TRENCH SILOS BEING DUG TO OFFSET HIGH PRICE OF FEED

The cost of wintering cattle this winter will be very high with the present cost of feed. H. M. Breedlove, county agent, says farmers in Donley County are preparing for this by putting in trench silos. Feed that is late and corn, and also well matured feed make the best of silage and will cut the cost of wintering cattle almost in half. Five farmers in the Bray community have gone together and bought a field ensilage harvester. The five men are V. C. Waddell, W. M. Snelson, H. L. Morgan, W. F. Maddox and Calvin Dorman. This ensilage field harvester was financed by the Farm Home Administration in Donley County under the supervision of Mr. James Gouley who is local supervisor.

The digging of the trench silos and filling is being done by County agent H. M. Breedlove. The five silos in this community will each hold about one hundred tons. The digging of the silos will be completed by the first part of next week or the latter part of this week. Any one is welcome to go to one of these farms and look over the silos.

The actual filling of the silos will start later this fall when the feed becomes more mature but before it starts to dry up or the leaves turn brown. The reason for this is, if the leaves are green, then very little or no water at all is needed.

Any one interested in filling a trench silo on the farm should see the county agent. This is the cheapest and best way to store feed on the farm.

First Baptist Church Youth Revival To End Sunday Night

Sunday night services will climax the Youth Revival that has been going on since last Saturday night at the First Baptist Church of this city.

"All who have attended have received wonderful blessings from both the music and the splendid messages brought by the young men in charge," stated Jake Arthur, Music and Educational Director of the church. "The singer-pianist, Don Barks and his wife Helen, are doing a good job with the young people in the choir and also leading out in a wonderful song service preceding the preaching hour. Doug Dillard, the evangelist, is bringing soul-stirring messages and all who come are blessed by them. He is also conducting conference periods with the young people after church and is answering some questions for them that will help all young people to live a fuller, richer Christian life."

"Everyone is invited to come and meet with these young people and enjoy the fine spirit of the meeting. We think this will be the turning point in the lives of many of our Young People, as has already been evidenced by the number that has come forward by profession and for dedication," Mr. Arthur concluded.

Services Held Wed. For Gen. Perrine

Funeral services for Brig. Gen. Nat S. Perrine of Austin, formerly of Clarendon, were held Wednesday morning in the post chapel at Fort Sam Houston. Burial will be in Arlington National Cemetery, Washington, D. C.

General Perrine, 58, died Monday of polio in Brooke Hospital in San Antonio. He was managing director of the Texas Safety Assn. and made his home in Austin at the time of his death. He was a resident of Clarendon after the first World War.

Survivors include his wife, Mrs. Nancy Cole Perrine, Austin, one son, Lt. Col. Nat S. Perrine Jr. who is stationed in Tokyo, one step-daughter Mrs. George Burton, San Antonio and three grandchildren.

BRO. LEROY CARVER

GOSPEL MEETING AT LELIA LAKE CHURCH OF CHRIST TO BEGIN AUG. 17

It has been announced that a revival meeting will begin August 17th and continue through the 24th at the Lelia Lake Church of Christ, with Leroy Carver, Evangelist, doing the preaching, and O. L. Usrey the Song leader. Services will be held twice daily at 10 a. m. and 8 p. m. The public is cordially invited.

Brooks Dry Goods Changing To Variety Store

Jack Brooks is announcing in this week's Leader a change in his business which has been operating the past six years as a Dry Goods firm. He is changing over to the Variety Store line of merchandise and has already changed the inside arrangement and fixtures to handle this type of merchandise. The store name in the future will be known as Brooks Variety Store. "New merchandise is arriving daily and more will be coming as time and shipping permits," Mr. Brooks stated.

LOCAL MEN ATTEND LEGION CONVENTION

Six representatives of the local American Legion Post and 40 & 8 attended the State Legion convention at Dallas August 7th thru the 10th and reported one of the largest and best meetings of this nature to ever be held. Albert Brown of San Antonio was elected State Commander.

Those attending from here were W. W. Sandifer, Barcus Antrobus, Mike McCully, Jimmy Faulkner, Curtis Mears and Flen Caraway.

City Water Rates Are Revised

At the regular meeting of city officials last Thursday night, August 7th, it was decided to readjust water rates after numerous complaints had been submitted to the city in regard to the July water rates. A complete break-down of the new rates and other information in connection with the raise may be found as explained by one of the city commissioners on page 9 of this issue of your Leader.

NOTICE BAND STUDENTS

C. L. Graves, Clarendon's new band director, has been taking inventory and checking over music and instruments belonging to the band and has asked the leader to request all band students to please turn in all school music and instruments that are out at this time. This is necessary to get everything in shape for the first of school, Mr. Graves stated. Please return these items to Mr. Graves at the band room or his home in the Blocker Apartments.

Mrs. Bertha Wilborn of Fort Worth is visiting in the home of her brother, L. E. Thompson.

Remember Dates For Blood Typing And Chest X-Ray

It is very important that every one of age set aside time to take advantage of the Free Chest X-ray and the Blood Typing which will be done here August 22nd and 23rd and at Hedley August 27th. It will take very little time for either and if you want only the chest X-ray, it is not compulsory to have your blood typed although both are very important. A report will come back from Austin on your X-ray showing negative or otherwise and your blood typing information will go on a card which will be put in various files for information in case a blood transfusion should ever be needed.

Remember both of these services are being done free. The state finances the X-ray and the blood typing is being done under the sponsorship of the local chapter of Beta Sigma Phi. The place for this service in Clarendon will be Estlack Machinery Co. and at the Lions Club Den in Hedley.

LARGE GROUP ATTENDS FARM BUREAU BAR-B-Q

One of the largest groups to ever attend the Annual Donley County Farm Bureau chicken barbecue was on hand for the affair at the Lelia Lake school house last Friday evening. The group enjoyed a very good program and especially that Flip Breedlove barbecue along with the trimmings prepared by the ladies. Members of the organization are already looking forward to the annual barbecue next year.

AYERS RETURN FROM TRIP TO CANADA

Mr. and Mrs. C. C. Ayers, Dale and Marilyn and Mr. and Mrs. George Moore of Amarillo returned home Sunday night from a ten day trip to Canada which included stops in Colorado, Wyoming, Montana, Idaho and Utah. They reported a very enjoyable trip all the way and plenty of sight-seeing.

CHURCH SERVICES SUNDAY AT PRESBYTERIAN CHURCH

Rev. M. Bolin Durway of Fort Worth will conduct church services at the 11 o'clock hour Sunday morning at the Presbyterian Church. Sunday school will be held at the usual time. There will be no night service.

The public is invited to attend.

REVIVAL AT MISSIONARY BAPTIST CHURCH

Summer revival services will be held at the Missionary Baptist Church beginning Tuesday, August 19 and continuing through Sunday August 24. The pastor, Bro. J. W. Reynolds of Tyler, Texas, will be in charge of the services.

Everyone is invited to attend any or all of these meetings and hear the gospel preached in the morning at 10:30 or night at 7:45.

FAMILY REUNION

Members of the Pittman family held their annual reunion at Elwood Park in Amarillo the first Sunday in August. Families were present from California, Oklahoma, Kansas and Texas. The 100 individuals attending reported one of the most enjoyable times ever, with a wonderful dinner served at the noon hour and visiting in the afternoon.

The group decided to meet next year at Lake McClellan on the same date, the first Sunday in August.

Present from Clarendon were Mr. and Mrs. Carl Pittman and family, Mr. and Mrs. Jack Edgings and Joyce and Mr. and Mrs. A. Pittman.

Mr. and Mrs. Joe Howe and family, who have been making their home in Massachusetts the past six years are moving back to Clarendon where he will be employed at Terry's Cafe. Mrs. Howe is a daughter of Mr. and Mrs. Andy Robertson.

Donley County Old Settlers Picnic Friday August 15

The Donley County Old Settlers Picnic will be held tomorrow, Friday, August 15th at Tate Grove, northeast of Hedley.

Plans are going forward for the best picnic possible according to President L. D. Messer. A good program is in the making along with other entertainment. This is a day of visiting in the old fashioned way down on the creek under shade trees. Come on and join the old timers for a good old fashioned picnic. All you are asked to do is that you bring a picnic lunch—you will be welcome.

Texas Season On Waterfowl May Be Longer

AUSTIN—Texas hunters will probably enjoy a longer waterfowl season than the 50-day shoot allowed last year, Executive Secretary Howard Dodgen of the Texas Game Commission said today.

Dodgen was optimistic about a longer season and an abundance of waterfowl after attending conferences of the U. S. Fish and Wildlife Service and the Council of Flyways in Washington.

However, he was pessimistic over the likelihood of having Texas zoned for waterfowl.

The Texas Game Commission has recommended that the Wildlife Service zone Texas for waterfowl and if zoning is not allowed, that a state-wide season open October 31st.

Dodgen said a longer season would be the result of increasing influence which the Council of Flyways has been conceding by the Wildlife Service. The council petitioned Washington officials to assign a federal co-ordinator to each flyway to work with the state game administrators and technicians.

Dodgen said this new approach to regulatory problems would provide greater sensitivity to the needs of the waterfowl, to problems of agricultural interests along the flyways and in the winter feeding areas and to the rights of the hunter.

Groom To Observe 50th Birthday

On August 15th Groom will be 50 years old. In order to commemorate its birth the Groom Legion and Auxiliary wish to take this opportunity to invite everyone to help them celebrate. There will be a parade at 10 a. m. to start the festivities. Immediately following the parade, the "Old Timers" will be interviewed and given a chance to relate some of their old stories in connection with the birth of Groom.

At 12 noon a free barbecue with basket lunch will be held at the Groom Legion Hall and everyone is invited to this social get-together. A ball game will be played at 3 p. m. and a dance will be held beginning at 9 p. m. A member of the Groom Auxiliary has asked the Leader to extend a cordial welcome to all Clarendon folks to come on over and celebrate with them.

J. M. Fowler, son of Mr. and Mrs. U. T. Fowler, has spent the past two weeks at Augusta, Ga. where he has received reserve training in the Armed Forces.

Mr. and Mrs. Herman Mooring and son of Amarillo were week end guests in the home of his parents, Mr. and Mrs. Edd Mooring.

Mr. and Mrs. Gerald Noble and Mr. and Mrs. Dink Miller have returned from a vacation trip to Colorado and other points.

Mr. and Mrs. Fee Fellows and Mr. and Mrs. Waddell of Amarillo were guests Sunday in the home of Mr. and Mrs. U. T. Fowler.

Booster Club To Be Organized Tonight At College Gym

The mass meeting which was announced last week to be held tonight on the court house lawn, has been changed to meet at 8 o'clock at the College gym where there will be lights. The purpose of the meeting is to organize a Broncho Booster Club. Don't forget, G. W. Bradshaw will have plenty of Borden's Ice Cream on hand for refreshments. Everyone interested in sports is invited and urged to be present.

RAIN HITS MOST OF COUNTY IN PAST WEEK

The greater portion of Donley County has received some type of moisture since last Wednesday with some sections receiving very beneficial rains. Some of the moisture was not so beneficial as some hail got mixed up in the deal with several farmers in the Ashtola area and other spots over the county receiving heavy damage and rainfall up to three inches.

CITY PARK COMMITTEE ASKS COOPERATION

Members of the City Park committee are asking the people who use the city park for more cooperation in helping keep the park clean and more sanitary. A number of water melon rinds and other food stuff has been left on the grounds to attract flies and it will be greatly appreciated by everyone if more care is observed in keeping our little park a nice place for gatherings and picnics.

TO ATTEND MOOSE LODGE CONVENTION IN ILLINOIS

Mr. and Mrs. Noel Cudd Jr. and Mr. and Mrs. Eddie Forrest will leave Friday morning for Mooseheart and Chicago, Ill., where they will attend a five day National Convention of the Moose Lodge. The first three days will be spent in Mooseheart and the other two days in Chicago. Convention dates are Aug. 17th thru the 21st. Cudd is Governor of the local lodge and Forrest is Prelate of the local lodge.

F. E. RICKERT RECEIVES TOTAL OF 20 YEARS ON FORGERY CHARGE

A twelve man jury took quick action Tuesday in the case against F. E. Rickert who was charged with attempt to pass a forged check, and gave him the maximum of five years. Rickert plead guilty on three other charges of the same nature and was assessed five years in each case, giving him a total of 20 years in the state pen. District Attorney Allen Harp prosecuted the case before District Judge Luther Gribble.

RAY PALMER INJURED IN HORSE ACCIDENT

Ray Palmer received a painful injury last Friday afternoon when the horse he was riding fell back on him breaking his pelvis bone. The accident occurred on the Holland place between Lelia Lake and Hedley. It was reported that Ray will be confined to his bed for several days with the possibility of being able to get up in ten days or so. His many friends wish him a speedy recovery.

RETURNS AFTER VACATION

Naomi Allison has returned from a trip with some Amarillo friends thru the western states taking in Salt Lake City, Yellowstone Park, the Grand Canyon and other points of interest.

After returning from this trip, she and her mother, Mrs. J. L. Allison went to Midland, Texas to visit Glen Allison, and family. Glen is to be Principal of the new Lamar School in Midland.

Mr. and Mrs. Geo. Thompson attended a fish fry in Palo Duro Canyon Sunday which was given by Riley Stricklin for the Divan of Khiva Temple.

DONLEY COUNTY FAIR DATES SET FOR SEPTEMBER 19-20th

FRED E. CHAMBERLAIN JR.

F. E. CHAMBERLAIN JR. PROMOTED TO VICE-PRES. OF LUBBOCK BANK

Fred E. Chamberlain Jr., son of F. E. Chamberlain, president of the Donley County State Bank, recently received a promotion to Vice-President of the Lubbock National Bank at Lubbock, Texas.

Freddie, as most everyone knew him as he was growing up in Clarendon, is manager of the Personal Loan department and has been working in that capacity for several years. He joined the Lubbock National Bank in 1947, and started his career as a loan man handling personal and installment loans. He formerly served with the Air Force three years, the major portion of which was overseas.

Services Held Sunday for Mrs. Emma Bones

Funeral services for Mrs. Emma Bones were held Sunday afternoon at the First Methodist Church with Rev. John English and Rev. I. E. Biggs officiating.

Mrs. Bones, age 82, died Thursday evening in Blackburn Convalescent Home here. She had been a resident of Donley County the past 32 years and was the wife of the late L. F. Bones, who passed away in April, 1951. Mrs. Bones was a member of the Methodist Church.

Survivors include three daughters, Mrs. Wilson Gray of Clarendon, Mrs. Jack Higginbotham of Maybank, Texas and Mrs. Delphia Wood of Indianapolis; five sons, Homer Bones of Clarendon; Lucian of Belen, N. M.; L. K. of Portland, Oregon; T. J. of Vancouver, Washington and J. L. Bones of California; a sister, Mrs. Bertha Turner of Marion, Ill.; 17 grandchildren and 14 great grandchildren.

Palbearers were J. R. Bulls, Joe Holland, Walter Clifford, Paul Shelton, Lee Holland and Sam Dale.

Burial was in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements.

TELEPHONE LINEMAN INJURED SATURDAY

T. W. Heatherly, local telephone lineman, was injured last Saturday while attempting to clear trouble. A patient at the Goodall Hospital in Memphis, he suffers a broken knee, and the doctor states that it will be about three months before he will be able to return to work. There were some 150 telephones out of order due to the electrical storm. The accident was obviously due to over exertion and loss of sleep after working as much as 37 hours without stopping. He and Melvin Vick, the other lineman, worked day and night trying to put telephones back in order.

"We know it was inconvenient for every one, but we appreciate those who were patient," a local operator stated.

Mrs. Maude Bryan of Stinnett is visiting in the home of her sister, Mrs. Eva Humphrey.

The show board met in the office of county agent H. M. Breedlove last Friday night and set the dates for the Donley County Fair, Horse Show and Races for September 19-20th.

The publishing of the 1952 catalog will start in the near future and the selling of the ads for the catalog will start at once. The county fair is financed by the selling of the ads in the catalog. Every community is urged to start to work at once on their agriculture exhibits and follow the instructions in the 1951 catalog as there will be very few changes in this department.

C. L. Lewis, president of the show board, states that we are planning on a big fair this fall and urges every one to cooperate to the fullest extent.

H. M. Breedlove, secretary and manager of the fair, says that the fair will have all departments in 1952 as last year. There will be the Community agriculture exhibits, Home Economics Dept., Flower Show, Merchants department, Rabbit show, Poultry show, Swine show, Dairy show, Horse show, and races. The superintendents of the different departments and the premiums for the departments will be published as soon as possible; however, this will have to be after the advertising is sold in the catalog. The county fair is your fair and let's make this year the best fair in history.

Kenneth Davis Wins First Professional Fight, August 7th

Kenneth Davis, former Marine Sgt. and son of Mr. and Mrs. Kenneth Davis of Clarendon, went into the ring last Thursday night at San Diego for his first professional fight. Kenneth won the fight by decision after going the full ten rounds with his opponent, Luis Adame of Mexico. It looks like Kenneth has started climbing the ladder in the professional field and prospects are that he will not miss any of the steps while going on up. His many Clarendon friends will be pulling for him in every fight as he pursues his goal as featherweight champion.

Dusters Finish Season In Second Place

The Clarendon Dusters finished second in Caprock League play after defeating Panhandle at Panhandle last Sunday afternoon by a tune of 15 to 7. Hedley is in the number one place after a win over St. Francis Sunday afternoon.

The semi-final play-off will start Sunday, August 24th with the Dusters meeting Panhandle here on the local diamond. It is understood that Hedley will play Groom at the same time. The winners of these two games will enter the play-off for top honors of the season.

The Dusters game at Panhandle was filled with lots of batting action. The Dusters got 19 hits with three home runs. Billy Roy Blackman hit the first home run in the 2nd inning with the bases loaded; Frank Pilcher, Clarendon's pitcher who went all the way on the mound, swatted out the second home run in the 3rd with one man on and Don Loyd brought his batting average up with the third home run in the 8th.

Revival To Start At Goldston, August 17

It has been announced that a Revival will begin Sunday, August 17th at the Goldston Baptist Church with Rev. Ernest Phillips doing the preaching. The singing will be conducted by the Goldston choir with Miss Billie Ashcraft as the song leader. C. T. Williams, pastor, extends a cordial welcome to everyone to attend any or all services.

son Douglas of Phillips visited with her sister, Mr. and Mrs. Bill Mooring Wednesday.

Mr. and Mrs. W. D. Higgins visited with Mr. and Mrs. Moreland Sunday.

Word received from Mrs. Pete Riley who is visiting her sister, the former Sue Stone in Arizona, says a young son has arrived in her sister Sue's home.

Charles Longan went to market today with his first load of watermelons from his 50 acre patch. Charles grows some of the finest melons in Donley County. He features both the yellow Diamond and the Reds. To people who know melons, know that to be the best.

Twenty-Five States Pay Teachers More Than Does Texas

AUSTIN, Texas, July 13, 1952—Twenty-five states, including traditional competitors like California and Florida, now are paying their public school teachers more than Texas does, Charles H. Tennyson, executive secretary of the Texas State Teachers Association, announced today.

In Texas the average classroom teachers is paid \$2,960 a year, whereas in New York she makes \$4,500 a year. California, the number-two state in the nation, pays an average salary to teachers of \$3,900.

Others that rate higher than Texas are Maryland, New Jersey, Delaware, Connecticut, Michigan, Washington, Arizona, Massachusetts, Oregon, Illinois, New Mexico, Indiana, Rhode Island, Nevada, Montana, Pennsylvania, Ohio, Wisconsin, Utah, Louisiana, Oklahoma, and Iowa.

Tennyson pointed out that

teachers' salaries in Texas have not kept pace with the inflationary dollar. In 1939 teachers' salaries averaged \$1,420 and the salaries of all employed persons, including laborers, was \$1,269. Thus teachers were 12 per cent above the average. Since then the national average for all workers has climbed to \$3,390 a year—\$430 more than the average teachers get—leaving them 12 per cent behind the national group.

This trend is making it increasingly difficult to retain good teachers and to recruit new ones, Tennyson added. College graduates trained to teach are turning to industry where salaries and wages match their professional knowledge.

In an effort to equalize present conditions, the Texas State Teachers Association will ask the next legislature to increase the minimum beginning salary for public school teachers to \$3,000 a year. The legal minimum now for teachers is \$2,403 a year.

TO THE VOTERS OF PRECINCT 2, DONLEY COUNTY

As your present Commissioner and also as a candidate for the office for the following two years, I wish to say a few things regarding my tenure in office. I have at all times tried to help manage the funds of the County in a fair, impartial, and honest manner. I have devoted all my time and thought to this. Furthermore, I have not been extravagant in the purchase of road machinery. I am still using a main-tainer bought by Garland Reeves when he was your Commissioner.

I have tried to answer all calls for help where needed. My men have kept the roads in good shape and my record is clear. I

YOUNG ANCIENT MARINERS—Tried and tested sailors, Inge Wandschneider, 11, and her brother, Bernd, 9, right, scrub the cabin of the 57-foot ketch, "Optimist," in which they crossed the Atlantic in 43 days with their parents and a crew of two. On arriving in New York from Hamburg, Germany, "old salt" Bernd announced that some day he'll be a sea captain like the one who sailed their ship on the 4,400 mile trip. Their father, a carburetor engineer, who built the boat in three years, plans to settle in the U. S.

have tried to handle the affairs of the County with the same economy as I have handled my personal affairs.

I have done my best to make you a good Commissioner and as a Christian gentleman, a neighbor, and friend, I solicit your support and influence in the runoff primary on August 23, 1952. Thank you.

J. R. BULLS

CARD OF THANKS

May I take this means of thanking each of my friends from whom I received cards and letters during my recent illness.

Mrs. C. G. Cobb
 Vigo Rt.
 Tulia, Texas

Mrs. A. P. Todd left Tuesday morning for an extended visit with relatives at Bryan, Texas.

Don't Forget "BLOOD TYPING" August 22-23rd in Clarendon and August 27th at Hedley.

Some facts about

FHA LOANS

WHICH ARE NOW AVAILABLE
at the Farmers State Bank

★ With an FHA Property Improvement Loan you can paint and decorate outside and inside --- add shutters, storm doors and sash, weatherstripping --- repair the plumbing, wiring, or heating system --- install sidewalks, driveways, fences --- in fact make almost any necessary improvement.

ASHTOLA NEWS

Mrs. Doyce Graham

Bill Reid, son of Mr. and Mrs. Loyd Reid, was to sail for home from Germany on August 6th.

Mr. and Mrs. Skeets Brown and children of Amarillo spent Sunday with Mr. and Mrs. John White.

Robert Crawford and Red Hill went on a fishing trip to Comanche, Okla. last week.

Mr. and Mrs. Chester Myers and family have moved to Amarillo.

Mrs. W. A. Rush and sons visited her parents, Mr. and Mrs. J. M. Graham last week.

Mrs. Ira Thornton of Phoenix, who has been visiting relatives here the past three weeks, returned to her home Saturday.

Mr. and Mrs. J. F. White of Phillips came over for the chicken barbecue.

Mr. and Mrs. H. A. Graham and Betty and J. R. spent the week end visiting relatives in Vernon.

Vance Gray and Mr. and Mrs. Jake Johnson visited Sunday with Murel Johnson, who is back in the hospital we are sorry to report. He seemed some better Monday morning.

Mrs. Vance Gray had her grandmother, Mrs. Charlie Moore, of Bowie and her sister, Joyce Johnson visit her Sunday.

Patricia Ann Knox spent the week end with the Mirza Crain family at Goodnight.

Mrs. Haskell Hay has her sister visiting her.

Mr. Lovell's cousin, who has been holding a meeting at Hedley visited him Monday.

GO SOAK YOUR HEAD—With a helpful push in the face, Judy helps her slightly smaller companion, Lucy, in getting under some cool water at Central Park zoo in New York. Lucy didn't seem to mind the heavy assistance as the two elephants frolicked like children in their pool.

Patricia Knox attended a slumber party at Glenda Borden's of Clarendon Thursday night.

Patricia Knox spent Saturday afternoon and night with Shirley Chilton of Clarendon. They shopped awhile with Mrs. Chilton at Pampa.

Glenda Borden of Clarendon, visited Patricia Knox Sunday.

Mr. and Mrs. Van Knox and daughter had lunch with Mr. and Mrs. W. M. Crain and Walton, of Goodnight, Monday.

Mrs. H. E. Tolleson spent the past week with her daughter and family, Mr. and Mrs. Cleve Ing-

ram and Terry at Texline. Laverne and Terry were sick. Mr. Tolleson and the C. W. Tolleson family went up and spent Saturday night and Sunday and brought Mrs. Tolleson home. Mrs. C. W. Tolleson stopped in Amarillo to spend a couple of days with her sister and family, the C. L. Blandfords.

Mr. and Mrs. Everett Miller of Phillips and Mr. and Mrs. Tom Miller of Delores, Colo. visited Mr. and Mrs. W. A. Poovey Saturday.

Mrs. H. E. Tolleson spent the past week with her daughter and family, Mr. and Mrs. Cleve Ing-

ram and Terry at Texline. Laverne and Terry were sick. Mr. Tolleson and the C. W. Tolleson family went up and spent Saturday night and Sunday and brought Mrs. Tolleson home. Mrs. C. W. Tolleson stopped in Amarillo to spend a couple of days with her sister and family, the C. L. Blandfords.

Mr. and Mrs. James Reed Lovell of Dumas spent Sunday

evening with Mr. and Mrs. Ben Lovell.

Haskel Hay was helping bale hay on the JA Ranch Monday when he got his hand hung and lost 2 fingers on his right hand. He spent several days in the hospital at Memphis, but is home now and doing Ok.

Grady Henson underwent surgery in a Wichita Falls hospital last week.

Frank Mahaffey is vacationing in California this week.

Mrs. Thell Drennan and daughters of Anson, Mrs. Swinburne who lives in Calif. and Mrs. N. L. Jones visited in the H. W. Lovell and W. A. Poovey homes Thursday, then attended the barbecue that night.

Mrs. Ben Lovell visited Mr. and Mrs. Kinch Leathers, Lynn and Jane Friday.

Mr. and Mrs. Edd Wheeler, Mrs. Wheeler's father, and Mr. and Mrs. L. T. May visited Boys Ranch last week and reported an enjoyable trip.

Mr. and Mrs. Leo Wallace and Patsy returned from a vacation in Colo. Friday evening.

Vanetta McClellan and Shirley Wilson spent last week in Amarillo with Mr. and Mrs. Wayburn Wilson.

Jo Caryl Mace of Gage, Okla. is spending this week with Patsy Darleen Wallace.

Don Ray returned Friday from a vacation trip to Calif.

Mr. and Mrs. Ray Allison and baby from Wichita Falls visited Sunday night with Mr. and Mrs. P. M. Marshall.

Visiting in the home of Mr. and Mrs. Kermit Evans Sunday were Mr. and Mrs. Hub Holt and son, and Mr. and Mrs. W. C. Whitfield all of Plaska.

Doctors Visiting Treatment Centers For Polio In State

AUSTIN—Dr. Herbert T. Wagner, Director of Hospital Services and Dr. Louis G. Llewellyn, Regional Medical Consultant of the National Foundation for Infantile Paralysis, are presently visiting various treatment centers for polio patients in the state.

Their itinerary includes Dallas, Abilene, Tyler, Austin, San Antonio, Corpus Christi, Brownsville, Harlingen, Galveston, Beaumont and Houston, where they

will consult with hospital administrators, physicians and health authorities on most effectively meeting the problems caused by the high incidence of polio within the state.

Dr. Wagner stated that as of July 5th, there had been 16 physical therapists and 47 nurses recruited for epidemics, services, which reflects one of the problems we are facing.

Dr. Llewellyn and Dr. Wagner commended and heartily endorsed the trend toward treating milder forms of the disease at home. They added that such a course of treatment is often more

beneficial for the patient. So far this year 49 of the 254 Texas chapters of the National Foundation have received \$579,280 from the National Epidemic Aid Fund. Present prospects indicate much more will be needed to fight polio in Texas, and will be forthcoming.

Mrs. G. W. Estlack and Jackie visited Thursday in the home of her sister, and family, Mr. and Mrs. L. T. Whitlock and Larry in Amarillo. Also visiting at that time were Mrs. Faye Scoggins and Mrs. Mattie Tyree of Phoenix, Arizona.

A DOMESTIC IS MORE THAN A SEWING MACHINE!

Yes, when you own the amazing new Domestic, you also have a fine home furnishing. Many sewing machines offer cabinets that little more than house the mechanism... but once you examine the fine furniture-styling and superb finish of a Domestic, you'll see why this time-honored machine continues to give a double return as long as you own it!

When needed, your Domestic easily and quickly performs all the amazing things you've read about... zigzagging... buttonholes... appliqueing... binding... shirring... embroidering... ruffling... mending-darning, and many others.

When not in operation, it silently continues paying for itself as a smart desk or table that reflects the charm and taste of the finest home.

No sewing machine can offer more... even at twice the price!

<p>FORWARD OR REVERSE SEWING</p> <p>Thanks to the Domestic Automatic Shift Lever, you backstitch and reverse ends of seams of any length and without stopping the machine. Lever automatically returns to forward position when released.</p>	<p>MOST BEAUTIFUL CABINETS</p>
<p>NO MORE GUESSING!</p> <p>Thread tension is accurately dialed... easily adjusted for loose, tight or regular sewing by number—not by guess.</p>	<p>TROUBLE-FREE</p> <p>Rotary Shuttle, like a perfectly balanced wheel, revolves continuously in one direction... forming a flexible lock stitch... eliminating need for a complicated separate mechanism.</p>
<p>HANDLES THICK FABRICS</p> <p>Foot provides exceptional capacity for heavy materials in normal raised position—plus an extra lift for the most unusual thick sewing jobs.</p>	<p>AIR-COOLED MOTOR</p> <p>1/30 horsepower with forced draft cooling system. Accessible and detachable cushioned drive mounting. Operates on A.C. and D.C. up to 75 cycles 110 volts.</p>
<p>DIAL STITCH-LENGTH CONTROL</p> <p>Lets you quickly select the exact length you desire from the long basing stitches to the tiny precise stitches.</p>

BARBECUE AT ASHTOLA SCHOOL HOUSE

Members of the Ashtola Needle Club, their husbands, families and invited guests, enjoyed a scrumptious chicken barbecue Thursday night August 7th. Doyce Graham, Hubert Rhoades and Bill Mooring did an excellent job of barbecuing the chicken halves and the ladies brought baked beans, salads, green vegetables, cakes, pies, puddings, pickles, ice tea, punch and all the trimmings. 100 lbs. crushed ice soon disappeared.

The crowd gathered early and spent an enjoyable time visiting, and the kids, dozens of them, played on the school swings, seesaws and pushed the babies in their baby buggies and strollers. This is an annual affair and everyone has fun. Mrs. Swinburne and Mrs. Jones—old time club members—came back for it. Mrs. Thell Drennan and daughters came from Anson; Mrs. Ira Thornton from Phoenix and Mrs. Alpheus Rush and sons from Elida, N. M. We were happy to have Mr. and Mrs. Gresham and family for the first time. In all, well over 100 were in attendance, and went home about 10:00 miserably full.

The next meeting of the Club will be Sept. 4th. Let all members be present as there is much business to be transacted at that meeting. —Reported.

LEGION AUXILIARY NOTICE

The American Legion Auxiliary will meet Monday night, August 18, at 8 o'clock in the Legion Hall. All members are asked to come and bring a guest who is eligible for membership. Following the business session, the group will enjoy a Coke party, and visiting.

STITCH AND CHATTER CLUB

The Stitch and Chatter Club of Lelia Lake met in the home of Mrs. Wilson Morgan Tuesday, August 5th.

Mrs. Arlie Woods, president, called the club to order and presided during the business session. A new reporter was elected to fill the vacancy left by Mrs. Richardson, who has moved from the community. Mrs. T. Hill was welcomed into the club as a new member. The club also voted to have an ice cream party at the home of Mrs. Woods, Tuesday, August 12, for members and their guests.

Much work was accomplished for the hostess and delicious refreshments were served to Mesdames Vida Shields, Hazel Noble, Jo Ann Leathers, Dean Woods, Yelive Miller, Mary Lee Noble, Madalay Hill.

Mrs. Jay Helms will have the meeting in her home Aug. 19. —Reporter.

CHAMBERLAIN CLUB

The Chamberlain Club met August 7, with Mrs. Mary Myers as hostess. The afternoon was spent in visiting. After delicious refreshments were served the club adjourned to meet September 4th with Mrs. Billy Roy Blackman.

Those present were Willie Hott, Maggie Ivey, Klyda Blackman, Mary Mann, Ruby Blackman, Nelda Jones, Vivian Allen, and Mrs. Frances Gregory, Miss Brown, Wilma Mann, Ann Allen, Jean Elliott, Kathelene Gregory, Geoffrey Gregory, Mike Jones, Tommy Ivey, Monty Blackman, and Steve Allen.

Mrs. Johnny Oakes and son Johnny of Amarillo are visiting her sister, Mrs. Frank White Jr.

WEINER ROAST

The Stitch and Chatter Club of Lelia Lake entertained their husbands with a weiner roast at the Memphis Park on Tuesday evening, July 29th. Those who were unable to attend really missed a treat, as Arlie, Wilson and Don did an excellent job in roasting the weiners. After the enjoyable supper, the evening was spent in entertaining the youngsters.

The following had the pleasure of enjoying the trip: Mr. and Mrs. Don Tomlinson and Donna Kay, Mr. and Mrs. Arlie Woods, Carole and Ronnie, and Mr. and Mrs. Wilson Morgan, Carrall, Ronnie and Dickie.

H. D. CLUB TO MEET

The Senior Home Demonstration Club will meet Friday afternoon at 3 o'clock in the home of Mrs. Clyde Butler. Mrs. W. L. Jordan will be assisting hostess. All members are urged to be present.

Sgt. Jewel Earl Hall, son of Mr. and Mrs. Joe Hall, returned to the states August 11th after spending a year in Korea. He is expected on home the first of next week.

Pollie Lloyd of Duncan, Okla. visited in the home of her brother, Mr. and Mrs. Joe Hall and also with her brother, Charlie Hall, who is in the Groom hospital.

Raymond Hinkle of Midland and Josephine Hinkle of Muncie, Indiana visited last week in the home of their mother and grandmother, Mrs. D. W. Hinkle.

Mrs. L. L. Wood who has been sick at her home here was taken to Northwest Texas Hospital in Amarillo Saturday.

CARD OF THANKS

We appreciate all the kind words said and deeds done during the sickness and death of our mother.

The Bones children.

Mr. and Mrs. A. J. Emmons returned home Thursday after a visit with friends and relatives at Bay City. They were accompanied home by Mrs. Emmons' sister, Mrs. Thomas Buck, of Bay City. —Copied.

University of Texas To Have Hydraulic Research Laboratory

AUSTIN—University of Texas regents have approved a \$650,000 hydraulic research laboratory on University-owned land below Tom Miller dam here.

Funds to provide the laboratory building and equipment would come from industries and agencies concerned with problems of water, oil and other fluids.

The University will provide a staff of hydraulic experts from its College of Engineering. When completed the laboratory will be the only one of its kind in the Southwest. Proposals for its construction and operation was in response to an increasing demand that public facilities be made available for solving hydraulic problems in this area.

Hydraulics is the general study of the flow of fluids. Through hydraulic research better dams are built, better railroad and highway bridges and culverts are designed, and savings are effected in the petroleum, sulphur, plastics, chemical, electric power and other industries where huge volumes of fluids are processed, transported or used.

Plans call for location of the laboratory near the Lower Colorado River Authority administration building at Lake Austin, thus affording a dependable supply of clean water flowing by gravity from that lake.

Earl Butler and son of Berger visited Sunday in the home of his parents, Mr. and Mrs. Clyde Butler.

Mr. and Mrs. Geo. Thompson went to Childress Wednesday afternoon to visit her father L. H. Spier.

Mr. and Mrs. P. A. Efrid and Paul Roger of Carey were guests Sunday in the home of Mr. and Mrs. H. B. Hill.

"The three most despised and detested characters in history: The man who shot Lincoln, and the two who missed Truman." —Copied.

George and Judy Thompson are visiting in Amarillo this week in the homes of Mr. and Mrs. Harold Thomas and family and Dr. and Mrs. Gaylord Chase and family.

Billy and Gaynell Scott are visiting in Amarillo this week.

Misses Patsy and Bobbie Emmons of Lubbock spent the week end with their parents, Mr. and Mrs. A. J. Emmons.

Mrs. Carl Pittman and Judy visited a few days last week in the home of her daughter and

family, Mr. and Mrs. Bill Jordan and Baby in Amarillo.

Mrs. Faye Scoggins and Mrs. Mattie Tyree of Phoenix, Arizona visited Saturday in the home of her daughter and family, Mr. and Mrs. G. W. Estlack and Jackie.

FARM NEWS
From the County PMA Committee

1953 ELECTIONS:

The election for Community Committeemen and Delegates to the County Convention will be held August 22, 1953 at the County PMA Office from 8:00 A. M. to 5:00 P. M. Be sure to remember this and don't forget to vote. You may mail your ballots to the office if you do not want to vote in person. The ballots have been mailed out, so watch your mail every day for a letter containing your ballot. No farmer or his wife should pass up the opportunity to "Voice their choice of the three farmers in the community best qualified to administer farm programs in 1953."

The responsibility of electing able committeemen is placed on the farmers in each of the 8 Communities in Donley County. The coming year can be expected to call for decisions and actions which will demand the most able leadership available. Vote for the one who will take an active interest in the ACP Program.

USE OF COVER CROPS URGED:

The full use of adapted cover crops will help farmers reach their crop and livestock goals while at the same time conserving and improving their soils. B. F. Vance, Chairman of the State Agricultural Mobilization Committee, points out. "The Department of Agriculture has several definite reasons for emphasizing the proper use of cover crops this year," Mr. Vance says. "Among the most important is the fact that each acre of land must produce its full share of the food and fiber need-

ed by the Nation — particularly during a period of national emergency. Cover crops in most areas will help accomplish this purpose."

The Chairman lists the following advantages of a proper use of cover crops:

1. Inclusion of organic matter from crop roots and tops has long proved valuable in improving soil structure.

2. Legume cover also supply nitrogen, which increases yields of succeeding crops in the rotation.

3. In a large part of the country many additional days of livestock grazing can be realized from productive cover crops.

4. Losses by wind or water erosion can be materially reduced by keeping the ground covered with vegetation during high erosion-hazard periods.

5. Seed production of cover crops has given thousands of farmers an additional source of cash income.

Mr. Vance said that grasslands goals will be established by County Agricultural Mobilization Committees for the first time in 1953. Three broad types of land use will be considered: (1) Hay and pasture land other than range land; (2) range land; and (3) land which should grow cover and soil-building crops.

SCS ASSISTANCE FOR ACP COOPERATORS:

Specific examples of how the service and technical assistance of the Soil Conservation Service dovetail into the operation of the Agricultural Conservation Program are indicated by James B. Smith, Chairman of the Donley County PMA Committee.

When PMA community committeemen visit individual farms in connection with the 1953 ACP sign-up, farmers will be encour-

aged to use farm plans developed by the Soil Conservation Service in determining the conservation needs of the farm. Such plans also will serve as guides in determining the most needed conservation practices eligible for assistance under the ACP. Farmers in soil conservation districts who do not have such plans for their farms, are being encouraged to have plans drawn up.

SCS technicians also have definite responsibility for technical assistance for a number of the more permanent type ACP soil and water conservation practices. These include such practices as laying out contours for contour farming, and the construction of terraces, dams and drainage systems. In these practices the technicians are responsible for determining the need and correctness of location as well as for drawing up plans for construction.

According to James Smith, Donley farmers are being encouraged to carry out more of these more permanent type practices and to make arrangements for technical assistance ahead of time to make sure assistance will be available when needed.

Technicians of the Soil Conservation Service also assist in the development of each year's

Agricultural Conservation Program.

Music And a Good Joke May Serve Same Purpose

AUSTIN— Music and a good joke may serve the same purpose — to give you a sharper sense of life and a better balanced personality. Texas music teachers were told at a University of Texas symposium.

Both laughter and music help the growth process, Miss Lilla Belle Pitts, guest professor of music education, declared. Every day we should recreate ourselves on a slightly higher level, she said.

When music is used to give a greater sense of life, worth and responsibility, Miss Pitts pointed out, it helps develop cultivated citizens who contribute to the culture of a democratic society.

"By improving ourselves, we improve our culture," she asserted.

A composer gets his music from "the likes of you and me," Miss Pitts continued. Everyone has a responsibility in creating the great American composer, she said: "Then he can speak for us." Miss Pitts, discussing music in

the junior high school, emphasized the importance of letting all the children perform, not just those with the best voices. They have a personal and social need of singing, she pointed out.

When pupils learn to harmonize, she said, an expressive depth and color are added to the music. This has a symbolic significance, Miss Pitts pointed out: Harmonious differences within a group enrich music, as well as society.

The \$21 million Shamrock Hotel in Houston, Texas contains 63 shades of green.

Julius Caesar was assassinated in 44 B. C.

Health Notes

AUSTIN — It is believed that the majority of adults have at one time been infected by the virus of poliomyelitis, usually without manifestations, says Dr. George W. Cox, State Health Officer. In view of the above it is expected that most of the recognized cases will be among children.

Only a small proportion of infected persons are clinically recognizable. When symptoms are manifested, they usually comprise an acute illness with fever, headache, and almost always a characteristic stiffness of the neck and spine. Some degree of paralysis may or may not occur during the first few days of illness.

During the poliomyelitis season the following measures are recommended:

1. Insist upon safe waste disposal so that human excreta is not exposed to disease transmitting vectors.
2. Insist on elimination of fly breeding sources and do not depend upon community wide air plane spraying or fogging machines as a substitute for basic sanitation.
3. Food supplies, including milk, must be protected against contamination.
4. Always demand safe water for drinking or swimming pools.
5. Insist that garbage be kept in covered containers and disposed of by incineration or sanitary fill.
6. Eliminate all insanitary conditions on your own premises.

7. Practice good personal hygiene, with particular attention to personal cleanliness.
8. Avoid excessive physical strain during poliomyelitis season.
9. Isolation in bed of all children with fever pending diagnosis by physician.

Guests in the home of Mr. and Mrs. Gene Putman Sunday were her parents, Mr. and Mrs. Fred Cook of Corpus Christi, also Mrs. Ivan Conklin and Danny of Canadian, Mr. and Mrs. Dallas George of Amarillo, and Mrs. J. E. George of Miami.

Mrs. S. R. Bain and children visited relatives in Dumas two days last week. Her daughter, Carol Spencer, remained for a longer visit.

Iva Jean, Dwight and Ronnie McAnear spent Saturday and Sunday with their grandparents, Mr. and Mrs. D. T. Smallwood.

Mr. and Mrs. L. N. Pittman and family of Amarillo were guests through the week end in the home of his parents, Mr. and Mrs. M. L. Pittman.

Calls For Last-Hour Contributions To Cancer Crusade

KELTYS (Special)—Ernest L. Kurth, East Texas industrialist and state Cancer Crusade leader, spoke out today urging Texans to put the financial drive "over the top."

Calling for last-hour contributions, he challenged Texans to avert what is shaping up as a defeat against the long-range cancer control program of the American Cancer Society, Texas Division.

The Cancer Crusade began in April. It was endorsed by Governor Shivers and other lay and medical leaders in a state-wide newspaper and radio appeal. It also carries an educational message for the public.

The Crusade has been extended by many local units, and, according to Kurth, still is falling short of the \$600,000 goal. So far, he said, only \$525,000 has been contributed for the three-way battle against the disease thru the nation-wide cancer research program, education of the public and volunteer and medical services to Texas cancer patients.

Mr. Kurth said, "The cancer problem is too important and too worthy to be denied. And Texans are too proud to face this defeat without a last surge of effort."

"Greater use of existing cancer-control facilities was hoped for during the coming year and several new projects were planned. These new cancer-fighting projects will be denied the people of the state if the Crusade fails," Mr. Kurth said.

Arrangements have been made with the Post Office department, he said, to forward contributions addressed to CANCER, in care of any local postmaster, to the state headquarters of the Society.

Wanda Lewis visited a few days the first of the week in the home of her sister and family, Mr. and Mrs. W. W. Lovelady and Ronnie at Amarillo.

To The People of Donley County

Solely and only for the purpose of stating the facts surrounding the acquiring of the title to the American Legion Building by the Clark-Brock Post of the American Legion the following statement is made, by such Post by W. W. Sandifer the Commander of the local Post.

The Legion desired to buy the Building. The Southwestern Life Insurance Company had a lien on the property, which was then owned by the estate of H. Mulkey. It was first thought that a 99 year lease could be arranged, but that was not acceptable to Southwestern Life Insurance Company. That is the reason for the notation in the minutes of the Commissioners Court about such a lease. Nothing came of such an order and it can be dismissed.

Before the Southwestern Life Insurance Company would consider the purchase of the property by the American Legion, it asked that the American Legion make a financial statement. This the American Legion could not do, for it is as a Church, it is not a money making organization. So it was suggested by a representative of Southwestern Life Insurance Company that the title to the property be vested in some corporation as trustee until the note was paid. A corporation was selected because it does not die as an individual does. Donley County being a corporation it was selected to act as trustee. That is the reason for the deed by H. Mulkey estate to Donley County, to such property for the use and benefit of the American Legion.

The American Legion paid the cash recited in the deed. Donley County did not pay it or any part of it. The American Legion has paid each and every installment on the note, as or before it came due, and Donley County did not pay any of such installments or any part of them. Donley County has not been out any money in any amount by reason of the deed, and Donley County cannot and will not be out any money by reason of such deed. Any one interested in knowing the facts about the County not being out any money on the deed can learn

these facts from the County Clerks office in Clarendon.

Every one knows that Donley County cannot legally be obligated to pay out money as is set out in the deed. The title to this property is in Donley County as Trustee for the use and benefit of the American Legion, and that simply means that Donley County is holding the title as an accommodation, the property does not belong to the County, and it is not liable for payment of it.

The above is the only reason the deed was made as it was made. It was not to evade taxes. The American Legion is advised that the Legion Building so long as used by and for the Legion and not in a business way, is not taxable. It is like a Church or School building being used for Church or School purposes, and not for a profit, it is not taxable. Since the Legion Building is not taxable why would it be deeded to Donley County to evade taxes, when no taxes are due to be paid and cannot become due or taxable?

This deed is dated April 2nd., 1951. It is a matter of public record, there was no effort or intention to keep it a secret. There was and is no fraud about it. It was and is a straightforward business transaction and the American Legion members, their families and friends appreciate the Commissioners Court of Donley County accommodating them by acting as the Court did. And since it cost the County nothing and cannot cost the County anything the members of the Legion, modestly feel, that it was not asking too much of the Commissioners Court to act as it did.

Those to enjoy a barbecue in the home of Mr. and Mrs. Bill Mooring Friday night were Mr. and Mrs. Herman Mooring and son of Amarillo, Mr. and Mrs. B. J. Mooring of Lelia Lake, Mr. and Mrs. Edd Mooring and family and Miss Sandra Bownds of Clarendon.

Mr. and Mrs. Lewis B. Washburn of Los Angeles and Mrs. J. B. Crawford of Houston visited here Monday and Tuesday with their father Buster Culwell. A granddaughter, Mrs. Don Blalock of Dallas was also a visitor.

City Water Rates Re-adjusted

Written by Willard Skelton
Due to extremely hot dry weather, stepped-up water pressure and a recent rate increase, a score of complaints have poured into the City office since August 1st.

The City officials are placed in a Dilemma of meeting operation costs on water rates which have not been raised in 14 years, or letting the city go into bankruptcy. The city officials felt in the beginning that the recent increase was fair and justifiable,

and well in line with the water rates of our neighboring cities. However if the citizens of Clarendon feel that they have a just claim and that we have erred in the rate, we are willing and anxious to adjust the same so as to keep peace and harmony in our town and deal fairly with our people in all of their problems.

The City officials met in regular session Thursday night, August 7th and re-adjusted the water rate to the best of our ability and knowledge. Due to increased cost of operation, materials and maintenance, we find that the water revenue is insufficient and is not taking care of the cost of operation. In the last two years the

wholesale price of water meters to the city of Clarendon has increased over \$8 each. Copper tubing has doubled in price, a new turbine pump installation cost \$1,000 more than a year ago, and our July power bill was approximately \$200 higher than the month of June. Without question, we believe that the general public can easily and readily see that this business cannot be operated without additional revenue.

The new rate adjustment effective at the close of the water month, which is from the 21st to the 24th of each month, is as follows as adopted by the city officials Thursday, August 7, 1952.

Minimum, 3000 gal.—\$2.50
Next 3000 gal. at 40c per 1000
Remainder of consumption at 25c per 1000.

In defining the word "minimum" in this case we find that, first you get 3000 gallons of

water, secondly you get your trash and garbage hauled, and thirdly you get credit for 50c on the bond issue retirement which was agreed upon when bond issues passed, so counting your regular garbage service at 50c and your bond payment at 50c, you actually have left a \$1.50 minimum on 3,000 gal. of water. The sewer service price is the same as in 1951 which is 75c per month. City official salaries are also the same as in 1951. This new rate based on a 20,000 gallon water bill is only \$1.40 more than the old rate which has been used for a number of years. Since the above rate figures include the 50c on your part of the bond retirement payment, then the actual raise on water rates as agreed upon by the city officials August 7, amounts to only 90c on 20,000 gallons. Then if you will deduct 50c for your garbage haul, the increase on water amounts to exactly forty cents on 20,000 gallons.

We, the city officials feel that this adjustment is fair and will not cost any individual but a very nominal amount each month, and at the same time will be sufficient to help defray the increased

cost of water department maintenance. Incidentally, there will be no tax increase pertaining to the Bond Issues despite rumors.

It is the understanding of the city commissioners that a petition is being circulated this week, to order an election to bring about a vote to change the present City Commission form of government to that of Aldermanic form. The Aldermanic form would elect five instead of three. These five would serve the City government without pay just as our school board members have done since the beginning of the school system in Clarendon. Your present City commissioners will support wholeheartedly any change in the form of our City Government which the Citizens of Clarendon desire to vote in or out.

GILLHAM JERSEY COWS AWARDED TON OF GOLD CERTIFICATES

In recognition of having produced over a ton of butterfat during a four-year period on Herd Improvement Registry test, three registered Jersey cows owned by John R. Gillham of Greenbelt Dairy, Clarendon, Tex., have been awarded Ton of Gold Certificates by The American Jersey Cattle Club.

The cows in the Gillham herd that won the award were Greenbelt's Little Jane, Greenbelt's Design Irene, and Greenbelt's Design Donley. Their four-year production was respectively as follows: 41,576 lbs. milk contain-

ing 2,084 lbs. butterfat; 41,908 lbs. milk containing 2,381 lbs. butterfat; and 46,864 lbs. milk containing 2,386 lbs. butterfat.

The American Jersey Cattle Club, which has headquarters in Columbus, Ohio, adopted the Ton of Gold award in 1942. Over 2,500 registered Jerseys have won the award since its adoption. The average yearly production of the nation's dairy cows is less than half the production which cows winning the Ton of Gold award must average during a four-year period. Most dairy cows are discarded before they have completed three years of production.

Fles do not have wings.

Keep costs down, performance up, with a Dodge

"My Dodge trucks save a lot of money on gas!"

says H. A. ROBINSON
Contract Hauler,
Mobile, Ala.

"On a 200-mile run I save 1 1/2 to 2 gallons of gas. I get this saving seven days a week, and on my two trucks that means I save over \$300.00 a year on gas alone. That's good, because each of my trucks makes an average of 50 stops per day hauling mail.

"My first Dodge truck cost me only \$54.00 of repair expense in two years. I ran my second Dodge over 103,000 miles in two years and spent only \$15.50 on it for repairs.

"If I'd known what I know now about Dodge trucks, I'd have switched to them long ago and saved myself a lot of money."

- ▶ Haul at lower cost with a Dodge truck—1/2 through 4-ton—that's "Job-Rated" to fit your job.
- ▶ Boost gasoline mileage with features like high-compression ratio and special gas-saving carburetor.
- ▶ Reduce upkeep with such wear-saving features as floating oil intake and positive-pressure lubrication.
- ▶ Enjoy super-smooth performance with glyrol Fluid Drive, wear-protecting advantage available on all 1/2-, 3/4-, 1-ton and Route-Van models.
- ▶ Come in for a demonstration—and a good deal!

Save on gas and oil. All 8 Dodge truck engines give exceptional economy with plenty of power. You get advantages like lightweight aluminum pistons, improved fuel system with economy control, precision-balanced crankshaft, and other money-saving features.

Save on maintenance. Rugged engines and chassis make Dodge trucks famous for dependability. Upkeep costs stay low because of special Dodge features like 4-ring pistons, chrome-plated top ring, and wear-resisting exhaust valve seat inserts.

Save with long life. Because Dodge trucks last so long, depreciation is less and trade-in value stays up. Long life and dependability are result of such features as alloy steel springs, shot-peened axle shafts, and extra-sturdy frames.

See us today for the best buy in low-cost transportation...

BLOWIN' OUT THE CORNERS

By Uncle Zeb

My, My, but it was good to be back down Lelia Lake way last Friday evening and enjoy the good fellowship of all the folks down there and to smack my lips on some more of that good barbecued chicken. This chicken is in a class by itself; it is scrumptious. Prepared under the direction of county agent Flip Breedlove, it is something to remember. It

was a good evening, and thanks and thanks to Lee Shaller and all the fine people in the Donley County Farm Bureau for remembering to invite me. We got to see our old political adviser, Al Gerner and many others that we see only this once a year.

There was a goodly supply of speakers and they didn't twist my arm to make a talk. People never do the second time. Anyway, people that speak well go a long way toward making us think; waking us up so to speak, and that is good. I think the trend the last few years is to shut up the other side; anyone that wasn't hook line and sinker in favor of all the doing of all the New, Fair, Plain, and Tru-Deals, has been sort of laughed to scorn. I think it is good for us to hear and read all the different angles, this has

been the thing that made us great in our early history. There is only one thing that sort of keeps me from enjoying this so-called plentiful prosperity, and that is the fact that most of it has been paid for in blood and most of the rest by a debt on our children. We should remember that there is a debt for 40% of the inflated value of every plow, every car, every home, and every oil well. Private debts and government debts equal 40% of the value. If the value should drop back to what we used to call normal we would have mortgaged and "blown" our inheritance of physical things. We need to think, be cautious, and move forward. Anyway, it was good to be there and before I make a speech we had better get back to our trip.

In Nevada 85% of the land belongs to the government and in New Mexico where we have been visiting nearly 50%. It is no wonder that a sales tax on tourists and homefolks had to be thought of for financing the state govern-

ment. It looked like almost half the cars were on the road from Texas.

My brother-in-law lives in the irrigated valley along the Rio Grande river. Among the farmers there is some bitter feeling toward Texas about the water situation, and there is now a case headed for the supreme court intended to settle the issue. It seems that Texas is supposed to get a certain percent of the water delivered to them down the river; the water measured soon after it hits the river from the mountains and then again just before it reaches Texas. It seems that during dry times most of New Mexico's part either evaporates or soaks into the bogs. I guess they will eventually get it worked out, but for right now the feeling is high. To illustrate how they feel the following sign appeared in a skating rink in one of their cities: "Don't flush the toilet, Texas needs the water. I hope the feeling doesn't get so turbulent that

my own brotherinlaw will quit furnishing me in beans. What after, all the free advertising he has received.

Speaking of New Mexico, and if you like the color of the Indian days, you should visit Taos and Santa Fe. The Indians and the Spanish practically influence the life and habits of the town. Colorful dances at night on the square and with every shop featuring their merchandise. We visited some of the art galleries in Taos. This town is noted for its art colonies. Anyhow, we were surprised in at least one of these galleries, they were of all things featuring paintings of our own Palo Duro canyons. They were beauti-

ful. Here at Taos you find the grave of old Kit Carson; with many things named in his honor. At his grave they had been forced to put a high fence around the marker. Souvenir hunters had chipped a large part of it away to carry a piece of the stone home with them. I can't imagine this.

Of all the scenic beauty of this trip I think Wolf Creek Pass in

Colo. would take the cake. With its cold mountain streams hurrying down to the valley; the towering pines on the steep mountain sides; the beautiful aspen trees, adding their color and beauty to the scene. And to think, that a beautiful road could be built right through this splendor.

The early Greeks did not have family names.

Mahatma Gandhi was a lawyer.

WHEN IT'S TIME TO ACT

Let's come to the point: insurance can only stand between you and financial loss, when you have enough of the right insurance. Make sure you do. See us this week.

What sign were you born under?

It makes a difference, some folks say! But whatever your sign — one thing you probably have in common with most Americans is that either directly or indirectly you're an owner of one of America's electric light and power companies like the West Texas Utilities Company.

It's like this: about three million people from all walks of life — teachers, housewives, doctors, mechanics, farmers — put their savings into companies like the West Texas Utilities. They're direct owners.

Another seventy-five million people, through their life insurance policies and savings bank accounts, are indirect owners. For their banks invest a substantial part of their premiums and savings in the securities of the nation's electric companies.

So, you see, these companies, like the West Texas Utilities, that serve nearly everybody are owned by nearly everybody!

To The People of The 18th District

By Cong. Walter Rogers

THE RETURN TO BALANCED GOVERNMENT:

The people have been heard and heeded. This was overwhelmingly evidenced at the National Democratic Convention. The people want balance; they do not want extreme government, and they will not have it. America will not accept leftist or rightist control. They want sound, reasonable and honest government under the Constitution, and they intend to have it. The victories won by the South at the convention show the same trend that has

been so obvious in Congressional halls this last year. As I have told you before, the battle is being won; we must not relax, and we will not. This I know because the people at this convention from all walks of life have told me so. Many of them are attending their first national convention. They tell me that they have learned more about politics in the last year than ever before. These people represent their neighbors. They do not represent bosses, machines or organizations. They are not controlled, and they do not hesitate to say so. The individual delegates are making themselves heard in the caucuses and then repeating on the floor before the full convention. This has prob-

ably been the most free convention that has been held in many years. In this respect it was definitely different from the Republican Convention. The Republican convention was a battle of political steam rollers—the Taft machine on the one side, and the Dewey-Fine-Stassen machine on the other.

Many columnists and commentators called the delegates to the Democratic convention confused because they had no bell-cow to follow. These delegates did not need a bell-cow. They knew what they wanted when they came to Chicago and they did not intend to be bossed. They were not. In fact, when the South showed its strength, the chips were down.

Much parliamentary maneuvering was necessary in order to bring into play this full strength. Texas played a major role in this battle, as did Mississippi. The South and Southwest are a potent force, and it is this force that will be the architect of the balanced constitutional government that we so badly need. It is the duty of every one of us to lend ourselves to the fulfillment of this task. We must not relax our interest in our government, and as I said before, I have full faith that we will enjoy final victory.

Mr. and Mrs. Homer Estlack and family and Mr. and Mrs. Lee Bell and family are vacationing at Platoro, Colo. this week.

NOTICE

To our friends and customers who have stood by us for so many years, we want to thank you each and every one, and to tell you that circumstances have now forced us to retire from business.

Accordingly on August 15, we will turn the ice plant and business over to Mr. H. T. Horn who has leased it and will operate it. Mr. Horn has had long experience in ice plant operation and the ice business and we feel that he will be able to serve you more efficiently than we have for some time in the past.

Again we thank you for your business and friendship and hope

that you will depend on the new management for your needs in this line.

Mrs. James Trent
Charles B. Trent

DONLEY PEOPLE ENROLL FOR SUMMER SCHOOL AT WTS COLLEGE

CANYON—Twelve persons from Clarendon and its surrounding area are enrolled for the second term of summer school at West Texas State College, according to Frank Morgan, registrar. From Clarendon are Velma Griswold Brown, and Judson Roy Williams, both graduate education students, Buster R. Bain, senior physical education student, Margaret Inelle Cox, freshman,

Mary Edna Elmore, junior education, James A. Howard, Jr., senior history student and Raymond Price Rhea, sophomore education student.

From Hedley are Pat Emergent and Wanda Lee Shaw, both senior business administration students, and Tom Adamson, freshman, and Sophie C. Stilwell, graduate education student. From Lelia Lake is Elicia Joanne Christal, a freshman.

Mr. and Mrs. Bob Oswalt and family of Clinton, Okla. visited Sunday in the homes of Mr. and Mrs. Willard Skelton and family and Mr. and Mrs. Buel Sanford. Mrs. Oswalt and children remained for a longer visit.

It Says Right Here

YOU IN THE CHURCH THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you" form a combination for good. Be a regular CHURCH-GOER and a daily BIBLE READER.

Williams Newspaper Features P. O. Box 211, Ft. Worth, Tex.

We are travellers on the way. We want to arrive. We want good directions; we have not been this way before; we shall go on the path but once. How important, then, that we follow the right directions! Serious men have been crying through the centuries, "Which way shall I take?" Here is a man who has found it. Listen, look, read, with Him.

It's an old guide book and a good one. Its commands come with the authority of Heaven to earth, of God to man, of eternity to time. Centuries of human experience have declared them right. Your own soul recognizes their right to control. Be quiet and know the good and the true and the right. *Hear the challenge!*

Thou shalt worship! Our neighbors and family command, "Thou shalt work"; more important still is the ancient and imperious word, "Thou shalt worship the Lord thy God." *Thou shalt keep the Sabbath!* Be sure that you hold something sacred; some place, some time, some Person. Else all life becomes common, that is, secular or vulgar. *Thou shalt honor!* Whom shall we honor? Answer: the people nearest and dearest to you, the everyday folks with whom you live, and to whom you owe so much. *Thou shalt not murder!* But also, "Thou shalt not hate thy brother." *Thou shalt not commit adultery!* But also, "Thou shalt not lust," since the evil desire comes first. *Thou shalt not steal!* But also, *thou shalt not covet* or desire what belongs to another.

Aren't you glad for these clear clarion calls to conscience? Have you come to the place where you change the wording and say, "I must?" I must worship; I must keep holy days; I must honor my parents; I must be clean of thought and purpose. Change the second person to the first; "thou" to "I". God's commandments become my commandments, God's way becomes my way... "it says right here."

FLOWIN' Out the CORNERS

In Uncle Zeb

My, My, but it was good to be back down Lelia Lake way last Friday evening and enjoy the good fellowship of all the folks down there and to smack my lips on some more of that good barbecued chicken. This chicken is in a class by itself; it is scrumptious. Prepared under the direction of county agent Flip Breedlove, it is something to remember. It

was a good evening, and thanks and thanks to Lee Shaller and all the fine people in the Donley County Farm Bureau for remembering to invite me. We got to see our old political adviser, Al Gerner and many others that we see only this once a year.

There was a goodly supply of speakers and they didn't twist my arm to make a talk. People never do the second time. Anyway, people that speak well go a long way toward making us think; waking us up so to speak, and that is good. I think the trend the last few years is to shut up the other side; anyone that wasn't hook line and sinker in favor of all the doing of all the New, Fair, Plain, and Tru-Deals, has been sort of laughed to scorn. I think it is good for us to hear and read all the different angles, this has

been the thing that made us great in our early history. There is only one thing that sort of keeps me from enjoying this so-called plentiful prosperity, and that is the fact that most of it has been paid for in blood and most of the rest by a debt on our children. We should remember that there is a debt for 40% of the inflated value of every plow, every car, every home, and every oil well. Private debts and government debts equal 40% of the value. If the value should drop back to what we used to call normal we would have mortgaged and "Blowed" our inheritance of physical things. We need to think, be cautious, and move forward. Anyway, it was good to be there and before I make a speech we had better get back to our trip.

In Nevada 85% of the land belongs to the government and in New Mexico where we have been visiting nearly 50%. It is no wonder that a sales tax on tourists and homefolks had to be thought of for financing the state govern-

ment. It looked like almost half the cars were on the road from Texas.

My brother-in-law lives in the irrigated valley along the Rio Grande river. Among the farmers there is some bitter feeling toward Texas about the water situation, and there is now a case headed for the supreme court intended to settle the issue. It seems that Texas is supposed to get a certain percent of the water delivered to them down the river; the water measured soon after it hits the river from the mountains and then again just before it reaches Texas. It seems that during dry times most of New Mexico's part either evaporates or soaks into the bogs. I guess they will eventually get it worked out, but for right now the feeling is high. To illustrate how they feel the following sign appeared in a skating rink in one of their cities: "Don't flush the toilet, Texas needs the water. I hope the feeling doesn't get so turbulent that

my own brotherinlaw will quit furnishing me in beans. What after, all the free advertising he has received.

Speaking of New Mexico, and if you like the color of the Indian days, you should visit Taos and Santa Fe. The Indians and the Spanish practically influence the life and habits of the town. Colorful dances at night on the square and with every shop featuring their merchandise. We visited some of the art galleries in Taos. This town is noted for its art colonies. Anyhow, we were surprised in at least one of these galleries, they were of all things featuring paintings of our own Palo Duro canyons. They were beauti-

ful.

Here at Taos you find the grave of old Kit Carson; with many things named in his honor. At his grave they had been forced to put a high fence around the marker. Souvenir hunters had chipped a large part of it away to carry a piece of the stone home with them. I can't imagine this.

Of all the scenic beauty of this trip I think Wolf Creek Pass in

Colo. would take the cake. With its cold mountain streams hurrying down to the valley; the towering pines on the steep mountain sides; the beautiful aspen trees, adding their color and beauty to the scene. And to think, that a beautiful road could be built right through this splendor.

So, you see, these companies, like the West Texas Utilities, that serve nearly everybody are owned by nearly everybody!

West Texas Utilities Company

To The People of The 18th District

By Cong. Walter Rogers

THE RETURN TO BALANCED GOVERNMENT:

The people have been heard and heeded. This was overwhelmingly evidenced at the National Democratic Convention. The people want balance; they do not want extreme government, and they will not have it. America will not accept leftist or rightist control. They want sound, reasonable and honest government under the Constitution, and they intend to have it. The victories won by the South at the convention show the same trend that has

been so obvious in Congressional halls this last year. As I have told you before, the battle is being won; we must not relax, and we will not. This I know because the people at this convention from all walks of life have told me so. Many of them are attending their first national convention. They tell me that they have learned more about politics in the last year than ever before. These people represent their neighbors. They do not represent bosses, machines or organizations. They are not controlled, and they do not hesitate to say so. The individual delegates are making themselves heard in the caucuses and then repeating on the floor before the full convention. This has probab-

ly been the most free convention that has been held in many years. In this respect it was definitely different from the Republican Convention. The Republican convention was a battle of political steam rollers—the Taft machine on the one side, and the Dewey-Fine-Stassen machine on the other.

Many columnists and commentators called the delegates to the Democratic convention confused because they had no bell-cow to follow. These delegates did not need a bell-cow. They knew what they wanted when they came to Chicago and they did not intend to be bossed. They were not. In fact, when the South showed its strength, the chips were down.

Much parliamentary maneuvering was necessary in order to bring into play this full strength. Texas played a major role in this battle, as did Mississippi. The South and Southwest are a potent force, and it is this force that will be the architect of the balanced constitutional government that we so badly need. It is the duty of every one of us to lend ourselves to the fulfillment of this task. We must not relax our interest in our government, and as I said before, I have full faith that we will enjoy final victory.

Mr. and Mrs. Homer Estlack and family and Mr. and Mrs. Lee Bell and family are vacationing at Platoro, Colo. this week.

NOTICE

To our friends and customers who have stood by us for so many years, we want to thank you each and every one, and to tell you that circumstances have now forced us to retire from business.

Accordingly on August 15, we will turn the ice plant and business over to Mr. H. T. Horn who has leased it and will operate it. Mr. Horn has had long experience in ice plant operation and the ice business and we feel that he will be able to serve you more efficiently than we have for some time in the past.

Again we thank you for your business and friendship and hope

that you will depend on the new management for your needs in this line.

Mrs. James Trent
Charles B. Trent

DONLEY PEOPLE ENROLL FOR SUMMER SCHOOL AT WTS COLLEGE

CANYON—Twelve persons from Clarendon and its surrounding area are enrolled for the second term of summer school at West Texas State College, according to Frank Morgan, registrar.

From Clarendon are Velma Griswold Brown, and Judson Roy Williams, both graduate education students, Buster R. Bain, senior physical education student, Margaret Inelle Cox, freshman,

Mary Edna Elmore, junior education, James A. Howard, Jr., senior history student and Raymond Price Rhea, sophomore education student.

It Says Right Here

YOU IN THE CHURCH THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with benedictions and that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you" form a combination for good. Be a regular CHURCH-GOER and a daily BIBLE READER.

Williams Newspaper Features P. O. Box 211, Ft. Worth, Tex.

We are travellers on the way. We want to arrive. We want good directions; we have not been this way before; we shall go on the path but once. How important, then, that we follow the right directions! Serious men have been crying through the centuries, "Which way shall I take?" Here is a man who has found it. Listen, look, read, with Him.

It's an old guide book and a good one. Its commands come with the authority of Heaven to earth, of God to man, of eternity to time. Centuries of human experience have declared them right. Your own soul recognizes their right to control. Be quiet and know the good and the true and the right. *Hear the challenge!*

Thou shalt worship! Our neighbors and family command, "Thou shalt work"; more important still is the ancient and imperious word, "Thou shalt worship the Lord thy God." *Thou shalt keep the Sabbath!* Be sure that you hold something sacred; some place, some time, some Person. Else all life becomes common, that is, secular or vulgar. *Thou shalt honor!* Whom shall we honor? Answer: the people nearest and dearest to you, the everyday folks with whom you live, and to whom you owe so much. *Thou shalt not murder!* But also, "Thou shalt not hate thy brother." *Thou shalt not commit adultery!* But also, "Thou shalt not lust," since the evil desire comes first. *Thou shalt not steal!* But also, *thou shalt not covet* or desire what belongs to another.

Aren't you glad for these clear clarion calls to conscience? Have you come to the place where you change the wording and say, "I must?" I must worship; I must keep holy days; I must honor my parents; I must be clean of thought and purpose. Change the second person to the first; "thou" to "I". God's commandments become my commandments, God's way becomes my way... "it says right here."

Budget Hearing

At the regular meeting of the Board of Trustees of the Clarendon Independent School District, held August 7, 1952, the following order was passed:

BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE CLARENDON INDEPENDENT SCHOOL DISTRICT THAT: A BUDGET HEARING FOR THE YEAR 1952-53 BE HELD AT THE OFFICE OF THE BOARD, Chamberlain Ins. Agency Building, in the City of Clarendon, Donley County, on the third Tuesday in August, same being the 19th day of August 1952, for the purpose of preparing and

discussing the Budget for the Clarendon Public Schools of the CLARENDON INDEPENDENT SCHOOL DISTRICT for the 1952-53 year.

THE PUBLIC IS INVITED AND URGED TO ATTEND SAID BUDGET HEARING ON THE ABOVE DATE.

A copy of this order, signed by the President and Secretary of the Board, shall serve as proper notice of said Budget Hearing in accordance with the law.

IN TESTIMONY WHEREOF, witness the signatures of the President and Secretary of the Board of Trustees of the said Clarendon Independent School District and the seal thereof hereunto affixed this 11th day of August, 1952.

Homer Estlack, President
Walter Knorpp, Secretary.

A million is a thousand thousand.

HOUSE JOINT RESOLUTION NO. 39 providing an amendment to Article III of the Constitution of the State of Texas by adding a new Section to be known as Section 50a, providing for the establishment of a State Medical Education Board and a State Medical Scholarship Fund from which grants, loans or scholarships may be made to students desiring to study medicine; providing that such students shall agree to practice in rural areas of this State; providing certain restrictions and limitations; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto a new Section to be known as Section 50a, which shall read as follows:

"Sec. 50a. The Legislature shall create a State Medical Education Board to be composed of not more than six (6) members whose qualifications, duties and terms of office shall be prescribed by law. The Legislature shall also establish a State Medical Education Fund and make adequate appropriations therefor to be used by the State Medical Education Board to provide grants, loans or scholarships to students desiring to study medicine and agreeing to practice in the rural areas of this State, upon such terms and conditions as shall be prescribed by law. The term 'rural areas' as used in this Section shall be defined by law."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, A. D. 1952, at which all ballots shall have printed thereon (or in counties using voting machines the machines shall provide for) the following:

"FOR the Constitutional Amendment providing for the establishment of a State Medical Education Fund from which grants, loans or scholarships may be made to students desiring to study medicine."

"AGAINST the Constitutional Amendment providing for the establishment of a State Medical Education Fund from which grants, loans or scholarships may be made to students desiring to study medicine."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment; and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said amendment, the same shall become a part of the Constitution of the State of Texas.

H. J. R. No. 28

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State. The expense of publication and election for such amendment shall be paid out of proper appropriation made by law.

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

The County Mobilization Committee composed of the PMA Committee, the Supervisors of the District, and the heads of the local agricultural agencies, at a meeting last week approved a 15,000 acre goal of cover crops this fall in Donley County.

This figure is at least twice the amount seeded last year. However, judging from the enthusiasm that most farmers have for cover crops, this goal will be greatly exceeded if ample moisture is received by planting time.

C. P. Hamilton, member of PMA Committee, believes Donley County farmers should plant every acre of cotton land to a winter cover crop. This would certainly be the best thing that could be done to keep our soil at home next spring. It is common knowledge that cotton land is the most susceptible to blowing. Therefore, first consideration should be given to seeding cotton land to a winter crop that will protect the soil next spring.

Seeding the cover crop of rye, wheat, Austrian winter peas, hairy vetch, or a mixture of these in the cotton middles in the latter part of August or September before the cotton is harvested is the best method.

There are several ways to plant the cover crop without injury to the cotton. The seed may be sown by hand and covered with the cultivating plows. Some farmers use a regular grain drill and remove the appropriate discs to miss the cotton rows.

Several farmers have had good success adapting the old one-row horse-drawn drills to their tractors.

The District has two drills especially designed for seeding cover crops in cotton middles. These seeders may be rented from the District at 25c per acre.

Farmers are urged to locate their cover crop seed now and be ready to plant as soon as moisture conditions are favorable.

GOLDSTON NEWS

Mrs. Roy Roberson

Mr. and Mrs. Sam Dale and Lucille visited in Tucumcari, N. Mex. over the week end.

Mrs. Edgar Talley and children visited with Mr. and Mrs. Dick Eichelberger Tuesday night.

Mr. and Mrs. Luther Tice of Raydon, Okla. visited Friday morning with Mr. and Mrs. W. H. McDonald and family.

Mr. and Mrs. W. H. McDonald visited Monday night with Mr. and Mrs. J. L. Christopher and son.

Those visiting in the Tom Scoggins home Tuesday were Mrs. J. H. Ashcraft, Emma, Edith, Mr. and Mrs. Emmett Ware and sons of Wellington, Mr. and Mrs. L. L. Adkins and family of Borger and Mr. and Mrs. J. C. Ashcraft.

A/2c Kenneth Jackson was home Sunday. He is stationed at Ft. Worth.

A/2c and Mrs. Lyvon McBrayer visited home folks Sunday.

Mr. and Mrs. O. L. McDrayer and children attended a reunion in Childress Sunday.

Mr. Odell McBrayer and Gene attended a pig sale in Clovis Monday and visited in Lubbock also.

BUICK'S POWER STEERING?
It's the big NEWS of the year

THERE is a host of things that endear a ROADMASTER to anyone who loves to drive.

There's the might of its Fireball 8 Engine—most powerful ever put in a Buick.

There's the thrift of its Airpower carburetor—a four-barrel automatic that literally brings increased power right out of thin air.

There's its hushed and luxurious silence—its poised and level ride that cost a million dollars to develop—and the infinite smoothness of its Dynaflo Drive.

But the thing that has brought the most cheers for this big and obedient beauty is Buick's version of Power Steering.*

Gone is the tug of turning, parking, maneuvering in small space.

Power Steering takes over the effort of turning the front wheels—makes it a one-hand operation.

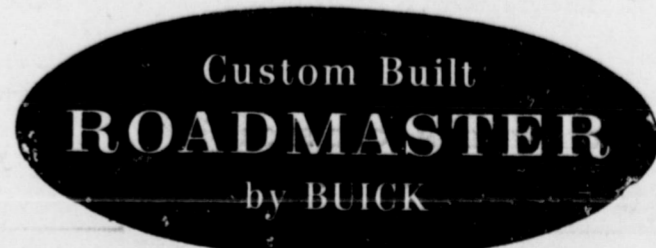

Do you have to learn to drive all over again if you have this new Buick feature?

You definitely do not. On the open road, you have that same sure sense of command that you've always had. Coming out of a curve, you can loosen your grip, and the front wheels right themselves just as they do on every Buick.

But you'll notice this: When you suddenly hit loose dirt or sand—or a stretch of rough road—Power Steering smoothly goes into action—helps take up the jerk—makes control of the wheel easier and driving safer.

Wouldn't you like to try out this newest wonder—on a ROADMASTER or a SUPER? You say the word, and we'll do the rest.

Equipment, accessories, trim and models are subject to change without notice. *Optional at extra cost on Roadmaster and Super only.
