespoons chicken fat	2 cups chopped mushrooms
4 tablespoons flour	4 tablespoons chopped pimiento
2 teaspoons salt	4 egg yolks
4 cups milk	

Make a white sauce of the fat, flour, milk, and seasoning. Add chicken, peas, mushrooms, and pimiento. Heat thoroughly. Beat yolks. Add a little of the hot mixture to the eggs and mix. Remove chicken mixture from the heat. Add egg mixture. Stir well. Serve immediately over hot biscuits, waffles, or cornbread.

CATTLEMAN ON HORSEBACK

Next time you are at the Union Stock Yards in Chicago, if you see this big, jovial man sitting on a horse in the middle of a milling pen of cattle, that will be M. S. ("Si") Hughes, Swift's Head Cattle Buyer at Chicago.

Way back in 1917, Si Hughes walked up to the Swift buyer in Kansas City and said, "Mister Stemm, I want a job." He got the job, and he's been with Swift ever since, except for a two-year army-hitch in World War I. Kansas City, St. Louis, Fort Worth, St. Joseph, Kansas City again, and finally Chicago—all added to his experience in judging the quality and yield percentages, grading, etc., of cattle.

In 1943 he was made Head Cattle Buyer for Swift & Company at the Chicago Yards. He has a staff of experienced cattle buyers directly associated with him.

EDITORIAL

The holiday this week was wel-
comed by all. Tuesday every
one discussed what had happened
on the preceding weekend, especial-
ly the football game. It's true
that our boys were defeated but
they certainly did their best.
We're proud of our football
team because we know they fight
hard and fair, and always do their
best.
Keep going, Bears, we're for
you one hundred per cent.

PEP NEWS

The pep squad made a good
showing Monday, both as a cheer-
ing section and in their formation
at the half.
Bobbie Jacobs, football sweet-
heart was presented a beautiful
bouquet of red roses by Morris
Bains.
The two were surrounded by the
pep squad in heart formation,
then "Let me Call You Sweet-
heart" and "You've Got to Be A
Football Hero" were sung by the
pep squad.

day, he came by The Star office
and paid up his subscription for
another year.

Mr. and Mrs. Clint Blakley of
San Diego, Calif., arrived Friday
in Eula to visit Mrs. Blakley's
sister, Mrs. M. B. Rutherford, and
her brother, Dee Pool.
Amos Cargal, fireman 2-c has
been stationed at Camp Wallace.
He recently moved his family here
to make their home while he is
gone.
Bruce Bell SK 2-c, chaplain's
assistant on Okinawa, was in a
jeep wreck with his captain Octo-
ber 23. He sustained bruises and
minor cuts, but was able to contin-
ue with his work.

Mrs. Joe Smartt of Clyde and
her daughter, Mrs. G. F. Francis,
of Abilene were visitors in our
city Saturday. While here they
came by The Star and Mrs. Smartt
renewed her subscription to the
paper.

Mr. and Mrs. J. O. Moore of
Columbus, Ohio are visiting Mrs.
Morre's brother-in-law and sister,
Mr. and Mrs. B. L. Russell, Jr.,
and her father, B. L. Boydston.
Other guests in the Boydston home
are Mr. Boydston's daughter, Mrs.
Katherine Keilty and Mrs. Cora-
nell Gee, and Mrs. Keilty's daugh-
ter, Mrs. Carver and children,
all of Dallas.

**A Few Of
Callahan
County's Best
Bargains**

Here is a real buy if you
act quick. 265 acres, 65
acres in cultivation, 200
acres that's real grass land,
4-room house, 2 windmills,
excellent water supply. 9
mi. from Rising Star, on
mail route and school bus
line.

A dandy little farm of
215 acres, new tile house,
tile improvements, fine well
of water, 4 miles north-east
of Cross Plains.

Also, Grand old mansion,
10 rooms, 3 car garage
apartment, half block of
land in choice residential
district of Baird.

Also, a good Callahan
county farm, ideal for pea-
nut growing and fruit, on
school bus route, good all
weather road, 160 acres with
50 in cultivation. 4 miles
N. W. of Baird.

Now, listen, folks: After
all a dollar is not worth
much today and buys less.
So why not begin to do what
you have wanted to do for
years. Callahan county is
the spot for millions of hap-
py hours of real living.
