The Donley County Leader

Complete Trade Territory Coverage

A friend to the farmer, his home and his family. A champion of his rights and a willing promoter of his interests.

Volume 11 Number 9

CLARENDON, DONLEY COUNTY, TEXAS, APRIL 27, 1939

A Common Paper for Common People

Girls on NYA Project Are Given Practical Training

Girls from Donley, Hall, Childress, Collingsworth, Wheeler, Potter and Lipscomb counties are enrolled on the Clarendon resident project of the National Youth Administration. The girls are chosen in compliance with the aim of NYA to find the natural aptitude and cultivate that talent by planning a course best suited to their individual need.

The local project was set up as a home-making course, and to develop skill for positions in the business world for thirty Panhandle girls who knew by previous experience what course they preferred to follow. It was started July 28, 1938, sponsored by the local Chamber of Commerce and the Commissioners Court of Donley county, and is to continue through June 30th of this year.

Courses of study include cooking and serving, sewing, canning, refinishing furniture and other necessary instruction in home-making. Some of the girls secure training by working in the offices of the county agent, county judge, Chamber of Commerce, school assessor, City, and case worker's office. Seven of the girls attend college, taking shorthand, typing and literary subjects.

Each girl receives thirty-six dollars per month. From this sum she must pay her board and incidentals. Most of them send money home to help defray family expenses.

The capacity of the home is limited to fifteen girls. These girls alternate, working every other month. Those in school board in private homes and defray their expenses by working under NYA in the offices named above, receiving their pay from NYA, and not the local offices where they are employed.

In the two story home, the canner and laundry is located in the basement with every facility for expediting the work with a minimum of effort. The kitchen, dining room and recreation room are on the first floor, and bedrooms on the second floor. Each department is comfortably furnished, but in no sense beyond the means of the average family.

Their formal training is directed by Miss Eula J. Burleson, dean of Baylor Academy for five years, and assistant to Geo. C. Hester, head of the department of history of Southwestern University as well as other responsible positions as a part of her preparation before coming to take charge of the local NYA project.

BRINKLEY HERE FIRST OF WEEK

Brings In Seven Whelps But No Medical "Trust" Scalps This Time

Brinkley visited the office of the county judge where he transacted some business. He had brought along seven whelps, coyote pups if you care to get unethical in referring to the mischievous animal well known in these parts.

But this man is not the "trust buster" type, it was W. C. Brinkley of the Bray county, and he is thinking out the chicken eaters over his way. He dug out a coyote den and came in to collect his bounty.

In seven whelps, B. H. Hugg from near Almarred brought in a batch of coyote scalps to collect a bounty of a dollar each.

While the coyotes were getting the worst end of the deal, W. T. Fincham got busy and brought in five whelps. There appears to be a full crop of coyotes this season.

The word is taken from the Spanish, and means "mixed." When the name was given the animal, it was believed to be a cross between a lobo wolf and a fox. Or at least Judge R. Y. King explained it that way Tuesday, and the Judge sought to know what he is paying out money for at the rate of a dollar a head.

CHURCH DELEGATES ATTEND DALLAS PRESBYTERIAL

Representing the Ladies Auxiliary of the local Presbyterian church, Mrs. J. H. Howze, Mrs. G. L. Green and Miss Mable Mongole are attending the Presbyterial. The sessions began Wednesday morning and will close tonight.

MOTHER ILL IN OKLAHOMA

His many friends here will regret to learn of the serious illness of W. W. Noblet's mother at Spiro, Okla. Mr. and Mrs. Noblet and son, Billie Waymon, were called there Saturday.

THE BIG AND LITTLE

This little bit of a story consists of a big egg, a little egg and a good breakfast for the writer. Mr. R. C. Bingham of the Sunnyview community brought these two eggs to the Leader office Saturday. The larger egg measuring 8 and one-half inches over end and six inches in circumference. The smaller, which looked much smaller than it was, measured 4 inches over end and three and three-fourths around.

If anyone else has one that will beat this, bring it in so the writer can have another enjoyable breakfast.

A CAPELLA CHOIR WELL RECEIVED

Large Audience Present To Hear Talented Pampa Group

Miss Helen Martin and her choir of forty girls and boys gave the music lovers of Clarendon and Donley county a treat Sunday afternoon when they presented a program at the College Auditorium.

The program included both sacred and secular numbers, three of which were original arrangements. All of the numbers were greatly enjoyed as the response indicated, and the uniformity of the gorgeous costumes added to the perfect rendition of each number.

Miss Martin, a Clarendon girl, who teaches in the Pampa schools, has directed this group of singers for several years. She, as well as the A Capella Choir, is gaining an enviable reputation all over the state.

The program was sponsored by the McDowell Club, assisted by the College authorities. As a very small token of appreciation, the Club served cooling refreshments to the Choir before the big school bus started back to Pampa.

COKE AND BRADEN AWARDED HIGHWAY CONTRACTS

This same firm of highway builders did the other work in this section, and most of that done in the Panhandle.

The contracts awarded Tuesday in Austin calls for four miles of surfacing on Highway 18 north of town. Another contract is seal-coating 12.5 miles on Highway 370 from the Armstrong county line to Clarendon.

The work has already begun, preparations being made as early as Wednesday morning.

FORMER RESIDENT OF DONLEY COUNTY DIES IN ARK.

Friends of former years will regret to learn of the death of Mrs. M. Powell, a resident of this county for many years. She passed away at Bentonville, Arkansas April 16th.

PEGGRAM INFANT IS BURIED HERE MONDAY AFTERNOON

Raymond Lee, aged five, a son of Mr. and Mrs. Claude L. Peggram of near Hedley, passed away Sunday afternoon after a prolonged illness. Funeral services were conducted at the local Methodist church at 2:30 p. m. Monday by the pastor, Rev. H. C. Gordon.

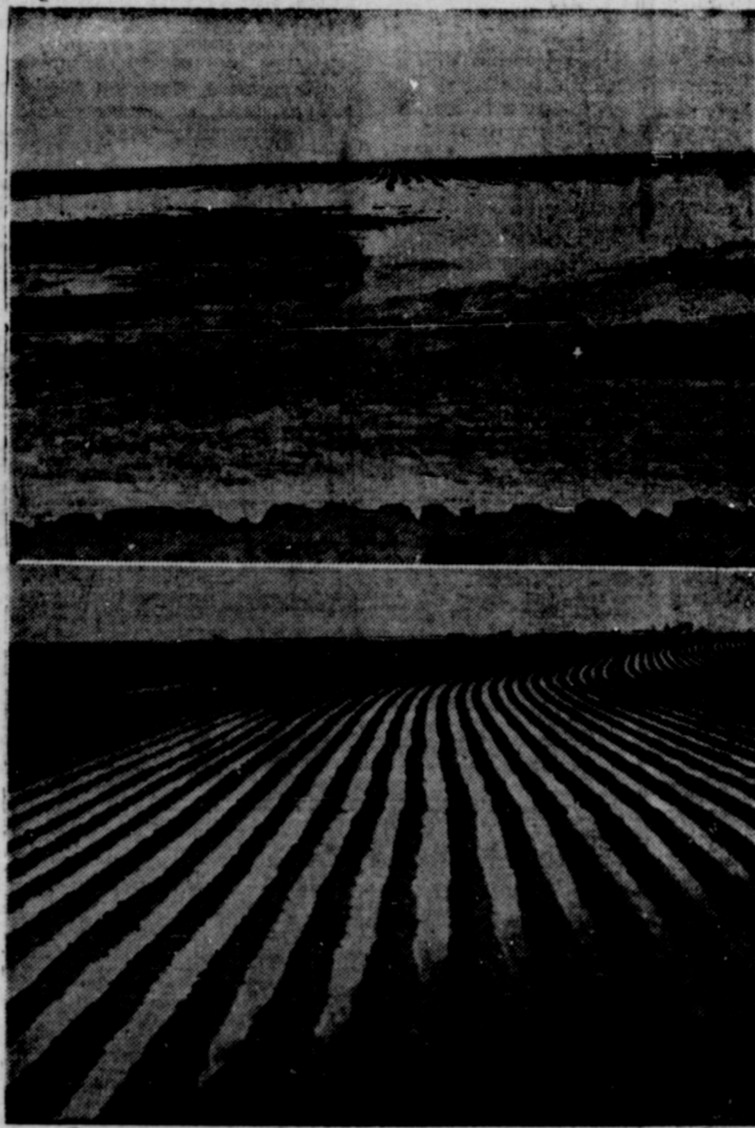

Surviving are his parents, a sister Janet, and his grandparents, Mr. and Mrs. Jim Peggram of near Goldston and Mr. and Mrs. Raymond Lang.

GAS HEARING MAY LAST ALL WEEK

A report from Mayor Tom F. Connally from Austin Tuesday night stated that all of Monday was consumed in arguing points of law. The hearing proper got under way Tuesday. It is the Mayor's opinion that the hearing may require all of the week.

The injunction suit is based upon a ruling of the Railroad Commission, hence the Attorney General's department is defending the interests of the gas users of Clarendon. The Commission set the gas rate at 51 cents per thousand cubic feet instead of 63 cents, the old rate after the discount was taken. The gas company offered to compromise on a 55 cent rate, the Mayor stated some two weeks back.

WATER—FOR FLOOD OR CROPS?

Proper control of water is necessary to prevent soil erosion and to insure successful crops, the Soil Conservation Service says. Straight rows up and down slopes (shown at top) serve as miniature drainage ditches which allow water to flow off land where it falls. This rushing water is taking a heavy load of valuable topsoil and is being lost for use in growing crops, to say nothing of adding to flood danger downstream. Contour rows (shown at bottom), strengthened by terraces where necessary, hold practically all the water on the land. This insures even crop sands, better yields, prevents soil losses and gullying and tends to check flood damage.

Donley County Will Share \$138,000 REA Allotment

The federal Greenbelt electric cooperative in Collingsworth, Donley county, Texas, and Harmon county, Oklahoma will serve 434 members and will have a total mileage of 146 in serving them. The line will enter Donley county by way of Quail. \$131,000 was allotted for construction of main lines.

REA has allotted \$7,500 to the Greenbelt Electric Cooperative, Inc., Wellington, Texas to be re-lent to finance individual members' installations of wiring and plumbing. The cooperative will determine just how the money will be available; and in

general, the terms on which it will re-lend the funds. REA requires, however, that the individual notes shall not finance more than 80% of the cost of any installation, and the money must be repaid in not more than five years. At least two payments a year must be made.

Although the cooperative will pay only about 3% on the money owed, the rate to individual borrowers must be higher, in order to meet the expense of collection, bookkeeping, and so on. REA suggests that individual notes be made at 6% annual interest on the unpaid balance.

TWO CELEBRATE NATAL DAY WEDNESDAY NOON

There is pleasure and jollity when two old friends get together. Especially is this true when the two celebrate birthdays over a pile of fried chicken a foot high.

The two men referred to are Uncle Hugh Brown and Uncle Pud Bain, and Mrs. Pud Bain prepared the excellent dinner, the kind you eat at noon instead of at supper time.

Uncle Hugh stated to a crowd down town later that, except for teeth, he was the better man of the two. This was corroborated by Uncle Pud Bain a few minutes later. Uncle Hugh Brown is 82 and Mr. Bain is 32, fast friends and mighty fine men. Mr. Brown has been in this section over forty years, and so far as known, has not a single enemy. Neither has Mr. Bain.

GOING TO DALLAS

Mr. and Mrs. Geo. B. Bagby will leave Friday for Dallas. While there Mr. Bagby will attend a meeting of the Agents Advisory Board of the United Fidelity Life Insurance Co.

LOCAL PASTOR CONDUCTING REVIVAL AT LELIA

Quite a bit of interest is being taken in the revival being conducted at the Methodist church at Lelia Lake this week. Rev. H. C. Gordon, pastor of the Clarendon Methodist church is doing the preaching. The revival began Monday night, and will close next Sunday.

NO CHANGE IN FISH LAWS

There will be no changes in fishing regulations before September 1, according to Austin O'Neill, state game warden. New laws are pending in Austin, but will not affect the present season which opens May 1.

General regulations now require that resident citizens of Texas must procure an artificial lure license when fishing with artificial lures or baits. Bass not less than 11 inches and crappie not less than 7 inches in length may be taken.

Daily limits remain at 15 for bass and 15 for crappie, subject to some variation in certain counties.

PLANTING BEGINS IN DONLEY COUNTY

Grain Sorghums, Cotton, Corn and Melons Are Off to Early Start

Ample moisture at this time, the first since 1923, according to a number of farmers, is the inducement for planting cotton at this early date as an experiment. Planters hope to get ahead of hot summer winds.

Borers were found to cause far less damage last season. For this reason, a much larger acreage of corn will be planted. Much of it is already planted.

Headed crops are the main feed crops. Quadrant milo is becoming a favorite. Farmers of this section are quick to add new varieties as they are offered by the various experiment stations.

Cantaloupes, water melons and peas will be grown more extensively this season. Several are planting them for the first time for market. In the list of annual growers on a large scale, Frank Hardin heads the list, E. L. Lewis, Glenn Williams, W. A. Bullard, Carroll Lewis, Noel Simmons, J. W. Stobbs, R. C. Bingham and many others have planted large acreages.

Trucks come from Colorado, New Mexico, Kansas, Iowa, Oklahoma and other states come in and buy up most of the melon and pea crops, affording the best market to the growers.

LOCAL YOUTH NOW EMPLOYED IN SILVER CITY

Billie, son of Mr. and Mrs. W. G. Word here, is now in the employ of a leading hardware firm of Silver City, N. M. He gained valuable experience in this line of work while employed by the Amarillo hardware company for some time since leaving here.

VISITS RELATIVES

Mrs. J. C. Estlack returned home Monday after visiting her niece, Mrs. Chas. Bebee and family in Amarillo and a sister, Mrs. S. H. Manning, and family near Plainview. Mr. and Mrs. Ray Wadsworth and two sons of J. N. M. met her at the Manning home. Mr. Wadsworth is her nephew, and also a second cousin of D. F. Wadsworth, Denver station agent.

Violation Farm Truck Law is Serious Matter

ENCHILADA SUPPER PROVES POPULAR WITH PUBLIC

Ladies of the Episcopal church are elated over the extreme cordial reception given their idea of raising church funds with an enchilada supper. More than forty dollars was realized.

The Parish House was converted into a Mexican tea room, the walls being decorated with solol baskets, bright-colored Mexican blankets and other articles. Baskets made from solol, in which were placed the small pyote cactus, were table ornaments. The tables were covered with oil cloth of various Mexican design.

Each order of enchiladas was "escorted" with baked beans, coffee and lightbread. The ladies who prepared the food are praised for their skill which made the supper a complete success. Many were the compliments paid them.

COMMUNITY SINGERS INVITE YOU TO AMARILLO

W. T. Copeland, president of the organization, asks that the Leader give publicity to their 5th Sunday singing convention to be held in the City Auditorium.

Saturday afternoon and Saturday night, the convention will be in progress at the 10th Avenue Methodist church.

All quartets and listeners invited, and lunch will be served. Mr. Copeland writes, A number of singers from this section have attended former sessions of this organization with pleasure and profit.

GAME FISHING SEASON WILL OPEN MAY 1st.

Restrictions prohibiting the catching of black bass and crappie will be lifted Monday, May 1, opening day of the general fishing season. A recent act of the Legislature abolished the May closed season on game fish. Twenty-four counties of the Panhandle are thus affected, including Donley.

AUTO SMEARED WITH EGGS AT NIGHT

Among the students to attend a school class meeting at the Odos Caraway home Wednesday night was John Burton King. The youth drove the brand new family car. When he got ready to leave the Caraway home, he discovered that eggs had been thrown at the sides of the car, smeared the surface. Not only that, eggs were smeared over the panel board and windshield inside the car.

The Leader will head the list with a contribution of five dollars toward a fund to be paid for the arrest and conviction of the offender.

Highway patrolmen working in this territory have reported to us a flagrant violation of registration laws. They report seeing many automobiles using farm license plates and they are certain that many of these cars are not legally using this farm license plates.

The patrolmen inform us that the law states that a vehicle registered as a farm truck "can be used by the owner to carry his own poultry, dairy, livestock and farm products to market or to other points for sale or processing, or in transporting laborers from their place of residence, and materials tools, equipment and supplies, without charge, from place of purchase to his own farm or ranch exclusively for his own use and for NO OTHER PURPOSE WHATSOEVER."

The law does not allow a farm truck to be used as a passenger vehicle at any time and plainly and positively does not allow persons who live in town, even if they may own or rent a farm, to register their automobiles as farm trucks and use them as passenger cars.

The patrolmen state that since it is possible to change farm truck licenses to passenger licenses without losing any of the money paid for the farm licenses and because the lowest possible fine that can be assessed in court is \$38.00 for violation of this law, they are appealing to all persons who are operating farm truck vehicles as passenger vehicles, to register their cars and get passenger plates. If they do this before the patrolmen arrest them no penalty will have to be paid, but after an arrest, the penalty can be rather severe. An extreme penalty can be prosecution on a charge of false swearing, the punishment for which can be a penitentiary sentence.

It is the patrolmen's hope that persons who are violating this phase of the registration law take advantage of the first opportunity to correct the error and save themselves both money and embarrassment.

(This information was given the Leader for publication by highway patrolmen whose duty it is to enforce this law. The information is passed on as a service to our readers. Very few people violate a law in Donley county, if they know it.)

MUSEUM SIDELIGHTS

The Museum, as usual, was open Monday afternoon, and seventy-three visitors were registered. These included two grades from the city school, sponsored by Mrs. J. H. Headrick and Miss Lucille Pohl.

Each week interesting additions are made to the exhibits. J. C. Estlack has recently placed on display a branding iron once owned by Dick Walsh, and found on the J. A. ranch by Geo. Wayne Estlack. Mrs. Millard Word has made two valuable loans, one a decorated copy of Wilson's message to Congress on the occasion of the declaration of war, the other an old tortoise shell Spanish comb that once belonged to an ancestor by the name of Cooley, and was worn at a ball given by George Washington and La Fayette at the time of the Revolution. Mrs. Word also presented some old books, including early publications of Shakespeare, Browning, and Longfellow, a book entitled "The Chronicles of the Cotta Family," dated 1866, "Anecdotes of Henry Ward Beecher," and a Life of Christ for Young People.

GIRL IS BORN FRIDAY

Mr. and Mrs. Will P. Chamberlain announce the birth of a daughter, Evelyn Louise, April 21st. Mrs. Chamberlain was formerly Miss Norma Rhode, and is assistant postmistress here. Mr. Chamberlain was formerly county commissioner.

The Leader joins the many friends of this popular couple in extending congratulations.

MRS. GORDON IS CRITICALLY ILL AT VERNON

The condition of Mrs. Fred W. Gordon is causing grave concern since a stroke Monday. She is at the home of her daughter, Mrs. Kelly Hamblin in Vernon. Mrs. Durwood Skelton, another daughter here, was called late Monday. She and Mr. Skelton and the children immediately left to be with the mother.

Grasshopper Fight Should Start Now—Says Breedlove

County Agent, H. M. Breedlove announced this week that the fight against grasshoppers would start in Donley County in the very near future. In fact, it will start and the poison plants will be put in operation as soon as the people report the hoppers infestation enough to justify the starting of poisoning. Breedlove urges that all farmers and ranchmen be on the lookout for the hoppers and as soon as they notice them hatching out to report this to his office and get the work started early enough to get the hoppers while they are still young.

There are now 626 sacks of bran and 16 drums of poison on hand to start the fight as soon as farmers and ranchmen start requesting the poison. The plants will be operated the same this year as last year, Breedlove said and that there would be two plants in the county, one being located at Hedley and the other at Clarendon. All persons in the lower end of the county can obtain poison at Hedley, and Clarendon will serve the people in the west end of the county.

I believe that the infestation will be as bad if not worse than last year, Breedlove said. The thing to do is to get the hoppers before they get started.

During 1938 there was 143 tons of

baits used and a total of 650 farmers and ranchmen participated in the program. There was 18,000 actual acres of cropland covered with the hopper bait. This represented about 75% of the infested acres being baited. This goes to show that all should be treated. In 1938 there was approximately \$27,970.00 of crop destroyed by hoppers. The value of crops and range saved by poisoning was approximately \$138,000.00. These figures are based on receipts for poison issued to farmers and ranchmen and information obtained from the results of poisoning. Let's make this year one of the most successful in our war on hoppers and this can be done, Breedlove said, if all persons will join in the fight as one body.

MAY FILE UNEMPLOYMENT CLAIMS HERE FRIDAY

C. E. Peake, District Supervisor of the Texas State Employment Service announces effective Friday April 28, between the hours of 9 a. m. and 12, a representative of the service will be in the county court house to serve those claimants who desire to file for unemployment benefits.

This service will be effective every Friday.

MEMBER OF
PANHANDLE PRESS ASSOCIATION

A FORWARD MOVE
 The Dallam County commissioners court is due congratulations for the publication of the bills paid and approved each month in the local newspaper. The statement is printed in tabulated form, shows to whom each check was issued, what it was for, upon what fund it was drawn and the amount. It takes up a small space costing about \$10 in an average county seat paper.

The statement has proved of great interest and satisfaction to both local and non-resident taxpayers. Many letters of praise for this initiative have been received. The report lays the cards face up on the table. It definitely removes county officials from the spot so far as suspicious gossip mongers, political "outs" and the ever-present busy-body are concerned, because everyone is appraised of what is spent, what it is spent for and to whom. It definitely shows the commissioners court's willingness to let the public know what is happening.

The workings about the average courthouse or governmental unit of any kind is too much of a mystery to most citizens. Publication of this statement, provided by law but generally ignored by county officials because no penalty is imposed, puts the record in black and white where everyone can see it. The cost is virtually nothing.

When every governmental unit in Texas adopts a similar practice economical government will be a reality, the taxpayers will be pleased and every office holder will have cleared his skirts of any possible charge of unfairness and dishonesty. It seems to be cheap insurance for both citizen and conscientious public official. Congratulations to Judge John B. Houts and his commis-

sioners court in Dallam county. —Amarillo News.

HUDGINS
 Mrs. S. M. Harp

Mr. and Mrs. Raimy and daughters visited in Hedley Sunday. Laymon Garland and children of Astola spent Saturday night with his sister, Mrs. L. M. Putman and family.

Mr. and Mrs. Emery Talley of Happy spent Saturday night with his parents, Mr. and Mrs. J. L. Talley.

Mr. and Mrs. O. L. Jacobs spent Sunday in Claude visiting Mr. and Mrs. Williams.

Mrs. Jack Foster had as her guest the first part of the week her grandma from Memphis.

Miss Buchanan of Clarendon spent Thursday and Friday night with her sister, Mrs. Lacy Noble.

Mr. and Mrs. Ewing and Sadie Beth spent Friday night with her sister at Brice.

Ben Talley visited with Sidney Harp Saturday.

Erma Lee Elliott spent Friday nite with Eureka Foster.

Mr. and Mrs. Pat Cearley visited in Goldston community Sunday. Mr. and Mrs. Fowlkes and children called in the O. L. Jacobs home Sunday afternoon.

Mrs. Harp and Mrs. Noble called in the O. L. Jacobs home Friday night.

Miss Wilma Dee Smith, teaching up in Moore county, was home over the week end.

Donley County Leader, \$1.50 a year

BRICE NEWS
 By Theodore Myers

Rev. Lefe Smallwood of Stephenville preached at the Baptist church Friday night.

Mr. and Mrs. C. C. Colley of Lakeview were Sunday guests of Mr. and Mrs. J. W. D. Chappell.

The Brice playground ball boys and girls teams enjoyed a picnic and games last Friday evening.

Mr. and Mrs. Tom Smallwood and children of Dumas were guests of Mr. and Mrs. M. L. Pittman Sunday.

Miss Sybil Smallwood of Amarillo visited Mr. and Mrs. N. L. Pittman Saturday night.

Mr. and Mrs. Dexter Todd of Clarendon were visiting friends in Leslie and Brice Sunday.

Mr. and Mrs. Wayne Ewing of Hudgins were Friday night guests of Mr. and Mrs. Talmadge Smallwood.

Miss Moody Kennedy and Mrs. Addierene Pharr of Clarendon attended church at Brice Friday night.

Mr. and Mrs. Ray Finchum visited in the McKnight community Sunday afternoon.

Mr. and Mrs. Dewey Myers were guests of Mr. and Mrs. Floyd Mann of Lakeview Sunday.

Mr. and Mrs. R. F. Moore and family of Hedley moved to Brice Tuesday.

ALL CHEVROLET PRICES ARE MUCH LOWER!

Chevrolet is the fastest selling car in the nation today, solely and simply because it's the biggest value!

Take performance. *Chevrolet is best!* Because it out-accelerates, out-climbs and out-performs all other low-priced cars—bar none!

Take styling. *Chevrolet is best!* Because it alone of all low-priced cars brings you the enviable beauty and style leadership of Body by Fisher!

Take features. *Chevrolet is best!* Because it's the only low-priced car combining the outstanding quality features of high-priced cars, while saving you money on purchase price, operation and upkeep!

See it... drive it... today!

"ALL THAT'S BEST AT LOWEST COST!"

CLARENDON MOTOR CO.

TEMPLE OF TRUTH

By the Apostle

POPULARITY.
The most popular candidates and those are those that "do not choose to run."

THE LAST WORD.
Bachelor Bill says the only place that a woman doesn't have the last word is in a canyon where there is a strong echo.

OCULAR DIAGNOSIS.
After giving Red Kian the gate Sunday night, Ima Fizzle summed up his trouble as one of "foot and mouth disease." She says he talks all day and wants to dance all night.

OPPORTUNITY.
Since Pearl Buck made such a success with "Good Earth," perhaps some talented writer could get away with "Loose Earth" in our section right now.

SIMILARITY.
When you hear the term "cast off clothing," you don't know whether it is a second-hand dealer or a strip-tease dance.

BACK AGAIN.
Business is "warming" up in the Southwest. The principal reason is that it is coming back from where everyone said it went in '30.

OLD-FASHIONED.
"I'm strictly a saucer man," said Hastoun Yazzle when he read about the cups awarded at the dairy show at Plainview.

THE FASHION PLATE!
Women's clothing this spring will cling to the youthful aspect and be more naive with the "little girl" trend. This will be accomplished with short skirts and tight bodice and a little panty lace effect on the hat.

FASHION SUGGESTION!
Flash! Flash! Brave men who swagger and cater to the latest this spring should appear with Lord Faunterloy waists, wide flowing collars as per 1900, knee pants, silk stockings in gay colors, cute little straw hats with red ribbon bands and rubber strings under the chin. Now wouldn't that be just ducky? And what's more, it would teach the women that they can't get nothing on us.

NEW DANCE COMING!
The jitterbug dance had a short life. It is definitely on the way out. But there is a new one coming. It is called the WPA. The movement is slow and deliberate in contrast with the violent movements of the Jitterbug. Apple and the old Black Bottom, and too, you don't get anything out of it.

SOCIAL TRAGEDY.
A Houston funeral, made to order, is said to have been brought about by a too observant young man saying: "I think your stockings are rather wrinkled." "I ain't got any on," she screamed as she fired the first shot.

HOT WEATHER POME.
Words are simple things, Yet have their bites and stings, Like spiders, bugs and bees— Some are often worse than these.

WEATHER FORECAST.
This is the period "between the hay and the grass." Fast weather may be expected with the wind blowing from several directions at the same time. Cleaning house now is a great deal like the old lady's recipe for fried cucumbers. After she had written out the process for frying the colicky cukes, she added a single line below: "Don't do it!"

HOME COMFORTS.
To my feeble mind, there is nothing more miraculous in the field of inventions than the radio, even today, and television is just ahead. Some programs are not up to par, perhaps. Take for instance the "eczema song," "I've Got You Under My Skin."

SAVING THE CROW.
While that bird is in disrepute down here, it is a violation of the Iowa law now to kill a crow. In dissecting the crow of a crow, oodles of corn borers were found to have been eaten by the crow. Further investigation clinched the fact that the crow could stay until the corn borers were minus.

COLORED COMPENSATION.
In New York state, 46 percent of her colored population is on relief. In South Carolina, only 23 percent. In New York state, the white and colored attend the same schools which probably makes up for the colored man's handicap.

CAUTION!
Bachelor Bill says the easier a girl

is to look at, the harder she is on the pocketbook.

THAT HUMAN PEST.
The schoolboy's essay on the grasshopper compares him with the human pest. The grasshopper makes a lot of noise telling his bunch what a smart guy he is, and is picked up by a bird. He uses his head only for eating and the farmer poisons him for eating too much. Human beings "dig their graves with their teeth," too. If he escapes the poison, he flies against the windshield just to prove that he "has more guts than brains," and a lot of folks pull stunts just as foolish.

THE COMMON BORE.
Bores come in two patterns—plain and fancy. Their principal oc-

cupation is in keeping you from doing half what you started out to do. The plain kind has a knack of boring you anywhere at any time without the aid of dandruff or bad breath. The fancy kind prevents your having quiet evenings at home ever since you have been "accepted" by a bevy of friendly enemies. The best suggestion to rid yourself of them so far, is to set in to borrow money off one of them, dig in like a badger and never look back until he has galloped off to find a dumber victim.

Mrs. Leonard Beck and babe are spending the week with her parents in Childress.

Miss Joyce Link, member of the Plemmons school faculty, was home over the week end.

YOUTH SWALLOWS 25 LIVE FISH IN GULPING CONTEST

PHILADELPHIA—Gilbert Hollandersky, 20-year-old University of Pennsylvania junior swallowed his way to the inter-collegiate goldfish gulping title by downing twenty-five live fish and smothering them under a steak dinner.

Hollandersky, who is a swimmer himself, and answers to the nickname "Gill," bettered the championship claim of a Harvard student by one.

Dunked in catsup and followed by a chaser of orange juice, seventeen goldfish went down "Gill's gullet" before he paused. But he continued to gulp them whole.

"They're tasteless that way," he said.

1937 BRIDGE CLUB

Mr. and Mrs. Verna Lusk entertained the 1937 Bridge Club at their home Monday evening.

Dinner was served at 7:30, followed with games of bridge. In the games, Allene Estlack won high for women, Clarence Whitlock high for men, Gracie Ayers low.

Guests, Clarence and Nadine Whitlock; members, Gilmer and Gracie Ayers, Geo. Wayne and Ruby Dell Estlack, Elmer and Hattie Palmer, Alfred and Allene Estlack and hosts, Verna and Hazel Lusk.

BLUEBONNETS MEET

The Baptist Bluebonnet girls met Thursday 20, at the First Baptist church.

Ten girls were present, and we had one visitor.

Mrs. L. L. Cornelius led in prayer. We sang our theme song, "We've a Story to Tell to The Nation."

We have one new member.

The study was "The One Way of Salvation."

The closing songs were "Highways and Hedges" and "Jesus Calls Us."

We were dismissed by sentence prayer.

FRIENDSHIP CLUB

Mrs. G. J. Teel was hostess to the Friendship club at her home Tuesday afternoon.

In the absence of the president, Mrs. J. D. Stocking presided. The meeting was opened with the Lord's prayer being repeated in unison, followed with a scripture reading.

The house was beautifully decorated in cut flowers and pot plants.

An ice course refreshment was served to guest, Mrs. Bob McGowan; members, Mmes. J. A. Meaders, M. E. Thornton, U. P. Absher, Glen Williams, J. W. Rowland, C. E. Lindsey, J. L. Allison, J. D. Stocking, J. E. Mongole, Eva Womack, Allene Skinner, Misses Mabel Mongole, Katie Meaders, and Emily Anne Smith, and hostess, Mrs. G. J. Teel.

1912 NEEDLE CLUB

Mrs. J. T. Patman entertained the Club Thursday afternoon. Vari-colored tulips were used for decoration. An interesting afternoon was spent as needles were plied to artistic patterns.

The hostess served a lovely plate refreshment to guest, Mrs. C. D. McDowell, and to members, Mmes. L. S. Bagby, A. L. Chase, Ed Dishman, J. W. Evans, Homer Glascoe, B. L. Jenkins, A. A. Mayes, A. R. Letts.

JOINT BIRTHDAY PARTY

Mr. Hugh Brown celebrated his 82nd birthday helping entertain Frankie Ann Robins on her 11th birthday Tuesday at her home. Horse back riding was the entertaining feature of the afternoon. Mr. Brown also took the girls buggy riding which was a novelty, and a great treat to the little girls. Nice gifts were given to Mr. Brown and Frankie Ann, and a large birthday cake was served with ice cream to honorees Frankie Ann Robins, Mr. Hugh Brown, and guests, Christine Davenport, Dorothy

Jean Hilton, Mary Williams, Bonnie Ruth Melton, Mern McDowell, Ruth Patman, Kathleen Grady, Marilyn Merchant, Jean Porter and Janet and Ruth McDonald.

CLARENDON H. D. CLUB

Mrs. W. A. Davis entertained the Clarendon H. D. Club in her home Friday afternoon April 21, 1939. The president Mrs. Fink presided, opening the meeting reading the Club Collect. Ways and formulas to kill insects and pests injurious to plants and gardens, was an interesting and timely subject.

Delicious refreshments were served by the hostess Mrs. Davis to Mesdames G. W. Antrobus, C. L. Benson, John Black, A. L. Chase, O. L. Fink, M. A. Hahn, Elmer Hayes, Frank Hommel, C. D. McDowell, A. W. Simpson, Ed Speed, W. D. Van Eaton and Jim Robertson.

Club adjourned to meet with Mrs. J. C. Estlack in an all day meeting, May 5, 1939.

PIERCE-MAXEY

A wedding of interest to their friends in Clarendon and vicinity, was solemnized at Memphis, Tuesday, when Ralph Maxey of Clarendon and Mrs. Ann Pierce of Claude were united in marriage there by Justice of the Peace. They were accompanied by Mrs. Harriet Kilgore of Lelia Lake, a friend.

Mr. Maxey is the son of Mr. and Mrs. I. A. Maxey and has resided in Donley County for many years. He is associated as a partner with his brothers in the Farmers Cafe. Mrs. Maxey is the daughter of Mr. and Mrs. R. A. O'Daniel of Arkansas, formerly of Claude, where she was reared.

They are at home at the Land apartments.

MISSIONARY CIRCLES

The circles of the Missionary Society of the Methodist church met in the following homes:

Circle No. 1 met at the home of Mrs. R. T. Brown with 13 members present. Mrs. C. A. Burton had charge of the program.

Circle No. 2 was entertained at the church, Mrs. Joe Holland hostess. Mrs. Bulls had charge of the lesson. 15 members present.

Circle No. 3 met at the home of Mrs. U. J. Boston with 12 members present. Mrs. McDowell, leader.

The hostesses all served lovely refreshments at the social hour.

MOTHERS STUDY CLUB

Mrs. Jimmy Miller and Mrs. Regan Bryan were hostesses to the Mothers Club Tuesday afternoon at the Club Room. Mrs. Francis Brown was leader on the program and gave "Through A Child's Eyes." Mrs. Cap Morris gave a story "Angel Wings."

A lovely refreshment was served to Mmes. Francis Brown, Ralph Decker, Geo. Norwood, Bill Patman, Henry Tatum, H. T. Warner, Riney, G. G. Reeves, Bryan Armstrong, Ralph Andis, Cap Morris, J. E. Burch, Will McDonald and hostesses.

CONTRACT BRIDGE CLUB

Mrs. Tom Murphy entertained the Contract Bridge Club at her home Wednesday afternoon.

In the games, Mrs. Alfred McMurry was awarded high score prize. A lovely plate refreshment was

Mickey Rooney, Walter Connolly, William Frawley in "The Adventures of Huckleberry Finn"

served to members, Mmes. Geo. Norwood, H. M. Breedlove, Alfred McMurry, H. F. Harter, Paul Slaton; guests, Mmes. Simmons Powell, B. F. Kirtley, Forest Sawyer, hostess Mrs. Tom Murphy.

FLOWER GARDEN CLUB

Mrs. H. C. Brumley entertained this club at her home Monday afternoon which was the first meeting of this year.

Mrs. Tom Goldston presided in the absence of the president.

Program: Mrs. Walter Taylor gave an article on birds; Mrs. Cap Lane, annuals; Mrs. Geo. Ryan, flower arrangement.

The hostess, Mrs. Brumley, served a lovely refreshment plate to guests Mrs. H. R. Beck, Mrs. J. Perry King, and Mrs. H. B. Fain of Amarillo, and 15 members.

THANKS DONORS FOR HELP

G. F. Lane wishes to thank all those who contributed to the fund that permitted him to undergo an eye operation. The sight of one eye was saved, and he feels very grateful toward his benefactors.

JUDGE DAVIS HAS FALL

Judge W. A. Davis, Justice of the Second precinct here, has been confined to his home for several days due to illness. He became ill following a fall at his home, a friend informed the Leader today.

LOOKS AT MEDINA VALLEY

Coy Pierce made a trip to Medina Valley the first of the week on a sight-seeing trip. He was accompanied by his father, Sheriff Guy Pierce, but took no dictation, but he did show his father a good time.

MRS. MERCHANT ILL

Her many friends will be grieved to learn of the illness of Mrs. Cal Merchant who is confined to her bed at this time.

CHAPTER COMPLETES RIBBON EXHIBIT THIS WEEK

The local chapter completed this week what it believes to be the largest and best ribbon exhibit in the entire state. The exhibit is made up of prize ribbons won during the past two years in hog, calf, poultry shows, fairs and judging contests. The exhibit is double the size of the one which was recently on exhibit in

the Clarendon News window. The exhibit will be placed in the window immediately following the Father-Son Banquet Monday night.

Over \$1400 in premiums have been won by members of the local chapter this year. The winnings of the two years will total approximately \$2500. The recent exhibit at the news office caused many favorable comments, and it is expected to draw more attention in its new arrangement.

YOUR HOME NEEDS THIS PROTECTIVE COATING!

Spring and summer may be kind to some things but not to homes. Alternate rains and scorching heat can accelerate depreciation as nothing else can—unless your home is protected from these forces. Give your home --- your garage --- your fences a new lease on life by coating them with paint now. It will beautify your home as well as save you money!

CLOSEOUT on Industrial Paints and Varnishes.

SLEEPING SICKNESS IN HORSES MAY SOON APPEAR

County Agent, H. M. Breedlove, stated this week that with the continuation of warm weather that it would only be a few weeks until sleeping sickness would begin to appear in horses in the county. Breedlove, urges that all persons with horses be sure to vaccinate them in the very near future and try to prevent the disease before it starts.

Sleeping sickness or encephalomyelitis is spread from one animal to another by flies and mosquitoes. It is not much trouble to vaccinate for immunity and it might save a horse.

Information as to how to vaccinate horses can be obtained from your local veterinarian or from the office of the County Agent. During last year there were approximately one hundred cases of sleeping sickness in the county and Breedlove stated that this could be prevented by vaccinating. The vaccine that is recommended by the Government is "Equine Encephalomyelitis Vaccine (Chick)". This vaccine can be obtained from your local druggist.

SELL IT VIA THE CLASSIFIED ADS

MASONIC GATHERING WILL BE HELD SATURDAY

Masons of Donley county and the Panhandle will gather this week-end, Saturday, April 29, for a mammoth meeting with grand lodge officers.

A big barbecue, a la John Snider, will be one of the features of the meeting which will be the first of its kind in Masonic history for the Panhandle, and Amarillo.

There are more than 35 "Blue" lodges in the Panhandle and each is expected to be represented not only by its officers but also by members, especially pioneer or veteran Masons.

Four Masons, W. H. Fuqua of Amarillo, Ben F. Williams of Dalhart, A. J. Isaacs of Shamrock and L. S. Lahm of Amarillo, will be accorded special honors at the meeting. Each has been a Mason for a half century or more.

District deputies and officers of all lodges in the Panhandle are to meet at 2:30 o'clock in the afternoon, instead of 3 o'clock as announced originally, with the grand lodge officers. This meeting will be held in Masonic hall, Seventh Avenue and Taylor Street, and is open to all Masons.

LOCAL CHAPTER TO ENTER DISTRICT LEADERSHIP CONTESTS

Members of the local chapter will enter chapter conducting, public speaking, debate, one act play, and newswriting events in the annual district leadership contests which will be held at Quail, Friday afternoon and night. The locals have won the chapter conducting and newswriting for the past two years and hope to retain the championships in these events.

Jr. Spier will represent the local chapter in newswriting, Carl Morris in public speaking, Frank Cannon and Howard Gibbs in debate, J. W. Goodman, Carlton Gordon and Carol Peabody in the one act play, and Joe Williams, Bailey Estes, Gene Putman, Ray Isham, Pete Morrow, Homer Hardin, Rex Shannon, and two others to be chosen will represent the local group in the chapter conducting event.

PAPER CONSUMPTION

Paper mills moving South to use vast timber resources have an ever-widening market for their products, a recent survey by the United States Department of Agriculture reveals. The average American family uses half a ton of paper a year, costing \$40. Each person uses 246 pounds, nearly half of which is represented by newspapers, books and writing paper.

Donley County Leader, \$1.50 a year.

Garlic-Parsley an Aid in HIGH BLOOD PRESSURE

Medical reports say that Garlic-Parsley concentrate has a double action in reducing high blood pressure. First, it tends to relax tightened arteries. Second, it checks or inhibits decomposition of waste matter in the bowels, a contributory cause of high blood pressure. To get concentrated garlic and parsley in odorless, tasteless form, ask for ALLIMIN. These tablets, used at regular intervals, aid in reducing blood pressure and relieving headache and dizziness caused by excessively high readings. To learn what raises your blood pressure and for medical treatment consult your doctor. ALLIMIN is for sale by all druggists. Large box, 50c. Special economy size, \$1.00.

Death Stalks Our Driving At Night

AUSTIN.—While four-fifths of all traffic is in the daytime, more than one-half of all fatal accidents occur after sunset: D. M. Diggs brings this startling fact home in an article on "Lighting the Traveler's Way" in the April issue of Texas Parade.

"Speeding through the darkness at 50 miles an hour, 73 feet a second, the night driver already has two strikes chalked against him on Fate's scoreboard," writes Mr. Diggs.

"A dark object suddenly looms 150 feet ahead. The driver has just two seconds to see -- to comprehend the danger -- to make a decision -- to take his foot from the accelerator and slam it on the brake -- to judge the size and direction of the object -- to blow the horn -- to turn the steering wheel. The scream of brakes, a crushing impact is the inevitable answer. For the driver -- if he is one of the lucky eight out of each 100 night accident victims--there may be only a wrecked car, shocked nerves and minor injuries. But his chances of landing in a morgue are 92 out of 100!

"The warning is too brief. The present average automobile headlights enable the average driver to see the average 'dark' object about 150 feet ahead. A car traveling at 50 miles an hour travels from 186 to 243 feet between the time the warning is transmitted to the brain by the eyes and the car can be brought to a standstill. By then it is too late; the damage is done.

"Night driving is at least four times more dangerous than day driving. There are several thousand more accidents during the daylight hours, but they actually result in fewer fatalities. Death truly favors nocturnal prowling.

"Where are a majority of these fatal night accidents occurring? From 1930 to 1935, city deaths declined 10 per cent whereas deaths 'on the open road' increased 28 per cent. Figures for recent years show the same trends. The preponderance of these accidents and fatalities are occurring at night. Actually, daytime deaths show a steady decline trend. Night accidents took about half the lives claimed in smashups in 1930. Today night accidents claim about 61 per cent of the lives lost.

Y. O. McAdams, prominent citizen and old-time resident of Donley, is slowly improving from an illness of some six weeks at the Antro hotel.

WOMAN WITH STONE HEART RECOVERS

ROCHESTER, Minn.—Mrs. Matt Lyon, Rochester housewife who underwent a rare and delicate "heart of stone" operation, appeared to be on the road to recovery, it was said at Mayo clinic.

"The patient's condition is satisfactory and she feels much better," said Dr. Stewart W. Harrington,

who performed the operation. "We are satisfied with her convalescence."

Calcium deposits half an inch thick were removed from the outside of Mrs. Lyon's heart which was exposed for four hours.

Mr. and Mrs. Ray Couch of Vernon visited relatives here Sunday.

Charley Murphy who had an appendectomy was removed home Sunday from the hospital, and is doing fine.

ONE-ARMED BOY IS 3-SPORT STAR

KNIGHTSTOWN, Ind.—Athletes who think they have a tough time of it should take a tip from Johnny Schaeffer.

When Johnny was a kid, not so long ago, he stuck his left hand into a clothes wringer. His arm had to be amputated above the elbow.

But Johnny didn't cry about his misfortune. He made the best of it. He went out for all kinds of sports and didn't ask for quarter.

Johnny, now a freshman, weighs 140 pounds and stands 5 feet 7 inches in his stocking feet. He's played guard for the Knightstown high school basketball team. He also is outfielder for the school's baseball team and makes it tough for his opponents in schoolground football.

He gets a lot more out of his one hand than some fellows get out of two lunch hooks.

Donley County Leader, \$1.50 a year.

TRIPLETS UNITED AFTER 33 YEARS

ERIE, Pa.—Joseph and Frank Steinmiller, two of triplets born fifty-four years ago, were reunited here after a thirty-three year separation.

The brothers hadn't seen each other since Joseph left home at the age of 21 to seek a fortune. He worked thru the oil fields of Pennsylvania, Oklahoma and Texas, and had not been heard from until six years ago.

Now an engineering salesman, he recently was transferred to Buffalo, N. Y., where his brother, Frank, a member of the Erie fire department, located him.

The reunion was held here in Frank's home. Joseph was accompanied by his wife. They also visited the brothers' mother and sisters. The father died last May.

The other triplet, a girl, died six weeks after birth.

Sell it via the Classified Column.

GARDEN GLANCES

"America beautiful lies in the hands of the gardeners."

The flowers and shrubs have struggled defiantly against daily sandstorms, and freezes in advanced spring. The results of their efforts are practically unbelievable unless one takes the time off to glance at the numerous hedges of plummy spirea, iris and tulips that are displaying their normal beauty in dozens of yards here.

Some lawns show banks of spirea with gorgeous clumps of iris or gay tulips planted at their feet. Several have scarlet verbena at the feet of the spirea.

One is tempted to travel the alley route to secure a view of innumerable tulips in Mrs. Mollie Gray's back yard, and the flowering crab and beauty bush in Mrs. Guy Stricklin's back yard. The beauty bush is the largest I have ever seen, and a mass of small pink trumpets. The front lawns of these homes are lovely too, but more somber in appearance.

The Dr. Evan's home and Ode Caraway home have lawns that are beautiful with evergreens and hedges. I did not glance into the back yards to see if there were iris and tulips growing. However, I noticed the back gate open at Mrs. Tom Goldston's and found a number of colorful posies in bloom.

These glances may be encouraging to some of the gardeners who might feel that rewards for efforts are not satisfactory this spring, but remember you have not struggled any more than the sand-whipped, and frost-bitten flowers have to display their vanity. They seem to be flaunting their colors gaily—"Cheer Up."

BROTHERS MEET AFTER 35 YEARS

CHICAGO.—A representative of a welfare society walked thru the Oak Forest infirmary, paging "Mr. Johannes."

William Johannes, 63, responded. But the visitor informed him he was looking for Adolph Johannes.

"Adolph?" asked William. "I had a brother by that name. I think he is dead."

Officials took William to the hospital ward and pointed out Adolph Johannes, a man of 60.

The aged brothers embraced and wept.

They had not seen each other in thirty-five years—altho both had been in the same infirmary building, but in different wings, for more than four years.

HOLCOMB IS URGED TO BE CANDIDATE

DALLAS, April 27.—Rumors were thick here during the week to the effect that the first opponent to announce his candidacy against the Senator, Tom Connally of Waco, would be Hick Holcomb, who successfully managed the campaign which elected Jerry Sadler to the Texas railroad commission last summer.

Holcomb, a former representative from Gregg County was in Dallas over the week-end, passing through here from Amarillo where he was the banquet speaker at the annual meeting of the Panhandle Press Association. He admitted when questioned that several of his newspaper friends in attendance at Amarillo had urged his candidacy against the Junior Senator.

Holcomb who has been a figure in Texas politics for the past several years would neither deny nor confirm the rumors. He did admit however that he was being urged to announce and to make the race.

CLARENDON AGGIES ATTEND DISTRICT ENCAMPMENT

Twenty-four vocational agriculture students left Clarendon at noon Friday for Quitaque where they attended the district F.F.A. encampment. Childress, Estelline, Quail, Kirkland, Lakeview, Quitaque, and Clarendon were the schools represented.

Friday afternoon the locals played the Childress and Estelline softball teams winning 28 to 6, and 21 to 17. Ray Bulls made four home runs out of five times at bat in the Childress game to lead the locals to an easy victory. Errors caused wild scoring in the Estelline game. In the finals of the softball tournament Saturday morning the locals defeated Lakeview 7 to 4. Putman hurled three games without yielding over two balls to any batsman who faced him. Carlton Gordon finished second in the ping-pong singles, and Carl Morris and Raymond Johnson captured second place in the tennis doubles. George Moore and Ray Robinson, and the Helton brothers representing the local chapter in horseshoe and washer pitching lost their first matches. After camping out Friday night, the group returned to Clarendon early Saturday afternoon.

INDUSTRY SUPPORTS RESEARCH

Besides the millions expended annually in their own laboratories, United States industries and other agencies support more than 450 scholarships, fellowships and grants for research in colleges, universities and hospitals. Many of the fellowships have been for special work in advancing the industrial use of farm products through applied science.

10-DAY SALES SHOW THIRTY PERCENT GAIN, YEAR TO DATE

DETROIT, April 24.—Chevrolet dealer's retail sales of new cars and trucks reached 21,743 units in the first 10 days of April, 24 per cent above the total for the same period last year, it was announced here today.

This brings Chevrolet's year-to-date sales total to 213,427 units, a gain of 33.6 per cent over the 159,697 sold through April 10, 1938.

Used car sales in the same period totaled 41,482 units, a gain of 4,856 over the sales one month ago, making an aggregate new and used car total of 63,229 for the period, the announcement said.

Donley County Leader, \$1.50 a year.

FAMOUS GERMAN WAR PIGEON DIES

FORT MONMOUTH, N. J.—Old Anchor, 21-year-old German war pigeon who "surrendered" to the United States navy in 1918 and later joined the United States signal corps pigeon service, died here of old age, but still in the signal service. Exhausted and apparently blown to sea by a storm, he landed on a destroyer in the North sea in the summer of 1918.

Mr. and Mrs. Walter Wilson and Misses Carrie Davis and Evon Smith spent the week end at Quitaque.

Miss Hulda Jo Cauthen of Amarillo spent the week end here with her mother and other relatives.

NEW CREAM STATION OPENED

I have opened a cream station at the old stand, known as the Holly-wood Cream Station, or Farmers Poultry & Egg Company. Located at 208 Sully street in Mr. F. H. Hardie's building.

I will pay top prices for Cream, Chickens and Eggs. Am also handling the MERIT line of Mixed Poultry and Stock Feeds, and will appreciate some of your business.

NEW KIND OF TIRE SWEEPS WET ROADS SO DRY YOU CAN LIGHT A MATCH ON ITS TRACK

ACTS LIKE A BATTERY OF WINDSHIELD WIPERS... Sweeps the dangerous film of water from under your car—dries the road as you drive.

Just look at the row upon row of never-ending spiral bars on this new Goodrich Life-Saver Tread. Then you'll understand why it acts like a battery of windshield wipers, sweeps the water right and left, forces it out through the deep grooves, making a track so dry that you can actually light a match on it. That's why a "Silver-Town Stop" can easily be a life-saver to you on slick, slippery roads.

family's safety is the Golden Ply found only in Silver-Towns. This famous invention resists the terrific blow-out-causing heat generated inside all tires by today's high speeds. By resisting this internal heat, the Golden Ply protects you, and every one who rides with you, against dangerous high-speed blow-outs.

Take our tip. Unless you make your next tires Silver-Towns you'll be cheating yourself and your family out of the greatest tire safety ever offered.

This Sunday in the Churches

LELIA LAKE METHODIST CHURCH
Services every 4th Sunday. Morning at 11 o'clock. J. G. Walker, pastor. Afternoon at 3 p. m.

LELIA LAKE BAPTIST CHURCH
V. W. Allen, Full Time Pastor. Sunday school at 9:45 a. m. Services at 11 a. m. B. T. U. 7 p. m. Evening services at 8 o'clock.

METHODIST CHURCH
Features of first importance are just ahead. Next Sunday there will be special services morning and evening, May 7th. Church School Day will be observed May 14; Mothers Day Service 11 a. m., and the Commencement sermon at 8 p. m.
May 28, 11 a. m., the pastor will deliver a sermon on "Marriage." Home Life is the foundation upon which Christian civilization is built. Over the earth powerful forces are at work seeking the destruction of the home. There is no more timely

matter to which we could turn, in a church service, than marriage.
H. C. Gordon, pastor.

10,000 TRENCH SILOS WILL BE DUG IN TEXAS

COLLEGE STATION.—Texas farmers and ranchmen will dig and fill around 10,000 new trench silos during 1939. E. R. Eudaly, dairyman of the A&M College Extension Service, and Texas' No. 1 trench silo apostle, has predicted.

"We filled 7,536 new trenches in 1938, and we'll do that much or better again this year. The AAA sweet sorghum ruling will be a big factor," Eudaly said. Under the 1939 AAA program, sweet sorghum can be planted on neutral acres for use as silage. This has not been the case in programs of the past.

If the dairyman's prediction comes true, Texas may see upwards of 30,000 trench silos filled this year as compared with 1938's 17,019. There were only 12 trench silos in the state in 1932.

On the basis of value per ton of silage, Eudaly lists corn, grain sorghums, sweet sorghums, and sudan and Johnson grass, in that order, as the best silage crops. He points out, however, that the farmer is interested in the per acre return, and that on this basis sweet sorghum, because of its tonnage, is frequently the crop to plant.

With the AAA, sweet sorghum ruling, which does not apply to corn and grain sorghums, as an extra inducement, Eudaly expects thousands of farmers and ranchmen to turn to sudan and other sweet sorghums for their silage crop in 1939.

CORN WITHOUT EARWORM

Department of Agriculture scientists have developed a new variety of sweet corn at the Puerto Rico experiment station resistant to the earworm. The variety, incidentally, will not grow in the North, but is ideally adapted to parts of Texas and the South.

ADVENTURES OF HUCK FINN BASED ON MARK TWAIN'S OWN BOYHOOD EXPERIENCES ON MISSISSIPPI RIVER

The river Mark Twain traveled years ago when he wrote "The Jumping Frog of Calaveras County," which first started him toward fame as a writer, served as the locale of another story, rich in Twain's own experiences as a boy on the Mississippi. For along the Sacramento River steamboats played, and the dash for freedom of Huck and his negro friend, Jim, was enacted for "The Adventures of Huckleberry Finn," filmed as Mickey Rooney's first solo starring picture, and coming to the Pastime Theatre next Saturday night at the Prevue, and also Sunday and Monday.

As the redoubtable Huckleberry, Mickey was in some measure playing Mark Twain as a boy. Twain (then known as Samuel Langhorne Clemens) was the indolent, dreaming boy who fished along the Mississippi and gathered river and Negro lore in the days before the Civil War. The character played by Mickey is from the author's own description.

Twain, the pen name for Clemens, was born at Florida, Missouri, in 1835, and passed his boyhood at Hannibal. His father, known as "The Judge," was a small storekeeper and lawyer. It was during this period, when the boy knew and loved the river, that the character of Huckleberry Finn existed before the boy grew up to be a brilliant journalist, then novelist.

"The Adventures of Huckleberry Finn" is a sequel to "Tom Sawyer," but the latter character at no time appears in it. Huckleberry appeared as Tom's friend and confidante in the first book, and it was several years later that Twain carried on the series by following Huckleberry through his adventures as a runaway up the river. It was written in 1880, but its period is about 1840.

Sacramento river boats such as the famous Delta Queen and Delta King, probably the only river passenger boats in operation today in the Far West, when railroads, trucks, and planes, to say nothing of automobiles, have made them obsolete, figure in the picture. Director Richard Thorpe and his company were some weeks on location along the river, basing at Sacramento.

Mr. and Mrs. O. D. Roberts and children of Amarillo spent the week end here with Mr. and Mrs. J. T. Stephenson.

TRAFFIC COUNT BY ELECTRICITY

Method Is Being Used In Panhandle Area With Success

An electric eye for counting traffic on the roads has been developed by the State Highway Department, according to a statement issued by Julian Montgomery, State Highway Engineer. While this is not the first device for counting traffic to be developed, it has many advantages over earlier models.

The machine is operated by batteries and can be set up at any point on the road within a few minutes time. A passing car breaks a beam of light and causes a dial to register the count. A camera built into the machine automatically takes a picture of the dial every hour. The photographic film supplies a permanent record of the number of cars that passed during each hour the machine was in operation. The machine runs continuously without attention for a week.

The traffic counter was developed by the Highway Planning Survey for making counts of traffic on highways and county roads. This method is reported to be much cheaper than having a man count the vehicles, as was formerly done. The Survey has two of its own machines in use and twenty machines built by a private concern before the new device was perfected.

The Planning Survey is conducted by the Highway Department in cooperation with the U. S. Bureau of Public Roads. Director of the Survey is G. G. Edwards, and F. Thayer Stoddard is local Bureau of Public Roads representative.

Highway Departments of other states have shown great interest in the machine developed in Texas, it was stated.

When you see a tripod along the highway with a "camera" on top, you will know that the inanimate workman is counting you in with all the rest of the traffic.

METHODIST CIRCUIT NOTES

J. G. Walker, P. C.

Had two good services at Lelia Lake Sunday. Went to Naylor in the evening. Not a larger attendance, but good interest.

We are running a revival at Lelia Lake this week beginning Monday evening and each evening through the week closing out next Sunday night. Bro. H. C. Gordon, pastor of the Methodist church at Clarendon, is doing the preaching. Your pastor is leading the song service. We are trying to make the song service interesting to all, and we are soliciting the help of all singers of every faith and order. The better the singing the better the preaching, the closer fellowship one with another, and the Lord Jesus.

Let's think about the good old days of long ago when Lelia Lake Methodist church was a live church, and a fruit bearing church. How the people loved to attend her services, the house was filled to overflowing. The preacher was inspired by the large audience and the good singing. The Holy Ghost attended his preaching. The hearts of the christ-

FOR RELIEF from Headaches Simple Neuralgia or Muscular Pains
DR. MILES ANTI-PAIN PILLS

If you never have it, just be thankful. Headaches take a lot of the joy out of life for most of us.

If you suffer, as most of us do, from an occasional headache, take DR. MILES ANTI-PAIN PILLS. You will find them pleasant to take and unusually prompt and effective in action. Dr. Miles Anti-Pain Pills are also recommended for Neuralgia, and for Muscular Pains.

Dr. Miles Anti-Pain Pills do not upset the stomach nor leave you with a dopey, drugged feeling.

DON'T TRY TO TREAT COUGHS WITH HOME-MADE REMEDIES

Coughs Are Danger Signs, Treat Them Accordingly

If you are suffering with a cough of long-standing, and do not know its cause, go to see your doctor immediately. You might have a serious ailment. Even coughs due to cold or exposure often lead to serious complications by breaking down your resistance. For the latter type cough there

is a medicine, compounded by a great scientist, fortified with both Vitamins "A" and "D," given to the world by a great laboratory and sold by leading druggists under the name of Mentho-Mulsion, at an all-time low price of 75c.

Although home remedies are sometimes effective, many of them have been proven merely superstition, so why take chances when Mentho-Mulsion is sold under an iron-clad guarantee of satisfaction or your money-back by good druggists everywhere.—adv.

Flood your outdoor premises this summer with light by which you can work or play. And without the nuisance of bugs! Flexolite outdoor lamps easily attached to house or garage high enough to keep insects away. Give excellent light for bridge, ping pong, gardening and similar outdoors activity. Complete with 300-watt bulb for only \$4.50.

"Boy, Oh Boy!"

ians were filled with joy, and terror seized the hearts of many unsaved and they cried out saying, "What shall we do to be saved?" Then they fell in the altar and prayed through to God. What is the matter at Lelia Lake to day? Has God changed? No, a thousand times no. Like King Saul we have turned away from God's way, and have gone on in our own way until God won't hear us any more. King Saul in his desperation left off trying to speak to God; and went down to Endor and consulted a witch; she called up the spirit of Samuel. Saul said to Samuel's spirit: "I am sore distressed, for the Philistines make war against me, and God has departed from me." Samuel said: "Wherefore then dost thou ask of me, seeing that the Lord is departed from thee?"

Then Saul's destiny was made known to him. He had fought against God too long. He had crossed over the line of mercy. The hand of God was against him. We believe the hand of mercy is still extended to us; but who knows how much longer? Why not turn from our own way and seek the Lord before we step across the deadline.

Everybody cordially invited.

SOYBEAN OIL MILL

More industries are gradually learning of the industrial value of the versatile soybean. Swift & Com-

pany intends to build a \$300,000 soybean oil mill in Des Moines, Iowa, which will extract oil for salad dressing and shortening. The company already has another oil mill at Champaign, Ill.

BACK FROM CALIFORNIA

Mrs. A. H. Baker and daughter, Mrs. Essie Tice, returned from Bakersfield, California Mon., where they have spent several weeks with their son and brother, Robert Patton and family. Mrs. Baker suffered a handicap while there when she contracted the flu, spoiling a part of her vacation and rest.

Mr. and Mrs. Chas. G. Speed are to make their home in San Antonio for some weeks where he is engaged in contract work.

HERE FROM DALHART

Mrs. Ernest Shepherd and two sons, Jimmy and Larry, of Dalhart are here this week visiting Mrs. Shepherd's mother, Mrs. G. T. Palmer. Rev. Palmer, presiding elder, is attending a church meeting in Kansas City.

Supt. T. E. Halcomb of the Good-night school had business here Wed.

Mrs. J. P. Breedlove of Okla. visited her aunt, Miss Lottie Lane last week.

Trench Silos Make Money For Donley County Feeders

Feed grown on soil conserving acreage during 1939 may be stored in trench silos, county agent H. M. Breedlove stated today. In view of that fact, he expects to see two hundred trench silos in Donley this fall instead of one hundred and five, as at present, from 15 to 200 ton capacity.

Trench silage will keep indefinitely, he said, calling attention to the silo of Claude Bain 5 1/2 miles north of Hedley where the feed was in prime condition today, though stored in the fall of 1935. From the 100 tons, 40 head of steers were fed that winter, about half of the feed being carried over. On silage, ground heads and cotton seed meal, the steers gained an average of two pounds per day, Breedlove stated.

Haskell Milligan, near Whitefish, reports that trench silage saved him about half on his milk cow feed the past winter. He will fill the trench silo again this season from his soil conserving acreage.

Forrest Sawyer north of Clarendon, stored 300 tons in two trench silos, fed out 100 head of cattle and is well pleased with the results. He used the same feed ration as did Claude Bain. He will refill his trench silos this fall from soil conserving acreage.

Breedlove stated that all farmers wishing information should call at his office. Demonstrations will be given this fall. The results obtained by the three parties named above, is a fair average, and others may be cited to those interested.

MANIRE TO BE CHIEF SPEAKER FOR SECOND ANNUAL F.F.A. FATHER-SON BANQUET

Approximately 160 F.F.A. members, their dads, and guests are expected to attend the second annual Father and Son Banquet of the local Chapter Monday night. The banquet will begin at 8 p. m. at the Methodist church, and the food will be prepared and served by members of the N.Y.A. resident project home. The menu will feature fried chicken from fowls brooded especially for the banquet. Vocational teachers, superintendents, and chapter officers of a number of neighboring schools have been invited to attend the event which climaxes the work of the local chapter for the year.

Robert A. Manire, State Director of Vocational Agriculture, will be the chief speaker for the evening, but the program will be largely given by F.F.A. members. O. T. Ryan, Area Supervisor of Vocational Agriculture will be a guest. The program is as follows:

Opening ceremony—Presided over by Joe Williams, President.

Invocation—Bro. H. C. Gordon.

Roll Call and Introduction of Guests.

History of the F.F.A. and Present Status in Texas—Eugene Putman.

Give Them a Chance—Carl Morris.

The Clarendon Chapter's Hog program—Ray Bulls.

Clarinet Solo—Laverne Goodman, Chapter Sweetheart.

Results of Judging Contests—Pete Morrow.

Shows and Fairs—Howard Gibbs.

1938-1939 Accomplishments—Jr. Spier.

Music by F.F.A. Harmonica Band.

1939-1940 Plans—Frank Cannon.

Vocational Agriculture from a School Board Member's Viewpoint—O. C. Watson, President Clarendon School Board.

Address—Robt. A. Manire, State Director of Vocational Agriculture.

Announcement of Most Valuable Members for 1939 and Awarding of Certificates of Merit—J. R. Gillham.

Announcement of 1939-1940 Officers—Homer Hardin.

Closing Ceremony.

FROM HOT SPRINGS

C. W. Galloway came Tuesday and returned Wednesday to Hot Springs, N. M. He was accompanied home by Mrs. Galloway who had been visiting her parents here. Mr. Galloway owns and operates a series of bath houses at the Springs, and says business is good.

Miss Jean Bourland spent last week visiting in Amarillo. Donley County Leader, \$1.50 a year.

Legionnaires To Meet Tuesday Night

The next regular meeting of the Aubyn E. Clark Post of the American Legion will be held on Tuesday night May 2nd, at the Legion hall. This will be a joint meeting with the Auxillary and all ex-service men are urged to come and bring your wife or sweetheart. Games will be played and refreshments will be served. Don't forget—Tuesday night, May 2nd, at 8 p. m.

COMES FROM VERNON

A new man has been added to the barbering force of the Whitlock shop this week in the person of W. A. Howl, who for twelve years followed his trade in the same barber shop in Vernon.

Thirst Asks Nothing More

Enjoy a Coca-Cola perfectly mixed, ice-cold, uniformly delicious, and refreshing. Visit our soda fountain and ask for Coca-Cola served from this modern dispenser.

Norwood Pharmacy

The Refreshing Thing to Do

Mr. and Mrs. J. H. Hurn were Amarillo visitors Monday. Miss Lottie Lane was visiting in Amarillo Friday.

Meet NIMBLE-NEE!

For active young debs—Kayser's amazing new stocking with a wide Lastex hem—super for sports—dandy for dancing!

It's different enough to be exciting and beautiful, too. Fasten Nimble-Nee to your garters and see how comfy and stretchy they are! You'll love the give, the take and the mere fact they're different!

BRYAN CLOTHING CO. MEN'S WEAR

PERSONAL...

I will not be responsible for my wife's doctor bills, if she continues to do the family washing at home and contracts a cold as the result of same. I take this action, knowing that the HANDY LAUNDRY, through its economical wash service, she can do her washing easier and at a saving.
