Clarendon Furniture Company Is Celebrating 25th Anniversary

The Clarendon Furniture Company is celebrating their 25th anniversary of doing business in Clarendon. Twenty-five years is quite a long time to do business in one locality considering the various ups and downs, depression, etc., but this particular business has continued to grow from the very start. Frank Heath, part owner of the business, started out here in the building now occupied by A. R. Henson Tire Co., May 1, 1928 with less than a \$5,000 stock. As the business grew, Mr. Heath moved into larger quarters, first to the M-System building, then across the street to the building occupied by Estlack Machinery and last to the present location which comprises 1,400 feet of floor space. Mr. Heath moved to Amarillo in 1940 and put in a furniture store but has always maintained personal interest in the store here. Mr. Heath expanded his business in Amarillo and branched out to other Panhandle towns with nine different stores at the present time. The Clarendon Furniture Store now has access to a Million dollar stock of merchandise.

FRANK THOMAS
Mr. Thomas is manager and part owner of the Clarendon Furniture Co.

The present manager and part owner, Frank Thomas, started with the business 17 years ago as a delivery boy. He worked his way up as time moved along and bought interest in the store in 1940 at which time there were three partners in the business, Mr. Heath, Mr. Thomas and Marvin Warren. Mr. Thomas took over management of the business in 1942 and bought Mr. Warren's interest in 1946.

After taking over management of the business, Mr. Thomas has remodeled the building inside and out, making it one of the outstanding furniture and appliance businesses in this area.

In celebrating their silver anniversary, the Clarendon Furniture Co. is featuring a big anniversary sale which starts Friday, May 1st. Their double-page advertisement giving all details is being published in this issue of the Leader.

COLORED CHORAL GROUP ENTERTAINS LIONS CLUB

Robert H. McPherson, principal of the North Ward (colored) School and other teachers of the school, furnished the program for the Lions Club Tuesday by bringing approximately fifty of the colored choral group to the club to show just what the youth of the North Ward had to offer in the way of first class entertainment. The program time was limited and they were unable to give the same program that they put on for the High School some two weeks ago but their program did prove that they were receiving good training and had some mighty good talent. The Club enjoyed the songs and readings and look forward to having the North Ward group furnish another program at a later date.

Radio Shop In New Location After Fire

Connie Dromgoole, owner and operator of the Radio and TV Repair business, which was located in the Ice Plant Building until it was destroyed by fire recently, is announcing re-opening of his business this week in the building across the street east of the Farmers Exchange with a new stock of merchandise and repair parts. The business will be operated in the future under the firm name of Connie's Radio & TV Service.

P. T. A. TO MEET THURS., MAY 7th

The Sims P.T.A. will hold their regular meeting next Thursday, May 7th at 3 o'clock in the Jr. High auditorium. New officers for the coming year will be installed at the business meeting. The six and seventh grades will furnish the program and there will be a tea in the cafeteria honoring pre-school mothers.

Cakes To Be Judged And Auctioned Sat. In Baking Contest

Cakes in the Betty Crocker Cake Baking contest will be judged at 10 o'clock Saturday morning. All the cakes entered in the contest will be auctioned off to the highest bidders at 3 o'clock with the proceeds from the sale going to the Clarendon Band. The contest is being sponsored by Junior's Food Market and General Mills, Inc.

Rules of the contest include the following: All cakes must be baked from Softasilk recipes and flour; cakes judged on basis of appearance, taste appeal, texture and flavor; contest open to any resident of Texas except employees of Junior's. All cakes must be in by 10 a. m. Saturday morning. Cakes must be accompanied by slip with your name and Softasilk box top. All winners will be notified within one week from contest close. Judges will be Mrs. Katherine Bugbee, Miss Ruth Richerson, Miss Anna Moores, R. E. Drengan and Truett Behrens.

Remember these prize cakes will be auctioned to the highest bidders Saturday at 3 p. m. with the money going to the local band.

Have You Noticed Our City Park Lately?

The Les Beaux Art Club with the cooperation of the city officials have had the city park cleaned since our rain. If you haven't visited the park lately, you should and see how nice it looks. It is the desire of the club and city officials that everyone will help keep the park clean.

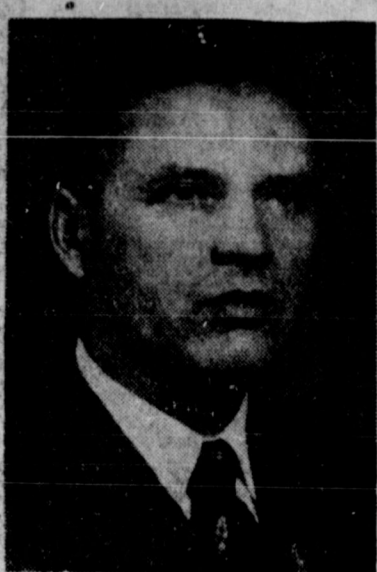

Burn all trash after picnicking or put it in the incinerator. The mothers of the children who eat their lunch there, can help by asking the children not to throw their cups and papers down after eating but to put them in one of the fire places or in a sack and take them back home.

The park is for the enjoyment of all and we should be very proud to have such a nice place to go for picnicking.

City Announces Summer Water Rates

City officials have announced the following summer water rates which will become effective May 20, 1953 and will be in effect thru August 20, 1953 for residential purposes.

First 3,000 gallons, minimum \$2.50.
Next 4,000 at 30c, next 18,000 at 23 cents and all above that at 21 cents per thousand.

REV. JOE NORTON

Nazarene Revival Goes Into 2nd Week

The Church of The Nazarene revival which is now in progress at the new Nazarene church here, will go into the second week with Rev. Joe Norton of Hamlin as the Evangelist beginning Monday night. The revival will continue thru May 10th. Prior to entering the evangelistic field in 1948, Rev. Norton, who is a graduate of Bethany-Peniel College, Okla. was for sixteen years a pastor in Oklahoma and Texas.

Gene Moore and Toby Bond, both students of Bethany college, are conducting the revival this week. Services are being held twice daily at 10 a. m. and 7:45 p. m. Rev. H. D. Williams, local pastor, reported a successful meeting to date and extends a cordial welcome to the public to attend any or all services.

FRANK HEATH
Mr. Heath started the Clarendon Furniture Co. here in 1928. At the present, he is President of the Texas Retail Furniture Dealers Association and a director in the National Association. He moved to Amarillo from Clarendon in 1940.

Services Held Here Tuesday For Mrs. W. M. Montgomery

Funeral services were held Tuesday afternoon at the First Presbyterian Church for Mrs. Sarah Edna Montgomery with Rev. Wm. A. Cockerell officiating.

Mrs. Montgomery, age 76, passed away at her home here early Monday morning following a lengthy illness. Mrs. Montgomery was born Dec. 2, 1876 in Hardin County, Tenn. She was married to W. M. Montgomery Sept. 4, 1901 in Clarendon. She was a charter member of the Clarendon Presbyterian Church and was active in church work until recent years. She had been a resident of Donley County 53 years.

Survivors include her husband, W. M. Montgomery; one daughter, Mrs. Edna Smith, Amarillo; three sons, Paul and Joe Montgomery, both of Memphis, and W. S. Montgomery, Lakeview, and eleven grandchildren.

Pallbearers were Lee Bell, J. H. Howze, Guy Wright, Will Chamberlain, K. M. Windom and Heckle Stark. Honorary pallbearers were Frank White Jr., Jack Boone, Neal Bogard, Frank Bourland, Curtis Mears, W. G. Word, A. W. Mosley, F. E. Chamberlain, D. F. Wadsworth, M. E. McNealley Sr., and M. E. McNealley Jr.

Burial was in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements.

College Students To Present Program Monday Night

Students of Clarendon Jr. College will present a program of variety numbers at the College Auditorium Monday night, May 4th at 8 o'clock. It will be free to the public.

The program that will be presented will be the same as the College students have presented to twelve different schools in this college radius the past several weeks. It met such success that they were encouraged to put on the same program here at home for homefolks. The program will be a good one, so plan to be up there Monday night and fill the auditorium - and don't forget - it will cost you nothing.

FATHER OF LOCAL MAN DIES IN ARKANSAS

Mr. J. L. James received word Monday night that his father, Joe James, had passed away at his home in Lincoln, Arkansas. Survivors include two sons, J. L. James of Clarendon and J. F. James of Dallas.

Mr. and Mrs. James attended funeral services for his father in Collinville, Texas, Wednesday.

STORM WARNING

City Fire Chief, C. W. Bennett and Sheriff Truett Behrens have requested the following information be published in regard to storm warnings and various blasts of the City Fire siren in order to lessen confusion at all times and relieve the load that was placed on the night telephone operator such as was the case when the last storm warning was sounded.

One blast of the siren signals an out-of-town fire, grass fire or other minor fires; two blasts (one of the most important to remember) signals a storm warning or other emergency; Three blasts is the signal for a residential or business fire.

The storm warning signal of two blasts will be sounded upon information received by the sheriff from the Amarillo weather station. In most instances this signal will be made in ample time for residents to dress and be prepared to protect themselves. Constant contact will be made with the weather station as the storm progresses. Instead of asking the phone operator for information, Mr. Bennett requests that you drive down to the fire station at the City Hall. You can also turn on your radio to KGNC and keep up with the report direct from the weather station. Clip this article for future reference as it will help avoid confusion.

The Fire Chief pointed out also that sight-seers were hampering fighting of fires by parking cars too close to a fire and fire trucks. He requests that everyone park at least a block away from any fire or the fire trucks that are connected to a fire plug. Those disregarding these requests will be given tickets and will be subject to stiff fines, he added.

Arrangements for the Clarendon High School Rodeo, to be held Saturday, May 9th at the Rodeo Grounds are progressing rapidly, it is reported by Tom Seay and W. W. Sandifer, Co-sponsors and Directors of the event.

The F.F.A. boys have the working part of the show all lined up and are working the grounds now. The Rodeo Officials have been contacted and they have consented to officiate at the event. These officials are as follows: Arena Director, Fontayne Elmore; Bucking Judges, Pud Otis and Hubert Brown; Tie Judge and Flag Man, Bill Cushing; Barrier Judge, Horace McClellan; Pick-up Men, Al Word and Lois Putman; Announcer, Jack Ballew; Calf Gate Man, Mark Allen; and Timekeepers, Curtis Mears and Glenn Hoggatt.

Entries for the most of the events are rapidly filling up; however, the Girls Barrel Ride has few entries as yet, but it is believed there will be plenty of entries in this event. The prize for the Girls Barrel Ride, a \$32.00 Buckle, can be seen on display at Greene's Dry Goods along with the other rodeo prizes to be awarded.

Parking space, for your cars, may be obtained at Glenn's Jewelry at \$1.00 for both performances.

National Music Week To Be Observed Here

Students of the Elizabeth Stevens Grade School will be presented in a Musical Festival Thursday evening, May 7, at 8 o'clock in the College Gymnasium. This program will be their contribution to National Music Week observed throughout the state May 3-9th.

Mrs. J. N. Weaver, teacher of Public School Music from the First thru Fifth grades, has planned the program which will be presented thru the cooperation of other teachers in the above age groups.

This program will be one of the first ever presented here in observance of National Music Week and will give parents, friends and all interested persons an opportunity to see what is being done in our schools to promote and build an interest in music.

The program will consist of rhythm games, a rhythm band, spring songs, a May Pole, a Polka and some two part singing. A complete program will be printed in the next issue of the paper.

There will be no admission charge. The public is invited to attend. Make your plans now to be present.

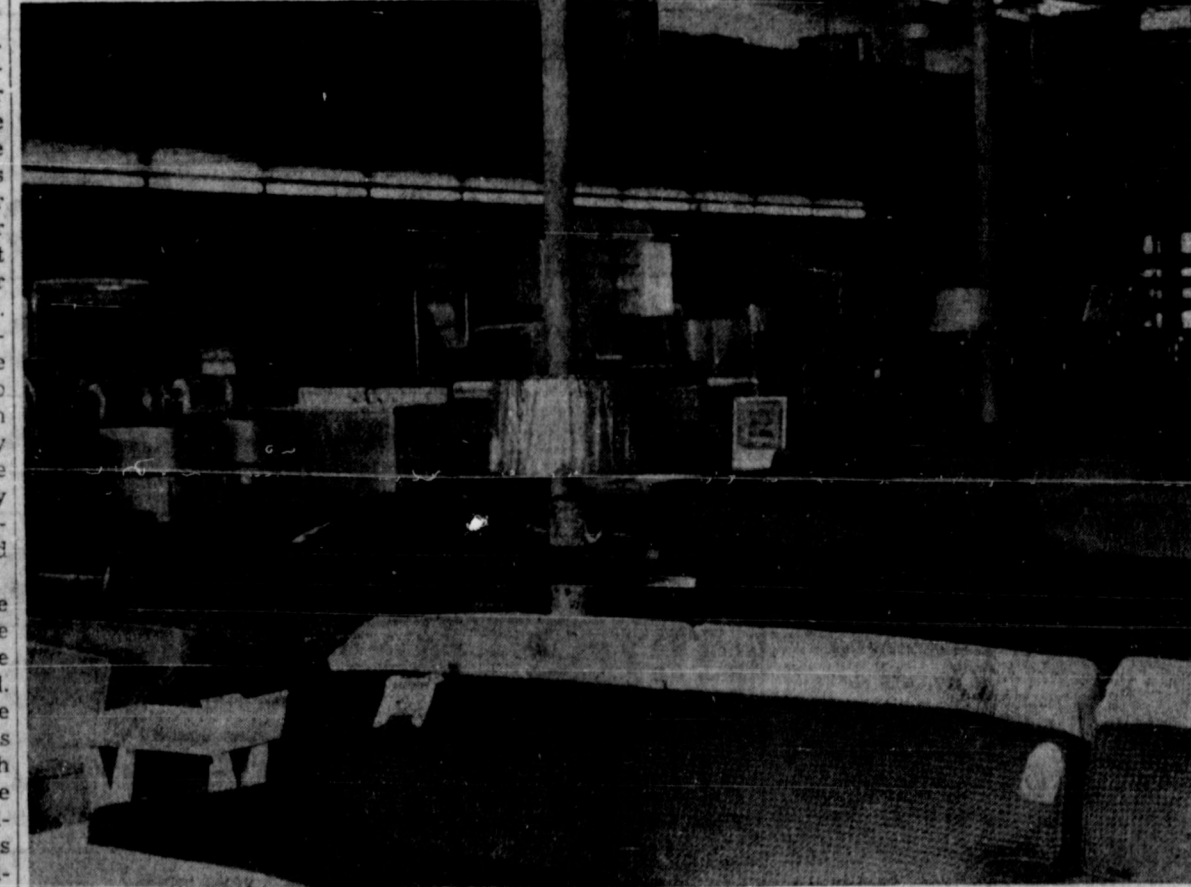

Lions Club Elects New Officers

Members of the Clarendon Lions Club elected the new 1953-54 officers to guide the affairs of the club this coming year at their regular luncheon Tuesday. The new officers elected were:

Boss Lion, Ernest Kent; 1st vice-president, M. M. McCully; second vice-pres., Bill Lowe; 3rd vice-pres., Junior Spier; Secretary, Eddie Forest; Treasurer, Rayburn Smith; Lion Tamer, Harlie Gordon; Tail Twister, Maurice Hart; Directors named were Van Kennedy and Maurice Lane, and Pete Kunz was elected to fill the unexpired term of Eddie Forest. W. A. Riney is the retiring boss Lion and Maurice Lane is the retiring secretary.

SARDIS BAPTIST CHURCH SERVICES LANEY

Bro. Elwin Lane of Fort Worth will be in Clarendon Saturday and Sunday to conduct church services at the Sardis Baptist Church. Services will be held at the usual hour Saturday night, Sunday morning and Sunday night. Sunday school will be held at 10 o'clock Sunday morning. The public is invited.

majority of the members of the senate and House are willing to let the voters of this state decide and leave it to their judgment. We believe the people of Texas are in no mood to accept delaying tactics and sit back and wait another two years for another legislature to give them, the people, an opportunity to vote on some water legislation," Jackson said.

Jackson praised the senators who "sweated through long hours of filibuster until 4 o'clock in the morning, in order to keep the bill alive."

State Highway Needs

A total of \$776,844,000 was spent on all types of recreational travel in Texas last year, D. C. Greer, State Highway Engineer, revealed in an address to the 27th Annual Convention of the East Texas Chamber of Commerce in College Station April 13, 1953. This is nearly three times the total income from the cattle industry, Greer said.

Out-of-state tourists spent \$378,844,000 in the state of which \$333 million was spent by 8 1/2 million visitors who traveled by automobile. Greer reminded the Chamber of Commerce officials that tourism was "big business" in Texas, representing one of the larger industries in the state.

However, he said that last year there were 8% fewer visitors who left 12% less money in our larders than in 1951. We know that 96% of the tourists in this country travel by personal conveyances. Therefore, the highway system is the very backbone of the recreational travel industry.

These millions of out-of-state vehicles, plus the 3 1/2 million registered in Texas, are fast breaking the back of our highway system. He continued that the economy of travel and the good roads found in Texas were a great drawing card for tourists. Greer warned, however, that unless adequate funds were obtained from some source, Texas highways would no longer be an asset in attracting tourists. We are permitting the goose that lays the golden egg to be slowly strangled for lack of adequate revenues.

The total appropriations for the Highway Department is \$120 million a year, which is obtained largely from gasoline taxes and the sale of license plates. However, with the present distribution of the highway dollar, only about 50% of the road user's taxes finds its way into the highway fund. The highway dollar has shrunk until today it is worth only 44c, he added. Greer stated that Texas needs slightly over one and one-half billion dollars to completely renovate its highway system. This program would provide for Texans a modern, safe, and economical transportation system and insure a continued prosperous economy.

Texas, the largest state in the Union, has only 600 miles of four-lane divided highways. To offer safe and speedy transportation to cross-country motorists, nearly three times this number is needed. Last year 129 miles of these four-lane highways were built at a cost of something like \$25 million. We have built over 300 miles of city streets including 50 miles of expressways in major cities at a cost of \$100 million since World War II. There are 2200 miles of state-maintained streets serving as trunk highway routes. It is estimated that to eliminate city bottlenecks and bring urban highways up to the prescribed standard will cost \$330 million. However, it is our trunk highways which are in the most critical condition. These trunk highways are the very nucleus, the heartbeat if you please, of our entire highway system.

A program encompassing these needed improvements on the trunk highway system would include widening and strengthening some 4,200 inadequate bridges along with widening, improving sight distances, and rebuilding and resurfacing these roads. It would also include the construction of sufficient cross-country four-lane divided highways. The trunk highways present the most crucial problem, consequently, these improvements should be given top priority in financing and planning. To completely rehabilitate and modernize our rural trunk highways will cost a little over \$1 billion. In addition, we now have around 20,000 miles of FM roads but should have twice this mileage to properly serve our rural inhabitants. These additional FM roads will cost \$230 million.

Greer added that the people of Texas have an investment of over \$1 billion in their highway system which should be protected by inerrant planning for the future. Texas motorists have long enjoyed the benefits derived from an adequate highway system. However, they are fast approaching the forks in the roads. One leads to safe, modern highways while the other route offers unsafe and deficient roads. It will be up to the people to choose wisely the route of their preference.

Greer expressed his faith in the people rising to meet the highway problem by reminding the group that "history shows that Texans, in the past, have risen to meet and solve their highway transportation problems, and our past speaks well for the future."

Mrs. Gale Ledbetter and Bary left Sunday morning for their home at Camp Breckenridge, Kentucky after a visit with her parents, Mr. and Mrs. O. C. Watson. They were accompanied home by her brother, George Watson.

TO THE PEOPLE OF THE 18TH DISTRICT
By Congressman Walter Rogers

ALASKAN STATEHOOD:

The Subcommittee on Territories and Insular Possessions, of which I am a member, has been holding extensive hearings on the Alaskan statehood bill. These hearings are more extended, more informative and a great more in detail than were the hearings on the Hawaiian statehood bill. The committee has

heard numerous witnesses during the past several weeks. These witnesses come from all walks of life in Alaska and their testimony has been most interesting. Many of the witnesses went to Alaska because of the opportunities offered in a new and undeveloped and for the chance to grow up with the country. They are certainly to be commended for the manner in which they have taken advantage of these opportunities and made the most of them. Several of the witnesses outlined their personal histories, and it developed that when they went to Alaska, they hardly had the price of a meal on which to start. The last witness to testify

was former Governor Greuning, who was as interesting as he was able and eloquent. The witnesses do doubt made out an excellent case or their proposal. Much politics was injected into the hearings, which I feel was definitely uncalled for. Whether or not Alaska or Hawaii should be made states of the Union should not be considered or determined on the question of political party affiliation. Political party affiliation standing alone would not even be an excuse, much less a justification, for statehood. The basic question is simply whether or not the best interests of the United States of America would be served by changing the territorial status of Hawaii and Alaska and creating two additional states. It presently appears that the Alaska bill will not pass the Congress this year. The Hawaiian bill has encountered considerable opposition in the Senate. Unless this opposition can be measurably dissolved, Hawaii may find it difficult to see the passage of her bill during this year. The tidelands bill is presently being debated in the Senate, and it looks as though a slight filibuster is shaping up. This may die aborning as Senator Taft is doing his best to force the bill to a vote. I hope that a vote is taken on it before this letter reaches you, as we certainly have the strength in the Senate to pass the tide-

lands bill by a good majority. The debate in the Senate has engendered very little interest on the part of the public, in fact, much less than the debate on the confirmation of Bohlen, the new ambassador to Moscow. The public apparently thought that Senator McCarthy would have a tight on the Senate floor with someone about the Bohlen appointment. They crowded the galleries and lined up in queues from the Senate chamber to the rotunda of the Capitol waiting to get in for a short glimpse of the show, which never took place.

WHEN WILL CONGRESS GET THROUGH:

Predictions as to the possible adjournment of Congress are beginning to crop up all over Capitol Hill. Actually, the Congress has done very little this session on legislation. Outside the tidelands bill, the Hawaiian statehood bill, the Re-organization Plan No. 1, raising the Federal Security Agency to cabinet status, there has been very little important legislation or controversial legislation before the House. The first of the appropriations bills is scheduled for this week. The chairman of the appropriations committee has predicted that he will have one of these appropriations bills up each week, and possibly two or three some weeks, until they are completely finished. The appropriations bills are considered separately, that is, the appropriations for each of the several departments of government are considered separately. In view of the turn of events in Korea, it is probably safe to say that there will be the need for legislative measures that otherwise would not be necessary. What these will be of course will depend upon the success of the truce talks and the turn of events in other sections of the world outside Korea. All in all, it seems that Congress will probably follow one of two courses. It will either recess during the summer months and come back in September or will continue in session through the summer and try for adjournment early in the fall.

CHALLENGE TO THE INDUSTRY

-the new GMC 400-27 that outpowers and outclasses its field

GMC's new 18,000 GVW hauler not only dwarfs trucks of 16,000 and 17,000 GVW, but overshadows—and underprices—those rated at 19,000.

In fact, the GMC 400-27 is designed to outhaul any truck up to 19,500 GVW. Its new engine of progressive design is stripped of excess weight, yet built stronger to absorb the stress of really high compression. It gives you brisker

response, more power and mileage from regular gas.

It includes, as standard equipment, many features that are optional at extra cost on other trucks.

As a tractor—or as a truck—it can increase your hauling ability, give you impressively better equipment—and save you both purchase and operating money to boot.

130 GROSS HORSEPOWER—on moneysaving single carburetion. Valve-in-head engine, 270 cubic inch displacement, 7.5 to 1 compression ratio.

2-SPEED ELECTRIC SHIFT REAR AXLE—15,000 pounds capacity, is coupled with a 4-speed Synchro-Mesh transmission, putting 8 forward speeds at the driver's command. (Single-speed axle available at a saving; 5-speed transmission optional at extra cost.)

30,000 GCW—137" or 149" wheelbase in tractors; 161", 179" or 197" wheelbase in trucks (9- and 12-foot platform or stake bodies optional).

ALSO STANDARD EQUIPMENT: 4,500 pound capacity front axle—Hydrovac-actuated brakes—Moraine M-400 main and connecting rod bearings—Tocco-hardened crankshaft.

PATHFINDER

Convention reports, music, and legends of the flowers made up the program at the Pathfinder Club meeting at Patching Club House Friday, April 24. Mrs. T. M. Caldwell, Jr. and Mrs. Heckle Stark were co-hostesses.

During the business meeting, Mrs. Sam Black was voted into the club as a member. Mrs. J. H. Howze gave a committee report on the annual tea to be held May 8. The tea will be held in the evening at the First Methodist Church. A prominent speaker from KGNC will discuss a current topic. Each member will be allowed five guests.

Mrs. C. T. McMurtry gave a report on the Federated Club convention held recently at Hereford. Mrs. McMurtry was appointed to the district executive board. Mrs. Clyde Hudson gave a detailed report of the convention to which she was the club's delegate.

Mrs. J. L. McMurtry told an interesting legend about the "Iris." Mrs. Ray Moore accompanied by Mrs. Ray Palmer then sang "Love Sends a Little Gift of Roses" and "April Showers."

Refreshments were served to the following members: Mesdames Carl Allmond, Bill Greene, Wm. S. Greene, Ray Moore, J. H. Howze, Clyde Hudson, Pete Kunz, William J. Lowe, C. T. McMurtry, J. L. McMurtry, C. B. Morris, J. W. Murphy, Ray Palmer, J. T. Patton, J. R. Porter, Simmons Powell, A. T. Cole, and Miss Mable Mongole. Guests were Mrs. Howard Scott and Mrs. Wm. A. Cockerell.

CANCER BENEFIT BREAKFAST

In the very early hours of last Saturday, telephones began ringing in various homes in town and country rousing the housewives from their beds only to hear an inquisitive voice inquire as to the type of apparel she was wearing at that time of the morning. After notations had been made of each one's costume, she was told that she was invited to a "Come-As-You-Are Breakfast" in the home of Mrs. L. T. Shelton with Mrs. Alvin Landers as co-hostess. A fine would be assessed for each additional garment added, the amount to be applied to the Donley County Cancer Fund.

At first each had a feeling of dismay at venturing forth in her respective garb at that early hour but as the guests assembled a feeling of relief came over each one as she saw that her friends and neighbors did not present a more attractive picture than she.

A delicious and tasty breakfast was served from the attractive dining table with a center-piece of iris and tulips. The menu consisted of tomato juice, pigs-in-the-blanket, scrambled eggs, coffee cake and coffee.

Sixteen guests were present and \$13 from fines and donations was contributed to the Cancer Fund.

MYSTIC WEAVERS CLUB

The Mystic Weavers Club of Lella Lake met April 22 with Mrs. W. M. Mace with seventeen members and one visitor present. The work of the day was quilting and piecing two quilt tops.

Mr. Mace and Mr. Brock were celebrating their birthdays so they were present for the covered dish lunch.

The next meeting will be with Mrs. James Smith on May 13, in an all day meeting.

BOOK CLUB ENTERTAINS HUSBANDS

An annual event that is anticipated by both Book Club members and their husbands and other guests is the spring party. On a recent date this group met in the Patching Club House for a covered dish dinner which was served from a dining table draped in a white linen cloth and centered with an arrangement of yellow iris, tulips, and spiraea. Other spring flowers were used in the entertaining rooms.

Following the dinner the group went to the college auditorium to relax and be entertained by Mr. Caldwell and his wife from Claude. Mr. Caldwell does not claim to be a professional magician, but his performance of magic art was surely of professional rank and his tricks were too good to be detected by the unskilled eye of his observers.

On the arrangement committee for the evening's entertainment were Mrs. Clyde Hudson, Mrs. Homer Bones, Mrs. W. A. Riney and Miss Loyd Richerson. Approximately 50 members and friends were present.

MOTHERS STUDY CLUB

Mothers Study Club met Tuesday afternoon at Patching Club House with Mrs. Richard Maxey and Mrs. Kenneth Vaughn hostesses. Entertaining rooms were decorated with bouquets of iris.

It was announced that Anness Bennett, Billie Jean Moore, Dorothy Martin and Carol Lane Phillips had spent the day redecorating the club house bathroom. The program consisted of piano selections by a guest, Lois Marie Moore, and a report on current clippings by Billie Jean Moore. Anness Bennett presented retiring officers with a gift.

New officers installed were Delene Tyler, President; Billie Jean Moore, Vice-president; Ann Moore, Secretary; Jeanie McKee, Treasurer; Nova Lee Mooring, Reporter; Ernestine Mooring, Parliamentarian.

Refreshments were served to Mesdames Raymond McKee, Bud Moore, Chauncey Hommel, Ford Martin, Lois Marie Moore, and Anness Bennett by the hostesses, Mrs. Kenneth Vaughn and Mrs. Richard Maxey.

KIL KARE KNEEDLE KLUB

Mrs. S. W. Lowe entertained members of the Kil Kare Klub in her home Thursday afternoon, April 23. The house was profusely decorated with beautiful bouquets of seasonal flowers.

The afternoon was spent in doing fancy needle work and visiting. In the business meeting, plans for the summer were discussed.

The hostess served delicious refreshments to specially invited guests: Mrs. Lula Lane of Clovis, N. Mex., Mrs. Genoa Doshier and Miss Mary Howren; and to members: Mesdames Harry Brunley, W. A. Land, G. C. Heath, J. R. Bartlett, Frank Whitlock, R. O. Dawkins, R. O. Thomas, A. O. Hefner, and Misses Ida and Etta Harned.

The next meeting will be with Mrs. Frank Whitlock, Thursday afternoon, May 14.

GOLDSTON QUILTING CLUB

The Goldston Quilting Club met Thursday, April 23rd with Oddie Moss. Two quilts were finished. Sarah Pegram and Joy Roberson received polyanthuses.

Those to spend the day were Tootsie and Geraldine Jackson, Patsy Reid, Nora Smith, Adgar Williams, May Pearl McDonald, Blanch Gray, Oneta Moss and hostess. Those to come in the afternoon were Sallie Hatley, Gertrude Reid, Sarah Pegram, Carolyn Davis and Cynthia Ann, Ola McBrayer, Billie Ashcraft, Nina Dale, Charlene Reynolds and boys, Edith Jackson and David McBrayer.

The next quilting will be with May Pearl McDonald all day Thursday, May 7. Everyone remember their Polyantha for Mother's Day.

CIRCLE NO. 2 WSCS

Circle No. 2 of the Women's Society of Christian Service met Wednesday afternoon, April 22, in the home of Mrs. Neeley Hudson at Goodnight. Mrs. Bertha Benson was co-hostess.

The business meeting was presided over by the president, Mrs. Cal Merchant. Mrs. J. R. Porter led the Bible Study.

During the social hour, refreshments were served to 19 members and 1 guest by the hostesses.

DELTA KAPPA GAMMA CONVENTION

The Delta Kappa Gamma, national honorary society for women teachers, met in Dallas, April 24 and 25 for the 24th annual session with approximately 800 Texas teachers in attendance and 100 chapters represented.

Highlights of the convention, whose theme was "Delta Kappa Gamma Keys to Professional Advancement," consisted of three general sessions on the Roof Garden of the Adolphus Hotel, an Executive Board meeting, six workshop meetings, an initiation of new members, installation of new officers, dinners and luncheons.

Local teachers attending the convention were Miss Lucile Polk, president of Gamma Kappa Chapter, Miss Edgar Mae Mongole, chairman of the Initiation committee and Miss Zada Belle Walker of Memphis, first vice-president of Gamma Kappa Chapter.

GOOD NEIGHBORS CLUB

The Good Neighbors Club met with Mrs. W. L. Jordan April 24 with an all day quilting.

Those to enjoy the dinner and all day quilting were guests, Mrs. Thelma Hearn, Lois Hutchins, Mrs. Darden, Lizzie Morrow, W. W. Rudd and members, Pearl Terry, Eula Butler, Mava Anderson, Dawsie Sullivan, Rosa Bingham, Dorothea Sullivan, Bessie Helton, Leona Jones, Maybelle Phillips, and the hostess Ruby Jordan. One quilt was finished. Next meeting will be with Dawsie Sullivan, May 8.

BRONCHO BOOKWORMS

The Broncho Bookworms, the library club of Clarendon High School, met in the library Tuesday morning for the regular bi-weekly meeting, with Willetta Riney presiding. Plans for publicity for the library were discussed. Much enthusiasm was shown in planning the work for next year. At the next meeting each member is to suggest a plan for better library service.

The Bookworms voted to admit to membership next year students not actually working in the library.

PRESBYTERIAN WOMEN OF THE CHURCH

Women of the Presbyterian Church met Wednesday afternoon, April 22, at the Church with Mesdames J. G. Stewart, E. Woody, Carroll Knorpp and Mable Mongole hostesses.

The meeting was called to order and opened with a devotional and prayer by Mrs. D. F. Wadsworth. The group voted to observe Christian Family Week with Family night at the Church Wednesday evening, May 6. It was decided to send a box of gifts and clothing to Stillman College for the graduates there. Cards of congratulations will also be sent to the graduates of the Orphan's home and school in Itasca. The executive committee will meet the first Wednesday of each month with the committee chairman for that month meeting with the group.

The program was given by Mable Mongole entitled "My Church—Worships." Included in this topic was a most interesting review of the history of the local Church. The scripture reading was Psalm 122. Mrs. Millard Word closed the meeting with prayer.

Refreshments were served to 13 members. The next circle meeting will be held May 13 in the ranch home of Mrs. W. G. Word, weather permitting. Mrs. A. L. Chase will be co-hostess with Mrs. Word. Mable Mongole and Mrs. Charlie Seeds will be in charge of the program.

LILLIE HUNDLEY CIRCLE

The Lillie Hundley Circle of the Baptist Church met Wednesday afternoon, April 22, in the home of Francis McCord. The lesson was taught by Billie Jean Moore.

Those present were Mesdames Bailey Estes, Lois Marie Moore, A. J. Hicks, Millie Hillman, Betty Baker, Opal Spurgeon, Francis Scott, Evelyn Preacher, Rita Allen, Katherine Lane, Opal Messer, Billie Jean Moore and the hostess, Francis McCord.

Mr. and Mrs. Geo. McKee visited relatives in Memphis Sunday afternoon.

Eighty-two Pints Of Blood Donated To Bloodmobile

Donors here gave eighty-two pints of blood to the American Red Cross Bloodmobile at the Lions' Hall last Friday. Of the one hundred persons who signed donor pledge cards only fourteen failed to keep their appointments and these were compensated for by sixteen drop-in donors.

Mrs. Charlie Seeds, Donley County Blood Program chairman, stated that she was very pleased with the results. On the two days prior to its arrival here, the Bloodmobile had been stationed at Wellington where it collected forty-five pints and at Memphis which gave ninety-five pints. "This shows," Mrs. Seeds said, "that our county has donated on a par with those near."

Mrs. Seeds and Mrs. W. J. Adams, president of the County Red Cross chapter, express their thanks for the cooperation given them in the work necessary to get the Bloodmobile here and for the support and aid of the volunteer workers who spent the day assisting at the Lions' Hall.

A list of those helping with the Bloodmobile includes the telephone company which donated a telephone for usage that day; Junior's Food Market for delivering supplies as needed; G. W. Bradshaw for supplying ice; Kelly Chamberlain Insurance, Charlie Seeds Buick Co and Donley County State Bank for use of typewriters; Lee Bell for transportation; Pete Kunz for custodian duties; the churches for furnishing refreshments for the donors; and all of those working in the surrounding communities to sign donors.

Drs. Humphrey and Martindale alternated on duty at the Bloodmobile all day and Mrs. W. L. Sickles and Mrs. Kelly Chamberlain assisted as nurses. Mrs. R. A. Beverly had charge of the recovery room.

Others working at the Bloodmobile last Friday were: Mrs. W. J. Lewis, Jr., Mrs. Ray Palmer, Mrs. Harold Phelps, Mrs. Lloyd Benson, Mrs. Claude Moore, Mrs. Pat Slavin, Mrs. Tom Blasingame, Mrs. Carroll Knorpp, Mrs. P. C. Messer, Mrs. Bob Moss, Mrs. Evelyn Preacher, Mrs. Hershel Heath, Mrs. Walter Lowe, Mrs. H. K. Leathers, Mrs. Howard Scott and Mrs. L. L. Oliver. Mrs. W. J. Lowe and Mrs. Gene Putman were hostesses.

Assisting in the canteen were Mrs. Frank Phelan, Sr., Mrs. Kirk Doshier, Mrs. Dale Hill, and Mrs. Floyd Lumpkin.

life."

Texas, which has more wild turkeys than any other state, had a few bad seasons for its precious birds. Last year, for the first time in four seasons, a decline attributed to the drought, was halted and the flocks began increasing again.

"Now as the flocks break-up and the birds begin laying, with a few reported nesting, it seems that the gains made last year may be held this season," said the Executive Secretary.

Game Warden Bill Garrett of Comfort, in the heart of the Hill Country turkey area, said spring rains have provided the "green stuff" needed when wild turkeys turn from the mast crop. He said turkeys are laying in his area with a few setting.

Game Warden Adolph Heep of Fredericksburg said his observations indicated the best stock of wild turkey in Gillespie County "in six or seven years."

Game Warden Jack Gregory of Kerrville, county seat of Kerr County which harvested approximately 1,000 turkey gobblers last fall, said prospects were "good." But everybody emphasized that "everything depends on what happens during the delicate hatching and growing season."

Wild Turkeys Faring Well

AUSTIN—The Executive Secretary of the Game and Fish Commission said field reports indicate Texas' vaunted stock of wild turkey is faring well.

"Our information from the men on the scene is that the big birds are into the nesting season with conditions favorable up to now," he said. "This simply is a progress report covering the pre-hatch period. What happens hereafter cannot be foretold because so many factors affect turkeys as well as all other species of wild

BLOWIN' Out the CORNERS
by Uncle Zeb

The 25 die-hard senators who continue to filibuster against the return of the tidelands to the states cry long and hard about the wholesale giveaway of public property. I guess that they hold that because they have had it in their possession, even though they stole it from the states, that nine-tenths of the law is on their side. We wonder if they are as much concerned about the tidelands as they are in trying to force the political opposition to break a campaign promise. I guess it all depends on which kind of a party die-hard we are. It does seem a shame that the question of right and wrong slips into the background when a chance to secure political advantage bobs up.

Another funny thing was brought to mind this week by some gleaming headlines in some

of the papers. We read beautiful editorials on how that the government ought to save money; cut down on expenses and taxes. That it should streamline and curtail its government bureaus; even our elected officials advocate such things during campaigns. But, let one agency be economized on and you can hear the cries go up from all around. Oh no, not this; not in our area; not in my district; not in our town. If we are not willing for economy in government to be practiced on us we should not advocate it. My grandpa used to say something about "Practicing what we preach."

There is probably no other invention of modern times that will mean as much to the life of this generation as television. It can be a good means or a bad means. Right now at the beginning we should rise up against this selling of beer, etc., in our living room. The brewers are forcing themselves into your living room through this great modern invention.

Do you have a friend or a loved one who is a shut-in? Would he or she like to receive or write letters to others who have like problems? If so, send us their

name, or better still have them to write to this column. We will keep their name on file and also send them a membership card in a brand new club called Hearts Unlimited. No, this is not a matrimonial bureau, but a group of folks who by being shut-in have managed to shut out much of the selfishness that bothers so many of us who are well. That have found a love and peace in their hearts that is unlimited. As for me I am just the secretary. With the help of Uncle Claude of the Claude News in designing this little card, and the cooperation of Editors Estlack we are trying this another little experiment. If you know someone who should belong to this shut-in club please help us get their name, age, and a little bit about their problem.

The following little poem is the aim of the club and is printed on the back of each membership card. It is also our scrap book suggestion for now.

OUR RESOLVE
We join with one another
In this common creed;
To help our fellow brother
Receive his simple need.
To live, to work, to try and make,
His skies a brighter blue.
And to do all for Jesus sake;
Because He loves us too.

Beware of what you want, for you will get it.—Emerson
A man is what he thinks about all day long.—also by Emerson.
These great truths were taught through the pages of the Bible, but were expressed in these words for us again by this great writer.

PTA District Meeting Held At Tulia

The one day Thirtieth Conference of the twenty-six counties comprising Eighth District of Parent-Teachers Association was held in the excellent plant of the Tulia Public Schools on Tuesday, April 21. The Tulia Board of Education was host to the Board of Managers dinner in the Blue room of the High School Cafeteria Monday night, April 20. The seven Vice-Presidents and a number of Chairmen were in attendance with The District President Mrs. Orville K. Smith of Childress. A State Board member, Mrs. C. R. Larimer of Houston was present. Tulia Supt. W. B. Swinburn introduced Tulia school officials and teachers, officers and past presidents of the Tulia P. T. A.

The theme for the conference was "Safeguarding Our Freedoms Through Responsible Citizenship" presented by Mrs. Orville K. Smith, district President with the aid of four of her first grade children holding a pencil, a Bible, a door key and a voting ballot, symbols of basic American freedoms of speech, religion, person and choice.

Texas Classroom Teachers Association secured Dr. James Millar, Portland, Oregon who gave a convincing talk on Good Citizenship Today in High Schools and Colleges. He is making a speaking tour of Texas representing the Good Citizenship Foundation. Eight Tulia High School Students worked up an interesting Panel Discussion on Student Problems in School.

In the afternoon an hour work-

shop was given to the reports of accomplishments and problems of local units. Presiding at the workshops were the seven district vice-presidents, including: Mrs. J. R. Shakleford, Amarillo, Mrs. Ralph Randel, Panhandle, Mrs. Buster Cator, Gruver, Mrs. Frank White, Clarendon, Mrs. Elmer Patterson, Hereford, Mrs. Darwin Nix, Wellington, and Miss Josephine Thomas, Pampa. District Chairman served as consultants.

The High School Library was the scene of the Art Exhibit from the students of West Texas Teachers College. Mr. Emilio Caballero, district art chairman arranged this exhibit. The Tulia P.T.A. arranged refreshments.

At the post-conference board meeting the new officers made plans for the coming year.

President—Mrs. James P. Corne, Canyon; Recording Secretary—Mrs. Frank White, Jr., Clarendon; Corresponding Secretary—Mrs. W. E. Miller, Canyon; Vice-Presidents: Mrs. Claude Osborn, Friona, Mrs. Henry Foster, Memphis, Mrs. Darwin Nix, Wellington, Mrs. J. R. Shakleford, Amarillo, Miss Josephine Thomas, Pampa, Mrs. Robert Wiseman, Dumas, Mrs. Edgar Britain, Stinnett. The new Board voted to accept the invitation of Pampa to meet in that city next year.

New Record Set - - Texas Crusade Passes Half-Way Point!

AUSTIN—Vigorous local Cancer Crusades over the state have helped Texas score a new record this year for passing the half-way point of the Crusade financial goal.

For the first time in the seven-year history of the American Cancer Society, Texas Division, more than one-half of the state goal was achieved by April 15. As of that date, a total of \$325,750.72 was either pledged or

in the bank. This figure is 54.29 per cent of the 1953 state goal of \$600,000.

The total represents funds reported by Crusade Chairmen, memorial contributions and other gifts received at state headquarters during the year (to be credited to county Crusades) and funds either pledged or received from federated "one-fund" drives.

Outlook Encouraging

All in all, the outlook is encouraging for the Texas Division to reach its goal this year, according to Division President Travis T. Wallace of Dallas.

However, he cautioned against over-optimism. "At this point in the Crusade, much of our total is due to funds pledged by county units which participated in united fund drives last fall. That money was pledged before we began our April Crusade," he said.

Second Half Harder

"This simply means that the second half of the Texas goal will come harder than the first half did."

Mr. Wallace emphasized that getting the "cancer story" to the public, "in order that lives may be saved by early diagnosis and prompt medical treatment," was the primary aim of the American Cancer Society.

He added, "Every possible dollar is needed if we are to continue fighting cancer through our ex-

panding programs of research, public education and service. "There can be no let-up if Texas is to reach its goal!"

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

This week we are reporting a gift of three children's books from Connie Grady. One is the lovely Big Golden Book, Walt Disney's "Cinderella," then "Quacker Jack" a Bonnie Book is exceptionally clever, the third is a Jolly Book, "The Magic Key," and it too is very attractive.

For adults we have "The Angry Wife" by John Sedges. The story is set in the period after the "War Between the States," but the theme is as modern as today. Some books that are not so recent, but good material that were gifts to us recently are: "Give Us Our Dream" by Arthemise Goertz, "The Tamrack Tree" by Howard Beslim, "Now That April's Here" by Daisy Neumann, and "The High Hills Calling" by Anne Miller Downes. We were elated to receive these editions all in their original colorful jackets.

Come, enjoy, these additions here.

ROADMASTER
Custom built by Buick

JUST finger-tip pressure on the steering wheel lets her park and slow-manuever with far less effort.

For Power Steering—standard equipment at no extra cost on every 1953 Buick ROADMASTER—gives her easy turning of the front wheels, even when this two-ton automobile is standing still.

Just a toe-touch on the gas pedal gives her dazzling getaway, or gentle cruising pace, or soaring power to glide easily up the long, steep hills.

For Twin-Turbine Dynaflo and the world's newest V8 Engine give her a combination of quick, quiet getaway and infinite smoothness that no other car in the world can equal.

She can gentle this big, beautiful bundle of high-powered energy to a swift, sure halt with merely light pressure on the brake pedal—for Power Brakes* reduce needed pedal pressure by 50%.

She can replace summer's humid heat with refreshingly cool air by a flip of a

switch—for Buick Airconditioning circulates up to 300 cubic feet of cooled, dustless, filtered, draft-free air per minute.

Actually, the wonders—and the thrills—never seem to cease as you drive this superb ROADMASTER—the greatest Buick in fifty great years.

We'd like both the Mr. and the Mrs. to see it, try it, judge it. Why not drop in this week?

*Optional at extra cost on Roadmaster and Super models only.

Andy Rogers Sez!

By **ANDY ROGERS**
State Senator, District 30

Three baby squirrels and their mama are making two East Texans feel right at home. They have their nest in a palm tree just outside the office windows of Gov. Allan Shivers of Woodville and Port Arthur and Secretary of State Howard Carney of Atlanta. Carney estimates the baby squirrels' age at about 3 weeks. Photographers have tried repeatedly to get a picture of the little family but they won't stay still long enough.

Those who like to observe legislative and parliamentary maneuvering in your State Capitol got their fill last week.

Carried on by Senators Roger Kelley, George Moffett and others, the Senate had a filibuster.

ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

not a record-breaker, but nevertheless loaded with action and importance. They were in session nearly 18 hours. Most of this time was spent discussing a resolution commemorating Texas San Jacinto Day.

At first the object of this Tuesday, April 21st, filibuster was to delay action on a Senate proposal which would place the State's credit behind bonds to build dams to develop surface water possibilities. The opponents would ordinarily not have been worried after midnight because, under the rules, only House bills could have been considered next day.

But an attempt to suspend the rules for both House and Senate was introduced. This proposal was started by the House of Representatives and would have left the water proposal up for consideration the following two days. So the opponents talked on and on, past midnight to keep from suspending those rules.

Then another interest began to play its part. If the Senate did not get to handle the water legislation next day the first

thing to be considered was the controversial, new, Optometry regulatory bill. Opponents of this bill were on both sides of the water legislation fight. So both sides kept the talk going til 4:15 Wednesday morning and then adjourned until Thursday morning.

The results were that both the water legislation and optometry bill were delayed and left hanging, possibly to take up more time later on.

Of course opponents of both measures hope to keep delaying them until the Legislature can adjourn. This would keep much other legislation from being considered also.

Thursday the Senate got so hot over a bill to control defamatory statements made by radio speakers that agreement was made to delay it until Wednesday, April 29th. Under the rules this was the next earliest date to consider the Optometry bill. However, this action meant that the radio bill would come first and the opponents to the optometry bill can talk about radio until it is too late to discuss anything else this week.

A lot of Texans may not know it but they still have an Indian reservation. A little over \$121,000 of your tax money will be used in the next two years to support the Alabama-Coushattas tribe. They live in the East Texas piney woods near Livingston.

The House of Representatives had its most hectic and important action last week also.

Early in the week administration forces apparently gained a major victory when the House

Appropriations committee took the Senate's \$3,000 minimum salary bill for teachers and chopped it to pieces. They cut the raise in half and threw a large portion of this increase back on local school districts.

On Thursday, however, the opponents of higher teachers' salaries got the bill up before the "House as a whole" and undid the Appropriation Committee's work. The proponents gained control and then moved the bill, exactly as the Senate had passed it, within one step of final passage. Then the opponents jumped up and asked for final passage. Since the State's treasury is nearly dry (and the Constitution forbids deficit spending), the State Comptroller would have had to refuse to certify any such bill. This would have meant that the school teachers' raise was dead.

So those for raising teachers' salaries had to apparently vote against themselves and delay final action until new tax money can be provided. Apparently they have the votes. The main maneuver by the opposition will be to adjourn hurriedly and let the whole thing die on the vine.

11 Anti-Usury Bills Offered By Legislators

AUSTIN — The fact that 11 measures concerning loan sharks have been introduced in the present session of the legislature is evidence that Texas is aroused as never before to the need of dealing with this serious problem, declares President Tom Reavley of the Junior Bar of Texas.

"Many lenders are now collecting 240 per cent and more," Reavley stated. "House Bill 743 by Reagan Huffman of Marshall

would place a ceiling of 36 per cent a year on the total charges a lender may collect and a violator would be subject to a fine and a jail sentence. In addition, the entire loan would be void and the borrower could collect double the excessive charges as well as attorneys' fees.

"One of the chief subterfuges of the loan sharks at present is their requiring the borrower to take out credit insurance covering life, health and accident. The cost of such insurance is \$7 on a \$25 loan, with the lender keeping 80 to 85 per cent of the premium as a 'commission. Several bills hit at this.

"HB 754 by Hulón Brown of Midland sets the maximum commission on credit insurance at 25 per cent. Under HB 724 by Bert McDaniel of Waco, when the agent is also a lender, the commission and net profit of the loan combined must not exceed 10 per cent. HB 725, also by McDaniel, provides that the amount of a health and accident policy can not exceed the amount of the loan and, when the loan is paid, the borrower will receive refund of unearned premium or it will be considered interest.

"Credit insurance can not be required (under HB 751 by Leroy Saul of Kress) if the borrower already has either life or health and accident insurance. HB 748 by Henry Lehman of Giddings prohibits credit insurance for loans of \$50 or under and also for loans of six months or less.

"The attitude of the Junior Bar toward these and other bills introduced on the subject is this: we seek to decrease the cost of a loan to the borrower and so we look with favorable eyes on any measure which knocks out some subterfuge or puts teeth in the law. We believe, however, that the problem can be completely solved only when Texas has a small loan law similar to those which 33 states have found successful and to reach that goal, a special committee of the State Bar Association prepared a constitutional amendment and a comprehensive statute (HJR 28 and HB 604, respectively) which have been introduced by Rep. William Kugle of Galveston."
