CHALLENGER SLIPS

NEW YORK—Challenger "Irish Bob" Murphy laughs heartily as he slips and falls during the 12th round of his title fight at Madison Square Garden with light heavyweight champion Joe Maxim. Ruby Goldstein was the referee in the bout, which Maxim won after 15 rounds on a decision, to retain his crown. (August 22)

Twenty-Eight Report For Football

Coach Tom Harrell stated yesterday that 28 young men reported Monday morning for fall football training and that an additional four or five boys were expected to join the squad between now and the first game which will be September 7th.

Out of this number there are ten lettermen and six others that received some experience last year. Coaches Harrell and Moore issued suits Monday morning and ushered in a week of hard training which includes two practice sessions each day in order to get the boys in the best condition possible before they meet Groom here Friday, Sept. 7th. There will only be afternoon practice sessions next week when school officially gets under way.

All indications point to a better team than last year unless some of the boys get injured, and the team will average about the same weight as last year, Harrell said.

Season tickets which include reserved seats are now on sale at Bob Moss Pharmacy, Thornberry Drug, Skelton Bros., Glenn's Jewelry, Brooks Dry Goods, The Donley County State Bank and from any member of the Athletic Council. The tickets include six home games and sell for \$6. Reserved seats will be located between the two 40 yard lines on the south side of the field.

Mrs. Maggie Deal has moved back to Clarendon from Amarillo. She has purchased the Jack Eddings home.

Boys' Ranch Rodeo September 2-3rd

All the boys at Boys' Ranch are looking forward to Labor Day week-end, September 2nd and 3rd, when their 7th Annual Ranch Rodeo takes place.

This year should be the largest of the seven annual events. Every year heretofore there has been the problem of people getting stuck in the river or in sandy creek beds. This has been eliminated by paving the entire 11 miles of road from Channing to the Ranch.

Those who care to may bring along their picnic lunch and the entire family can eat their lunch under the big cottonwood trees—plenty of spring water has been piped into the picnic grounds so that all can enjoy their lunch. Those not bringing their lunches may purchase hot barbecue sandwiches as well as soft drinks and ice cream right on the grounds.

Rodeo time both Sunday and Monday will be 2:30 P. M. with the entire show being put on by the boys themselves. Tickets: adults, \$1.25, children under 12, 75c. So if you want to enjoy a real day's outing, load up the entire family along with your picnic lunch and drive to Boys' Ranch, 11 miles south of Channing, Texas, all on paved road.

Mr. and Mrs. Bob Skelton of Amarillo visited Sunday with his parents, Mr. and Mrs. L. H. Skelton and other relatives.

Douglas Wadsworth of Austin is visiting his parents, Mr. and Mrs. D. F. Wadsworth this week.

FIFTY DIE IN CRASH

OAKLAND, CAL.—A huge United Airlines DC-6B passenger plane, inbound from Chicago, crashed and burned (August 24) a short distance from Oakland, killing all 50 persons aboard. This photograph shows the wreckage of the plane, with debris scattered about a half mile.

Local Baseball Club Wins Over Groom In Semi-Final Game

The Clarendon baseball club is sitting on top this week in the Caprock League, and will play the winner of the Amarillo-Vega game for the championship honors. They won this honor by defeating Groom, the third place team, 24-7 here last Sunday afternoon. The Amarillo-Vega game was rained out last Sunday and are scheduled to play this coming Sunday. Amarillo finished the season in first place but will have to dispose of the fourth place team or drop from the lead. Clarendon will play the winner of this game, a two out of three game series for the championship. Vega has a good chance to win over Amarillo, for they have one of the best pitchers in the league. Amarillo has the reputation of having the best batters of the league.

The locals had a regular run-away in the game with Groom. They batted in three runs in the 1st; five in the 2nd, three in the fourth, two in the fifth, four in the 6th, seven in the 7th. Three triples were hit in the first inning; Gene Putman hit a homer in the 4th; Spier hit a homer in the 7th and Don Lloyd also hit a homer in the 7th with the bases loaded. Brooks went all the way on the mound with good control throughout the game.

The locals will have some type of game here Sunday afternoon. Should Amarillo and Vega play before Sunday and the play-off game involving Clarendon be called for Sunday, local fans will be notified by hand bills advertising the game.

Notice To All Junior College Students

Clarendon Junior College will open September 4th. All students will register on that date. The tuition is \$25.00 for all students and this must be paid upon the date of registration or satisfactory arrangements made for payment of same.

The reason for this is as follows: Under Public Junior College Law, Article 2815j-2. Appropriations to junior colleges; eligibility; regulations.—Section 1. "There shall be appropriated biennially from moneys in the State Treasury not otherwise appropriated an amount sufficient to supplement local funds in the proper support, maintenance, operation and improvement of the public junior colleges of Texas, which meet the standards as herein provided; and said sum shall be allocated on a basis and in a manner herein after provided."

One of the provisions for participating in these funds under Section 2, Paragraph 2, reads as follows: "It shall be mandatory that each institution participating in the funds herein provided shall collect from each full time student enrolled matriculation and other session fees not less than the amount provided for by law." As stated above the tuition set by law is \$25.00 per semester or \$50.00 for the full term of nine months.

The appropriation, as mentioned in Section 1 above will be \$189.00 per student and in order to receive this money we must charge each student the \$25.00 per semester, one of the school officials stated.

DISASTER CALL!

Carl Allmond, finance chairman of the Donley County Red Cross Chapter, again urges you to please leave your donation for the disaster relief operations in the Kansas-Missouri flood, at either of the three banks here.

"Our quota is only \$250.00, and to date we have only received a very small amount," Mr. Allmond said.

The need is urgent to help the thousands in distress and the American National Red Cross has called upon all Chapters to assist.

Two Win One Revival At First Baptist Church, Sept. 14-24

The First Baptist Church is planning a "Two Win One" Revival beginning Sept. 14 and continuing through the 24th. The special feature of this revival is the plans for teams of two to win one lost friend to Christ. Good response has already been had in the plan for this type of revival. The special Scriptures being used are Luke 10:1-2 and Matthew 13:19-20.

Local workers will be in charge. The pastor L. A. Sartain will preach twice daily and Mr. F. O. Hodge will lead the singing.

Every one is invited to attend and have part in this campaign. "THE WORLD AT ITS WORSE—NEEDS THE CHURCH AT ITS BEST."

Pet Your Melons For Next Week

Do whatever you want to do to make that watermelon grow the next ten days, for the watermelon contest closes Saturday, Sept. 8. You can bring your melon in Thursday afternoon, Friday or Saturday. Pick out your biggest as yours may be the one that will make the flying trip to California to prove that BIG melons are grown here in Donley County.

This contest is being sponsored by the local Chamber of Commerce and the Donley County Leader. Outside of the publicity, the first place winner will receive a 3 year subscription to the Leader, 2nd place will receive a 2 year subscription and the third place winner will receive a 1 year subscription. J. W. Murphy of the Murphy - Spicer Funeral Home will see that the watermelon is flown to California.

Let's make the people all around conscious of the fact that Donley County produces the best melons to be found anywhere. Remember to bring your melon in to the Chamber of Commerce office in the Farmers State Bank building next Thursday, Friday or Saturday.

New Farm To Market Road Site Picked

A road six miles north out of Hedley to the Rowe cemetery was designated as the number one project in the 1952-53 Farm to Market road program for Donley County, by the commissioners court in a meeting with Highway engineer Guy Lott Tuesday of this week. The alternate route selected was the continuance of the new Farm to Market road in the Midway community. The road designated is governed by traffic count, mail and bus route.

The 1951-52 program project is a road 2.6 miles south of Lelia Lake and 2.1 miles north of Lelia Lake. The county is in process of getting deeds to the right-of-way on these at the present time. As soon as the right-of-way has been secured the Highway Department will probably let the contract for construction. At the present time the Highway Department calls for a 100 ft. right-of-way.

DONLEY COUNTY SINGING MEETS AT MARTIN NEXT SUNDAY

Donley County Singing meets at Martin next Sunday afternoon at 2:30 p. m., five miles west of Clarendon on highway 287. Every body is invited. It is hoped that every community will be represented with duets, or quartets. This is for everyone, so come and bring your friends and enjoy the fellowship together.

DR. S. W. HAYNE TO BE AT LOCAL CHURCH SUNDAY

Rev. Stanley W. Hayne will be the guest speaker at the First Methodist Church next Sunday. Dr. Hayne was pastor of the church for two years before he retired from the active ministry in 1949. All the friends of Dr. Hayne are invited to hear him.

Children Must Have Vaccination Proof On Entering School

School officials are pointing out again this week the fact that every child entering the first grade must have proof of small-pox vaccination before the youngster will be allowed to attend classes. There have been numerous discussions in this regard but the point remains that it is absolutely compulsory and the following Morbidity report from the State Health Department helps to clarify the situation and the small-pox vaccination's association with polio:

"Immunization Policies" — In the face of an abnormal prevalence of poliomyelitis in a given locality, antigen inoculations on persons over six months of age may well be postponed until after the subsidence of the abnormal prevalence.

Upon request, Dr. J. G. Stewart, local health officer, has made a complete check of this area and to date there have been no polio cases reported in Clarendon or this entire area this year. This being the case, the standard small-pox rule will be followed as in previous years, school officials stated.

MISSIONARY TO TELL RECENT EXPERIENCES

A New Hampshire minister, who has recently established a community center and church in Yokosuka, an industrial city south of Yokohama, has returned to the United States on furlough, and will be the guest-speaker at the First Methodist Church here at 8 p. m. tomorrow night, August 31st.

The Rev. Everett W. Thompson, Methodist missionary, will tell of his recent experiences as a social worker, evangelist, and teacher in the war-damaged areas of Japan and in Okinawa.

Both Mr. Thompson and his wife—the former Miss Zora E. Goodman, also a missionary—had had twelve years of missionary experience in Japan before World War II. In 1941, when the war with Japan seemed imminent, they were among the missionary group called to the United States by the Board of Missions of the Methodist Church, and thus escaped internment. During the war period, Mr. and Mrs. Thompson worked among the displaced American Japanese at Twin Falls, Idaho.

Dove Season To Open Saturday Noon

The 1951 Dove season will open Saturday noon, September 1st. Local hunters are anticipating a very good hunting season with plenty of doves in this area. The open season will continue through October 10th. Hunting hours each day will be from 12 noon til sunset. The bag and possession limit is ten a day and the birds can not be taken with a gun larger than a 10 gauge. All guns must be plugged to hold not more than three shells.

Sheriff Guy Wright has issued a warning to hunters that are in the habit of hunting from highways and on land where they do not have permission to hunt, that they will be subject to heavy fine in either event and land owners in this area are quicker to report violators due to loss of stock and trespassing in past years. "Abide by the law and enjoy your hunting to the fullest extent," he added.

An official map by the State Game Department may be found on page eleven of this issue of the Leader.

High, Junior And Elementary School To Register Sept. 3rd at 9 O'clock

CONG. WALTER ROGERS

Cong. Walter Rogers To Be Speaker At Lions Club

Congressman Walter Rogers of Pampa will be guest speaker at the Lions Club hall next Thursday night. The Lions Club is taking this opportunity to hold Ladies Night and also invite the public in general to come out and hear our Congressman make a report on what is happening in Washington, D. C.

Tickets for the banquet will go on sale tomorrow at any of the three banks and the plate price will be \$1.50 for each person. Deadline for purchasing tickets will be Tuesday of next week.

It isn't often that we can sit down and have dinner with our congressman and at the same time get the low down on what is actually going on at our national capitol. Boss Lion, Carroll Knorpp, is anticipating a large crowd for the banquet and is urging all members of the Club and their ladies, as well as their friends to attend so we may show Congressman Rogers that we at home are really interested in his efforts.

OPS Representative To Be Here Sept. 5th

James K. Moreau, OPS Representative, will be prepared to answer questions regarding the pricing of toys and Christmas goods when he is in Clarendon next Wednesday afternoon, Sept. 5th. He will maintain offices while here at the Chamber of Commerce.

Mr. Moreau will be able to provide answers for all types of businesses concerning compliance with the federal pricing regulations. An OPS Representative is in Clarendon each week through the sponsorship of the local Chamber of Commerce and merchants are invited to take advantage of his presence to bring their operations into full compliance with the newly amended program.

The Clarendon High School, Junior High, and Elementary School will register Monday, September 3rd at 9 a. m., and class work will begin September 4th at nine. The Junior College students will register September 4th at 9:00 in the college library.

All students are required to bring their book cards of last year before receiving new books. All high school students must also pay their library fee of \$1.00. All first-grade students are required to have a birth certificate.

Elementary students will register in the rooms in which their grades are taught. Junior high students will assemble in the junior high auditorium for registration instructions. Senior high students will register as follows: Seniors, room 14; Juniors, room 13; Sophomores, room 11; and Freshmen, in room 21.

There will be a general faculty meeting of all teachers Saturday, September 1st at 10:00 in the college building.

TRAINING ARMY RAILROAD MEN—The rail movement of United States troops and supplies is the responsibility of the Army Transportation Corps. To fulfill this mission, the Corps conducts extensive training of troops selected for the railroad branch at the transportation center in Fort Eustis, Va. Recruits are introduced to the corps training program after completing six weeks of army basic instruction. (Left) In the training of Army railroad men at Fort Eustis, the soldier trainees are ready to operate the railroad. Here a block operator is giving a clearance slip to an engineer trainee on a Diesel-electric locomotive. This means that the train is cleared to proceed through the area controlled by the block operator to the next block station. (Right) After completing their indoctrination period, trainees are given instruction on the locomotive (steam and Diesel-electric) and with various types of rolling stock which form a train. Here a sergeant explains to a group of new trainees the action valve gear which regulates the speed, power and direction of a steam locomotive.

Rev. A. J. Quinn is doing the preaching.

HOMEMAKER'S CIRCLE

Religious symbols and their meanings were presented to the Homemaker's Circle of the Methodist Church by Mrs. W. E. Hamilton Wednesday at the regular monthly meeting of the circle.

During the business meeting it was decided to assign two members of the circle to keep the nursery during church services. For over a year now, this circle has sponsored a nursery during church.

Mrs. Hamilton's talk on symbols was enjoyed by all the members. She illustrated her talk by original cutouts and pictures of the symbols.

Refreshments were served to the guests by the hostesses Mrs. T. M. Caldwell, Jr., Mrs. Bob Moss, and Mrs. Wm. J. Lowe. Members present were Mesdames Carl M. Bennett, Homer Bones, R. E. Blackwell, H. M. Breedlove, Ernest Eudy, S. M. Fedric, Horace Green, Glenn Hoggatt, Brack LaGrone, Sam Lowry, Bill Moor-ing, Frank Phelan Sr., Bill Williams, and Mrs. Charles Deyhle, who was a guest.

NAYLOR-BIGGS

Nuptial vows were solemnized recently for Betty Naylor, daughter of J. L. (Slick) Naylor of Conway, and Jim Biggs, son of Mr. and Mrs. V. D. Biggs of Panhandle. Rev. C. T. Jordan, pastor of the First Baptist Church at Las Vegas, N. Mexico officiated.

Vows were exchanged before an improvised altar in front of a fireplace banked with baskets of pink and white gladioli in the church parsonage. Attendants were Mr. and Mrs. J. W. Ingham.

Following the ceremony the couple left on a trip thru New Mexico. They will be at home near Panhandle where the bridegroom is engaged in farming.

Mrs. Biggs is a graduate of Panhandle High School and attended West Texas State College. For several years she lived with her family in Clarendon where her father was coach. She has worked the past summer for the Silas Mason Company at Pantex. Mr. Biggs is also a graduate of Panhandle High School.

WOMENS SOCIETY OF CHRISTIAN SERVICE

Circle No. 1 of the Womens Society of Christian Service met in the home of Mrs. John Goldston last Wednesday in a social and business meeting. Mrs. Chas. Lowry gave the Bible lesson. For the lesson Mrs. Lowry first reviewed the 1st Chapter of "Feminin Faces", finishing with a corresponding Bible lesson.

Mrs. Lee Holland, the Treasurer, reported \$30 paid in.

Twenty nine trays and quilts and garments were sent to the sick and needy. This Circle will meet in its next social with Mrs. Lee Holland Sept. 26th.

A lunch plate was served to one guest and 16 members, which was enjoyed very much by every one present.

MIDWAY QUILTING CLUB

The Midway Quilting Club will meet with Vada McCrary Sept. 6.

BARBECUE

Mr. and Mrs. Joe Ritter entertained with a barbecue Saturday evening at Sandy Camp honoring L. D. Aten, son of Mr. and Mrs. Lamar Aten, who is at home after nine months in Korea.

The chicken and steaks were prepared by Grady and E. W. Tyler, Jr. Approximately 30 guests were present and report a most enjoyable evening.

BIRTHDAY PICNIC

Members of the Tyler family enjoyed a picnic supper and party in the home of Mr. and Mrs. E. W. Tyler, Jr. and Barry Friday night honoring Miss Alice Tyler on her birthday. In addition to the delicious meal, the group enjoyed visiting.

Those present were Miss Alice Tyler, Mrs. E. W. Tyler, Sr., Frank Tyler, Mrs. Ermine Blair and Biffie, Mr. and Mrs. Grady Tyler, Mr. and Mrs. Jim Clark and son of Pampa, Mr. and Mrs. V. E. Moore and family of Amarillo, Mr. and Mrs. Gene Tyler of Amarillo, Mr. and Mrs. Gordon Lee and son of Claude, James Allen Tyler of Fowler, Colorado, and Mr. and Mrs. E. W. Tyler, Jr. and Barry.

MISCELLANEOUS SHOWER

Miss Louva Agnes Hunt, bride elect of James Reed Lovell, was honored on Saturday afternoon, August 18, with a miscellaneous shower at the Patching Club House.

Hostesses for the occasion were Mesdames Bob Head, V. W. Carpenter, Henry Tatum, Johnnie Johnson, R. A. Hay, Gordon Bain, Ralph Decker and Joe Ritter. In the receiving line were Mrs. Ritter, Miss Hunt, Mrs. Ernest Hunt, mother of the honoree and Mrs. Ben Lovell, mother of the groom to be.

The Club House was beautifully decorated with garden flowers in bright colors giving a note of gaiety throughout.

The refreshment table was laid with a dainty white, hand crocheted, lace cloth over blue satin. The cloth is a wedding present to the bride elect from her grandmother, Mrs. Jim Scoggins, of Claude. The honoree's chosen colors of blue and white were used in the clever center piece of carnations and greenery with touches of blue nylon net and in the tall tapers in crystal holders. Cakes, decorated in blue and white were served with punch and blue mints. Serving at the punch bowl were Mesdames Chauncey Hommel and Tom Vandiver. Mrs. R. E. Beard and Miss Jo Ann Ritter assisted in the dining room and in the gift room.

Piano music was furnished during the entire afternoon by Mrs. James Moore and Mrs. Jim Scott.

Miss Patsy Wallace presided at the guest book where more than eighty guest registered.

PRESBYTERIAN WOMEN MEET

Women of the Presbyterian Church held their regular meeting Wednesday afternoon, August 22, in the basement of the church with Mrs. John Potts and Mrs. Ruth Kennedy hostesses for the afternoon.

The meeting was called to order and opened with Mrs. Ed Dishman leading the "Lord's Prayer" repeated in unison. During the business hour it was decided to have the Circle meeting the first Wednesday in Sept., Sept. 5th, due to the church conference to be held in Amarillo Sept. 12.

An interesting lesson, "Threads of Gold and Silver", was led by Mrs. Lee Shaller assisted by three members. Refreshments of tea and cookies were served to 14 members.

Gabie Betts Burton Library Notes

By May L. Prewitt

The first book to be listed is "The Iron Master" by Ames Powers. The setting is 1788 just after the Revolution is ended, and the objects for which it was fought are jeopardized by sectional jealousies, class antagonisms, etc. It is a recommended novel, but likely only fair material.

For the junior readers we offer "Bruce Benson Thirty Fathoms Deep" by Frances Fulerton Nelson, and Winthrop Neilson. Here is a heart-warming story of exceptional interest and high adventure. The writers gave us "Dusty For Speed" and "Thirty Fathoms Deep"—the first we have had for about two years. Next is a "Cherry Ames—Night Super Visor" by Julie Tathom. This completes these publications to date. Another "Cherry Ames Mountaineer Nurse" will be published soon.

We have three books of the classic fiction "Children." These books are always more expensive than the books usually bought for juniors. They range in prices from \$1.50 to \$2.50. These authors and illustrations surely have to know children in general, and not special cases or their books are dead material. I have

two books that are near the \$2.00 list, but the illustrations are crude, and not appealing. These have been issued once or twice in 2 years. "Factory Kitten" by Helen Hoke and illustrations by Harry Lees who went to a factory and studied actualities after reading the manuscript, then illustrated the book. You grown ups will enjoy it with your children. We have "Mr. Hermit Miser and the Neighborly Pumpkin" by Christine Noble Govan. It is a very clever production for fourth and fifth graders. "Tyke, The Little Mutt" by Dorothy K L'Hommedieu, and illustrated by Marguerite Kirmse. This author's team are famous for their stories about aristocratic well-bred dogs.

Our magazine rack is well stocked. Three Library friends replenished it with May, June, July and August issues—in fact several September copies adorn it. There are McCall's, Companions, Ladies Home Journals, Posts, Colliers, American, Life, etc., besides some of the Home periodicals and Farm magazines—yes and several recent Good House Keeping copies.

I was joyfully surprised to find the Library cleaned up so nicely this week—surely appreciate the good deed from Mr. Thomas as these kiddies have kept me busy almost every minute this summer. September and October will give me time to mend a few books and adjust the store room, and dust some of these shelves—

sometimes sweeping is neglected for a week in this room. But books are the important things.

SENATOR KEFAUVER AND PRICE DANIEL

Senator Estes Kefauver and Texas Attorney General Price Daniel appear together on a program discussing control of organized crime at the recent meeting of the National Association of Attorneys General in Seattle. Kefauver lauded the work of the Texas House Investigating Committee and Attorney General Daniel's conference of county and district attorneys. "As a result of that splendid conference, law enforcement in Texas is much improved and organized gambling largely eliminated," Senator Kefauver said.

U.S.D.A. READIES 1951 COTTONSEED PRICE SUPPORT PROGRAM

Sometime ago the U. S. Department of Agriculture announced that it would support the price of cottonseed this year at \$65.50 per ton to farmers, basis grade 100.

At the same time, USDA said that it would buy cottonseed in areas where a purchase program might become necessary to keep prices at the support level. Purchases would be made at \$61.50

per ton, basis 100.

In addition to loans and purchases, USDA announced that it would buy cottonseed oil, cake or meal and linters from crushers as another means of helping to keep cottonseed prices at the support level.

Under this part of the program, USDA will make contracts with crushers, who in turn must pay ginners and farmers no less than \$65.50 per ton for cottonseed, f.o.b. gin point. This will be on

the basis of grade 100, with specified premiums and discounts for other grades.

To help work out details for the operations of this part of the cottonseed price support program, the Dallas commodity office of the Production and Marketing Administration is inviting members of the trade to serve on advisory committees.

There will be four committees—one each for crushers, crude and refined oil, proteins and

linters.

THIS OFFICE WILL BE CLOSED SEPTEMBER 3rd FOR LEGAL HOLIDAY!

DISTRICT SEMINAR AT CLARENDON

The Clarendon district seminar was held at the First Methodist Church Tuesday, Aug. 21. There were 101 attending from over the district.

Among those appearing on

program were representatives from the Wellington and Pampa churches, also Mrs. C. E. Bairfield of Clarendon.

Towns represented were Lelia Lake, Groom, Turkey, Wheeler, Samnorwood, Hedley, Miami, Pampa, Quitaque, Lakeview, McLean, Wellington, Shamrock and Clarendon.

Miss Eulaine Ellis of Pampa was a house guest last week of Miss Mary Ann Landers.

FARM NEWS From the County PMA Committee

MAKE APPLICATION FOR DEEP PLOWING IN SEPTEMBER

County and Community Committeesmen along with several interested producers and contractors, met in the conference room at the County Agent's Office Friday, August 24th to discuss the Deep Plowing Practice and to make plans for the 1952 program.

It was unanimously decided that the month of September would be set aside for taking applications for Deep Plowing. No approvals will be issued until the 1952 allotment of funds is received from the State Office; however, the committees want to be ready with the program when the money is available.

It was unanimously decided al-

so that the Deep Plowing for 1952 will be applicable only to producers on farms where there has been no assistance earned on deep plowing in previous years.

Remember these two important factors: (1) To receive assistance on Deep Plowing of Sandy Cropland under the 1952 Program you must make application sometime during the month of September, (2) If you have had assistance on deep plowing before, you need not apply for assistance under the 1952 Program. This means plowing at any depth with PMA assistance.

FAMILY FARM POLICY REVIEW MEETING

Don't forget the county-wide meeting of all farmers, ranchers, businessmen, professional men, civic organizations, etc., that will be held at the Courthouse in Clarendon on Friday night, September 7th at 7:30 p. m. This meeting is important to all, so be sure to attend.

BLOWIN' Out the CORNERS by Uncle Zeb

Tulon White of Happy, Texas sends in a new member for the Ain't Smoking Right Now Society. It has been several weeks since we had any "Jiners", and I began to wonder if memberships came faster in certain seasons of the year. Anyway, he sends in the name of Glenn Cox, a member of the Long Bell Lumber firm in Amarillo. Tulon has been a faithful member since last fall.

If you have quit smoking lately or have a friend that has, send in the name and we will send a membership card.

One of the best talks that I think I have listened to in a long time was given to the graduates of the Summer term at Canyon by Charles F. Taylor. The title of the address was "Happy Land-ing" and he proceeded to draw a comparison between flying an airplane and flying the plane of life; also that of riding in a large plane through a storm and looking to the pilot to get you safely through, and that of looking to Christ to safely pilot you through the storms of life. It was a beautiful comparison and the bits of humor along with it kept you happy along with the good thoughts.

Heard a little girl say: "My father is in the middle ages." "Then I will do my best to be God's business man."—R. G. Le-Tourneau

Someone has said; that they wouldn't mind the inevitability of death and taxes if only they would come in the order named.

Now that we are nearing election time again the "Pot" is calling the kettle black" and vice versa. First, Mr. McCarthy found a skeleton in Sen. Tydings hid-ings. The Mr. Boyle, chairman of the Democratic found just about everything wrong with McCar-thy, and had him in Dutch. Now it looks like Mr. Boyle's oil is in for a good re-cleaning. Maybe if they keep on showing each other up "We the people" will get stir-red up and elect someone that will work for the country rather than their own party.

"Doesn't the mule ever kick you?" "No suh," said Sambo, "But he frequently kicks the place where I recently was".

"Is your husband a good pro-vider, Dinah?" "Yassum, he's dat alright but I'm allus skeered that he'll get caught at it."

"Do you think you could sup-port my daughter, if you married her?"

"Yassuh." "Have yo ever seen her eat?" "Suttenly." "Have yo ever seen her eat when no one was watching her?"

The above jokes are from a book that I paid \$2.98 for that contained 10,000 jokes. These were No's. 6778, 8994, and 9898. They were the best that I could find. I believe I took a shellackin' on the deal.

My little niece said that she asked an Indian statue in a mu-seum what he died for, and that he said nothing. Is that a joke?

Dr. E. Darwin said that; "The diseases from drinking liquor are apt to become hereditary even to the third generation, and if con-tinued will lead to the family be-comeing extinct."

Soil Conservation District News

The row seeder for planting cover crops in cotton middles will be delivered this week, ac-cording to information received from the State Board of Control which is the purchasing agent for the District.

This machine is the one de-scribed in a previous column and will plant three middles at a time with two rows ten inches apart in each middle. It has a height clearance of 38 inches and is

equipped with fender guards to prevent damage to the growing plants. Rye, wheat, hairy vetch, Austrian winter peas, and Alfalfa are some of the crops that can be seeded with this drill.

According to Carman Rhode, Conservationist with the Soil Conservation Service, a number of farmers have already expressed a desire to use this seeder for sowing cover crops in their cot-ton. Some of these are: Clyde Slavin, Ray Holland, Kermit Evans, John Richey, W. W. Snel-son, and Pete Land. Other farm-ers wanting to try this drill should advise the Soil Conser-vation Service at once, Rhode said. A tight schedule will be worked out in an effort to get as many acres planted as possible in the limited time available. The rental rate has not been set by the District Supervisors yet, but it will likely be around 25 cents per acre.

The rye seed which the District purchased has been delivered and is for sale for \$2.85 per bushel at one of the following stores: Clarendon Hatchery, Riskey Feed Store, Thomas Feed Store, and Simpson Feed Store.

Though cotton is one of our best cash crops, it is also one of the hardest on the land. This is not because it uses an excessive amount of plant food, but because it leaves the land naked and un-protected against the forces of wind and water.

According to the best infor-mation available there is well over one-third of all cropland in Don-ley County in cotton this year. In some parts of the county this per-centage will run much higher. Many farmers have nearly all their land in this crop.

Severe blowing is almost cer-tain in some areas next spring if proper control measures are not taken. Establishing cover crops this fall is one of the best meth-ods of control. This is especial-

ly true for the sandier soils which do not respond to emergency tillage such as chiselling.

ROBERT W. TAYLOR RECEIVES PROMOTION

Ellington Air Force Base, Texas —One of the many Airmen in the United States Air Force to re-cently receive promotions is Robert W. Taylor from Clarendon, Texas. He was promoted from the grade of Technical Ser-geant to Master Sergeant on the eighth of August at his present duty station, Ellington Air Force Base near Houston. The sergeant is an aircraft inspector at EAFB. The son of Mr. and Mrs. June W. Taylor, Box 516 in Clarendon, M/Sgt. Taylor is a veteran of 13 years military service. During World War II, he served for 38 months in the European Theater of Operations and participated in the invasions of Africa and Italy. Sgt. Taylor holds the Victory Medal, Presidential Citation, Air Medal, ETO Ribbon and 10 stars, Pre Pearl Harbor Ribbon and the Good Conduct Medal.

He attended Clarendon high school prior to entering service and was active in football and basketball.

Sgt. Taylor is married and he and his wife, Regina, have two children, Norma Jean, five, and Thomas Walter, two.

Forest fires, insects and dis-eases attack forests in a destruc-tive cycle. After fire weakens trees, the insects and diseases move in for the kill.

Defense Bond Drive Sept. 3 - Oct. 27

The "largest possible" total of sales will be the goal of the De-fense Bond Drive to be held Sept. 3rd through Oct. 27, Nathan Adams of Dallas, state Defense Bond chairman, announced re-cently.

There will be no dollar quotas, Mr. Adams said in a letter to Judge J. R. Porter, Defense Bond chairman for Donley County.

"Instead, Treasury Secretary John W. Snyder has asked us to sell as many Defense Bonds as possible, to back up our armed forces and to help resist the pres-sure of inflation," Mr. Adams said. He urged the local chair-man, however, to set for the county a goal "high enough to be a challenge to you and your com-mittee."

"The people want a part in the nation's defense effort," he said. "Right now the most practical way for them to help is for them to buy U. S. Defense Bonds."

Mr. Adams said that volunteers are being organized in every community of the state to con-duct intensive campaigns during the drive, which is the first since outbreak of the Korean war more than a year ago. Emphasis will be placed on increasing sales through the payroll savings plan, which permits employees to buy bonds by having deductions made from wages or salaries, and the Bond-A-Month Plan, through which bank customers can buy bonds automatically.

TEXAS BAPTISTS OFFICES MOVED TO TEMPORARY QUARTERS IN DALLAS

DALLAS — Headquarters of Baptist offices for over one-million Texas Baptists this week completed their moves to temporary quarters in Dallas.

The move of some twenty departments and agencies was made in order to vacate the Baptist building located in downtown Dallas at Ervay and Pacific streets. This building has been sold.

Now located in several different parts of the city, the Baptist offices will occupy the temporary quarters only until the new Baptist building now under construction is completed early in 1952. The new denominational headquarters will be a four-story and basement structure at the corner of San Jacinto and Ervay streets.

It will cost approximately one million dollars and is to be completed in January of next year.

Besides fourteen offices and departments of the Baptist General Convention of Texas, also involved in the move are radio station KYBS, the Baptist Foundation of Texas, the Baptist Book Store, the Southern Baptist Relief and Annuity board and the Southern Baptist department of evangelism.

The departments and their temporary locations are as follows: Relief and Annuity board, Trinity Universal building, 820 N. Harwood; Baptist Foundation of Texas, 711 N. St. Paul; endowment department, 705 N. St. Paul; radio and public relations and station KYBS, 417 N. Ervay.

In the Jefferson Tower building in Oak Cliff are departments of Sunday School, Training Union, Brotherhood, Woman's Mis-

sonary Union, ministry with minorities, student work, church music, evangelism, offices of the executive, secretary, assistant secretary and treasurer of the Texas Baptist convention, the evangelism department of the Southern Baptist convention, and the Dallas Baptist association.

The Baptist Book Store, now located on the first floor of the former Baptist building, will begin moving this week to 1917 Elm street.

Texas Baptist headquarters coordinates the work of 3,300 Baptist churches in the state. A budget of ten million dollars a year is required to carry on the activities of the Baptist convention.

Mrs. B. R. Flowers and Mr. and Mrs. H. D. Blythe and family of Hereford were week end guests in the home of Mr. and Mrs. G. W. Bradshaw and boys.

The Yellow-Breasted Chat

If birds had circuses, one of the stars of the big top would be the Yellow-Breasted Chat. A comical fellow, he reminds you of a clown when he takes to the air, with his wings fluttering crazily and his legs dangling loosely beneath him.

What's more, he ranks second only to the mockingbird as an imitator. A solo by the Yellow-Breasted Chat is an amazing variety of clucks, quacks, meows, purrs, whistles, toots, and squawks. With short pauses between numbers, he reels off a long concert of jerky songs and sounds.

To top it off, the Chat is an expert ventriloquist—the best in the bird kingdom. Just when you think you know where he is, the sounds begin to come from first one spot and then another. At last you discover that the clever bird has never moved at all, but has been throwing his voice here and there to fool you. He often uses the trick to lure intruders away from his nest.

The Yellow-Breasted Chat has one big drawback as a performer, says the National Wildlife Federation. He is much too shy to stay before an audience. Instead he hides in dense shrubs and tangled vines which are growing on hill-sides and abandoned pastures.

If you do get a quick glimpse of the Chat family, you will notice that both the male and the female are similar in appearance. Their upper parts are an olive-green tinged with brown. Bright yellow extends downward from the throat, fading out into white underneath.

Their most unusual mark is a white line above and below the eyes, giving them the appearance of wearing spectacles. The Chat's bill and feet also attract attention, because they are solid black.

The colorful bird spends his winters all the way from Mexico south to Costa Rica. When spring rolls around, he heads northward, sometimes stopping in Florida and other states on the Gulf of Mexico, but often going as far as Iowa, Montana, and New England.

By May, the Chat family is settled for the season and building a bulky nest of dead leaves, grass, and bark shreds, with a lining of fine grass. The new home is located from three to five feet off the ground, in a small tree, a bush, or a thick vine. In it are laid four small white eggs which are spotted with brown.

When the eggs hatch, the Chat parents are busy, indeed, feeding themselves and their young. Insects are their favorite food, but they also eat berries and other fruit.

After a summer of rearing their families and performing their stunts of song and flight, the Yellow-Breasted Chats are off to their winter quarters. By August or early September, reports the National Wildlife Federation, they are southward bound.

Clearer View Sought In Foreign Aid Spending

If the eight and a half billion dollar foreign aid and military assistance program proposed by President Truman should win approval by Congress, the taxpayers of Texas will be called upon to pay an estimated \$379,950,000 as their share of its cost, the West Texas Chamber of Commerce declared in a statement released last week.

The Chamber estimated that Texas taxpayers presently bear 4.47 per cent of the Federal tax burden. Accordingly, the Chamber figured Texas' share of the cost of the President's new 8 1/2 billion-dollar foreign economic and military assistance program would be 4.47 per cent of that sum, or \$379,950,000.

The Chamber pointed out that the President's foreign aid program, as all other Federal spending programs, must be financed by taxes collected from the people of the 48 states, who are the sole source of all Federal tax income.

The Chamber further pointed out that the \$379,950,000 representing Texas' share is approximately four-fifths of the total cost of operating the Texas government for one year.

Commenting on the President's 8 1/2 billion-dollar Mutual Security Program, the Chamber's statement said:

NOTICE!

During the last session of the Legislature, Texas Motor Fuel Tax laws were amended and sections referring to refund of motor fuel tax have been changed and will directly effect Consignees as Refund Dealers, effective as of Sept. 1, 1951.

AMENDMENTS

"IT SHALL BE UNLAWFUL FOR ANY REFUND DEALER OR ANY EMPLOYEE THEREOF TO PREPARE OR NOTARIZE ANY CLAIM FOR REFUND OF TAX PAID ON MOTOR FUEL PURCHASED FROM SAID REFUND DEALER, OR TO ACT IN ANY CAPACITY as AGENT OR EMPLOYEE OF ANY CLAIMANT FOR REFUND OF THE TAX PAID ON MOTOR FUEL PURCHASED FROM SAID REFUND DEALER BY KEEPING HIS BOOKS, RECORDS, REFUND CLAIM FORM OR OTHER DOCUMENTS TO BE USED OR INTENDED FOR USE BY SAID CLAIMANT IN THE PREPARATION OF HIS TAX REFUND CLAIM."

The law states that the dealer or seller cannot have in his possession Invoices of Exemption more than seven days from date of delivery. Therefore, the buyer should make provision for suitable container to be placed near his gasoline storage tank, in order that seller may leave Invoice of Exemption at the time of each delivery.

All customers should go to Oil Company with whom they are dealing and either have Affidavit of Claims made out, or pick up all Invoices of Exemption, prior to September 1st, 1951.

Program, the Chamber's statement said:

"Actually the President's outline provides little information about how the large sums requested for the foreign aid programs are to be spent or what new obligations the program commits us to in the years to come. When Congress reviews the President's proposals, we suggest it consider the following questions:

"1. With taxes for all government—federal, state and local—now expected to take about one-third of the income of the American people, how many more billions can we afford to put into foreign programs before a point is reached where the tax burden will impair our own productive growth?"

"2. To what extent can loans be made to replace grants in the President's new program for military as well as economic aid? The experience of ECA, the Export-Import Bank and other agencies has shown that foreign aid extended through loans has often produced more effective results than outright gifts and grants.

"3. In view of the fact that the President's new program calls for an expenditure equal to the entire Federal budget for pre-war 1940, is it not high time that Congress established machinery by which it can keep itself and the American people better informed about these foreign outlays? Congress is poorly informed about the results which are being obtained from our huge investment in foreign aid programs or the efficiency with which the large bureaucracy administering the program carries on its work.

"4. Should not the legislation for the new foreign aid program contain definite provisions to end these huge expenditures when the job has been finished? When ECA and the Foreign Military Assistance programs were first

enacted, definite understandings were reached as to the date of their termination, but the new program calls for their extension with military aid greatly expanded."

Boys' Ranch 7th Annual Rodeo Sept. 2-3rd

Donnie is right—the Rodeo will be held Sunday, September 2nd and Labor Day, September 3rd at the Ranch. All the cowhands are telling the glad news, for this is their show, which they have been preparing for all year. Stock for the annual event will be furnished by the Buetler Brothers, nationally known rodeo producers. The Amarillo Range Riders will sponsor the event, as they have been doing each year.

Festivities will get underway each of the two big days at 2:30, but picnicking on the grounds promises two full days of relaxa-

tion for the patrons. Spring water has been piped into the 20 acre park by the boys, and they promise a cottonwood and a patch of grass for each person who brings his lunch, or buys sandwiches and pop on the grounds.

The boys all will vie for the title "Best All-Round Cowboy," and the winner must be a versatile critter. He will have to excel in bronc riding, trick and fancy

roping, steer riding, bull wrestling, and all the other exciting events staged in any rodeo.

Visitors will find easy traveling for the highway officials have promised completion of the highway from Channing, which means paved roads all the way to the Ranch via Channing. It's two heaping full days of entertainment over the Labor Day weekend at the Boys' Ranch Rodeo.

HOUSE JOINT RESOLUTION NO. 2 proposing an amendment to Section 49-b, Article III, Constitution of Texas, so that the total amount of bonds or obligations that may be issued by the Veterans' Land Board is increased to One Hundred Million Dollars (\$100,000,000); providing for the issuance of said bonds and certain conditions relating thereto and the use of the Veterans' Land Fund; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 49-b, Article III, Constitution of Texas, be amended so that the same will hereafter read, as follows:

"Section 49-b. There is hereby created a Board to be known as the Veterans' Land Board, which shall be composed of the Governor, the Attorney General, and the Commissioner of the General Land Office. The Veterans' Land Board may issue not to exceed One Hundred Million Dollars (\$100,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund. Such bonds shall be executed by said Board as an obligation of the State of Texas, in such form, denominations, and upon the terms as are now prescribed by Senate Bill No. 29, Chapter 318 of the Acts of the Fifty-first Legislature (provided, that when the limitation of Twenty-five Million Dollars (\$25,000,000) is used in said Senate Bill No. 29, the same shall hereafter be construed as One Hundred Million Dollars (\$100,000,000), or as said Act may be hereafter amended, or by other laws that the Legislature may hereafter enact; provided, however, that said bonds shall bear a rate

of interest not to exceed three per cent (3%) per annum, and that the same shall be sold for not less than par value and accrued interest.

"In the sale of any such bonds, a preferential right of purchase shall be given to the administrators of the various teacher retirement funds, the Permanent University Funds, and the Permanent School Funds; such bonds to be issued as needed, in the opinion of the Veterans' Land Board.

"The Veterans' Land Fund shall be used by the Board for the sole purpose of purchasing lands suitable for the purpose hereinafter stated, situated in this State, (a) owned by the United States, or any governmental agency thereof; (b) owned by the Texas Prison System, or any other governmental agency of the State of Texas; or (c) owned by any person, firm, or corporation.

"All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of the Veterans' Land Fund.

"The lands of the Veterans' Land Fund shall be sold by the State to Texas Veterans of the present war or wars, commonly known as World War II, and to Texas Veterans of service in the armed forces of the United States of America subsequent to 1945, as may be included within this program by legislative act, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now provided by law, or as may hereafter be provided by law.

"All moneys received and which have been received and which have not been used for repurchase of land as provided herein by the Veterans' Land Board from

the sale of lands and for interest on deferred payments, shall be credited to the Veterans' Land Fund for use in purchasing additional lands to be sold to Texas Veterans of World War II, and to Texas Veterans of service in the armed forces of the United States of America subsequent to 1945, as may be included within this program by legislative act, in like manner as provided for the sale of lands purchased with the proceeds from the sale of the bonds, provided for herein, for a period ending December 1, 1953; provided, however, that so much of such moneys as may be necessary during the period ending December 1, 1953, to pay principal of and interest on the bonds heretofore issued and on bonds hereafter issued by the Veterans' Land Board shall be set aside for that purpose. After December 1, 1953, all moneys received by the Veterans' Land Board from the sale of the lands and interest on deferred payments, or so much thereof as may be necessary, shall be set aside for the retirement of said bonds and to pay interest thereon, and any of such moneys not so needed shall not later than the maturity date of the last maturing bond or bonds be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All bonds issued hereunder shall, after approval by the Attorney General of Texas, registration by the Comptroller of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute obligations of the State under the Constitution of Texas. Of the total One Hundred Million Dollars (\$100,000,000) of bonds herein authorized, the sum of Twenty-five Million Dollars (\$25,000,000) has heretofore been issued; said bonds are hereby in all respects validated and declared to be obligations of the State of Texas. This amendment shall become effective upon its adoption."

SENATE JOINT RESOLUTION NO. 3 proposing an Amendment to Section 48-d of Article III of the Constitution of the State of Texas, authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts so as to provide that the Legislature may authorize an ad valorem tax not to exceed Fifty (50c) Cents on the One Hundred (\$100.00) Dollars valuation.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 48-d of Article III of the Constitution of the State of Texas be amended to read as follows:

"Sec. 48-d. The Legislature shall have the power to provide for the establishment and creation of rural fire prevention districts and to authorize a tax on the ad valorem property situated in said districts not to exceed Fifty (50c) Cents on the One Hundred (\$100.00) Dollars valuation for the support thereof; provided that no tax shall be levied in support of said districts until approved by vote of the people residing therein."

"Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on the second Tuesday in November, 1951, at which election

Constitution and be effective from the date of the determination of such result; and the Governor's proclamation thereof."

all ballots shall have printed thereon (or in counties using voting machines, the said machines shall provide) the following: "FOR the constitutional amendment authorizing the Legislature to provide for the levy of an ad valorem tax not to exceed Fifty (50c) Cents on the One Hundred (\$100.00) Dollars valuation for the creation and establishment of rural fire prevention districts;" and "AGAINST the constitutional amendment authorizing the Legislature to provide for the levy of an ad valorem tax not to exceed Fifty (50c) Cents on the One Hundred (\$100.00) Dollars valuation for the creation and establishment of rural fire prevention districts."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment; and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

HOUSE JOINT RESOLUTION NO. 37 proposing an Amendment to Article VII of the Constitution of the State of Texas by adding a new section after Section 11 thereof to be designated as Section 11a, providing for the investment of the Per-

manent University Fund in additional securities to those now enumerated in Section 11 of Article VII of the Constitution of the State of Texas; providing for the necessary proclamation and publication, and calling of an election therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article VII of the Constitution of the State of Texas shall be amended by adding after Section 11 thereof a new section to be designated Section 11a, which shall read as follows:

"Section 11a. In addition to the bonds now enumerated in Section 11 of Article VII of the Constitution of the State of Texas, the Permanent University Fund may be invested in such other securities, including bonds, preferred stocks and common stocks, as the Board of Regents of the University of Texas may deem to be proper investment for said fund; provided, however, that not more than fifty per cent (50%) of the said fund shall be invested at any given time in stocks, nor shall more than one per cent (1%) of the said fund be invested in securities issued by any one (1) corporation, nor shall more than five per cent (5%) of the voting stock of any one (1) corporation be owned; and provided further that stocks eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid dividends for ten (10) consecutive years or longer immediately prior to the date of purchase and which, except for bank

stocks and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission or its successors. This amendment shall be self-enacting."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on the second Tuesday in November, 1951, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amendment providing for the investment of the Permanent University Fund in additional securities to those now enumerated in Section 11 of Article VII of the Constitution;" and

"AGAINST the Constitutional Amendment providing for the investment of the Permanent University Fund in additional securities to those now enumerated in Section 11 of Article VII of the Constitution."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State. The expense of publication and election for such Amendment shall be paid out of the proper appropriation made by law.

Effective September 1st 1951, a new law regarding the 1.1% auto sales tax. This law is made to be very complicated on any and all transactions on automobiles. The sales tax affidavit, as has been the law for the purchaser to sign, must be signed both by the purchaser and the seller regarding the sale price and the amount of tax to be paid, if the joint affidavit is in-correct the seller of said vehicle is subject to fine.

There will be a \$5.00 tax on all even trades, whereas the present law does not require tax to be paid on an even trade.

There will be a \$10.00 tax on a bona fide gift, the present law does not require tax to be paid, on Bona Fide gifts.

On any and all out of state vehicles purchased and brought into Texas to be licensed, the purchaser must present either a Title or manufacturer's certificate. Some states do not have the Title law or do not have the manufacturer's certificate. In this case the auto must be licensed in the state purchased, and then will be licensed in Texas.

We suggest that you contact your county tax collector or any reliable source before making purchase of automobile.

You can Beat the Bushes - but you can't Beat this

If you want to know why shrewd car shoppers are saying "Smart Buy's Buick," take a look at this. It's the new Buick SPECIAL 2-door, 6-passenger Sedan—and it's roomier than most 4-door sedans, higher-powered than many costlier cars—and priced, as you'll discover, right down near the lowest. Now, we ask you: where can you beat it for the money? Can you beat this beauty on looks and style and rich bearing in any other car near its price? Can you match, at the same money, the big power of its valve-in-head Fireball Engine (128 hp with Dynaflo Drive*)—or the big miles-per-gallon figure it delivers with such thrills? Can you equal this traveler's roominess in any other car of comparable cost—get full-size headroom, legroom and hip-room both front and rear in any other 2-door automobile? Can you come even near the gentle levelness of its ride and the solid steadiness of its going—have coil springs on all four wheels and a torque-tube keel beneath you—except in another Buick? And where can you top the restful ease and luxurious smoothness of this sweet-heart's Dynaflo Drive* in any other automobile at any price? The answers, from a lot of certain-sure folks, sum up to a great big, "YOU CAN'T!" But why take anyone else's word for it? Come in and get your own answers. Look over this bed-rock-priced Buick—compare it with any other automobile at the same money—and you'll agree you can't beat this smartest of buys.
