### BULLETS BRING PEACE TO EGYPT

ISMAILIA—Peace descends at last on Egypt. But it is the peace of death. For the slain number anywhere from scores to hundreds as British troops put down short-lived rebellion and a new premier, Aly Maher Pasha, takes over. Here English Tommies guard a long line of dead in an Ismailia courtyard.

## What Do You Want?

\*\*\* \*\* \* \*\* \*  
"What do YOU want", Bob Moss, President of the Clarendon Chamber of Commerce said this week, "will be the theme of the 'community clinic' to be held here on February 22nd."  
"We know that each citizen has definite and good ideas for the advancement of our community. We ask you to attend the 'community clinic' and tell us what YOU, as an individual, regardless of whether you are a member of the Chamber of Commerce, want to see accomplished in Clarendon during 1952," Moss added.  
In conducting this 'community clinic' the local Chamber will be assisted by members of the staff of the West Texas Chamber of Commerce from Abilene. The

'community clinic' plan to determine what the people want done has been successfully carried out in several West Texas towns. It has enabled the local Chambers to find out the wants, desires and needs of the people and the community and thereby form a practicable, suitable and workable "program of work", or blue-print, for Chamber of Commerce operation.  
"Everything that we want done may not be possible but when the people of a community form a definite, concise picture of what their community needs and start working towards a specified goal, unified in their actions, it is surprising what will be accomplished," Moss said.

### Pheasant-Shoot To Be Held Sunday February 10th

Due to bad weather last Sunday another Pheasant-Shoot will be held this coming Sunday, February 10, at the trap range of the Clarendon Country Club, commencing at 1:00 P. M.  
As before mentioned, it has been decided by the shooting committee that the cost of the shooting fee will be lowered so that more may participate.  
Pheasants, hams, bacon, and shelled pecans will be given as

prizes. Two pheasants are given as one prize. Also two sides of bacon will be given as prizes to the winners of the cover-up teams shooting in pairs.  
The previous shoots have been quite successful, and have been enjoyed by both participants and spectators. Come and watch the shooting whether you participate or not.  
You can pick your own group to shoot with, and thus you don't have to shoot against the better shots unless you so choose; or you can make up your own group if you so like.

### NAME LAWYER TO 'CLEAN UP' GOVERNMENT

WASHINGTON—U. S. Attorney General Howard McGrath (left) and the man who has been appointed to investigate McGrath's Justice Dept. in a "clean-up" drive on government corruption, come face to face in national capital. The special investigator is Newbold Morris, Republican lawyer and former New York city council president.

### Services Today For Long-Time Resident

Funeral services have been set for 2:30 o'clock this afternoon at the First Baptist Church for Marcus Coleman Raney with Rev. Hal Upchurch and Rev. J. Perry King officiating.  
Mr. Raney, age 65, passed away at his home here about 5:30 Wednesday morning following a short illness. He had been a resident of Donley County since 1908, and at the time of his death was manager of the Phillips 66 station across the street from Stewart Clinic. He was a member of the First Baptist Church and the I. O. O. F. Lodge. Prior to moving to town a few years ago, Mr. Raney lived in the Hudgins community where he farmed.

Survivors include his wife, Mrs. Alice A. Raney; one daughter, Mrs. J. N. Weaver of Dumas, one son, W. W. Raney of Clarendon, two grand daughters, Miss Ruth Raney of Clarendon and Mrs. Glenn Robertson of Amarillo, and three great grandchildren. Also three brothers, O. C. Raney of Spearman, Carl Raney of Waxahachie and John Raney of Dallas; three sisters, Mrs. Ollie Satterwhite, Hobart, Okla., Mrs. W. S. Rexroad, Lockney and Mrs. A. B. Bryant of Long Beach, Calif.

Active Pallbearers will be Robert Moffett, William J. Lowe, James T. Mitchell, U. Z. Patterson, Pat Slavin and Pete Kunz. Among the honorary pallbearers will be members of the men's Bible Class of the First Baptist Church.

Burial will be in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements.

### "Community Clinic" Special Committee Appointments Made

Appointments were announced this week of members to the special committee that will assist in conducting the six separate sessions, or round-table discussions, now scheduled to be held during the 'community clinic' being sponsored by the Clarendon Chamber of Commerce on February 22nd. Meetings by the various groups will commence at ten o'clock in the morning and will be spaced throughout the day so as to make it convenient for all to attend.

Tentative arrangements are being made for meetings to be attended by the following groups: (1) Women, (2) Teachers and Professional People, (3) Retail People, (4) Ranchers and Farmers, (5) Students and (6) Services and Trades People.

Appointments announced to the special committee are Miss Ruth Richerson, H. M. "Flip" Breedlove, C. B. "Cap" Morris, Willard Skelton, W. W. Sandifer, George Thompson, R. E. Drennan, Frank Phelan, Jr., Lee Bell, Mrs. R. C. Bryan, George Schollenberger, Noel T. Cudd and J. W. Murphy.

### Stockholders Meeting Of Country Club

The annual stockholders meeting of the Clarendon Country Club will be held next Tuesday, February 12, at the Country Club at 8 p. m.

At such time there will be three new directors elected to the Board of Directors to fill the vacancies of three outgoing directors. The newly elected directors will hold office for three years.

After the stockholders meeting, Bingo will be played as has been the custom to do in the past.

The Board of Directors is urging each stockholder and their family to be present at this meeting.

Mrs. Doss Palmer and Mrs. Pauline Watters were Memphis visitors Monday.

### Bulldogs To Face Amarillo Badgers Here Friday Night

The Basketball highlight of the year will be in the Clarendon College Gym, Friday night. The Bulldogs face their toughest opponent as they lock horns with the Amarillo Badgers. The Badgers won over the Bulldogs thrice last year.

Bob Patterson, of Amarillo, has a game average of 16.7. Jim Burris, one of the tallest men in the conference, stands at 6' 6". He has a reputation of being tough.

The Bulldogs are looking forward to this game and they seem to be ready and rearing to go. Clarendon tucks her tail between her legs when the word tall is mentioned but they do have one of the top scorers of the conference. Jerry English has scored 272 points and has an average of 17 points per game.

The school is expecting a record crowd to witness this game. Come early if you want a good seat. YOU WON'T BE SORRY YOU SAW THIS GAME.

### Above Average Here Pay Poll Tax

When the lights were turned out in the tax office last Thursday night, a total of 1,866 poll tax receipts had been issued and 58 exemptions issued, giving a grand total of 1,924. This is the highest total for regular election year in many years and it is a good indication that more people are beginning to take more interest and intend to vote this year.

Tax officials reported steady business all day Thursday with thirty-eight receipts being issued Thursday night. Two were issued after eleven o'clock.

The tax office started another rush period when car tags went on sale Friday. Eighty-four tags have been issued to date. Car owners are reminded again to bring along their title and last year's registration receipt as both are necessary to receive your new license plates.

### GIRL SCOUTS TO HOLD CEREMONY THURSDAY EVE

An Investiture Ceremony for Girl Scouts in Mrs. Mitchell's Troop will be held Thursday evening at 7:30 at the First Christian Church. Speaker for the occasion will be Mrs. E. P. Shelton. All girls of the troop have passed their Tenderfoot tests and membership cards and the Tenderfoot pens will be awarded each girl in this Ceremony.

The public is invited to attend.

### ATTEND FUNERAL SERVICES AT PAMPA

Mrs. Forrest McCrary and Mrs. W. H. Cooke III attended funeral services in Pampa Saturday for Mrs. Charles S. West. Mrs. West was a former Clarendon resident, and while making her home here operated the Eddings Apartment house, now the Piercy Apartments. Her death was due to a heart attack.

### FIRE DESTROYS TRUCK AND GARAGE WED. MORNING

Fire, which was believed to have started from a chicken brooder, destroyed an almost new tank truck and double garage at the A. H. Moore home early Wednesday morning, along with Mr. Moore's prospective spring fryers. Fire had already spread to the truck before the fire department arrived on the scene. The loss was estimated at several hundred dollars.

### Grand Jury Returns 13 Indictments

The Grand Jury which was in session here last Thursday returned thirteen indictments. Twelve were felonies and one was a misdemeanor bill. Six of the felony bills were for forgery, four were for burglary and two were for car theft. All of those indicted except one are in the local jail awaiting trial.

## Meeting Called For Feb. 13 At Court House To Discuss Growing of Castor Beans

### H. M. Reids Celebrate Fiftieth Wedding Anniversary

The children of Mr. and Mrs. H. M. Reid honored them Sunday, February 3rd, with an Open House, at 209 West Fifth in Clarendon celebrating their fiftieth wedding anniversary.

All of their children, thirteen grandchildren and three great-grandchildren, helped celebrate.

Horace Martin Reid and Bertha Blaine Lawson were married February 2, 1902, in Bradley County, Tenn. They moved to Donley County, Texas, October 17, 1907 and resided on a farm in the Chamberlain community for forty-one years. The last few years they have lived in Clarendon. They have reared four sons and three daughters.

The sons are Lloyd of Goodnight, Frank of Clarendon, Fred of Plainview and Vernon of Bula, Texas. The daughters are Mrs. J. A. Huffstutler, San Bernardino, Calif., Mrs. J. L. Aduddell, Bula, Texas, and Mrs. J. B. Duckett of Plainview, Texas.

The couple have seventeen grandchildren, and seven great-grandchildren. Through the afternoon, guests registered.

Among the out of town guests attending were Walter Lawson, Mr. and Mrs. Liston Norman, Jean and Ray of Cleveland, Tenn.; Mr. and Mrs. J. A. Huffstutler and John, Mr. and Mrs. Roy Ringness of San Bernardino, Calif.; Mrs. Nettie Graves, of Newgull, Texas; Mrs. B. L. Blackman of Bula, Texas; Mr. and Mrs. Tom Lewis and son of Dimmitt; Mr. and Mrs. J. B. Estes of Memphis; Miss Mildred Long, Mr. and Mrs. U. J. Boston and Mrs. Edd Edmondson of Amarillo; Mrs. L. M. Watson, Marie and Jimmy of McLean.

### Driller Receives Severe Arm Injury In Accident

C. O. Ross, day driller on Rig No. 4, one of the wildcat wells being drilled on the JA Ranch, received a serious arm injury Sunday afternoon while the rig was being moved to a new location. Definite details of the accident were not available but it was reported that Mr. Ross' arm was to be amputated below the elbow late yesterday or today. Mr. Ross has been a resident here for several months, moving here from Louisiana. He is receiving treatment in Northwest Texas hospital in Amarillo.

### FLU CAUSES LOSS OF OVER 500 SCHOOL DAYS LAST WEEK

The highest, and what is hoped to be the peak, of school absences was recorded here the past week with a total of 502½ days being lost by students due mostly to the flu epidemic. This was an increase of 53½ days over the previous week. The cost to the local school system was \$452.25. The total absences for the lower grades was 360½ days and the senior high total was 142 days.

Mr. and Mrs. John Sullivan of Amarillo were guests Sunday in the home of their daughter and family, Bro. and Mrs. James T. Mitchell and son.

Mr. and Mrs. Ray Opelia and Nita Sue visited the week end with her parents, Mr. and Mrs. Willis Smith at Leslie.

Mr. and Mrs. Swearingen who have been rooming with Mrs. N. L. Jones for several months left last Saturday for New Mex.

### SERVICES HELD AT LEFORS FOR FORMER YOUTH

Services in tribute to the memory of Pvt. Charles H. Shoffit, Korean war casualty, were conducted Monday afternoon at the Lefors Methodist Church.

Pvt. Shoffit, 19 years old, died in action in Korea on Sept. 27 of last year. He was serving with the Second Division on "Heartbreak Ridge." He was born in Clarendon but lived most of his life in Lefors.

Among survivors here are his grandfather, Mr. G. W. Shoffit, and an uncle, Mr. O. F. Russell. His parents, two brothers and a sister, also survive.

Burial was in Fairview Cemetery, Pampa, with military honors.

### GUY JONES TO MANAGE EDWARDS DRUG HERE

Wes Edwards of Amarillo has purchased the drug business located first door south of the Donley County State Bank and will be open for business this week end. Guy Jones, a resident of Clarendon and this area for the past 31 years, will manage and operate the business. "We plan to be open for business Saturday morning but will make our formal announcement in next week's issue of the Leader", Mr. Jones stated.

## Donley Co. Jerseys Win Top Honors At Fort Worth And Houston

Entries from the J. R. Gillham Dairy Herd won top honors in both the Fort Worth and Houston Fat Stock Shows and Expositions during the past week. Gillham's aged Jersey bull, Aim's Noble Prince was selected as grand champion bull at both shows. Other top honors won at both shows was first place two year old bull, first senior yearling bull, and first junior get at both shows. In addition to these winnings each of the other Gillham entries placed in the money at both of the shows. Top herds from throughout the entire United States exhibited animals at the show with herds all of the way from New York to Califor-

nia competing. Beth Gillham won top honors in the Holstein division of the Club show and also won high placings in the Junior division of the Jersey show at Fort Worth. The Gillham herd has been shown over most of the nation and has continued to win high honors where shown.

Mr. and Mrs. T. G. Wiley were in Amarillo Sunday where Mr. Wiley attended a Basketball Officials meeting.

Mr. and Mrs. Dub Tyler and Barry visited in Memphis and Childress Monday.

Breedlove is urging that every one interested in the growing of castor beans as a cash crop to attend this meeting and bring all of your neighbors. Planting seed will also be discussed.

Castor oil is fast becoming a needed product in the armed forces and castor beans have a definite place as a cash crop for Donley County farmers. Breedlove says that information from the Experiment stations indicate that we should be able to grow castor beans in large quantities in this county. Castor beans are like any other crop—the better the land, then of course the better the beans. The two varieties that are best adapted to this area are the Connor variety and the Cimmaron.

### TEARFUL REUNION FOR VET, MOM

OAKLAND, Cal.—Tears of mother and son mingle on an Oakland dock as Marine Sgt. King Long, veteran of Korea war, meets his mother, of Tully, N. Y., on return from front by way of Oak Knoll Naval Hospital. Long lost both legs in fighting.

**Donley County  
Soil Conservation  
District News**

Seeding of Sand Love Grass has gotten off to a much earlier start this year than usual.

Experience has shown that better stands can be obtained from some of the hard-seeded grass seeds like Sand Love if they are planted in the winter. Apparently the freezing temperatures crack the hard seed and allow them to germinate the first year.

Some of the farmers who have already used District owned grass drills to seed Sand Love Grass or a mixture of Sand Love and Indian Grass this winter are as follows:

Slaton Mahaffey, near Ashtola, seeded about 50 acres.

About 10 acres was planted by J. N. Riley, northeast of Clarendon.

A seeding of more than 100 acres was made by Clyde Slavin on his place northwest of Hedley.

Another large planting of a-

## 1926 BOOK CLUB

The 1926 Book Club met Tuesday afternoon at Patching Club House. Hostesses were Mrs. Lee Holland and Mrs. Gordon Bain.

The program for the afternoon was presented by Mrs. Loyd Johnson who reviewed "The High Calling" by James Street.

Guests present were Mesdames Harold Longan, J. H. Headrick, Bill Todd and Miss Evelyn Gordon. Members attending were Mesdames Frank White, Jr., Marguerite Goodner, L. N. Cox, Thelma Darden, C. W. Bennett, Wm. J. Lewis, Jr., Homer Bones, Rayburn Smith, C. B. Morris, Clyde Hudson, W. E. Clifford, James Ross, W. C. Thornberry, Alvin Landers, John Gillham, Loyd Johnson also Lucile Polk, Loyd Richardson, and the hostesses, Mrs. Lee Holland and Mrs. Gordon Bain.

## GIRL SCOUTS

Mrs. Longan's troop of Girl Scouts met at the Canteen Monday afternoon. A short business meeting was held. Final plans were made for the Valentine party, February 14. Books were distributed and parts given out on the play being worked up by the girls.

After refreshments were served and the clean-up, the group adjourned.

## BIRTHDAY DINNER

Mr. and Mrs. Arlie Wood and children entertained with a dinner Sunday honoring his mother, Mrs. L. L. Wood on her birthday. Those present were Mr. and Mrs. L. L. Wood, Mr. and Mrs. Lewis Wood and family of Amarillo and the hosts, Mr. and Mrs. Arlie Wood and family.

Mrs. Clyde Butler spent last week in Borger where she visited in the homes of her children.

## BIRTHDAY CLUB

The Birthday Club met Friday in the home of Mrs. L. L. Wood honoring Mrs. Wood and Mrs. Forrest McCrary on their birthdays. A covered dish luncheon was served at the noon hour. After the gifts were opened, visiting was the program of the afternoon.

Guests present were Mesdames Blanche Gray, Dorothy Faye Thomas, Arlie Wood and son Ronnie, and Miss Della Wood. Members present were Mesdames Warner, Carrie Johnson, Mrs. L. L. Wood and Mrs. Forrest McCrary.

Those sending gifts but unable to attend were Lola Barns, Marjorie Harlan, Stella Spurgeon, and Ola Bradshaw.

## CELEBRATES BIRTHDAY

Mrs. C. G. Knox of Lelia Lake celebrated her 74th birthday recently at her home. All of her eight living children were present for the occasion. Those present were Mr. and Mrs. Van Knox and Patsy of Ashtola, Mr. and Mrs. Willard Knox, Mr. and Mrs. Ferrel Floyd, Eddie and Mollie, Mr. and Mrs. B. P. Howard, Judy and Betty, all of Lelia Lake; Mr. and Mrs. J. P. Reynolds and Charlsie of Clovis, N. Mex.; Mr. and Mrs. Hugh Knox, Phillis, Donnie and Alice of Vega, Texas; Mr. and Mrs. Cecil Dodson, Darrel, Wilburn, Bobbie and Billie and Roy Billingsley of Amarillo, Texas; Mr. and Mrs. L. P. Moore and Terry and Miss Ethel Harvey of Clarendon.

Bro. and Mrs. Elwin Lane and daughters, Ginger and Vickie, of Comanche, Texas were guests Sunday and Sunday night in the home of Mr. and Mrs. W. M. Cross and children.

**REGAL EAGLE**—Goody Henkel's majestic-looking fine-feathered friend is her pet eagle "Hawkshaw." When Goody came to Sestrirre, a plush ski resort in the Italian Alps, she brought "Hawkshaw" along. She lets him go for a constitutional once in a while, but back he comes when she yodels.

## AMARILLO SORORITY ENTERTAINS

Lambda Theta Chapter of Beta Sigma Phi, Amarillo, entertained on Sunday, January 27th with an "Open House" at Federated Club Rooms, in Clarendon.

Included in the program was a short talk by Miss Catherine Rodgers, Director of Lambda Theta Chapter, on "Presenting Beta Sigma Phi." Miss Rodgers told of Girls Town, Whiteface, Texas as the State Project and the International Project, the Cancer Research Foundation, which is supported by every country where the 80,000,000 Beta Sigma Phi's have formed chapters.

The refreshment table was laid with a linen cloth of delicate cutwork, and centered with yellow roses in a silver operge flanked by yellow tapers in silver candelabra. Serving at the Tea Tray was Mrs. Leon Hill of Amarillo.

Hostesses included Mrs. Emmett Davis, Mrs. C. E. Sampson, Mrs. Ray Jeffrey, all of Ama-

riilo, and Mrs. Frank Phelan Jr. of Clarendon.

## LELIA LAKE WSCS

The Lelia Lake W.S.C.S. met at the church Sunday night at seven o'clock. The meeting was called to order by the president, Mrs. J. L. Butler. It was decided to meet on the 2nd and 4th Sunday nights at seven o'clock.

Mrs. Butler was in charge of the program. The lesson was taken from the "Book of Acts" with responsive readings, "Comfort Ye My People." The World is a Tender Bon' and who are the Missionaries? read by the group. Mrs. Butler read several "topics" on the lesson which was very interesting.

The group was dismissed by saying a prayer in unison.

## PRESBYTERIAN WOMEN TO MEET

Women of the Presbyterian Church will hold their Circle meeting Wednesday afternoon, February 13, at 3:15 p. m. in the home of Mrs. Nova McClure.

## GOLDSTON QUILTING CLUB

The Goldston Quilting Club met with Geraldine Jackson Thursday, Jan. 31. Two quilts were almost finished.

Those present were Sarah Peggray, Katie Scoggins, Mazie Eichelberger, Gayle and Lary Stewart, Blanche Gray, Joy Roberson, Madeline Philly and Kay Daphine Sullivan, Connie Talley, Nina Dale, May Pearl McDonald, Nora Jackson and hostess. Visitors, Mrs. Frank Reid of Clarendon and Mrs. Nath Helton and Mike of Groom.

Those to receive Pollyannas were Nora Smith, May Pearl McDonald and Mazie Eichelberger. The next quilting will be Feb. 7 with Daphine Sullivan as hostess. It will be at the community house. On Feb. 14th Nora Jackson will have a Valentine party for the club in her home.

—Reporter

## LES BEAUX ARTS CLUB

Les Beaux Arts Club met in the home of Mrs. Frank Phelan, Jr. on Feb. 1st. "Famous Homes of the Eastern United States" was given by Mrs. C. C. Powell with pictures to illustrate her talk. Mrs. Walter Taylor illustrated her talk on Famous Gardens of the South with color pictures. A guest, Mrs. Joe Goldston showed her collection of slides of Gardens and Flowers of Clarendon and of Southwest Gardens. She also showed Mrs. Pete Kunz collection of Famous Garden Slides. This program inspired each person to make plans for the beautification of her own home and of her community.

## BIRTHDAY PARTY

Mrs. C. M. Bennett entertained with a party Friday afternoon honoring her daughter, Helen Faye, on her second birthday. The children played with balloons throughout the afternoon.

After opening her gifts, Helen Faye blew out the candles on her cake. Refreshments of cake and ice cream were served to twelve youngsters and 8 mothers.

Mr. and Mrs. Bert Bost and Bob of Skellytown and Mr. and Mrs. D. T. Smallwood of Brice were guests Sunday in the home of Mr. and Mrs. M. L. Pittman.

## BIRTHDAY DINNER

Mrs. W. M. Pickering entertained with a birthday dinner Sunday honoring her husband, W. M. Pickering, whose birthday was Saturday. Guests present were Mr. and Mrs. Edwin Eanes, Dr. E. L. Jenkins, Mr. and Mrs. A. O. Heffner and the hostess and honoree, Mr. and Mrs. W. M. Pickering.

Mr. and Mrs. Harold McKee of Borger visited Sunday with his parents, Mr. and Mrs. Geo. McKee.

Mr. and Mrs. G. R. Grant had as visitors last Sunday W. A. Grant of Amarillo, Mr. and Mrs. Clyde Hudson of Goodnight, Mr. and Mrs. Clinton Srygley of Memphis.

Mrs. Arthur Chase who has been in the hospital at Amarillo for several days, returned home last week end.

Mr. and Mrs. Earl Butler and son of Borger visited in the home of his parents, Mr. and Mrs. Clyde Butler Sunday.

Katherine and Jeff Cowan of Borger are spending this week with their grandparents, Mr. and Mrs. Clyde Butler.

Friends will be glad to know that Mrs. Joe Terry is showing some improvement after being on the sick list.

Mr. and Mrs. L. N. Pittman, Roy Nyal and Billy of Amarillo visited in the home of his parents, Mr. and Mrs. M. L. Pittman Sunday.

Judge and Mrs. W. J. Williams were in Belton the 28th of January to attend the funeral of her sister, Mrs. S. L. Mayo, widow of the late Dr. S. L. Mayo.

Mr. and Mrs. Hosa Ellis and three daughters of Salida, Colo. visited his aunt and uncle, Mr. and Mrs. J. H. Helton Sunday.

Mrs. Grady Tyler, Mrs. A. J. Emmons and Mrs. Ermine Blair visited in Memphis Monday.

Donley County Leader, \$2.50 year

**Local Men Attend Rain Making Meeting**

Cap Morris, Jimmy Faulkner and Lee Shallor attended a meeting in Hollis, Oklahoma, January 31st at which Mr. Ford Hubbard explained the formation of "rain-making districts". Mr. Hubbard, who is from Houston, also explained the process of saturating moisture bearing clouds with silver iodide. "We can't make rain, we can only cause more rain to fall from moisture-bearing clouds over a given area, provided nature produces the clouds."

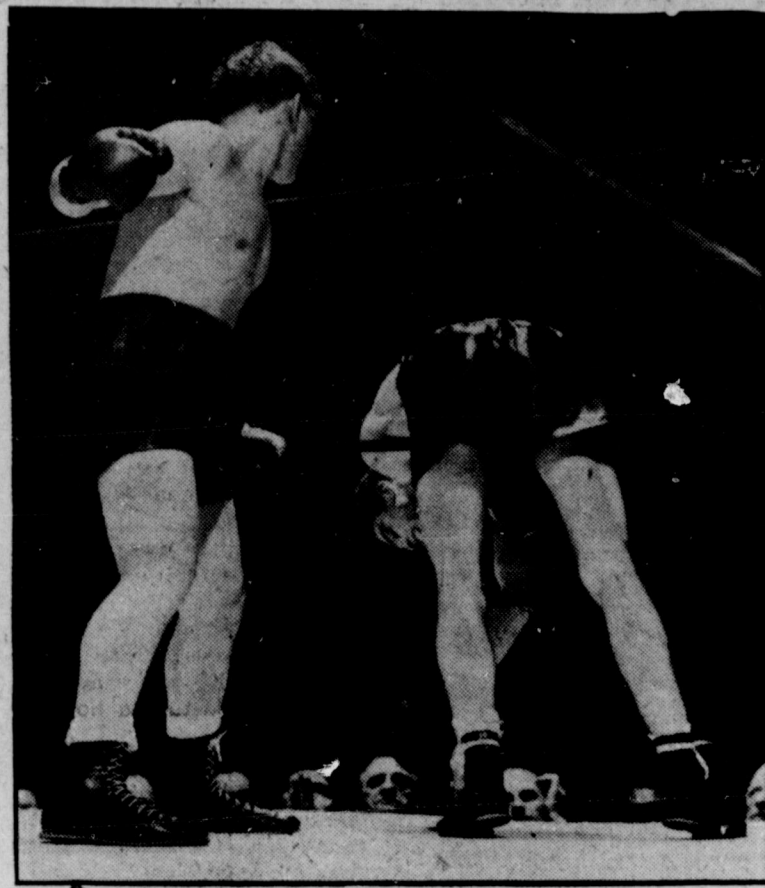

Mr. Hubbard is the Texas associate of Dr. Irving P. Krick, Meteorologist of Denver, Colorado. Dr. Krick's group has been engaged in their experiments in the Guymon, Oklahoma area for about the past eight months. The T K O association has renewed their contract for another year, based upon the contention by a lot of the participating farmers that rains have been increased, fall in a more gentler and less erosive manner and were instrumental in 1951 of increasing milo yields from USDA average of 19.5 bushels to about 35 bushels per acre.

Plans are underway to have a meeting in Clarendon in the near future so that the farmers and ranchers of this immediate area will be able to hear these reports first-hand.

Dr. Krick will be at a meeting in Mangrum, Oklahoma, on February 14th, at 2 p. m.

Mr. and Mrs. Tom Stotts of Enid, Okla. have visited the past week in the home of Mrs. E. W. Tyler and Miss Alice Tyler.

Biffie Blair and Dale Bradley were Shamrock visitors Sunday.

"DON'T YOU DARE!"—Roger Donahue of Yonkers, N. Y., seems to brace himself for a boost over the ropes as Johnny De Fazio cocks a menacing right hand during their eight-round fight at Madison Square Garden in New York. De Fazio, of Bayonne, N. J., won the decision.

**Former GI Bill Veteran-Trainees Must Act Soon**

Former GI Bill veteran-trainees who returned to active military duty were reminded today by the Veterans Administration that they have little time to lose, in case they want to resume their GI studies after discharge.

Under VA regulations, they must resume their training with-

in a reasonable period after their release from active duty. That "reasonable period," VA said, will be based on the circumstances of each veteran's case, and will depend on the kind of training he is taking and a number of other factors.

These regulations apply to veterans affected by the July 25, 1951, cut-off date for entering training, who had previously been in training under the GI Bill, but who were unable to be enrolled at that time because of re-entrance into military service. Veterans were advised to make their training plans early, rather than wait for the last minute. This way, VA said, they may avoid the disappointment of missing out altogether.

VA also reminded veterans of three requirements that must be met in order to take post-cut-off date training after military service:

1. Conduct and progress of their previous GI Bill courses must have been satisfactory.
2. The amount of training they may get after discharge will be limited by their remaining GI Bill entitlement.
3. And their courses may not extend beyond the wind-up of the GI Bill program on July 25, 1958.

According to the law, the July, 1951, cut-off date applied to World War II veterans discharged before July 25, 1947. For those few discharged afterwards, the cut-off date is four years from their date of discharge.

Mr. and Mrs. Gordon Lee of Claude visited in the home of Mrs. E. W. Tyler and Miss Alice Tyler Friday.

**SOCIAL SECURITY NEWS**

Regularly employed farm workers, and household employees who came under Social Security last year need social security account number cards, according to John R. Sanderson, manager of the Amarillo Social Security Office.

"If the worker does not have an account number, or has lost his original card," Sanderson says, "he should get one from our office."

Sanderson points out that farm and household workers who became covered under Social Security now earn Old-Age and Survivors Insurance benefits along with other workers in business and industry. "Benefits are based on wages and the worker needs to get credit for every dollar he earns up to \$3600 in a calendar year. So that he may obtain proper credit for his wages, the worker should show his social security account number card to his employer the first day he goes to work," Sanderson concluded.

A representative from the Amarillo Social Security Office will be in Clarendon at the DPW office on Tuesday, February 12, at 9:00 A. M.

We never criticize a kicker who kicks toward the goal.

## "Working-est" Tractor on the Ranch

That's what owners say about the Allis-Chalmers WD. From plowing with three 14-inch bottoms, to harvesting with Two-Clutch Control, here's real work-handling power with both convenience and economy on light and heavy jobs.

Power and speed are combined in the WD, plus all these features found in no other tractor in this power class:

**HYDRAULIC TRACTION BOOSTER** automatically adds weight to the rear wheels when drawbar load is increased.

**POWER-SHIFT** wheel spacing adjusts rear wheel width with economy.

**TWO-CLUTCH CONTROL** includes an auxiliary hand clutch that stops forward motion of the tractor without interrupting power to power take-off or hydraulic system.

Let us show you this tractor at work. Stop in, phone or write.

Working speeds: 2 1/2 to 9 mph.  
at 1400 engine rpm.  
31.66 hp. at drawbar  
35.80 hp. at belt

### WOMEN DOING EFFICIENT WORK IN AIR FORCE WEATHER SERVICE

These young women are graduates of the Air Force's Basic Weather Service Course given at Chanute Air Force Base, Rantoul, Ill. They are members of a global weather service which provides meteorological information to the Air Force and Army. Prior to 1942 weather units were composed entirely of male personnel. Today at one out of every four base weather stations WAF personnel are on duty as forecasters or observers. Other WAF are assigned to Air Weather Service Headquarters, Andrews Air Force Base, Maryland, and to the Joint Air Force-Weather Bureau Data Control Unit at New Orleans, La. Of the career fields outlined for personnel of the Air Weather Service, 77 percent are now open to women. Selected graduates of the basic weather course are given advanced training at one of 12 service schools or civilian colleges. Officers with particular qualifications may attend meteorological courses at civilian colleges and universities.

Pfc. Ann Roach (left) of Kernville, Cal., trains the sights of a theodolite on the pilot balloon held ready to be released by Sgt. Shirley Milisee (right) of Masontown, W. Va. Tracking the movements of the pilot balloon enables the theodolite operator to determine the wind velocity and direction.

### Southern District Executive Committee Of Boy Scouts Meet At Wellington

The first meeting of the Southern District Executive Committee was held at Jay's Drive Inn, Wellington, Texas, last Thursday night, 31 January, to organize for the year, and lay plans for operation. D. E. Scott, District Chairman, of Wellington, presided.

In attendance were the Chairmen of five of the six Operating Committees, the District Commissioner, Eli Smith of Shamrock, District Executive, John H. Pound, and Adobe Walls Council Scout Executive, Paul L. Beisen-er. Chairmen of the Operating Committees for the Southern District, Adobe Walls Council, for 1952 are: Guy Wright, Clarendon, Advancement Chairman; Jimmy Faulkner, Clarendon, Finance Chairman; Dr. Tom R. Hunter, Wellington, Health & Safety Chairman; Henry Sullivan, Wellington, Camping & Activities Chairman; Gerald Mayfield, Shamrock, Leadership Training Chairman; and Grainger McIlhenny, Wheeler, Organization & Extension Chairman.

Discussions were held concerning the job of each of the six Operating Committees, the manpower needed on each Committee

to make the Program of Scouting effective in the lives of the boys of the District, the present condition of the District, and tentative plans for activities of Committee for 1952.

The Executive Committee set the date for their regular meeting as the last Thursday of each month, and decided that the next meeting would be a meeting of the whole District Committee, to be held in Wellington, Thursday, 28 February.

Mr. and Mrs. Junior Preacher of Odessa and Mr. and Mrs. K. C. Woolsey and family of Amarillo visited thru the week end in the home of Mr. and Mrs. Bill Preacher and children.

Mrs. Ray Burns and two children of Austin, former Clarendon residents, visited in the home of Mr. and Mrs. G. W. Bradshaw and family last week.

Donley County Leader, \$2.50 year

### The Proposed New Immigration Law

By Cong. Walter Rogers

You may expect to hear a lot about how the proposed new immigration revision will put a stop to the infiltration into this country of many aliens. Such a purpose is noble and has my full support, but do not blind yourself to the fact that many injustices can be done the citizens of this country under the guise of a noble purpose. The immigration laws should have been changed a long time ago to put a stop to the illegal entry of many aliens. This proposed law will solve that problem to a certain extent, but it still has some bugs in it. For instance, there was quite a battle in the committee to change one of the provisions of the law that could have presumed farmers and ranchers in our section of the country into the penitentiary. This provision was changed in committee whereby the particular offense referred to was reduced from a felony to a misdemeanor, but the bad part of the

provision was not changed. If the law passes as it is now written, you farmers and ranchers that use Mexican labor can expect the sanctity of your homes and farms to be invaded by federal agents armed with administrative—not judicial—warrants issued by some bureaucrats, rather than a judge. If these bureaucrats find some alien on your place about whom you know nothing, the burden of proving your innocence will be on you rather than upon the government. You should give it lots of thought; its administration could be dangerous.

M/Sgt. R. A. Beverly of Camp Wolters, Mineral Wells, spent the week end with his parents, Mr. and Mrs. Roy Beverly. Mrs. T. W. Bell and Jack of Turkey visited in the Beverly home Sunday.

Mr. and Mrs. J. E. Kelly of Fort Worth visited over the week end with Mr. and Mrs. D. C. Peden of Goodnight. They were accompanied home by Mrs. Peden who will visit with her sister who has undergone major surgery recently.

## CHRYSLER V-8 ENGINE!

**HEART OF FIREPOWER!**  
This hemispheric combustion chamber, with large, well-cooled valves right in the dome, is the basic reason FirePower outperforms all previous engines, even on non-premium fuel!

Whether you plan to buy a Chrysler or not, we cordially invite you to drive this revolutionary Chrysler FirePower V-8 engine. Only FirePower performance can possibly tell you what it is like. We want you to have that experience. The FirePower engine is a basic new design so advanced it can meet rising performance needs for years to come. Today it delivers 180 horsepower, even on non-premium fuel, and when desirable with

simple changes in manifold, compression, and carburetion the horsepower can be raised to 250... or over 300, as in the experimental Chrysler K-310 car. Naturally, others will imitate this Chrysler achievement, at least in part. We honestly believe that the FirePower engine will outperform any other car in America... and we invite you to learn the new standard in engine performance Chrysler has set by driving it yourself.

**FARM NEWS**  
From the County PMA Committee

**SOIL, THE FOUNDATION  
FOR PLANNING SOUND  
FARMING OPERATIONS**

The 1952 Agricultural Conservation Program with its emphasis on conservation for continued production provides farmers with an incentive to plan farming operations for the years ahead, says Mr. James Smith, chairman of the Donley County PMA committee. As chairman Smith sees it, any program to mean anything to farmers must be based on the fact that to the farmer the main purpose of farming is to make a living. Other considerations such as proper use of the land, production to meet defense requirements, or even the generally accepted "the farm is a good place to raise a family", must fit in with this primary purpose. Since most farmers are interested in farming in such a way

in 1952 that the land will continue to turn out good crops, they are concerned with sound farm planning that gives a prominent place to soil and water conservation.

In making their 1952 plans, the chairman urges farmers to determine the best use of each field from the standpoint of future as well as the current year's production and to select Agricultural Conservation Program practices that best support this determination.

**1952 ACP WORK AND  
PMA ASSISTANCE**

Under the 1952 ACP program the most popular work done under the ACP so far is the deep plowing of sandy cropland. Many farmers in the sandy areas of the county are having their land plowed without assistance from the PMA, however there have been some 64 approvals issued for that practice at this time. One-half of the allocation to our county was set aside for assistance on this practice, with a limit

of \$250.00 for any one farm. 73 more producers have made application for this practice for this year.

Two approvals have been issued for Diversion terraces and twelve more producers have made application for diversions. No approvals have been issued yet on regular terraces, however 12 applications for regular terraces have been received to date. Approvals for 4 earthen dams for livestock water have been issued and 6 more applications are on hand. Three have asked for assistance on waterways, three approvals have been issued for wells for livestock water and one approval has been issued on control of bindweed. There are 40 producers who have received approvals for assistance on grass seeding and 30 more producers have made request for assistance on this practice.

**PMA COMMITTEEMEN**

Do you know who the county committeemen are for the 1952 program. They are: James B. Smith, Chairman; Charles P. Hamilton, vice-chairman and Ross Springer, regular member. Mr. Smith lives at Lelia Lake, Mr. Hamilton lives at Alanreed and Mr. Springer lives at Hedley. They are interested in your problem, so be sure to talk to them about any part of the PMA program.

Mrs. C. W. Kinslow of Memphis visited one day last week with Mrs. Ed Dishman and Mrs. Nova McClure.

Mr. and Mrs. Dayton Bruce of Amarillo visited Saturday in the home of Mr. and Mrs. Geo. McKee.

Vina Moore of Amarillo spent Saturday night with Biffie Blair.

# BLOWIN' Out the CORNERS

By Uncle Zeb

The noted historian, Gibbon, listed five reasons for the fall of the nation in his book, "The Rise and Fall of The Roman Empire." These are: "First, the undermining of the dignity and sanctity of the home, which is the basis of human society; Second, higher and higher taxes and the spending of the public monies for tree bread and circuses for the people; Third, the mad craze for pleasure, sports becoming every year more brutal and more exciting; Fourth, the building of huge armaments when the real enemy was

within the decadence of the people; Fifth, the decay of religion-faith fading into form, losing touch with life and becoming impotent to the people," end of quote.

It is interesting to take them one by one and note the similarity to our conditions of today.

Rep. Rogers said in this weeks Letter To The People: "Some of you may disagree with me, but I do not hesitate to say that in my opinion federal control is entirely too high a price to pay for any grant, gift or concession that can come from the federal government." We say amen and amen to the above. But with all our brave talk about wanting to turn back from our systems of gifts, doles, government ownership and meddling the big question is can or will we ever do it or will we ride the bubble until it bursts wide open. I doubt that we will turn back. In my opinion this year ahead will tell the tale. As

an example, or two: last week it was rumored in Abstin that the internal revenue office of that city would be done away with in the proposed re-organization. Such a howl as they put up. Not long ago Amarillo lost the SCS offices and you could hear them all over. Many urge that the air base be made permanent to help the town. What would happen if payments to farmers were curtailed, etc.? Will we pay the price for a sound dollar, or will we ride the inflation wave until the blow-up?

Anyway, much as most of us want to admit it, none of us want the cutting down done in the other fellows back yard. As long as cities cry for business from the government, and the people call for more political handouts from the Gimme-crats, just that long we will have high taxes, cheap money, and more and more Gimme-crats.

GLAMOROUS "IKE" LIKER—Nancy White of Huntington, W. Va., is all for a certain five-star general right down to the roots of her hair as the "I Like Ike" buttons on her hair ribbon demonstrate. Nancy works in the Washington "Eisenhower-for-President" headquarters.

Several have been inquiring into the possibilities of trying to make some kind of an expression of the grass roots desires of the people as to who will be democratic nominee for president. I wanted to try and help out with some information but so far have failed. Truman says the whole thing is a bunch of eye-wash; telling us in so many words that we will take what the smoke filled party caucusses want us to have. I guess we will. Wes Izzard says that he will make a study and try to present

the way to Mr. and Mrs. John Q Citizen. At the offset I will say this; if a man with the brains and IQ of Wes Izzard as to make a study before even he knows the procedure; what, oh what, are the such as myself going to do. Anything this befuddling and confusing is too complicated to be endured any longer. Woodrow Wilson begged that a direct primary be started at once. Wonder if the people could write their congressman and get something done before the election? Politics, Politics.

We are blind until we see That in the human plan Nothing is worth the making, if It does not make the man. Why build these cities glorious If man unbuilds goes? In vain we build unless

It's not monkey business when we say—Radio-need inspection too. It's a fact. A radio is one thing you can't monkey with. If your radio hasn't been inspected within the last six months we suggest that you let us test the tubes and give the set a general check-up. We Recommend SYLVANIA Radio Tubes

## JOHN DEERE DEALER to ENTERTAIN FARMERS and THEIR FAMILIES

JOHN DEERE DAY  
IS  
Feb. 8, 1952

## "GALAHAD JONES"

WITH RICHARD CRANE, MARJORIE LORD, ELIZABETH PATTERSON, AND JONATHAN HALE

A full length feature picture, "Galahad Jones," will highlight the parade of entertainment to be staged for farmers and their families who attend the 16th annual John Deere Day show as guests of Bennett Implement Co. on Friday, February 8th at the Mulkey Theatre.

"Galahad Jones" centers around a farmer's son, recently graduated from law school, who thwarts the efforts of a big-time crook to profit from his political connections. It is a present-day problem picture with a moral and plenty of laughs for good entertainment. Richard Crane, playing the

part of "Galahad Jones" is ably supported by Marjorie Lord, Elizabeth Patterson, Jonathan Hale, Ed Brophy, and four other Hollywood personalities. Five other new pictures are included in the fast-moving program, according to Mr. Bennett. One of the films, "The Big Payoff," features Tom Gordon, head of the memorable Gordon clan, who has been so popular in previous John Deere Day pictures. Another picture, "Oddities in Farming," is patterned after last year's popular film of the same name. "What's New for '52" will acquaint those in attendance with new John Deere implements and is sure to prove of interest to every farmer and his family. "The March of Harvest Time" and "Voices of Experience"—the two movies that complete the program, deal with subjects close to the heart of every farmer. Admission will be by ticket and farmers who have not yet received theirs may obtain them by calling in person at the Bennett Implement Co. Farmers are urged by Mr. Bennett to get their tickets early. The show starts at 1 p. m.

### Eighty-Nine Counties Designated In Texas As Disaster Areas

The prolonged dry weather has resulted in the designation of eighty-nine counties in Texas as disaster areas. No estimate is available of the actual losses sustained by farmers and ranchmen as result of these production losses, but L. J. Cappelman, State Director, of the Farmers Home Administration of Dallas said that the situation faced by farmers throughout the State is one of the most serious since the drought of 1934-35. Drought conditions reported by Cappelman follow closely those outlined by Pasture and Land Cover Conditions Map issued by the office of Louis P. Merrill, director, Soil Conservation Service of Texas, under date of January 15, 1952.

The map depicted conditions covering about two-thirds of the State extending from Bailey and El Paso counties on the west to Cherokee on the east and Starr on the south. Over this area, conditions are described as severe. Only in one-fifth of the counties are adequate moisture and cover conditions reported. A survey completed recently by Cappelman's staff indicates credit conditions are tight, which prompted designation of the counties as disaster areas and Farmers Home Administration has made avail-

able funds for crop production purposes.

The record breaking drought cut crop yields drastically and because of low crop income many farmers have been unable to finance production of this year's crop. Disaster loans are available in each county designated as a disaster area. Farmers who have suffered production losses on crops and livestock may apply for funds to pay for seed, fertilizer and materials for insect control where needed, gas and oil for tractors, feed for livestock, essential farm and home operating expenses, and repairs to machinery and other expenses incident to production of a crop.

Credit is advanced under authority of Public Law 38 and is available to family-type farmers who have sustained losses, and who cannot obtain from local sources the funds requested to plant a crop this year. Farmers may apply for loans at the office of County Supervisor James D. Gouddy, located in the Agriculture Building in Clarendon, Texas.

Cappelman admitted some concern about the lateness of the season and the lack of moisture and other favorable planting conditions. With the Department of Agriculture calling for full scale production in 1952, many areas of the State are going to be hard put to get acreage planted to the crops wanted in the production program. "Despite adverse growing conditions, I believe farmers will come through," he said.

Improved farming practices that are emphasized in the FHA program will be discussed and agreed upon by the county supervisor and the applicant at the

time the loan application is prepared. In discussing farming practices Cappelman emphasized that a program of diversification is the safest course for farmers to follow. Case files in FHA county offices disclose that farmers who have carried out a balanced farming program with livestock do not need emergency aid this year even though they did sustain losses because of drought conditions last year.

### NOTICE

This is to advise my friends and clients that, effective February 1, 1952, I have transferred my Income Tax Service Office to Mr. E. J. Chenault, who has operated it under lease since ill health forced me to retire from that business in 1946. Mr. Chenault is now sole owner of this office.

Most of you know Mr. Chenault personally, having dealt with him in Income Tax work and insurance business over these years. I recommend him as being thorough in this work and one of the best informed income tax men of my acquaintance. I will personally appreciate your continued patronage of Mr. Chenault, who is now prepared to give you

One ride and You'll say:

### "That's the Smartest Million Dollars BUICK Ever Spent"

WHEN we tell you that every 1952 Buick rides like a million dollars, we're not just slinging slang—we're talking real money—right-on-the-barrelhead cash.

A million dollars and more were poured into research and testing—design and tools—engineering, production and components—to team up the combination of ride features you'll find on a Buick—and on no other car in the world.

A million dollars and more was the price paid to work out control of end-sway and side-roll on curves—to double-check vertical "throw" with shock absorbers and big soft-acting coil springs for all four wheels—to V-brace the torque-tube keel and X-brace the

frame—to cushion body and engine—and to silk out the whole operation with Dynaflo Drive.\*

You may not care how the job was done, or what it cost. But we'll lay you this: You're going to say "thanks a million" to Buick engineers once you get this spirited smoothie under your hands and haunches.

Old familiar roads take on a new smoothness. Gone are the weave and wander, the jitter and jounce that you've felt in lesser cars. You ride with road-hugging assurance and level ease.

All of which only begins to tell you what really great cars these 1952 Buicks turned out to be.

Never before have style and stamina—comfort and character—power, performance and price been brought together with such satisfying skill.

The obvious thing for you to do is come in and look them over. How about taking half an hour off to do that—today?

Equipment, accessories, trim and models are subject to change without notice. \*Standard on ROADMASTER, optional at extra cost on other Series

From where I sit... by Joe Marsh  
**Experienced Hand Wanted**

Cappy Miller's back from visiting relatives and tells about a big snow storm that knocked out the electric power for miles around. Naturally, the local power company was doing everything possible to restore service but folks kept calling in and one woman gave them a new twist.

"I don't mind not having lights," she grumbled, "but I've got 20 cows in my barn and they all have to be milked by machine. Nobody around here knows how to milk a cow by hand any more."

From where I sit, it's only too easy to forget how to do something—even as simple as milking a cow—if we don't keep at it. And that goes for practicing tolerance, too. Like forgetting our neighbor has a right to decide for himself whether or not to enjoy a temperate glass of beer. If we don't keep the other fellow's point of view in mind we're all liable to get "snowed under" by intolerance.

# Veterans News

Veterans Administration today announced it will pay a regular dividend of \$200,000,000, beginning in March, 1952, to approximately 5,000,000 holders of National Service Life Insurance.

Policy holders who wish to receive their 1952 dividend in cash must so notify VA, under Public Law 36, 82nd Congress.

Policy holders who do not so notify VA, under this law, will

not receive their dividend in cash. Instead, it will be used by VA to pay the premiums becoming due after the dividend is payable, if the policy holder fails to pay such premiums.

VA said it is mailing a special form to all eligible policy holders which they may use to request cash payment, if that is their desire. However, any type of written request for cash payment will be acceptable, VA said; but, in such cases, the policy holders are cautioned to give their full name and address and their insurance numbers so that their accounts may be identified easily and quickly.

The dividend is payable to

policy holders whose policies were in force under premium-paying conditions for three months or longer between the 1951 and 1952 anniversary dates of their policies.

Policies of persons in active service since April 25, 1951, which are under waiver of premiums under Public Law 23, 82nd Congress, will not earn dividends for the period of the 1952 dividend that their policies are in such waiver status.

The same dividend rates that were used in computing the special three-year 1951 dividend will apply to the 1952 dividend. This schedule involves approximately 3,00 different unit rates for the

computation of dividend payments.

Generally speaking, those who received the full three-year payment of the special 1951 dividend will receive approximately one-third of what amount in the regular 1952 dividend, provided their insurance was in force for the full 1952 dividend year.

It is expected that the first payments will be made in March, 1952. Future payments are planned to be made as soon after the anniversary date as is administratively possible, VA said.

The 1952 dividend for policy holders who are not in active military service and who apply for payment in cash will be paid by the VA District Offices to which these policy holders pay premiums.

Eligible policy holders in active military service who request the dividend payment in cash will be paid by Central Office in Washington, D. C.

This represents a further change in the manner of paying dividends because the first two dividends were paid entirely by Central Office. VA said it believes the change will speed payments to eligible applicants.

Although Public Law 36 requires only that policy holders who wish to receive their dividend in cash must so notify VA, the NSLI Act of 1940, as amended, provides policy holders with two other options:

1. On permanent plans only (such as ordinary life, 20-pay life, 30-pay life, and endowment policies), policy holders may request VA in writing to place their 1952 dividend on deposit at interest, with the aggregate to be included in the calculation of cash value at time of lapse.

To Relieve Misery of

## COLDS take 666

LIQUID OR TABLETS - SAME EFFECT

2. Any policy holder may request VA in writing: to apply his 1952 dividend as an advance payment on premiums falling due after the 1952 anniversary date of his policy.

The latter two options apply for the first time because the 1952 dividend is the first regular dividend declared on NSLI. The two previous dividends were special dividends.

In all these options, VA stressed that policy holders should write to the VA office to which they are paying their premiums.

### Gabie Betts Burton Library Notes

By May L. Prewitt

The Library received a check from "The 1926 Book Club" this week. These donations are helpful—in fact, essential to the upkeep of our Library. When you consider how many books and magazines are issued, you readily realize that the co-operation of our clubs and individual friends have been giving excellent results. There were 14,788 books and current magazines issued in 1951. We "are off" with an excellent start for 1952. The transients have been reading pocket editions "only", but this week I have issued some of them cards so they could use our better

books. In the "Dabney" books by James Street, there has been numerous inquiries for "Tap-Roots," which was published in 1942. I have a copy now. We also purchased "The Dark Passage" by Alice Lent Covert. A shortened version of this appeared in Red Book as "The Heart's Decree." Then there is a new western of Peter Field's—"Back Trail To Danger." There have been a few donations this week but not outstanding material. In the list received were quite a few recent pocket book editions, both western and mystery copies.

Theme writing and Texas History material have been in demand since mid term. We have

some material, but our shelves are not complete, February second we issued 178 books and magazines, so you can judge for yourself that the Library is a useful asset to your town and county.

J. A. Warren has purchased the insurance business of Mr. E. J. Chenault and has opened his office in Room 206, Goldston Bldg., and invites his friends to come by to see him.

Sam Patterson visited from Thursday to Tuesday with his parents, Mr. and Mrs. U. Z. Patterson during the mid-semester holiday at Hardin-Simmons University at Abilene.

## Do We Know You Well Enough?

### We Would Like You to Come In and Let Us Get Acquainted

Sooner or later you will need a banking service. You will need sound advice, or maybe extra capital to finance a purchase or meet an existing obligation.

Before you need money is the time to make your banking connection. Why don't you come in and get acquainted? We shall enjoy meeting you, and will be in better position to assist you should a need arise.

Even a small checking account or a "nest-egg" surplus fund in this friendly institution will give you a connection that may prove helpful in many ways.

### To The People of The 18th District

By Cong. Walter Rogers

**THE PRESIDENT'S BUDGET:** Most of you have read the news reports concerning the size of the proposed budget for the fiscal year ending June 30, 1953, which shows an estimate in excess of 65 billion dollars. This proposed budget is an excellent example of

what this country can expect if the defense program is stepped up and the demands of the people on Washington for every conceivable kind of grant continued. The government is no different from the individuals of which it is composed, and that means every citizen of the United States. There are lots of things that many of us would like very much to have, but the reason we

can't have them is because we just cannot afford them. The same is true of the government, and it is my frank opinion that this proposed budget is something that the American taxpayers just cannot afford. It is true that a substantial trimming of this budget is going to result in many people, organizations, and communities having to give up something that they would otherwise get through federal grants if the budget was not cut. The hard cold facts are that the demands upon the public treasury have increased to the extent that compliance with them will mean federal control of almost every conceivable phase of our daily lives. Some of you may disagree with me, but I do not hesitate to tell you that in my opinion federal control is entirely too high a price to pay for any grant, gift or concession that can come from the federal government. I would much prefer that we stop exerting our efforts trying to get something out of the public treasury and spend our time and efforts making our communities self-sufficient. We will get a great deal more satisfaction by this route and our communities will be much stronger. The same is true insofar as foreign aid is concerned. This budget requests an additional sum of approximately 8 billion dollars for foreign aid. This amount supplemented by funds previously granted would mean that 10 1/2 billions would be spent for foreign military and economic aid in 1953 and that there would be a carry-over of 4.6 billions for spending in 1954. The American taxpayer cannot continue to support such a heavy burden. I said this in the last session of Congress and I ex-

pect to say it again this session. The demands on Washington for grants and aids and gifts is not strictly a domestic situation. It is international. I have always contended that the program of one country continually granting aid to another must lead to the inevitable result of weakening both countries. The donor country will be weakened because of the continual drain on its resources. The donee country will be weakened by its dependence upon the anticipated aid, and will gradually lose its desire to become self-sustaining. In other words, such a program will jeopardize the moral fiber of the human being. The same rule can be well applied to the communities of this country who continue to seek aid from the federal government and advocate programs that cannot be self-sustaining in the respective communities. Complete dependence of one individual on another, or of one country on another, substantially impairs, if not destroys, the freedom of both. As I said before, I shall continue my efforts for substantially reduced expenditures and against higher taxes. If you are not in accord in this respect, I would appreciate hearing from you.

of your every insurance need. Your existing policies will be serviced by him, and please refer all matters pertaining to your policies, renewals, etc., to him. Your renewals will be taken care of and not allowed to lapse. Thanking you for past favors in this line, and again requesting your patronage for my successor, I am,

### How "big" should government be?

Lincoln was President at a time when the federal government had to take away from its citizens more rights and liberties than ever before.

But he didn't like it. He believed, with the writers of the Constitution and the Declaration, that our government should protect people's independence, not push people around.

"In all that the people can individually do as well for themselves, government ought not to interfere," Lincoln once said.

Lincoln never let Americans forget that. He kept reminding the nation that the government's vast wartime powers must be only temporary.

He made powerful enemies. For there are always those who want to see the government run things—and run people—permanently.

We have them today. They think up all kinds of reasons why the federal government should take over this or that business, industry, or service. They never say they want socialism. Maybe they don't even realize it. But that's actually what they propose.

Most Americans don't want socialism any more than you do. The job is to recognize it—and halt it—no matter what disguise it wears!

\* \* \*

The people who plan and work for a socialistic U. S. A. know that permanent control of a few key industries and services will give government the power to take over just about everything. One of the key industries that they're trying to take over is electric light and power.
