Clarendon College Bulldogs open season with big win

Clarendon College is proud to present the Bulldogs and Lady Bulldogs of the 1987-88 basketball season. The men opened the season by winning the Southern Nazarene Classic in Bethany, Oklahoma last weekend. Friday night the Bulldogs strolled past S. Nazarene 89-70 with Sophomores Tommy French with 36 points and Cleveland Phelps with 15 and Randy Reagins with 9 rebounds and Tommy French with 8 rebounds. Freshman Alvin Degraftenreed of Dallas was credited with 6 steals. On

Saturday The Bulldogs bested OBU of Shawnee, Oklahoma 82-70 with Tommy French (32 points, 10 rebounds) and Cleveland Phelps (17 points) again leading the attack. Vincent Samuel pulled down 12 rebounds and Alvin Degraftenreed came through with 6 assists.

Both teams matched up against Western Oklahoma in Altus Tuesday night and have plans for the Lady Bulldogs to travel to Great Bend, Kansas this week end for the Barton County Classic while the Men's team

take on S. Nazarene in the home gym Thursday evening. On Tuesday, November 17 local fans will be able to see both Bulldog teams in action against Western Oklahoma with the Ladies' game starting at 6. Coaches Mondragon and Irvin invite everyone out to check out the collegiate basketball action this year.

CC Fall Intramural Rodeo will be Friday

Clarendon College's annual Fall Intramural Rodeo will be held Friday November 20th starting at 1 p.m. at the rodeo grounds east of town.

Participants will be students currently enrolled at Clarendon College. Events will include bareback riding, saddle bronc riding, bull riding, calf roping, team roping, ribbon roping, the rescue race, calf dressing, steer saddling, barrel racing and the hide pull. Friends and relatives are urged to attend and enjoy an afternoon of college rodeoing at its best.

A dance open to the public will be held from 9-1 that evening in the Community Building. Admission will be \$3 single and \$5 a couple. Music will be provided by Clarendon College's very own Cowboy Band.

36 percent voted in Donley County

In the November 3rd election 903 of the 2451 registered voters cast their ballots. This is a higher percentage than expected and represented 36.84 percent of the voters. Donley County passed 14 of the twenty-five constitutional amendments.

Referendum No. 1 failed both state and county wide. If this had passed, the governor would have appointed the State Board of Education members rather than have them elected.

Referendum No.2 which legalizes parimutuel wagering on a county option basis, passed statewide 57 percent and passed Donley County 543 to 293.

PTA Stew supper

The Clarendon PTA will have a Stew Supper on Friday, November 20, in the school cafeteria. Serving time will be from 5:00-7:00 p.m. Tickets will be sold at the door. Ticket prices are \$1.50 for 12 years and under, and \$2.50 for all adults and students over 12 years.

The public is invited to come on out and enjoy a bowl of nice, hot, homemade stew! Ya'll come!

Throckmorton, TX 76083

The Drama Department of Clarendon College is proud to present its Fall program on November 20, 21 and 22. Throckmorton, Tx 76083 is a wonderfully funny and warmhearted drama about the local characters of an imaginary small Texas town. The first play, "The Whiz Bang Cafe" is set at a truck stop in Throckmorton, Tx. The cast consists of Kari LaFavers of Amarillo; John Able of Hillsborn, N.M.; Christy Calvert of Turkey, Tx; Jeannita

Stephens of Silverton, Tx; and Kevin Hunt of Canadian, Tx.

A run down hotel is the setting for the second play called "The Easy Snooze Hotel". This cast consists of Roy Monroe of Clarendon; Joe Parker of Grady, N.M.; Christy Calvert of Turkey, Tx; Ray Smith of Vernon, Tx; and Jamie Parker of Amarillo.

"Throckmorton, Tx 76083" was written by Barry Carbin and will be directed by Leslie Schnaufer. Per-

formances will be given November 20, 21, and 22 at the Clarendon Country Club. The Club is open to the public for this Dinner Theater at a cost of \$10 per person for the steak dinner and show. Reservations should be made early by calling 874-2863.

Museum Party set for December 5th

A few changes have been made to improve the Museum Party. Instead of pick up food a full meal will be served. The ticket price is the same as last year but will admit two people only and your ticket must be presented at the door for admission.

In addition to the Grand Prize several drawings will be held for Door Prizes. This will be a good way for all of us to start the holiday season and you might even have the luck of the Irish.

Tickets are already on sale by designated sellers. You should get yours before the limited supply is sold out. Please contact any of the following salespeople. Frankie Henson, Chris Matthews, Jamie Deyhle, Cindy Shelton, Jane Gilkey, Tandy Boston, James Owens, Wes Henson, Ronnie Hill and Willard Skelton.

Remember partnership tickets may be purchased but one ticket admits only two persons. Give any of the above names a call and your ticket will be delivered promptly.

Volunteer Fire Dept. to hold auction Nov. 21

The Clarendon Volunteer Fire Department will be holding a Building Fund Benefit Auction Sale on Saturday, November 21st, starting at 10:00 a.m. just North of Fire Station. They have on hand, to be sold, a steel truck bed, antique gas stove, used refrigerator, used freezer, some used garage doors, used concrete and cinder blocks as well as other used building materials and other items. They will accept any saleable items anyone would like to donate to them for the sale. If you would donate an item or items to them for the sale, just contact any Volunteer Fireman. All proceeds from the auction will go toward retirement of note on new fire station building. Watch for full details concerning auction in the next issue of Clarendon Press.

Bake Contest

There will be a bake contest held November 21, 1987, at the Clarendon Community Center during the Christmas in November Bazaar. The event will take place from 19:30-11:30 depending on how many entries there are. There will be 3 categories: cakes, pies and breads, and also 3 age categories: Adults-19 and over, Seniors-15-18 yrs., and Juniors 14 and under.

Trophies will be awarded to the best overall in each category and first place ribbons will be awarded to winners of each age group in each category. Entries will have a small fee-Adults \$2.00 and Seniors and Juniors will be \$1.00, unless there is more than 1 entry and then the entry fee will be half for any entry after that. Entries should be at the Community Center no later than 10:00 a.m. November 21, 1987. This event is sponsored by the Young Home-maker Extension Club. For more information contact Rhonda Newhouse 874-2300, Annette Osburn 874-2753 or any Young Home-maker member.

Memphis wins over Broncos

By RICHARD GRISHAM

The Bronco Varsity football played their last game of the season Friday night against the Memphis Cyclones in Memphis. This rival game always has been a tough fighting football game and Friday night's game was no exception with the Cyclones winning 23-7.

The game was knotted at 0-0 in the second quarter when Memphis scored on a 35 yard run with the point after good. The Bronco's soon returned the favor on a two yard drive by Daniel Ford with the point after by Jason Slavin good. Memphis was able to put a field goal on the board by intermission with the score 10-7.

Both teams came out battling in the third period which ended in a scoreless quarter, but Memphis got the edge in the final stanza scoring twice on runs and one extra point. Final score 23-7 Memphis.

Bronco Junior Varsity

Thursday night the Bronco Junior Varsity played the Valley Patriots here in a non-district game. Valley drew first blood in this contest with a 40 yard scamper into the end zone and the two point conversion was good. The score was 8-0 Valley and stayed that way until the fourth quarter when CHS Wayne Mays hit pay dirt on a two yard crash into the end zone. The point after failed and the score stayed good at 8-6 Valley winning. Randy Gaines created some excitement when he returned a punt

for 65 yards in the third quarter, but the Bronco's could not get the ball into the end zone.

Comment: A tip of the hat and a great big applause to the varsity and junior varsity teams, the cheerleaders, the Bronco band, and Sparky for making this season games fun to watch and an enjoyment to attend.

THEY'RE OUR BRONCOS

Please support those Broncos tonight
They're our sons you see
They are high school seniors you know,
They mean a lot to us
They may not be super-stars
But we encouraged our sons, dear fans
To be proud Bronco players
It's their last high school football game,
So please cheer for our Broncos tonight
They do the best they can
They never tried to lose a game, but always
fight to win
They are our Broncos and we are their fans,
The game belongs to them you see
And we will be there for them
So when our seniors take the field that final
time tonight,
They need the very best from every fan
So please yell for our Broncos out there,
Because, win or lose or tie, you see,
To us they're "NUMBER ONE."

This poem was dedicated to the senior football players during the pep rally on Friday, from the senior players' mothers.

Contribute to clean air- take a day off from smoking

Newspaper publisher Lynn R. Smith's campaign to get his town, Monticello, MN, to go smokeless for one day in January 1974 laid the foundation for the Great American Smokeout, a nationwide event. A successful ex-smoker, Smith began writing editorials against cigarette smoking and persuaded his town of

1,800 to take a day off from smoking. Three months later, 10 percent of those who pledged not to smoke for a day were still off tobacco. The event received extensive media coverage, and Smith's idea was adopted by the American Cancer Society's California Division in 1976. A year later it became a nationwide American Cancer Society program.

Have you or someone you know stopped smoking lately? Would you like to share that success story? If so join the Donley County Ex-Smokers Honor Roll by contacting Jo Schollenbarger at 874-3571. If you would like to be at the top of the list next year, make plans now to "unpack" and take a breather on November 19.

City Minutes

The Board of Aldermen of the City of Clarendon met on October 27, 1987, in the Board Room, City Hall at 7:00 p.m. to conduct the 2nd Public Hearing for the 1987 TDCA grant application.

Members present were Mayor David Davidson, Aldermen James Thomas, Bubba Newhouse, Benny Osburn, and Gene White. Absent was Alderman Steve Smith. Others present were City Secretary Donna Edwards and Jim Roberts.

Minutes of the October 13, 1987 meeting were read and approved.

The 2nd Public Hearing regarding the 1987 TDCA grant application was opened. Those present signed the attendance sheet. The City has decided to apply for a water line improvement grant for an area bounded by Kearney, Faker, Cooke and Wood. There being no further discussion, the Public Hearing was concluded.

Motel Bed Tax Ordinance #270 was amended to lower the City Motel Bed Tax from 7% to 4%. City Attorney Jim Shelton will be contacted to draw up the amended ordinance.

A discussion of whether or not to allow the Rippetoe trailer in the area zoned for mobile homes followed. As former councils had allowed some mobile homes in the area, motion

was made and carried to allow the trailer to remain on the lot providing that Mrs. Rippetoe secures a building permit and electrical permit and complies with City codes. It was discussed that the Zoning Ordinance needs to be updated and the restrictions closely adhered to in the future.

City's 680 votes given to B.B. Osburn for election to the Appraisal Board.

Amended the 1987-88 Budget to include sale of the Cat. dozer and to increase expenditures for the Library copier, insurance, Panhandle Transit, and Donley Appraisal.

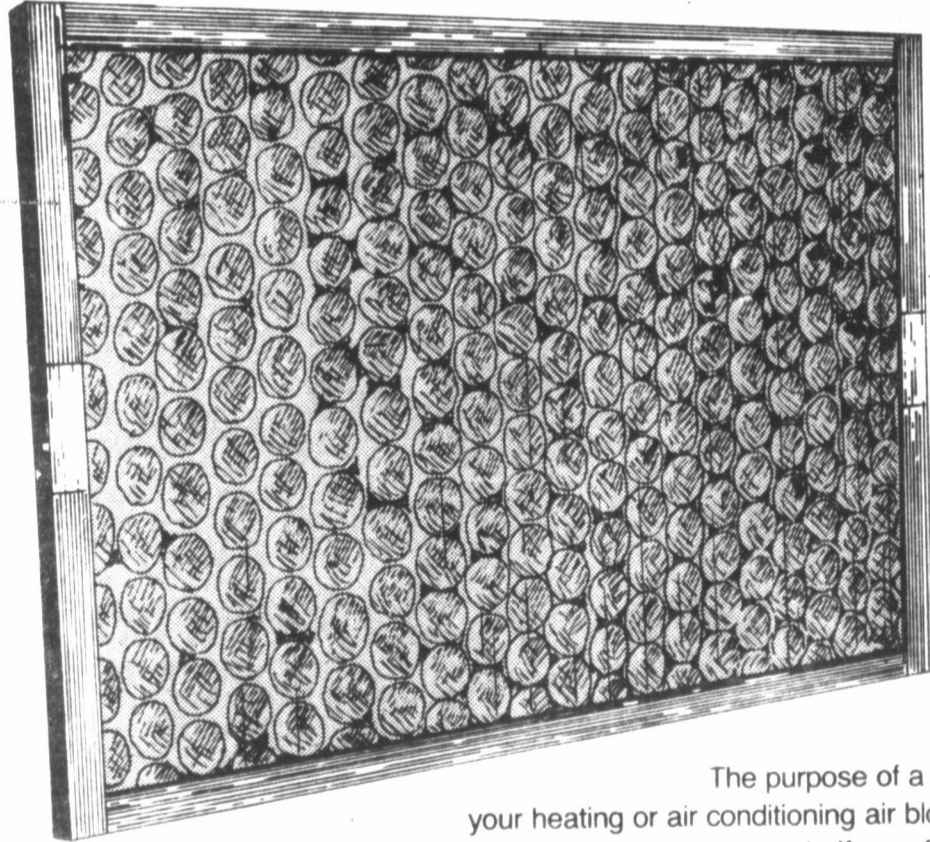

There being no further business at this time meeting adjourned.

Letter to the Editor

Dear Editor:

I am trying to find the address of Kenneth Davis and Don Ray who lived in Clarendon in about 1947-48 or 49 and they were boxers. Anyone having any information about either please write: Skeeter Haggerton, 1116 Maryland, Los Bonos, Calif. 93635.

CHECK YOUR FILTER

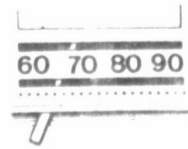

The purpose of a filter in your heating or air conditioning air blower is to catch dust or dirt before it can enter your unit. If your filter gets clogged, your unit will have to work harder to do the heating or cooling job required, and it will use more electricity.

To avoid damage to your unit and to save energy and money, be sure your filter is clean. WTU recommends checking your filter once every 30 days. Permanent types can be cleaned according to manufacturer's instructions, while non-permanent filters should be replaced.

A clean filter, along with other conservation measures you can do at home, will help you save energy and money!

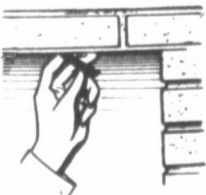

Set Thermostat at 68°

Set your thermostat at 68 degrees or lower. Turn it down at night and use an electric blanket. Turn it down even lower when you leave home for an extended period of time. Every degree you lower your thermostat will help to increase your energy savings.

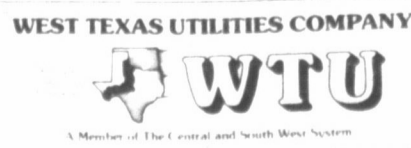

Keep Damper Closed

Tightly close the damper in your fireplace when you're not using it. The same draft that is needed to help make a fire burn could circulate through your fireplace and pull warm air out of your home.

For more conservation tips, call your local WTU office.

Remember REDDY Supplies the energy— but only YOU can use it wisely!

Coach Ken Hefner's Odessa Lady Wranglers, a national tournament representative two of the last three years, have been unanimously picked as the team to beat in the Western Junior College Athletic Conference this season.

Hefner's team got 60 of a possible 60 points and six first place votes in a poll taken among WJAC women's coaches. Coaches were not allowed to vote for their own teams.

Odessa's prominence in the voting was due in part to eight returning sophomores from a team that finished second in the conference to Coach Kelly Chadwick's Western Texas College Lady Dusters last year.

"With Odessa returning so many sophomores they would have to be the favorites but I think all the teams will be in the race," stated New Mexico Junior College Coach Jerry Isler.

Isler's thoughts were echoed almost to a man among the conference coaches. The polling showed that while the Lady Wranglers are the preseason pick, they will meet up with plenty of competition.

Coaches respected WTC's Chadwick enough to put his team second in the conference with 54 points, despite the fact that the team has only one returning starter. And they made Lyndon Hardin's South Plains College Lady Texans a close third with 51 points.

Fourth was Clarendon College with 41 points; fifth was New Mexico Junior College with 39; sixth was Howard College with 36; and seventh was Frank Phillips College with 34.

At least one coach sees Coach David Murphy's Lady Plainsmen as a higher pick than seventh.

"I feel that every team in the conference has a real chance to make the playoffs. Balance seems to be the key," noted Coach Hefner. "Look for Frank (Phillips) to make it this time. David does a fine job and has his best team."

Clarendon Coach Dexter Irvin sees the run for the regional tournament as a seven team race, too.

"I believe that the talent in the conference is more evenly distributed than in recent years," said Irvin. "It would seem to be a more evenly matched conference. The race for the regional tournament will be very competitive with very few points or games separating 1-4."

One of the reasons the conference is more balanced, is that no team appears to have a dominating type player.

"All in all, I don't think the top teams are as good as Odessa was year before last or we were last year. I do think the league is closer in talent than it has been and I think the games will be closer, more like they were five or six years ago," said WTC's Chadwick.

The league does possess some solid talent, however. Among the top returnees are South Plains' Kelly Schilling and Howard's Stephanie Massie - both first-team all-WJAC a year ago. Odessa's Angela Jackson is a returning second-team choice and Kayla Thompson of Western Texas is back after receiving honorable mention.

Important safety tips from Lone Star Gas

You can take comfort in Natural Gas.

Trusting gas for your home is a natural. After all, Lone Star Gas Company has been faithfully serving its customers for

more than 75 years. Through the years, we have worked to earn your trust by providing safe, dependable natural gas.

Do you know why gas has a strong odor? Because we have added a harmless odorant to the gas that lets you know it's there. This is for your safety, so if you ever smell the strong odor of gas in your home, follow these rules:

Since gas lines run underground, you should also take precautions against disrupting these lines, particularly if you plan to:

- 1 Do not switch anything electrical on or off. Do not use your own telephone (telephones use small amounts of electricity). Do not strike a match, and do not do anything that might cause a spark.

- 1 Put in a new fence.
- 2 Install an underground sprinkler system.
- 3 Perform any major landscape renovation.

- 2 Have everyone leave the house immediately, leaving doors open for ventilation.

Before you dig, call your local Lone Star Gas office. If you smell a gas odor while you're outside, immediately contact Lone Star Gas.

- 3 Go to the nearest telephone and call Lone Star Gas Company. Wait until we have found the cause before returning to your home.

In our continuing effort to provide better, safer service, local Lone Star Gas offices are ready to answer any questions that contractors may have concerning the location of gas lines in their areas.

The safety record for natural gas is impressive, and peace of mind is an important part of what natural gas has

to offer. By following these simple rules, you can take even greater comfort in natural gas.

Beginning Saturday November 14th participating merchants will be giving away "Donley County Dollars" with each purchase of \$10.00 or more, dollar for dollar in \$10.00 increments. Bidders will not be allowed to pool money at the auction. This is not fair

to others who have made all their purchases in Donley County and are not allowed a chance in bidding. Therefore, this will make it more fair for everyone. You will have to use your "Donley County Dollars" to bid on the merchandise. Real money will not be accepted. There will also be a special auction section for children 18 and under. Let's all support our area businesses and shop locally during this holiday season.

MARIAN, STEVEN, AND CAGLE DAVIS

Steven Davis receives God & Church Award

Following the morning service at the Brice Baptist Church, on Sunday, November 1, a God and Church Award Ceremony was held to present Steven Davis his God and Church Award. Steven was presented a Bible, a gift from Church members, by Jimmy Lemons. The Pastor T. J. Spry Jr. introduced Tommie Saye, Troop 433 Unit Commissioner, who thanked the Church for their encouragement and support for Steven. Allen Estlack spoke on the significance and importance of the God and Country Program. Scoutmaster, James Thomas,

asked Steven's mother and father, Mr. and Mrs. Cagle Davis and his grandmother, Mrs. Beulah Rhoades and Mrs. Cosette Davis to stand with him before the congregation. Scoutmaster Thomas presented Mrs. Davis the medal who pinned it on Steven's scout shirt. Thomas placed the God and Country neckerchief on Steven. Steven then gave his mother a necklace, bracelet and pin, his father a pin and each grandmother a necklace. The Church prepared a bountiful dinner for everyone present.

DONLEY COUNTY SENIOR CITIZENS
Caring People...A Lamp to the Community

Thanks to D.W. and Lela Swain for the sweet green peppers. They are very tasty in salads. Dance Club enjoyed a nice practice session on Monday, November 2nd. Thanks to Skinnie Putman for driving the bus so several could enjoy the Memphis Senior Citizens dance on Tuesday, November 3rd. Carmen had a good Blood Pressure Clinic on Tuesday, November 3rd. She checked fifty-two. Next clinic will be Tuesday, November 17th.

It was good to have five tables playing games on Thursday, November 5th. Nice to have this many out. Friday Night Musical Jam was enjoyed by thirty-two people. Thanks to the musicians that always perform well, they are Hugh and Nova Neuhaus, Creed Smith, Forrest Denton, Floyd Crofford, Dee Williams, Bailey Estes, Jack Davidson, Lucille Smith and Fred Fortenberry. Sure good to have Lucille Smith back with us, we missed her

while she was punny. Thanks to our October 1987 Volunteers, their service is an asset to the Senior Citizens Center and our Community. Alta Adkins, Woody Argo, Barney Baten, Ann Bunyan, Wanda Clay, Norma Corgill, Lillian Eudy, Rose Farmer, Gwenith Goldston, Lenora Karnes, Rosa Mears, Marie McCracken, Starlene Pike, Dorothy Pitts, Ramona Slover, Verdie Tipton, Don Wooten, Eda Wallin and Carmen Wright.

Thanks to the many donations in October 1987. LOVE: Gwenith Goldston and Raymond Hinkle. FACILITY USE: Clara Mae Carter family, Elgie and Thelma Rudder, Senior Citizens Dance Club and Xi Lambda Xi Sorority. MEMORIALS: Senior Citizens Club in memory of Ray Barbee. Mr. and Mrs. Barney Baten in memory of Carl Geyer, Snooks and C.L. Ray and Guy White. We appreciate all donations as they assist the grant for our noon meal program and in total support all the other activity. Thank you for helping.

Panhandle Farm Management Symposium

The Panhandle Farm Management Symposium will be held in conjunction with the Amarillo Farm and Ranch Show on November 18 at the Amarillo Civic Center. The symposium features a number of excellent speakers over a variety of topics concerning producers. The morning session beginning at 10 a.m. will feature discussions on PIK and Roll, baking and milling qualities of wheat varieties, new product markets and the use of futures and options as risk management tools.

The afternoon session begins at 1:30 p.m., with Texas representative Chip Staniswals speaking about the committee for diversified agriculture. Other topics addressed include the affects of the GATT talks and U.S. - Canada trade agreement; improving cattle profits through genetics; futures and options pricing strategies - how and when do they work; and the symposium is wrapped up with a discussion of retained ownership of cattle as the marketing alternative.

The Panhandle Farm Management Symposium is coordinated by the Texas Agricultural Extension Service and there is no registration fee. Contact Ronald Gooch, Donley County Extension agent, for the details for the program.

Andis family example for History Book

Ben Andis was born in Memphis in 1894. He married Lilia Mae Tinkle in 1913. She came to Clarendon in a covered wagon from Corsicana. He spent a good deal of his life in the law enforcement field.

Mr. Andis relays his experience of the Indian scare. "I had a friend tell me that we had a three room house, and the men filled it with their families, and they went over the hill to meet the Indians, but no Indians showed up. Papa had a horse that had the blind staggers. He broke out of the lot and came up to the house and fell over against the house and we all thought that the Indians had got us. I had a man to tell me years later, as he was but a lad at the time, that when that horse fell against the house, he rolled under the bed and cut his forehead, and carried the scar all of his life."

In December of 1900 a baby boy was born to my parents, my mother took the pneumonia and passed away on February 17, 1901. That left Papa with six children. We had all had typhoid fever and were poor and skinny, we lived then in a three room house on a lot where the old Mulkey Theater is now. The old ditch, which runs thru town today, always had water and trash in it. There was a livery stable just south of us and a chinese laundry just north. There were just a few buildings on the main street of Clarendon in 1902."

This is just part of the Andis heritage to be recorded in the Donley County Family History Book.

This book is for anyone who has lived or now lives in Donley County, old timers, pioneers, newcomers, newlyweds - anyone. We want to make this book as complete a family history as we can possibly make it.

If you need help of any kind, please call the Clarendon Press at 874-2259.

"AIDS" Drug Research

Research into the cause, prevention, and treatment of Acquired Immune Deficiency Syndrome ("AIDS") continues to consume enormous resources of time, money and human energy. Progress in AIDS has moved further in a shorter period of time than for any other fatal or sexually-transmitted disease. And although a cure for AIDS has not yet been found, investigations to find drugs to treat or contain the AIDS virus continue. A vaccine to

prevent the occurrence of this condition appears to be a few years, if not months, away.

Researchers throughout the world are evaluating many drugs for possible use in AIDS. Potentially useful agents include *sumarin*, *interferon*, *interleukin-2*, *phosphonoformate*, *azidothymidine*, and *ribavirin*. These are not currently available for routine use at this time, however.

The majority of drugs under study either

suppress the viability of the AIDS virus or help the body's immune system cope with the AIDS virus. Many researchers feel that the ideal future therapy will include three types of drugs—one to inhibit the growth and reproduction of the AIDS virus, one to correct damages to the body's immune system, and one to treat opportunistic infections.

Early Birds Homemakers Club

The Early Birds Extension Homemakers met Wednesday, November 4th in the home of President, Anita Mooring.

There were six members and two visitors present. Terry Floyd county Extension agent presented a very

nice and interesting program on the hazards in the home and the do's and don'ts in the home. Terry also made several announcements on upcoming programs that will be offered for different needs for the community.

New officers were elected for the coming year. The new officers are President Betty Hester, Vice President Mary Jane Smith, Secretary and Treasurer Marine Hardin, Reporter Lea Tyler and Council Delegate Pat McCombs.

Refreshments were enjoyed by all.

Sales tax checks sent

November checks received from State Comptroller Bob Bullock representing taxes collected on sales made in September and reported to the Comptroller by October 20th shows that Donley County is still down by 4.47 percent over the sales from the same period last year. Howardwick was up 6.16 percent and Hedley was

up 1.81 percent, only Clarendon was down by 5.84 percent.

While this percentage is not good for Donley County, it is much better than some of the other counties around us. Armstrong County has shown an increase in recent months and are up 6.09 percent this period. Collingsworth is down 5.01 percent.

Hall is down by 14.72 percent. Gray County is down 14.43 percent. Carson is down by 22.09 percent.

These sales tax reports reflect that dollars spent at home eventually return in sales tax to our cities to help pay for services rendered by the cities to the people.

The next time you are tempted to travel out of the city to do your shopping and you are adding up you saving, please add up you mileage, cost of meals, babysitting, time, and other costs. Experts say that dollars spent in any town will turn over as many as four or five times which means that a dollar spent somewhere else could take away as much as \$4 or \$5 in trade, wages, and taxes.

We are gambling away our community's future without ever realizing it.

Browns to have 50th

Wedding Anniversary

The children of Roy and Juanita Brown will be hosting a Come and Go 50th Wedding Anniversary reception, Saturday, November 14 between the hours of 2-5 p.m. at the Hedley Senior Citizens Building. The couple married in Lelia Lake, November 14, 1937 by the Rev. Likey. They have made their home in Hedley all of these years. They have six children, 27 grandchildren and 24 great-grandchildren.

Lions Tail

By GENE ALDERSON

The Clarendon Lions Club held its regular meeting at noon on Tuesday at the Lions Hall. Thirty members and guests were present.

Following the regular opening ceremony Lion tamer Messer introduced Phil Fletcher, new owner of Donley County Abstract he was guest of Lion Shelton, Eileen Bernabe, a piano teacher, guest of her husband Lion Wilbert Bernabe; Jared Hartman, guest of his father Lion Earl Hartman and the other regular guests. Boss Lion Shelton reported that our board of directors had approved donations to the Girls Town Christmas Coat and Shoe Fund and to the Clarendon College Cowboy Band. Lion Allen Estlack gave the bingo report and indicated there were several winners last Saturday night.

Program chairman Smith introduced Larry Gilbert, Director of the Clarendon College Pampa Center, who brought our program. Mr. Gilbert told us about the changing role of women in our society today. A smaller percent of the total number of people enrolled in education class are women, than was the case 20 years ago but there are more women school superintendents (47) in Texas now. More women are now studying business and pre-law. Of the total enrollment of 301 in Pampa Center, 203 are women.

Following the program the meeting was adjourned.

Shriners Burn Institute sets standards for burn care children

Forty years after opening their first hospital for crippled children the Shriners became aware of another enemy of children...the severe burn. Thousand of children are crippled, disfigured or killed each year by what has been called one of the largest hazards of childhood.

Recognizing this undeveloped area, Shriners opened Burn Institutes with a three-fold purpose of helping children, conducting burn research and training medical personnel in the treatment of burn injuries.

These burn institutes provide the best medical care available to severely burned children requiring immediate acute care, reconstructive or restorative surgery, and rehabilitation from severe burns.

Patients at these hospitals benefit from a unique family-centered treatment approach. This philosophy stresses that while medicine might heal the child's body, tending to the child's mind and spirit within the framework of this family, is equally important to his recovery.

Through the support of outstanding hospital personnel, exceptional medical facilities, comfortable environments and the close companionship of other burn patients, each

child is given the necessary encouragement he needs to meet the challenge of his recovery.

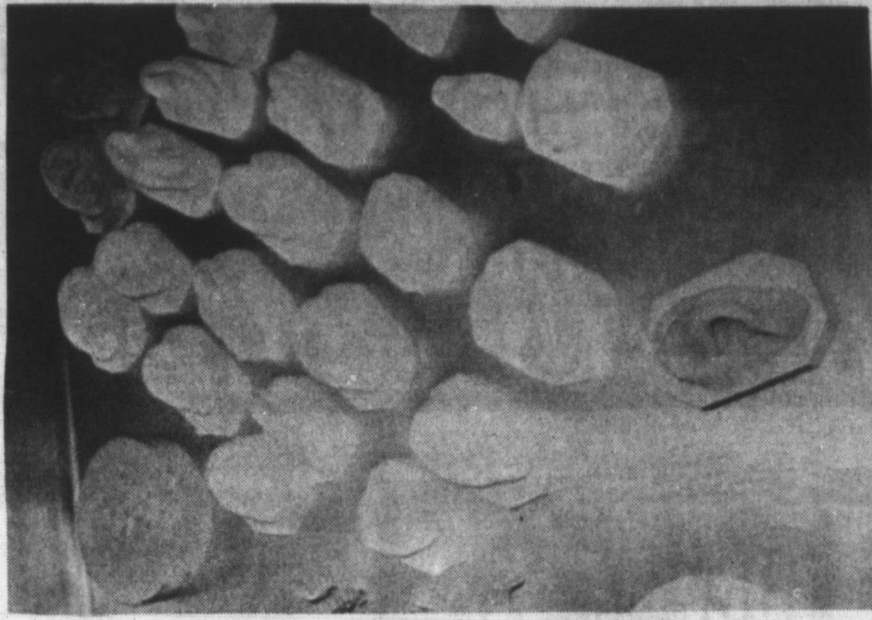

The Shriner's Burn Institutes are equipped to treat: Patients with acute, fresh burns; patients needing plastic reconstructive or restorative surgery as a result of healed burns; patients with severe scarring, resulting in contractures of interference of proper mobility of the limbs; patients with scarring and deformity of the face.

Each year thousands of children are severely injured from burn related accidents.

Severe burns can be one of the most devastating injuries a child endures, but at these burn institutes, children are provided with some of the most advanced medical care available—free of charge. These institutes are maintained and operated by the Shrine of North America, an international fraternity.

Since the Shriners first made a commitment to advancing burn treatment by opening its three burn institutes, the chances of a burned child's survival have more than doubled.

These institutes are actively involved in the development of artificial skin and many other major advance-

ments that will continue to revolutionize the way burn patients will be treated in the future.

The establishment of the burns institutes alerted the medical community about the needs of burn patients, and in turn, led to the establishment of non-Shrine burn centers throughout North America.

Affiliation with outstanding medical school is one of the many ways in which the Shrine fulfills its continuing obligation to practice quality medicine and provide the

highest standards of research and care for their young patients.

The Galveston Burns Institute is presently under the direction of Chief of Staff, Dr. David N. Herndon. Dr. Herndon has headed this hospital for the last seven years and since that time the length of stay has been reduced dramatically and the research program has been emphasized and expanded. In addition to his work with the Shrine Institute, he is also on staff at the University of Texas Medical burns division and a professor of surgery for the University of Texas Medical Branch.

Mother, Sheri Davis, looks on as 9 year old Shawn Foster play a Centipede arcade game in the play room at the Galveston Unit. Shawn was burning ant beds at his home in Natchez, Mississippi when a gas can caught fire and exploded.

process of building a new burns institute in Galveston.

The sooner a burned child reaches a burns center the better his chances of recovery. Shriners Burns Institutes are open to all burned children, regardless of race, religion or relationship to a Shriner.

In an emergency, referring physicians for burned children needing immediate care should telephone the chief of staff at the nearest Shriners Burns Institute and indicate that he has a patient needing emergency care. Often many local Shrine Temples offer assistance with transportation of the patient.

For non-emergency situations contact a local Shrine Club or call toll free-1-800-237-5055.

Survivors include 4 sons: Bill Tyler of Lubbock; Ken Tyler of Clarendon; Eddy Tyler of Moore, Oklahoma and Gary Tyler of Levelland; one brother Alfred Sims of Amarillo; 16 grandchildren and 22 great grandchildren, many loving nephews, nieces and friends throughout the many states and country.

WILLIAM MCKINLEY "BILL" WIEDMAN

Funeral services for William McKinley "Bill" Wiedman, age 86, were held at 10:00 a.m. on Thursday, November 5, 1987 in Robertson Chapel Of Memories with Rev. James Carter, Pastor of the First United Methodist Church in Clarendon, officiating. Interment was in Citizens Cemetery with arrangements under the direction of Robertson Funeral Directors.

Mr. Wiedman died at 12:15 a.m. on Monday, November 2, 1987 in

High Plains Baptist Hospital in Amarillo following a short illness. He was born October 14, 1901 in Clarendon and had been a long time resident of Dallas before moving to Amarillo 3 1/2 months ago. He had worked most of his life in the banking business and later as a finance officer for GMAC in Dallas. He was a Methodist.

Survivors include two sisters, Mrs. Rhoda Naylor of Amarillo and Mrs. Helen Churchman of Amarillo.

Casket bearers were Jack SoRelle, Joe Lovell, Jiggs Mann, J.R. Brandon, Fred Clifford, and Thad Rodgers.

The family request that memorials be to Citizens Cemetery Association or a favorite charity.

LELA MAE SWAIN

Mrs. Lela Mae Swain, 66, passed away November 10, 1987 at Northwest Texas Hospital, Amarillo. Services are pending at the Carmichael Whatley Chapel, Pampa. Rev. Darrel Rains, pastor of the First Baptist Church, Pampa will officiate.

Mrs. Swain was born August 15, 1921 in Pampa and married D.W. Swain September 5, 1937 in Oklahoma.

She is survived by her husband, D.W. Swain of Howardwick; two daughters, Jeletta Gatewood, Fargo, Oklahoma and Olivia Greenhouse, Pampa; and four grandchildren.

Pall bearers will be Fern Berry, Wayland Acker, Greg Acker, Dane Greenhouse, Greg Greenhouse and Duston Cox.

The family has requested memorials be sent to Clarendon Senior Citizens or First Baptist Church, Pampa.

Among employed women, white collar workers are less likely to smoke than those in blue collar occupations. Women earning more than 25,000 a year smoke less than any other group of working females.

The overall death rate of women-even young women-who smoke and use birth control pills is much higher than that of nonsmoking pill users. Women who use oral contraceptives and smoke have a much higher risk of strokes, heart attacks and blood clots in their legs.

Miracle-Ear

hearing help for
Nerve Deafness

If you hear, but don't always understand the words, Miracle-Ear may be your answer. Miracle-Ear can help many people overcome problems like hearing only parts of words... straining to hear... asking others to repeat... or becoming confused when spoken to. These are classic symptoms of nerve deafness.

THANK YOU

I would like to thank everyone for the nice cards and prayers and pretty flowers sent to me while I was in the hospital and all the visits from everyone. A special thanks to the pastor of my church, Bro. Truman Ledbetter, for his visits and support and prayers and for being there when I had surgery. A special thanks to my wonderful brother J. D. Riley of Memphis, Texas, for everything he has done for me.

God Bless you all in Christian Love.

Irene Winchester

THANK YOU

Our family would like to express our appreciation and love to everyone who shared in the loss of our father. We were thankful and humbled by the expressions of love and friendship. Even though we will always miss Dad, we also rejoice in the victory we have through the Lord Jesus Christ.

NOTICE OF PUBLIC HEARING

Hedley, Texas will hold a public hearing at 6:00 p.m., November 19, 1987, at the Lions Den Hall in regards to submission of an application to the Texas Department of Community Affairs [TDCA] for a Texas Community Development Program [TCDP] Fund Grant.

The purpose of this meeting is to allow citizens an opportunity to comment on the Hedley proposed application, and review the project prior to submission of the application to TDCA by December 3, 1987.

LEGAL NOTICE

LOCAL INVITATION TO BID ON BRIDGE JOINT CLEANING, ROUTING, AND SEALING NOVEMBER 19, 1987

Sealed proposals for bridge joint cleaning, routing, and sealing in various counties throughout District 25, will be received at the State

Department of Highways and Public Transportation District Office at 1700 Avenue F, NW, Childress, Texas 79201, until 9:00 a.m., November 19, 1987.

CONTRACT NO. 258XXM0001: Bridge joints to be cleaned, routed and sealed are located in Wheeler, Collingsworth, Donley, Hall, and Childress Counties.

A PRE-BID CONFERENCE WILL BE HELD WITH MR. VANCE L. CASTLEBERRY, DISTRICT ENGINEER, AT THE DISTRICT OFFICE IN CHILDRESS, TEXAS AT 10:00 A.M., NOVEMBER 12, 1987. PERSONS INTERESTED IN BIDDING ON THIS CONTRACT SHOULD ATTEND THIS PRE-BID CONFERENCE.

THE STATE DEPARTMENT OF HIGHWAYS AND PUBLIC TRANSPORTATION, IN ACCORDANCE WITH THE PROVISIONS OF TITLE VI OF THE CIVIL RIGHTS ACT OF 1964 [78 STAT. 252] AND THE REGULATIONS OF THE U.S. DEPARTMENT OF TRANSPORTATION [15C.F.R., PART 8], ISSUED PURSUANT TO SUCH ACT, HEREBY NOTIFIES ALL BIDDERS THAT IT WILL AFFIRMATIVELY INSURE THAT THE CONTRACT ENTERED INTO PURSUANT TO THIS ADVERTISEMENT WILL BE AWARDED TO THE LOWEST RESPONSIBLE BIDDER WITHOUT DISCRIMINATION ON THE GROUNDS OF RACE, COLOR, OR NATIONAL ORIGIN.

Adopt a Highway rules finalized by Highway Commission

The new guidelines for the Adopt-a-Highway program are now final. In July, the highway department announced new guidelines for the highly successful program. The temporary guidelines were published in the Texas Register, with a 60-day period for the public review and recommendations.

In its October meeting, the highway commission gave its final approval to the guidelines.

The Adopt-a-Highway program, begun in late 1985, allows groups of private citizens to adopt two-mile sections of highway for litter pickup. The highway department provides the groups with safety vests, litterbags, and safety instructions, and installs signs at each end of the adopted section giving credit to the group.

By early summer of 1987, the number of groups in the program had mushroomed to over 2,300, including church organizations, garden clubs, motorcycle clubs and civic groups.

But in June, the department administration directed district offices to accept no new groups, pending a review of the program. Questions regarding adoption by political organizations and programs cost-effectiveness prompted the action.

The new guidelines require four pickups a year by adopting groups, and a two-year adoption period, among other things.

After feedback from the public, the department has made some modifications in the guidelines. For example, several groups in West Texas felt that their sections of highway did not have enough litter to require pickup four times a year. The department has decided that, in such cases, the district engineer may permit some sections to be cleaned only twice a year.

Comments from school groups

noted that it is difficult for them to commit to having one of their four pickups during the department's response is to change the groups' participation in the Trash Off from a mandatory requirement to a recommendation. The Great Texas Trash Off for 1988 will fall on Saturday, April 23.

World's First Mexican Desserts Cook Book published

Mexican cooking is more than just enchiladas, tacos and tamales, say the authors of the newly-published cook book, *Mexican Desserts: the sweet side of Mexican cooking.*

"We believe that Mexican Desserts is the first--and only--complete cook book of Mexican sweets ever published," say Golden West Publishers, under whose imprint the book has just been published.

Written by Socorro Munoz Kimble and Irma Serrano Noriega, this unique book features more than 200 recipes for custards, turnovers, fritters, cookies, pies, cakes, fruits, puddings, gelatin desserts, candies, ice cream and other frozen desserts, and beverages.

One entire chapter includes recipes for special occasions and fiestas. These recipes include such titles as Carlota Imperial, Almendra, Tamales de Dulce, Caprotada, Pan Dulce, Rosca de los Reyes, Pan de Muertos, Postre de Virrey, Pastel de 15 Anos, Pastel de Fiesta, Pastel de Posadas, Chongos Zamoranos, Mexican Wedding Cakes, Huevos Reales, Carlota de Fresas, and other special desserts.

The book features large type, an exhaustive index, and a plastic binding that allows the pages to lie flat.

Mexican Desserts is available for \$6.50 in book stores, or may be ordered direct from the publishers, Golden West Publishers, 4113 N. Longview, Phoenix, AZ 85014, for \$7.50 postpaid.

In addition to the multitude of

recipes, the authors have researched and included a fascinating history of Mexican sweets from the Aztecs and other native cultures, to the coming of the Spanish and the French and the American influence.

Both Socorro Kimble and Irma Noriega have Hispanic backgrounds. Socorro, born in Aguascalientes, Mexico, became a naturalized American citizen after graduating from Bakersfield College.

She attended the University of California at Los Angeles as a social welfare major and music minor. In 1959 she married Herschel Kimble, a district soil conservationist for the U.S. Department of Agriculture. They have three daughters. Socorro is the editor of the "Beautiful Bakersfield" newsletter.

Irma was born in Chandler, Arizona. Her family later moved to San Diego, where she attended the University of San Diego, majoring in education and Spanish. In 1958 she married Joseph Noriega, an attorney and they moved to Bakersfield, where their three sons and two daughters were born.

Irma does volunteer work in the Junior League and is an involved member of the Grand Jurors Association of Kern County.

Between 1950 and 1984, the lung cancer death rate rose 418 percent for white women and 472 percent for non-white women. If lung cancer statistics are excluded, death rates for all other cancers fell 16 percent for white women and 13 percent for non-white women.

If a woman smokes, her chances of developing lung cancer - once thought to be primarily a male disease - are 2-3 times greater than that of a nonsmoking woman.

Adolescent and adult women are more likely than men to smoke low tar and nicotine cigarettes, smoke fewer cigarettes per day, and inhale less deeply.

The Donley County Appraisal District has approximately 8,100 real property parcels and 2,200 personal property parcels serviced by a chief appraiser and three deputies doing property appraisal and tax assessment and collection. The District desires to lease-purchase a computer with associated other hardware and software program to efficiently record all property appraisals pursuant to State Property Tax Board guidelines and the Texas Property Tax Code. The District must calculate and retain appraised values of each parcel, plat improvement perimeter, and print the appraisal roll. It must calculate and retain all exemptions, partial exemptions, alternate appraisal values, and tax limitations to determine assessed and taxable values for each parcel.

The District now maintains a manual map system as a part of the appraisal record files. We understand that a computerized map system might not be available at this time but we have the need for it and would want the assurance that the hardware could probably accept that additional function at some later time. Further, the District collects and distributes tax money for all seven tax bodies participating in the District. To this end the District must have the computer capability to calculate each tax, discount or penalty and interest for each parcel, to print tax bills with all entities combined on one statement, and to print the tax roll.

Also, the District must have the computer capability to record all current and delinquent tax payments, print payment receipts, maintain collection totals, levy balances and print the delinquent tax roll. The data recall must be adequate to yield categorized information required by the State Property Tax Board and also by the District for analysis of appraisal and accounting performance.

The lease-purchase agreement would need to be for 5 years or more. To satisfy the non-binding requirements for governing board members, the lease-purchase agreement must allow for termination without penalty at the end of each calendar year.

Knowing this District's size and function, please bid by itemized description and cost to supply all hardware, software, training, maintenance, installation (including delivery costs), all supplies and supplemental costs of power supply and line connections. Specifications of a technical nature are open for your recommendation and description within your bid.

Your bid should be in writing to this office by November 16, 1987. The Appraisal District reserves the right to reject any or all bids. If you desire further information, please contact the Appraisal District Office at 806-874-2744.
