CLARENDON, DONLEY COUNTY, TEXAS, OCTOBER 29, 1942

A Common Paper for Common People

Gasoline Ration Sign-Up Changed

Registration of America's passenger cars looking to the start of gasoline rationing Nov. 22 will not get under way next week as previously announced. Local ration boards were to have made the application forms available at centrally located points, beginning Monday.

These forms, the only route to a gasoline ration book, were to be filled out and turned in to school houses and other designated registration places Nov. 9, 10 and 11.

Mark McGee, Texas ration chief, said last night the registration has been re-set for Nov. 12-14.

Miss Ruth Richerson, county school superintendent, announced this week that there would be a meeting at the county court room at 3:30 Wednesday, Nov. 4th at which time a representative from the state office would be here to discuss all phases of gasoline rationing. All teachers and trustees over the county are urged to be present as this information will be very helpful in handling the gasoline rationing applications.

and that motorcycle and car owners will sign-up for their gasoline ration books at school houses. He said local ration boards would get the required application forms by November 7th.

One of the qualifications for a ration book is to have not more than five tires for your car. If a person has more, he must take the extras to the nearest Railway Express office which will give him excess tires to Uncle Sam, or the government will buy them at ceiling prices.

Persons also must agree to regular tire and steering gear inspections and to drive not over 35 miles an hour. Serial numbers of all tires retained by the motorist must be placed on his application blank.

Persons who use their cars extensively for going to and from work must work out ride-swapping clubs under which members use their cars day or week about. In any event, each car used must carry a capacity load. Otherwise no extra gasoline will be allowed.

All persons with commercial vehicles registered on or before last Dec. 31 have been mailed forms on which to apply for certificates of war necessity.

Unless these applications are turned in by Nov. 1 the commercial owners may not get their certificates back by Nov. 15, and after Nov. 15 they can't buy gasoline, tires or repairs without a certificate.

Persons whose vehicles was not registered by last Dec. 31 had better contact their local ration boards.

VISITS SISTER HERE

Mr. and Mrs. A. Baldwin of Memphis spent Sunday with his sister, Mrs. M. E. Thornton.

Absentee Voting For Election To Close Saturday

Absentee voting for the general election a week from Tuesday will close Saturday, but few ballots are expected to be cast in this county as interest in the election is low.

The absentee ballots may be secured at the office of County Clerk, Helen Wiedman.

Supplies for the election are being issued to the election judges in the various voting boxes this week. The ballots are lengthy and large, with candidates for three parties and five constitutional amendments listed.

The amendments probably will attract more voters than the election of officials as democratic candidates are certain of victory. In addition to the democrats, the republicans and the people's unity party have state candidates on the ballots.

Coffee Will Be Rationed

Coffee will be rationed starting at midnight, Nov. 28, at a rate of one pound every five weeks for each person over 15 years old, the Office of Price Administration announced Monday.

On the basis of 35 to 40 cups to the pound, the ration means slightly more than a cup a day per person.

Retail sales will be halted at midnight, Nov. 21, Price Administrator Leon Henderson said, for a week-long freezing during which grocers will stock their shelves for the start of rationing.

The first rationed coffee will be purchased on the last stamp in the sugar ration book, stamp No. 28. Subsequent rations will be issued by working backwards thru the sugar book, using stamps No. 28, to No. 19, in sequence.

The war production board ordered OPA to take control of consumer distribution to assure an equal supply for all, Henderson said, and attributed the emergency action mainly to "excessive buying by consumers."

Eligibility will be determined by the age shown on war ration book No. 1—the sugar book. If the age shown when the book was issued in May was 15 or older, the holder is entitled to coffee rations; if 14 or younger, the book is not valid for coffee purchases. Use of the book for sugar will continue as in the past.

Steam Laundry To Close Down

Tom Helton, owner of the Clarendon Steam Laundry, announced this week that Saturday night will be the last day that the firm would be open. He announced some time back that he would be compelled to close due to the current labor shortage, but decided to cut down on certain types of service and keep operating. Even this idea failed, labor became scarcer, and so after Saturday night Clarendon will be without a steam laundry.

LOCAL F.F.A. YOUTHS PURCHASE LAMBS FOR FEEDING PROJECTS

Fifteen wether lambs from the registered Rambouillet herd of Luther Lowry and Ed Rogers of Claude, Texas, were purchased last weekend by a number of local club youths. Carroll Brumley headed the list of feeders by purchasing a group of five wethers; Ralph Davis purchased three, Chauncey Hommel, John Smith and Sam Lowry purchased two each, and Don Morgan one.

The lambs are of the same breeding as the top quality lambs purchased by local youths from the same individuals last fall, and a number of high placings were won in the Amarillo Show with the animals. The youths will feed a home grown ration of sorghum fodder, ground heads, and cotton seed meal, and a mineral composed of limestone, bonemeal, and salt.

Celebrates 70th Birthday

Those to celebrate the 70th birthday anniversary of W. F. Barker in his home on Sunday, October 25, were Mr. and Mrs. Goble Barker and family of Ash-tolia, Mr. and Mrs. Clyde Barker and daughter, Mrs. Dewey Goodman and daughter all of Clarendon, Pvt. Billy Goodman and wife of Lubbock, Mr. and Mrs. J. T. Easterling and daughters, Mr. and Mrs. Guy Sibley and daughters, Mr. and Mrs. Jack Bailey and son all of Martin; Mrs. Buster Vaughn and boys of Lubbock.

Those who called in the afternoon were Mr. and Mrs. Earl Barker and Don Barker of Lelia Lake and, Mr. and Mrs. Dick Nobles of Lubbock.

MORE VOLUNTEERS FOR LUBBOCK AIR TECHNICAL SCHOOL

The Lubbock Army Flying School made another haul here this week end when recruiting officers signed up thirteen more men and sent them to Lubbock Wednesday morning for their examinations.

Those signing up were David McCann, David Forest Hall, Archie Lavaughn Mash, Leroy Napier, Clarence Frank Whitlock, Walter Alvin Miller, Alfred Eugene Bowling, Reuben Elbert Boyce, J. C. Sisson, Bernice Doyle Martin, Eldon Clifford Holland, Rufus Edward Bonner and Robert Ray Pittman.

FROM PLAINVIEW

Mrs. Will McDonald and daughters Ruth, Merle and Janice of Plainview visited her mother, Mrs. J. D. Jefferies the week end.

ATTEND SCHOOL MEETING IN AMARILLO

Those attending the Superintendent and Principal meeting in Amarillo Saturday for the purpose of discussing elementary education were County School Superintendent Miss Ruth Richerson, C. O. Hill and Floyd Richerson of Hedley and Richard Finch of Lelia Lake.

Two members of the State Department of Education were the main speakers on the program.

TEMPERATURE NEAR FREEZING TWO DAYS

Official weather observer Joe Goldston reported the first near freezing weather this week with the temperature getting down to 34 degrees on both Monday and Tuesday. No frost was reported on either date.

Program Completed For Crowning Of All-School Queen November 6th

The crowning of an all-school queen will be held in the College Auditorium on Friday evening, November 6 at 8 p. m. This event will be free and everyone is invited to attend.

The program is as follows: Choral numbers by C.H.S. Choral Club, directed by Mrs. A. B. Turner.

Presentation of Candidates and escorts.

Presentation of Crown to Queen—Bill Andis, Pres. of C.J.C. Dramatics Club.

Herald—Carrol Brumley. Pianist—Nelda Sue Burton. Trainbearers—Jacqueline Marie Estlack, Barbara Faye Estlack.

Ten candidates have been chosen to compete for this honor. One girl will be chosen as queen and the remainder will serve as princesses. The queen will be determined by vote, one penny counting one vote.

Boxes for voting may be found in several business houses, and you will be given a chance to make a final vote before the queen is crowned in the College Auditorium.

NAVY CLUB TO MEET MONDAY NIGHT

Members of the Navy Club will meet on Monday night, Nov. 2 at 8 p. m. in the Club Room. Christmas cards for the men in the Navy will be signed by members. The attendance of those who put in a regular appearance at the meetings is especially requested.

VISIT IN OKLAHOMA

Mr. and Mrs. Darrol Ellexson of Chico spent Thursday night with his aunt, Mrs. Henry Williams. They left Friday accompanied by Mr. and Mrs. Williams for Turpin, Okla. to visit his parents and Mrs. Williams' brother, Mr. and Mrs. A. Allexson and Mr. and Mrs. F. A. Allexson. They returned to Clarendon Monday night. Mr. and Mrs. Allexson left Tuesday for their home at Chico.

Lt. Bourland Dies Of Heart Attack In California

Word was received here by relatives Wednesday that Lt. Lacy Bourland had died of a heart attack early Wednesday morning. He was stationed near Fresno, California, and was connected with the Army Air Corps there.

Mr. Bourland had been in the service for only about three months, having been connected with the Bell Telephone Company at Ft. Worth prior to that time.

His body will arrive at the family home in Ft. Worth Saturday and funeral services will be held there Monday.

He is survived by his wife and two sons, Bill and Richard. His father W. M. Bourland of Collingsworth County; six brothers, Ralph of Quail, Jack of Kermit, Joe of Portsmouth, New Hampshire; Fred, San Diego, Calif.; George, Pearl Harbor and Jimmy of the Panama Canal Zone. Two sisters, Mrs. Caryl Baldwin of Lamesa and Mrs. D. R. Davis of Beaumont.

VANDALISM IS UNPATRIOTIC

Local law officials are asking that those who would celebrate Halloween to refrain from destroying property. To do so is unpatriotic and really helps our enemies. Halloween is a time of pranks and fun-making, and destructive mischief ought to be banned as a wartime observance of this holiday.

Usually Halloween is observed quietly in Clarendon, and it is hoped that very little property damage will be realized after the holiday.

Halloween pranksters are reminded that letting the air out of an automobile tire threatens damage to property no longer replaceable except to a very favored few.

Post Office To Make Change

Postmaster J. C. Estlack announces that, beginning with the morning of November 2, 1942, which is next Monday, the windows at the postoffice will remain closed during the time that mail is being placed in the boxes.

This feature is made necessary since train schedules are too uncertain to arrange a schedule of hours for clerks. Often, when a train is from one to several hours late, the mail will arrive when only two clerks are on duty. Three clerks are required to attend the windows normally.

As is the practice now, one to two clerks wait on the patrons while being needed to distribute the mail to the boxes. With the closing of the windows upon the arrival of mail any time between the hours of 8 a. m. and 6 p. m., the entire clerical force, including the postmaster, will get your mail to you with all the skill at their command, with no loss of time.

The kindly cooperation of the patrons of the Clarendon postoffice will be greatly appreciated by the postoffice force, and by those who pay box rentals for a service they have not been getting.

VICTORY GARDEN BUYS BOND

Monday, Mrs. Joe E. Humphrey went to the postoffice to buy a bond. She and Mr. Humphrey had raised a "war garden" this season. "We thought if we raised a war garden, there ought to be a direct method of applying it on this war," Mrs. Eva Humphrey stated.

The bond was bought with money accumulated from the sale of tomatoes and turnips. It was applied just that way on purpose. The reader will no doubt attribute this noble deed to an act of patriotism, which it is and nothing else.

NOW IN KENTUCKY

Mr. and Mrs. C. M. Johnson received word from their son, Lloyd Johnson that he is now in Kentucky and that he didn't know how long he would be there. Up until a few days ago Lloyd had been stationed at Sheppard Field, located at Wichita Falls.

F.F.A. BOYS PURCHASE BOAR PIG FROM TIERRA BLANCA FARMS

A Berkshire boar pig sired by a littermate of the Bomber, last years grand champion Berkshire boar at the International Stock Show at Chicago, was purchased by the local F.F.A. Chapter from the Tierra Blanca Farms at Canyon Tuesday.

The local youths are just starting in the Berkshire breeding business after continued success with each of the other breeds. During the past year they have been heavy winners at Amarillo, and Fort Worth with their Berkshire barrows. Youths owning Berkshire sows and gilts are Henry Wilson, Charles and Joe Smith, Ray Morris, Cecil Woods, J. L. Goodman, Jr., Harry Blair, Jr., and Dania Howerton.

Those who read the letter last week written by Kenneth Brown, will recall that he mentioned one of the U. S. planes as being forced down in a jungle. A more recent letter tells how it was gotten out. "About the plane. Seems the native dictator was rabidly pro-American and he had his men carve a 2400 ft. runway out of the jungle. A ship flew a new motor in and they changed it and came merrily on their way. It took two weeks, but they stayed in the fine home of this dictator and were treated quite royally."

LIONS LADIES NIGHT ENJOYABLE AFFAIR

A large number of Lions, their ladies and friends enjoyed a very pleasurable evening Tuesday night when the local club celebrated Ladies night and the club's 20th anniversary.

The Memphis Lions club furnished the program and entertainment for the evening with Judge A. S. Moss making the principal address for the occasion.

CORP. MELLINGER HERE ON SHORT VISIT

Corp. Isadore Mellinger spent Tuesday night and early Wednesday morning here visiting his many friends. He was on his return trip to Camp Carson, Colo., after visiting his parents at Merkel, Texas.

Farmers & Ranchers Owing Trailers Will Not Need War Necessity Card

CLARENDON YOUTH RECEIVES HONOR

Jimmy Gene Thompson, son of Mrs. Margaret V. Thompson of Clarendon has been elected president of the Mid-Law class of the University of Texas for 1942-43. This is Jimmy's 2nd year in the law class and his 3rd year at the university.

Jimmy Gene has made a splendid record at the University of Texas and his many friends will be glad to learn of his latest achievement.

VISIT HERE WEEKEND

Mr. and Mrs. Will Ragsdale had for week end visitors their grandson and family, Mr. and Mrs. Eugene Cockerham and son, Mr. and Mrs. Curtis Ragsdale, of Dalhart; and daughter, Mr. and Mrs. L. O. Cockerham and sister, Mr. and Mrs. J. W. Chultz of Ft. Worth and granddaughter, Mr. and Mrs. Grady Jones of Lelia Lake.

Dick Shaffer Rites Held

Funeral rites were held at the First Christian church in Pampa Monday afternoon for Richard (Dick) Shaffer. He passed away from a heart attack in a hospital there Friday.

Mr. Shaffer, who ranched for many years near Alanreed, had resided in Gray county since 1891. He came to the Texas Panhandle when his parents moved here from Missouri, traveling in a covered wagon. The family settled on a homestead in the south part of Gray County.

Mr. Shaffer was married to Miss Bessie Elizabeth Murry, of Clarendon, on Feb. 5, 1909. They engaged in ranching until 1937, when they moved to Pampa.

Survivors include four daughters, Mrs. Glenn Calaway, Corpus Christi; Mrs. Sammy Whately, Mrs. Elmer Stevens, and Miss Daisy Laverne Shaffer, all of Pampa, and three grandchildren. Also surviving are four brothers and three sisters.

According to a statement by county agent H. M. Breedlove of the Texas A&M College Extension Service, farmers and ranchers who own trailers will not need a War Necessity card. Owners of trucks and pickups will be required to have a war necessity card before they are eligible for gasoline, tires or parts for the truck. These forms are being mailed the owners from the office of Defense Transportation in Detroit, Michigan. The owners of these trucks receiving applications for War Necessity cards are those who registered their trucks and pickups before the 31st of December, 1941. All purchases after that date must send in a request for application forms.

"We have these request forms in my office," Breedlove said, "and any person who has not received his application blank can come to my office and fill out a request form and he will be provided with an application blank for War Necessity card. We are assisting all persons with the filling out of these applications for war necessity cards in my office, and any person receiving one of these cards can come to my office as soon as he receives his application blanks and we will assist him in the executing of the forms."

The committee in Donley county for the handling of the sign up for applications for War Necessity cards are the following men: Roy Jewell, Hedley, chairman; Frank Bourland, Clarendon; B. N. Head, Clarendon; Lon Rundell, Clarendon and L. E. Thompson, secretary to the committee. These men have helped to work out the plan to assist farmers and ranchers of the county. Their idea of the War Necessity card for all persons owning trucks and pickups is to furnish the board information to the effect that the operations of the vehicle is essential to the war effort and that it should be entitled to be eligible for tires, gasoline and parts.

A war necessity card does not mean that all persons receiving these cards can get tires at once; it merely means that they are eligible for tires if the rationing board finds that they are eligible for tires under their regulations.

Breedlove advises that all truck and pickup owners in the county who have not received application for War Necessity cards, come to his office at once and fill out a request for these forms and then when the applicant receives the application that he come to his office and fill out the application so that it can be returned to the office of Defense Transportation.

RETURNS HOME

Mrs. Frank Bourland is at home after a two week's visit with her daughter, Mr. and Mrs. J. R. Ross at Beeville, and daughter and family, Mr. and Mrs. Robert Dillard at Corsicana.

Schools Net \$120.50 In Scrap Drive

Supt. H. T. Burton announced this week that the school children scrap drive in Clarendon had netted the schools \$120.50 with the Junior High and South Ward group receiving the larger end of this amount. They collected 1,690 pounds of rubber, 400 lbs. of copper, brass and aluminum, 23,610 lbs. of iron and steel, for which they received \$91.90.

The Senior High and College collected 210 lbs. of copper, brass and aluminum and 6,760 lbs. of iron and steel. They received \$28.60.

This money, it was announced, would probably be used to build up the libraries of each respective group.

The children are to be congratulated on their splendid response in this scrap drive. They did a good job that will go a long way toward helping win this war.

No Change In Nov. Stamp List

Families participating in the food stamp program in Donley County will receive the same blue stamp foods in November as they did in October, Joe H. Brown, acting area supervisor, Agricultural Marketing Administration, said today.

The November list, announced by the Agricultural Marketing Administration of the Department of Agriculture, includes: fresh apples, all fresh vegetables including Irish and sweet potatoes, shell eggs, corn meal, hominy (corn) grits, dry edible beans, wheat flour, enriched wheat flour, self-rising flour, enriched self-rising flour, and whole wheat (Graham) flour.

PATRIOTIC SERVICE

By declaring a two-week "cotton pickers' holiday," Clarendon (Texas) public schools lately released some 700 energetic, industrious—and by this time well-proved—young field hands.

The pupils' studies could be made up—by cutting the Christmas holidays, if necessary—and no young patriot would object.

A safe prediction is that those town boys and girls will pick their 100 pounds a day, if it takes from dawn to dusk.

FACING THE FACTS

"We are still losing the war," said Assistant Secretary of the Navy Bard, recently.

Lieutenant General Somervell struck a similar note when he said: "If we continue to lose a little while longer, it will be too late to save ourselves, America and civilization."

Anyone who will take the trouble to compare a world map of today with a world map of 1940, will agree with those authorities.

For that reason, it can no longer be truly said that "time works with the Allies." Time, instead, is running short.

STARVATION ALLOWANCES

The allowances given the dependents of America's fighting men amount to a national disgrace.

Contrast this with the generous treatment accorded labor. Its

wages are at all-time highs. It has been promptly given almost every wage increase it has demanded.

The cost of adequate pensions to those dependents would never be noticed in the over-all cost of the war.

80 Co-eds Out For Physical Training

AUSTIN, Oct. 28—If sports participation is one road to physical fitness; then 80 University of Texas co-eds can be sure they have a share in the national program of physical preparedness.

New members of eight sports clubs for women have recently been announced.

Among the co-eds elected to these clubs is Joan Thompson, daughter of Mr. and Mrs. L. E. Thompson of Clarendon, who was accepted by Tee Club, organization for golfers.

series of open tryouts with members of the physical training department serving as judges.

Although the number in these skilled sports clubs is limited, every University girl has an opportunity to participate in a sports program.

Mrs. B. F. Kirtley returned home Wednesday after a week's visit with her parents, Mr. and Mrs. J. J. Smith at Hubbard City.

OUR DEMOCRACY

TOMORROW'S BREAD. THE OLD-TIME HARVEST MEANT FOOD AND SECURITY AGAINST THE COLD WINTER MONTHS... BUT A PORTION WAS CAREFULLY SET ASIDE AS SEED FOR SPRING PLANTING.

TODAY OUR HARVEST IS OF GREATER SCOPE—A "HARVEST" OF PRODUCTION FOR IMMEDIATE NEEDS—AND THE PORTION WE SET ASIDE IN THE FORM OF WAR BONDS, SAVINGS ACCOUNTS AND LIFE INSURANCE, CONTRIBUTES TO VICTORY— IS SEED SOWN NOW FOR A HARVEST OF PEACE.

ON THE HOME FRONT

With two weeks remaining before registration gets under way far gasoline rationing and before trucks and commercial vehicles must have ODT certificates of war necessity in order to operate, all eyes on the Home Front this week turned to the government's mileage rationing plan.

Farmers, ranchers and others in the vast spaces of the great Southwest were asking: "Will I get enough gasoline to take my produce to market? Will I be allowed enough gasoline to look after my stock? May I keep my trailer tires?"

Regional Price Administrator Max McCullough assured farmers they would be allowed plenty of gasoline for their necessary travel.

The "A" book, which every passenger car owner is entitled to if he owns no more than five tires for each passenger vehicle, is good for 90 miles of personal driving and 150 miles of occupational driving per month.

The government's idle tire purchase plan caused many inquiries to OPA officials. It was emphasized that "A" books will be denied passenger car owners if they possess more than five tires for each passenger car they own.

Truck-type tires are marked as such on the sidewall of the casing. Elsewhere on the Home Front, new developments concerning food and clothing were important during the last week.

Of greatest interest to women, probably, was the OPA order for sharp reductions in the prevailing "fantastic prices of women's nylon hosiery."

The need for women workers in war industries should convince college women that they have no right to think that a college education entitles them to occupational prestige "above" that of manual labor.

Mrs. David Johnson and granddaughters Rosemary and Beverly Bourland returned home Saturday night from Crowell with her daughter, Mrs. Halbert and family.

National Hog Production Goals Are Released

COLLEGE STATION, Oct. 28—The 1943 Food for Freedom program got underway last week when the nation's hog farmers were asked to increase spring farrowing by at least 10 percent over this year's record crop.

Although state production goals have not been received by the Texas USDA War Board, B. F. Vance, chairman, said that Texas hog farmers would be asked to fall in line with the national increase.

The national increase will result in an estimated 1943 slaughter of pork amounting to 13.4 billion pounds dressed weight, compared with slightly more than 11 billion pounds of slaughter this year.

Ever-increasing demands for meat products to the fighting forces, Lend-Lease purchases and civilian needs were cited as reasons for the increased production.

Answering the nation's call for more pigs early in 1942, Vance pointed out that Texas hog farmers saved 1,620,000 head of pigs from spring farrowing, the largest crop on record.

J. B. Bourland of Pampa spent the week end visiting in the Frank Bourland home.

THE TEMPLE OF TRUTH
By the Apostle

BETTER SPIRITS.
That heading has no reference to liquors. I've known some folks to become jubilant over a home-cured ham or some real honest-to-goodness sausage or spare ribs.

But what the old Apostle started in to say is that in time of war, the laughter of the people can become a national tonic—and the circus clown type a great physician.

THE ESCAPER.
When the new income tax law goes into effect, a lot of fellows will join the army to escape making out returns. Maybe that was

the idea the designers had in mind.

SMART ALEC.
Don't worry—there's no future in it.

HOSPITAL DOPE.
Boy, oh boy, what a peach of a nurse I had—red head, swell figure, and - - -
Then the visitor said: "I under-

stand you were very ill."
And the patient replied that "I guess I was, but I wasn't dead!"

EVERYTHING CHANGES.
In the old days when a fellow told a risk story to a girl, she blushed. Now she memorizes it.

THE END.
One book that always has a sad ending—your check book.

WHY! THA DANG—
It is reported that Hitler sleeps now without pinning his medals upon his pajamas!

COP CATS.
Designers of our bomber planes are said to have gotten their ideas from that scallied insect known all over the Globe. Yep, nature fastened the first bomb racks under bees!

OBSERVING.
When the gas rationing takes effect, it is hoped that each town will return to the good old custom of maintaining a horse trough where we can all soak our aching "dogs" occasionally. There will be plenty of walking and a full crop of corns, bunions and aching feet, brother—also suster.

THE DISCOVERER.
"How did you find the ladies at the dance," questioned a smart fellow down at Hog Jaw last week when Hastoon Yazzie's son went out for his first night of wild life. "Oh, I just augged around until I saw door with "ladies" on it, and opened the door and there they wuz!"

TRAGEDY.
The little ink drop was blue because his father was in the pen-fining out a sentence.

Well, that's all for this spasm, folks, and there is more foolishness, less common sense and reason, but it is hoped that this little bit of side show will leave you in a better humor.

RED CROSS VOLUNTEER SERVICE

As the numbers of the Armed Forces increase and more and more expeditionary forces are poured into the battle zones, the Red Cross is already making preparations against the days of their return as veterans. Facilities to take care of their claims by helping and advising them on procedures are being planned. Whether they are able-bodied or combat casualties, their rights, or their families' rights, to various governmental benefits, will be safeguarded.

Those turning in helmets the past week were: Mrs. D. F. Wadsworth, Mrs. McClure and Mrs. Kendall, Mrs. Jack Molesworth, Mrs. Floyd Lumpkin and Mrs. U. Z. Patterson.

Sweaters were turned in by Mrs. Harold Bugbee, Mrs. B. C. Antrobus, Mrs. L. N. Cox, and Mrs. Paul Slaton.

One muffler was turned in by Miss Margaret Wadsworth.

Wristlets were turned in by Mrs. Ollie Kendall, Mrs. Nova McClure, Mrs. Frank Brown, and Mrs. F. Phelan.

Afagan squares were turned in by Mrs. McHenry Lane, who donated the yarn.

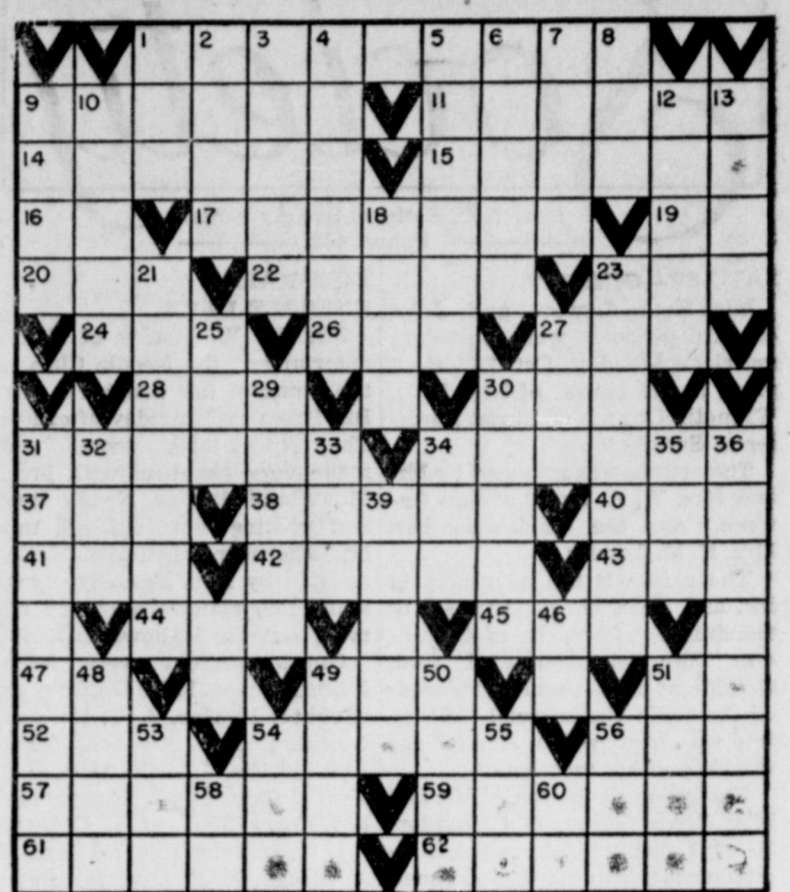

We want to thank Mrs. Nova McClure and Mrs. Floyd Lumpkin for their help in finishing uncompleted knitting.

Sewing
We are happy to report that all of our children's pajamas, totalling 230, have been issued. Mrs. Harry Ruddell took 10 children's pajamas for the Presbyterian Auxiliary. Mrs. Geo. McCleskey took 12 pairs of pajamas for the T.E.L. Class of the Baptist Church, and 17 pairs were issued to Mrs. Lee Holland for the Harmony Class of the Methodist Church.

Miss Maurice Berry has taken 50 women's slips for the Home Economics Class to make. Mrs. W. H. Gray took 10 slips for the Goldston community.

Mrs. Heckle Stark turned in 12 children's blouses for the Presbyterian Auxiliary. The following ladies completed these blouses: Mrs. M. M. Miller, Mrs. G. L. Green, Mrs. Karl Adams, Mrs. Walker Lane, Mrs. Lee Bell, Mrs. Howard Stewart, and Mrs. Heckle Stark.

By Bureau of Public Relations, U. S. War Dept., Wash., D. C.

Mrs. D. O. Stallings and Mrs. C. T. McMurtry completed 12 garments for samples.

The cutting committees are busy each day getting garments ready for distribution.

Anyone having a surplus of buttons please bring them to the Red Cross room.

HOME SERVICE
Mrs. C. A. Burton

A recent release from Red Cross headquarters carries the following statements as to the functions of Home Service which will be of interest:

1. Communication and Information Service: Assistance with communications between Service men and their families and inquiry in regard to their welfare; information concerning regulations and legislation affecting service and ex-service men and their dependents.
2. Reporting Service: Cooperation with the military and naval authorities by obtaining social history material required for medical treatment and by making reports on home conditions needed by Commanding Officers in deciding questions of discharge, furlough, or clemency.
3. Claims Service: Assistance to disabled ex-service men and their dependents and to dependents of deceased men in presenting claims for compensation and other government benefits.
4. Family Service: Financial aid for special needs not provided for from public funds and basic maintenance when public relief is not available; consultation and helpful activity directed toward meeting those family difficulties which do not require financial aid; referral service enabling the client to make use of the resources of other organizations providing services not within the Home Service program.

LAWLER—GILBERT

Miss Roxie Lawler and John Howard Gilbert were united in marriage Monday, Oct. 26 at 9 p. m. in the home of Rev. T. D. Wilmeth, Church of Christ minister at San Antonio.

The couple was attended by Mr. and Mrs. W. A. Knoll of San Antonio, and the bride's mother, Mrs. N. M. Lawler.

The bride is the daughter of Mr. and Mrs. N. M. Lawler of Goodnight, formerly of Clarendon. She was graduated from Goodnight high school and attended Amarillo Commercial College. She was employed in Amarillo at the time of her marriage.

The groom is the son of Mr. and Mrs. Clyde Gilbert of Clarendon. He was graduated from the Clarendon schools and attended Ames, State College of Iowa. He had been associated with his father in ranching before entering the armed forces this year. He is now in service at Kelly Field, San Antonio.

To the many friends who wish to congratulate this young couple, their address is 328 Madison, San Antonio, Texas.

FRIENDSHIP CLUB

This Club met at the home of Mrs. J. D. Stocking Tuesday morning for an all day turkey dinner. The morning was spent in preparing the turkey and all the trimmings. At the noon hour the lovely dinner was served.

The entertaining rooms were beautifully decorated with lovely flowers from Mrs. Stocking's flower garden.

In the afternoon, a short business meeting was presided over by president, Mrs. Skinner. The Lords prayer was repeated by the club at the opening of the meeting. Mrs. J. P. Pool gave the scripture reading. The meeting was closed with prayer by Mrs. Allene Skinner.

Mrs. L. Ballew will give the scripture reading at the next meeting which will be at the home of Mrs. J. A. Meaders, Nov. 9th.

Guests for the day were Mrs. O. D. Kerr and Mrs. Vandenberg of Amarillo and Mrs. Allene Skinner. Club members, Mesdames C. R. Skinner, G. J. Teel, Eva Womack, J. A. Meaders, C. E. Lindsey, M. E. Thornton, J. P. Pool, L. Ballew, J. W. Morrison, H. Tyree, J. E. Mongole, J. L. Allison, Miss Katie Meaders and the hostess, Mrs. Stocking.

KILL KARE KNEEDLE KLUB

Mrs. M. W. Mosley of Hedley entertained the Needle Club at the home of her daughter, Mrs. Bill Bromley Thursday afternoon. The entertaining rooms were made very beautiful with lovely Mums and dahlias. Needle work and visiting were enjoyed until late afternoon when Mrs. Mosley, assisted by Mrs. Bromley, served a delicious plate refreshment, carrying out the Hallowe'en motif.

Guests present were Mesdames John Goldston, Rolle Brumley and daughter Shirley, A. T. Cole, Joe Goldston. Club members, Mesdames Ava Draffin, J. R. Bartlett, G. C. Heath, Sam Lowe, Homer Mulkey, Frank White Sr., H. C. Brumley, W. B. Sims, Buel Sanford, W. A. Massie, R. R. Dawkins, Bromley, Mosley, and Misses Ida and Etta Harned.

The Club will meet Nov. 12 at the home of Mrs. W. B. Sims at 3:30 p. m.

Y. W. A. MEETS

The Y.W.A. met Wednesday night, October 28 at seven o'clock in the home of Lois Underdown. During the business meeting the following committee chairmen were appointed:

Program chairman, Lois Underdown and Stewardship committee, Hulda Jo Cauthen.

Lucille Wallace and Lois Underdown gave talks from the Y.W.A. magazine.

Hot chocolate, coffee and doughnuts were served to the following: Mrs. Walter Flynt, Maxine Robertson, Hazel and Juanita Bingham, Louise Skinner, Lucille Wallace, Hulda Jo Cauthen, and hostess, Lois Underdown.

MOTHERS CLUB ENTERTAIN

The Mothers Club entertained with a Hallowe'en party Tuesday night at the Baptist church. The children came dressed in costume. Various games were played and a number of contests staged. Mrs. Rutter read "Peter Painter" and other readings.

Refreshments of cookies and apples were served to a large number of children.

Will Johnson is visiting his son and wife Mr. and Mrs. Billy Johnson at Galveston.

Corporal Roy R. Lewter of Louisiana visited his mother last week.

BLUE BONNET BRIDGE CLUB

Mrs. C. G. Stricklin entertained the Blue Bonnet Bridge Club at her home Thursday afternoon. Lovely dahlias and Mums were used to make the entertaining rooms more attractive. Games of bridge were played at two tables. High score prize went to Mrs. C. T. McMurtry, and low to Mrs. Chamberlain.

A delicious salad course was served to invited guest, Mrs. Odie Caraway. Club members, Mesdames C. T. McMurtry, J. L. McMurtry, A. R. Letts, F. E. Chamberlain, W. H. Patrick, John Blocker and the hostess, Mrs. Stricklin.

FIRST CHRISTIAN CHURCH

L. Guy Ament, Pastor
Last Sunday we were up some in numbers in our Sunday school. Let us have still more next Sunday. We meet at 10 a. m. Frank White Jr. is Superintendent. Orphan Home day remember.

Church services at 11 a. m. and 8 p. m. Bring some one with you. Come with your company.

Next Wednesday 8 p. m. Prayer meeting and Bible study. Revelation, 11 chapter and on.

Next Wednesday the Missionary society meets with Mrs. E. C. Herd. Mrs. Frank White Sr. is leader of the lesson. Mrs. Ament President. The hour, 4 p. m.

Laverne Morris is visiting her parents, Mr. and Mrs. Price Morris at Lubbock.

Mr. and Mrs. Douglas Doshier and family of Benjamin, Texas spent the week end with his mother, Mrs. Genoa Doshier.

Mrs. Smith and her daughter Patricia of Plainview is visiting her mother, Mrs. M. R. Allensworth.

Rev. J. O. Quattlebaum went to Gainesville after Mrs. Quattlebaum. They visited their daughter Patti at Denton on their return.

W.A.A.C. Closing Ranks to Officer Candidates

According to reports received by Lts. Virginia F. Williams and Rose E. Smothers of the Lubbock Recruiting Office, the training center of the Women's Army Auxiliary Corps, which is located at Des Moines, Iowa, has now virtually finished receiving officer candidates direct from civilian life.

Graduation Saturday, October 17, boosted the number of Third Officers to approximately 1,150 or only about 150 fewer than the 1,300 women officers that were planned shortly after the corps was set up. The remaining 150 officer candidates are now in training at the post there.

This probably means classes of officer candidates made up of those from the ranks of auxiliaries will be inaugurated much sooner than was first anticipated. It was not believed this could take place before December at best. Of course the sooner a girl enters the training, the better will be her chance of becoming an officer. As for an education or age goes, every girl will have equal opportunity to make officers' candidate school.

She will be judged on performance and ability while on the job; and recommended for school by her commanding officer.

Application blanks may be obtained at any of the following Army Recruiting Stations: Lubbock, Amarillo, Pampa, Plainview, Big Spring, Odessa, El Paso and Fort Bliss and Sweetwater.

Mrs. J. M. Looper was called to Amarillo Monday to be with her daughter, Mrs. C. J. Usrey who is quite ill.

From Mattresses To Pig Raising

COLLEGE STATION, Oct. 28—The government's cotton mattress demonstration program of 1940 is paying dividends in its 1942 Food for Freedom campaign.

When the mattress program was launched in the spring of 1940, community chairmen were asked to serve without pay, and in addition used their cars at their own expense to "get the program going." One of these volunteer leaders was Mrs. Hugh Vaughn of the Sand Grove community in Milam county.

In 1941, provision was made in the program to pay each local chairman a small sum for each mattress made under her supervision. Mrs. Vaughn continued to serve her community, and eventually she received \$11.85 for her months of work.

"I put 15 cents with my \$11.85 and bought two gilts," Mrs. Vaughn recently told Dorothy Porter, Milam County home demonstration agent. "They now have 13 pigs and my husband says they are easily worth \$100."

Mrs. Vaughn says she'd like another mattress program.

Mr. and Mrs. Fancher Upshaw of Amarillo spent Sunday with her sister, Mrs. Marguerite Goodner and mother, Mrs. Cook.

Mrs. Julia Heuer of Yoder, Wy, is visiting home folks and is an employee at the Greene Dry Goods Co.

Miss Gladis Wallace of Amarillo visited Miss Lucile Polk the week end.

Mrs. Eugene Putman of Amarillo spent the week end with her parents, Mr. and Mrs. Fred Cook.

U. S. Government Seeks Photographers And Motion Picture Technicians

Newest opportunities in Federal service are for photographers and motion picture technicians, the United States Civil Service announces. Positions paying \$1,440 to \$3,800 will be filled through out the United States, its territories and possessions. Free-lances and amateurs will have a chance to qualify.

In the photographic field, the Federal government desires to recruit women photographers wherever possible. However, both men and women may apply. Specific needs are for persons skilled in wet plate, process, and microfilm photography.

Qualifications required for Photographers and Motion Picture Technicians are: for the \$1,440, \$1,620, and \$1,800 positions, 6 months, 1 year, and 2 years respectively of appropriate experience. For the higher bracket positions, experience equivalent in difficulty and responsibility to that of the position open must be shown.

For all positions there is no maximum age limit. Applications for these positions should be filed with the United States Civil Service Commission, Washington, D. C., and will be accepted until the needs of the service have been met.

Full information as to requirements and application forms may be obtained from Ernest Hunt, or Elmer G. Hayes, Secretary of the Board of U. S. Civil Service Examiners at the local post office.

Mrs. Frank White Jr. and son spent the week end in Amarillo with her mother, Mrs. Blanton and sister, Mrs. Johnny Oates.

Mr. and Mrs. Fred Cook and Billie visited in Amarillo Monday.

MARTIN

Billie Marshall

There was a nice crowd at Sunday school considering the weather.

Helen Jo Bulman spent Saturday night with June and Iva Ruth Gibbs.

Mr. Frank Thomas and son spent Sunday morning with his parents, Mr. and Mrs. J. D. Thomas.

Mrs. Cora Lee Robertson and daughter visited a while in the J. D. Thomas home late Sunday evening.

Mr. and Mrs. Earl Barker spent Saturday night and Sunday with Mrs. Barker's parents, Mr. and Mrs. Howerton. Mr. Barker left Sunday evening at 4:00 to join the Air Corps at Lubbock.

Iva Ruth, June Gibbs, Helen Bulman, Nadine Cole, Mary Christie, Charlie Sullivan spent Sunday with Billie and Lavern Marshall. Doris Allen, Ava Nell, James Scott came in the afternoon.

George Bulman spent Sunday with Gene Crow.

Jack Gray spent Sat. night and Sunday with F. G. Crawford.

Faye Sullivan spent Sunday with Billie Jean Howerton.

Mrs. J. H. Easterling is visiting her children in Amarillo this week.

Mr. and Mrs. J. T. Easterling and girls, Mrs. Guy Sibley and girls spent Sunday with their parents, Mr. and Mrs. Will Barker.

Mr. and Mrs. Horton Sibley and family of Amarillo spent Monday visiting relatives here. Mrs. A. J. Sibley will return home with them.

Mr. and Mrs. A. F. Graves of Pampa spent Sunday visiting his sister, Miss Mantie Graves.

Entomologist Appointed

COLLEGE STATION, Oct. 28—Dr. H. G. Johnston, Arizona extension entomologist for the past three years, has accepted an appointment as entomologist for the Extension Service of the Texas A&M College, Geo. E. Adams, vice director and state agent, has announced. Dr. Johnston succeeds Cameron Siddall who was commissioned in the U. S. Army early in September.

The new entomologist, whose full name is Horace Greely Johnston, is a native of Mississippi. He received his B. S. degree from Mississippi State and was awarded his M. S. and Ph.D. degrees from Iowa State College at Ames, Iowa. His doctorate was obtained in 1936.

Dr. Johnston was associated for 1 years with the A&M College in the entomology department, serving first as assistant and later as an associate professor. As extension entomologist for the University of Arizona he directed the general entomologist program for the Extension Service, and his duties in Texas will be similar.

"We feel fortunate in obtaining an entomologist with such excellent background and qualifications," Mr. Adams said in announcing the appointment.

A weekly ration of two or two and one-half pounds of meat per week is enough to meet nutrition requirements if meat is carefully bought and prepared. Miss Jennie Wilmot, University of Texas assistant professor of home economics, asserts,

Mrs. Hugh Curry and two sons of Amarillo and her mother, Mrs. J. R. Lafon of Canyon visited friends in Clarendon the week end.

Mr. and Mrs. E. H. Noland and Mrs. William Lewis Jr. shopped in Amarillo Tuesday and attended the Jan Garber concert.

Harry Blair is in Ft. Worth on business.

Farmers Receive Benefits From Food Purchases

Texas farmers who produce roughly one-fourth of the nation's cotton and around 5.5 percent of the eggs are realizing substantial benefits from huge Government purchases of these and over 200 other farm commodities for Lend-Lease and related needs, Emmett A. McBryde, AMA member of the Texas USDA War Board, said today.

In September alone, the Agricultural Marketing Administration purchased over \$16,000,000 worth of cotton on the open market and \$10,900,000 worth of eggs, McBryde pointed out. Purchases of all food and fibre during the month amounted to \$115,000,000.

During the 18 months since the Lend-Lease program began, AMA has purchased more than \$1,750,000,000 worth of farm commodities.

18 and 19 Year Old's Wanted By Army

Now is the time for all young men 18 and 19 years of age, to come to the aid of their country. The time for a young man to enlist in any branch of the Service he wants is drawing to a close.

Here are three things for a young man to think about—and act on—right now. (1) Your country needs you desperately. It needs men your age because you are the first-class fighting men. (2) The sooner you are in the Army, the better prepared you will be—you'll get thorough training and chances for rapid promotion. Also, men of your age may be commissioned. (3) Before you reach the age of 20, you may select any one of the 13 branches of service to serve in—any one of which will give you sound training for a future career.

Talk it over with your family, and go to any of the following Army Recruiting Stations: Amarillo, Plainview, Pampa, Big Spring, Odessa, Sweetwater, El Paso and Fort Bliss. There you may obtain information about the branches of service which interest you—then enlist immediately before it is too late.

CANNED FOOD USE SHOULD BE REDUCED

If every one of America's 31,000,000 families would reduce its purchase of canned foods by one can per week, thousands of tons of critical tin and steel would be released to make cans for shipment of food to our soldiers and allies. Housewives can make up for reduced consumption of canned foods by using fresh fruits and vegetables in season, canning foods at home and planning a Victory garden next spring.

Conserve Baling Wire This Fall

COLLEGE STATION, Oct. 28—If this year's baling wire is not conserved and put into re-use, many Texas farmers will not be able to buy baled hay in 1943, B. F. Vance, chairman, Texas USDA War Board, said this week.

According to present indications, only a fraction of a normal year's wire supply will be produced for next year, he said.

"This year our baling wire production was nearly 50 percent greater than in normal times but even at that shortages existed in many areas," Vance said in pointing to the necessity of conserving wire.

To conserve wire, farmers should cut as close to the tie as possible and later the wire should be straightened and placed where it will not rust.

Citing hay deficient areas, stock yards and Army remount stations as the three largest consumers of baled hay, Vance pointed to the necessity of their taking particular pains in salvaging baling wire for re-use.

Machinery Rationing Amendments Announced

College Station, Oct. 28—Certain types of new farm machinery, plus attachments, having a retail value of \$25 or less are exempt from the farm machinery rationing program and may be purchased without certification.

Previous to the new amendment on Group B machinery, certifications from farmers to dealers were necessary before purchase could be made, according to B. F. Vance, chairman, Texas USDA War Board.

Also included under the new amendment are all hand operated and one and two horse drawn farm machinery and equipment, such as plows and combination corn and cotton planters, he said.

Set in operation several weeks ago, the aim of farm machinery rationing is to route limited farm machinery into channels where maximum contribution will be made to agricultural wartime production.

Divided into three groups, Group A machinery, which includes scarce items, require certifications from county machinery rationing committees before purchases may be made. Group B machinery, which includes items less scarce, may be purchased upon certification from the farmer to the dealer that the equipment is needed for current production.

Other less essential items fall into Group C and may be purchased without certification.

Mrs. Wade Hilliard and son Don who has been visiting her husband Wade Hilliard at Camp Crowder, Mo., returned to Amarillo for a few days visit. She will be at home the last of this week.

AMA Pays New Ceiling Price For Lard

OPA's new ceiling should cause larger quantities of lard to flow into Lend-Lease channels, Emmett McBryde, Austin, AMA District Supervisor and member of the Texas war board, announced this week.

Under a new program announced through the Department of Agriculture, the Agricultural Marketing Administration will buy lard for Government needs at a price not exceeding 14½ cents per pound, f.o.b., Chicago basis.

"This new ceiling is one cent per pound higher than the AMA has been paying for lard," the war board member said.

Other foods which AMA purchases for Lend-Lease and other needs include, dried eggs, dried whole and evaporated milk, skimmed milk, meat products, cheese and canned processed cheese, concentrated orange and lemon juices, canned beans, tomatoes, and peas, and canned tomato paste.

SCRAP SHIPPED FROM TEXAS YARDS

A total of 59,448 tons of metal was shipped to the nation's steel mills in September by Texas scrap yards, Thomas L. Mullican, WPB auto graveyard chief for the state, announced. October shipments are expected to be much higher, as a result of the newspaper-school scrap drives.

Miss Ruth Richerson spent the week end in Amarillo.

Mrs. Rufus White returned home Wednesday from a week's visit with her parents, Mr. and Mrs. Parten at Waxahachie.

Cotton Loses Top Position

AUSTIN, Oct. 28—Cotton not only is no longer "king" of all Texas industry, it has even lost its position of pre-eminence in the agricultural industry itself, Dr. F. A. Buechel, assistant director of the University of Texas Bureau of Business Research, told members of the Texas Statistical Council at a recent meeting on the University campus.

"Cash income from agriculture represents approximately 30 percent of the state's total spendable income," Dr. Buechel explained. "In 1928, farm cash income was 797 million dollars of which more than 63 percent came from cotton and cottonseed."

In 1941, however, the picture was quite different, the statistician reported. Farm income was 616 million dollars, and of this total, slightly less than 41 percent was received from cotton and cottonseed. The share of cotton in the state's total income has therefore been reduced to about 12 percent, Dr. Buechel said.

Mrs. Reed Smith and daughter Emily Ann of Wichita Falls visited Sunday with her mother, Mrs. M. E. Thornton.

Mrs. J. Gordon Stewart has returned home from a visit with her parents, Mr. and Mrs. O. E. East-erline at Abbott, Texas.

Don't forget that November 1st is the deadline for sending Christmas Gifts to the Service Man overseas - - - and let us remind you that we have a large assortment of gifts to select from.

HOME GUARDS ARE NEEDED TO HELP WIN

An army's backbone is stiffened by the strong front it leaves behind to carry on. It is essential that our home front be as healthy and strong and alert as possible. Then only can we contribute all-out effort! The pharmacist has an important job—he is the assistant to the doctor, meticulously dispensing prescriptions to combat disease. For now, more than ever, the pharmacist realizes that service to the sick is his most important function. We must have a well nation! Norwood Pharmacy strives to fortify the pharmacist's position as a factor in public health. Our store carries complete stocks of only the leading manufacturers. Our drugs are compounded with modern precision instruments to insure accurate measures. And our prices are always fair!

We are helping to win the war - - - let us serve you so you can too!

Homecoming At W.T.S.C. Nov. 7

CANYON, Oct. 28—Although reduced in elaborateness, the November 7 Homecoming at West Texas State College will not lack interest and color. Many ex-students no win the U. S. armed forces are arranging their furloughs so they can be present. A patriotic theme will prevail.

Touched off by a giant bonfire and pep rally, this Homecoming will include class and club reunions, visiting, a gapeant, a Sadie Hawkins dance, a giant informal party at Cousins Hall, and the best football game on the local schedule.

The Amarillo Center, too, will have a part in this Homecoming by keeping open house on Friday evening, November 6, and Saturday morning, November 7.

The football game will be the first of the larger spectacles. It will bring the Hardin-Simmons Cowboys, who at present appear to be the strongest outfit in West Texas. The improving and ambitious Buffaloes will crash into these old rivals in a game of wide territorial appeal.

A patriotic pageant written by Mrs. J. A. Hill and recently staged for a state club convention will be seen here for the first time. The committee which will direct this production includes Dr. Seth Fessenden, Mrs. Frances Bright, Miss Ruth Stapleton, and Mrs. Hill.

Dr. J. A. Hill and Boone McClure are co-chairmen of an informal Homecoming party to be held at Cousins Hall. Special guests of this occasion, in addition to out-of-town exes and visitors, will be those Canyon residents who were here when the college opened in 1910.

NOW IN CALIFORNIA

Corp. Ray Palmer who has been stationed at Camp Perry, Ft. Clinton, Ohio is now stationed at Camp Beal, Calif. He is a member of the famous Black Cat 13th Armored Division. Ray is a son of Mr. and Mrs. Doss Palmer of this city.

These were the outstanding animals of the 1942 Donley County Club Boys pig show where 151 animals were shown by the members of the Clarendon F.F.A. Chapter.

Left top to bottom, grand champion gilt exhibited by Marvin Ray Jordan who received 50 cents per pound for the animal; champion Hampshire barrow that was exhibited by Ralph Morrow; reserve champion barrow of show, a Poland China exhibited by Billy Reid, and the grand champion barrow of the show, a chester white exhibited by Billy Jack Jordan.
Right top to bottom, champion duroc barrow exhibited by Charles Smith; grand champion pen of three exhibited by Calvin Naylor; champion berkshire exhibited by C. G. Kirkland; and reserve champion gilt of the show, a chester white exhibited by Billy Joe Marshall.

AT HOUSTON

Mrs. Van Kennedy who is worthy Matron of the Eastern Star is attending the Grand Chapter of the Eastern Star at Houston this week.

—On Pay Day, Buy Bonds—

TO THE PRODUCERS OF DONLEY COUNTY.

Walter J. Flynt, Secretary Donley County ACA

As you know, there was set up a machinery rationing committee several weeks ago to govern certain types of new machinery. Group A, requires the approval of this committee. The machinery in this group consist of Tractors, feed grinders, etc. Other types machinery do not require approval of the committee but must have a certificate of necessity, and a certification that it will be used during 1942. In this group, which is designated as group B, a change in the regulations has been announced. Machinery having a retail value of \$25.00 or less may be purchased without a certification of the use to be made, of it.

Many farmers, who have Cotton Crop Insurance, have been paying their premiums now to avoid having to show the Crop Insurance Corporation as the payee when applying for a Cotton Loan, and in order to avoid showing the Applicant as being indebted to the Federal Crop Insurance Corporation when application for conservation payment is submitted for payment.

This is announcing a farm storage Commodity Credit Loan on Cotton. This is for cotton grown within the allotment, and stored on the farm, to be cared for and kept in condition by farmers themselves. The storage structure must be more or less like the storage structure for grain except that it would not have to be grain proof. Otherwise must be weather, insect and rat proof.

If the farmers of Donley County are interested in this program please inquire at the County Office for further instructions.

Rates, and yields are available at the county office at the present time for 1943 Crop Insurance, however I am unable to say when notices will be mailed out to Producers, since the State Office has not yet received the forms on which the notices will be sent as yet. We feel that the Insurance program is greatly improved over the 1942 program. Feel free at any time to come to the County Office and ask questions regarding this program.

RETURNS FROM VISIT

Mrs. R. M. Morris returned home Monday from a 4 week's visit with her sister Mrs. Lon F. Owen who is very ill and brothers Allen Christie and Rev. W. W. Christie at Magnolia, Ark., and a brother John Christie who is very low at Emerson, Ark.

Grand champion litter exhibited by Frank Mahaffey.

Veterans To Meet At Uvalde, Texas November 1st

DALLAS, Oct. 24—Veterans of World War I from many parts of the State will gather at Uvalde, Texas on Sunday, Nov. 1st to select sites for Homesteads on a 3,000-acre irrigated colonization project, sponsored by the War Veterans Relief Association.

The Tract has been divided into ten-acre plats which are sufficient for the average family to become self sustaining, since the entire tract is in the Winter Garden Vegetable Growing Area and is now under irrigation. Food for Victory is the basis of the entire program in which eventually 300 Ex-service men and their families will settle on the tract and raise food for the army.

More than twenty of these tracts were sold when the first contingent of Veterans visited the site on Oct. 18th for the program of dedication. As was the case when the first contingent visited the site, Veterans who visit the place on Nov. 1st will be tendered a real South Texas barbecue dinner.

Further information regarding the project will be given to any Veteran writing the War Veterans Relief Association, 1007 1/2 Main St., Dallas, Texas.

The 1943 Cotton Bagging Program Is Announced

About 88,000 bales of cotton will go into cotton-bagging-for-cotton-bales in 1943.

Under the new program, 8,000,000 bale covers will be manufactured for use in 1943 as compared to 4,000,000 patterns in 1942.

Purpose of the cotton-bagging-for-cotton-bales program is to stimulate development of new uses and new markets for domestic cotton.

Texas cotton farmers received a 7-pound per bale allowance for cotton wrapped in cotton patterns this year and doubtless will get the same consideration in 1943, according to Fred Rennels, assistant administrative officer of the AAA in Texas.

The 7-pound allowance is the difference in weight of cotton patterns and jute wrappers, he said in pointing out that cotton patterns and ties on a 500-pound bale weigh about 14 pounds while the jute wrapper and ties weigh from 21 to 22 pounds.

Mr. and Mrs. J. D. Hamilton are the proud parents of a 7 lb. girl whose name is Finda Rue, Saturday, October 24. Mr. Hamilton is the pastor of the Pentecostal church here.

Farmers Sign For Certificates

Texas farmers opened up a state-wide blitz to beat the transportation problem last week-end when they fell in line for certificates of war necessity.

Under the office of Defense Transportation's wide-sweeping conservation program, all rubber tired vehicles, including farm trucks, used to haul produce from the farm or supplies to the farm must be covered by the certificates after November 15. The certificates will determine the miles that may be operated and the loads that must be carried.

Operators subject to the order who do not have the certificates will not be able to obtain gasoline, tires or parts, B. F. Vance, chairman, Texas USDA War Board, pointed out.

He also explained that ordinary farm trailers are exempt from the order and do not require certificates to remain in operation.

Purpose of the certificate plan is to conserve rubber and automotive equipment, as well as to insure swift, effective and economical movement of war goods, including farm produce.

Assisting Texas farmers in filling out application blanks were the 254 county Farm Transportation committees whose initial job was to assist farmers during National Farm Truck Transportation days, Oct. 22-24.

"Although their man job right now is to help farmers with their applications, their major responsibility will be to develop farm transportation conservation programs in their areas later on," Vance said.

Mr. and Mrs. C. R. Wilson of Paducah announce the birth of a 7 lb. 4 oz. baby girl, Name Jane, Mrs. Wilson is the former Pauline Lane, daughter of Mr. and Mrs. Cap Lane of this city.

Sergeant F. A. Dazier of Ft. Sam Houston is here on a 12-day furlough visiting his parents, Mr. and Mrs. Dozier.

Thirty-One Men Accepted As Air Corps Specialist

Thirty-one Donley County men have volunteered and been enlisted in the Army of the United States as Air Corps Specialist at the Lubbock Induction Center.

West Texas has a higher percentage of enlistments than any other district in the five states comprising the Eighth Service Command.

Those who have been enlisted recently are:

From Clarendon—Herman Vinson, William Eugene Goodman, Eulen Otis Higdon, William Oscar Butler, Jr., Price Clifford Whitlock, Robert Weldon Warren, Lowell Heckman, Robert Ray Allison, James Edward Johnson, Lesley Butler, William Douglas Scott, Johnny Grady, Fred Douglas Combest, James K. Morton, Jack Lowary Harris, John Thomas Hoy, Coleman Huffman, Jr., Edgar Lee Reynolds, Paul Jones Moore, William Franklin Sullivan, Beverly Davis Rhea, Glen Olive Adkins, Thomas Lawrence Heckman, Boner Philip Howard, Vernon Alfred Wood.

From Hedley—Alvin Glen Alexander, Chester Walker, Willie Doyle Messer.

And Billy Lynn McElroy, Paducah; James Kenner Boyce, Lelia Lake; Marshall Lewis Giesler, McLean.

Mrs. Cap Lane returned home Wednesday from a two weeks visit with her daughter and family, Mr. and Mrs. C. R. Wilson at Paducah.
