If You Should

Would you be better satisfied with your financial condition? Do you feel confident your family wouldn't suffer? Do you believe your children would be properly educated? Think about these things and if you haven't any insurance see me and let's talk the matter over. If you carry insurance and feel you haven't enough me and have it increased. Now listen, if you read this and at the same time it in your head that insurance is a gamble and a proposition, drop in to see me and I will bet you one [and plank down the money] that I can show that it will be impossible for you to lose.

Great Southern Life Insurance DALLAS HOUSTON J. T. LAWRENCE LOCAL REPRESENTATIVE

STOMACH TROUBLE

Mr. Marion Holcomb, of Nancy, Ky., says: "For a long while I suffered with stomach trouble. I have pains and a heavy feeling after my meals, a disagreeable taste in my mouth. If I ate anything butter, oil or grease, I would spit it up. I began to get regular sick headache. I had used pills and tablets after a course of these, I would be constipated. It seemed to tear my stomach all up. I found they were no good at all for my trouble. I heard

THEDFORD'S BLACK-DRAUGHT

recommended very highly, so began to use it. It came. I keep it in the house all the time. It is the best liver medicine made. I do not have sick headache stomach trouble any more." Black-Draught acts on the liver and helps it to do its important work throwing out waste materials and poisons from the system. This medicine should be in every household use in time of need. Get a package today. If you are sluggish, take a dose tonight. You will feel fresh tomorrow. Price 25c a package. All druggists.

THE CROSS PLAINS REVIEW

CROSS PLAINS, TEXAS, FRIDAY, FEB. 27, 1920

No. 52

VESTAL MAINTAINS BIG FLOW

Other Locations Made---Two New Derricks Building ---Flow of Hilburn Well Increases

Under all the difficulties encountered in controlling a gusher oil well, the placing of the permanent casing and removing the drill casing was completed in the Vestal well last Tuesday, and the efforts of its owners are now directed to the building of tanks and taking care of the output. The slush pit and one earthen tank hastily prepared were filled to overflowing by the time the first overground tank was completed. Two large metal and wood tanks are now completed and work is in progress on others. In the mean time, we are informed, a pipe line is building to it from Gorman, via the Hilburn well.

Many new locations have been decided upon by the Consolidated Oil Co., who own the Vestal and control large lease acreage in the field. Two new derricks are building, one located on Charlie Barr's farm, immediately in front of W. M. Wright's home, and the other on Jim Baar's land just north of the J. H. Causey farm. Most of the material for the new locations is being rushed over by trucks from Cisco and the other nearby towns.

It is believed by the operators that the Vestal well, as was the case with the Hilburn, will gradually drill-in to a greater flow by its own gas pressure. Should it not the sand will be further penetrated.

NEED OF NIGHT POLICEMAN URGENT

The danger to both life and property that has been the experience of all other oil towns should lead to immediate steps being taken to provide some kind of protection for Cross Plains against probable robberies and hold-ups. The danger and emergency occasioned by the oil boom demand, at least that a night policeman be on constant duty. After some citizen has been killed or maimed by a thug, or a safe blown in one of the business houses of the town, accompanied by a wholesale theft of goods and other valuables it will be regrettable late to commence preparations.

The absence of electric lights on our main streets, and a knowledge that we have no police protection certainly leaves both life and property unprotected with the danger of every crime perpetrated by the robber and thug. If the town council has the authority, and it certainly does by reason of the emergency, a night policeman should be placed on duty at once. If this authority on the part of the town council is not assumed and made active, then the owners of the various business concerns in the town should get together and provide the payment for such protection until it can be made permanent by legal taxation.

Notice.

My land, situated in Samuel St. John Survey, Callahan County, Texas, is this day taken off the market and not for sale in the hands of any agent or representative. Feb. 24, 1920 J. H. Causey

Build In These Conveniences Yourself

Why not have a bath room? A Beaver Board partition will provide the proper space—and without muss and litter.

This is just one of the handy uses you'll find for Beaver Board about the farm. These knotless, crackless panels of manufactured lumber are just as good for new building as they are for remodeling and repairing.

You can easily do the work yourself. All that is necessary is hammer, saw and nails. You are sure of a permanent job, because these sturdy panels cannot warp or buckle. An exclusive "Sealite" process of surface sealing and sizing protects them from weather, moisture, or climatic changes.

Next time you are in town, call and see these convenient lumber panels for yourself. Or phone or write us for samples, prices, and estimates.

JOE H. Shackelford's Lumber And Paint Store

WOULD DETRACT CORRECT LOCATION OF VESTAL WELL

Recent dispatches sent in to the daily papers from a number of the towns in this part of the state seem to indicate an over indulgence of envy on the part of said towns in their efforts to confuse the correct location of the Vestal well. Rising Star, Cisco, Burk Burnett or far away Nome, Alaska, may claim it, but Cross Plains is one and one-half mile from the well, Rising Star eleven miles, Cisco seventeen miles, Burk Burnett 168 miles, and Nome 5,320 miles. These places will each benefit from the trimmings of the field according to distance, but Cross Plains will be the magic city arising from its discovery and development.

TO INSTALL NEW MACHINERY

The Review, since the boom has come on, is making arrangements to install a new linotype and other new machinery necessary for conducting a first-class newspaper. At present on account of scarcity of help we are unable to cope adequately with the new situation. Perhaps by next week we will be better lined up with help. Shorter time will help.

MISS STRAHAN FOR COUNTY SUPERINTENDENT

Miss Missouri Strahan of Cottonwood has announced her candidacy for county superintendent of this county. Miss Strahan was reared in the county and has been quite successful in teaching, and has been successful in teaching, and has been quite successful at the work. She will appreciate your support.

CHAS. NODYKE FOR COUNTY CLERK

Chas. Nodyke, county clerk, has announced for re-election to that office. He has filed the office with entire satisfaction, so far as we know, and will appreciate your support at the polls.

"Better Than Oil."

Hear about it at the Presbyterian church next Sunday. Services at 11 a. m. and 7:30 p. m. Sunday school at 10 o'clock. You are cordially invited to come and worship with us, Strangers and visitors in town especially urged to come and be at home with us. See thou with us and we will do

MOVE TO EXTEND R. R. FROM CROSS PLAINS TO ABILENE

Abilene is getting busy and it may not be but short time before work will commence on the extension of the Cross Plains Division of the Katy to that city. The following telegram concerning the move has been sent out from that place:

"A railroad to run from Abilene to Cross Plains and connect there with the Katy branch is being agitated here.

"With the bringing in of the Vestal well at Cross Plains, Abilene citizens at once revived talk of this line, which has been under consideration for some years. The distance is about thirty-five miles and the terrain offers no uncommon engineering difficulty.

"It has been suggested that the Katy might take over such a line in line and extend it through Abilene to Rotan and connect with the Waco-Stamford Rotan branch."

We have installed a blue print plant in connection with our abstract business and are now able to furnish blue prints promptly.

Jackson Abstract Co., Inc. Baird.

DEBT OF \$138 ON CROSS PLAINS CEMETERY PAID

Last week, through the efforts of Mr. M. S. Moore, a public subscription was taken up among the citizens of this community and the debt of \$138.00 which had been standing against the Cross Plains cemetery was paid. Mr. Moore reports that \$101.00 was subscribed, and after paying off the notes which, through the liberality of the bank, had not accumulated interest, a balance of \$23.00 was left, which he has placed to the credit of the cemetery.

Burnt Branch News.

The old flu is visiting around in our community again, which is causing lots of sickness.

Miss Novie McCord, who has been real sick with the slow fever is slowly recovering.

Echels Ford, son of Mr. and Mrs. Joe Ford of Atwell, died Jan. 20th, with pneumonia, while he and his wife were visiting Mr. Drury's folks in New Mexico. The remains were shipped back here for burial. He leaves his father, mother, three brothers, four sisters, wife and baby and many friends to mourn his death. He was 26 years old. Echels faithful friend to one and all

who knew him. He is gone, but not forgotten by his many friends and loved ones.

Mrs. Sallie Fortune came home Tuesday, a week ago, with the flu.

We are not having very much school in our community on account of so much sickness.

Good Woman Goes To Her Reward.

Mrs. Hettie Mae Smith, wife of
Marvin Smith, daughter of Mr. and
Mrs. J. W. Gege of Sebans died in
Feb. 19 at about 12:45 A. M. and
was buried here at 3: P. M. Funeral
services were conducted at the grave
by Rev. C. C. Tyler.

Mr. and Mrs. Smith were young
and promising, Mrs. Smith being
29 years of age the 13th of last
month.

This young couple had only re-
sided in Cross Plains a short time,
when the wife contracted influenza,
which developed pneumonia, result-
ing in her death.

But let it be remembered that
this good woman did not die as
those who have no hope. She gave
her heart to Christ when a mere
child and joined the Methodist
church. As evidence that she loved
her church and her Lord, in the ab-
sence of a M. E. church, she joined
the Presbyterian church with her
parents. When she married she
returned to the M. E. church with
her husband, the church of her
choice.

By seeing it that her name was
upon some church roll where she
lived, this young woman set a beau-
tiful example of love, loyalty and
devotion. For how many are those
who will not even join the church of
their choice.

This good woman leaves many
relatives and friends to mourn her
departure.

Her relatives requested the writer
to thank the many friends for their
help and sympathy during her ill-
ness.

To arrive this week a shipment of
Mr. Bill planters and Bob White
cultivators.

C. S. Boyles.

Friends of Henry Childs, who
has been seriously sick the past
week with pneumonia, will be glad

Helps Sick Women

Cardui, the women's tonic, helped Mrs. William Eversole, of Hartsville, Ky. Read what she writes: "I had general breaking-down of my health. I was bed for weeks, unable to get up. I had such weakness and dizziness... and the pains were very severe. A friend told me I had tried everything else, why not Cardui?... I did, and soon saw it was helping me... After 12 bottles I am strong and well."

TAKE CARD

The Woman's Tonic

Do you feel weak, dizzy, worn-out? Is your lack of good health caused from any of the common women's troubles? Then why not give Cardui a trial? It should surely do for you what it has done for many thousands of other women who suffered—should help you back to health.

Ask some lady friend who has taken Cardui. She will tell you how it helped her. Try Cardui.

OIL MEN THINK CROSS PLAINS FIELD GREAT

C. Hampton returned Tuesday from a trip to Cross Plains where he had remained several days studying up the oil situation out there. He has become absolutely convinced, along with everyone else practicing with whom we have talked, that there is unmistakable an oil field. The Vestal well, Mr. Hamilton says, is making fully as much oil as has been credited to it. Three tanks have been erected and others are being erected as fast as possible. Big earthen pits were built when the well first blew and are standing full of oil. The Prairie Oil and Gas Co. are doing work on a pipe line from the new well, which will be completed by about the middle of the coming week. The company which drilled the well was under contract to drill other wells in case production was not in compliance with their contract. They have made locations on the J. A. and Charley Barr tracts, about half mile and mile and a half from the Vestal. All indications point to a score or more of wells for territory within thirty or forty miles.

ADDITIONS TO RAILROAD AND STATION SERVICE

The first of this month the federal government relinquished the operation of the railroads to private owners and all are hopeful that a more satisfactory service will be rendered. Additions have been made to the Cross Plains Division, due in greater part to the increase in both passenger and freight traffic since the discovery of the new oil field. The help at the depot has been doubled, with W. C. Wilkins, continuing as general depot agent, and Harry Clark, assistant. A. King, formerly of Sipe Springs, is employed as telegraph operator, while W. H. Huff will handle the baggage and express. Mr. Huff was formerly baggage and express man on the Katy from Cross Plains to DeLeon, having been in the service in that capacity six consecutive years previous to his recent transfer to the depot. G. W. Halpin of Waco is now train express and baggage man. Conductor J. H. Moragne and Engineer Smith continue with the regular passenger train. Two extra gangs working out of DeLeon and Sipe Springs are employed this week placing new ties and doing general work on the division.

Elected Missionary.

Rev. S. A. Rogers, pastor of the Baptist Church here, was last week unanimously called as County Missionary of this Association by the executive board at a salary of \$1500 a year. He will move his family to Baird to be more centrally located to his work. The Review is glad to learn of Bro. Rogers' promotion, but regrets to see him removed from Cross Plains.

Bryant-Neill Office Here.

Bryant-Neill Co., with offices at Desdemonia and Gorman, have located an office in the City Drug Store with Tom Bryant in charge. Mr. Bryant is a strong believer in this as a coming oil field. In the same office Mr. Guy R. Johnson, a civil engineer, will be located for the practice of his profession.

Crosby Man Moves Here.

J. F. Reed of Crosby County has leased an office in the Cross Plains Furniture store and will engage in the real estate business. He expects his brother-in-law P. E. Madison of Bell County to this week to be associated with him in the business.
