P.-T. A. Halloween Carnival This Saturday Night

BRONCHOS TO MEET CYCLONES HERE FRIDAY NIGHT IN TRADITIONAL GAME

The big football game of the season is coming up Friday night at Broncho stadium. It's the annual traditional game between the Bronchos and the Memphis Cyclones. This is always a hard fought game in which previous playing statistics have no bearing whatsoever as the team keyed up the highest usually wins. At this meeting the Cyclones have the highest conference rating and it looks like the Bronchos will have their hands full but our Bronchos can play some powerful football if they are all in top shape and have that game-winning spirit. We think they have the ability and the spirit to come out victorious Friday night, so let's all be out there and give the Bronchos that sideline boost that lends considerable encouragement on the playing field.

Officers Expecting Orderly Halloween

County and City law enforcement officials are looking forward to another orderly Halloween night here Saturday night with activities limited to just good, clean fun. Youngsters were very considerate last year and we believe the same will be in evidence this year. Sheriff Truett Behrens stated this week.

We believe the Clarendon youth have found out that they can have a much better time without being destructive, he added.

Sheriff Behrens is pointing out to parents that they should caution their youngsters again about their activities in the residential area, for a number of people are quite touchy since some peeping has been reported locally and reports of foul play are being reported on the news from other areas most every day.

The only game giving any comparison so far is the White Deer game in which the Bronchos were defeated by a three touchdown margin two weeks ago and last week the Cyclones defeated White Deer by four touchdowns. This shows a seven touchdown difference between the teams but the Bronchos can whittle this difference down to a deficit for the Cyclones if they get in there and play heads-up football.

As an added attraction at half-time the Bronchos will crown the 1953 football queens; yes, two of them this year. The voting ended in a tie that seemed difficult to undo, so it will be their proud honor to crown two lovely young ladies Friday night. The queens are Miss Janice Benson, daughter of Mr. and Mrs. Lloyd Benson and Miss Kay Schollenbarger, daughter of Mr. and Mrs. George Schollenbarger.

The probable starting line-up for the Bronchos Friday night will be Phillee, Wallace, Kidd, M. Johnson, B. Johnson, Clifford, Lamberth, Spivey, Cosper, Hill, Martin, Wilson, Hensley, Jordan and Hall.

The probable starting line-up for the Cyclones will be Tamplen, Frisbie, Montgomery, Rogers, Sustaire, Davis, McCoy, Freeman, Gardenhire and Cheek.

Former Resident Burned To Death

Word was received here about noon Wednesday by Mrs. Homer Taylor that her brother, Hubert Reavis, was burned to death in his home at Edcouch, Texas early Wednesday morning. It was understood that an explosion set off the fire and Mr. Reavis was unable to get out. His wife was badly burned.

Hubert was raised here in Clarendon and attended the local schools where he was an outstanding track star. He left here in 1936 and attended Duke University two years and was a member of their famous track team. At the time of his death Mr. Reavis was an instructor in the Edcouch schools and also directed the Edcouch band.

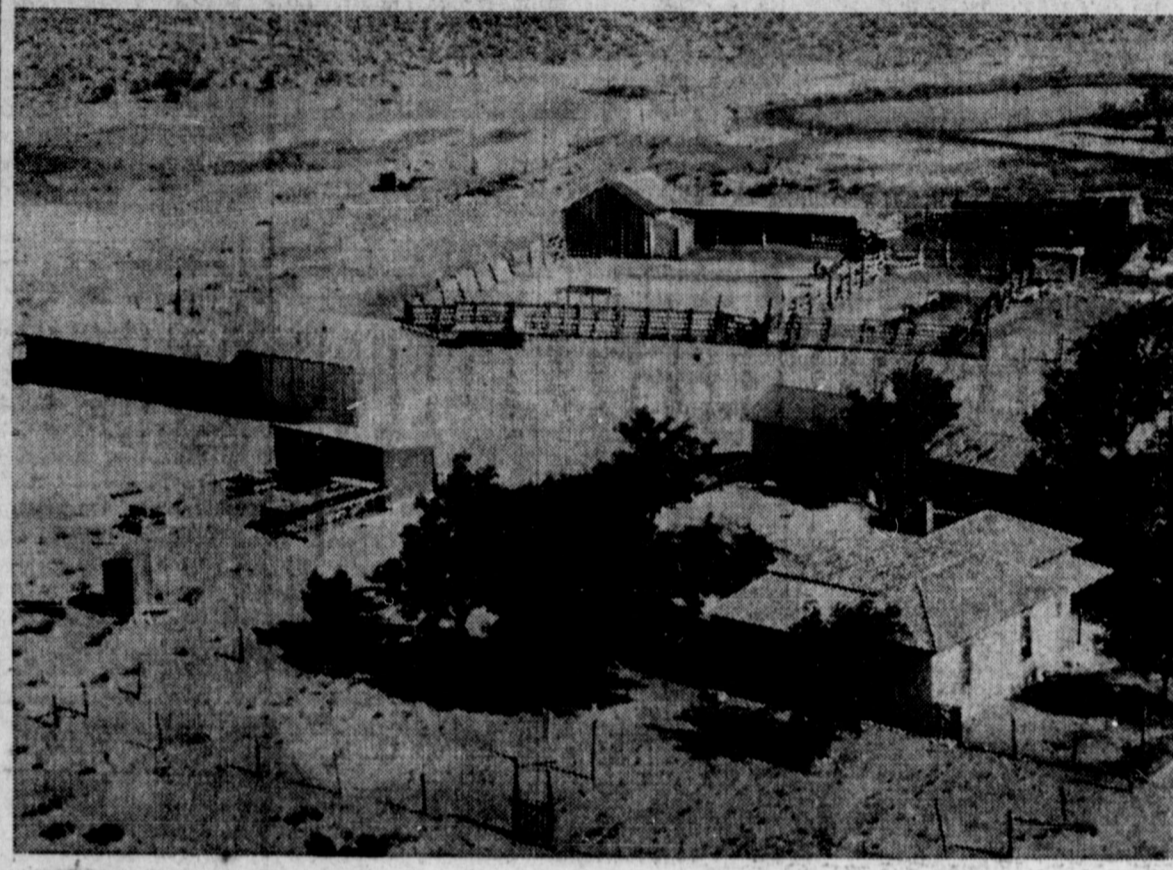

His parents, Rev. and Mrs. L. A. Reavis were honored on their 60th wedding anniversary last Sunday at Sweetwater. An article in regard to this occasion, along with a complete listing of his brothers and sisters, is in this issue of the Leader.

Bob Wills And The Texas Playboys To Play For Dance Here Tonight

America's most Versatile Dance Band, Bob Wills and the Texas Playboys will be here at the American Legion Hall tonight Thursday, October 29th to play for a dance sponsored by the Legion. This will be Bob's first visit to Clarendon in this capacity and people that love to dance are looking forward to this opportunity of enjoying dancing and listening to this nationally famous band.

Bob Wills and the Texas Playboys have played for dances in this area on previous occasions whereby local dancers have had to drive fifty to a hundred miles to enjoy his music. Now for the first time they can enjoy dancing to his music right here at home and at a much more reasonable price, stated the Legion dance chairman. The price of admission will be only \$1.50 per person.

In addition to the dance tonight, the Legion is featuring another of their famous Flip Breedlove barbecue dinners. They are featuring this excellent barbecue with all the trimmings for only \$1 per plate. It will be served from 6 to 8 p. m. at Lions Club Hall. If you haven't had an opportunity to buy your ticket beforehand, you can get yours at the door, so come on down and enjoy this fine meal, stated Legion Commander Ernest Kent.

MYSTERY FARM NO. 13—Here is the Leader Mystery Farm of the Air for this week. Rules governing this guessing contest and prizes are as follows: 1st in town and first living and receiving their mail in country to identify the mystery farm will receive a one year subscription to the Leader. The fifth to identify the farm, both town & rural will receive a free ticket to the Mulkey Theatre. The owner or tenant identifying his farm at the Leader office will receive a mounted picture free. Hours for making identification are 8 to 12 and 1 to 5 starting Thursday morning. Last weeks Mystery Farm is identified on page Three of this issue through the courtesy of the sponsor, Clarendon Furniture Co.

Local Jr. High Colts Win South Half District 3A Jr. High Conference

The Jr. High Colts defeated Lefors here Saturday night 7-0 to win the South half of District 3-A Jr. High conference and an opportunity to play Canadian for the district honors.

Jerry Behrens carried over for the Colts touchdown with Gerald Hill converting the extra point. The Colts were close to another score when the game ended.

The Colts will play the Canadian Kittens at Lefors tonight at 6:30 for the district title. Colt fans attention is called to the seating arrangement at Lefors which is a neutral field. Clarendon will occupy the south end of the west side stands while Canadian will have the north end of the west stands.

The game will be a double header with the Lefors "B" team playing the Borger "B" squad at 7:30. The price of admission will be 25c for students and 50c for adults.

The Kittens record is 3 conference wins over Skellytown, White Deer and Panhandle. The Colts own wins over McLean and Lefors. Canadian beat Lefors 31 to 12 and the Colts beat them 7 to 0. This indicates a good game with Canadian holding a slight edge.

Coach Christian reports the Colts in good shape and eager for the game. The spirit is high and we hope to bring home the title, he added.

Everyone that can, be sure and journey along with the boys to Lefors and cheer them on to victory. They have been working hard and deserve all the support they can receive.

FARM BUREAU COUNTY CONVENTION TONIGHT

Holly Wood, president of the Donley County Farm Bureau, is reminding everyone of the county convention which will be held tonight at the Lelia Lake school house at 7:30 p. m. A chili supper will be served and everyone is invited. Officers will be elected for the coming year and resolutions drawn up by the resolutions committee this morning will be voted upon.

Locals Injured When Car Overturns

Two Clarendon men were hospitalized at Shamrock with numerous injuries after their car rolled over approximately six times about six miles east of McLean about 2:30 Tuesday afternoon.

Gordon Moore, driver of the car, suffered a fractured left arm and possible internal injuries. Tommy Hodnett suffered a broken right arm, a fractured neck and other possible injuries.

Mrs. A. W. Covington suffered only bruises and shock. The two young men were thrown from the car. The 1953 Buick owned by Pat Slavin was completely demolished. The three occupants of the car were enroute to Shamrock to pick up two new cars for Mr. Slavin.

Mrs. Covington was able to return home but Moore and Hodnett are still patients in Shamrock General hospital.

Jaycees To Promote Church Attendance Month

The Clarendon Jaycees are promoting a drive to encourage church attendance during the month of November. This program is in connection with RIAL (Religion in American Life) a nationwide drive encouraging church attendance and prayer during the month of November.

Each of the four weeks have been designated to different groups. The first week is to be youth week, the second week will be womens week, the third week will be calling all men, and the fourth week will be for the entire family. "We are working with all the local ministers on this program, and you will be hearing more about it as the days go by," stated George Watson, Jaycee President, and chairman of the drive.

The Jaycee slogan for the month of November is "Offer Your Thanks". Let's all turn out for church each Sunday during the month, whether individually or in groups and give our thanks for the many blessings God has bestowed upon us. "Go to the church of your choice, but go."

Seventeen Identify Mystery Farm

There were seventeen to correctly identify the Leader Mystery Farm of the Air last week. This one was a bit harder to identify as it was located to the north side of our trade area. It is identified on page three in the Clarendon Furniture Co. advertisement. We thought for awhile that we wouldn't have enough on the list to issue free movie tickets but the lists finally filled out that far.

Mrs. J. S. Dale was the first to make correct identification on the rural list and Mrs. Dick Chunn was the first on the city list. Both will receive free subscriptions to the Donley County Leader. Those winning free tickets to the Mulkey Theatre were Mrs. Hubert Brown, rural, and Bud Hermesmeier on the City list. Those to correctly identify the Mystery farm were:

RURAL—Mrs. J. S. Dale, Mrs. Clyde Hudson, James Ashcraft, Mrs. B. J. Leathers, Mrs. Hubert Brown, Mrs. H. H. Hunt.
CITY—Mrs. Dick Chunn, Lloyd Johnson, Mrs. Carl Pittman, Bernice McCrary, Bud Hermesmeier, Mrs. W. H. Ellis, G. R. Grant, Gene Elmore, Frank Reid, Mrs. Ed Hodges, and Marianne Longan.

Varied Entertainment To Highlight Festivities At Elizabeth Stevens And Junior High School Buildings

Fifteen Out For College Basketball

Coach Don Lloyd announced this week that he had fifteen regulars out for Jr. College basketball. Out of this number, four are lettermen and three are squadmen and the other eight are newcomers on the squad.

The lettermen are Garland Fielding, Don Dorman, Melade DeGais, and Jack Neeley; the returning squadmen are Billy Alexander, Toots Walker and Charles Coney. The new squadmen are Rayford Hutcheson, Jasper Peeples, Marion Garland, Harold Hooker, Harold Dillehay, Joe Thompson, Wilcey White and Gerald Boland.

The Bulldogs will open their season November 19th at Decatur.

Nearly Five Inches Of Moisture For October

When it finally decided to rain, it apparently decided to catch up a bit for the first part of the year. Up to the present time, Joe Goldston's official measurement for the month here in Clarendon was a nice 4.9 inches. Willard Knox reported a total of 5.34 for Lelia Lake. Other sections of the county received similar amounts.

The rain that fell last week was of a soaker nature with most of it falling slowly, and a goodly portion going right on into the ground. Stock ponds have been filled and the natural lakes in this area cover larger areas than they have in several years.

Outside of the general benefit in the way of subsoil moisture, the rain was most beneficial to wheat growers who will be able to realize some good grazing for their stock.

SCHOOL CLASSES SELECT CLASS FAVORITES

The student body of the Jr. College and Senior High School selected class favorites the past week with the following students representing their respective class.

College—Don Dorman and Virginia Hanna; Seniors—Fred Clifford and Evelyn Wood; Juniors—Max Johnson and Sue Talley; Sophomores—Luellan Richerson and Jimmy Smith; Freshmen—Linda Lamberth and Jimmy Philley.

The annual Halloween Carnival of the Sims P.-T. A. will take place Saturday, October 31, at the Elizabeth Stevens and Junior High School buildings. This year's list of Carnival festivities has something to appeal to everyone in the family from the youngest member to the grandparents.

The luncheon in the junior high building will be open at 6 o'clock, featuring a menu of home-made pies and cakes, and assorted sandwiches, with coffee or soda pop to drink.

Two of the stellar attractions of the Carnival will be the Tom Thumb wedding and the Minstrel Show. The wedding, presented by the two first grades, will have two performances, one at 7 o'clock and the second at 8 o'clock, in the Junior High auditorium.

Pat Murphy, fifth grade, will read the wedding ceremony. The bride, Lynda Gordon, will be given in marriage by her father, Freddy McAnear, and will be attended by her maid-of-honor, Sharon Henson, and six bridesmaids: Carolyn and Marilyn Noble, Sandra Rhode and Dolia Vallance, Mary Louise Caldwell and Jill Benson. Flower girls will be Melissa McCully and Janiece Eudy. Candles will be lighted by Pamela Palmer and Regina Borden.

The groom, Barry Hudson, will have for his best man, Richard Merchant. His parents, Sandy Deville and Kenneth Price, and the mother of the bride, Camille Byers, will be present at the ceremony. Paula Word of the second grade will be soloist. Richard Bell and Lloyd McCord will be ushers. All the first graders have a part in the ceremony.

The Minstrel Show, under the direction of Mrs. Weaver, will consist of spirituals sung a capella and jokes. Combined with this will be a floor show, featuring a polka by fifth graders, tap dances by Lee Ellen Bell and Judy Thompson, and acrobatic stunts by Donna Estlack. About forty fifth and sixth graders will take part in the show, which will be presented in the Elizabeth Stevens gymnasium four times during the evening.

Items on the evening's fun program include picture shows, freak shows, spook rooms, fortune telling and many others. Objects for sale in various booths will range from home-made bread to second-hand hats.

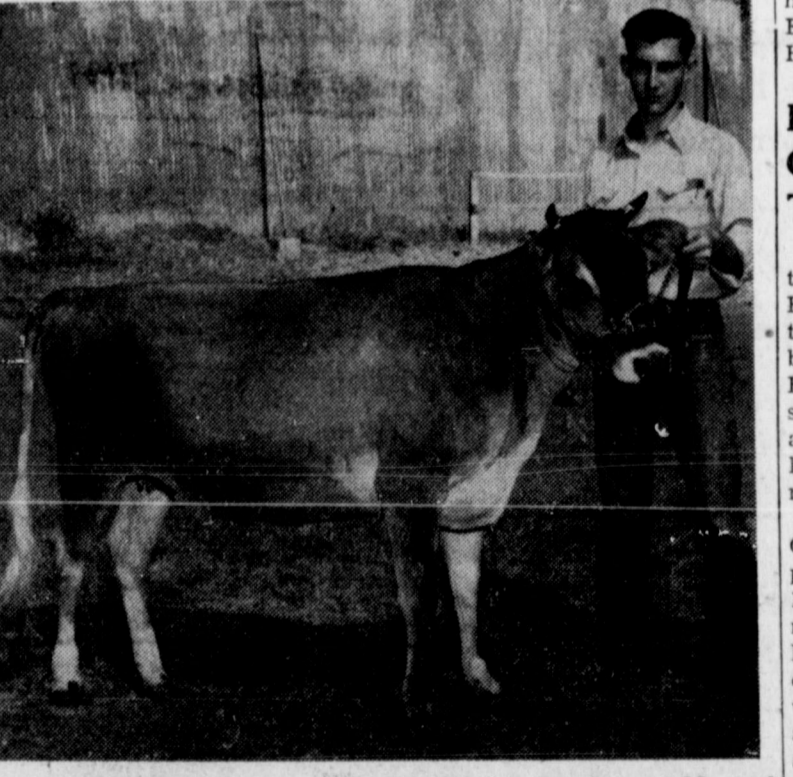

It's a grand chance for everyone in the family to have an evening of wholesome entertainment. Carnival night at the Elizabeth Stevens and Junior High School.

Hedley Church Of The Nazarene To Hold Revival

Rev. Geneva Kilgore, pastor of the Church of the Nazarene at Hedley announced this week that they will hold a revival November 4th thru the 15th with Rev. Ralph C. Gray and wife of Kansas City in charge. Rev. Gray is a well known pastor and evangelist in the Church of the Nazarene.

For more than 25 years Rev. Gray has served the church as pastor or evangelist and until 1948 he gave his time to pastoral ministry and held a number of leading pastorates. Mrs. Gray accompanies her husband in his work and is a talented musician and singer. She plays the piano and piano-accordion. Both are graduates of Nazarene colleges.

The church gives you a cordial invitation to attend and hear this humble, spiritual, holiness preacher, Rev. Kilgore stated.

Martha Beth Gillham, local club girl and daughter of Mr. and Mrs. J. R. Gillham, showed the first place Jersey heifer in the two year old class at the State Fair of Texas last week. Jimmy Hines of Ardmore, Okla., who showed the animal, is pictured with the winner above. (picture courtesy Vocational Agriculture Teachers Association of Texas)

Mr. and Mrs. Kermit Evans and family visited Mr. and Mrs. W. C. Whitfield at Plaska Sunday.

Mr. and Mrs. J. R. Brandon were in Amarillo Saturday. They

Agricultural Export Situation Serious

The agricultural export situation is likely to be given serious consideration when farmer delegates convene Nov. 9-11 in Mineral Wells for the 20th annual convention of the Texas Farm Bureau Federation.

Declining agricultural exports pose a grave problem for producers of certain commodities. Growers of some of the basic commodities, including cotton and wheat, are hardest hit by the loss of foreign markets. Two years ago exports accounted for 51.2 per cent of the cotton crop and 48.7 per cent of the wheat crop. In that same year the production from one out of every ten acres found outlets outside the United States.

But this market is rapidly shrinking. Agricultural exports from the United States declined 31 per cent in value last year, to the lowest point since 1944-45, according to figures recently released by the U. S. Department of Agriculture. At the same time, the nation's non-agricultural products shipped abroad rose in

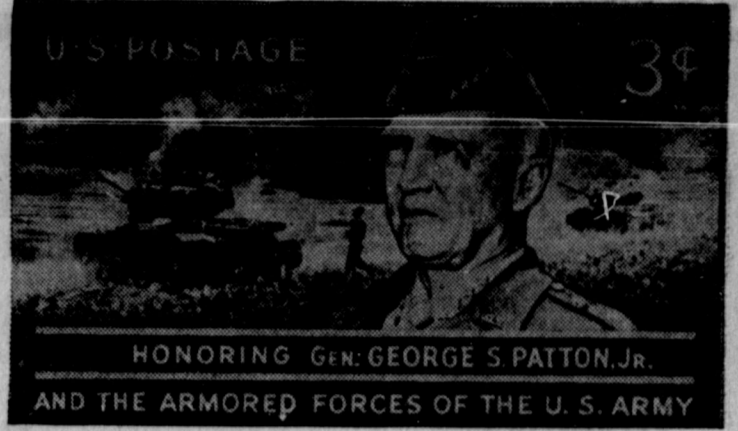

value.

Several reasons have been given for the decline, including: the reduction in direct foreign economic aid by this country; improved farm production in areas fostered by the U. S.; inventory reductions in importing countries in response to eased world-supply situations.

Secretary of Agriculture Ezra Taft Benson, commenting on the downward trend in farm exports, said, "Our declining export situation points up sharply our need for more effective farm programs and for foreign trade policies that will not only assure the U. S. farmer good markets at home, but which will widen his markets abroad."

The major farm organizations are attempting to find a solution to the export decline which threatens the whole farming industry. The American Farm Bureau Federation, which has a membership of 1,800,000 farm families in 47 states and Puerto Rico, has initiated action on several fronts to bring about an increase in exports.

The Farm Bureau was largely responsible for getting Congress to set up a bi-partisan trade commission last session to review the whole field of international trade. The commission's report, to be given when Congress convenes in January, is expected to point up flaws in the present trade policy. Farm Bureau was instrumental

THE LATE GENERAL George S. Patton, Jr. who wrote a new chapter in military history with lightning armored thrusts deep into enemy territory during World War II, and Army tankers share honors of the commemorative stamp pictured above.

in getting the Reciprocal Trade Agreements Act extended until next year. This act permits the President to negotiate separate treaties with various countries.

The national farm organization was able to help eliminate Section 104 of the Defense Production Act. This section of the act was causing retaliatory measures by other countries to the detriment of U. S. trade and prestige.

The Farm Bureau was primarily responsible for adoption by Congress last session of a plan whereby the U. S. would accept the national currencies of the free nations of the world in return for surplus agricultural commodities. The foreign money collected would be used to carry out our commitments under the Mutual Security Administration.

HUGDINS NEWS

PATHFINDER

Members of Pathfinder met in regular session at Patching Club House Friday afternoon. Hostesses were Mrs. Fred Buntin and Mrs. Ed Dishman. Entertaining rooms were decorated with pyra-cantha.

Mrs. Pete Kunz opened the meeting with a devotional, "Moral Leadership of Our World," followed by prayer by Mrs. C. B. Morris. Mrs. Bill Greene, Sr., Safety Chairman, gave a note on "Safety" pointing out that the majority of us are average drivers and should exert more care while driving. Mrs. T. M. Caldwell, Jr., Federation Counselor, read the Federation Score Card for the year showing what would be rated in Federated Club Work. The group voted \$2.50 to be applied to the Latin American Scholarship Fund and \$2.50 to Headquarters Maintenance Fund, both subject to the Federation Score Card.

The president, Mrs. Clyde Hudson on behalf of the club welcomed Mrs. Geo. Benson as a new member.

Mrs. E. Woody was leader of the program for the afternoon entitled "Mental Health." Mrs. Wm. A. Cockerell spoke on "Mental Health Starts in Homes, Schools, Churches, and the Community." She stressed that each person must be able to live with himself; each person should be a

happy individual with the ability to love and be loved. We all must have some purpose in life and have faith in our self and church. The concluding part of the program was given in the form of a skit with Mrs. R. Y. King leader. The skit, "Living Later Years," pertained to old age and portrayed the characters of three elder women, the parts taken by Mrs. Heckle Stark, Mrs. E. Woody and Mrs. Lee Holland. The three represented different stations in life and as each passed from view, her situation was analyzed and suggestions made whereby her life might be made better for herself.

Following the program refreshments of coffee or tea and nut cake were served on a hall-venen tray by the hostesses to approximately 35.

GOOD NEIGHBORS CLUB

This Club met with Rosa Bingham on October 23 with an all day meeting and covered dish lunch at the noon hour. Visitors were Mrs. Velma Owens, W. W. Rudd; members Pearl Terry, Eula Butler, Ruby Jordan, Dawsie Sullivan, Dorothea Sullivan, Bessie Helton, Bennie Crabtree, Emma Davis, Mava Anderson, and the hostess Rosa Bingham.

Next meeting will be with Emma Davis on November 13th.

BETA SIGMA PHI OPEN MEETING

Twelve members of Texas Mu Gamma Chapter No. 3942 of Beta Sigma Phi, their sponsor, Mrs. C. B. Morris, and four Rushees, attended an Open Meeting on October 22nd, in the home of Mary Frances McCully with Freida Gray and Ann Reeves as co-hostesses.

Ann Reeves, President, gave the "Welcome to Rushees". She used the theme and explanation of "Guests". Dee Williams spoke on "Presenting Beta Sigma Phi". Vita Scientia Amicitia, Greek meaning Life, Learning and Friendship was used throughout the program.

The regular cultural program was conducted by Bert Garland. "Pleasures of Possession" was the title of the program. Bert dwelled upon the "collector" in her program.

Rushees attending the meeting and enjoying the delicious refreshments served by the hostesses were: Nova Mears, Mary Gain, Mae Naylor, and Louise Lamberth.

Members present were: Mary Kay Riley, Bert Garland, Jane Bownds, Lois Schollenbarger, Jo Lynn, Jennie Aten, Frankie Henson, Dee Williams, Mrs. Morris Sponsor, Betty Bell Member-at-Large, and the hostesses Mary Frances McCully, Freida Gray and Ann Reeves.

The next regular meeting will be November 12 at 8 p. m.

BIRTHDAY DINNER

A birthday dinner was given Sunday, Oct. 25, in the home of Mr. and Mrs. Tom Scoggins honoring Tom Scoggins, also Trent Robertson from Amarillo.

Those enjoying the noon day meal were: Mr. and Mrs. Bud Alford and Randy, Mr. and Mrs. Dassel W. Scoggins and Dwight, Mr. and Mrs. Morrison Scoggins from Garland, Texas; Irma Dean Brown from Dallas; Mr. and Mrs. J. O. Scoggins and James Robert from Idalou, Texas; Mr. T. A. Scoggins and Nannie Scoggins, Mr. and Mrs. Claude Scoggins of Lakeview; Mrs. W. R. Robertson of Memphis, Texas; Mr. and Mrs. Trent Robertson and Brenda of Amarillo; Mrs. Mary Beth Smoot and children, Connie, Rita, Michael, Mrs. Nannie Green, Mr. John Green, Mr. and Mrs. Kenneth McCaslin, Mr. and Mrs. John McDowell and baby, Mr. and Mrs. Rusty Love and children, Linda and Debbie, Mrs. Luella Stratton, all of Tulsa.

Those coming in the afternoon: Mrs. C. L. Ray and Bobby, Mrs. K. D. McWilliams, Mr. and Mrs. Earl Briscoe of Memphis, Texas; also Mr. and Mrs. Tom Scoggins. The honorees received several gifts and cards.

Those sending gifts: Mr. and Mrs. J. C. Ashcraft, Mr. and Mrs. James Ashcraft, Mrs. J. H. Ashcraft and Emma and Edith Jackson. Everyone reported an enjoyable time.

Sam King Accepts Position With Texas Education Agency

Sam W. King, son of Mr. and Mrs. H. R. King of Lelia Lake, has resigned his position as Supervisor of Industrial Education with the Fort Worth Public Schools. He will accept a position with the Vocational Division of the Texas Education Agency as District Supervisor of Industrial Education. Mr. King will report to Austin on November 2, and will be assigned to the Gulf Coast Area with headquarters at Houston. He will be responsible for the promotion and supervision of high school Trade Preparatory classes, adult Trade Extension Training, and Apprentice training. Mr. King came to Fort Worth on January 1, 1953 from Wichita Falls where he was Coordinator of Industrial Cooperative Training for 3 1/2 years.

Sam is a graduate of Lelia Lake High School and attended Clarendon Jr. College. He completed work for his B. S. degree at West Texas State College in 1937 and received his Masters Degree from West Texas State in 1951. Sam has been an active member Texas Vocational Association, Texas State Teacher's Association, North Texas Chapter of American Society of Training Directors, and is a charter member of the Sigma Chapter of Iota Lambda Sigma, an honorary Industrial Education Fraternity. In addition to his work with the Public School, Sam has been an active member of the Marine Corps Reserve and holds a reserve commission as a

Major. He is Executive Officer of Marine Ground Control Intercept Squadron 20 which hold regular drills each month at Naval Air Station Dallas, Texas. Sam spent the past week-end visiting his parents and other relatives at Lelia Lake.

Frances Clark Piano Workshop

On November 27-28, a piano workshop will be conducted by Frances Clark of Kalamazoo College, Kalamazoo, Michigan, in Amarillo, Texas. This workshop is being sponsored by the Amarillo Music Teachers' Association and teachers of the area are invited to attend. For further information, write to Nellie Erhard, 1511 West 18th Ave., Amarillo, Texas.

Miss Clark is director of Piano Pedagogy at Kalamazoo College. She originated a piano pedagogy course and teacher training program which has been widely copied by colleges and universities in many parts of the country. She is acclaimed for application of sound teaching principles of piano teaching; concentrated and practical organization of teaching procedures; and for vital stimulating presentation. Similar classes have been held in Virginia, Utah, Minnesota, South Carolina, Louisiana, Boston, Washington, New Orleans, Philadelphia, Denver, and Michigan.

Guy Mair, eminent pianist and teacher says, "Frances Clark is the top teacher of teachers in this country today."

Donley County Leader, \$2.50 a Year.

CLARENDON RESIDENT RETURNS HOME

Friends of Mrs. W. D. Martin will be glad to know that she is able to be home once more. Last week she was brought by ambulance to the home of a son and wife, Mr. and Mrs. Chester Martin, and from there to her home this week. She is still confined to her bed much of the time but is able to be about in a wheel chair part of the day.

Mrs. Martin was taken to an Amarillo Hospital last January and from there went to the home of a daughter, Ethel Moss, in Borger. She fell and broke her hip while in Borger and has since been confined to her bed.

We are glad to have Mrs. Martin back in Clarendon once more and are wishing her continued improvement.

OUR RECENT SAD LOSS

leaves us with grateful hearts toward neighbors and friends. Their comforting expressions of sympathy, thoughtfulness, and beautiful flowers will always be remembered.

Mr. and Mrs. R. O. Thomas and Family.

Mrs. S. A. McCarroll of San Angelo left Tuesday for Amarillo where she will visit a few days before returning home. She has been visiting in the home of Mr. and Mrs. F. A. White, Sr. Recently she and Mr. White returned from a two weeks visit with relatives in Los Angeles, Calif.

Mrs. J. M. Potter who has been ill is reported to be improving at this time.

Highlights and Sidelights FROM Your State CAPITOL

By VERN SANFORD
Texas Press Association

AUSTIN—Eyes of all the nation were focused on Texas during President Eisenhower's visit.

Entering the state by plane, the president proceeded to Sharyland, baronial home of Governor and Mrs. Shivers near Mission.

Next on the program was a 65-mile drive to Falcon Dam, where Mr. Eisenhower was met by the Mexican ambassador to the United States.

Crossing the international border, the president met President Adolfo Ruiz Cortines of Mexico on the steps of Nuevo Guerrero's municipal palace.

The two presidents reviewed a festival in the plaza below the palace.

Later Mr. Eisenhower and Sr.

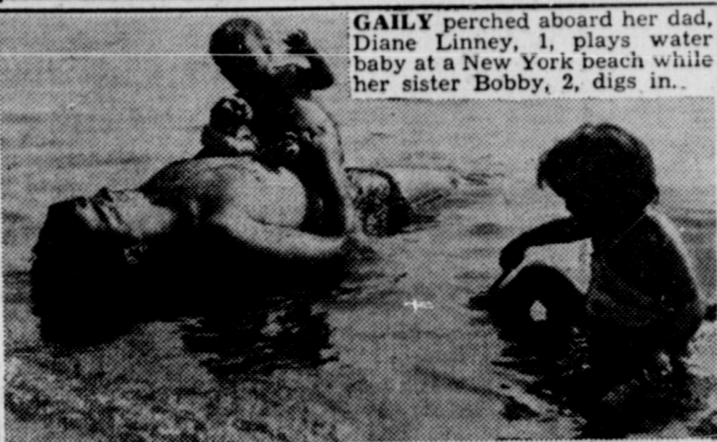

Cortines lunched together at Falcon Dam, then proceeded to the dedication ceremony, where both made speeches.

After the ceremonies, President Eisenhower drove to Laredo and took a plane for Washington.

President Eisenhower, incidentally, is the second Chief Executive of the United States who has ever visited the Lower Rio Grande Valley. Warren G. Harding spent two weeks fishing in the Gulf of Mexico off Port Isabel in November, 1920, while he was president-elect.

Eisenhower's visit with President Cortines of Mexico marks the fifth meeting between presidents of the United States and Mexico since 1912. Previously President Taft met Diaz at Juarez

People, Spots In The News

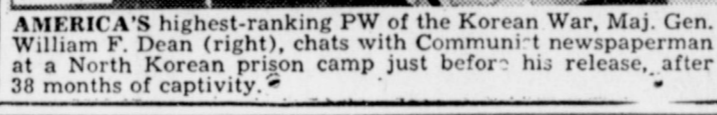

GAILY perched aboard her dad, Diane Linney, 1, plays water baby at a New York beach while her sister Bobby, 2, digs in.

CEREMONY to mark pressing of 10 millionth 45 rpm extended play record is planned by RCA Victor executives Lawrence Kanga and Emanuel Sacks (seated). The popular EP records were introduced just one year ago.

OPERA STAR Marguerite Piazza strikes an attractive note as she emerges from pool at Las Vegas.

AMERICA'S highest-ranking PW of the Korean War, Maj. Gen. William F. Dean (right), chats with Communist newspaperman at a North Korean prison camp just before his release, after 38 months of captivity.

in 1912; Roosevelt met Avila Camacho at Monterrey in 1942; Truman met Miguel Aleman in Mexico City in 1947 and Aleman and Truman met in Washington in 1948.

—tpa—
Behind all the pomp and ex-

citement of the Eisenhower visit to Texas a political struggle was going on as three factions sought the favor of Texas voters.

These were the Republicans, the Shivers or Conservative Democrats, and the Adlai Stevenson or Liberal Democrats.

National Republican Chairman Leonard Hall concluded a visit to Texas after exhorting his party's members to whoop up their efforts.

"If you work hard," he said in a speech at Houston, "it will not be long before we find as many Republicans in Texas as we find in New York."

Meanwhile, Sam Rayburn, a leader of the so-called Liberal Democrats, doubted that the Republicans were getting anywhere very fast in Texas.

He expressed himself at San Antonio as being glad that Hall had come down this way, and:

"I hope they send all their big shots down here because I would be interested in hearing their excuses for not carrying out their glorious campaign pledges of 1952."

In the third political camp, that of the Shivers Democrats, there was activity too, but it was mostly organization work—that hard and dreary but necessary precinct-level ringing of doorbells that has to be done in order to win.

—tpa—

Texas Congressman Lloyd M. Bentsen Jr., who had frequently been listed as a possible candidate for governor next year, added some warmth to the political situation.

He has been making talks all over the state, but when asked about his plans, he answered, "I have nothing to say at this time about my political future."

Bentsen represents the Fifteenth Congressional District in the Rio Grande Valley. The question asks itself:

If he is not thinking about a statewide political race, why is he speaking so extensively?

—tpa—

To find out whether the University of Texas system is operating in the most economical and efficient manner, a survey will be made of the administrative set-up, announced Tom Sealy of Midland, chairman of the university board of regents.

Making the survey will be the Texas Research League, which will share the expense equally with the Ford Foundation.

Costing \$100,000, the survey will include the main university, medical schools at Dallas and Galveston, a postgraduate medical training program, a dental school, a cancer research hospital, Texas Western College at El Paso, McDonald Observatory

near Fort Davis, and the Institute of Marine Science.
"It is one of the biggest educational institutions in the country," Sealy said, "with an operating budget of \$23 million a year."

Music Workshop

Miss Lucy Beddoe and O. J. Sitzer from American Book Company with headquarters in Dallas met with the teachers in the Elizabeth Stevens and Junior High School buildings Wednesday afternoon, Oct. 21, to conduct a workshop in music.

The afternoon was spent in demonstrations of the songs to be taught to the boys and girls. The group thoroughly enjoyed the pleasant free way in which Miss Beddoe demonstrated the work to be done. This free service on the part of the Company was deeply appreciated by all the teachers who attended.

To enable the teachers to attend the workshop the mothers substituted for them. Those mothers who so graciously helped out were as follows:

- 1st grade—Mrs. Anna B. Ballew; Sub, Mrs. T. M. Caldwell.
- 1st grade—Mrs. C. R. Brown; Sub., Mrs. J. G. Stewart.
- 2nd grade—Mrs. Mildred Hendrix; Sub, Mrs. J. G. McAnear.
- 2nd grade—Mrs. Virgie Johnson; Sub, Mrs. Raymond Johnson.
- 3rd grade—Mrs. Evelyn Guy; Sub, Mrs. Kaki McMurtry.
- 3rd grade—Mrs. Ruby Lee Sandifer; Sub, Mrs. Shelby Bell.
- 4th grade—Mrs. Mari Rhode; Sub, Mrs. Homer Bones.

FARM NEWS

from the County PMA Committee

Acreage Allotment Requirements as Conditions for Price Support on 1954 Crop Wheat:

Information has been received from the Washington Office concerning the eligibility requirements for price support under the 1954 CCC Wheat Price Support Program, which provides the following:

1. Producers of wheat must comply with the 1954 wheat acreage allotment determined for their farm in order to be eligible for price support under the 1954 Wheat Price Support Program.

2. No producer will be entitled to wheat price support on a farm upon which the wheat acreage is within the farm acreage allotment unless the 1954 acreage of all other commodities in which he has an interest subject to acreage allotments are not in excess of the respective allotments for such commodities for the farm.

3. No producer will be eligible for price support on eligible wheat until he is entitled to receive a wheat marketing card for each farm on which he has an interest in the 1954 wheat crop, located in the same county as the farm on which the eligible wheat is produced.

4. The producer's application for wheat price support must be accompanied by a certification and agreement that no 1954 acreage allotment for any commodity in which he has an interest which has been or shall be established for the farm on which the wheat tendered for price support was produced, has been or will be exceeded.

Mr. and Mrs. Jay Bowles of Happy announce the arrival of a daughter Monday, October 28 at a Canyon hospital. She weighed 7 lbs. and was named Kay Abbott. The proud grandparents are Mr. and Mrs. C. N. Dozier of Clarendon.

Frank White, Jr. and Lloyd Benson are attending to business in Dakota this week.

Bill Percival is hunting in Colorado this week.

Mr. and Mrs. W. W. Dodson Celebrate 50th Wedding Anniversary

Dodson's Celebrate Golden Wedding Anniversary

Mr. and Mrs. W. W. Dodson of Clarendon celebrated their fiftieth wedding anniversary Sunday, October 18, at the family home here, with approximately one hundred friends and relatives calling throughout the day.

Relatives gathered at Lions Club Hall at the noon hour for a luncheon. A reception was held in the afternoon at the home from 3 o'clock to 5 o'clock. The couple received many lovely gifts and good wishes.

Mr. Dodson was born in 1882 and Mrs. Dodson in 1883. They were married in 1903 and moved to Donley County in 1906. Their five children and their families were all present for the occasion. They are Mrs. C. L. Fletcher, her daughter and granddaughter of Richmond, Calif.; C. O. Dodson and family and H. R. Dodson and family of Amarillo; Athalee Dod-

son of Clarendon; and Arvie Dodson and family of Texarkana, Texas. There are twelve grandchildren and one great grandchild.

Mr. Dodson has engaged in farming most of his life but for the past few years he has been employed by the Railway Company.

For the reception at the home, the serving table was laid with a white linen cloth bordered in gold. Centering the table was the three tiered cake beautifully decorated with gold flowers, bells, and hearts centered with lovebirds. To either side of the cake were bouquets of dahlias, deep purple to the one side and gold to the other. The bouquets were flanked with gold candles. Completing the table setting were the crystal punch service at one end of the table, and the crystal plates and silver to the other.

Out-of-town guests present included Mrs. H. C. Runnels and Teresa of Richmond, Calif.; Mr. and Mrs. Bill Abram of Estelline,

Texas; Mr. and Mrs. Bud Fletcher and family, Mr. and Mrs. B. F. Fletcher of Melrose, N. Mex.; Mr. and Mrs. John Fletcher of Crosbyton, Texas; Mr. and Mrs. O. L. Usrey, Mr. and Mrs. Nelson Seago, Mr. and Mrs. Lacy Noble, and Mr. and Mrs. J. H. Wood, all of Lelia Lake; Mr. and Mrs. Robert Elkin, Mr. and Mrs. Lloyd Ellis, Mrs. Darrel Wayne Dodson, Lewis Wood, Nelda Harris, Mr. and Mrs. Virgil Morris, all of Amarillo; Mr. and Mrs. Ivan Gresham of Munday, Texas; Mr. and Mrs. W. F. Harper, Verna Lee Mungar and daughter, Mr. and Mrs. A. L. Spruill, Mrs. C. B. Alexander, Mr. and Mrs. Allen Beale and Bobby, Mrs. J. O. Wood, and Mrs. Cliff Williams and children of Sudan, Texas; Mr. and Mrs. Odell Rawls of Memphis, Texas; Mrs. Curtis Phillips and children of Ashtola; Mr. and Mrs. W. J. Harper of Newlin, Texas; Mr. and Mrs. Bill Cook and girls of Spade, Texas; and Mr. and Mrs. Bryan Thomas of Electra, Texas.

Former Residents Honored On 60th Anniversary

The Rev. and Mrs. L. A. Reavis of Sweetwater observed their 60th wedding anniversary last Sunday with a special service at Highland Heights Methodist Church in Sweetwater. Their son, the Rev. L. A. Reavis, Jr., pastor of Port Neches Methodist Church, preached the service.

The Rev. Mr. Reavis, who is now 81 but still preaches by invitation and teaches a Bible class, has held pastorates in the Sweetwater area for several years. He and Mrs. Reavis made their home here in Clarendon for a number of years through the twenties prior to moving away.

He and Mrs. Reavis, who was Miss Nannie Davis, were married on Sunday, Oct. 29, 1893 at Nevada in Collin County. They have 11 children: C. L. Reavis, Shamrock; Mrs. R. B. Carter, Lubbock; Mrs. Homer Taylor of Clarendon; Mrs. J. D. Vandergriff of Berryville, Ark.; H. H. Reavis of Childress; Mrs. F. H. Sitton of Springfield, Mo.; L. A. Reavis, Jr. of Port Neches; H. R. Reavis of Edcouch; R. C. Reavis of Sunny-side, Wash.; Mrs. Ira H. Barry of Greenville, S. C.; Mrs. Chenault Owens of Wichita Falls; 23 grandchildren and four great grandchildren.

School Cafeteria Menu, Nov. 2-6

MONDAY
Hot tamales, red beans, cream corn, lettuce wedges, bread, milk, sugar cookies.

TUESDAY

THURSDAY
Salmon croquettes, blackeyed peas, spaghetti and tomatoes, carrot and pineapple salad, bread, milk, fruit.

FRIDAY
Hamburgers, navy beans, lettuce, onions, pickles, potato chips, buns, milk, pudding.

FORMER RESIDENT BURIED HERE

Mrs. Harriet Elizabeth Eddins, 92, a pioneer resident here, died at 6 p. m. Friday in a San Antonio hospital. Graveside services were conducted here at Citizens Cemetery Monday morning.

Mrs. Eddins moved to Old Clarendon in 1891, where she taught school. She was the wife of John N. Eddins, who died in 1925. He was in the furniture and drug business.

Mrs. Eddins had been living with her children in Ft. Worth and San Antonio for the past few years. She was a member of the Methodist Church.

She is survived by one son, William Nelson Eddins, San Antonio; three grandchildren and seven great-grandchildren.

Funeral arrangements were under the direction of Murphy-Spicer Funeral Home.

Plant Cover Crops Says County Agent

The recent moisture that has fallen in Donley County gives us a good chance to plant cover crops says county agent H. M. Breedlove. One of the best to plant at this late date says the county agent is rye and wheat. Seed can be secured from your local dealers and should be planted as soon as possible while the ground is still warm to get fast germination.

Next spring might be a windy one so now is the time to get that cover crop on the land and eliminate the blowing next spring.

The county agent also says that with favorable weather conditions you might also get some late grazing on these crops.

Mrs. Ethel Fobinson of O'Donnel spent Tuesday with Mrs. J. C. Estlack.

Mrs. Della Mahaffey of Donning, Calif. visited in the J. C. Estlack home Friday afternoon.

Visiting friends in this section the past week were Mr. and Mrs. Nels Robinson of O'Donnel.

Mr. and Mrs. W. J. Lewis, Jr. are visiting in Lexington, Kentucky this week.

PLOWIN' Out the CORNERS

by Uncle Zeb

Anyway, finally it rained here in est Texas and what a change it made in the faces of us natives. Overnight people were smiling again and talking about that dry year back in 1953. Below are some of the reaction of folks hereabouts.

One fellow replied when told that he better be getting home before the roads got blocked; "Me, I dont care. If I get stuck ani have to walk ten miles of the road home I am going to whistle every step of the way."

Another fellow said that he knew of only one thing that could be two years and three months late and still be welcome, and that was the rain.

Still another claimed that he had seen some yearling ducklings running for dear life trying to get away from the water. He was just positive that they didn't know

what it was.

One of my friends who to tell the truth is what I would call a "Died in the wool" Democrat, actually I wonder if there are any other kind sometimes. Anyhow, he was telling about an old coon-hunter who was out during the rain. His old dog treed a coon and in the excitement he climbed way up the tree trying to help Old Blue get te coon. When the coon jumped out the hunters foot slipped and he fell down the tree lodging in the forks. He became wedged and for his life couldn't get loose. It looked for sure like he might stay there and starve to death before anyone would come that way. Things were pretty serious and he began to think of all the bad things that he had done in his life. He thought of the time last fall when he voted for the Republicans and when he thought of that he felt so small that he just cawled right out of the crevice without any trouble.

We tried to make one fellow that had just recently dug an irrigation well feel bad by telling him that most people who dug a well back in that dry year of 1953 sure were sick now that it had begun raining again. But he just wouldn't be discouraged. People are like that since the rain.

One of my friends, who teaches a group of first graders was sitting with them watching the rain and talking about how long and terrible had been the drouth. Said one bright young fellow; "Why Teacher, way back a long time ago when you and Pqcahuntas were little girls it must have rained. Cause you know the Indians had to have drinking water." Believe it or not this actually happened.

All these drouth experiences remind me of the story that Rep. Rogers tells. Back when they first began to talk about drouth aid to the cattlemen some of the northern city congressmen said; "Oh, let's hold off the aid awhile and let them get down to their last Cadalac."

Rep. Dewey Short of Missouri said; "If the government don't hurry and get some feed in here for the starving cows there ain't going to be any cows left and mighty few Republicans."

We heard from a place up in Mass. where any kind of steak is still over \$1.00 per pound. The cost of living has not been lowered one bit by the drop in farm prices. There is something wrong with a set-up like this. Anyway,

THE ARMY'S HORSEY SET!—Two members of the 759th Military Police Platoon call headquarters from a checkpoint on the boundary between the United States and Russian sectors of Berlin. The cavalier cops, trained for riot patrol and to guard large areas, are the only mounties in the U. S. Army.

according to Sen. Lyndon Johnson. "The farmer gets less, the cattlemen gets less, and the consumer pays more". Wonder what could the matter be? So much for all the drouth stories and true experiences of the last few weeks. Now that the long dry spell is over what in the world are we going to worry about now. I just wonder.

Sir Robert Peel, in 1829, set up the first modern police system.

Traffic Goblins Ready To Prowl

"Halloween is just around the corner, and the traffic goblins will get you if you don't watch out!"

This isn't an idle threat from the kindergarten set, it's a deadly serious warning from, of all people, Col. E. B. Tilley of Houston, President of the Texas Safety Association, and Services Adviser for the Gulf Oil Corporation. "Sure, I believe in 'goblins,'" Col. Tilley said today as he dis-

cussed the dangers that lurk in Texas streets and highways on Halloween. "But don't get me wrong, I'm not talking about the spooks tsat bring scared squeals from the youngsters. The goblins I fear, are the traffic goblins who victimize unwary kids as they go about their 'haunting' on Halloween."

He spoke in support of the Night Traffic Hazards program which the Texas Safety Association and the Texas Department of Public Safety are conducting during October.

Col. Tilley pointed out that youngsters are likely to let safety rules go by the board in the excitement of scaring and being scared on Halloween. He said, "Many of the child fatalities and injuries that occur on this holiday are caused by youngsters dashing into the street, often dressed in dark costumes and wearing masks."

"Masks prevent the children from seeing clearly," he said, "and dark costumes prevent the motorist from seeing them. It would help a lot if parents would try to get the kids to take off the

masks when they go outdoors. Parents should also see that the youngsters wear only light colored costumes or outfits trimmed with white or reflectorized material."

"The best way to keep the kids safe," Col. Tilley said, "is to keep them off the streets. I know this isn't easy, but if parents plan home or community parties, it can be done."

He urged parents to band together to see that sufficient parties and gatherings are provided in their communities to keep youngsters entertained. If this is done, he said, there will be little inducement for them to go roaming the streets.

He also reminded motorists to keep a constant look-out for children and to be especially careful when driving in residential areas.

YOU NEED THIS Help for Cough

When colds, measles or flu leave you with a cough get Creomulsion quick because it soothes raw throat and chest membranes, loosens and helps expel gummy phlegm, mildly relaxes systemic tension and aids nature fight the cause of irritation. Its V8 puts new ROAD MASTERY at your hand

You must have heard about it. But have you tried the greatest Buick yet built? Have you sat behind the wheel of a 1953 ROADMASTER and felt the wondrous new road command that is yours? If you haven't—if you have yet to know the rich exuberance that flows through you when a toe touch releases just a fraction of the velvet power-Niagara of the world's newest V8 Engine—then you are cordially invited to be our guest at this new experience.

We promise you these:

A new and wonderful mastery of hills, of distance, of traffic tangles—from the almost effortless power of this master Buick's advanced new V8 Engine—the highest horsepower and compression ratio in Buick history.

A new and instantly responsive getaway—with new quiet and completely infinite smoothness—from the drive magic of Twin-Turbine Dynaflo.

A new and exquisite handling ease—from the superb ride-engineering of this automobile, and the as-needed hydraulic assistance of Power Steering, standard equipment here at no extra cost.

A new and gracious luxury of interior styling and comfort—from a tasteful blending of deep foam rubber, lustrous nylon, rich broadcloths, sparkling colors.

But you need to experience firsthand the performance and the pleasure and the abiding satisfaction you will find here.

So we repeat a most cordial invitation to you—to drive a 1953 ROADMASTER—to prove to yourself that new motoring thrills come to flower in the greatest Buick in fifty great years.

World's only car with all these features:

- V8 VERTICAL-VALVE FIREBALL ENGINE
- POWER STEERING • TWIN-TURBINE DYNAFLOW
- DYNAMIC FLOW MUFFLER • POWER BRAKES*
- COMPLETELY NEW SWEEPSTEAR STYLING
- BALANCED MILLION DOLLAR RIDE • CUSTOM-RICH INTERIORS
- TILT-AWAY SLIDE-AWAY FRONT SEATS (2-door model)
- PANORAMIC ONE-PIECE WINDOWS FRONT AND REAR
- DOUBLE-RAIL FRONT BUMPER • AIRCONDITIONER**

From where I sit... by Joe Marsh

It's the Principal of the Thing!

Every autumn our High School has a contest to see who can get the most ads for *The Recorder*—the school magazine. The winner becomes honorary Principal for a day.

Skip Roberts won last week, and his first (and only) official act as "Principal" of the school was to announce in a loud, clear voice: "I hereby declare today a school holiday!"

Knowing Miss Gilbert, the real principal, it was no surprise to me that she laughed as hard as anybody else... and said to go right ahead.

From where I sit, it's no wonder our youngsters think Miss Gilbert's such a wonderful person (even though they know they'll have to make up that day). Her tolerance, her friendly way with people of all ages reflect in everything she does. For instance, at my house Miss Gilbert prefers tea but always respects my preference for a glass of beer. As a real person... in any community, Miss Gilbert belongs at "the head of the class."

Joe Marsh

WHERE GLENN MCCARTHY WILL DRILL FOR BOLIVIAN OIL — Actual drilling operations are scheduled to begin before the first of the year in the Los Monos Dome area, in Southeast Bolivia. This area is part of the 970,000 acre oil concession granted Mr. McCarthy by the Bolivian government. Operations will be conducted by a new multi-million dollar oil company, Glenn McCarthy, Inc. Stock in this company is being offered to the public at \$2.00 a share by the Houston underwriting firm of B. V. Christie & Co.

Secretary of Agriculture and the President to allocate \$10,000,000 out of the President's emergency fund for drought relief this winter. They indicated that hay would be made available. Hay was not included before under the Government Relief Program or the Reduced Freight Rate Program. The Government confines its relief to disbursing commodity credit surpluses. Commodity credit corporation does not own any hay. The reduced freight rates applied only to commodity credit surpluses; therefore, hay could not be shipped at the reduced rate. Under the new plan, the Government proposes to pay a part of the freight rate so that the cost of the hay to the rancher will be reduced sufficiently to permit the rancher to obtain it and feed it. I have sought to have hay included in the program since its inception. Although its present inclusion will help a great deal, it comes too late for many who could have been saved during the early summer months.

Area County School Superintendents Meet In Amarillo

Area County School Superintendents met in Amarillo yesterday, Oct. 28th at the Potter County Courthouse. The meeting was one of a series of meetings arranged by the Steering Committee of the County Superintendents Association held in ten of the eleven T.S.T.A. districts. The following counties were represented at the district nine meeting in Amarillo: Dallam, Sherman, Hansford, Ochiltree, Lipscomb, Oldham, Potter, Carson, Gray, Wheeler, Hartley, Moore, Hutchinson, Roberts, Hemphill, Deaf Smith, Randall, Armstrong, Donley, Collingsworth and Hall Counties.

GLENN MCCARTHY'S NEW STOCK in the multi-million dollar corporation headed by the "King of the Wildcaters", went on sale to the public at \$2.00 a share this week.

The purposes of the meeting were as follows: First, make plans for County meetings, of administrators to be held during 1953-54 to study county level education services; Second, to study responsibilities of the County Superintendent in the new accreditation program; and third, to give careful study to the new accreditation standards in preparation for the school administration Advisory Conference on Education to be held in Austin on January, 7-8, 1954.

The program was planned jointly by T.A.S.C., Texas Education Agency, and the Southwest Cooperative Program in Educational Administration. The County Superintendents in charge of the district meetings had the responsibility for explaining the County Superintendents' Study. Agency personnel were responsible for discussing the accreditation proposals and served as consultants to the work groups on the study of the proposed state plan for the accreditation of elementary and secondary schools. C.P.E.A. people discussed plans for developing criteria whereby County Superintendents' may evaluate County level services.

The County Superintendents in charge of the district nine meeting were Miss Ruth Richerson, of Donley County, and Miss Mary Foreman, of Hall County. Consultants at the meeting were Paul Kantz and Rogers Barton representing the Texas Education Agency, and Vernon Armstrong

representing the Southwest Cooperative Program in Education Administration.

The meeting in Amarillo started at 9:00 a. m. with a General Session until 10:00 a. m., from 10:20 a. m. to 11:45 a. m., Group meetings were held to study the new accreditation standards; from 1:15 to 2:45 p. m., Group meetings were held to study the responsibility of the County Superintendents in school accreditation; and from 3:00 to 3:45 p. m., reports, recommendations and plans were made.

TO THE PEOPLE OF THE 18TH DISTRICT
By Congressman Waiter Rogers

THE DROUGHT:
October 19, 1953
Although we have had spotted rains and some gully-washers, the Panhandle section is still in the devastating grip of the drought. One has only to travel over the District as I have in the recent past to appreciate the tremendous damage wrought by this disaster.

Actually we received the full impact this year of a dry spell that has been developing for the past three years. In the spring, I discussed the matter at length with weather experts in Washington who have spent their lives studying weather conditions. The picture then was not good. These experts told me that the drought would spread. It has. They also told me that they would not undertake to estimate or foretell the length of the drought or when some precipitation might be expected. They did say, however, that the present trends measured by experienced

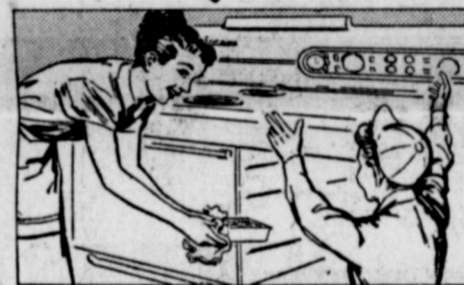

tables from a historical standpoint indicated a continuation of dryness for two or three years. They, however, pointed out that this was not an official observation, as all official observations are confined to approximately 30 days in the future. There have been several recent releases from weather observers that much moisture is expected during the next few months. We all hope that these observations will come to pass. Moisture in November, December, and January will not be of any help to the cattle people. No doubt this is what prompted the

Bring food costs down and eat better with a Genuine Deepfreeze Home Freezer

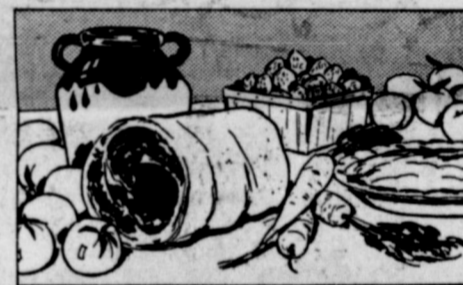

LOWER COST OF FOOD

With a Deepfreeze Home Freezer you can cut your food bills up to 25% by volume purchases and "shopping day specials".

SAVINGS OF TIME AND WORK

You shop less often with a Deepfreeze Home Freezer. You can cook several meals at one time, freeze them, serve them weeks later.

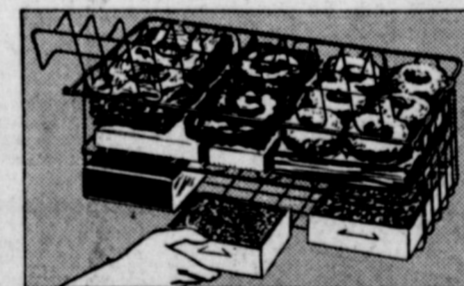

MORE AND BETTER FOODS

You can store all kinds of foods in your Deepfreeze Home Freezer. Freezing preserves their natural flavor and goodness.

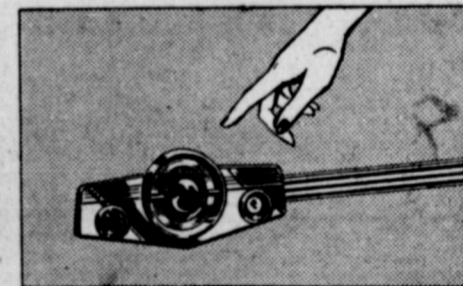

NEW DEEPFREEZE "MENU-MAKER"

Four re-usable one-pint aluminum containers make it easy to store pre-cooked meals or left-overs. Exclusive with Deepfreeze!

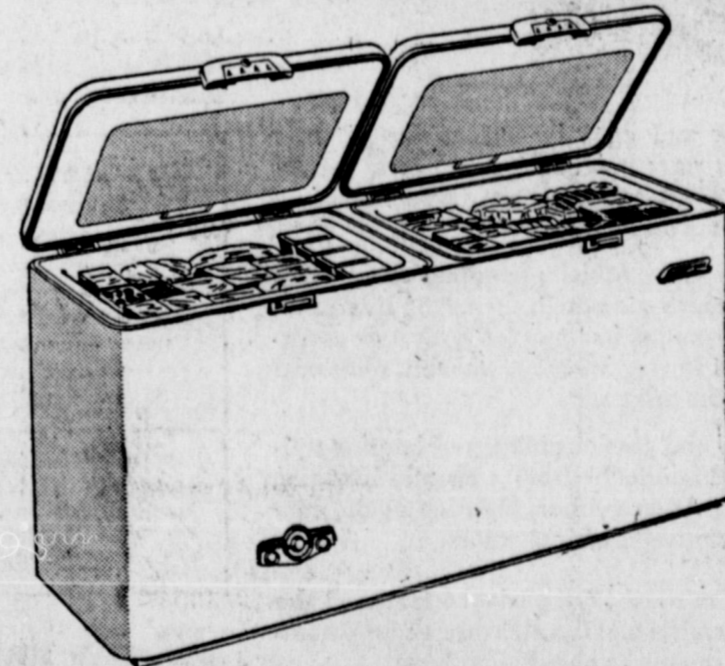

NEW DEEPFREEZE "HANDY BASKET"

Double-deck basket has a hinged side for removing bottom packages of foods easily. Only Deepfreeze Home Freezers have it!

NEW DEEPFREEZE "SILENT SIGNAL"

Gives assurance that desired temperature is being maintained for proper food preservation. Separate temperature control.

De Luxe Model C-17

PRICES BEGIN AT

\$269.50

Let us show you how the Deepfreeze Home Freezer you want can pay for itself in savings! Drop in today and get the whole story!

Deepfreeze Home Freezer Model C17 holds over 590 lbs. of assorted frozen foods. There are 6 models and 4 sizes in the complete line, with capacities ranging from 7 to 23 cu. ft.

THERE'S ONLY ONE GENUINE Deepfreeze Home Freezer

Made by Deepfreeze, North Chicago, Illinois. Prices and specifications subject to change without notice.

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

This week the Library received a copy of "What Shakespeare Says About It" compiled and edited by Morris Sheppard. This consists of "More Than Four Thousand Comments of Shakespeare" and "Subjects of General Interest". This volume is presented to the Library with the compliments of Mrs. Tom Connally and her three daughters. Mrs. Connally was formerly Mrs. Morris Sheppard. It is an exceptionally useful gift as quotations are arranged by subjects with the key to the plays shown in the margin of the pages.

Then a friend gave us a copy of "The Laughing Stranger" by

Vina Delmar. This is a popular and readable book, and it is a useful gift as our new books are not plentiful.

Vince Imbardino gave Walt Disney's "Mickey Mouse and His Space Ship" to the children's section. Curtis Cockerell gave a neat copy of "MGM's Tom & Jerry" to the children's section.

Mrs. Evans sent us Howard Spring's "The Houses In Between." We had one copy but Howard Spring's books are always acceptable. She also sent us a Book Club Edition—"O, The Brave Music" by Dorothy Evelyn Smith. These novels will be very helpful now as the nights are very conducive for a book companion.

We received a gift of quite a few copies of recent magazines this week. These are quite useful, and we appreciate the thoughtfulness of the donor.

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

Never has there been such a wonderful opportunity in the last several years for planting winter cover crops.

With the good moisture in the ground, farmers are urged to seed winter cover crops on all land that does not have enough cover on the surface to prevent blowing.

This applies especially to land in cotton and forage sorghums. The least amount of residues are left from these crops and are most likely to allow the soil to blow.

Rye, Austrian winter peas, and hairy vetch may be seeded at a

Automobile Safety Inspection Lagging

Automobile Safety inspection stations in this area are going to be jammed unless motorists begin having their vehicles inspected within the next few weeks.

This warning was issued this week in Austin by G. C. Morris, executive director of the Highway Safety Council. He said a cross-section survey of inspection stations, including those in this area, indicated only four cars of every hundred had been inspected.

The inspection period, under the new law, began Sept. 15 and will end April 15.

There are more than 3,000,000 vehicles to be inspected, and during the first 30 days of the seven-month period only a fraction of that number, roughly 125,000, were checked, Morris said. The proportion of cars inspected in this area is about the same as statewide, he said.

"There is almost certain to be a last-minute rush unless there is a speed-up in inspections," he said, urging motorists in this section to avoid the rush by having their cars examined now.

Morris said there was also the safety precaution to be considered.

ed. "Most cars have not been inspected in more than a year and may have developed some mechanical defect," he said.

"You may be gambling with your life if you are operating a mechanically unsound vehicle. Accident figures show that one traffic death in every ten in Texas is caused by faulty mechanism."

The new law, Morris said, calls for the inspection of brakes, lighting equipment, horns, rear view mirror and windshield wipers.

He urged motorists, however, to request that steering parts be also included in this inspection.

Safety experts agree that automobiles should be inspected at least once a year as insurance against mechanical defects. Morris said that if motorists wait until near the spring deadline to have their cars examined, it will mean that many cars will not have been inspected for 18 months, three times longer than practical.

very small net cost to the farmer. Approvals may be obtained at the PMA office for planting these crops and the assistance will pay a major part of the cost of the seed.

The payment for rye is \$2.00 per acre and Austrian winter peas and hairy vetch is 4 1/2 and 12 cents per pound respectively.

Moderate grazing of these crops is permitted, however a stand and growth that would justify harvesting must be left on the land or turned under. Only vetch may be harvested for seed.

Below are some of the benefits of winter cover crops:

1. Protect land from both wind and water erosion.
2. Increase ability of soil to receive and hold moisture.
3. Add organic residues.
4. Aid in breaking plow pan.
5. Aid in preventing crusting.
6. Help to make better use of commercial fertilizer.
7. Add nitrogen to soil (if a legume)
8. Grazing.

CHAMBER SPECIALS

By Johnnie Allen

At last we have had good general rains over the Panhandle and South Plains and although there was some damage to cotton crops the benefits from the rain should far outshadow the damages. These rains represent what we hope to be a break in the drought which has been very severe in all areas of the Panhandle, as well as a great part of Texas. With low cattle prices and declining prices on almost all farm commodities we cannot expect the rains to be a cure-all but it will relieve the strain greatly. Those

of us who have visited more severe drought areas on the High Plains and South Plains, can appreciate the fact that Donley County's crops are fairly good.

Then along with the rains we seem to have increased concern or feeling building up regarding the age old problem of "Farm Supports" or a farm program. What the outcome will be we do not know but, anyone who considers the problem impartially should realize that it is a problem that must be faced. We all know that the Farm Programs of the past have not been perfect but all of us, as citizens, had better show concern and pray for a Farm Program, whether we be businessman, wage-earner, or farmer. For

the good of our nation, we had better pray for a farm program that will enable the small farmer to stay in business along with the big farm operators. If the program offered is basically sound and the end results are good we had better be more concerned with the effectiveness of it rather than with its defects, we had better remember that the farmer is still to a great extent the backbone of our economic and social structure, and we had better remember that any farm program, though imperfect will be better than none at all.

Tortoises on the Galapagos Islands are believed to be the oldest living creatures on earth.
