Schools Plan Open House

Neal B. Dillman, superintendent of the Muleshoe Schools, called upon parents and other interested persons to take a concentrated look at their own schools, as well as education generally, during November 12 through 18, which is American Education Week.

The individual schools in Muleshoe will host open houses and specialized programs to mark the theme of this year's effort, "Education Can Turn Things Around."

Wayland Ethridge, high school principal, and Fred Mardis, junior high school principal, have plans for the parents to follow their child's daily schedule on Monday, November 13, from 7-9 p.m. on the respective campuses.

Students from junior high and high school will make copies of their individual schedules and take them home on Monday for the parents to follow on Monday evening. Parents will begin their schedule at 7 p.m. and spend 10 minutes in each class. Bells will signal the parents when to change classes, and five minutes will be allowed for the changing of classes.

The principals feel that this is a good way for teachers to communicate the school's programs in a more effective manner to parents.

On Tuesday, November 14, from 6:30 - 8:30 p.m., Milton Oyler, principal, invites parents to visit Richland Hills Primary School and see the children's work and talk with the teachers.

Also, Bill Taylor, principal, invites parents to visit Mary DeShazo Elementary School from 7-9 p.m. and view children's work and talk with teachers.

American education week has been observed since 1921, and seeks to encourage local citizen support and active participation in the improvement of education. The nationwide event is sponsored by the National Education Association, the American Legion, the National Congress of Parents and Teachers, and the U.S. Office of Education.

GASO Slated Here Thursday Says BCCS

Elder Sonny Pyles of Graham, will be speaking at the Muleshoe Primitive Baptist Church this week. He will be speaking each night at 8 p.m. Monday through Friday.

Harvey Bass, of the Muleshoe Primitive Baptist Church, said all interested persons will be cordially welcomed at the church.

The Youth Activities Committee (YAC) will meet tomorrow (Monday) at 7:30 p.m. at the Bailey County Civic Center and Coliseum and discuss plans for future youth activities.

Bayley County Sheriff Dee Clements has improved from three surgeries this year enough to spend a part of each day in his office, this week.

At presstime, Deputy Sheriff Monte Phipps was still a medical patient in West Plains Medical Center and Deputy Sheriff James Williams is working while recuperating from a broken nose and other injuries received in an accident near Muleshoe last Saturday.

Deputy Sheriff and Mrs. Bud Street were expected to return today (Sunday) from a week's vacation in Ruidoso, N.M.

Cont. page 6, col. 1

Patrolling Mileage For Police Increases

During the month of October, the Muleshoe City Police department increased patrol mileage by 2,841 miles during the month over the same time last year. During October, 1977, officers drove the city patrol cars 5,034 miles and drove them 7,875 during October of this year.

This was in the process of responding to 11 accidents, answering 147 complaints or calls and they issued 31 traffic citations.

Criminal cases were down for the month, with only 16 complaints filed, compared to 22 during the same month in 1977. To date this year, the officers have answered and checked 383 criminal cases.

Breaking and entering (burglary) calls increased by three over the same

time last year with five B&E complaints being filed, compared to two in October of last year. This year, a total of 43 breaking and entering cases have been checked by officers, compared to 51 at this time last year.

Also, during October, six thefts have been reported to bring the total for the year to 63, compared to five during October, 1977 and 82 for the year to date in October.

A total of 88 officer-oriented calls were also answered during the month of October this year.

One arrest was made for county officers and that was with a person charged with burglary of a residence.

Cont. page 6, col. 1

TOP SALESMAN... Craig Hunt, son of Mr. and Mrs. Bill Hunt, was the top salesman in the recently completed MHS - MJHS Band magazine and newspaper sales. He received a check from the Journal for \$25. The band's sales were 40 percent above last year and the band sold more than \$10,000 during the sales campaign.

HUDDLING TO KEEP WARM?...Although the weather was very cold, the pile of Mules and Bobcats were not really trying to keep warm Friday night. The Dimmitt defensive line, including Tim Fewell, No. 70, were trying to contain the Mules, who also included No. 11, Mike Northcutt. Coming up in the background to help is Mule center, Doug Cowan, No. 54.

Cold Front Whistles Through This Area

Friday, a cold front quickly put an end to balmy, spring-like weather which had been lingering in the area.

As a cold wind whistled in from the north, the temperatures started dropping and by football game time Friday night, a large crowd of Muleshoe Mules' fans huddled close together in the visitors' stands at Dimmitt.

Although clouds started moving in, the cold front that howled over the Rockies did not deposit any moisture until the early morning hours, when a light rain started falling. However, the rain did not

affect the weather picture except to leave the cold wind feeling more damp. Just Friday, for the first time in a week, farmers were getting back into their cotton fields, but that seemed to be ended for awhile as light rain fell at presstime Saturday.

Saturday morning, the temperature showed a chilly 34 degrees, with a moderate wind of around 25 miles per hour.

Despite predictions that the first cold front would not affect the area's temperatures to any great extent, Thursday's high of 79 degrees, and Friday's high of 65 were expected

to be the last time the spring weather would be seen in this area for several months.

Winter storm watches were posted for New Mexico by the National Weather Service, who predicted that the severe snow storm would move to the central part of the state by Saturday.

NWS also predicted snow in the northeast, east central and southeast part of the state on Saturday, with possible high winds.

As the storm moves out of New Mexico, this area is expected to receive just a small part of the moisture predicted for New Mexico.

Heavier snow was falling to the north of Bailey County, with predictions for accumulations of snow, along with blizzard conditions for the weekend.

With the first major cold front for 1978, NWS added a warning that the very cold temperatures would linger in the area for several days, affecting outdoor operations and interrupting harvest.

Weather forecasters said Cont. page 6, col. 1

YAC Group Plans Youth Activities

These days, everyone is yacking about YAC!!! That's right, YAC is the new word in Muleshoe, and if you're not involved, perhaps you should be.

YAC is the diminutive for Youth Activities Committee. They are a group of people formed to set up a program of year-round youth activities for teenagers in Muleshoe.

Because of the lack of youth recreational facilities in this area, and nothing for the young people to do to spend their leisure time, the group is in the process of planning organized and chaperoned activities which will, hopefully, involve all local and area youth.

One of the first proposals considered is a miniature golf course, which could be operated from nine to 10 months out of the year. Although commercial operations would cost more than \$20,000 to install, it is believed that such a facility could be installed locally, on a volunteer basis, for much less money.

It has been suggested that persons make contributions in the form of memorials for loved ones. Each green of the course would cost an estimated \$125, if constructed locally, using contributions and donated materials.

Most of the expense involved would be for a very

small building housing a ticket office and restroom facilities.

Saturday night, the first Triangle CB Club sponsored youth dance was held at the Bailey County Civic Center and Coliseum. A live band was engaged to provide the music and decorations were put up by the CB Club and youth interested in reactivating

Cont. page 6, Col. 2

Commissioners To Consider An Ambulance

When Bailey County Commissioners Court meets in session on Monday, Nov. 13, one particular item of interest to be considered will be the purchase of a used ambulance for Singleton-Ellis Funeral Home.

Recently, Frank Ellis met with commissioners and requested a back-up ambulance to replace a worn out vehicle.

Commissioners will also canvass the returns of the November 7 general election and pass an order authorizing payment of election officials and clerks.

During the day, they will also pay routine bills and discuss miscellaneous items.

Dimmitt Is Victim Of 'Mule Mania'

It wasn't enough that the Muleshoe Mules took to the football field with a very icy northeast wind blowing, or enough that the first quarter ended on a 0-0, but the entire game proved to be another Mule 'cliffhanger.' The Mules won the game in the final 51 seconds, 21-15. With the win the Mules assured going into district playoffs after next Friday.

The Mules took the opening kickoff and failed to advance the ball against a well-prepared Dimmitt Bobcat defense. But, when it was turned around, Dimmitt couldn't advance against the Mules, either, so the defensive battle was on through the entire first quarter.

Going into the second, surprise of all surprises. After the Mules had again failed to move the football in the cold, windy weather, they punted and a Bobcat fumbled the ball in the end zone. Taking advantage of the fumble was Dickie Sudduth, who quickly covered the ball for the Mules first touchdown of the game. At the time, 10:33 was on the clock in the second. The PAT kick failed and the Bobcats trailed by a short 6-0.

Taking advantage of a good yardage gainer and a long 15 yard penalty against the Mules, the Bobcats moved into a good scoring position before Dennis Veals scooted over from the three yard line to make Dimmitt's first points. Tony Gonzalez kicked the extra point and Dimmitt took a very slim lead, 7-6.

But, don't forget, the Mules are accustomed to making very sudden comebacks, and that they did. So, take a look at what they did this time. With just seven seconds left to halftime, Mike Northcutt, Mule quarterback, found Dickie Sudduth open in the end zone, and he latched onto an eight yard touchdown pass. Then, to add the frosting to the cake for halftime, Northcutt passed another two points to Jerry Wheat in the end zone. The Mules were leading the Bobcats when they went in for halftime by a 14-7 score.

As has been noted all this year, Muleshoe Mule fans again packed the football stands for the game. At halftime, the numb and frozen fans didn't stir

much and had an added bonus tonight. The Muleshoe band had marched at the beginning of the game to make time for a special halftime event. Following a performance by the Dimmitt Bobcat marching band, the Pioneer Band from Wayland College in Plainview presented a special show. Their colorful and unique costumes were a perfect setting for their unusual presentation.

In the third quarter, the Bobcats gained the lead again in the game. 'Cat quarterback Jack Stewart, on a fourth and long yardage, broke loose and galloped downfield for a 56 yard touchdown run. Then Dennis Veals, Dimmitt's strong runner, added another two points on a run to make it a 15-14 game.

The one point difference made the Bobcats tighten their defense, a stance they maintained until late

Cont. page 6, col. 1

School Board Meets Monday On Full Agenda

When the Muleshoe School Board meets Monday night, it will be with a full agenda of items to consider.

After hearing the current financial and tax reports, board members will review the appeal made to the School Tax Assessment Practices Board on the Market and Index Value Study.

They will consider approval of bonding clerks at the tax office and approval of the recommended Local Textbook Committee.

New buses will be on the agenda for consideration, as well as approval of a bid to install sidewalks and pipe fence at Mary DeShazo school.

Legal changes in the Board Policy Manuals will be discussed, along with race, ethnic, transportation, lunchroom and other fall surveys.

Reviewed will be a survey on Workmen's Compensation Premiums; requirements from the Office of Civil Rights, HEW, for Bi-Lingual education and a settlement with EEOC.

Also to be discussed will be the enrollment and personnel; along with miscellaneous items.

TWO VEHICLE COLLISION...Manuel Lopez was driver of this late model pickup which was struck by a refrigerated truck while making a turn at Protein Processors southeast of Muleshoe on Highway 84 around 9 a.m. Friday. No injuries were recorded, although both vehicles received extensive damage.

RETIRED COUNTY EXTENSION AGENT HONORED...Robin H. Taylor of Muleshoe, retired county agent with the Texas Agricultural Extension Service, was one of 14 Extension Service retirees honored at a special luncheon at Texas A&M University, Oct. 26. She was presented a plaque by Dr. Daniel C. Pfannstiel, left, Extension Service director, and Jerome H. Decker, Medina County judge and president of the County Judges and Commissioners Association of Texas.

ENERGIZE WARDROBE FOR COLD WEATHER
Energize the family's wardrobe for colder temperatures indoor and out. Winterize by wearing garments that are close fitting at neck, sleeve, waist, leg and other nor-

mal openings. Tight fitting garments are not warm because they recede circulation as well as comfort. Natural fibers -- cotton, wool, silk, mohair -- polyester with special comfort finishes, furs, and wool-like fibers such as many acrylics are warmest. Garments worn in light-weight layers that trap insulating air pockets are warmer than one heavy weight garment. Full length and multiple layers of socks, mittens and gloves, mufflers and scarves and snug hats or caps warm the extremities. Extremities such as feet, hands and the head -- especially for those with circulatory problems -- may

feel cold faster since the body works to keep vital organs warm and may at times sacrifice other areas. Infants and young children, older adults, the handicapped and those with cardiac and circulatory conditions have greater need when adapting comfortably to cooler temperatures. Infants feel temperature changes more rapidly than adults and rely on adults to dress them properly. Young children need guidance in choosing garments that don't weigh them down to much to hinder posture or active movement or interfere with personal safety.

CYNTHIA [HARRIS] KING

**Former Resident
Cynthia King,
Died Wednesday**

Cynthia Lee (Harris) King, 28, died Wednesday at Arkadelphia, Ark. She had lived in Breckenridge for the past six years, but was raised at the West Camp Community, near Muleshoe.

She was born June 3, 1950 at Muleshoe and graduated from Muleshoe High School. She was a member of the West Camp Baptist Church.

Funeral services were conducted at 10 a.m. Saturday in the West Camp Baptist Church. Officiating were Rev. Glenn Harlin, pastor of the First Baptist Church, Plains; Rev. Louis Johnson, pastor, West Camp Baptist Church and Rev. Til Pond, of the Glen Cove Baptist Church at Brownwood. Burial was in Bailey County Memorial Park under direction of Singleton-Ellis Funeral Home.

Survivors include a son, Lloyd Glen King, Breckenridge; parents, Mr. and Mrs. Glen D. Harris, Muleshoe; one sister, Mrs. Sondra Wilson, Muleshoe and one brother, David Harris, Muleshoe.

MRS. RUTH GORE

**Services Slated
For Ruth Gore
Of Circleback**

Mrs. Ruth Gore, 64, died at 11:50 a.m. Thursday at West Plains Medical Center following a lengthy illness. She had been a resident of Bailey County since 1928, moving here from Clay County, Tex. She was born December 7, 1913 in Joplin, Mo. Mrs. Gore was a Methodist and a member of the Needmore Community Club.

Funeral services were conducted at 4 p.m. Saturday at the Circleback Baptist Church with Rev. Doug Gardner, pastor, officiating. Burial was in Bailey County Memorial Park under direction of Singleton-Ellis Funeral Home.

Survivors include two sons, James and Rocky, both of Circleback; a daughter, Mrs. Patsy Green, Mountain View, Ark.; four sisters, Mrs. Goldie Bailey, McAllister, Okla.; Mrs. Sylvia Warren, Needmore; Mrs. Pearl Walbrick, Wichita Falls and Mrs. Georgia Meyers, Abilene; two brothers, Andy Summers, Thornberry and Rudolph Summers, Petrolia; and 11 grandchildren.

**Rosalio Luera
Funeral Held
Here Friday**

Funeral services for Rosalio S. Luera, 77, of Muleshoe, were conducted at 2 p.m. Friday at Immaculate Conception Church with Fr. Tim Schwertner, pastor, officiating. Burial was in Bailey County Memorial Park under direction of Singleton-Ellis Funeral Home.

Luera, who had lived in Bailey County since 1949, died at 8:30 a.m. Wednesday at West Plains Medical Center. He was born August 31, 1901 in Zacatecas, Mex. and was a farm worker. He was a Catholic and is survived by three sons, Delfino Luera, Muleshoe; and Terezo and Cruz, both of Abernathy; four daughters, Mrs. Lena Hernandez, Mrs. Inez Garza and Mrs. Nancy Solis, all of Muleshoe and Mrs. Antonio Reynera, Canyon; 39 grandchildren and four great-grandchildren.

If we did not flatter ourselves, the flattery of others would not hurt us.

-La Rochefoucauld.

**The Speaker
Reports**

by Bill Clayton

AUSTIN—Nine proposed constitutional amendments will be on the November ballot. The last one in order will be H.J.R. 42, which proposes to amend the constitution to authorize water districts to provide fire-fighting services and to issue bonds to finance these services.

Proponents of Amendment No. 8 argue that the unavailability of adequate fire protection in some sparsely populated areas of the state poses a threat to the health and safety of many Texas residents.

Water district residents outside of incorporated areas now have to depend upon either volunteer or county units for fire protection.

Water districts that have been created in these areas would be authorized to establish fire protection programs and to spend district funds to finance these programs.

Proponents also point out that Amendment No. 8 will reduce insurance rates for residents of the district Property in a water district in an unincorporated area is placed in an "unprotected risk" category by the State Board of Insurance because of insufficient fire-fighting systems. As a result, insurance rates are much higher than in the incorporated areas of the state.

If water districts were allowed to provide fire protection, the Insurance

Board could qualify property in the water districts for the protected risk rating, thereby reducing insurance costs for district residents.

Opponents of the amendment argue that volunteer fire departments and other means of fire protection already provide counties with adequate fire protection. Residents of water districts should not be required to assume the additional financial burden of financing a fire protection program operated or contracted for by the district.

Opponents also point out that including the provision of fire protection in the purposes and functions of water districts would require the unnecessary use of facilities and funds which should be devoted to the primary purposes of the districts to conserve and develop local and state water resources.

Pleasant Valley Social Club 30th Anniversary

The Pleasant Valley Social Club celebrated their 30th Anniversary with a dinner party at the Corral Restaurant, Tuesday evening, Nov. 7.

The club was organized in 1948 and has been active in the community since then. The purpose of the club was to encourage social and civic activities and to welcome new residents and to be of help to one another. Chapter members were Mrs. B.H. Bickle, Jimmy Dulin, Harold Allison, F.A. Andreas, Jack Epps, Raymond Rubinec and A.J. Moffett.

During the past 30 years, the club has sponsored community dinners and parties as well as civic projects such as, directional road signs; community fairs; 4-H activities; floats for parades; financial aid for the community center and hosted the reception for the dedication service to unveil the State Historical plaque for the community building.

The club's colors of green and gold were used throughout the table decorations. The tables were centered with a floral arrangement and candles and tapers in crystal holders with a single rose sat at each place. The table was decorated by Mrs. Oscar Allison and Mrs. Ennis

County Wide 4-H Meeting Held Tuesday

A county-wide 4-H meeting, consisting of the Y-L, Progress and Muleshoe clubs, met Tuesday, Nov. 7 at the meeting room of the Bailey County Civic Center.

The Y-L Club hosted the meeting with Perry Flowers presiding. The pledge of Allegiance was led by Curtis Hunt and Darrin Shaw led the 4-H motto. Gordon Gruen, county attorney, gave the program on "Youth Responsibilities" which concluded with a question and answer period. Spencer Tanksley discussed selecting a 4-H Club member of the month and gave the procedure for doing so. The meeting was concluded with refreshments of punch and cookies being served to a host of members and their parents and special guests, Spencer Tanksley and Linda Mullins.

Galyon. Mrs. Joe Embry was presented a footed crystal bowl after being named the outstanding member of the year. Mrs. Duane Stevens made pictures for the club's history book.

A cake decorated with roses and inscribed, "30th Anniversary" was served after the meal to members and former members. Mrs. Oscar Allison, Forrest Green, E.C. Galyon, Harold Allison, Joe Embry, Kirk Pitts, S.K. Flatt, Doyle Turner, Elmo Stevens and one guest, Mrs. Duane Stevens.

Acne Can Be Treated

Acne is a common skin condition that afflicts most people during the teen years, sometimes into the 20s.

The American Medical Association points out that something can be done about acne. Waiting to "outgrow" acne can be a serious mistake. Treatment can improve appearance and minimize the problem of permanent scars. Acne consists of blackheads, whiteheads, pimples and sometimes small boils. It appears most often on the face, but also shows up on the back, chest, shoulders and neck.

Even though treatment includes washing frequently with mild soap and warm water, acne is not a disease of dirt. It begins under the skin, not on top of it.

Acne also is not primarily a dietary disease, but some patients find that certain foods, particularly chocolate and fats, make their acne worse. However, following the strictest diet will not, by itself, clear the skin.

Lotions and creams available at the drugstore may help somewhat. It's important to read the directions on the label and follow them carefully. If the skin becomes irritated, stop using the lotion.

Medicated preparations are available to cover the blemishes. Nonoil cosmetics usually are preferable. All cosmetics should be removed at bedtime.

If acne persists despite good cleaning and proper use of lotions and creams, the physician may be able to help. He may prescribe a preparation to apply to the skin to reduce oiliness and produce mild peeling. He may open the inflamed lesions and remove some of the blackheads. He most certainly will warn against picking, scratching, popping or squeezing the blackheads and pimples. This may make things worse.

NEW TRANSFEREE...Mrs. Lee Stillwell is a new transferee of Alpha Zeta Pi. She transferred from Pampa. Transferee rites were held October 3 in the home of Mrs. Steve Foster.

Rev. Hamblin Presented Program To AAUW

The Muleshoe Branch of the American Association of University of Women met Monday evening, Nov. 6 in the home of Mrs. Charles Brewer. Mrs. Ken Box was co-hostess.

Reverend David Hamblin presented the program relative to his trip to Haiti. Mrs. Hamblin assisted him in the slide presentation depicting the people, customs and conditions in the island of Haiti. A group from the First United Methodist Church went to Haiti recently as a medical and dental team to help the people.

Mrs. Robert Hooten, president, presided during the business session. The Christmas Parade, and the Youth Council for Muleshoe were discussed.

Mrs. Hooten announced the State Convention which will be in Amarillo, April 27-28, 1979 and the Children's Theatre which

was held Nov. 8, at the Muleshoe High School Auditorium.

Miss Cindi Hamblen, daughter of Mr. and Mrs. David Hamblen was chosen as the AAUW Girl of the Month.

Members present were Mrs. Gerald Allison, Mrs. Harold Allison, Mrs. R.D. Angeley, Mrs. Bill Bickel, Miss Virginia Bowers, Mrs. Ken Box, Mrs. Charles Brewer, Mrs. Joe Costen, Mrs. Neal Dillman, Miss Mary Helen Gutierrez, Mrs. David Hamblin, Mrs. Robert Hooten, Mrs. Roland McCormick, Mrs. Oscar Rudd, Mrs. Eric Smith, Mrs. R.G. Wilson, Mrs. Roy Winkle and Mrs. Jim Young.

New members present were Mrs. Lynn Farley, Mrs. Peggy Burnett and Dr. Martha Sayago.

Guests were Rev. David Hamblin and Mrs. Gary Hooten.

MULESHOE Anthony's

O.E.S. Made Plans For Friendship Night

Mr. and Mrs. Bob Phillips, Worthy Matron and Worthy Patron of Muleshoe Chapter #792, Order of the Eastern Star, presided at the stated meeting of the Chapter, Tuesday evening, Nov. 7 in Masonic Hall.

Routine business was conducted and plans completed for the annual Friendship Night, to be held Saturday evening, Nov. 11, in the banquet room of Masonic Hall. All area chapters have been invited.

Mrs. Phillips gave a report of her attendance at Grand Chapter which was held in Houston, Oct. 22 to 26.

Mrs. Mary Farley, a member of Chapter Caring Committee of the Grand Chapter was presented behind Ester's station, con-

ducted to the east and introduced. She was accorded a cordial welcome and congratulations on her appointment. Two 25 year pins were given to Mrs. Jon Ann Crow of Canyon and Mrs. Wanda Gramling.

An invitation was received from Brownfield Chapter to a western party, honoring Mrs. Molly Goodpasture, Past Grand Matron, Dec. 2, in the Brownfield Masonic Hall.

Plans were made for the annual Christmas party, to be held Dec. 9 with the traditional turkey dinner and trimmings.

The Grand Cross of Color observance will be held Nov. 16 at 7 p.m. at the Corral Restaurant.

Mrs. Loretha Rhoderick of Plainview, Deputy Grand Matron of District 2, section 3, will make her official visit to Muleshoe, Dec. 5 and will be honored with a dinner, preceding the chapter meeting at the Corral.

Refreshment hostesses were Mrs. Wiley Bullock and Mrs. Wayne Williams. Table decorations and refreshments were in keeping with the Thanksgiving season.

Hymn Playing Festival Held In Plainview

The Annual Associational Hymn Playing Festival was held October 22nd at First Baptist Church in Plainview.

The aim for the Hymn Festival is to develop an appreciation of sacred music and proficiency in hymn playing on the piano and organ, with the firmer aim of providing church with future pianists and organists.

Those entering the festival from this area were Mrs. Jean Craft's Piano Students. They were: Miss Chandra Englekling, daughter of Mr. and Mrs. Jerry Englekling; Heather and Terry Baker, children of Mr. and Mrs. Roy Baker; Sandra Speck, daughter of Mr. and Mrs. Wendell Speck; Shelley and Tim Sain, children of Mr. and Mrs. Walter Sain; Belinda Clayton, daughter of Mr. and Mrs. Carson Clayton; Mandy Plank, daughter of Mr. and Mrs. Pete Plank; Rebecca Barber, daughter of Mr. and Mrs. Carol Barber; Janna Wuerflein, daughter of Mr. and Mrs. Frank Wuerflein; Melanie Blackwell, daughter of Mr. and Mrs. John Blackwell and Kristi Taylor, daughter of Mr. and Mrs. Keith Taylor. All received excellent ratings and certificates from the Church Music Department of Baptist General convention in Dallas.

field at the West Camp Family Night on Nov. 4 in the West Camp Community Center.

Refreshments of chips, dips, desserts, coffee and punch were served to guests.

Attending the occasion from Muleshoe were Bruce Harris and Roy, Mr. and Mrs. Ashley Davis and Mr. and Mrs. Dan Adkins; from Littlefield, Mr. and Mrs. J.W. Phillips, Edith Allen, Mr. and Mrs. Weldon Finley and Mr. and Mrs. John Dunn; from Dimmitt, Mr. and Mrs. Virgil Justice, Mr. and Mrs. Alvin Frazier and Connie and Jean Ivey; Joe Dunn from Big Springs; Mr. and Mrs. Neil Finley and Heather, Lubbock; from West Camp, Guy Austin, Mr. and Mrs. Dalton Harris, Irene Stephens, Mr. and Mrs. Raleigh Mason, Mac Phillips, Mr. and Mrs. Ed Althof, Jay and Karen Herrington, Jo Rhonda, Lavon and Dusty Rhodes, Tori Hunt and H. Howell.

Host couples were Mr. and Mrs. Joe Rhodes and Mr. and Mrs. Leldon Phillips.

The next West Camp Family Night will be held December 9 at 7:30 p.m. in the West Camp Community Center.

True Words Committees have become so important that a subcommittee has to be appointed to do the work. -Gazette, Augusta, Kan.

Labor's face is wrinkled with the wind and swarthy with the sun. -Samuel Johnson.

Epsilon Chi Planned Bake Sale

The Epsilon Chi chapter of E.S.A. met for their monthly business meeting Tuesday, Nov. 7 in the home of Mrs. Christie Whitt. Serving as co-hostess for the evening was Mrs. Paula Burns.

Mrs. Rica Anderson was in charge of the program. She introduced Dr. Claude D. Dollins, a marriage and family counselor in Lubbock.

The chapter will sponsor a Radio-Thon Bake Sale to be held December 9 from 6:30 a.m. to 4 p.m. at Radio Station KMUL. There will also be a Browning 2000, .12 gauge Automatic Shotgun given away. The drawing will be held December 22. Tickets may be purchased from members for \$2.

Members present were Mrs. Karen Tunnel, Mrs. Lou Brannaman, Mrs. Paula Burns, Mrs. Billie Farr, Miss Janet Ellis, Mrs. Sheila Moraw, Mrs. Deborah St. Clair, Mrs. Greta Hillin, Mrs. Treena Matthews, Mrs. Christie Whitt, Mrs. Rica Anderson, Mrs. Sheryl Morris, Miss Debbie Hoover, Miss Brenda Scott and guest, Mrs. Don Golden.

RECIPE

By Sarah Ann Sheridan

Angel Peach Dessert

- 1 pkg. angel cake mix
- 1 3-oz. pkg. orange flavored gelatin
- 2 c sliced peaches
- 1 c whipped cream
- 1 4-oz. pkg. shredded coconut, toasted.

Bake angel cake according to directions on package. Cool. Remove from pan. Cut center from cake to make hole 4 inches across. Place cake on a flat plate. Prepare gelatin as directed on package. Chill until partially set and fold in peaches. Fill center of cake with this mixture. Chill until set. Frost top and sides with whipped cream and sprinkle with toasted coconut.

Cherry Lemonade

- 2 c sweetened cherry juice
- 1 c lemon juice
- 1 c sugar

Make a syrup of the sugar by adding 1/2 cup of water and boil 3 minutes. Combine ingredients and pour over cracked ice.

Israeli Cabinet rejects Egyptian peace plan.

PALLAS ATHENE...Mrs. Treena Matthews received her Third Degree of Pallas Athene, Tuesday, November 7 at the monthly business meeting of the Epsilon Chi chapter of Epsilon Sigma Alpha. Mrs. Charles Moraw, awards chairman and president of the chapter, presented the award.

Alpha Zeta Pi Meeting

Alpha Zeta Pi met Tuesday, November 7 in the home of Mrs. Mac Brown, with Mrs. Alec Schuster serving as co-hostess.

Mrs. Nell Loper with the March of Dimes of Lubbock gave the program. She gave a slide presentation on different birth defects and their causes.

President, Mrs. Tim Foster presided over the meeting. It was discussed that Alpha Zeta Pi would participate in the local Christmas Parade. Baby spoons were given to Mrs. Tommy Little and Mrs. Alec Schuster.

A meal of lasagna, green beans, salad, Italian bread, chocolate lace

R.L. Gunn Honored On 93rd Birthday

R.L. Gunn, a former Sudan resident, was honored on Nov. 4 on his 93rd birthday with a dinner in the home of his daughter, Mrs. Dale Burnett. It was hosted by his three children, Mrs. Burnett, Hurschel Gunn and Mrs. R.E. Bradshaw of Wapanucka, Okla. Approximately 44 family members attended the dinner. Gunn is a resident of Amherst Manor.

cookies, cokes and ice tea were served.

Members present were Mrs. Lee Stilwell, Mrs. Alec Schuster, Mrs. Tim Foster, Mrs. Hal Anderson, Mrs. Charles Lewis, Mrs. Bruce Purdy, Mrs. Homer Allgood, Mrs. Gary Glover, Mrs. Tom Little, Mrs. Mike Wartes, Mrs. Steve Black, Mrs. Richard Warren, Mrs. Stan Black, Mrs. Danny Shipman, Mrs. Dee Treadwell, Mrs. David Saylor, Mrs. Rex Black, Mrs. Randy Crook, Mrs. Gary Renner, Mrs. Terry Hill, Mrs. Gary Toombs, Mrs. Dave Marr, Mrs. Scott Brown, Mrs. Tommy St. Clair, and Mrs. Mac Brown.

Genius does what it must, and talent does what it can. -E.R. Bulwer-Lytton.

TOPS Has Weekly Meeting

The TOPS Club met Thursday, Nov. 9 at 6 p.m. in the meeting room of Bailey County Electric.

Mrs. Owen Jones, the leader, called the meeting to order. The club sang the TOPS song and recited the pledge.

Roll call was given by Mrs. J.O. Parker, assistant weight recorder with 23 weighing in.

Second runner up to the weekly queen was Mrs. Dana Arnold.

One new member, Mrs. J.C. Murphy, was welcomed to the club.

The can-can was drawn by Mrs. Dan Vinson and she was able to accept.

All members are urged to attend as a new contest will begin this week. Come and get your play money for the auction.

The meeting was dismissed with the Goodnight Song.

Working, it seems, often has a way of getting in the way of one's recreation.

The sweetest of all sounds is praise. -Zenophon.

Support The Arts

That's where the people are.

More people go to the theatre than go bowling. More people go to music concerts than play tennis. And more people get their kicks at dance concerts than at professional football games.

in the fourth quarter when the Mules held the 'Cats on a fourth down play with 1:40 left on the scoreboard clock.

Quickly working against the clock, QB Northcutt bombed a pass for 50 yards downfield to Sudduth, then after a couple of gains by Jeep Shanks, Northcutt slanted left into the end zone from the six yard line with 51 seconds on the clock. Sudduth kicked true, and the score was 21-15.

But, the 'Cats quickly threatened and after play resumed, QB Roberts attempted a long bomb to

Police...

cont. from page 1

During October, 1978, stolen property in the amount of \$3,236 was reported, with recovered property in the amount of \$2,393 being reported for a difference of \$843.

This was reported in the form of jewelry and precious metals, \$70; clothing and furs, \$218; locally stolen motor vehicles, \$2,200; televisions, radios and stereos, \$678; firearms, \$90; livestock, \$150 and miscellaneous, \$30.

Since officers Jerry Hicks and Ray Lynk have completed basic training at Lubbock, the police department is up to full force on patrol. Most of the time, two officers work each shift, especially during the peak evening and early evening hours.

Muleshoe City Police Chief Johnny Richards plans continuing education for his officers, with the possibility of some classes being conducted in Muleshoe for local and area officers in the near future.

Muleshoe...

R.D. Dale was admitted to St. Mary's Hospital in Lubbock last Sunday for emergency eye surgery. He was released from the hospital and is recuperating at his home.

Mr. and Mrs. Homer Millsap, Muleshoe and Mr. and Mrs. Chris Hopper, Oklahoma City, attended the funeral of a cousin, Laura Millsap, in Henrietta, Oklahoma last Wednesday.

Cold...

cont. from page 1

the snow storm would worsen as it pushed into the eastern and north-eastern states, with the Texas Panhandle and South Plains seeing only minor effects of the storm that slammed out of Canada three days earlier.

the north end of the field. It was intercepted by Brent Burrows with just 25 seconds in the game, to end a scoring threat by Dimmitt, to end scoring at 21-15 and to assure the Mules' place in the district playoffs which will be coming after Muleshoe's final game with Morton next Friday night.

Muleshoe had 15 first downs, to 10 for Dimmitt. Northcutt completed four of 12 passes and Dimmitt completed no passes. Muleshoe had 65 yards in penalties to 35 for Dimmitt. The Dimmitt defense held Jeep Shanks to 68 yards, Mike Northcutt had 32 yards, Zeke Pecina, 34 yards and Charles Briscoe, one yard, for rushing, and 81 yards passing for 216 yards.

Dennis Veals, who had 322 yards rushing for Dimmitt last week had 77 yards; Larry Bossett, 55 yards; Randy Roberts, 13 yards and Jack Stewart, 63 yards for a total of 208.

Noted at the game visiting with Muleshoe people were former Muleshoe Coached Don Cumpston, Rodney Murphy, Gary Goodin and Raymond Schroeder.

If you heard George Washington's horn at the game, it wasn't George. He was ill, so he sent the horn with Darrell Embry, who incidentally, used it liberally to cheer the Mules on their way to victory.

YAC...

cont. from page 1

the dance program in Muleshoe for youth.

Rollerskating will probably begin at the coliseum in the near future, and the possibility of the installation of a skateboard park or rink, exists.

As the Muleshoe football program shows the effects of the former Youth Football Program, it will be reactivated, under the auspices of the YAC.

Basketball, volleyball, ping pong and table tennis are also in the future for local youth.

Also being discussed is the possibility of a Youth Recreation Center to hold strictly youth activities.

It has been stressed by temporary chairman, Terry Bouchelle, that YAC is not a profit making organization, and all charges will be held to a minimum, with only enough charged to maintain and pay strictly necessary expenses, such as equipment, utilities and maintenance.

All the members are seeking suggestions on activities for youth in this area. Contact Terry Bouchelle, Tommy Black at the Muleshoe Chamber of Commerce and Agriculture or Cleta Williams at The Journal.

Livestock, Commodities Are Valuable

The value of the major commodities and livestock produced on the High Plains of West Texas and Eastern New Mexico in 1977 exceeded \$3.1 billion, according to information compiled by Water, Inc.

Included in the figure is the market value of cotton, corn, grain sorghum, wheat and fed cattle raised in the 56 Texas and six New Mexico counties on the High Plains.

This information and more is included in the Water, Inc., publication, "1977 Agricultural Production," which is available upon request from Water, Inc., P.O. Box 367, Lubbock, Texas 79408.

Fed cattle was the leading 1977 money maker, accounting for \$1.54 billion in sales. Last year, the High Plains produced enough fed cattle to feed 19 million Americans for a year.

Among the major crops grown in the region, cotton was the leading commodity in terms of market value as sales surpassed \$957 million. Corn was next in line with a value of \$311 million, followed by grain sorghum at \$167 million and wheat at \$155 million.

"Since the productive capacity of the High Plains is directly tied to the availability of water, these figures show the significance of adequate irrigation water," according to Water, Inc., Executive Director Duncan Ellison.

In Texas, 66 percent of the state's irrigated acreage is on the High Plains. Without that irrigated production, Ellison noted, Texas could not rank third among the states in agricultural commodity sales as it did in 1977.

"The High Plains, which depends on a depleting groundwater source for its irrigation, must have a supplemental water supply to maintain its proven capacity for producing food and fiber," Ellison concluded.

No group has the right to force its way of life on other people.

TIP TOE THROUGH THE TULIPS...It wasn't as easy as it looks here, as Jeep Shanks found the going rough against Dimmitt Friday night. The Bobcats were fairly successful in containing Shanks, holding him to some of the least yardage he has gained this season.

Arthritis Medication Is Available

Arthritis sufferers are keeping a close eye on a new treatment for arthritis, a chemical named Clinoril.

The Arthritis Foundation issued a statement about the drug, as follows:

"The Arthritis Foundation welcomes the availability of the new anti-arthritis drug, Clinoril, which appears to offer a promising alternative for physicians to prescribe, especially for people who can't tolerate aspirin in large doses.

"Aspirin should still be considered the medication of first choice in treating inflammatory arthritis, and is much less expensive than the several anti-inflammatory prescription drugs available today, including Clinoril.

"Clinoril can cause side effects in some patients, and will 'work' better in some arthritis sufferers than others. It is not a 'miracle' drug, and it will take time for it to find its place in the arthritis treatment picture.

"The Arthritis Foundation says this to patients: 'Ask your doctor if he thinks Clinoril might be the right drug for your

arthritis. He is the one to decide if you should try it."

Clinoril, like most other chemicals, may have some adverse side effects, but in many instances, will not be as severe as aspirin reactions.

Flea Market Scheduled By Band Boosters

Lots of fun and special purchases are promised by the Littlefield Band Boosters for all who attend the Littlefield Band Boosters' Flea Market in the Lamb County Ag and Community Building on South Hall in Littlefield.

The Flea Market will be conducted all day and food will be available during the day. Two days are scheduled, Saturday and Sunday, November 18 and 19.

Special items including jewelry, coins, antiques, crafts, oil paintings, rocks and gems, guns, tools, ceramics and other items will be available.

A little booth space is still available. Reserve the booths by calling 262-4081 or 385-4452.

STATE CAPITAL HIGHLIGHTS

By Lyndell Williams

TEXAS PRESS ASSOCIATION

AUSTIN—The economy-seeking State Sunset Commission apparently will recommend abolishing nine inactive or minor Texas governmental agencies.

Eight others may be earmarked for reorganization or consolidation and eight more probably will be left intact after evaluation.

Twenty-six agencies are under current review. They are the first of 177 directed by the Sunset Act to justify their existence in the review process or leave themselves open to being abolished, reorganized or merged to reduce cost and improve service.

The other agencies will be scrutinized over the next decade.

After 16 months of study, the commission seems likely to suggest to the legislature next year abolishing the Burial Commission Rate Board, Board of County and District Indebtedness, Texas Stonewall Jackson Memorial Board, State Board of Morticians, Pesticide Advisory Committee, Pink Bollworm Commission, Texas Private Advisory Committee, Texas Regulatory Board, Texas Vehicle Equipment Safety Commission and Texas State Railroad board of managers.

A tie vote of Senate members seemed to knock out efforts to change status of the State Bar of Texas, which lawyers must join to practice. Other agencies which apparently will get the nod to retain their status quo are the Cosmetology Commission, Good Neighbor Commission, Battleship Texas Commission, Motor Vehicle Commission, Texas Navy Inc., and State Licensed Land Surveyors and Public Surveyors.

Dispute Ended

Texas finally got a \$33.9 million settlement out of the federal government, ending a five year legal hassle over matching funds for welfare services.

Attorney General John Hill said the check from the U.S. Department of Health, Education and Welfare to the Texas Department of Human Resources represent-

ed a successful culmination of the litigation concerning funds for needed social services provided by the state agency.

Hill said HEW also agreed to withdraw a request for a refund of more than \$178 million in claims from the Department of Human Resources.

Twenty states were involved in the settlement.

New Appointments

Gov. Dolph Briscoe named Cam F. Dowell Jr. of Dallas to the State Finance Commission. Dowell, a banker, succeeds the late J. A. Clements of Longview.

Briscoe also appointed Henry C. Wendler, retired IBM executive, to the State Board of Control.

John Ben Shepperd of Odessa was selected by the governor to serve on the Texas Library and Historical Commission, succeeding

Frank Prescott Horlock, Jr. of Houston.

Three new members were named by Briscoe to the Texas Commission on the Arts and Humanities. They are Mrs. Nancy Nelson of Dallas, Leon P. Gilvin of Amarillo and Edward L. Protz of Galveston.

Records Broken

Political candidates broke all records for campaign spending this year.

Republican gubernatorial candidate Bill Clements led the field with more than \$6.3 million. Democratic gubernatorial candidate John Hill said he expects to spend about \$3 million.

U.S. Sen. John Tower probably will pass the \$4 million mark, and Democratic Senate candidate Bob Krueger is beyond the \$2 million level. Jim Baker and Mark White, candidates for attorney general also topped \$1.2 and \$1.3 million a week before the election.

Courts Speak

Texas Supreme Court, in a case important to homeowners, agreed to consider a Dallas suit against a builder who sold a couple a \$55,000 home in which the flooring collapsed in front rooms after a year's warranty expired.

In another case, the Supreme Court affirmed a Fort Worth intermediate court ruling which invalidated a Wichita Falls ordinance prohibiting sales of alcoholic beverages within 300 feet of a school.

The Court of Criminal Appeals reversed the murder conviction of a Houston mental hospital patient accused in the death of a roommate.

Third Court of Civil Appeals upheld a state water agency's revocation of a South Texas firm's permit to build a waste disposal plant near Three Rivers.

AG Opinions

State colleges and universities must secure the copyright holder's permission for their musical performances unless the performance is specifically exempted under a 1976 revision of the copyright law, Attorney General Hill held in a new opinion.

Payment of licensing fees to secure permission for such performances would not violate the Texas constitution, the opinion continued.

Chief justices approve broadcast trial coverages.

Sudan News

By Evelyn Ritchie

Gena Nichols and Bertha Vereen visited recently in Wichita Falls with their sister, Ely Lam.

Visiting during the weekend with Mr. and Mrs. L.E. Harper and Mr. and Mrs. Tim Nix were Mr. and Mrs. M.G. Bramlet of Clinton, Mrs. Ken Cary of Bovina, Mr. and Mrs. Butch Cox of Muleshoe and Mr. and Mrs. Henry Sager of Littlefield.

Mr. and Mrs. O.L. Turner visited recently in the home of their daughter, Mr. and Mrs. Jimmy Carpenter.

Mr. and Mrs. Gary Gatewood, Mr. and Mrs. Jim Ingle and Freddie Maxwell attended the funeral of Mrs. Bales in Littlefield last Thursday.

Billy Donaldson of Muleshoe, nephew of Mr. and Mrs. Dwayne Powell, was honored on his birthday in their home, with a birthday supper, last Sunday.

Alma Fivest is a patient in the Methodist Hospital again following another fall at her home after her release last week. She has a broken hip and a broken arm.

Mr. and Mrs. Art Lynch were in Lubbock Thursday where Amy and Ann had a swimming lesson.

Steve Ritchie and Sheryl Salisbury of Lubbock were in Sudan during the weekend to visit his family, Mr. and Mrs. G.C. Ritchie and Debbie Phillips and children. They also attended the Sudan-Amherst football game.

John Hunter of Amarillo has been visiting with his grandparents, Mr. and Mrs. Charles Logan.

Charles Logan was honored on his 60th birthday in his home with a birthday supper. Those attending were Mrs. Ethal Logan and Lorraine, Mr. and Mrs. Roy Day and Mr. and Mrs. Roy Hunter and children.

Visiting during the weekend with Leola Clark and Bobby were her uncle

and cousin, John Tucker and Bill Tucker of Pueblo, Colorado. They also visited other friends in Sudan.

Phil Kent, a student at Tech was home during the weekend to visit his parents, Mr. and Mrs. Joe Kent.

Mr. and Mrs. L.D. Terrell visited his sister, Mavis Cook in Amarillo last weekend. They have been visiting in Elk City with their daughter, Mr. and Mrs. Tom McKenzie and Lonnie and also in Grandview, Mo. with their granddaughter, Mr. and Mrs. Carl Brown and Christa. They helped celebrate Christa's second birthday.

Mr. and Mrs. John Humphreys and Mr. and Mrs. Bobby J. Markham were in Clovis last weekend to attend an Art Show.

BOBCAT PELTS TO BE TAGGED

A system for tagging bobcat taken in Texas has been approved and implemented by the Texas Parks and Wildlife Commission as authorized by the Texas laws on non-game animals and the federal Endangered Species Scientific Association.

The ESSA program allows Texas to tab an unlimited number of bobcat pelts during the 1978-79 season which runs from Nov. 15, 1978 through Feb. 15, 1979.

Trappers and hunters who wish to sell bobcat pelts taken in this state are required to bring the pelt/carcass with the unfleshed skull to one of the numerous tagging stations across Texas.

These stations in northwest Texas include, by County, Cottle, Matador Wildlife Management Area, Paducah; Hemphill, Gene How Wildlife Management Area, Canadian; Howard, 302 N.W. 12th St. (TWPD), Big Spring; Lubbock, 5104 Ave. T., Lubbock; Randall, 4111 S. Georgia, Amarillo; Taylor, 279 N. Willis, Abilene; and Wichita, 100 Fremar Valley, Wichita Falls.

A limited number of bobcat heads will be collected for research purposes and the others marked and returned to the trappers or hunters.

All pelts must be presented for tagging each Tuesday between 8 a.m. and 5 p.m. The pelts will be tagged by P&WD personnel and the first tagging date is Nov. 21.

The successful hunter or trapper must present the pelt to be tagged in person and fill out a form indicating such information as his name and address, and the date and county where the bobcat was taken.

Prior to tagging the pelt, the P&WD official will insure the head is from a bobcat, is unfleshed, reasonably fresh, and that the lower jaw is also attached. All four canine teeth must be intact. Pelts will be tagged on a first-come-first-served basis each Tuesday.

Pelts taken prior to Aug. 31, 1978 cannot be tagged. However, they can be legally sold on the domestic market.

Bobcat pelts taken between Sept. 1 and Oct. 10 may be legally sold with or without a tag.

Bobcat pelts taken during the period of Oct. 11 through Nov. 14 cannot be tagged or sold.

All bobcat pelts taken for the purpose of sale, between Nov. 15 and Feb. 15 must be tagged at stations designated by the P&WD prior to sale.

Persons wishing to take bobcat for personal use and not for sale are not placed under the ESSA and P&WD restrictions.

The bobcat restrictions were imposed by ESSA after an undetermined number of bobcat pelts were shipped abroad to lucrative European and Far East markets in 1977. Since most states including Texas had no way of knowing the exact number of pelts taken each winter, ESSA imposed the ban with a resulting reduction in prices paid for Texas bobcat pelts last year.

It is not known how much the tagged bobcat pelts will bring this winter, but estimates indicate the price could go up from 30 to 40 percent over an untagged bobcat pelt. Last year, untagged bobcat pelts were bringing about \$80 in northwest Texas.

Bobcat hunters are reminded that Texas hunting license requirements apply for taking bobcat whether for sale or not. Also, failure to tag a bobcat prior to a sale is a P&WD violation.

WALLEYE GROWING UP

A recent netting survey at Buffalo Springs lake near Lubbock has furnished good news for both area anglers and the Texas Parks and Wildlife Department fishery biologists.

"The netting operations last month found numerous walleye in the 10 and one half inch class which is about average growth for six month old walleye in Texas," said Joe Kraai, project fishery biologist.

"The fish were stocked as small fry last April and the new program of stocking Buffalo Springs lake at a rate of 5,000 per acre is beginning to pay off," Kraai continued.

It is hoped that the saturation stocking of walleye

in the South Plains lake will produce a walleye fishery within two years. In the past, Texas lakes stocked with the normal number of walleye took from three to five years to produce sufficient catchable sized fish for the angler.

More walleye will be stocked in Buffalo Springs lake next spring as the project moves into its second year of operation by the P&WD.

The walleye will not only provide an additional species for the angler to catch, but should help control the over-population of shad prevalent in the lake.

ANNUAL PARK PERMIT A REAL BARGAIN

The new \$2 entrance fee which became effective Nov. 1 has increased the popularity of the \$8 "restricted" and the \$15 annual entrance permits for Texas state parks.

A park visitor purchasing a "restricted" annual entrance permit may visit a single state park numerous times throughout the year or the purchase of an annual entrance permit will allow the visitor to enjoy all Texas state parks.

During the fiscal year of 1977-78, 15,979,565 visitors came to the 103 state parks across the state. The parks are again expecting a record year and with the new \$2 entrance fee, park acquisition and operations should be financially sound.

It's Treatment Time For Peach Tree Borers

For homeowners with peach trees, fall is the best time to treat for one of the most destructive of all peach tree pests, the peach tree borer. A sure sign of the pest, says county Extension agent Spencer Tanksley, is the gum oozing down the trunk or branches of the tree. "This insect is mostly a pest of peach but is also found infesting plum, cherry and apricot trees," Tanksley explains.

Actually, two borers commonly attack peach trees, he adds. The larval stage of the peach tree borer feeds within the tree's cambium layer in and approximately six inches above the soil line to six inches below. The lesser peach tree borer attacks the cambium layer of the upper portion of the tree's trunk and larger branches. The approach to controlling these pests is basically the same, but the method of application differs.

Two fumigants generally used for peach tree borer control are paradichlorobenzene (PDB) crystals or ethylene dichloride in the liquid form.

Using fumigants around peach tree is a delicate operation and should be done with great care and precision. Over-treatment can damage the tree. The crystals, when applied to warm soil, quickly volatilize into a heavy gas which penetrates through soil crevices into burrows of overwintering borers and kills them. Crystals should only be applied when the soil is dry and the temperature is 55 degrees or above.

"When using PDB for peach tree borer control," the county agent recommends, "weeds should be removed from around the base of the tree and the soil leveled one foot from the tree trunk. PDB crystals should be placed in a

narrow groove encircling the tree about two inches from the tree trunk. Care should be taken to keep crystals from directly contacting the tree. Clean soil should be placed over the crystals to form a cone-shaped pile about six inches high around the base of the tree. This soil should be removed from the base of the tree in late March or early April."

Tanksley adds that the amount of PDB to use is determined by age and size of the tree. In general, one half ounce of crystals should be used for two to three year old trees, three fourths ounce for four to five year old trees, and one ounce for mature trees.

The Extension agent says that both PDB and ethylene dichloride can also be used to treat peach trees

infested by the lesser peach tree borer. Affected areas, recognized by masses of gum mixed with frass and sawdust running down the surface of the trunk and branches, should be treated after the leaves fall from the peach trees. A mixture of four ounces PDB in one pint of miscible oil diluted in two pints of water or a smaller amount at the same proportions should be prepared. This mixture should be painted on the wounds and damaged areas, without encircling the trunk or limb. When using ethylene dichloride for either peach tree borer or lesser peach tree borer control, proper rates and application instructions will be found on the product label.

For the homeowner with peach trees infested with either of these borers, Tanksley concludes, "control measures can greatly lengthen the life of the trees."

* Save 50% to 75% of the electricity normally used in cooking!

Here's the fastest, most efficient, energy-saving way to cook! Cook family-size roasts in minutes instead of hours. Thaw frozen foods, reheat cooked dishes unbelievably fast. Most foods cook in 1/4 the usual time with 50% to 75% savings on electricity you normally use in cooking. All the heat goes into the food, none is wasted!

- Pull down see-through door with electric lock • COOKMATIC Power Shift™ • Start switch, Stop switch and Light switch • Cooking indicator dial light • Removable oven tray • Many more work-and-time saving conveniences.

Comparison test figures were made by leading West Coast and Mid-West utilities and Amana Ann MacGregor Test Kitchen using the appropriate conventional cooking in an electric oven, range top or electric fry pan.

FFA Students Preparing For Contest

The Muleshoe F.F.A. has been working hard the past three weeks preparing for the Littlefield District Leadership Contest. The members will be going to the contest which will be held at Friona on Monday, Nov. 13. The chapter will enter five teams in the contest which include the Jr. Chapter Conducting, Sr. Chapter Conducting, Green Hand Quiz, Farm Radio and Senior Farm Skill.

F.F.A. members participating will be Junior Chapter Conducting: Curtis Wheeler, Lynn Moore, Delia Shaw, Alan Harrison, Alan Fine, monty Hysinger, Jacinda Gleason, Scott Saylor and Brenna Dodd. Senior Chapter Conducting: Thurman Myers, Clifford Watson, Curby Brantley, Todd Ellis, Greg Harrison, Ben Harmon, David Patterson, Benny Pena, Jimmy Gleason and Bryce Holmes; Green Hand Quiz: Jackie Alexander, Ronnie Angeley, Starla Black and Kelli Overman. Farm Radio: Wayne Ware, Robby Clark and Sherry Knowlton. Senior Farm Skill: Dennis Patterson, Bruce Crabtree and Casey Farmer.

Winners will take part in the Area I contest to be held in Plainview on Nov. 18.

HERO Hoopla

Thursday night, the HERO chapter held a meeting at Leal's Restaurant. After the meal, the meeting was called to order by vice president Stephanie Bell. The first order of business was to decide where the chapter would go for their annual spring trip. Galveston, Dallas and Ruidoso were suggested. By a majority vote Dallas was selected.

Also discussed were money-making and community projects and a Thanksgiving party. The meeting was adjourned by Christine Vela.

Calendar For The Week

NOVEMBER 13-18
Monday, Nov. 13 -- FFA Leadership Contest - Littlefield.
 Senior class -- 5th period -- auditorium
Thursday, Nov. 16 -- 9th - Morton - here - 5 p.m.
 J.V. - Morton - here - 7 p.m.
Friday, Nov. 17 -- Home-making movie.
 Sr. Invitations ordered - 9 a.m.
 Morton vs. Mules - there - 7:30 p.m.
Saturday, November 18 -- Muleshoe Speech Tourney 8 a.m. - 6 p.m.
NHS Discusses Upcoming Plan For Assembly
 The National Honor Society met Nov. 1 at Leal's Restaurant. President Steve Turner conducted the business meeting. In discussion were plans for sponsoring an assembly later this year.
 Those attending were Steve Turner, Jeep Shanks, Mark Harmon, Brent Burrows, Julia Shain, Lavayne Lloyd, Karen Stovall and advisor Mrs. Lucy Faye Smith.

Students Enthusiastic With 'Mock' Election

(by Jean Allison)

It is always gratifying to a teacher when a student is enthusiastic about learning; it is especially rewarding to observe a large number of students zealously involved in a class project. When the idea of a "mock election" was first presented to the Senior Civics students at Muleshoe High School, one student remarked rather dolefully, "It sounds like a lot of work to me." Little was it realized how apt his prediction would prove to be. Nevertheless, it was decided that this would be an interesting way to learn about a part of our political system.

It was decided to simulate the campaign and election of the U.S. Senate, the U.S. Representative and the Texas Governor races. The second period civics class was assigned the U.S. Senate race and they nominated students to represent the candidates; third period civics class nominated students to represent the candidates in the U.S. Representative race; and fifth period seniors did the same for the Texas Governor race. Finally, the sixth period civics class decided to act as over-all campaign and election managers rather than conduct a less well-known candidate race. The campaign progressed quickly as candidates chose campaign chairmen and other students were assigned candidates which they were to support.

Each student wrote a campaign speech in support of "his" candidate and presented it to the class (in many cases several times to gain speaking skill). From these speeches, the candidates chose those to speak for them at the election assembly. These students soon learned that it was impossible to write a campaign speech without knowing something about, not only his candidate, but also his opponent. Campaign literatures in bulk was collected, newspapers were devoured and each day students became more involved.

As the week progressed and students "hit the campaign trail" seeking supporters, campaign posters appeared everywhere, on the walls, on the students, on cars, and on notebooks. Campaign "huddles" were seen everywhere with students planning their strategy. Candidates stood before their classes and were questioned in depth, and they learned what it is to be a politician. Such remarks as, "Gee, I didn't know candidates had to be so smart," or "I guess I need to study about that issue some more," could be heard. It was decided that fourth

period English III class would represent the press at the election assembly, and they too were soon involved and heated arguments could be heard. They discovered, to ask intelligent questions, they had to understand the issues, and they began to study campaign literature also.

Every part of the campaign and election was done as realistically as possible. Sixth period civics class helped develop the election assembly, decided on stage decorations, made ballots, etc., besides also writing a campaign speech for one of the candidates. D Day for the election was Monday, Nov. 6, at 10 a.m.; and with each student carrying out his responsibility with expertise, the mock election assembly proved a great success. By the caliber of the speeches, it was evident the students had been doing their homework and knew the issues. It is interesting to note that in their voting the students chose the candidates which were elected the following day in the real election, thus proving an accurate barometer of things to come.

In assessing what they had benefitted most from this experience, many students remarked that they learned about the issues, some said they had become familiar with the whole political process, but one girl perhaps said it best when she states, "Before this I didn't care about elections or did not even know when there was an election. But, boy, tomorrow night, I will stay up all night, if necessary, to find out who is elected."

The final assignment for the English III students was to write a newspaper report about the mock election. The following reports are a sample of those submitted:

Melissa Biggerstaff reports on the election--

DECA Selects Special Show For Christmas

The Muleshoe Chapter of Distributive Education Clubs of America met Monday, November 6, for the purpose of choosing a movie to be shown to the Muleshoe High School student body on December 20. The movie selected was "Family Jewels", with Jerry Lewis starring. Other business included ordering DECA sweaters and jewelry. Forty-six DECA students were in attendance at the meeting conducted by President Roland Perez.

and 3rd period classes. This presentation was performed very realistically by the senior civics classes and the 4th period English III class.

Mrs. H.L. Allison, who is in charge of the classes, was in charge of this assembly, and had been planning the election for over a week. The students worked extremely hard during this time and brought about a great performance.

The students who participated in the candidacy were as follows: Doug Cowan as Bob Krueger, Steve Turner as Luis DeLeon, Dan McVicker as John Tower, Mark Harmon as Kent Hance, Charles Briscoe as George Bush, Month Jones as Mario Compeon, Jeep Shanks as John Hill and Dave Poyner represented Bill Clements.

After the campaign and the candidate speeches were given the press, which was the 4th period Junior English class, asked each candidate questions. Shannon Kennedy later announced the voting procedures.

The results of the mock

Little Mules Slam Olton, Win 29-8

The Little Mules bounced back from a 14-0 loss the week before to smash the Olton Mustangs 29-8 last Thursday night in Olton. The offense put together their most impressive effort of the year by scoring four touchdowns and extra point conversions. The scoring started out when Monty Hysinger bootlegged around left end for 37 yards and a touchdown. The extra points came on a Hysinger to Max Bachicha pass out of kick formation. The defense then held the Mustangs as they did all night and the offense again took over the ball. This drive was capped by a 40 yard touchdown toss from Hysinger to Ronnie Angeley on a waggle pattern, the kick was true by Hysinger.

Right before the half, Hysinger again ran around the left end with Dusty Puckett and Steve Orozco leading the interference. Again the kick was good, the third quarter was scoreless. However, just before it ended, Johnny Ybarra intercepted a Mustang pass that set up the Mules final score.

The final touchdown was the "spitting" image of the second one as Hysinger again bridged the gap in the air between he and Angeley for six and the kick was good. With time running out, the hapless Mustangs finally got on the board and made the final score 29-8.

election, as voted by every Senior and Junior student, were John Tower for senator, Kent Hance for Representative and Bill Clements for Governor.

Election as reported by Tammy Lane:

A mock election was held in the Muleshoe High School auditorium Monday, November 6, at 10 a.m. Senior civics students and fourth period English III students of Mrs. Allison acted as candidates, supporters of candidates and the press.

The program began with the salute to the flag which was led by Cecil Mardis, followed by the prayer led by David Killough. The Mistress of Ceremonies was Karen Stovall followed by the introduction of candidates and campaign chairmen led by Debbie Miller.

Those giving campaign speeches for United States Senate were for Robert Krueger-Lary Hooten, Dana Holmes and Gaylor Strahan; John Tower-Lavayne Lloyd, Tina Crego, Duane Franklin and Steve Gartin; Luis DeLeon-Robert Rodriguez, Serlene Saiz, Julio Garcia and Robert Posadas.

Those who gave the campaign speeches for U.S. Representative were: for George Bush--Dennis Patterson, Denise Hunter and Christine Vela; Kent Hance-Clayton Ramm, Lydia Puente and Keith Hawking.

The speeches for Texas Governor were: for John Hill-Terry Shafer, Wayne Ware, and Debbie Miller; Bill Clements -- Donnie Long, Julia Shain and Gina Burden; Mario Compeon--Wade Wilson, Bobby Gonzales and Nacho Agundis.

Introductory and candidate speeches given were: Introductory speech for Krueger-Rhoda Briggs and Candidate speech -- Doug Cowan; Introductory speech for DeLeon -- Josie Baca and candidate speech was by Steve Turner; Introductory speech for Tower-Randy Watkins and candidate speech -- Dan McVicker; Introductory speech for Hance--Randy Watkins and candidate speech -- Mark Harmon; Introductory speech for Bush--Cecil Mardis and candidate speech-- Charles Briscoe; Introductory speech for Hill--Brent Burrows and candidate speech was by Jeep Shanks; Introductory speech for compeon--Glenda Rasco and candidate speech--Monty Jones; and Introductory speech for Clements -- Tim James and candidate speech -- Dave Poyner.

Students representing the press questioned Senate candidates were Melissa Biggerstaff, en Harmon, Anita Perez, Christelda Lopez, David Dominguez, Kim Williams, John Carrion, Mike Northcutt, Aurora Quintana, Jim Norman and Sally Castorena. Students representing the representative candidates were Robby Clark, Oscar Hernandez, Reynaldo Rojas, Scott Baker, Rodney Unrein, Tina Crego and Esmeralda Posadas.

Representing the press questioning Governor candidates were Leo Anguiano, Monica Dale, Virginia Hodges, Kim Williams, Tammy Lane, David Dominguez, Helen Villalobos, Jerria Beasley, Tina McDaniel, Scott Baker and Irma Daniel.

The poll watchers were Dean Estep, Sheila Hunt, Sheryl Altman, Clayton Ramm, Mike Dale, Kenny Henderson, Stella Lopez, and Tony Aguirre. The "mock election" was held on stage and the votes

were taken by secret ballot. The press questions were conducted by Vivian Briscoe.

Reporter Ben Harmon saw the election as follows:

A mock election was presented by the senior civics classes and the 4th period English III classes on Nov. 6, 1978, at 10 a.m. in the Muleshoe High School Auditorium.

Since most high school students are not old enough to vote in the real election, all the junior and senior students got to cast their vote for one.

Some of the members of Mrs. Allison's Civics classes were portraying the Senators, Representatives and Governors running in the real election. They had to study up on the candidates and present speeches just as if they were doing the real thing.

The candidates running for office were U.S. Senator--Robert Krueger, dem., Doug Cowan; John Tower, Rep., Dan McVicker and Louis DeLeon, Raza Unidas, Steve Turner. For U.S. Representative Kent Hance, dem., Mark Harmon, and George Bush, Rep., Charles Briscoe and for Texas Governor John Hill, dem., Jeep Shanks; Bill Clements, Rep., Dave Poyner and Mario C. Compeon, Raza Unidas, Monty Jones.

The winners of the mock election were U.S. Senator--John Tower, U.S. Representative--Kent Hance and Governor--Bill Clements.

Mrs. Allison's fourth period English III class portrayed the press. They asked the candidates questions on the issues, acting as various newspaper, radio and television reporters.

FHA Chooses 'Super Dad' For Students

Rose chapter of the Future Homemakers met in the auditorium, Mon., Nov. 6, for a business session at which time the Presidents, Julie Barnhill and Kristi Henry, discussed November and December activities.

On November 2, FTA members attended the District FTA Convention in Plainview. District President Dave Poyner conducted the meeting. Mark Harmon was named District Mr. FTA. Mark competed against three other members.

For 1979-1980 Mike Northcutt will lead the District XVII officers as President. Becky Turner was elected Vice-President; Leslie Wagnon, Historian; and Sam Whalin, Parliamentarian. Zeke Pecina was a candidate for the office of Chaplain.

FTA students attending the convention and presenting skits were Dickey Sudduth, Steve Turner, Terry Shafer, Glenda Rasco, Michelle Agee, Melissa Biggerstaff, Kristi

Henry, Shelly Dunham and Awyna Cox. Students giving speeches for the candidates were Brent Burrows, Gina Burden, Mark Harmon and Christine Vela. Students attending as delegates were Jan Whitt, Donna Hawkins, Debra Washington, Lavon Rhodes and Stacey Campbell.

Karen Stovall and Brent Burrows are 1978-79 District officers. Karen also competed in the Miss FTA Contest.

Mrs. Kerry Moore and Mr. Steve Johnson, sponsors, were very proud of the FTA students and how they competed.

Mike Northcutt, District XVII President is the 16 year old son of Mr. and Mrs. Ed Northcutt. Mike is a Junior and is also active in athletics.

Becky Turner, Vice President, is the 16 year old daughter of Mr. and Mrs. Doyle Turner. Becky is a Junior and is active in basketball, FTA, Annual Staff and is a Varsity Cheerleader.

Sam Whalin, Parliamentarian, is the 16 year old son of Mr. and Mrs. Herbert Whalin. He is a Junior and is active in FTA and athletics.

Leslie Wagnon, District XVII Historian, is the 15 year old daughter of Mr. and Mrs. Joe Mack Wagnon. Leslie is a sophomore and is active in athletics, FTA and Student Council.

Mark Harmon, Mr. FTA, is the 17 year old son of Mr. and Mrs. Don Harmon. Mark is a Senior, president of the Student Council, Senior Class President, a member of the National Honor Society and plays varsity football. The Mule's Tale Staff expresses congratulations to these FTA members.

Mighty 'M' Band Makes II In Contest

The Mighty "M" Band attended marching contest Wednesday, Nov. 8. They performed well and received a II. We are very proud of our band and their accomplishments. Congratulations to Band Director, Mr. Charles Faulkner, for his outstanding job with the band.

The winners of the mock election were U.S. Senator--John Tower, U.S. Representative--Kent Hance and Governor--Bill Clements.

Mrs. Allison's fourth period English III class portrayed the press. They asked the candidates questions on the issues, acting as various newspaper, radio and television reporters.

Students representing the press questioned Senate candidates were Melissa Biggerstaff, en Harmon, Anita Perez, Christelda Lopez, David Dominguez, Kim Williams, John Carrion, Mike Northcutt, Aurora Quintana, Jim Norman and Sally Castorena. Students representing the representative candidates were Robby Clark, Oscar Hernandez, Reynaldo Rojas, Scott Baker, Rodney Unrein, Tina Crego and Esmeralda Posadas.

Representing the press questioning Governor candidates were Leo Anguiano, Monica Dale, Virginia Hodges, Kim Williams, Tammy Lane, David Dominguez, Helen Villalobos, Jerria Beasley, Tina McDaniel, Scott Baker and Irma Daniel.

The poll watchers were Dean Estep, Sheila Hunt, Sheryl Altman, Clayton Ramm, Mike Dale, Kenny Henderson, Stella Lopez, and Tony Aguirre. The "mock election" was held on stage and the votes

were taken by secret ballot. The press questions were conducted by Vivian Briscoe.

Reporter Ben Harmon saw the election as follows:

A mock election was presented by the senior civics classes and the 4th period English III classes on Nov. 6, 1978, at 10 a.m. in the Muleshoe High School Auditorium.

Since most high school students are not old enough to vote in the real election, all the junior and senior students got to cast their vote for one.

Some of the members of Mrs. Allison's Civics classes were portraying the Senators, Representatives and Governors running in the real election. They had to study up on the candidates and present speeches just as if they were doing the real thing.

The candidates running for office were U.S. Senator--Robert Krueger, dem., Doug Cowan; John Tower, Rep., Dan McVicker and Louis DeLeon, Raza Unidas, Steve Turner. For U.S. Representative Kent Hance, dem., Mark Harmon, and George Bush, Rep., Charles Briscoe and for Texas Governor John Hill, dem., Jeep Shanks; Bill Clements, Rep., Dave Poyner and Mario C. Compeon, Raza Unidas, Monty Jones.

The winners of the mock election were U.S. Senator--John Tower, U.S. Representative--Kent Hance and Governor--Bill Clements.

Mrs. Allison's fourth period English III class portrayed the press. They asked the candidates questions on the issues, acting as various newspaper, radio and television reporters.

FHA Chooses 'Super Dad' For Students

Rose chapter of the Future Homemakers met in the auditorium, Mon., Nov. 6, for a business session at which time the Presidents, Julie Barnhill and Kristi Henry, discussed November and December activities.

November activities approved included decorating the Nursing home for Thanksgiving and sponsoring a movie to be shown on Nov. 17 at 10:30. The movie will be "Super Dad", and the cost is to be seventy-five cents. Part of this money will be used to purchase a new refrigerator for the Homemaking department.

Members will also plan, prepare and serve a District FFA Banquet Nov. 30.

It is not every week that you get the opportunity to play in a rain storm. This was the case the second half of the Olton game, and it was evident our players enjoyed getting wet and muddy. We played very good football Friday night even though the weather conditions did cause a few turnovers. I feel like our entire football team is beginning to play up to our capability in every aspect of the game and the coaching staff is very proud of these young men. The game against Dimmitt will be a very hard contest, but I think our players will play their best game of the year. The cream rises to the top. A Dimmitt victory would insure the 1978 Mules of a bi-district play off birth. Lets all get together against Dimmitt and give our finest effort of the season.

Major Legislation Issues Discussed

Parity prices, regulatory agencies, export markets, energy problems and taxes are among the major issues facing farmers that will be aired at the Texas Farm Bureau's 45th annual meeting here November 26-29, according to Carol Chaloupka, TFB president.

The policy development process of the state's largest farm organization will climax with adoption of state policies for next year, Chaloupka explained. The expected 1,100 voting delegates from the 212 organized county units in Texas will also approve recommendations for national policies. These will be forwarded to the American Farm Bureau Federation annual meeting in January in Miami Beach.

Theme for this year's convention which will be held in the Dallas Hilton and Dallas Convention Center is "Farm Bureau for Freedom and Profit." The state farm organization has made an intensive effort to get the thinking of its producer-members on policy positions, Chaloupka said. Some 50 multi-county meetings were held around the state in the summer months to plan for maximum participation in the policy development process, he added.

In addition to taking care of policy matters, the voting delegates will elect directors from six of the 13 TFB districts and a president. The TFB Board of Directors will meet immediately following adjournment of the convention to elect a vice president and secretary-treasurer from among their own number.

The business session of the convention will begin at 10 a.m. Tuesday, Nov. 28, and continue until all proposed resolutions have been disposed of. The last order of business is election of directors and the president.

Chaloupka and a guest speaker yet to be announced will address the convention on Monday morning, Nov. 27. S.M. True Jr., Plainview, TFB secretary-treasurer, will make his report that morning.

Conferences set for 1 p.m. Monday include Animal Health, Energy, Cotton, Wheat and Feed Grains, Rice and Farm Bureau Services. Scheduled at 3:30 p.m. are conferences on Livestock, Peanuts and Oilseeds, Research and Education,

Farm Labor, Water and Dairy. A number of activities involving young people are scheduled during the convention. The Discussion Meet and Talent Find competition will be Sunday evening in the Dallas Convention Center Theater, and the Queen Contest is set for the same theater on Monday evening.

Hog Prices Expected To Remain Strong

Market hog prices look favorable through the third quarter of 1979 even though production is expected to increase.

Much of the expected strength is because of a continued strong demand for red meats and expected short supplies of beef, says livestock marketing economist Dr. Ernest E. Davis. Davis is with the Texas Agricultural Extension Service, the Texas A&M University System.

"Pork production this year will equal last year's 13.05 billion pounds," Davis says. "The current hog-corn ration of 25.4 should encourage and stimulate hog production in 1979 by 5 percent, with the increase beginning the

second quarter of next year." For the period of October through December, commercial hog slaughter should be down only 1 percent from year ago levels. But the total frozen pork supplies are indicated to be up 23 percent in the September cold storage report, which will provide some cushion to the expected slaughter reductions, Davis points out.

He projects stronger prices in January through March, averaging between \$49-\$52 per hundredweight. Second quarter 1979 barrow and gilt prices should average \$48-\$51 per hundredweight.

Of course there is always a chance of government intervention in the form of price controls, notes the specialist. In the form of price controls, notes the specialist. In this case, price ceilings will most likely be above break-even costs and may only be imposed on the beef sec-

tor.

Although there is a projected production increase, it may not be a great one. "There is still and always will be a hog cycle responding to profits and losses," Davis says. "But the wide, wild fluctuations might be tempered by the changing structure of the hog raising industry."

Raising hogs has become a big business, resulting in

OVERALL PRICES UP
Grocery shoppers got some relief from rising food prices in August but the cost of housing and medical care kept the inflation rate climbing steadily, the Labor Department said.

Winterizing Cattle Adds Profit

With winter approaching, stockmen can take certain steps to "winterize" their cow herd for a more efficient operation, points out Spencer Tanksley, county agent with the Texas Agricultural Extension Service.

Efficiency is increased mainly by culling unproductive cows that would otherwise consume costly supplemental feed.

Tanksley lists these steps as part of a cow herd "winterizing" checklist:

1. Sell all cows found open in a pregnancy test.
2. Treat eyes for injury, blindness and tumors.
3. Check teeth for excessive wear and decay--both cause problems in eating and loss of weight.
4. Inspect ears for ticks and treat as needed.
5. Treat any cow showing signs of stress from internal parasites.
6. Remove all cows in poor

condition since they probably will not conceive next year.

7. Watch for lameness and any other problem in structural soundness that might limit the cow's ability to forage.

8. Check udders and teats for injuries that may limit the milk when the calf does arrive.

9. Search last year's records for health problems that may limit a cow's future usefulness, such as retained placenta, calving difficulty or prolapsed uteri.

"Winterizing" the cow herd is just good, sound management, contends the county agent. This saves on supplemental feed and also reduces the competition for range grasses.

From A Pastors Desk

(by Herman Schelter, pastor St. John Lutheran Church at Lariat.)
In a parable of Jesus, Matthew 25:14-30, God

asks us to acknowledge Him as the abundant Provider, and use the gifts He gives us to His glory.
As we look at Christ's story, we quickly see the dimensions of it. The owner is leaving his estate for an extended period of time. In leaving, he does out his property for use, care and investment. The servants are slaves in a time when slavery was common. So Christ tells us

the master owned both the estate and the people to whom he entrusted it.
This was a generous, trusting owner who understood that each servant had different abilities for management. So he gives one five, one two and one one talent. A talent was comparable to 15 years wages. We immediately see the trust and generosity of the owner.
The first and second servants doubled the value of the property in their master's absence. They are important but the third fellow intrigues us.
He comes back with the same amount, no more, no less. The parable seems to indicate this was due to the fact that he did not understand his master, this led to fear on his part, which in turned to him digging a hole and hiding what he was given.
What is intriguing about this servant was the fact that he was basically a

good man by many standards. He buried the money. A modern day equivalent would be to stuff it under the mattress or lock it up in the safety deposit box. That is what is intriguing about him.
What is convicting of the one talent man is his blatant misunderstanding and insolent condemnation of his owner. He just does not understand him, and his understanding turned into accusations. He accuses the master of reaping and stealing, of being cruel and greedy. He did not understand the owner, he had no faith in him, his promised return caused fear rather than happy activity, slander rather than praise. What a pathetic picture of man he represents. We can imagine him angry, slandering his owner as though he had been mistreated.
His life was lived under the supposed natural law. He lived with a pessimistic view of the way things turned out when we try to do something without thinking much about it. According to this view, most events are adverse; the innocent usually pay the consequences. So if the ineffectual pessimist wants to pin his anger on someone, the logical candidate is God. God is at fault. It is His World with all its problems and

troubles. It is God's world and it is all His fault.
If we did not get so angry with this servant, we'd understand what a pathetic figure he really is. He is but a slice of each of us, and our anger is only a slick way we have of transferring our actions to him when we should face up to what we really are. To analyze ourselves rather than him requires an honest appraisal of our thinking and a good look at the Master.
The Master in this story represents God, or the Son of God, Jesus Christ. In the verses following our text He is the "Son of man who comes in His glory and all the angels with Him," and He is the "King who speaks to those gathered on His right hand and on the left." The particular emphasis in this parable about the end of time or the return of the Master is our accountability to Him, according to what He has done for us and what He has given us. So to get the correct picture of the Master, we need first to see what He has done for us and how He has made us His servants.
He is the Creator and Lord of the whole universe. But man by nature is a rebellious creature, one who rejects God's plan of organization of the Gar-

den of Eden and ate of that forbidden fruit. The only way we now become servants who are willing to follow and obey is by God Himself changing us. That is what He wanted to do when He sent His Son into the world to live a holy life in the place of all mankind and to die a terrible death on the cross as a substitute for man who deserved to die there because of his rebellious sin. But that work of "reconciling the world unto Himself" is finished. By faith we receive the forgiveness of our sins, we are reconciled with God, we are born again, we become new creatures, and then we learn how to be willing servants of Jesus Christ.
It is only then, as servants of Jesus Christ, that we can view everything we have in life as gifts from our loving, caring, giving Master. All I am and have are gifts given to me by the Master, entrusted to me for me to use for Him. And when I am faithful in that service, He entrusts me with even greater responsibilities and greater gifts.
Servant number three lived in fear of what his Master would require of him and it only got him tear-filled eyes and gnashing teeth. We need not live that kind of life. We can live with joy and confidence, knowing that the

Master has called us to be His own. He has entrusted us with special gifts, and He will reward us when He returns. That makes a big difference in our style of life and in our motivation. We don't go stomping through life and over other people, for we know that everything belongs to the Master. We don't live in fear of the judgment of the Master. He has forgiven all our failures and sins and paid for them on the cross. We daily claim that forgiveness and in love and gratitude seek to be the best stewards we can of the gifts He continues to give us.
Let's honestly and faithfully search the places in

our lives where we haven't used His gifts. Find that love we have stashed away and start sharing it. Look where we have hidden our faith and start living it. Check where we hid our joy in the risen Christ and praise Him every day.
Let's find all the treasures we have hidden and live and use the gifts of the Master.
One day He shall return. That's the day I hope we can stand side by side together and present back to Him all His treasures, well used, multiplied, glorified by faithful living, and hear Him say, "Well done, good and faithful servant...enter into the joy of your Master."

\$2.7 Billion Surplus In State Treasury

State Comptroller Bob Bullock Monday reported that Texas state government ended the last fiscal year with a \$2.7 billion surplus.

Bullock filed with the Governor's office the 1978 annual financial report for the fiscal year which ended August 31, 1978.

This year-end cash balance was \$244.8 million greater than the cash balance at the beginning of the year.

"The economic environment of Texas government should be the envy of budget-makers in the other 49 states and is closely linked to the state's prospering economy," Bullock said.

The report showed that Texas government had total revenues and beginning cash of \$11.1 billion during the year and spent

\$8.4 billion. The favorable position was made possible by record revenues from all major sources, including \$5 billion in tax collections, \$2 billion in federal funds, \$414 million in licenses and fees, \$665 million from investments of state funds and \$405 million in income from state-owned lands.

Support for public education at all levels accounted for the biggest state expenditure, \$3.7 billion or about 46 percent of state spending.

Public welfare was the second largest function of state government with outlays of \$1.6 billion. Spending for state highways amounted to \$921.8 million.

Texas' predominant role in the rise of the Southwest as a major economic population center has resulted in substantial increases in state revenues, the report notes.

Economic indicators such as population growth, personal income, employment and energy production were detailed. These developments include:

*For the year ended June 30, 1977, the Texas population was estimated 12,830,000, a 1.8 percent increase above previous years. For the past ten years, the state's population had an annual increase of 1.7 percent, more than double the percentage increase of the nation as a whole.

*Texas per capita personal income averaged \$6,803 in 1977 -- a 10.3 percent boost above the prior year.

*Texas employment totaled 5.07 million in May 1978, excluding agricultural workers. This is a 4.3 percent increase over the previous year.

*The number of state employees in Texas declined relative to the state's population in 1977.

*Although Texas crude oil production has continued to decline in recent years--it averaged a 3.3 percent annual increase over the last six years through the second quarter of 1978--higher prices have kept the value of production roughly constant.

Collect Soil Samples Now, Says Agent

Why wait until bad weather sets in this fall or the rush of spring work next year to collect soil samples?

Numerous studies have shown that nutrient levels and soil pH do not change rapidly so that samples can be collected well ahead of planting. Most important is to have a long range plan for sampling each field at two to four year intervals. This can be accomplished by sampling 1/4 to 1/2 of the fields each year or sampling at two to four year intervals, notes Spencer Tanksley, county agent with the Texas Agricultural Extension Service.

A farm map should have permanent field numbers and these numbers used each time samples are collected. Keeping results and observing changes over a period of time is essential for obtaining the greatest amount of useful information from soil tests, says Tanksley.

To collect a representative sample, give careful attention to instructions on the back of soil sampling information sheets available at the county Extension office. Obtain a composite sample to represent the plowlayer in cultivated fields and the top 3 to 4 inches for perennial sod crops. This requires 10 to 20 slices or cores at random over the field.

Averaging the variation caused by past fertilization, liming, cropping and natural conditions requires a special effort to collect good samples, emphasizes Tanksley. And a good sample is essential for satisfaction to be expected from soil tests.

So get the jump on next year's cropping program by collecting soil samples now, suggests Tanksley.

Out of Orbit

I'LL GO TO THE ENDS OF THE GALAXY FOR YOU!

SADAT INVITES POPE
VATICAN CITY -- President Anwar Sadat has invited Pope John Paul II to visit Egypt and pray on Mount Sinai after the signing of an Egyptian-Israeli peace treaty and the pope has "expressed a great interest." Egypt's ambassador to the Vatican said.

ATTEND THE CHURCH OF YOUR CHOICE

Putting forth a *Real* effort

A child's first attempts at printing require deep concentration and great effort. However, with patience and practice he becomes more adept and lettering is easier. Then he is ready for the next step, learning to write.

The Lord expects us to put forth an effort to improve ourselves.

"I beseech you therefore, brethren, by the mercies of God, that ye present your bodies as a living sacrifice, holy, acceptable unto God, which is your reasonable service."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

GUNS RECALLED
BRIDGEPORT, CONN. -- Remington Arms Co. said it is recalling about 200,000 guns following a \$6.8 million settlement to a Texas man who claimed he was shot by a rifle whose trigger had not been pulled.

Card Of Thanks
We wish to express our sincere thanks for the prayers, food, floral offerings and words of encouragement and sympathy during the illness and loss of our beloved wife, sister and aunt, Ardath Glascock. Our special thanks to Dr. Purdy, the nurses and staff at West Plains Medical Center for their loving care and attention and to the choir of the First Baptist Church for their musical offering. May God bless each of you. The Glascock and Gilbreath families.
