Baird We Now Have Minnows for the Fishermen

Baird Nursing Home

BAIRD—We enjoyed another afternoon in crafts Monday with Mrs. Brownie Hanner, Vivian Price, Mary Finley and Bess Seal here to sew and visit. Esther Gillit has been "under the weather" so to speak, but visited with us. The net tablecloth is now ready for the stuffed grapes, mums and leaves to go on. We've missed those ladies who were coming to crafts but have been unable to attend lately.

We had two lovely ladies visiting us to help Mrs. Vida Hill and Mrs. Cortez Shanks with our singing Tuesday afternoon. They were Mrs. Cleora Nichols and Mrs. Ethel Dulin. We hope they'll be with us more often.

Our article didn't get in the paper last week and the highlights were FREE COFFEE is being served to all of our volunteers.

Mrs. Lavern Harber and Carolyn Burns came and helped in our singing on Tuesday. Mrs. Burns sang several solos.

The family of Mrs. Adna Walker gave her a surprise birthday party Thursday a.m.

George Sadler and Pop Whitaker held a musical Friday and we're asking that more musicians will join them.

Our great domino volunteers were back Thursday and we had two tables of players. They were: Edna Whitt, Fred Farmer, Maebelle Cline, Ila Shrader, Norma West, Bob Fuqua, Adna Walker and Norma Baulch.

All of us are back from the hospital except Alpha Morris, Jenye Blakely,

Wilma Harris, and John McClendon. Lura Johnson checked out and we wish her well.

Mrs. Zora Smith passed away Sunday and we'll miss her. Our sympathy to her family.

Putnam Study Club held our April birthday party Friday and we enjoyed it! Mrs. Dick Vestal brought her 4th grade class to sing for us and they really were in good voice! Several songs were sung and Mr. Randy Taylor accompanied them on the piano. Hope they'll come back soon. Cookies and punch were served and fruit and candy were given to our honorees! They were Maggie Ault, Adna Walker, Mary Franklin, Bernice Drake and Rosa Ryan. Members of the club present were: Mrs. Naomi Heyser, Josephine Taylor, Ollie Burnam, Meta Isenhower, Sarah Smith, Lillie Bailey and Rhue Sunderman. Mrs. Elaine Reynolds played the piano and we invite each of them back soon. Thanks, ladies!

BELLE PLAINS CEM. ASSN. MEETING APR. 30

COUNTY - The Belle Plains Cemetery Assn. will meet Saturday, April 30, at 10 a.m. at Belle Plains Cemetery.

Any person having relatives, friends or loved ones buried in the cemetery is invited to attend this meeting.

All members are urged to attend and bring a lunch.

Dear Friends,

We had our "faithful few" in exercises this week and had a lively session.

Then Ludie Lofton got a perfect score in the bean bag toss.

On Tuesday, Mrs. Eva Johnson got a perfect bowling score as did Mrs. McIntosh and Mrs. Lofton for a three-way tie.

Our "Red" and "Yellow" teams saw-sawed back and forth in the Dart ball contest. We had real close contests and each team won by exactly the same amount of points for one game each.

Our "lucky 13" were back in exercises this morning and then most stayed for the Bingo game. Mrs. Presley won 2 games, Ed

Laur won 1, and so did May Matlock and Eva Johnson.

After exercises Friday morning we worked real hard on our gingham flower pots. They sure looked pretty. We are trying to get things ready for Open House May 15.

If anyone has any old lace tablecloths or curtains we could sure use them to make some costumes for our ladies for Mexican Day, May 13.

Love,
Peggy

HOW IS MY NEIGHBOR DOING?

Someone said, "God is still waiting to see what can be accomplished by a man or a nation that will take seriously His command 'Love thy neighbor as thyself.'"

In today's world, how is my neighbor doing?

Well, two billion of them eat only two meager meals a day. Two billion of them live off of a three acre piece of land on which they raise \$300 in crops. Of this money, \$100 goes to their landlord.

Two billion of them have total holdings amounting to \$5.00. And, as a result of that hard, ignominious life, each of these two billion people will live 30 years less than you or I.

They have seen no magazines all their lives; no electric lights, ever; no running water. And their entire lifetime wardrobe of clothes comes to them second hand, and numbers only 12 pieces.

Now do two things before you lay this down—

1. Be grateful to God for abundance
2. Pray to learn to share more meaningfully
