## CLYDE, TEXAS 7:30 NIGHTLY

I would like to give you a Booklet that you will find to be the most thrilling 24 pages you have ever read, as well as informative. As you turn on your T.V. sets each day you see news in the making, but what you may not realize is that this news is a fulfilling of "BIBLE PROPHECY."

In the pages of this Booklet "THE BIBLE REVEALS THE DESTINY OF THE UNITED STA-TES AND WHAT LIES AHEAD" I have given you the PLAIN TRUTH OF THE BIBLE and also FACTUAL RECORDS OF WOLRD EVENTS, that prove "THE DESTINY OF THE UNITED STATES."

Each night from Wednesday night, March 6th thru Friday night March 8th I will be bringing you even more recent developments that prove CHRIST'S COMING IS NEAR. Before you cast this aside as some "DOOMSDAY PROPHETIC MATERIAL" please use that intelligent mind of your to "CHECK THE FACTS AS GIVEN," I challenge you to CHECK THESE FACTS I GIVE YOU OUT FOR YOUR SELF. I never ask people to take one word of what I have to say as true, but rather , I urge them to CHECK THE FACTS FOR THEMSELVES to see if they are correct or not.

I will not be preaching "BAPTIST DOCTRINE" but rather "BIBLE TRUTHS" and I encourage each of you from every Belief and Faith to BRING YOUR BIBLE and spend these three nights checking out "BIBLE PROPHECY." The Services will last only one hour, 7:30 to 8:30 and you will find these three properties of the BERNER of the BERNER of the BERNER of the Service of the Servi nights we spend together to be very REVEALING. I believe the Bible to be the TRUE ACCURATE, and APPROPRIATE, WORD OF GOD, and all'basic's for each message will be from "THE BIBLE."

It now is up to you to "READ" this 24 pages Booklet I have mailed you, then Take your Bible and current events and make sure the facts are correct, then make plans to be with us all three of the Nights in the CLYDE COMMUNITY CENTER.

Wash and dry a full load, but never overload . . . it is essential for each item to move freely for proper cleaning and drying.

- 2. Choose the correct cycle for washing modern materials. Perhaps hot water isn't needed, and only a gentle drying temperature.  $\tau_{ij}(z)$
- 3. Too much detergent can clog machine and drains ... always measure, don't guess. Follow the manufacturers recommendations for your equipment. Mixing brands of detergents can cause graving of 70.00 clothes.
  - Many manufacturers of permanent press garments 4. recommend machine washing and machine drying for best results. Following instructions on the garment tag can preserve the life of your clothing and give you wrinkle-free clothes without need for ironing. A big savings!
  - 5. An important maintenance function for you to do is to clean the lint trap and lint filter on both washer and dryer after each load of a full day's use of your home laundry.
- 6. Never-Never pour bleach directly into the washer with clothes in it. Always dilute bleach before adding it to wash water. Also, timing is important. Bleach should be added after the clothes have washed at least 5 minutes.
